252 Students Vote In Second Balloting

Dean Lee, a Fresno Junior College law student, was elected president of the FJC student body for the fall semester. The results were made official after a revote Monday and Tuesday in which 252 students voted.

In the second balloting for the office of president, Lee defeated Sue Sheehan with 153 votes to 99. In the race for the vice president Moxley outpointed Dorothy Ragsdale with a 151 to 98 margin. Jack Handjian won the office of treasurer by receiving 128 votes to Ellen Tally's 123.

During the first balloting which was held May 5 and 6, Joy Hunt was elected secretary with 157 votes.

In the race for representative at large Bill Bailey garnered 236 votes; Ann Nelson, 222; Gwen Wilson, 188; James Ringer, 174; and Helen Embry collected 164 votes.

An installation of the new officers will be held in the Memorial Auditorium next Thursday at 11 a.m.

Election officials who tabulated the votes were: Pat Still, Blanche Milhahn, Susie Brantley, Bonnie Warren, Vena Holt, and Joe Gonzales.

Engineering Jobs Assured Through Two Year Program

Fresno Junior College has been able to place in jobs all the students who will complete the two year engineering program in June, announced Ernest Wolf, the instructor in charge of Fresno Junior College's program to train engineering aides.

Wolf said the program to train engineering assistants has been established to provide competent preparation leading to an associate of arts degree for students who plan to enter employment upon graduation from FJC and also to furnish a pre-major in engineering for students who intend to complete their education at a four year college.

The position obtained for the students include the Bureau of Reclamation of the United States Department of Interior and with the Fresno County Road Department, mechanical engineering assistant in cotton oil plants, and under engineering aides, California State Highway Department.

Phi Theta Kappa Installs New Officers

The Theta Beta Fresno Junior College chapter of Phi Theta Kappa, the national junior college honorary scholastic fraternity, installed their new officers at a dinner last night at the Hut. Miss Willa Marsh, FJC dean of students, was guest of honor.

Dr. Lucile Williams, sponsor of the group, Blanche Milhahn, past president, and Joy Hunt, past secretary, were in charge of the ceremony.

The new officers are Martin Isler, president; Dan Eckland, vice-president; Doris Dilworth, secretary; Mack Sanwo, treasurer; Dean Lee, reporter; and Judy Hawthorne, inter-club council representative.

Qualifications for membership in the organization include at least a B average for one semester.

The FJC students initiated into the fraternity this semester include Jesse H. Waller, Rosetta Guernsey, Doris Dilworth, Kenneth A. Lundburg, Nedra J. Looney, Isler, Eckland, Lee, Miss Hawthorne, Glee S. Donnell, and Dorothy Georgeson.

Faculty Holds Annual Picnic

The Fresno Junior College faculty picnic will be held on May 21 at 6:30 p.m. at the Alpine Grove of Roeding Park.

Both night and day instructors will be invited to attend the potluck dinner. Ernest Wolf is committee chairman.

Dr. Lucile Williams and Miss Kate Darling, faculty club president, will greet the guests as they arrive.

Miss Meriam Tervo, Mrs. Thelma Davy, and Miss Gertrude Stubblefield will make arrangements for the food.

Mr. and Mrs. Stanley Bennett will decorate and adorn the tables.

Miss Nancy Webster, Merle Sons, and Miss Edna Hartley will serve the coffee.

Ernest Smith is in charge of the publicity.

Ray McCarthy and Hans Wiedenhofer are taking care of the entertainment.

PE Is Required For AA Degree

All students enrolled for eight or more credit hours in a curriculum leading to the Associate of Arts degree are required by state law to take two hours of physical education per week. Four semesters of physical education fulfill legal requirements.

Fresno Junior College offers three types of physical education. These are as follows: 1. Physical education 1-29 Activities, 1/2 unit, two hours weekly; 2. Physical education. 30-39, Techniques of Sports. 1 unit, 1 hour weekly; 3. Physical education 40-49 Competitive Sports, 1 unit.

