91 Make Grades For Honor Club

Ninety-one Fresno Junior College students have earned a place equivalent to that of the honor roll for their fall semester grades. The students are all eligible for membership in the Fresno Junior College chapter of Alpha Gamma Sigma.

Dr. Rolf Ordal, the adviser of the chapter, said that qualifications for membership include at least 45 grade points, a "B" average and no grade lower than "C" on the entire record of the student. Only full time students, those taking a minimum of 12 units per semester not counting physical education, are eligible.

Ordal said that invitations have been mailed to the eligible students. An initiation ceremony will be conducted by the chapter's officers Monday at 7:30 p.m. in the Ramble Inn. Those accepting the invitations must do so by Thursday noon when the chapter will meet in Room 117 in McLane Hall to complete plans for the ceremony.

The current officers of Alpha Gamma Sigma are Samuel Albanese, president; Olga Hernandez, vice-president; Genny Schellenberg, secretary, and Raymond Hamilton, treasurer.

Some of the students who qualified this past semester are already members but must earn membership for three semesters to be permanent members.

Those who qualified with their fall semester grades include James Adams, Vernon Alheim, Dorwin Anderson, Roy Anderson, Donald Ball, Stella Ballew, Kenneth Bennett, Marian Bitter, James Brennan, Mary Ann Buelow, Kiyo Butsumyo, Lucille Capelli, Bonita Clair, Don Coffman, Don Corbha, Gene Covey, Lu DeBenedetto, Willard Edmunds, Ben Eichman, Ruby Erickson, Paul Erskine, Charles Foley, Edith Forath, Eleanor Franco, Herlinda Gamez, John Graham, Norman Haire, Leo

Rams Will Try To Halt LACC Winning Streak At State Tournament Tonight

Fresno's rampaging Rams will get a third crack at the high flying Los Angeles City College quintet tonight in the state tournament at Fullerton when both teams meet at 10 p.m. in what promises to be the feature game of the night.

The Rams, the defending state champions, will try to halt the 35 game winning streak of LA City. The streak is the longest junior college winning string in basketball history.

Los Angeles has won the two tournaments it has entered and has defeated the Rams twice, once in the final game of the Sam Barry Memorial Tournament, 79 to 62, and the other time was in the Modesto Tourney, 85 to 76. The Rams, prior to that time, were the defending Modesto Tourney champions.

LACC Rated First

LACC, the Western Conference champions rated as the No. 1 JC team in the nation by the experts, is favored to conquer the Rams in the opening tilt of the tournament.

Fresno Coach Joe Kelly believes his team has a good chance of spilling the Western team and capturing the state tournament for the second consecutive year. Fresno last year swept through the state tournament undefeated.

The Rams have three big names in Gary Alcorn, Huey Davis, and Al Brown who Kelly hopes will come through with some deadly shooting against the Cubs of Los Angeles.

Shy 21 Points

Alcorn finished the regular season with 643 points in 29 games for a 22.2 game average. The big center was 21 points shy of last year's sensational Forward Odell Johnson's record of 664.

Davis, who returned from a two year stay in the armed forces, has unleashed his scoring ability in the tough games and Kelly hopes the flashy forward will come through again. Davis ended the regular season with 548 points in 30 games and had a 17.2 game average for conference play.

Brown, who formerly starred for the Edison High School Tigers, is another high scorer and is always working to steal the ball from his opposition.

Two Starting Guards

Kelly will round out his starting five with Ben Eichman and Polly Carver. Eichman is a product of Fresno High and was not on the starting five when the Rams were dumped by LACC. Eichman can dribble around his opponents and is very valuable when the Rams go into a freeze offense.

Rehearsals Slated For Talent Show

Rehearsals are being held for the Spring Talent Show which will be held in the Fresno Memorial Auditorium March 16 at 10 a.m.

Al Copus, chairman, said that the first big rehearsal will be held today at 3 p.m. in the gymnasium on the Fresno State

College Campus. He said that a dress rehearsal will be held in the Memorial Auditorium at 2 p.m. Wednesday.

Eleven clubs are to participate in the show. They include Red Key, Campus Activity Club, Intervarsity Christian Fellowship, Phi Beta Lambda, Associated Women Students, Associated Men Students, Latin-American, Newman Club, Rally Committee, and the freshmen class. Phi Theta Kappa and Alpha Gamma Sigma are combining efforts for their part of the show.

