

## Dress Is Levis At 3rd Annual AWS Hi-Jinx

The third annual Associated Women Students Hi-Jinx is slated for tonight. It will be held in the South Gym at 6:30 p.m. with an informal pot luck dinner preceding entertainment.

"The bigger the turnout the more fun we will have, so let's everybody come in your levis and loudest shirt," stated Lois Tvede, president of the AWS.

Members of the AWS have been planning for this party since the opening of the fall semester. It is designed to further the acquaintance of all women students so that they may better know each other. For this reason AWS officers urge all women members to attend.

Last year the women were entertained with hair-raising ghost stories. This year movies and all kinds of entertainment are being planned.

Sign up sheets are posted in the North Gym and the main hall.

Kathleen Morey is in charge of the program, and Toshika Ikuma is handling the food sign-up sheets. On the central committee with Miss Tvede are Joyce Wilson and Phyllis Daugherty.

## Thirteenth Year Class Organizes

The thirteenth year class is organizing for election of officers following a well-attended meeting in the south gym on Tuesday, October 10.

Clinton Wheeler and Bill Rogers were chosen temporary chairman and secretary respectively; they will serve until permanent officers are elected.

At present, petitions signed by thirty-five thirteenth year students are required for nomination to hold office. The question of reducing the required number of signatures was raised, and a committee was appointed to study the matter.

The members are as follows: Richard Soares, Ward Longueville, Beverly Wilder, Betty Easterbrook, Marilyn Coffman, and Mary Janney.

Recommendations of the committee are to be presented today at noon. Election of officers is scheduled for one week from today on October 19. Deadline for completed petitions will be announced.

## Sophomores Elect Fall Term Leaders

William Davidson was elected president of the fourteenth year class at a meeting Tuesday in S22.

Other officers elected were Quess Ellis, vice-president; Virginia Bier, secretary; Gloria Dyer, treasurer; and Rudeen Bruce, yell leader.

Miss Miriam Tervo is replacing Mr. John Mock as class sponsor this semester. Other sponsors are Mrs. Edna Hartley and Mr. Joe King.

Reports from the executive committee and plans for the semester activities will be made at the meeting Tuesday, October 17, in room M38 at 11 a.m.

MARIE LIPSCOMB

## Rampage Editor Selected; Staff Members Chosen

Marie Lipscomb has been named editor of the Rampage for this semester.

Other positions filled are associate editor, Mabel Lancaster; sports editor, Silas Pipkin; and advertising manager, Marilea Muir.

Miss Lipscomb, who attended schools in California, Oklahoma, and Texas, is a thirteenth-year student and a business major in her second semester at Fresno Junior College. She is treasurer of the student body and active in student activities.

Miss Muir, a Roosevelt High School graduate, attended FJC last year. In addition to her position as advertising manager, she is Commissioner of Publicity and a member of the student council.

Miss Lancaster is a graduate of Fresno Technical High School and this is her first semester of college work. She is Commissioner of Scholarship and a business major.

This is Pipkin's first semester at FJC. He graduated from Watsonville High School and has served time in the Navy. While in high school, he engaged in football, track, and basketball.

Reporters now working on the paper include Mabel Lancaster, Rudeen Bruce, Marilea Muir, Louis Inghram, and Avrice Morgan.

"Reporters are urgently needed to contribute to the Rampage," Miss Lipscomb stated today. "No special talents are required for newswriting. Anyone can do it. Students should investigate, because they can get credit for work done on the paper."

## Community Chest Drive Successful

Thirty-seven dollars and seven cents was collected for the Community Chest in 10 o'clock classes yesterday from the students and more will be contributed by the faculty through a separate donation.

The money will be distributed to 14 different youth, family, and welfare agencies.

## Rally Committee Issues Schedule Of Fall Activities

Dates for dances and rallies for the remainder of the football season were selected at a rally meeting held Tuesday, October 10

Plans include a rally before and a dance after each home game. Also scheduled are a serpentine and a bonfire rally preceding the game here with College of the Sequoias on November 4. The rally schedule follows:

### OCTOBER

- 14—Sat., bus to Tulare leaves campus at 6:30 p.m.
- 20—Fri., rally in Men's Gym.
- 21—Sat., dance in Men's Gym following FSC Frosh vs. FJC game.