Roving Reporter Gets Suggestions For Sam's Dilemma

By MILDRED SHAW

Everyone has been worrying about Sam the Ram and where he is going to live and so I decided to get some suggestions and maybe an answer from the students around campus. Here is the outcome:

Girl—If you can't find him a home anywhere, try to sell him.

Boy—FJC should have a Future Farmers Chapter to take care of him.

Girl—Give it to some farmer to keep so we will have a junior ram to follow Sam the Ram III.

Boy—Make him into lamp chops.

Girl—Have the keeper that offers to board him, shear Sam and that would pay his own room and board.

Boy—Have some student who lives on a farm and is interested in stock, take care of him.

Here's the scoop!

Joe Yparria, along with his brothers Gene and John, who are among the largest sheep raisers on the West Coast, have offered to keep Sam the Ram III on their sheep herding ranch.

The Ram will be kept along with the Yparria's pedigreed stock.

Examination Schedule

Yes, believe it or not, there are only four more weeks of studying, staying up late, and worrying about late papers or homework.

To end this semester, final examinations will be given during the last week of school.

All students should remain in the examination room during the entire examination period.

Reedley JC, COS Tie For CCJCA Crown

The defending Central California Junior College baseball champions, Reedley Junior College, brought the closing of the league schedule to the ultimate of climax Saturday when they downed the College of the Sequoias Giants.

One week ago the Giants had an undefeated league record.

The Coalinga Falcons started the Giants downhill when they knocked over the leading COS nine 5 to 1 in Coalinga on Tuesday.

Pitcher Ted Ellis of Coalinga is the boy who turned the trick as he allowed only three hits and one run in eight innings. The Giants were leading, however, 1 to 0 in the eighth when their pitchers blew up and walked four runs across the plate. Ellis struck out 12 COS batsmen.

At this stage the Giants could still win the title if they could beat Reedley. The Tigers ripped into the Giants with everything they had, including the bat-bag, and mustered a 3 to 1 victory.

The Giants and Tigers were the co-champions of the league at this point. A coin was flipped and the Tigers were scheduled to travel to Visalia last evening for the playoff of the league championship.

Three Trackmen Enter West Coast Relays

Coach Hans Wiedenhofer revealed this week that three members of the Fresno Junior College track squad have been entered in Saturday's West Coast Relays which are to be held in Ratcliffe Stadium.

Dick Wennig is entered in the discus throwing event. Although he has not done too well this season, he is highly praised by Wiedenhofer as having plenty of potential.

John Carter, who has won several pole vaulting events this season, is entered in that event in the relays. The other FJC track star entered is Walter Torosian, who is slated to run in the 100 yard dash.

BASEBALL TEAM SELECTS TOP BALL PLAYERS

The Fresno Junior College baseball team selected its most valuable player and honorary team captain Tuesday when the players turned in their equipment.

Steve Santillan, who has done most of the receiving behind the plate for the past two years, was named the most valuable player, while Mack Sanwo, who has played shortstop and even helped the mound staff during the past two years, was selected as honorary captain.

The Editor's Desk Where's Fresno JC's Tennis, Swimming Teams?

By DONALD N. SHROYER

The Fresno Bee revealed Tuesday evening that the College of Sequoias Giants won its sixth, I repeat, sixth, Central California Junior College Association tennis title in seven years in the annual meet in Reedley.

One year ago Clint Wheeler, then sports reporter for the Rampage, sparked a drive to organize a tennis team for Fresno Junior College even though it was not sanctioned by the athletic department. It was an unsuccessful drive.

Certainly there was enough talent on the campus of Fresno JC this spring to organize a team, and gain the sanction of the school.

Why can't Fresno Junior College have a tennis team and a swimming team? I'll give you my opinion. No, I had better not stick my neck out. I'll just leave you with that question. Why can't Fresno Junior College have a tennis team and a swimming team? The athletic department of FJC certainly can't be blamed.

