FJC Opens Third Week With 2,326 Students

Fresno Junior College opened the third week of the fall semester with 2,326 students enrolled in day and evening classes, 34 per cent above last year and the largest total in FJC's history.

President Stuart M. White said last week was the last in which students may register for credit.

FJC shows record increases in both day and evening classes; however, the largest increase is in full-time day students about 50 per cent. The total enrollment for day students is 1259; compared to 988 last year and 795 two years ago. The current mark is 28 per cent above last year's.

The day total includes 948 full-time and 253 part-time junior college students and 58 high school pupils in shop classes. A year ago FJC had about 640 fulltime and 200 part-time students of college level and 148 high school students in the shops.

FJC's night total of 1067 is up 43 per cent above last year's mark of 748; two years ago the total was 634. The present evening students include 506 in apprentice and trade extension classes, compared to 417 a year ago; 166 in pre-employment shop classes, with 72 a year ago; and 561 in business and general education division courses, with 259 last year.

The 2,326 students now enrolled, 590 above the fall of 1953, compared with 2143 a week ago.

Course Now Open For Secretaries

More than 40 Fresno area secretaries and others who are preparing for the secretary field, are attending a new evening class at Fresno Junior College to prepare them for the national certified professional secretary's examination, although some are enrolled for a review of a secretary's duties.

Miss Ethel McCormack, the FJC business division chairman, said the course is closed to students who want two units of college credit, but some can be accepted on an audit basis for one or more of the six-week units of the year class, which meets Thursdays from 7 to 9 p.m. in Bungalow 1.

Miss McCormack said one local company wanted to send all its secretarial force to the class, which would have overcrowded existing facilities.

The three units the course is covering this semester and the instructors include business law, Archie Bradshaw; human relations and personal adjustment, Miss Gertrude Stubblefield, and secretarial accounting, F. J. Svilch.

In the spring semester the units and instructors will be business English, Mrs. Edna Hartley; economics and business administration, Stanley Bennett, and secretarial practices, Miss Stubblefield.

Miss McCormack said the students are preparing to take the test a year from now, although the CPS examination will be given Friday and Saturday, the fourth year the test has been used nationally to rate the 360 certified professional secretaries in the country.

Several thousand secretaries in the United States are expected to take the 12 hour, two day examination this week; it will cover not only stenography, secretarial and office procedures, secretarial accounting, personal adjustment and human relations, but also economics, and business administration.

Scholarship Group To Add Members

In the spring of 1922, W. T. Boyce, dean of Fullerton Junior College, conceived the plan of forming a state-wide organization of junior college honor societies as a means of recognizing and encouraging high scholarship among the junior college students.

It was called the California Junior College Honor Scholarship Society then, and the name was changed in 1932 to Alpha Gamma Sigma.

The requirements for membership in the Alpha Gamma Sigma are that one must carry at least 12 units, earn at least 30 grade points, have a grade point ratio of 2.0 exclusive of courses in physical education, and have no grade lower than a C.

These same requirements must be fulfilled each semester to maintain active membership in the club.

Dr. Ordal is Sponsor
Dr. Rolf W. Ordal, the club sponsor, stated that the invitations are going out this week to 38 prospective members who qualified last year.

The current members of the Alpha Gamma Sigma are John Embrey, Jr., Joy Hunt, Dorothy Georgeson, Nedra Looney, president; Joseph Marcelli, treasurer; Ann Nelson, Gladys Popp, secretary; Ellen Tally, Jim Tsukida, Bill Tsukuda, and Louella Williams.

The students who were invited to join are Carolina Aparicio, Evelyn

After Game Dance Will Be Held Tomorrow Night

The rally committee of the Fresno Junior College will sponsor the first after game sports dance of the fall season tomorrow night when the FJC Rams will be hosts to the College of the Sequoias Giants in Ratcliffe Stadium.

The dance will be held in the auditorium of the Washington Junior High School from 10:30 p.m. to 1 a.m.