### NOVEMBER

- 3—Fri., serpentine in afternoon, bonfire rally in evening.
- 4—Sat., dance in Men's Gym following College of the Sequoias vs. FJC game.
- 10—Fri., rally in Men's Gym preceding Taft away game.
- 17—Fri., rally in Men's Gym preceding Porterville game here.
- 18—Sat., dance in Men's Gym following game.

## Dramatics Club To Meet

The Dramatics Club will meet today at 12 noon in N12. The club's sponsor, Mrs. Phyllis Spencer, has invited all interested to attend.

## Maestros Make Mit' Massacre

By AVRICE MORGAN

Attention, music lovers!

In the very near future one of the most unique and unpredictable musical aggregations ever to be assembled on this campus will be presented to you by the great German music master, Professor "Hot-Lips" Otto Schnitzelgoof.

This insane group of ex-hod carriers is composed of five talented musicians named Louie, Heinie, Emil, August, and Dear Professor Otto, and when playing in the same room together, they allow themselves to be called the Hungry Five.

### VARIED SELECTIONS

This highly skilled ensemble will render such tunes as "Im Tiefen Keller Sitz Ich Hier" (In The Deep Wine-Celler); "Trink Mer Nock A Tropfche" (Have Another); and "Grad Us Dem Wirtshaus," (Stewed And Pickled). Professor Schnitzelgoof wishes to point out that the titles of these songs do

not necessarily reflect the opinions or desires of his noble music makers.

### LIQUID ASSETS

When asked about the financial status of the Hungry Five, Professor Otto had this to say, "We are the only band on earth that has notes we can't cash, Bars we can't lean on, scales we can't weigh on, and flats we can't live in. But we are a very happy group and with Emil and August on the clarinets, Brother Louie on the ponderous bass horn, Brother Heinie on the "tail-gate slush pump" (trombone) and me, Professor Otto, on the torrid trumpet, we promise to give out with some real German oomp-pa-pa.

NOTE: Brother Louie is suffering from a slight case of nostalgia and is leaving for "der goot ol' homeland," so if anyone of you good people would like to join these musical characters, and take over Louie's chores on bass horn, please contact Mr. Lowell Spencer in Room M-46.

# Rally Group Charters Rooters Bus To Tulare

Buses will be available for those students who wish to attend the Pierce Junior College-Fresno Junior College football game sponsored by the Tulare Elks Club on Saturday, October 14 in Tulare.

"Tickets are on sale for \$1.15 in the associated students

bookstore," announced Duke Potere, student body president. "The final deadline for purchasing tickets is Friday at 11 a.m."

Pierce Junior College has reserved 150 seats on the fifty-yard line for Fresno Junior College students and faculty members.

The game is sponsored by the Tulare Elks Club in a manner similar to the Shrine sponsorship of the Hartnell-FJC game here last Saturday.

Admission to the game for all FJC students will be thirty cents with student body cards and 75 cents without.

The bus will leave from in front of the school at 6:30 p.m. and return shortly after the game is over.

"This bus travel is really the way to enjoy a game away from home," Potere said. "It relieves one of the worries of traffic, bright headlights, and road fatigue; and it gives the student an opportunity to become better acquainted with his fellow passengers and friends."

The yell leaders and pep girls will attend the game to help the spirit of the rooting section, Potere said.

Some students and faculty members have also indicated that they are intending to take their automobiles to the game, Potere said. Others are expected to make last minute plans to follow the team to Tulare.

"If you have a car you are taking, or if you are in need of a ride to the game, see me in the bookstore, and I am sure we can fix you up with transportation."

## Dean Issues Call For Tardy Forms

Students who have not turned in their program booklets and other registration forms are not officially registered and may not receive credit for work this semester, Maurice Reetz, dean of instruction, warned today.