Rams Lose To Reedley, Down Porterville JC

Coach Ray McCarthy's Fresno Junior College baseball team concluded its 1954 scheduled season with a 19 to 4 Central California Junior College Athletic Association victory over the Porterville Junior College last Thursday in Porterville.

The Rams lost to Reedley Junior College on Tuesday, May 4, at Romain Park in their only other league contest slated for last week. The score was 14-4.

Norman Krebs, one of the best pitchers in the CCJCA this season, went all the way Tuesday as he spaced out seven hits while striking out eight FJC batsmen and walking seven.

The Reedley Tigers really teed off on the offerings of three Fresno hurlers, Dick Knight, Mack Sanwo and Tony Fragus. Knight was charged with the loss.

Charles Ratliff collected two of the seven hits scored by the Rams. Dutch Riley, Ray Jadwin and Marv Stucky each had three hits for the Tigers. Odell Youngblood smashed out four base knocks in seven trips for Reedley.

Elton Willis went all the way in Thursday's lopsided victory over the Porterville Pirates as he gave up only six hits. The Fresno cause was aided by 11 errors in conjunction with 11 Fresno hits and 14 walks by three Porterville hurlers.

CAGERS HONOR GREEN, STEITZ

Joe Kelly's FJC cage squad picked its most valuable player and chose their honorary team captain this week as the players were being measured to be outfitted with Central California Junior College Athletic Association basketball championship jackets.

Harvey Green, who was the spark plug of the team through the entire season and high point man in almost every contest and who set a new cage scoring record for the school, was elected the most valuable player. Don Steitz, who was a star hold over from the previous season and again did a very wonderful job for a boy 5 feet 5 inches tall, was elected by the team as their honorary captain.

TODAY'S QUIZ

WHAT MAKES A LUCKY TASTE BETTER?

"IT'S TOASTED" to taste better!

A Lucky tastes better for two important reasons: 1. Lucky Strike means fine tobacco...light, mild, good-tasting tobacco.

2. That tobacco is toasted to taste better. "It's Toasted"---the famous Lucky Strike process---tones up Luckies' fine tobacco...makes it taste even better---cleaner, fresher, smoother.

That's why a Lucky tastes better. And naturally, better taste is why thousands of college students prefer Luckies to all other brands.

So, enjoy better taste. Be Happy---Go Lucky!

308 Students Vote; Where Were You?

How many of you Fresno Junior College students went to the polls to vote on May 5 and 6? The answer to that question is exactly 308.

Out of 636 students eligible to vote 328 students did not even stop at the polls. This includes 207 \$3 card holders, of which 23 voted.

Those who voted should be congratulated because this was the biggest balloting in the history of the school. Yet it was not big enough.

Those who did not bother to mark the ballot should take into consideration a little quotation by J. F. Cooper. He said that a man who can right himself by a vote will seldom resort of a musket. If this quote seems a little out of date, it can be made modern by replacing the word musket with the Hydrogen Bomb.

Voting seems to be such a small matter to many, but it is your privilege. Let's hope you use it the right way, and not let it go to waste.

Jesse Waller Leads Active Campus Life

By MILDRED SHAW

Jesse Waller, radio and television major, was born in Minden, Louisiana, 22 years ago. This active 5 foot 10½ inch student came to Fresno in 1947 from Richmond, California.

Waller is president of the AA degree candidates and member of Alpha Gamma Sigma, Phi Theta Kappa, Red Key, Rambling Collegiates, and Inter Varsity Christian Fellowship.

He is also a trumpet player for the FJC dance band. He was a guard on the basketball team, and competed in the 880 on the track team. He also participated in the music assembly by singing and playing the trumpet.

Waller said that he thinks FJC has the best faculty in a junior college and that he has really learned a lot here during his attendance.

He also said that the student councils have done excellent work while he has been here.

His favorite food is "everything" and his favorite song is "Stranger In Paradise." His future plans are to attend Fresno State or University of California in Berkeley, where he will major in electronics and minor in music. He also dreams of traveling a lot in the future.