The FJC dance band will play for the affair under the direction of C. Lowell Spencer.

The rally committee has invited the COS football team and student body to be guests at the dance. The COS students will be admitted free of charge with their student body cards. Students without student body cards will be admitted for 50 cents.

Tickets will be sold at the door to the FJC students who have a student body card for 25 cents a person or 50 cents without.

Karlo Demoorjian, rally club chairman, urges all students to attend and make the first after-game dance of the fall season a great success.

50 Classes Remain Open On Audit Basis

President Stuart M. White of the Fresno Junior College announced students in limited numbers may still enroll in about 50 classes on an audit basis.

White said the auditing students will be accepted in amounts that depend on the size of each open class. The majority of FJC classes are closed because of the large enrollment, which totals 1249 day students.

Except for four one unit courses in the business division, the only subjects open for credit, students may not register in any FJC class after the first three weeks of a semester on a credit basis.

However, White said students who audit may petition for credit one week after mid-semester examinations, and credit may be granted them, provided all class work has been completed satisfactorily.

Band Debuts At Last Game

The Fresno Junior College pep band under the direction of C. Lowell Spencer made its 1954 debut last Friday night in Bakersfield's Griffith Stadium at the FJC Rams football game with the Bakersfield College Renegades.

Spencer said 20 musical participants appeared with FJC's pep girls, yell leaders and rally men as a unit to aid the local rooting section in cheering on the Rams.

The majorettes who were recently chosen are Barbara Kotigian from Sanger Union High, Joyce Noble from Washington Union, and Bonita Clair from Madera. Miss Kotigian was a majorette at Sanger before coming to FJC.

Members of the band, dressed in red jackets with white trousers, and the majorettes who will be similarly attired plan to perform halftime stunts at the COS game here and at other home games.

The band members include Robert Becker, Frances Chow, Joseph Coats, Gerald de Hart, William Garner, Kenneth Goff, Phyllis Martinez, Morris McClay, Adolph Mendoza, Tommy Morris, Richard Munoz, William Pickens, Walter Richmond, James Ringer, Wesley Smith, Donald Taylor, Vern Whitney, Stanley Tusan, Yvonne Williams, Walt Torosian, Larry Parker, and Jack Imperatrice.

Spencer urges everyone who plays a band instrument to come out to Bungalow 16 and join the band.

Ann Gable Is School Nurse

Mrs. Ann Gabel, the school nurse, will be here at the Fresno Junior College on Tuesdays and Wednesdays from 10 a.m. to 3 p.m. in the nurse's office in the main hall.

Mrs. Hazel Pedersen, health coordinator, will be in the nurse's office on Fridays from 8 a.m. to 4 p.m.

Post cards are being mailed to some students who should have a health conference with the nurse.

Mrs. Pedersen stated that all students who receive a card should make an appointment with the

Fresno JC Holds First Fall Rally

The Fresno Junior College students will hold their first rally of the fall season tomorrow morning at 10 a.m. in the Fresno Memorial Auditorium.

Since this is the first rally of the football season and the game is our first home contest, Karlo Demoorjian, chairman of the rally committee, urges all students to attend the rally. The 50-minute rally is mainly to stimulate enthusiasm for tomorrow night's game between the FJC Rams and the College of Sequoias' Giants.

The pep girls and yell leaders will be introduced at the rally. They are Boyd Deel, head yell leader, and assistants Bettie Iversen, Leonard Romero, and Gayle Kovick.

Ann Nelson is head pep girl. Her helpers include Ellen Tally, Diane Paschall, Dee Farant, Sandra Civello, Shirley Williams, Wilma Koenig, and Anita Ferrell. Virginia Crane, Angela Renna and Carol Barsotti are alternates.

The rally will consist of skits, yells, and announcements.

Freshmen To Vote In Election Friday

The freshman class of the Fresno Junior College will elect class officers for the fall semester tomorrow in the main office. A frosh meeting was held Thursday, when nominees were selected.

