

# Many High School Graduates Plan To Attend Fresno JC

Four hundred forty-four or 35 per cent of the graduating seniors who plan to attend college in 18 high schools in the Fresno Junior College area said they plan to enroll at FJC for the fall semester.

President Stuart M. White of FJC, reporting the results of a survey, said the largest number are at Fresno High School with 92. Roosevelt is next with 88, Edison has 43, and San Joaquin Memorial has 21.

## Out of Town

Clovis leads the out of town schools with 56, followed by Madera with 42, plus 12 others from Madera who said they would attend if bus transportation is available. FJC now has daily bus service to Madera and Chowchilla and plans to continue it as long as there is a demand for it. Six from other areas said they will attend if they can arrange transportation.

White said of the total of 2,634 seniors in the FJC area, 362 are undecided about college attendance, while a total of 1,266 said they definitely plan to continue their education somewhere.

## Interested Students

Totals for the number of seniors and those who plan to attend college in the Fresno high schools are Fresno High, 450 and 344; Roosevelt 441 and 167; Edison, 150 and 68; and San Joaquin, 121 and 77.

The fourteen high schools outside of Fresno included in the survey are Clovis, Madera, Chowchilla, Sanger, Fowler, Selma, Kingsburg, Washington Union, Central Union, Riverdale, Caruthers, Kerman, Dos Palos, and Sierra Union of Auberry.

# Social Group Plans April 30 Spring Formal

The Annual Spring Formal Dance sponsored by the social committee will be held April 30, in the Yosemite Junior High School Social Hall. The dance will continue from 9 to 12 p.m.

## Admission Free

Admission is free with a student body card, and one person from each couple must be attending Fresno Junior College.

Alumni are welcome to attend the dance and the admission for alumni will be \$1 per couple.

## Dance Arrangement

Arrangements for the dance are being made by Ellen Tally, who is chairman of the committee.

Tickets will be on sale in the main hall on April 20 through 30. A free ticket for one couple will be given with a student body card.

# Library Puts New Books On Shelves

Seventy-four new books, including 13 of fiction, have been added to the Fresno Junior College Library since February 9, according to Jackson Carty, librarian.

The library is open to students Monday through Friday from 8 a.m. to 5 p.m., and Wednesday evening from 7 to 9 p.m.

Miss Darlene M. Horch, library clerk, said that magazines and best sellers are the most popular and that many students read them during their free periods.

By DONALD N. SHROYER

Fresno Junior College's baseball coach Ray McCarthy will take his horsehiders to Reedley Junior College this afternoon for the Rams' second league contest in the Central California Junior College Athletic Association. Game time is 3 p.m.

The Rams' initial outing in the league against the College of the Sequoias two weeks ago resulted in a 4 to 2 victory for the COS Giants. The contest, however, was prematurely concluded when the umpires halted the game because of rain in the top half of the ninth inning with two Rams on base and only one out.

McCarthy will probably call on Richard Knight to perform on the mound for the Rams today in Reedley.

Porterville Junior College will invade Romain Park next Saturday, April 10, to offer the Rams their next league competition.

## Students! Cooperate With Campus Smoking Rules

Here at Fresno Junior College we have responsibilities that are important to all of us. One of the more important items is the safety of all the students attending this school.

In one phase of our safety campaign we ask you to refrain from smoking in the halls and classrooms and in the main building and in the bungalows.

Smoking in the main building can be extremely dangerous due to the oiled floors and stairs.

Areas in which you can smoke are the following places: (1) junior college grounds, (2) Ramble Inn, (3) faculty room, (4) men's P.E. office, and (5) the concrete balcony on the second and third floor of the main building. Smoking is not permitted elsewhere.

To smoke in the areas described as dangerous, you will be endangering the lives of your fellow students as well as yourself.

With the advice of the Fresno Fire Department in mind, we ask you to cooperate as mature men and women.

## FALL APPAREL PREVAILS AS COTTON DAY ARRIVES

By ELLA PAPAGNI

Even though spring is here the girls around the campus still are wearing their fall apparel until Cotton Day arrives.

Gwin Wilson was wearing a tailored powder blue wool suit with a white wool jersey blouse, black

shoes and bag. Janice Bryant was wearing a red cashmere sweater with tiny pearl buttons at the neckline; with it she was wearing a grey and black checked straight skirt.

Grey flannel seems to be very popular with the girls this year. Seen wearing grey were: Nedra Looney wearing a grey flannel skirt with kick pleats at the side, completing her outfit she was wearing a lavender cashmere sweater with grey shoes and grey scarf.

Lynn Rice was sporting a very full skirt also of grey flannel with a baby blue cashmere sweater, a black contour belt and black shoes.