Estela Rivera Will Visit Family In Guatemala

By NORA BARTON

Estela Rivera, 23, a Fresno Junior College home economics major, is homesick for her home in Guatemala, but says she feels reluctant to leave here in June when she plans to visit her family there.

Miss Rivera has a brother here attending Fresno State College and said they both agree that this is indeed the land of opportunities.

Guatemala Is Small Country

As for Guatemala, Miss Rivera adds it is a small country and has a few American colleges introduced there lately. The American colleges carry out the same school system as it is here. However, Miss Rivera claims she mainly came to the States to learn English in the American way and the mores of the American way so that in the future she may be able to carry back to her own country the educational values we have here.

Father Owns 600 Acres

Miss Rivera's father owns 600 acres of land, of which the present regime, who call themselves a republic, have taken 75 acres and given to the so called poor. "What is heartbreaking," Miss Rivera recalls, "is the fact that the poor illiterate people are not able to till the land and it is a complete waste."

"Suddenly, they have been given this land and they have no knowledge how to handle it."

Education Is Answer

Both Miss Rivera and her brother feel strongly that the answer is education, because they claim about 75 per cent of the people are illiterate.

"There is much unrest in Guatemala, but I know once the people are educated to the proper values the unrest will cease," the student conclude.

Miss Rivera smilingly claims a love of the teachers here at Fresno Junior College and the wonderful help and friendliness of her fellow students.

Red Key

This spring, the Red Key is awarding four merit pins for outstanding extra curricular activities. Two pins will go to the freshman class, one to a boy and one to a girl. Two pins will also be given to a sophomore boy and girl.

"Persons receiving these awards do not have to be members of the Red Key," Sue Sheehan, president of Red Key, stated

Nomination for election of officers will be held May 19.

Red Key is also sending to each club president a form stating what kind of booth they wish for the Red Key Carnival. These forms should be returned to Red Key president, Mrs. Sheehan, within one week after receiving the forms.

Rambling Collegiates

The Rambling Collegiates held their first annual picnic last Thursday at Ash Grove in Roeding Park. The picnic was held in honor of the graduating Collegiates. One hundred students attended the picnic and the time was spent playing volleyball, baseball, and boating on the lake.

Newman Club

There will be a Newman Club meeting tomorrow at noon in B-3. Nominations for officers for the club for next year will be held at the meeting. Bob Curran urges all members to attend the meeting.

Four Instructors To Join Faculty

The Fresno Junior College will add four new members to its faculty in September.

Stuart M. White, president of FJC, said the three who are transferring from other schools in the Fresno Unified School District are B. Ivan Belman, Dr. H. Brett Melendy and Franz A. Weinschenk. The fourth, Audrey N. Little, is now teaching typing and general business in the Reedley College.

White said Belman will teach trade related subjects, including industrial machine shop, industrial physics, mechanical drafting and engineering drawing in the trade and industrial division.

Dr. Melendy will teach English, philosophy and American history. Weinschenk will also teach English and speech.

Typing, shorthand, business machines and orientation classes are on Miss Little's program.

FJC Will Offer X-Ray Training

A new program to train X-ray technicians will be offered at Fresno Junior College during the 1954-55 school year.

President Stuart M. White said the Fresno City Board of Education has approved the two year course. The curriculum is designed to give the student the necessary background for apprenticeship training and also to qualify him for an AA degree.

Kenneth M. Hald, who will be in charge of the new program, said the students majoring in the X-ray field will take practical work as laboratory trainees in radiology laboratories affiliated with FJC. Hald said that after the student works for one year as a trainee he will be eligible to take the state board examination for registration as a licensed X-ray technician. FJC will also offer a pre X-ray technician major for students planning to transfer to a four year college or university in order to obtain a BA degree.

Hald said the new program should be especially useful to ex-service men who learned X-ray techniques in the armed forces but who need the associate of arts degree.