The race for the president seat is being campaigned for by Robert Bangs, a veteran who is now the temporary freshman chairman and who is a Fresno High graduate, and States Hines, also a former FHS student who was elected class president last year but withdrew from school later.

Other nominees include Norman Williams, Flora Jean Monopoli and Jack Long for vice president; Angela Renna and Dee Linda Farrant for secretary; Bobbie Burton, Larry Oliver and Carol Barsotti for treasurer; and Joan Blasco, publicity chairman.

The election committee who will supervise the polls includes Kathryn Battasso, chairman, Priscilla Daniels, Shirley Williams, Sally la Rue and Alfred Copus.

Organizations Need Support Think Today; Join Tomorrow

Have you become a member of that club you were planning to join?

Here at Fresno Junior College there are a great number of clubs and organizations that depend on your membership to be a success. With the greatest number of day students in FJC's history, this school should at least have 25 students belonging to one organization.

Taking part in extracurricular activities brings you closer to your every day classmates and to your instructor.

Striking a happy medium between work and play will help you develop a better social understanding with other people.

A number of clubs open to membership are the 13th year for all freshmen students, 14th year for sophomores, AMS for men and AWS for women, Newman Club for Catholics, Intersvarsity for Protestants, and the Latin-American club for the Spanish-speaking students.

For studious students, Alpha Gamma Sigma and Phi Theta Kappa will accept new members at the beginning of the second semester.

Think today; join tomorrow.

Freshmen Urged To Vote; It's A Privilege And Duty

As everyone should know by this time, officers for the freshman class are to be elected tomorrow in the main office. I would like to impress upon you that we, being freshmen, have the opportunity to elect our officers tomorrow. It seems to me more than an opportunity; one might say that it is an obligation to ourselves. After all, WE are the freshmen class, and WE will be the ones who will profit by turning out to vote.

Now, voting is one of the simplest things in the world. Without expending too much energy one may scale the steps leading into the main office. After an appropriate rest at the top of the stairs, elbow your way inside the building among the early morning coffee worshipers, incessant locker-rattlers and leering sophomores. Upon entering the quiet, orderly main office you will be greeted by a host of energetic fellow-classmen who bear the title of poll supervisors. The rest is easy; merely pick out whoever you desire to vote for, and, before you know it, the pain is over.

I've convinced myself, and, I hope, you too. Here's hoping each and every one of you cast your ballot tomorrow.

Ellen Tally Will Install Officers In Ramble Inn

Ellen Tally, Associated Women Students president, said installation of officers will be held at a pot-luck dinner in FJC's Ramble Inn at 6 p.m., October 14.

Miss Tally, who was installed last spring with other Fresno Junior College student body officers, will seat Beverly Baird, vice president; Mary Lou Kolstad, secretary; Jane Kobashi, treasurer; and Lynn Rice, historian.

Miss Tally announced the appointment of seven committee chairmen, who will be members of the cabinet, including Mary Wada, programs; Genny Schellenberg, refreshments; Carol Barsotti, social; Nedra Looney, decorations; Patsy Ingram, welfare; Ann Nelson, membership; and Eleanor Franco, publicity.

AWS advisers are Mrs. Hazel Pedersen and Mrs. Caryl Houck.

Six AWS members were hostesses last Tuesday night in a reception at the junior college for vocational nursing graduates, including Misses Tally, Looney, Nelson and Schellenberg, Mary Ann Fiorentino and Ella Papagni.

Collegiates Hold Pot-Luck Dinner

The Fresno Junior College Rambling Collegiates which was organized last spring held a pot-luck dinner in the Ramble Inn last night.

The club's aim is to interest students in taking art, literature, speech, drama, or philosophy in culture.

Dorothy Ragsdale is the club president who arranged the dinner.

The officers include Midge Embry, vice president, Sue Sheehan, secretary, and Beverly Baird, historian.