Program booklets contain five multicolor cards with important entries pertaining to program and general information. Other forms that have to be turned in are Student Activity Card, Public Relation Card, and Program Card.

"If any student is doubtful about the completion of his registration please come in and see me," stated Mrs. Irene Stewart, the registrar, "because these forms must be on file by the end of the sixth week of school which is October 20. After that date I will post a list of delinquents."

## YEARBOOKS ON SALE

"Uncalled for copies of the 1950 yearbook will go on sale today in the bookstore," announced Mrs. Helen Stryker, bookkeeper.

Students who placed their names on a waiting list will be given first opportunity at the books which are priced at \$4.

## CALENDAR

OCTOBER

- 12—Student Council meeting in M24 at 11 a.m.
- Dramatic Club meeting in N12 at 12 noon.
- Associated Women Students Hi-Jinx at 6:30 p.m. in the South Gym.
- 13—Inter-Varsity Christian Fellowship meeting in M11 at 12:05 p.m.
- 14—Pierce Junior College vs. Fresno JC football game at Tulare.

## Petitions For AA Degree Should Be Turned In Soon

Students who wish to apply for the Associate of Arts Degree should turn in their petitions at the office as soon as possible, Mrs. Irene Stewart, registrar, said yesterday.

The registrar announced that the petitions must be turned in for the following reasons:

1. To file an application for the evaluation of units. This means to check the student's transcript to see if the requirements for an AA degree are fulfilled.
2. Transfer students must send for other college records as the colleges forward transcripts only upon request of the students.
3. It is important that this be done so that the students petitioning for the degree in February or June of 1951 can arrange his courses to meet requirements.

Too many times, Mrs. Stewart warned, a student lacks only half a semester of history or a unit in PE and finds out too late for the student to be eligible for the AA Degree.

## Potential Workers May List Skills

Fresno Junior College students, along with other potential workers in the area, are urged by the California Department of Employment to register their occupational abilities with the local office.

Willard Marsh, Fresno office manager, announced recently that the need for workers may become urgent at any time in the Fresno area.

### INVENTORY OF MANPOWER

Steadily increasing employment together with the possibility more workers may be needed to staff essential industries, points up the necessity of each community having a current and reasonably accurate inventory of its manpower potential.

"The department," Marsh said, "therefore is requesting persons who are not seeking employment now, but who would return to the labor force if and when they are needed, to register at the local office."

### NOT OBLIGATING

He pointed out those registering under the inventory program are not obligating themselves to accept immediate employment. They will be referred to job opportunities only when they express the desire to accept them.

