

FJC Plays Pirates Friday

Rams Sailing To Modesto To Meet Pirates

The FJC Rams will go into battle again tomorrow night when they meet the Modesto Junior College Pirates in the Pirates' home port. The Rams will be out for some of that Pirate gold after losing to Taft last Saturday.

The Modesto team has already lost to COS and Santa Rosa this season. In Ratcliffe Stadium last year the Pirates stepped on Fresno, 19-12, in one of the two losses the Rams suffered last season.

Stan Pavko, head coach for Modesto, will be sporting his flashy quarterback, Gary Norvell, tomorrow night. Norvell, with his speed and all around versatility, may very well be classified as a replica of our own quarterback, Tommy Flores.

Modesto may seem to be the underdog, but neither team is favored to win. FJC's Hans Weidenhoefer issued a loud "NO COMMENT" on the coming game.

Here are the league standings as of October 18:

| CCJCAA STANDINGS | | | |
|------------------|-----|------|-------|
| SCHOOL | WON | LOST | PCT. |
| Taft | 1 | 0 | 1.000 |
| Fresno | 1 | 1 | .500 |
| COS | 1 | 1 | .500 |
| Porterville | 0 | 1 | .000 |
| Reedley | 0 | 0 | .000 |

Bus Will Be Taken To Tilt

For the second time in five years Fresno Junior College is chartering a bus for the Modesto game this Friday. The first bus was for the Bakersfield game this year.

The tickets which haven't been sold out of the original 47 will on sale today and tomorrow.

The price is \$1 per seat, and ducats are sold on a first come, first serve basis. All students going to the game on the bus must come back on the bus.

Karlo Demoorjian, rally chairman, said, "The bus to Bakersfield was successful, so make the Modesto game successful too."

Club Sponsors Get Acquainted Dance

The Campus Activity Club sponsored a "Get Acquainted" dance Thursday, October 14, in B-15. The purpose of the dance was to secure new members.

The CAC plans to have a dance every month with the music furnished by the Gay Dukes.

The only requirement necessary to become a member of the CAC is that a student be in good standing with FJC. The meetings are held every Wednesday at 3 p.m. in B-15 or S-22.

The purposes of the club, a newly organized group, are to promote social activities on and off the campus, to combine academic and social activities, to award to some worthy individual a scholarship, to encourage student intergration, and to support our Alma Mater in every way possible.

The officers of the club are George Neal, president; Arthur Tyler, vice president; Mary Huffman, secretary; Patsy Davie, assistant secretary; Odell Johnson, treasurer; and Dewey Kee, chairman. F. J. Svirlich is the sponsor.

Thought For Today

If the thing is not worth doing, why bother with it?

Reporter Joins 400 Club And Wants Others To Do Likewise

As I was feeding my ulcers in the Ramble Inn the other day, I was snapped out of my reverie by the humming monotone of many do-nut and sandwich filled mouths. These particular mouths were uttering the oath which has been uttered all over the campus by this time, that of the 400 Club.

The 400 Club representative, who was standing in the center of the room amid the Ramble Inn patrons, was saying the pledge, which was being repeated by the patrons. With due respect, I managed to join in on the last of it.

The representative, who was, incidentally, a sweet young thing that immediately took my fancy, then proceeded to issue out the 400 Club stickers for our automobiles. As strange as it may seem, the majority of these stickers actually found their way to various windshields and air-vents. The remainder of them were sported on the backs of unsuspecting souls who had many backslapping buddies. I noted one girl who had apparently sat down on one. I almost laughed.

Now to get to the serious side of the thing. I would like to take the liberty to urge every one of you, regardless of your club status, to respect all of the traffic rules and regulations. The 400 Club is a wonderful organization which may serve to open the eyes of some of these chronic younger generation haters, who are certain that all college kids who drive are nothing less than murderers behind the wheel.

OK, so some of us have straight pipes. Perhaps the old jalopy has been lowered, Maybe a little rubber is burnt here and there. Nevertheless, I think that "we young upstarts" are probably safer drivers than many of the complainers.

And, so, I shall leap into my sleek oil consuming, gas inhaling, baby-frightening monster and chug along home, leaving you hearty readers alone with your crazy mixed-up thoughts. See you in traffic court.—Sid Cowan

STUDENT COUNCIL takes 400 Club oath

New Club Has 400 Deathless Days As Goal

The 400 Club, sponsored by the student council, needs 1,000 new members to extend Fresno's 309 deathless traffic days to an even 400.

The council representatives, headed by Fred Hall, will contact students in their classrooms with an appeal to take a pledge to obey all traffic laws, drive according to conditions, be a courteous example and tell others of the project.

These students will put the "400 Club" stickers on the sun visor or dashboard as a constant reminder to maintain the safety record.

Student Body President Dean Lee said the student council approved the safety campaign with the thought of counteracting the idea locally that youths of college age are reckless and dangerous drivers. He said hundreds of junior college students drive cars to the campus area daily.

The Fresno County Safety Council furnished the student group with copies of the pledge.

Students' Headaches

Next Month Is Date For Exams

Fall semester mid-term examinations for Fresno Junior College students will be given from Friday, November 5, through Wednesday, November 10.

Mrs. Lena M. Fuller, FJC registrar, said there will be no set examination schedule. Each instructor will inform his students which day during the mid-term test period his test will be given.

AMS Dance Will Feature Spook Theme

Since Holloween is almost here the Associated Men Students of FJC are sponsoring the "Witches Waltz" dance, which will be held tomorrow night.

The Marigold Ballroom will be the setting for the affair and dancing will be to the music of the Echo-ettes and will begin at 9 o'clock.