Mrs. Ragsdale stated that if anyone wishing to join may contact Jim Ringer, Miss Embry, Mary Kalstad or Mrs. Sheehan.

Mrs. Caryl Houck, Fresno Junior College's new economics teacher, puts in practice at home-making which she majored in at Syracuse University, Syracuse, New York.

Her three year old daughter and her housework keep her mighty busy when she is not teaching the old grind to the female gender enrolled at FJC.

Mrs. Houck, who was Katherine Kitchen on a local TV series, was educated in the east and was born in Seattle, Washington.

She has previously been employed in the University of California Agriculture Extension Service and was the home economist for the Pacific Gas and Electric Company.

Because of her lack of classroom teaching she does not know what her pet peeves are about her enrolled students.

New Library Class Offered At Fresno JC

This year a new library science class has been added to the Fresno Junior College list of courses. It is listed as English 2, and is taught by Jackson Carty, FJC librarian.

This course requires five hours of laboratory work per week by each student. The class now has six students, who are planning on working in libraries after leaving FJC.

Carty said the elective course is open to both freshmen and sophomores and is designed to acquaint students, particularly those who want training as library clerks, with library arrangement and procedures. It will also serve as an orientation course for future professional librarians.

The course will give students experience in filing and checking books, using card files and catalogues and the Dewey Decimal system, typing cards and utilizing reference books.

The following students are enrolled in English 20. Ronald Covello, Leona de Berry, Donald Mac Donald, Tokiko Mori, Leonard Romero, and Martha Sidoli. Miss Mori and Mac Donald plan to become librarians.

FJC To Host COS Friday Night In League Opener

The Fresno Junior College Rams, who last week lost to Bakersfield College by a score of 14-13, will face the unbeaten College of Sequoia Giants tomorrow night in Ratcliffe Stadium. This will be the opening Central California Junior College Association football game.

Hans Wiedenhofer, FJC's head coach, reports that the COS Giants present as big a threat as did the Bakersfield College Renegades. Wiedenhofer is not at all pleased with the performance of some of the members of the squad, but plans to have the situation remedied before game-time with the Visalia eleven.

The Giants, kept on the straight and narrow by Coach Dino Spigarelli, have already tasted the fruits of victory this year by trouncing Modesto, Yuba and Cal Poly with no apparent trouble.

The outcome of this game will be extremely important to both clubs. The Rams, naturally, are trying for their fifth consecutive grab of the CCJCA championship, but undoubtedly Spigarelli's boys have other plans. That should serve to make the coming contest doubly interesting.

Coach Wiedenhofer states that he is proud of the performance of the Fresno eleven in last Friday's game with the Renegades. If the Rams employ the same tactics with the COS team, with perhaps more force, there will be no big worries for the Rams coach.

Gene Bachman, formerly of Kerman High School, will be started in the COS game at left tackle in place of Charlie Ratcliff. Ratcliff may be seen limping about from class to class due to an ankle injury suffered in practice last Monday. In spite of the injured man's numerous protests, Wiedenhofer fears that putting him in the game might very well cause permanent injury.

English Test Is Given To Students

The English examination was given on September 29 in Bungalow four for students who did not take the test previously and all students who planned to enroll.

This was the last opportunity for this semester to take the test.

According to Archie Bradshaw, who gave the test, the results of the test won't be known for two or three days.

The students who made reservations to take the test numbered 30, but only 16 actually took the test.

Rams Edged To Tune Of 14-13

For the third time since 1948, the Fresno Junior College Rams bowed 14-13 to the Bakersfield College Renegades at Griffith Stadium last Friday night. Both teams were held scoreless until the third period, when Right Half Walt Napier plunged into the end zone from the three yard line.

With Quarterback Tommy Flores leading the way, a series of runs and passes resulted in the first Ram touchdown, as Flores leaped over from the one yard line on a quarterback sneak. Larry Kaprielian was unsuccessful in the try for the extra point, which the Fresno club could have very well used when the final gun sounded.