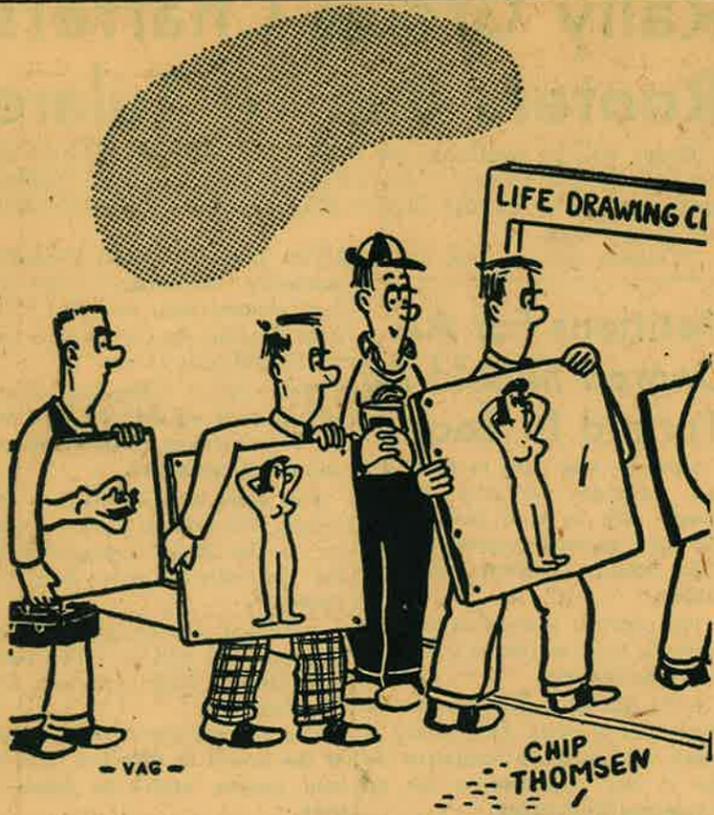

Junior college students wishing part or fulltime employment now and after graduation may go to the Fresno office at 2338 Inyo Street; it is open daily except Saturday and Sunday from 8 a.m. to 5 p.m.

## IVCF Elects Officers; Appoints Committees

Thomas James was elected president of the Inter-Varsity Christian Fellowship at a recent meeting

Other officers elected were Mrs. Agavnie Braves, vice-president; Eleanor Anderson, secretary-treasurer; Beverly Wilder, music chairman; and Charlotte Dillon, Norman Dewdney, and Ray Calton, the social committee.

The IVCF will meet tomorrow at 12:05 p.m. in room M11.

# Granger Speaks At FBLA Meeting; Election Planned

Mr. Earl Granger, secretary-treasurer of the Sunmaid Raisin Growers Association, spoke to members of the Future Business Leaders of America at their meeting Tuesday night in the social room.

In the business meeting following Mr. Granger's speech, members voted to adopt a project of following-up Fresno Junior College graduates in a survey designed to help future FJC students. Nominations were then made for officers to be elected at a future meeting.

**BUSINESS QUALITIES**  
Mr. Granger spoke on the three qualities that most businessmen demand in employees. The importance of the qualities — hard work, willingness, and integrity — to the prospective employee as well as to the employer were emphasized.

The businessman's outlook is studied by the club in order to help members develop a realistic approach to employment after leaving school.

**HELPFUL COURSES**  
The survey planned by the club will inquire of former FJC students what courses taken at JC have been most helpful in their work. The project will be continuous, and will make available a large fund of information that will benefit the school and business students.

Betty Gunderson, present acting chairman, and Marie Lipscomb were nominated for the office of president.

First vice-presidential nominees were Virginia Bier and Rowena Campbell. Miss Bier is at present acting secretary; Miss Campbell is vice-president of the state FBLA.

**MORE NOMINEES**  
Those nominated for second vice-president were Marlon Siler and Martin Jachens.

For secretary, Janet Ochiner and Diana Vartanian were nominated. Norman Dewdney was nominated for Treasurer, Joyce Williams for Reporter and Adele Summers for Historian.

Elections will take place at the next business meeting.

## Many Classes Still Open

"Most classes are still open for late enrollment on a non-credit basis," stated Mr. Maurice Reetz, dean of instruction, today.

"A student who enrolls late and puts in extra time and effort to complete the semester's work may at the end of the semester petition for and receive credit for that class."

Published weekly by the journalism students of the Fresno Junior College, 1420 Stanislaus Street, Fresno, California, and composed at the Central California Typographic Service, phone 3-2320.

## ROOTER SPIRIT IS ESSENTIAL

What support of a team can mean was thoroughly demonstrated at Ratcliffe Stadium last Saturday night.

Hartnell is a strong team, and the Fresno Junior College Rams went into win in spite of all predictions to the contrary.

Grandstand support means a lot, and a good team feels and fights better with a strong rooting section backing it.

The Rams are a good team and they are our team. We — the rooters — are disappointed when they lose, but part of the reflected glory rubs off on us when they win. School spirit may never have won a game, but it has never been accused of losing one either.

The spirit and support of the rooters exhibited at the Hartnell game was very good, and the team and school hope that it will last all season. Let's not forget that only continued support is real support.

## STUDENTS ARE COMMENDED

Students who responded to the Community Chest drive for funds should be commended for their contributions.

While the amount collected at Fresno Junior College may not be enormous, it will help the Chest in reaching its goal.

Students who contributed to this worthwhile undertaking are showing the sense of responsibility that all people of junior college age should have.