Brent Freeman, AMS president, announced that men students holding a AMS card will be admitted free with a guest. Others will be charged 50 cents. Tickets may be obtained in the main hall.

The AWS students are helping with the decorations, and they are headed by Carol Barsotti and Ellen Tally.

The AMS committee consists of Freeman, Boyd Deel, and Ronald Coviello.

Frosh Class Holds Election

The freshman class election was completed Tuesday with a run-off election for vice president and treasurer.

The candidates for vice president were Flora Jean Monopoli, elected, and Norman Williams, the runner-up. Carol Barsotti, elected, and Larry Oliver, the runner-up, were the candidates for treasurer.

Officers elected in the first election were States Hines, president; Angela Renna, secretary; and Joan Blasco, publicity chairman.

Flora Jean Monopoli attended San Joaquin Memorial High School and is majoring in business here at Fresno Junior College. Carol Barsotti also attended San Joaquin Memorial and is taking pre-nursing at FJC.

The election committee who supervised the polls included Kathryn Battasso, chairman, Priscilla Daniels, Shirley Williams, Sally La Rue, and Alfred Copus.

FJC Now Has Nurses Fund

Fresno's Unit 2 of District 9 of the California Practical and Licensed Vocational Nurses Association has presented a \$100 loan fund for vocational nursing students to the Fresno Junior College.

Mrs. Ruth E. Funke, the unit's president, and Mrs. Joyce R. Curran, the treasurer, presented the check to President Stuart M. White of FJC.

White said the junior college's scholarship committee will establish procedures for administering the loan fund, which will be used to help students in FJC's vocational nursing program, accredited by the state board of vocational nurse examiners.

Archie Bradshaw, the committee chairman, said, "This vocational nurses' loan of \$100 is to be given to students up to \$50 per applicant, and, if needed, they may repay after they have completed their training (one year) and gone to work."

Fresno JC lost their first conference game to Taft Saturday night. It also was the first Fresno loss to Taft in five years of CCJCAA competition. It was a heartbreaker for me as well as for the entire squad. We made more costly mistakes than they did. I hope the team gets over it by winning over Modesto Junior College this coming Friday night in Modesto. This game at Modesto should become one of the valley rivalries as Bakersfield JC is now.

These rivals are becoming annual junior college inter-sectional. Modesto is in the Big Seven Conference. I hope to see a great number of you at Modesto supporting the Rams.

Fred Snyder, Tom Flores, Tom Ryan and Don Kloppenburg played a whale of a game against Taft.

Ram's Quarterback Flores Sparks FJC Backfield

Ram personality this week is freshman Tom Flores, who sparks the Rams at quarterback position.

Flores, who is 6 feet tall and weighs 165 pounds, came to FJC from the Sanger Union High School where he was a graduate last June.

In high school he was a star quarterback on the football team and also was a member of the varsity basketball and baseball teams.

His other activities in high school included sophomore and senior class president, commissioner of athletics and a member of the Scholastic Society.

Flores plans to attend FJC for two years and continue his majoring in business.

The star ace has proven his outstanding ability in the four games which he has starred in this season.

Rams Lose First League Game In Five Seasons

Taft Drops Fresno Junior College In 19-13 Upset

By SID COWAN

The Taft Junior College Cougars dealt a stunning blow to the FJC Rams last Saturday night with a grueling 19-13 victory. The game turned out to be more or less of a surprise party for the Rams, who were favored over the Taft squad.

It was the first conference loss for the Rams in five years.

The game, which was played in Taft, was the second conference game for the FJC Rams, the first being with COS, which the Rams took 13-6 in Ratcliffe Stadium two weeks ago.

The Ramblin' Rams tallied first in the second quarter when Quarterback Tommy Flores went over from the one yard line after Fresno had marched 64 yards in 12 plays. The extra point was made by Larry Kaprelian to put the Rams ahead 7-0.

After a kick by each team, the Fresno club was knocking on the Cougars' door again, only to fumble on the two yard line. After recovering the fumble, Taft skipped along for 98 yards in 13 plays. The score was made by Drew Poorbaugh on a nine yard reverse. Archie Schmitt, who tried the conversion kick, was thwarted and the score stood at 7-6, Fresno.

Taft Goes Ahead

Upon receiving the ball on the next kick-off, Fresno ran the pigskin to the Taft 41, where they were held for four downs. Three plays after Taft took over, Harry Bayliss snatched a pass from Rollie

Gilliam and romped 41 yards for the second Taft touchdown. Schmitt made good the extra point. Fresno trailed at the half, 13-7.

In the beginning of the third quarter, the Cougars recovered a fumble by Fresno's Ray Edwards on the 38 yard line. After being pushed back to the 12, the Rams were penalized to the six yard line. Schmitt leaped over a few plays later for Taft, changing the score to 19-7. Schmitt muffed the try for the extra point.

Rams Penalized

Later in the third quarter Fred Snyder took a pass from Flores into the end zone. In the last quarter both teams ran amuck, ruining their opportunities of scoring with fumbles and penalties. The Rams were slugged with 95 yards in penalties, while Taft was credited to 30 yards. Fresno gained 15 first downs, Taft 12.

As usual, Flores played an outstanding game until he was ejected from the contest on a personal foul. The game was described as being "very rough" with numerous penalties.

Competing Tennis Team Is Planned

The first meeting was held Thursday to form a competitive tennis team. Another meeting was held Tuesday.

Paul Starr, FJC athletic director, announced that the team is still in the forming stage.

More students are needed to form a competitive tennis team.

Those interested should contact Dean Larsen, tennis coach, or Starr for further information.
