

## AWS Features Annual Cotton Day April 11

Girls! Be sure to wear your prettiest cotton apparel on April 11. Yes, and boys, be sure to don your loudest cotton shirt.

Why you ask? Well, on April 11 you see, we shall have our annual Cotton Day as it was announced by Carol Barsotti, AWS president.

To be more exact, it's Cotton Day. It is the time to dispose of those old winter garbs and blossom out in your new cotton apparel for springtime.

In recent years, FJC has observed Cotton Day by having a Cotton Dance with a king and queen reigning.

Miss Barsotti stated that due to the fact of noon classes this year and a lack of facilities, it will be impossible to hold a dance this year.

Don't let this bother you! You can still blossom out on spring day. Now, don't forget the date, it's April 11.

## Marcelli Tells Of Graduation Plans

Joseph Marcelli, president of the associate of arts degree candidates, announced the plans for graduation are progressing very effectively. The baccalaureate services will be held in the First Presbyterian Church on Sunday, June 5. The services will be conducted by the Rev. C. A. Morrow. Guests are invited to attend the services.

President Stuart M. White announced that Dr. Frank W. Thomas, the president emeritus of the Fresno State College, will be the commencement speaker at FJC's seventh annual graduation exercises. Dr. Thomas' subject will be "Our New Pioneers."

The candidates have selected May 20 for their semi-formal dinner dance at the Washington Junior High School cafeteria. The theme chosen for the affair is "Memory Night."

Tickets will go on sale April 1 in the main hall at \$1.75 per person. The candidates may bring a guest with an additional charge.

The deposits on graduating caps and gowns are to be made by April 1. Measurements and deposits will be taken by Wesley Anderson in the bookstore.

The deadline for the announcements was March 15, but Anderson has ordered 100 additional announcements for candidates who haven't ordered as yet.

Students who have fulfilled the AA Degree requirements will be given a seating chart and tickets for the graduation and baccalaureate services.

## Easter Vacation Held Next Week

The FJC students will observe the Easter vacation on April 7 and 8. The junior college will only have a two day vacation for Easter while the Fresno Unified School District have an entire week. This is because FJC had three additional days between the fall and spring semesters.

Due to the Easter holidays the newspaper staff finds it difficult to publish the Rampage until April 21.

Miss Ethel McCormack, business division chairman, said that the scholarships were awarded to students who show promise in the secretarial field. They also were awarded on the basis of scholarship, citizenship, leadership, and financial need, with preference being given to a student who plans to qualify for an Associate of Arts Degree.

Miss Popp is majoring in business and has been quite active in activities around the campus. She is the student body secretary at present. Jo Ann Monfort is majoring in the secretarial field and has been active in the Future Business Leaders of America.

Miss McCormack also said that although the first two awards were made to junior college students starting next fall they will be made to high school graduates.

My feller pardners the openin time for this little git together is 7:30 p.m. and at that time the dixie-dandiest hottest music ever heard in that thar lion den will start.

## Louis J. Alber Speaks To Fresno JC Students

Louis J. Alber, a world traveler and writer, talked last Friday about how we can win this cold war, at an assembly held in the Memorial Auditorium.

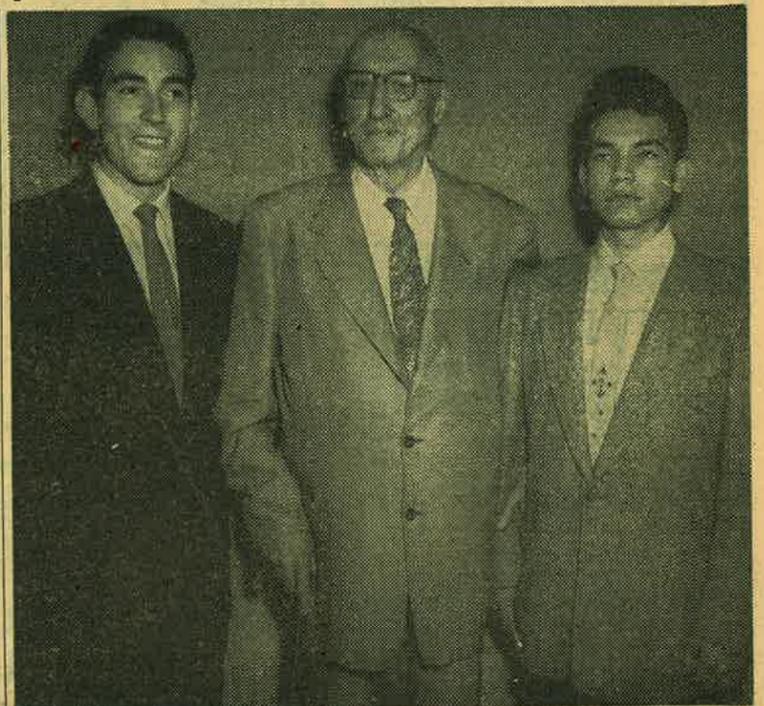

His talk included destruction of the Communist parties of the world and the demand for Russia to honor international agreements.