## INTEREST SHOWN IN DANCES

The turnout for the dance following the Reedley game shows that the students of Fresno Junior College want school-sponsored activities.

We all know a dance represents a lot of work for the members of the Rally Committee, but successful dances do a lot to make the effort worth it.

After-game dances can be a regular part of this school's activities if a sufficient number of students express their interest to the right parties — in this case, the Rally Committee.

One good way to how interest, we might point out, is to offer help in planning and staging the next dance. There is nothing wrong with the people now engaged in promoting student activities, but some new faces would be a welcome sight. New ideas, too, are always welcome.

## Special Prices For FJC

Another offer of reduced prices for Fresno Junior College students was revealed today by Mr. Jack Leland, fountain manager of Fresno's Thrifty Drug Store.

"All they have to do to get these special prices," said Mr. Leland, "is present their student body cards at the lunch counter."

## LETTERS TO EDITOR WELCOMED BY STAFF

The editorial staff of the Rampage will welcome letters from readers.

Letters intended for publication must be submitted to the editor by Tuesday noon before publication on Thursday. All letters must be signed, but signature will be withheld on request.

If you would like to express your opinion to readers of the Rampage or to the editorial staff, do not hesitate to do so. Many people might be interested in what you have to say.

"All extremely bright men are conceited."  
 He shrugged gracefully. "Oh, I don't know; I'm not."

# Rampage Readers May Win Prizes

Campus characters abound in the new "Be Happy-Go Lucky!" advertisements appearing in this paper. There's a vibrant girl cheerleader who leads a yell for victory for LSMFT. And an astute college prof who will agree, "it's Lucky Strike for me!" A comely lass admits she's not the smartest in the class, but has one thing the boys all like—a Lucky Strike!

Yes, the jingling of such praises is causing a heavy jingling of cash in the pockets of creative minds on campus. For each jingle accepted, \$25 cash is paid out, and you can send in as many four-line jingles as you like. Many of them will be used in the "Be Happy-Go Lucky" advertising campaign which is appearing in 275 college newspapers.

The contest sponsors say it's good experience for advertising and journalism students in particular, since the jingles are accepted partly on the basis of what makes good advertising copy. Send your jingles to:

Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y.

A modern youngster was asked to write a theme on the subject "Where I Came From."

That night he asked his mother, "Where did grandmother come from?"

The mother, somewhat startled, replied, "The stork brought her."

"Where did you come from?" he asked.

"Oh, the stork brought me."

"Where did I come from?"

"The stork brought you, too."

The following day Tommy turned in his composition. The opening sentence read as follows: There has not been a normal birth in our family for three generations.

"What fool things that man has written in his day"

"What is he—A journalist?"

"No—A stenographer in the Senate."

—The Home Book

## ATTENTION AMATEUR SLEUTHS!!

### FRIDAY, THE 13TH

Friday the thirteenth is here—tomorrow! It brings bad luck, all kinds of sorrow. With rabbit's fee and horseshoes too, Bad luck can still catch up with you. You can kid about it; maybe you'll run, But here's a chance to have some fun. Search and find a four-leaf clover, Then stay in bed till the day is over. (At absence-slip time don't look for us. That's why this poem is anonymous.)

## Former FJC Student Awarded Scholarship

Evelyn Steinkamp, a former Fresno Junior College student, has been awarded the \$300 Arthur Newhouse Scholarship by the University of California where she is now attending.

Miss Steinkamp was active in student affairs here. She was a feature writer on the paper, chairman of the Associate in Arts students, organization editor of the yearbook, and bookkeeper for the bookstore.

"Did any of you children ever see an elephant's skin?"

"I have, teacher," said Willie brightly.

"Where was it?"

"On the elephant."

## GENUINE LIVE WIRE INSTALLED IN PBX

A live switchboard will be a new feature of the PBX class which will open on October 23, Mrs. Dorothy Gossett, business education instructor, said today.

The radio class, under the instruction of Mr. Louis Kozub, has done the wiring of the training boards which will be connected with telephones within the room.

This method was derived from the system the Bell Telephone Company uses in training long-distance operators.

