Students Make Events Tremendous Successes

There were two social events last Friday night that I believe were tremendous.

The freshman class "Hotdog Hop" was really superb, and all those concerned should be given a lot of credit. The most pleasant thing about it was the fact that FJC students showed that they could and would support an event put on by their classmates.

I would not dare to estimate the number of students who went to the Hop, but I do know that it was one of the most successful events all year.

The class furnished the eats, and all who went had plenty to eat, as there was much left over.

The Veterans' Club and the Latin-American Club should be proud of their Sadie Hawkins Dance. The dance was an event that Fresno Junior College should make an annual one.

My congratulations go to all students concerned.

Student Compares Filipino Education To California's

By CONCEPCION BERNABE

I am very grateful to have this opportunity to write about the comparison of education in California with that of the Philippines.

The Philippine Islands have established different colleges and universities throughout the country as America has.

In comparing facilities and conveniences, there are many differences. The educational facilities here are more modern and very convenient.

Schools in the Philippines do not have enough facilities to satisfy the needs of the students to put into practice what they have learned from books. Textbooks are plentiful, but the necessary apparatus for laboratory facilities is lacking.

With regard to the method of teaching, it is practically the same. Teachers in the Philippines depend mostly on textbooks to teach the students, because there are not enough sources such as other varied books for references, which are widely used here.

Schools here are so well equipped for student needs that students are able to practice and learn without any difficulty; this is not true of the Philippines.

As far as I'm concerned, California education is by far the better.

Upperman Elected To FBLA Post At Long Beach Conclave

Shirley Upperman, president of the Fresno Junior College chapter of the Future Business Leaders of America, was elected central section vice-president at the state convention held by that organization in Long Beach Friday and Saturday.

Barbara Wilkinson, second vice-president of the FJC chapter of FBLA, was appointed state parliamentarian by Phil Hill, newly elected state president from Fullerton Junior College, who succeeds Fred Hall of FJC. She was also a candidate for junior college section vice president.

CONTEST ENTRANTS

Hubert Ereman, first vice president of the FJC chapter, was a runner up in the statewide contest for Mr. Future Business Executive. Gladys Popp, an FJC student, was candidate for the Miss Future Business Executive contest.

FJC's voting delegates in the convention were Jo Ann Monfort and Ronald Owen, the chairman of the chapter's convention committee.

Junior college chapters of FBLA will be known as Phi Beta Lambda by action of the convention.

NEWLY ELECTED BOARD

The newly elected state board will meet in Fresno May 21. The voting delegates voted to hold next year's convention in Santa Barbara April 27 and 28.

Other FJC students at the convention were Ann McElwain, Josephine Quintana, Ruth Garcia, Theresa Mayberry, Ira Waller, Rosemary Taylor, Roland Lyon, Donald Conner, Carol Hill, Marlene Murphy, Barbara Dunston, Shirley Mc-

Mother Nature Pleads Mercy For Her Children

What do the students of FJC have against Mother Nature? Most of them say that they have nothing against her and that they are very fond of the dear ol' girl.

If this is the case, all of us could give her flowers a little more consideration and stop taking short cuts through the flower beds.

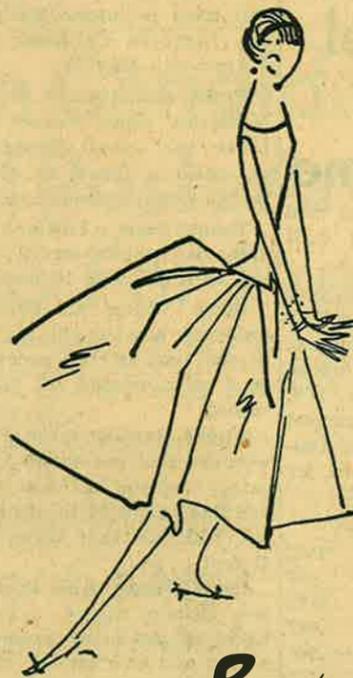

Women Students Donate Basket

The Associated Women Students delivered two large Easter baskets containing 25 smaller individual baskets to the children in the Fresno Nutritional Home April 6.

Carol Barsotti, AWS president, said the AWS cabinet placed the

basket in the women's gymnasium March 28, and coeds donated cookies, candy, and small toys.

The gifts in the Easter basket were delivered to the home by Miss Barsotti and Kay Bottasso.

FJC Track Team Will Travel To Salinas Saturday For Meet

A small but determined Fresno Junior College track team will travel to Salinas Saturday for the Hartnell Invitational Track Meet.

Two years ago, FJC won the meet and set seven records.

The conference meet will be held April 29 in Visalia this year.

Everyone who qualifies at this meet is automatically sent to the Northern California Meet in Sacramento May 7.

Frank Fiorentino, a San Joaquin Memorial High School product, broke the school record in shot put with a throw of 47 feet 10 inches several weeks ago.

Tommy Sano, a Fowler High graduate, also broke a record in the discus with 139 feet 10 inches.

Eddie Young, an Edison High graduate, has run the high hurdles in the time of 15.6 seconds. This is .1 of a second off the school record.

At the Reedley meet, Fiorentino won the shot put event. Fiorentino came in second in the discus event, and Sano came in third in the shot put with his best throw to date, 45 feet.

Louis Mazzeo, from Fresno High, and Delmar Moore, a Huntsville High of Arkansas product, both milers and two milers, have been improving with each meet.

FJC SPORTS

By MARVIN LUTZ

The Fresno Junior College Rams are really coming along in the diamond sport by winning two straight games last week. They beat the highly rated Coalinga team last Tuesday and upset the Fresno State JV's last Friday.

I hope they will continue by winning over the rest of the games on the schedule to come. The entire team should get a lot of praise for their improvement.

The team travels to Taft today for a league game. I hope to see a lot of you fans at our home games coming up. The Taft game is the last road trip for the baseballers.

The track squad has done a fine job so far this season for such a small number of competitors. Frank Fiorentino deserves a lot of credit for his performance in the shot put event. He won the event at Bakersfield a few weeks back with a toss of 47 feet 7½ inches and won at Porterville and Reedley with a toss of 45 feet and 47 feet respectively.

I hope Frank will break the record in future meets including the CCJCAA meet. Good luck to you, Frank.

Fresno JC Netters Travel To Taft For League Game

The Fresno Junior College netters will travel to Taft to meet the Cougars in their fourth league game.

The team will leave for Taft today at 11:30 a.m. The game will start at 3:30 p.m.

Dean Larsen, tennis coach, said the first four persons on the tennis ladder will play. He said the Taft team has a strong women's team but a weak men's team. Fresno lost its last game to COS by a 5-0 score.

Coach Larsen said games with Fresno State College, Fresno, and Roosevelt High Schools have been scheduled after today's match.

The standings include all games

Fresno State College, Fresno and up till today. A player's name will not appear in this column unless he has played at least two matches.

FJC Takes Two, Defeats Coalinga, Beats FSC JV's

One and one makes two. Yes, the FJC nine had pounded out two victories in a row before their 5-0 loss to College of the Sequoias Tuesday.

The first of these was a 7 to 5 win over the Coalinga Falcons April 12 where Jimmy Call pitched a brilliant game giving up only six hits.

Tony Fragus, our left field slugger, rapped out a home run and a triple in four trips to the plate. He drove in three runs and scored one.

The second of these two successive victories was over the Fresno State College junior varsity Friday.

The Rams chalked up a 12 to 9 victory over the highly rated Bull-pups.