Alber said that the Yalta agreement is 20 per cent bad and 80 per cent good. He pointed out the fact that the reason the United States is losing the cold war is primarily because there is no comprehension among free people. We all are in a war for survival, and the most dangerous war we have been in.

He pointed out that Russia has made the greatest gains of any conqueror in history. We have been preparing for a shooting war, he said.

If we start dropping bombs, he pointed out, we will start a war that we could easily lose.

Alber said that he had just spent two years traveling abroad to see various cold fronts and to learn what the US could do to win the cold war.

## Desire To Hold Office Job Must Come From Student

The right to hold office is one of the greatest of American privileges. The ability to hold office is God given. The desire to hold office, though, is something that must come from within the individual.

Today each and everyone of you has the chance to run for an office in order that you might represent your fellow classmates. Tomorrow you might be called upon to represent your city or even your country. Whatever endeavor you wish to follow, do take this chance which is offered you, and hold a school office.

The qualifications that one must have to hold office are that one is a member of FJC, has attended for one semester or more, has carried 12 units with a "C" average for one semester or more previous, and is not on probation or lacking in grade points. To be a candidate for president, at least one year at FJC is necessary for eligibility.

Campaigning may begin on April 19, and continue until May 9; however, students must obtain their petitions after April 11, but not later than April 15, for the Election Committee will meet then on April 18 to approve or reject the petitions. On April 19 a list of eligible candidates will be posted in the hall.

Remember . . . the most important thing of all is to secure your petition, and upon obtaining the necessary 35 signatures, before April 15, return it to Mrs. Lena Fuller, the registrar. —Jerry Hicks

## Music Assembly Set For April 21

The Fresno Junior College Music Department will present a musical assembly under the direction of C. Lowell Spencer, April 21 at 10 a.m. in the Memorial Auditorium.

The assembly will be a variety show including solos and dances. The FJC choir and band will participate in the program. Among the soloists will be Wilma Koenig, who will sing "I Want Jesus To Walk With Me." The choir will sing "Battle Hymn of the Republic," "The Creation," and "Mister Sandman."

They have been practicing every day in class and plan to have a practice in the Memorial Auditorium two days before the assembly.

Spencer, the music instructor, said there will be approximately 55 to 60 students participating in the variety show.

## Letters To The Editor

There are conferences, and there are conferences, but last Saturday, March 19, FJC had the privilege of hosting the conference. No doubt about it, this conference was a tremendous success.

The students in the conference leadership class were the organizing body for this outstanding conference but they realize that this success could not have been obtained without the help and cooperation of so many other helpful individuals.

The class wishes to extend a hearty vote of thanks through this column to the following people.

The office staff: Mrs. Margaret F. Thoms, Mrs. Shirley Lea, switchboard operators; Mrs. Marien Levy for your cooperation at conference funds; Mrs. Dolores Seibert, for providing correspondence material and information.

To the faculty: Miss Willa Marsh and Stuart White, for administrative cooperation; Mrs. Hazel Pederson, for workshop resources; Walter E. Witt and the art class, for placecards and programs; Lowell Spencer, for piano accompaniment; Dr. Rolf Ordal, for his address; Miss Nancy Webster and her mimeograph class, for all mimeographed material; Mrs. Audrey Little, for resolutions; Phil Smith and the Rampage staff members, Al Copus, Jerry Hicks, Barbara Wilkinson, Tom Cone, Cecil Tange, and Cecil Thomason for all editorial publicity.

