# FRESNO JUNIOR COLLEGE RAMPAGE

PUBLISHED BY THE ASSOCIATED STUDENTS

Show Time Today  
In Boys' Gym  
At 11; Be There

Vol. II

FRESNO, CALIFORNIA, THURSDAY, DECEMBER 1, 1949

No. 7

AL RADKA  
Master of Ceremonies

## Radio Quiz Show, 'Paydirt,' Will Be At JC Next Week

A quiz program "Paydirt" is to be put on December 8 in the boy's gym by the Assembly Committee revealed Duke Potere, who has made arrangements for the broadcast.

A transcription will be made and the program will be aired over station KFRE on Tuesday, December 13 at 7:30 p.m. Contestants participating in the contest will be picked at random from the student audience.

The show is sponsored by the Fresno Agricultural Company, and the Master of Ceremonies and producer of the show are, respectively, Al Radka and Ed Frech.

Potere made arrangements for having the show here, and has made it possible for students at FJC to see and take part in a real radio program, and also a chance to win valuable prizes.

He further stated that the radio department hopes in the future that similar programs can be made at the Fresno Junior College and released to the local radio stations.

## AWS, AMS Plan Christmas Formal For December 22

It's Coming! It's Coming! Yes the AWS, AMS Christmas Formal is coming. Margaret Margossian and Milton Martin, co-chairmen of the dance, announced that boys had better start hunting for that certain girl right now.

The dance will be held on the evening of December 22 in the boys' gym from 8:30 to 12. The school dance band will play.

The AWS committee chairmen and sponsors are: invitations, Marilyn Bivings and Mrs. Edna Hartley; refreshments, Shirle Reed and Miss Mary Harney; decorations, Joyce McCann and Mrs. Anna Turnipseed; reception, Mabel Lancaster and Miss Willa Marsh; publicity, Gerry Schulte and Miss Meriam Tervo; and program, Angela Minnette and Mrs. Irma Flannery.

The AMS committee chairmen and sponsors are: Bob Hill, Bob Kincade, Art Margosian, Mr. Stanley Bennett, and Mr. Joseph Woodman.

## Maxwell Will Do Annual Pictures

The Maxwell studio is under contract to take all pictures for the 1950 Rambler, FJC yearbook. This includes all 12th and 14th grade graduating students. Appointments for sittings can be made by calling 3-2624.

The Maxwell studio, located at 415 Blackstone, has agreed to take four poses of each senior for the payment of \$1 plus four cents sales tax at the time of the sitting. The student will select his yearbook picture from these four proofs. In addition, they will give one large framed medley of the graduation class to each senior who has his picture taken.

The photographers advise students to wear clothes that are the most becoming. They also advise to go easy on the makeup; just wear a little dark lipstick. Try to avoid any pastel shades.

## Chili Presents 'Show Time' Today; Boasts Five Professional Performers

COMEDIANS Avis Chilingierian (left) and James Morell, who will appear in "Show Time" today, are pictured during a recent assembly at Madera High School.

"Show Time," a variety assembly boasting the tops in Fresno talent, will be presented today at 11 in the boys gym.

Such entertainers as Gene Morris, Don and Bob Putman, Halyard Patterson, Joyce Keoshey, Vernon Selland, and the music of the "Shades of Pastel" quintet, will be featured.

The show has been written and is produced by James (Moose) Morell and Avis (Chili) Chilingierian, who will also perform during the show. Chilingierian will also act as master of ceremonies.

"The acts which will be presented to the JC audience tomorrow will be the tops on our show," Chili revealed, "and have been selected as headliners from our Selma Theater performers." The local entertainers have been appearing for the last 10 weeks at Selma.

### GENIUS GENE

Gene Morris, billed as "the Genius of the Saxophone," was with Lionel Hampton's band for a year and a half. At present he is appearing nightly in a local night club with his saxophone. Publicity releases say that he is a terrific instrumentalist and a great showman.

Handbalancers, a very ordinary act, are the Putmans, Don and Bob. Don is a very versatile member of the rally committee at the JC and has exhibited some of his talent in acrobatics at previous assemblies. Another brother, Bill, will describe the act to the JC audience.

