RAMS TAKE FOURTH STRAIGHT TITLE, DOWN COS GIANTS 14-6

The Fresno Junior College Rams once more proved their supremacy in the Central California Junior College Athletic Association when they downed the College of Sequoias Giants in Visalia, 14 to 6, to gain a fourth straight league championship Saturday night, November 21.

The Giants took the opening kickoff and marched right down the field for their only score of the contest. The score came on a pass from quarterback Jack Claudino to fullback Don Akin. Dale Mehrten's conversion try was wide.

Ram fullback Millard Hampton marked up the first score when he piled over from the COS seven, following a Ram march from their own 29. Quarterback Lee Storelee split the uprights to put the Rams in the lead, 7 to 6.

The Fresno gridders took advantage of a second period break to score their second touchdown. After quarterback Gil Starkey punted for the Rams to the COS eleven, the ball was fumbled by the Giants' John Laird, and the ball was recovered by Fresno's Gene Bachman. In four plays the Rams pushed over another score with Storelee sneaking over the final yard marker from the quarterback slot.

Storelee added the final tally when he again booted right between the goal posts to make the score 14 to 6 at half time.

Official whistles dominated the second half as two touchdowns were called back because of rule infractions. The first touchdown called back was a COS effort by Atkin, who broke loose for 22 yards, but an offside penalty brought the ball back. Two plays later a 77-yard run by Hampton of Fresno was called back by a clipping penalty.

In closing minutes the Rams marched down to the one-yard line, where Storelee failed to sneak over.

Starters playing their final game for the Rams were Hampton, Storelee, Starkey, Nick DiLiddo, Nick Ceppegla, Dick Yecny, Tex Rankin, John Souza, Floyd White and Lloyd Willis.

Junior College Joins March Of Dimes Campaign

By MILDRED SHAW

Let's start off the new year right by giving to the March of Dimes campaign which begins in Fresno in January. All donations go to the National Foundation for Infantile Paralysis and so place your money in the seven wishing wells to be operated by the Fresno Exchange Club on downtown corners.

James E. Welden, the club's March of Dimes project chairman and chairman of the FJC trade and industrial education division, reported to a recent club luncheon which was held in Hotel Fresno that the wells are being rebuilt by the junior college's carpentry and mill cabinet classes to make it difficult for pilfering to occur.

"It will take a blow torch to get the money out of the wells," Welden declared, explaining that the students under the instruction of Merle Sons, are fastening stretched metal on top of the containers in which donations will be placed by Fresnans who wish to help the campaign.

"We are rebuilding the wells with the idea that they should take in, not give out donations," Sons explained.

Welden represents organized labor on the Fresno city and county chapter of the foundation.

Miss Willa Marsh, the FJC dean of students, who represents the junior college in the chapter, said FJC coeds will again operate milk-bottle batteries in downtown stores during the March of Dimes campaign.

Fresno Junior College's dance band, directed by C. Lowell Spencer, will play for the semi-formal.

Bartlow said the dance will permit women to wear long or short formals or dinner dresses, while men may wear dark or light suits.

Sponsored by the freshman class, the Christmas dance will feature the theme and will be highlighted in the decorations.

Red Key, the Newman Club, Alpha Gamma Sigma and Phi Theta Kappa, FJC's organizations, will assist with the decorations.

Committee chairmen include Patricia Harrington, publicity; Shirley Hansen, decorations, and Ellen Tally, refreshments.

Nisei Club Plans For Skating Party

A roller skating party sponsored by the Nisei Club will be held at the Wonderland Skating Rink on December 11. The admission fee is 75 cents, which includes the skate rental.

"All are invited to come," stated Ben Koda, president.

The California Intercollegiate Nisei Organization is having a convention in which the local club will participate. It will be held December 27 and 28 at El Camino College.

Anna Ueki of FJC is running for queen for the CINO conference. Delegates have not been chosen as yet.

Qualified Students May Apply For Aviation Cadet Program

All single young men with two or more years of college are eligible to apply. All male students who are interested may talk to Commander Ashmore.

The program is conducted at Pensacola, Florida, the Navy's "Annapolis of the Air" and at Corpus Christi, Texas. The training period is 18 months and leads to the designation of candidates as naval or marine aviators and includes appointment to commissioned status in the Navy or Marine Corps.

Selection Team Visits Campus With the Ramble Inn as its location, an aviation cadet selection team held a meeting on the FJC campus last Tuesday.