All clubs except the Rally Committee have turned in their King Cole contestants. They are Larry Anderson, Red Key; Al Brown, CAC; Bobby Watts, IVCF; Ray Palacios, Phi Beta Lambda; Ernie Clark, AWS; Moses Hernandez, AMS; Catalino Andrade, Latin-American; Nick Cornachia, Newman Club; Tom Williams, Phi Theta and Alpha Gamma Sigma, and Ruben Barrios, freshman class.

Lois Raybourn, King Cole chairman, said that she urges everyone to participate in the event by voting for their favorite candidate. Voting starts Monday.

Copus said that all clubs must be at the rehearsals or else they will be dropped from the show. Working with Copus are Miss Raybourn, Mary Lanotte, Dotti Rubald, Eleanor Franco, and Gene Francis.

Students Build Music Stands

Students in the machine shop, welding and mill cabinet classes combined their efforts and completed 24 of 150 planned music stands to be distributed in the new schools of the Fresno City Unified School District.

Most of the construction of the metal stands is done in Erret Smith's machine shop class but all the welding is done in Keith Emmert's class, and Merle Son's mill cabinet students are making the birch plywood music holders.

Robert P. Hansler, trade and industrial division chairman, said the project is providing practical experience for the students and is also allowing a large saving on the stands to the city schools' music departments.

Editor Clarifies Meaning Of Rampage Editorial

The Rampage printed an editorial last week about the College of the Sequoias student spirit in singing their alma mater at the FJC-COS basketball game. Since that time the staff has heard much criticism of the editorial.

It was not criticizing the Fresno fans for their local support in general, as that was great compared to what we have had in former semesters. The point that it was trying to get across was that we also should have sung our alma mater or at least remained seated until COS students had time to finish theirs.

A number of students have been working hard for the past few weeks in making posters and creating a more general interest in student body activities. These students should be congratulated.

I believe that most FJC students do not even know that we have an alma mater and the majority of those that do don't know the words to it. I suggest in the future that copies of the alma mater be mimeographed and passed out at the beginning of a game or an assembly.

If anyone in the future has any complaints about what the Rampage prints and what it does not print, a letter with the writer's signature, which will be withheld if the writer requests, will certainly be printed.

Letters should be submitted to the editor in A3 on the state campus.

Students Plan Porterville Trip

Plans have been completed for the Central California Junior College Student Government Association Convention in Porterville Saturday.

A Fresno JC group composed of 25 students and three faculty members and administrators is scheduled to leave by bus at 7:30 a.m. The bus will leave from the main campus.

Joe King, the adviser to the student government workshop, said that all those who plan to make the trip be on campus and ready to leave at 7:30 sharp. He also said that they should be back in Fresno at approximately 6:00 p.m.

Bookstore Manager Says Changes In Texts Are Far More Than Usual

W. A. Anderson, manager of the Fresno Junior College's bookstores, said that there have been 20 changes in texts this year, far more than the usual number.

He said the used books are bought at up to 50 per cent of their original cost and that he will order any book that is requested. Also, this is a non-profit organization and all profits go to the student body. He said that books are priced by book companies and purchased wholesale by the book store for the students' benefit.

Staff Members Attend Meeting On UC Campus

Four members of the Rampage staff, with their advisor, Philip D. Smith, traveled to Berkeley Saturday to attend the northern and central section meeting of the California Association of Junior Colleges.

The meeting was held on the University of California campus.

Those attending were Al Copus, editor; Eleanor Franco, business manager; Cecil Tange, copy editor; Patti Ford, news editor.

Miss Franco was elected secretary-treasurer of the central section.

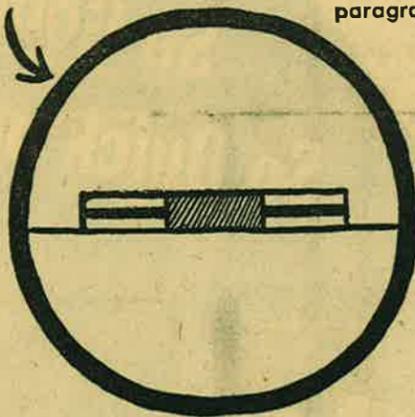

Copus was one of four junior college editors to serve on a panel moderated by Lester Carpeter, editor of the Daily Californian. Topic of the discussion was "What to Do About Censorship."