### THE SWOON CROONER

Verne Selland, satin-toned FSC baritone, will sing "Tenderly," and "I've Got It Bad," for the audience. Joyce Keoshey, called Fresno's own Kay Starr, will sing "I'm the Loneliest Gal in Town," and "Them There Eyes." Miss Keoshey was a finalist in the Wilson Theater Talent Queen last year and is a junior at Roosevelt High School.

### BE-BOP HALYARD

Another headliner for the show will be Halyard Patterson, home on vacation from the Horace Heidt show where he has wowed audiences with his splendid piano playing. Last year Patterson "stopped" (Continued on page 2)

## Post 4 Musical To Open Dec. 7

The CENTENNIAL CAPERS, a 14-scene variety show with a cast of more than one hundred and fifty local dancers, singers and specialty entertainers, will open at the Fresno Memorial Auditorium December 7, 8, and 9.

The play is sponsored by the American Legion Post 4, of Fresno, and proceeds will be used in the Community Betterment work of the post.

Tickets are available in the post business office and at Hockett-Cowan's Music Store.

## Radio Class Enters FSC Tournament

Entrance of the Radio Production class of FJC in the annual Radio Play Tournament sponsored by the Radio Division of Fresno State College was announced last week and the number of plays under consideration has been narrowed down from 13 to 5.

In considering the plays for the tournament, the class recently made its initial trial, by wire-recording "The Green Coupe," and is at present working on the script of "The Valiant," which must be rewritten from its present stage form to the radio idiom, before full consideration is even given for its suitability for radio production.

Mr. Joe King, instructor and chief critic of the class, has this to say about the effort: "It is significant to note, that FJC placed first in the Radio Tournament, Junior College Division, last year, and needless to say, it is our goal this year to see our school place first again."

### CALENDAR DECEMBER

- 1—Assembly, "Moose and Chili's Showtime," in boys gym at 11 a.m.
- 2—Noon dance, "Pencil Dance," sponsored by the student social committee in boys gym.
- 7—Dance in boys gym at 12 noon sponsored by the Alpha Zeta chapter of the Alpha Gamma Sigma.
- 8—Radio Program, "Paydirt," in assembly at 11 a.m.

## Danish Student Describes Reign Of Hitler

On April 9, 1940, Germany's Adolph Hitler informed King Christian of Denmark that the Germans were going to seize Denmark in order to protect them from the "fiendish" allies.

Paul Nielsen, 14 years old, the youngest member of FJC's literacy and citizenship class, is a native of Denmark and remembers the late part of the second world war; Paul is too young to remember the outbreak of war. He still has a stereotype of a Nazi; a mean, inconsiderate oppressor.

Paul was born in Odense on the island of Fyen, the second largest island in Denmark. Denmark is made up of approximately three hundred islands, and the whole of Denmark is only a little larger than Fresno County.

Hitler's war machine had little trouble in taking the country.

### NAZI SUPPRESSION

When the Nazis came to Denmark they didn't take long to establish the famous Hitler marshal

law. The German Military Police, well known as the Gestapo, established headquarters in a schoolhouse next to Paul's residence. In the school the Germans tortured those Danes who they, the Nazis, believed were actively opposed to the Nazi regime.

One day English planes bombed Paul's town, dropped much tonnage on the school and killed sixteen Danes. Apparently the Germans had a premonition of the air raid and had gone to shelter. Paul and his family were in their cellar at the time and Paul reports that windows were shattered and the plaster on the walls of his house was cracked.

### RATIONS FOOD

During the war the Germans had set up a strict rationing system, rationing coffee, sugar, but-

ter, chocolate, margarine, rice and many other food products.

When the war was over in 1945 the Germans were evacuated from Denmark. Paul relates that rationing continued after the war, because the Danes export ham, bacon, butter, margarine, and chocolate in order to get dollars and import other articles which they need more.

Paul and his parents came to America in July, 1949; he has no brothers or sisters. The Nielsen family lives with their relatives in Fresno. Paul's education was interrupted by the war, but he still attended through seventh grade. Paul is quickly adapting himself to English customs and is rapidly improving in his use of English. As soon as Paul masters the language he will transfer to a junior high school.

