Students Enter In Teacher For A Day Program

Several FJC students took part in the "Teacher For a Day" program as part of Fresno's Public Schools Week. The event was held April 26.

All of the students representing Fresno JC reported a very enjoyable and educational day as they participated in the program.

Stella Lindly supervised a reading period for a sixth grade group and also helped with arithmetic and spelling at Jefferson Grade School under the guidance of Marvin W. Golden. Mrs. Lindley was very enthusiastic about the program in general and reported that she would like very much to teach the sixth grade in the future.

Laura Lewis, an education major, participated in the elementary training program at Holman Grammar School in West Fresno. In working with the fourth and fifth grades, Mrs. Lewis was also very pleased with the program. She spent part of her time working with a reading group and correcting English and arithmetic papers. Also included in the day's schedule was a lunch in the teachers' dining room.

Mrs. Lewis commented very favorably on the orderliness of the classroom and the students. She stated that it was the best class she had ever observed. She also had praise for the teacher, Mrs. Lucile W. Herbert.

Other Fresno Junior College students who participated in the annual elementary training program were Betty Baba, Ruby Ericson, Stella Ballew, Dorothy Edgemon, Mary Reiber, Walter Terrio, Viola Web, Waneta Jantz, and Jo Ann Wilson.

Students Are Attacked For Not Participating

We, as students, finally got what we asked for, or at least what we deserved—one student running for each of the student body offices.

How many governmental minds do we have in this school that will be back next fall? The answer is easy—nine!!

At the recent nomination assembly, there were nine students nominated for student body officers. The list is one for president, vice president, secretary and treasurer, and five for representatives at large, with six positions to be filled for this office.

"That's OK with me," is the general opinion given by most FJC students. But it is not OK with the Rampage staff. The staff in the past has, and will continue to do so in the future, been trying to promote better student government, activities, and participation in such events. Only last week an editorial was written to the fact that more students were needed to run for student council officers. What was the reply? Two people, and only two, were nominated from the floor of the assembly.

What have we got in this school—a bunch of grammar school kids who need to be led around by the hand and begged into running for school office? Even if this was true, it might be too lenient to call some FJC students grammar school kids.

The idea of the nomination assembly was to give students a chance to run for student body offices if they had failed to file or turn in their application blanks. However, only a handful of students attended the assembly. Each time that FJC uses the Memorial Auditorium it costs the Fresno City Unified School District money to rent the building and to pay for men to run the public address system, curtains, and lights.

When are we going to wake up and act like adults and participate in student body activities! Only at the time when we do, will we have a government which everyone participates in and have a government which represents all FJC students.

Seven Resolutions Accepted At Government Meeting

(Continued from Page 1)
conferences of the organization. The vote was 52 for, four against, and three abstaining.

Finance Workshop

The workshop for finance over \$25,000 proposed that whereas, the State Junior College Administrator's Association has set up a special committee to investigate more fully the implications of Meyers Assembly Bill No. 3473, relation to mandatory student body cards, that this committee be requested to submit a report of its finding to each regional conference for further study and that this report be placed on the finance workshop agenda of each regional conference. The resolution passed 55 for, one against, with three abstaining.

Three resolutions were proposed by the student government workshop. The first was that state officers as defined in Article II, Section I of the CJCSGA Constitution

shall not be counted as part of a delegation. The second was that student delegates are to be chosen from those students still in attendance at the college which they are to represent. Both passed unanimously.

Third Resolution

The third resolution was that a committee be set up to create a section of by-laws to the constitution and report its findings to the general assembly of the organization at its 22nd biannual conference in the fall in Sacramento. The resolution was postponed indefinitely.

Several recommendations were brought up at the assembly, and all were accepted. The spring meeting of 1957 was set for Los Angeles.

Students representing Fresno JC were Rochelle Harford, Olga Hernandez, Al Copus, Gene Francis, and Stan Tusan. Joseph King, an FJC student council adviser, accompanied the group.

Fresno Lions Club Honors Soderstrom

Paul Soderstrom, typing instructor in the business division of FJC, was one of four teachers in the Fresno city school system to be honored by the Fresno Lions Club during Public Schools Week.

The other three teachers were Mrs. Margaret Horton, Morris E. Dailey School; Michael Thayer, Fresno High School; and Ayleen Wash, Long-fellow Junior High School.

Dr. Irwin O. Addicott, executive dean of the Fresno State College, on behalf of the Fresno Lions Club, presented each instructor with a plaque during a luncheon meeting in the California Hotel.

These four teachers were selected by the Fresno Teachers Association headed by Paul L. R. Mueller, chairman of the FJC English department, as representative of the outstanding instructors in the city system. This is the fourth year the Lions Club has so honored Fresno teachers.

Soderstrom has for many years served as treasurer of the Fresno County Teachers Credit Union.

Majority Think War Will Come In Middle East

By JOGINDER S. BHOSE

Majority of the FJC students interviewed by Rampage roving reporter think there will be a war in the Middle East, but not a world wide conflict. Their answers were to the question, "Do you think that the Middle-East crisis will have any effect on world peace?"

Olga Hernandez, a sophomore business education major and student body vice president, said, "I definitely think there will be a war, and it will have economic effects on the world. Since we can not remain isolated, we must cooperate in solving the problem."

think that efforts of U.N. Secretary General Dag Hammarskjold will be decisive in maintaining peace."

Jackson Carty, Fresno Junior College librarian on the State campus, said, "We do not know all the inside facts about the Middle East crisis, but personally I do not think there is any danger of a major war."