Dr. Paul Sheehan, chairman of the journalism department at Fresno State College, also attended the conference. He participated in a discussion of transfer problems with other California university and college officials. At a student meeting on the editorial page, Dr. Sheehan also served as a consultant.

FSC Hurler Steals Home To Nip FJC

The FJC baseball nine was edged by the Fresno State College JV's February 29 when Pitcher Art Browning won his own game by stealing home in the last half of the ninth inning. The score at that time was 9-9.

Larry Kaprielian, Larry Garcia, Larry Keller, Floyd Linderman, and Don Rossi each had two hits. Kaprielian and Linderman hit a home run for Fresno.

Friday night the Rams opened the Central California Junior College Association in Coalinga and lack of hitting caused defeat for the Rams as they bowed to the Falcons 5-4. Playing under the lights for the first time might of effected the Fresno hitters.

Martin Triples

Dorman Martin's booming triple in the sixth inning deadlocked the game at four all. The Falcons pushed across the winning run in the seventh frame when Rightfielder Doug Burton tripled and scored on a single by Bobby Lee. The Rams collected only four hits as compared to seven by the Falcons.

Clare Slaughter's baseballers Saturday split a double header at Bakersfield with the Renegades, winning the first game 11-1 and dropping the second 4-3.

In the first game Larry Keller limited the Renegades to three hits and struck out four batters.

Fall To Hit

The Rams failed to hit in the second game and were on the short end of the 4-3 score. Fresno could only garner four safties off Bakersfield's four hurlers.

The Rams, after three games with the Fresno State JV's, finally drubbed them 7-3 on the Romain diamond last Monday.

Coach Thinks Trackmen Look Good

Track season for Fresno Junior College is well on its way and Coach Hans Wiedenhofer believes he has the best prospects in many years.

"We have excellent performers, especially what looks to be the greatest miler in Fresno Junior College since Fred Gamino," stated Wiedenhofer.

The Ram mentor was referring to his outstanding miler, John Foreman, the ex-Roosevelt High School star distance runner.

Looks Good

"Foreman looks like he could break the school record in the mile, two mile, half mile and possibly the conference mark," said the coach.

Weidenhofer will have two strong sprinters in J. C. White and Fred Ruffin. Wiedenhofer will use both men in the 100 and in the 220 dashes and possibly one in the 440.

Other sprinters who will help FJC are Joel Smith and Ronald Winter. Distance runners that should gather points for FJC are Mylum Kelly, John Grosvenor, Alvin Hicks, John Derby, Gary Stockton and Al Brown.

Weak In Field Events

Weidenhofer's team will be weak in the field events except in the shot. John Aldredge, J. C. White and Tom Sano are all working hard at the iron ball and look very promising.

In the discus Sano and Manuel Chavez have looked good in practice. Baker and Smith will handle the pole vault. Baker cleared 12 feet in high school.

Fresno will be lacking depth in the high hurdles, broad jump, and the quarter mile.

Rams Face Sac Club, COS Giants

A busy weekend is in store for the Fresno Junior College Rams as they meet Sacramento Junior College nine in a single game tomorrow and a double header Saturday. The Rams meet the powerful College of Sequoias Tuesday. All games will be played at Romain Playground.

The COS game will be the second Central California Junior College Association encounter for the Rams.

Ram Coach Clare Slaughter is contemplating shifting leftfielder Larry Kaprielian behind the plate and inserting Bob Wagner or John Misakian in Kaprielian's old spot in order to get more punch in the lineup.

The lineup for the Sacramento game will probably be: Kaprielian, catcher; Kalem Barsarian or Ruben Barrios, first base; Larry Garcia, second base; Don Birkle, third base; Dorman Martin, shortstop; Misakian or Wagner, leftfield; Larry Keller, centerfield; and Floyd Linderman, rightfield. Slaughter has not decided on his pitching choice.

RAMS SQUAD—The 1956 Rams baseball squad are, left to right, front row: Larry Keller, Larry Garcia, Dorman Martin, Larry Kaprielian, Dick Kelton, Don Rossi, Fred Garcia, Elton Willis, manager. Second row: John Misakian, Pat Foley, Ruben Barrios, Bob Wagner, Floyd Linderman, John Troxel, Ed Astone, Jim Call, and Coach Clare Slaughter.