Paul's reaction to the United States is similar to that of most newcomers: he is grateful and happy to be here.

### Team, Coaches Win Praise

“What a team,” is what many followers of the Fresno Junior College football team have said now that the grid season is over. They say that in a congratulatory tone. Yes, the Fresno Junior College Rams really had a great year even though injuries plus hampered the Rams all the way.

The Rams’ two losses were greatly outshone by their glistening six victories. This year was the second successful season for the Fresno Junior College gridders in the school’s short history. Last year the Rams compiled a fine record of seven wins and two defeats.

A good team needs a good coaching staff. JC has a top one in Head Coach Warren Johnston, and his assistants Hans Weidenhoefer and Mickey Masini. Coach Johnston and his associates deserve much credit for a job well done.

**Congratulations to the Rams for a top showing!!!**

### New Sport—Let’s Have New Spirit

Another football season is over and basketball is now in the spotlight. The spirit during the pigskin season was very poor, and now that a new sport is in the picture the students of Fresno Junior College will have an opportunity to prove to the populace that the JC student body is in back of the school’s athletic program 100 per cent. Not until the student body starts supporting our athletes will the downtown businessmen and the townspeople give the necessary backing to the Fresno Junior College.

The Fresno Junior College needs the encouragement of all its student body to continue to grow. You students can make JC great by showing up for all basketball games and yelling your hearts out.

**Let’s go Rams.**

### Upper Class Organizations Lag

The 13th and 14th year students have taken a back seat to the 12th graders in activities. This year the 12th year students have sponsored a night dance which turned out very well, and are making concrete plans including those for graduation and baccalaureate.

The executive bodies of the 13th and 14th year should get on the ball and start doing things beneficial to themselves and to the school. The social calendar has room for more dances, parties, sales, and other activities which could bring both profit and recognition to the upper division classes.

Students are clamoring that they are not being treated like students on a college level. If students are to be treated as such they should buckle down and do some sincere thinking and independent work.

### Opponents Named For Raisin Bowl

“The greatest game in Raisin Bowl history,” the fifth Annual Raisin Bowl game, will be played in the Ratcliffe Stadium on December 31 when two conference champions, San Jose State (CC-AA Conference) and Texas Tech (Border Conference), meet in a great battle. All proceeds from the tilt go to the proposed Valley Children’s Hospital.

Both teams went through the season undefeated in conference play. San Jose’s losses this year came at the hands of four West Coast powerhouses, Santa Clara, COP, USF, and Stanford University, while they hold a lopsided victory over the well known St. Mary’s eleven.

Texas Tech meanwhile defeated such teams as Hardin-Simmons University and Texas Mines (Sun Bowl choice). Texas Tech rejected a bid to the famed Sun Bowl on New Year’s Day.

Tickets for the game are on sale at Homan’s and Mid-Valley Sports Centers, Roos Brothers, and the Fresno Junior Chamber of Commerce.

### Business Classes Hear State Chief

“Because you, the students of this school, are taking higher education; you will be the persons who will hold top positions; therefore, you should know your rights and the rights of employees,” stated Mrs. Rena Brewster, Chief of the Industrial Welfare Department of Industrial Relation of the state of California to the Business Orientation classes, on Friday, Nov. 18.

Mrs. Brewster gave each one of the students a rule sheet to read and study. “It is necessary for everyone to know the rights of his workers. If you don’t, you as an employer, may be fined or even put in jail.”

Mrs. Brewster was appointed to her present position by Governor Warren. She has been very active in many organizations and in civic affairs.

Teacher: “Mary, this composition on milk was supposed to be two pages long. Yours is only half a page.”

Mary: “But I wrote about condensed milk, Miss Jones.”

## Figure Facts

By  
EVELYN STEINKAMP

Now that winter is here and rain is blotting out the autumn sun we must drag our coats out of the moth balls and give them a good cleaning.

This year almost any coat will be in style. The reversible combination of rain coat and solid color for good makes a very practical coat.