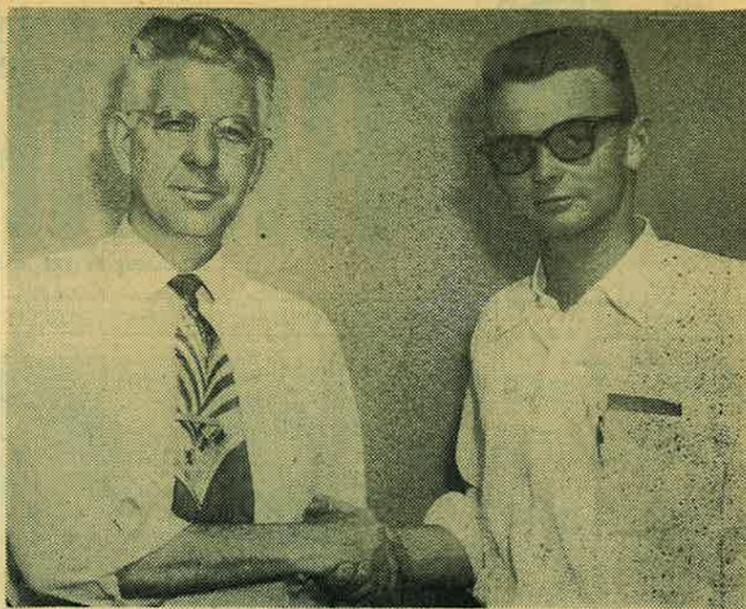

To the conference secretaries: Wanda Bangs, Alfreda Barton, Tish Bryant, Shirley McLaughlin, Carol Hart, Norma Buffaloe, Yvonne Smith, and Theresa Magdaleno.

To Wilma Koenig and Helen Embury for entertainment.

To N. T. Goolsby and his assistants for all around help in supplies.

The class wishes to especially thank Joe King, who started us going and kept us together until the job was completed.

Gladys Popp

JOE KING, left, congratulates Jim Ringer on Ringer's recent appointment as president of the state convention to be held in Fresno next fall. King is the adviser of the student council.

## Jim Ringer, CCJCSGA Prexy, Likes Dancing, Sports, History

Jim Ringer, recently elected president of the California Junior College Student Government Association, will attend the state conference in Riverside, California from April 21-23.

At this time he will be installed in his new office. His duties as president of CJCSGA consist of seeing to the organizing of the conference and to preside over it.

### CALIFORNIAN

A native Californian, Ringer attended the Madera Union High School before entering the Navy, which kept him busy for three years. While still in high school, there was evidence of his leadership qualities in his election to an office in the Future Farmers Club.

This 21-year old veteran drives a 1949 medium blue Plymouth convertible, on which he "tinkers" around. The Standard Oil Company keeps him busy on week-ends at various filling stations.

Dancing, sports, and history are about the most interesting subjects Ringer can think of. To teach history is the goal for which he is striving, but, meantime, he's not too busy to learn a new dance step or just discuss dancing in general.

## Marcelli Appoints Albanese Head

Joseph Marcelli, president of the Alpha Gamma Sigma, has appointed Sam Albanese as committee chairman and representative for the honorary fraternity for all school talent show.

Students elected to serve on the committee are Nedra Looney, Carol Feaver, and George Thursby.

Stanley Tusan was appointed publicity chairman and Frances Towry was selected to take charge of refreshments for future meetings.

## Interclub Council Needs Suggestions To Improve FJC

By CECIL THOMASON

Suggestions! Ideas! The Interclub Council is appealing for suggestions or ideas that any of you might have on improvements or changes around FJC.

Karlo Demoorjian, the president of the Interclub Council, has stated that the council has one purpose. This purpose is to coordinate the activities of the various clubs and organizations for the good of the individual student.

If they are to be successful in this purpose, however, they must have student participation.

It seems that the suggestion box has't been as great a success as was anticipated. The students just aren't using it as they should. A few suggestions come in, but with all the students enrolled this semester there should be a full box every week.

There are more ways than one to get results through the council. If any of you shouldn't like the idea of putting your suggestions in the box, see the president of your club and have this person submit your proposal directly to the council.

WESLEY ANDERSON ... book store head

## Book Store Chief Once FHS Teacher

Wesley Anderson, FJC's book store manager, previously was a Fresno High School instructor for 25 years where he taught public speaking, debate and oratory, and social science. He was also manager of a church camp for 15 years.

He was born in Buffalo, New York and obtained his education at Hamline University in St. Paul. There he secured his AB degree and did graduate work at Southern California.

Anderson's wife passed away last summer leaving two daughters, one of which is a teacher and the other is married and has two children.

Enjoying the work of being a book store manager is his main interest and being around college students "makes him feel young again." His hobbies are gardening and he belongs to the High 12 Diner Club.