This Commerce 53C course will be offered daily for six weeks at 11 a.m. in N34 for one unit.

BURIED by an aggressive pack of Hartnell tacklers is Ward Longueville, FJC quarterback. He picked up 11 yards on this sneak play in the 1st quarter.

## Conversion Point Gives Rams Upset Victory Over Hartnell

With a battle on their hands from the start to the final gun, the Fresno Rams came through with a 13 to 12 upset over the spirited Hartnell College eleven from Salinas last Saturday night, while keeping over 5,000 fans on the edge of their seats at the Ratcliffe Stadium.

The game was sponsored by the Tehran Temple Shrine of Fresno.

The Hartnell Panthers fought for the lead in a passing contest with both teams attempting 46 passes during the game.

The Panthers failed to tie the game up in the third quarter when John Gerard, Salinas ace quarterback, failed to make good the conversion after he threw a 35-yard touchdown pass to Charles Jackson, Panther left end.

### VISITORS TAKE QUICK LEAD

Hartnell capitalized on a Ram fumble and took an early lead in the first quarter. Ed Skrine, Panther No. 1 halfback, took a hand-off through the line for a 50-yard drive into the end zone despite Ara Arax's desperate attempt to hold him. Gerard failed to make good the conversion.

The Fresno Rams came right back in the same quarter with a beautifully executed pass offense. Bob Rodgers, Ram quarterback, completed a 37-yard pass to Lyman Ehrlich, end, to give the Rams a first and ten on the Panther 43-yard line. After the Rams attempted to go through the line and failed, Rodgers went to the air again, completing a 20-yard pass to Ehrlich. Rodgers went right back to throw his fourth successful pass in a row, again to Ehrlich who sprinted into the end zone. Ehrlich made good the conversion which was to become the winning point.

### SCORELESS SECOND QUARTER

The remainder of the first half proved to be a battle back and forth between the teams with neither able to score.

The Panthers started the second half with a show of strength that threatened to put them ahead. John Gerard ran the ball to the Ram 21-yard line, where the Panthers tried twice to go through

the Ram line but were held for no gain by Orville Crane, Ram center, and Ed Prindiville, Ram right half.

### GERARD CUTS LOOSE

Hartnell took to the air on third down with John Gerard throwing a pass over the line good for 10 yards and a first down. Duane Lyman, Ram star fullback, nailed the pass receiver on the Ram 15-yard line. Twice more the Hartnell eleven tried to buck the line but were stopped with a seven and ten yard loss by Jerry Halverson, Ram end.

The Fresno Rams took over with Winston Beasley, Ram halfback, going around the end for 5 yards to his own 35-yard line. Bob Rodgers then tossed a perfect 58-yard pass to Jerry Halverson, Ram end, who ran the ball into the end zone. This score put the Rams ahead, 13-12, as Ehrlich's conversion attempt failed.

In the fourth and final quarter, the Panthers made a desperate drive down to the Ram 14-yard line. With a minute and 20 seconds left in the game Hartnell tried 3 last-minute passes, all being knocked down by the Ram defensive backs.

The game ended as the Rams took possession of the ball.

### Ram Opponents' Scores

Pierce JC 18; Antelope Valley 6. Reedley JC 20; Santa Maria 12. Harbor JC 27; Taft JC 6. Coalinga JC 18; Porterville 6. Cal Poly Frosh 19; FSC Frosh 6. Stockton JC 7; San Mateo JC 6. Monterey Peninsula 20; Modesto JC 14.

## Sam Objects To Wool Trim

Sam the Ram is a trouble maker. The Rampage was in hot water last week, when insufficient facts were reported on Sam's grooming for the big Shrine game.

Sam was sheared before the Reedley game. The shearing was done by Gene Likens' father, Mr. Ray Warner.

When the three-hour job of riding Sam of his excess wool was half done, Sam tossed his head and struck Mr. Warner in the mouth. Even though he had his face cut and one tooth loosened, Mr. Warner completed the job, and a very good job it was.