The boxy coat still reigns in California. They are heavy enough and neat enough in appearance for all types of weather. Our model has on the popular gabardine coat that is so inexpensive. The coat was loaned by Gottschalk’s department store here in Fresno.

#### STYLES VARY

For the east the latest style is fur lining, but for California the cuff or collar of fur is plenty.

Popular colors in coats range from wine to brown, but green is by far the big favorite. Black is a good standard color, but let’s stick to the brighter colors while we’re young; there will be plenty of time in later years for the color black.

Shortie coats are not vanishing from the fashion picture as many have heard. The short coat is completely modern in spirit and is the American favorite. You can wear shortie coats around the clock, which fits perfectly in the life of the busy American woman.

#### THE ADAPTABLE SHORTIE

There are many advantages to shortie coats: they are much easier to walk in, and look trim at all times. The clever girl will buy several related skirts and make her short coat look like a suit. One idea, for example, is a brown coat and brown and white check skirt.

Do remember that short coats can’t be put over “just anything.” If you want to wear a short coat and be modish then you must plan each skirt, blouse, and dress as well as all accessories that go with it exactly as you would a jacket or a suit.

#### FUR LINING TOPS

For the men the leather jacket with the fur lining is still rated high. A few field jackets can be seen now and then, but suede and corduroy jackets are useful around the clock just as shortie coats are for the girls.

In the east the men are wearing overcoats lined with fur. If the western weather is anything like it has been the past year or two, west-coast men may have to adopt a few eastern ideas.

#### WEEK’S PERSONALITY TIP

The little things are the things worthwhile,  
That fill your life with joy,  
and a smile.  
The little things are always few,  
The kind of things you always do,  
That fill that life with gladness, with song,  
That follows you, as life tarries along.

### Wanda Salley Wins Grid Guess

The junior college males took a back seat to Miss Wanda Salley in the last Ramble Inn Grid Guess contest sponsored by the “Rampage.”

Miss Salley picked 17 winners out of a possible 23 from the grid guess in the last issue of the “Rampage.” When told of her victory, the confident Miss Salley said “I knew most of them, but I did guess at a few.”

She will receive a free dinner at the Ramble-Inn for her reward. Dick Keosheyian was a close second in the contest, coming out on the positive end in 16 games.

CAROL CHARLESWORTH modeling one of the many fashionable coats featured at Gottschalk’s Department Store.

### Contest To Write JC Alma Mater Is Inaugurated

Wanted! an original alma mater for our school. A prize of a Parker pen and pencil set will be given to the writer of the best song. Deadline is December 21 at 3 p.m.

Rules: Must be original, both words and music, and must be turned in before December 21 at 3 p.m. in the journalism office.

It’s time we adopt an alma mater for our school,” declares Mr. Spencer, music director. I was very embarrassed to tell the director of the Taft band that we didn’t have an alma mater, fight song, or any other that represented the school.

“Let’s all get behind this drive and help to make our school tops. We hear a lot about school spirit. Well, here’s our chance to help.

### Lost And Found List Increases

Calling all cars—calling all cars—go to the main office of Fresno Junior College immediately. Miss Edna Price, PBX operator, announced that she has been flooded with miscellaneous objects. It seems that JC students do not want to pick up their belongings.

Additions to JC’s “found department” include a patriotic ski sweater (red, white, and blue, that is), a white windbreaker, a purse (has Armande Sigmunde’s SB card in it), and a book “These United States.” The book has Richard Beymer’s name in it.

A College Law book and a ‘49 Tech graduation ring are still laying around in the found department.

### Chili’s ‘Show Time’ To Feature Best Talent In Fresno

*(Continued from page 1)*

the show” at JC during one assembly with his acro-boogie playing.

The “Shades of Pastel” combo will accompany the performers and will also play other numbers. Members of the group are Bill Morris, trumpet; Al Nersesian, drums; Frankie Civiello, accordion; Dale Peterson, bass, and Pete Dovido, saxophone.

If previous performances are a key to what will take place today, the comedy relief will be supplied by the producers themselves, Moose and Chili, who are well known for their various scatter-brain antics. Chili was active last year on the assembly committee and this year is writing a feature column for the Rampage.

Nino Mosso and Don Putman are handling publicity for the show.