With only three minutes left to play in the third quarter, the Renegade's ace Quarterback Pat Mills cut through tackle on a surprise play and went all the way for a Bakersfield TD. Gordon was in on the conversion for the winning 14th point.

Early in the fourth quarter Flores intercepted a pass thrown by Bakersfield's Quarterback Gordon, and carried it to Fresno's 24 yard line. Following a series of 13 plays covering a total of 85 yards, the Rams scored on a looping pass from Flores to Don Birkle, who was lurking in the end zone. Fred Snyder made good the extra point.

Reedley and COS continue to ride high with wins over Sierra College and Cal Poly JV's respectively. Porterville lost its first game to Yuba over the weekend. Taft won easily over Chaffey at Ontario also.

The Fresno JC Rams did a fine job of holding Bakersfield to a one point lead last Friday night. Bakersfield is rated the top JC team in the nation at present. The excellent performance put on by Ratliff, Florentino, Snyder, Kloppenburg, Baber, Flores, Eldred, Ryan, and Edwards accounted for FJC in the tight game. This game should keep the Rams in shape for the first home contest of the season against COS tomorrow night in Ratcliffe Stadium. This also is the CCJCAA opener. I was glad to see a fine turnout of you FJC fans down at Bakersfield and hope you will be out at the game against COS tomorrow. So much for that and now I turn to give the seasonal standings in practice games up to date.

114 Students Qualify For Scholarship Groups

President Stuart M. White of the Fresno Junior College announced 114 students who were carrying 12 or more units made a B average or better during the spring semester.

Mrs. Lena M. Fuller, the registrar, said the list, prepared for FJC's scholarship societies, does not include part-time students, some of whom may have superior grades.

She said many of the students have graduated or are not now enrolled. Students now registered with a B average and with certain other requirements qualify for membership in Alpha Gamma Sigma, the California Junior College scholastic society, and for Phi Theta Kappa, the national honorary.

The students include Lucille Allen, Carolina Aparacio, Thomas Armenta, Charles Becker, Phylis Bence, Gerald Bender, Evelyn Bettencourt, Eldon Britt, Richard Bruce, Lacey Cantrell, Frances Castillo, Donna Compton, Patricia Cooley, Virginia Crawford, Boyd Deel, Frank Del Real, Agnes Dervishian, Howard Drake, Dovie Edwards, Robert Ely, John Embry, Ruby Erickson, Jesse Espino.

Two Scholarships Are Offered To Secretarial Majors

The Fresno Poppy Trail Chapter of the National Secretaries Association is establishing two annual \$50 scholarships for Fresno Junior College students who are preparing to be secretaries.

Ethel McCormack, the FJC business division chairman, said the first two awards will be made in the spring semester to outstanding FJC secretarial students. Applications must be made to her by January 20th.

Miss McCormack said the first two awards will go to students already registered at the junior college, but beginning in the fall semester of 1955 the chapter will award two \$50 scholarships per year to high school seniors who show promise in the secretarial field.

Mrs. Grace Kachner, the chapter's education chairman, said the awards will be made at the rate of one per semester upon recommendation of high school principals to Miss McCormack.

Mrs. Jeanne Brown, the chapter president, said the scholarship will be based on grades, citizenship, leadership and financial need.

Sixty High School Students Attend Vocational Classes

Robert P. Hansler, the Fresno Junior College trade and industrial education division chairman, announced one girl and 59 boys from four high schools in the Fresno City Unified School District are spending half of their school day in junior college vocational training classes.

He said the students take academic subjects in their high schools. The girl, Mary Cheesman of Continuation High School, is attending FJC business division classes, while the 59 boys are enrolled in FJC shop courses in the trade and industrial division.

The boys include one from Continuation High School, James Bush; 33 from Roosevelt, 17 from Edison and 8 from Fresno High Schools. Hansler said the boys receive

pre-apprenticeship training and nearly all may qualify for employment in a trade as an apprentice after they graduate from high school.