## CCJCC ANNOUNCES SPORTS CODE CHANGE

A change has been made in the "Scholarship Requirements" of the Central California Junior College Athletic Association's book of rules and regulations. The change in chapter 3, Page 7, Section 3.02 — Scholarship Requirements, reads as follows:

No student (man or woman) shall represent his institution in any contest unless:

(a)—he is a high school graduate;

The above requirement, part "a", is no longer a Scholarship Requirement in the schools of the CCJCAA of which Fresno JC is a member, Maurine Reetz, Dean of Instruction, revealed.

Reetz attended a recent meeting of the Association in Santa Rosa.

## Home Ec Course Offered FJC Men

A home-making class for men will open Monday, October 16. Miss Mary Harney, who will be in charge of the class, said today that both married and single men are eligible.

Home Economics 2, the "Bachelor Course," is instruction in home living. The course will include not only meal planning and preparation, carving and camp cookery, but other items such as personal finance, clothes selection and grooming.

Another section of the course will deal with marriage and problems of modern living. It is designed to help men understand how a home is run, because shared problems in the home, as elsewhere, are thought to contribute to successful management.

Since the semester is so far advanced, the course this year will be offered for two units of credit. Next semester it will be a three-unit course.

## Fighting Rams Meet Pierce JC Saturday In Tulare Elks Game

With the taste of two straight victories in their mouths, the fighting Rams will test their strength against a fast Southern California team, the Pierce Junior College.

The game will be played at Tulare this Saturday night, October 14th, under the sponsorship of the Tulare Elks Club.

Pierce JC has an 18-0 victory to their credit, and will put an exceedingly fast backfield on the field in an attempt to stretch their wins.

### FULLBACK IS THREAT

The Pierce JC starting eleven boast two light but fast halfbacks, Jim Hills and George Murakami, both weighing 140 pounds. Aiding the 140-pounders will be 235-pound fullback Bob Albreck.

The Ram linemen are drilling hard to be able to hold back the Pierce eleven while the Ram offensive backs strive for yardage.

### INJURIES HIT RAMS

Duayne Lyman, veteran Ram fullback, and James Telegan, Ram tackle, both will be hindered in this game by injuries received in the game against Hartnell College.

Pete Beldon, Ram guard, who has been out of action due to injuries from the Reedley game two weeks ago, is hoping to get into action this Saturday.

### PROBABLE STARTERS

The probable starting lineups for the Tulare game are as follows:

FRESNO	PIERCE JC
R. Chapanian.....fb	B. Albreck
P. Toomajian.....h	J. Hillis
E. Beasley.....h	G. Murakami
B. Rodgers.....q	E. Mahringer
J. Halvorsen.....e	D. Moran
L. Fanucchi.....t	D. Rickus
T. Belden.....g	R. Murakami
A. Arax.....c	J. Sherrel
C. Tessendore.....g	R. Murakami
B. Edmonson.....t	T. Tepper
L. Ehrlich.....e	C. Lautz

## Lineman Of The Week To Win Free Lunch

Jess Olinger, manager of the Ramble Inn, said today that he will treat the outstanding lineman of the week to a free sandwich and shake at the Ramble Inn.

"I have a lot of faith in the Rams," Jess said, "If I could, I would like to treat the whole team to a steak dinner. But one free lunch to the outstanding guard, tackle or center will at least show them how I feel."

## PHYSICAL SCIENCE CLASS TO BEGIN

Introduction to the Physical Sciences, General Studies 2, is scheduled to open on October 16, and will meet on Tuesday and Thursdays from 8 to 9:30 a.m. in S22.

This is a non-laboratory course which will meet 3 hours a week for 2 units of credit for the remainder of the semester.

It is a survey of physics, including astronomy, geology, meteorology, and chemistry. Dick Jones, physics instructor, will teach the course.

## STUDENT TELEPHONES

Two public telephones are available for student use this year, one on the ground floor of the main wing and the other in the hall to the north wing on the second floor.

Personal telephone messages to students are not delivered to classrooms, Miss Edna Price, switchboard operator, said, except in case of emergency.