### RING ORDERS STILL BEING ACCEPTED

Ring orders by members of the classes of ‘51 and ‘52 are still being accepted by Mrs. Kathleen Garretson, financial secretary, in the main office.

The final date for orders is December 15. Rings will arrive within nine weeks. Ring prices run from 12 to 22 dollars, plus excise and sales tax.

“What’s the longest word in the English language?”

“Smiles; there’s a mile between the first and last letters of the word.”

# Open Season on the Stag at eve...

One way to be a marked man is to go stag to an evening affair and wear a Roos tuxedo. According to all reports, it just isn't safe ... because in one of these midnight blue, unfinished worsted, gros-grain lapelled, modified drape jobs even the most spavined of stags will look like something really special. Naturally no self-respecting female will allow a stag to stay a stag in a suit like this. Naturally no stag who wants to go home alone will wear one. But then maybe you're the type of stag who likes to live dangerously.

FULTON at FRESNO

## Informative Books On Many Subjects Listed By Library

A wide variety of new books is now available in the Fresno Junior College library.

Miss Edna Kusch, librarian, in speaking of these new books, mentioned several which would be of interest to Junior College students.

An informative book in the field of radio is the "Trouble Shooters Manual," volume 19, by John Rider. Twenty of these manuals have just arrived and are now in circulation at the library.

The following books will appeal to students who are interested in current labor and political problems: "Teamwork in Industry," by Seward; "Bottom-up Management," by Harper; "Economic Planning," by Seymore Harris; "Unions and Capitalism," by Lindblom, and "The UAW and Walter Reuther," published by Random House.

### FOR THE POLITICO

Books on politics are: "Politics has no Morals," by Norman Beasley; "Stalin," which is a political biography by Deutcher; "Big Government," by Gervasi; and "The United States in World Affairs—1948-1949," by John C. Campbell.

"The American Guide," a large and beautifully illustrated book by Henry G. Alsberg, is said to be the only complete travel guide in the United States.

Two books on philosophy are: "The Twentieth Century," by Hans Kohn, which gives an analytical account of the Western World; and "Life Among the Doctors," by Paul De Kruit. Others are: "Philosophy of Peace," by John Somerville. "The Situation in Asia," by Lattimore; and "A Dictionary of Economics," by Sloan and Zeucher.

### FOR CALIFORNIA FARMERS

Two books on agriculture are "California Agriculture," by the University of California Press, and a beautifully illustrated book, "Land in California," by Robinson.

For students enrolled in the wine chemistry class or for other students interested in this occupation the library has the following books: "Julian Street Wines," by Alfred Knopf; "Wine and Wine Trade," by Robinson and Gilliland; "The Principles and Practice of Wine Making," by Cruess; and "American Wines," by Philip Wagner.

Don't be  
Ridiculous

Improper lighting is just as bad for your eyes as the crazy idea shown here. Use correct size bulbs in proper fixtures for your study and work. Keep your bulbs clean and you'll be surprised how much better you can see.

BETTER LIGHT MEANS

**P.G. and E.**

RUGGED RAM LINEMAN who were the bulwark of the Ram defensive unit. Reading from left to right are Don Washer, Jimmy King, Boots Edmonson, and Richard Fairless.

## Rams Lead Taft At Halftime; Lose In Final Minutes Of Play

The Fresno Junior College Rams dropped their last game of the season to the Taft Cougars in a thrilling, wide open seesaw battle, 27 to 20. The game was the second loss for the Rams and the second consecutive CCJC title for the Cougars.

Fresno started like a house afire as they scored two quick touchdowns in the first quarter. The Rams took the first kickoff on their own 32 and in nine plays had the first tally as DeCarlo went around end. Lyman Ehrlich converted with John Savona holding.

**RYAN SPARKLES**

Mike Ryan, stellar back, took a punt on his own 43 and rambled to the Taft 33. DeCarlo on a straight handoff galloped to the 10 and again down to the 2. Ryan then went around end for the second tally, and Ehrlich again converted, making it 14 to 0.