ETELKA SHAFER  
dream comes true

## Etelka Shafer Makes Dream Come True

By NORA BARTON

Etelka Julietta Shafer, a business and speech major, said her fondest childhood dream came true when she attended a talk by Archduke Otto of Hungary and met him personally afterwards.

Mrs. Shafer, who has been in the U.S. six months, said, as a child in Hungary, she saved all his photographs and would question her parents about the time that she might possibly see him. She also added she was surprised when he extended his hand in a democratic way when, had he become king, she would have had to bow in his presence.

Mrs. Shafer said her father was killed because he refused to join the communists, and that her mother was refused a pension during World War II.

**Wounded While Escaping**  
Mrs. Shafer said she was working in the ministry of defense office when the trouble started and in escaping from the capital to the border was wounded like many others. She was taken to a field hospital where she remained nine and one-half months.

Mrs. Shafer said the Red Cross train then took her to Germany where she had difficulty learning both the German and English language. In spite of the tragedies in her life, she laughingly relates the time she spelled Murphy-em, you, are, etc.

**Meets Husband In Germany**  
In Germany she worked at anything she could find to support herself, and through one of her jobs she met an American major, who spoke her native Hungarian. He found her a secretarial job in the military war crimes court in Dachau, Germany. She worked there three years when she met her husband who was guarding SS prisoners. He is still in the army and attends FJC night classes.

Although she is homesick, Mrs. (Continued from Page 3)

# Bullpups Score 13 To 3 Win Over McCarthy's FJC Nine

Coach Ray McCarthy's Fresno Junior College baseball nine continued to take it on the chin as they lost another contest to the Fresno State College Bullpups on the Romain Park diamond 13 to 3. The practice contest was played last Thursday afternoon.

The Fresno State College nine roared off to a fast start by collecting two runs in the first frame off of the Rams' starting hurler, Richard Knight. The Rams bounced back in the last half of the same frame and scored one run off of the Bullpup starter Joe Ybanez.

### Two Scoreless Innings

The second and third innings saw both clubs go scoreless, and the Bullpups were unable to score in the top of the fourth also. However, the Rams surged ahead as they scored two runs in the last half of the fourth.

The Fresno State JV's were unable to score in the top half of the fifth and sent Jack Altman to the mound in the last half of the fifth, where he held the Rams down to no runs throughout the remaining five innings.

### Ratliff Relieves

On the other hand Charles Ratliff was sent in by McCarthy to relieve tiring Knight in the seventh and the Fresno State Bullpups really cut loose from the plate.

The Bullpups scored three runs in the seventh, five in the eighth, and three more in the final inning.

The Fresno State College JV's had four batters who collected two hits each. They were: Greg Seatron, Frank Dell, Atorre Altman and Bob Phair. Don Steitz was the only man to collect two hits for the Rams. Fred Snyder smashed out a triple for the Rams for his only hit of the contest.

### One Misque

The Bullpups scored thirteen runs on fourteen hits and committed only one misque, while the Rams scored three runs on seven hits and committed three errors.

The Rams were slated to meet the Bullpups again Tuesday afternoon in the Romain park. They are

The first team which was selected by the coaches was: Bill Findley, College of the Sequoias; Dan Heinrichs, Reedley Junior College; Don Zumbro, Taft Junior College and Vern Rymer of Porterville Junior College.

Three Fresno Junior College cagers were selected for the second team. They were: Cleo Coleman, Don Steitz, and Odell Johnson. Other members selected by the coaches for the second team were; Ted Ellis, Coalinga Junior College; Robert Fusch and Odell Youngblood, Reedley Junior College; Phil Link and Al Simon, the College of the Sequoias.

## Etelka Shafer Makes Dream Come True, Meets Archduke of Hungary

Shafer said she loves people and is very fond of traveling. She has been in almost all the European countries except Russia (which she sneers at while naming), Spain, and England. Her greatest heartache is that she is not able to send for her mother, who is still behind the Iron Curtain.

### Importance of Knowledge

Mrs. Shafer feels that anyone that has the opportunity of advancing oneself in education, as we do here at FJC, and does not take advantage of it is foolish. "Knowledge," she said, "is something no one can take away from you. I have lost a lot, but knowledge is mine." Her hobby is photography and said she likes developing her own shots.

She is teaching dancing at a local studio but expects to go to Japan with her husband soon, if he is transferred there.

Once again the nasty 'ole weather brought postponement of the Fresno Junior College thinclads initial track meet in Reedley as rain left the track and field too muddy for the athletes to compete last Tuesday.

Coach Hans Wiedenhoefer announced that the meet will be held at a later date.

Wiedenhoefer also disclosed that the team will go to Porterville today and prepare for the several meets in the month of April. The conference meet will be the first part of May 1. The winners of this meet will be eligible to qualify for the state meet.