Anderson commented, "I try very hard to service FJC students and I always try to express it by saying 'Your Book Store.'"

## Bangs, Lovelace Are New Leaders

Bob Bangs took over the post as president of the freshman class. Bangs replaces Edd Suddjian, who is no longer in school.

Don Lovelace, 18 year old business major, was elected vice-president. Lovelace graduated from the Clovis Union High School and was president of the student body in the fall of 1953.

NO MATTER WHERE YOU ARE, you'll get more pleasure from your cigarette if it's a Lucky Strike. That's the point of the Doodle above, titled: Three deep-sea divers enjoying Luckies. You get deep-down smoking enjoyment from Luckies because they taste better. Why do they taste better? That's easy to fathom. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So, when it's light-up time, light up the better-tasting cigarette... Lucky Strike.

# Rams To Play Pirates

## FJC Travels For CCJCA Single Game

The Porterville College Pirates will be host to the Fresno Junior College Rams tomorrow at 1 p.m. for a Central California Junior College Association baseball game.

The Rams have a one win, three loss record so far this season, while the Pirates boast a two win, one loss record to hold down second place in the league standings.

The biggest upset of the season made by Porterville was their 10-0 victory over the COS Giants on March 22. The Pirates jumped into the lead in the first inning and were never threatened by the Visalia nine. The Pirates' loss was to the Coalinga Falcons and their other win was a 4-3 battle from the Reedley Tigers.

Every team in the league has at least one league loss, when COS tipped Coalinga 6-5 Saturday. Coalinga previously was undefeated. The outcome of the game will be great for both teams, as neither is out of contention for the CCJCA title.

The Pirates have the excellent pitching of Jim Idell, pitcher of the COS game, and the fine hitting of Duane Keen, Bill Gumgarner, and Ray Richardson.

## Nine Bops Pirates By 5-0 Shutout

The FJC baseball nine shut out the Reedley Tigers at Reedley last Saturday by a 5-0 score.

The Rams won on a two hit pitching job by Tony Fragus, and this was their first win in the California Junior College Athletic Association during this season.

Don Birkle, Elton Willis, and R. L. Benson led the Fresno hitting department with two good blows each. Birkle and Wilson had a double each, and Benson had a triple.

The lone Reedley hits Fragus allowed were to Ray Caldera and Smilie Gomez. Fragus meanwhile struck out six and walked only two.

Fresno had a four run eighth inning and losing pitcher Don Nielson then gave way to Dave Roque.

The Rams will play the Porterville Pirates tomorrow in Porterville.

## Net Team Statistics

## Net Team Will Play Tigers In Reedley Today

The FJC net team will travel to Reedley today to meet the Tigers in their second league contest.

Little is known of the Tigers' squad except that they have a better than average squad.

FJC's tennis team lost its league opener against Porterville last week, but members have been practicing since then and should make a better showing.

Coach Dean Larsen said that the first four names on both the men's and women's leaders will play today.

Donna Pedigo, a Clovis High School graduate, is now out for the team. Miss Pedigo played mixed doubles last year at Clovis and Alfred Copus, another FJC candidate, and she compiled a seven win, two loss record last year.

Shown on the left are two players that give a lift to the

FJC baseball team. They are John Troxel and Ed Fogal.

## Netters Lose Three Matches By 3-2

The FJC tennis squad lost three matches last week, all of them by the score of 3-2. All games were played at Roeding Park.

The squad lost its league opener to Porterville College last Thursday, when the Porterville netters won the mixed doubles event, women's doubles event, and the women's singles match.

The Fresno team won the men's doubles match and the men's singles event.

The Roosevelt High School netters edged the Rams last week on Wednesday. The men's doubles and the women's singles match were taken by FJC. Saturday, the Fresno Junior Tennis Club also eked by the JC netters 3-2. Both games were played at Roeding.

The Porterville scoring: John De La Rosa (F) d. Jim Braley, 6-4, 6-3; Al Copus and Fred Keoseyan (F) d. Darwin Chamberlain and Jerry Carter, 6-0, 6-2; Don Louis and Ernestine Gilbert (P) d. Don Lovelace and Audrey Chillingierian, 9-7, 6-1; Aline Pahran and Susan Bowker (P) d. Carol Barsotti and Eleanor Franco, 6-2, 6-0, and Helen Sheedy (P) d. Marilyn Mann.