Midway in the second period Gene Taft took Ryan's punt on his own 40 and sprinted to the Ram 17. Two plays netted no gain and Taft shot through on a quick opener to the one yard line from where fullback Dick Colburn plunged over. Edgar Turner converted.

### RAMS FUMBLE

Early in the third quarter Turner recovered a FJC fumble on the Taft 48. Bob Burleson connected with three short passes which carried to the Fresno 14. Carl Piercy made a first down on the 3 yard stripe and Burleson leaped over for the score. Gordon Johnson blocked Turner's conversion attempt. Just as the third quarter ended Ram defensive back Pete Toomajian intercepted a Burleson pass on his own 37.

On the first play of the final period Ryan took a handoff from Maurice Fitzpatrick, exploded through the left side of the line, broke into the open and sped 47 yards to the Taft 13. Ryan again took the ball and went around end for the third score. Ehrlich's conversion attempt was wide.

### TAFT GREAT

Taft took the kickoff on the 10 and returned to the 39. From here Burleson started pitching passes and took the ball on bootleg plays down to the 15. He then passed to Taft who was in the clear on the 10 yard line. Turner made his conversion attempt, tying up the ball game.

Toward the closing minutes of the game, the Cougars recovered a Fresno fumble on the 34. Burleson rambled to the FJC 20 and then pitched a pass to Jack Sinclair in the end zone for the winning touchdown. Turner again converted making the final score 27 to 20.

## JC Basketball Squad Travels To Capitol

With one game under their belt, the Fresno Junior College basketball team will travel to Sacramento tomorrow night where they will meet the highly-touted Grant Tech quintet. The Rams lost their first game of the year to the Fresno State Frosh last week to the tune of 67 to 39.

The Ram's competition in tomorrow's battle will be anything but easy. The Grant Tech five boasts one of the best JC teams on the coast. Coach Paul Starr remembers last year when the Grant boys dumped Fresno. He also reports that Tech still has some top players left from last year's squad.

### HEAVIN SPARK PLUG

Center Lloyd Heavin looked sharp in the Rams tilt last Saturday chalking up 19 points. The Rams were merely outclassed by Coach Ernie Wild's freshman quintet who averaged at least 6 feet one inch. Former Edisonite Joe Porasso netted 20 points for the Frosh.

"The Rams boast a fast squad this year, but the lack of height hampers the team considerably," says Coach Starr. "Newcomers to the squad should help, especially Otis Harris, a letterman from last year's team," Starr continued.

### TEN MAKE TRIP

"Ten Rams will make the trip tomorrow," Starr announced today. The permanent JC squad will consist of 15 men; 19 men are now on the squad and four will be dropped today. The men out are Lloyd Heavin, Don Bischel, Willie Perry, Richard Englund, Keith Vind, Bill Jucksch, Charles Cady, Warren Wright, Joe Ybanez, Otis Harris, Gene Hambleton, Bob Cobb, Lyman Ehrlich, Jim Wilkie, Norman Gross, Leo Margosian, Joe Lett, Don Arakelian, and Lowell Ede. The team managers are Ernie Slade and El Peart.

The next home game will be next Thursday when the Rams will play the Modesto JC five in the Roosevelt gymnasium.

## New Basketball Rules Explained

The following are new rules added to the official college basketball rule book this year.

1. In the last two minutes of the second half the clock stops when the ball goes out of bounds, when a basket is made, and when a foul is called.

2. If a person is fouled during the last two minutes of the second half, the offender shoots his foul and his team then gets possession of the ball at mid-court.

3. The new rule states that a stationary screen cannot be made less than three feet from the defensive player.

4. A person who fouls is required to raise his hand. If after being reminded, a player does not raise his hand the referee may call a technical foul.

5. If in the last two minutes of the second half a player holds the ball over five seconds when a defensive man is within three feet of him a jump ball will be called at mid-court.

6. All basket rims must be painted orange.

## Ram Squad Names Opponent Team

The members of the Fresno Junior College football squad selected an all opponent eleven last Monday. The Taft JC and College of Sequoias placed four men each on the squad while the Cal Poly Frosh placed two and the Fresno State Frosh one.

The team selected was: left end, Leonard (Taft); left tackle, Barsotti (COS); left guard, Kelley (Taft); center, Jackson (Cal Poly Frosh); right guard, Spencer (FSC Frosh); right tackle, Ahrens (Cal Poly Frosh); right end, Weins (COS); quarterback, Burleson (Taft); right half, Galloway (COS); left half, Taft (Taft); and fullback, Escalle (COS).

### NEW BOOK STORE HOURS

10 to 10:30 a.m.

2 to 2:30 p.m.

Monday and Tuesday Evenings  
7 to 8 p.m.

## Girls Volleyball Playoff Scheduled

During the past two weeks the women students of FJC have been competing in inter-class volleyball playoffs. The final game, which will determine the championship, will be staged in the boys gym Monday, December 5, at noon. This game will be between two of the high school PE classes whose team captains are Shirley Running and Mary Held.

The losing team captains are Delores Higginbotham, Angie Minnitte, Mary McNealley, and Luanne Henson.

Dona Adams and Lila Lee Haskell were the referees; Phyllis Daugherty and Evelyn Phillips, the scorekeepers; and Pat Mueller, Loralee Brewe, and Eleanor Anderson the linesmen.

The women students will begin their basketball season soon after the volleyball playoff game.

## ALL CCJC CONFERENCE TEAM

Selected by sports staff of The Fresno Junior College "Rampage."

First Team		Second Team
Ehrlich (Fresno)	LE	Weins (COS)
Morris (Taft)	LT	Edmonson (Fresno)
Bundy (Fresno)	LG	McGowne (Coalinga)

### Honorable Mention:

Johansen (Fullback) Reedley  
DeCarlo (Halfback) Fresno  
Colburn (Fullback) Taft

## OVER THE CENTER

By ART MARGOSIAN

The Fresno Junior College Rams ended another successful season two weeks ago with a top record of eight wins and two losses. Two of the wins were via the forfeit route from Santa Maria and San Luis Obispo.

As expected Taft's great Bob Burleson was the difference, throwing for two touchdowns and scoring one himself. Ram quarterback, Mike Ryan, turned in a top performance for the underdogs scoring two touchdowns and playing a keen game at the quarterback spot.

As the football eleven closes the regular season, a top coach ends his second successful year as head mentor of the Rams. Coach Warren "Stoney" Johnston, well-known JC coach, deserves a pat on the back for the fine job he has done in developing JC material into one of the finest JC teams in the San Joaquin Valley. Hats off to a great coach.

### LOOK SHARP

The Rams looked sharp in their abbreviated season's opener knocking over the Fresno State College junior varsity, 6 to 0. The following week the Rams showed themselves as a potential conference threat by bumping the Reedley Tigers, 32 to 13.

After two more victories in conference play, one over the Coalinga Falcons, 15 to 6, the other over the Porterville Pirates, 20 to 0, the Rams bowed to the College of Sequoias, 26 to 14.

The Rams got back to their winning ways the following week crushing the FSC Frosh, 39 to 0, and then went on to brush off the Cal Poly Colts, 22 to 6.

### LOSE TOUGHIE

Then came the Taft battle. That is history now. Yes, Taft won 27 to 20.

Taft came out on top of the CCJC conference for the second consecutive year. College of Sequoias was second and Fresno a close third.

In other play outside the CCJC conference the College of Sequoias racked up two more wins, smearing the Pierce Agricultural College 26 to 6 and dumping the Snow College of Utah eleven, 28 to 12, in the Sequoia Bowl Thanksgiving Day.

Taft battled the Bakersfield College Renegades to a 13 to 13 tie in a traditional tilt. After the game a coin was flipped to decide the California choice for the Potato Bowl to be played December 3 in Bakersfield. The winner was Taft JC and they will meet the Boise JC of Idaho.

### BASKETBALL ROUNDUP

The Ram basketball team didn't fare so well against local opposition last week, but there are good — very good — reasons for the showing. The main reason was the team has not been organized long enough, and secondly, many football men who play basketball had just turned out.

Sharpshooter Lloyd Heavin really looked sharp for the Rams, chalking up 19 points against the top Fresno State freshmen. Willie Perry also played fine ball.