Tom Garner, a sophomore majoring in radio and television, said, "I think this Middle East situation is very unfortunate. If there is a war I believe in letting people and nations fight their own wars unless it directly affects us."

Wesley G. Anderson, manager of the Fresno Junior College bookstore, said, "There will probably be some fighting but not a world war. Although the Arab nations are very strong, I think that the allies will put a stop to any major conflict."

Carolyn Tarin, freshman from Clovis High, and a business and fashions major, said, "I do think there will be war and Israel will probably lose, which would mean another economic gain for the communist bloc."

Dr. Rolf Ordal, Fresno Junior College political science and history professor, said, "I do not think the Middle East tension will lead to war between Israel and Egypt in the next few months. I

IVCF Plans Cookie Sale

Velora Reimer, the Inter Varsity president, said that the club will have a cookie sale May 4 on both campuses. A contest will be held between the two campuses to see which one sells the most cookies. The losers will serve at a picnic which will be held May 18 at Millerton Lake.

RED KEY

Bobbie Burton, Red Key president, said that the club members will choose this semester's service award winners at a meeting May 8. The pins will be given at the installation assembly May 23.

Miss Burton also said that there will be an election May 22 to elect new officers for next semester.

NEWMAN CLUB

Four members from the Fresno Junior College Newman Club will attend a convention in Long Beach May 4, 5, and 6.

Pat Foley, president, said that the activities will include a party on the Pike and a mixer dance to be held in the St. John's Church.

FJC students who are going to the convention are Delores Critz, Foley, Lu DeBenedetto, and Theresa Barile.

CAMPUS ACTIVITY

Morris McClay, Campus Activity president, said that the club will hold a picnic at Millerton Lake May 24 from 3:30 to 8 P.M.

Mary Huffman is in charge of the committee.

Should Consult Dean

Students interested in organizing new interest groups and becoming acquainted with students of similar interests are invited to consult with the dean of students.

King To Attend Statewide Contest

Joseph W. King, FJC speech instructor, will travel to San Luis Obispo Friday to help judge the finals of the annual statewide parliamentary procedure contest of the California Association of the Future Farmers of America at the California State Polytechnic College.

Out of the eight teams contesting, there will be two from the San Joaquin Valley. Hanford and McFarland High School won first and second place respectively in the semifinals for the Valley in Visalia April 24.

Some members of King's parliamentary procedure class attended the Visalia contest.

Fishy Motto Adopted

Even a fish wouldn't get in trouble, if he kept his mouth shut was the motto adopted by the student council at its Tuesday meeting for the remainder of the semester.

The motto was brought back in the form of a joke by the five delegates to the state government meeting on Catalina Island.

Rams Win Two From Bulldogs

Huey Davis laid a beautiful bunt down the first base line to score Larry Kaprielian in the 15th inning and gave the Fresno Rams a 9-8 win over Allan Hancock of Santa Maria in the second game of Monday's double header played on the Romain diamond.

Fresno also won the first game 6-2. It is the first time the Rams have won a double header this season.

In the first game Fresno collected nine hits and six runs off Larry Pinales, Hancock's starting hurler. Larry Keller, who doubles as a pitcher and outfielder, went the distance in the first game.

Keller also was credited with the win the second game when he went in for John Troxel in the late innings. Keller has not been beaten in league play.

Fresno suffered a blow in the seventh inning of the second game when leftfielder Dick Kelton was hurt while sliding into third base after hitting a booming triple over the centerfielder's reach. Kelton was taken to the Fresno Community Hospital for treatment.

Fresno and Hancock were deadlocked seven all at the end of regular time and went six more innings to break the tie. Larry Kaprielian led off with a walk, Milt Wallace beat out a bunt for a single, and Bob Wagner grounded out to the third baseman.

The third sacker attempted a play at third on Wagner's hard drive, but he missed the bag and Kaprielian was safe at third. Davis then executed his perfect squeeze play and the game went to Fresno.

Fresno Junior College placed second with 49, followed by Porterville 18, Reedley 9 4/5, Coalinga 7 and Taft 2.

Holt set the only association record when he ran the 880 in 2:00.4.

Fresno's sprinter Fred Ruffin was the only double winner, taking the century in 10 flat and the 220 in 22.4.

Fresno JC Netters Will Compete

The Fresno JC tennis team will compete in the Central California Junior College Association tennis tournament in Coalinga Saturday.

Five junior colleges will be represented. They are Porterville, Fresno, Reedley, College of the

Sequoias, Coalinga, and Taft.

The Fresno netters had very little trouble in their last match in dumping Taft College, 5-0, on April 25.

This is the second year that Fresno JC has had a tennis team.

FJC Adds New Sports To Agenda

Fresno Junior College will add at least two and possibly three new sports to its intercollegiate competition agenda next year—wrestling, golf, and possibly swimming.

"The idea is to expand our athletic program so that more students can compete and represent the school," said Paul Starr, dean of men.

Starr went on to say that as yet no schedule has been set up for golf or wrestling teams, but that it would probably be drawn up in the October meeting of the Central California Junior College members.

Fresno would belong to the CCJCA conference.

It has been set up so that wrestling will follow football and will be going on about the same time as basketball. Golf will be a spring sport.

Hans Wiedenhoefer, head football and track coach, will be the wrestling coach, and either Wiedenhoefer, Dick Handley, or Starr will handle golf.

Rams Play Porterville Tomorrow

The second place Fresno Junior College Rams will take on the Porterville Pirates on the Romain diamond tomorrow at 3 PM.

The Rams hold an 8 win 2 loss record in the Central California Junior College Association and are resting in second place in the standings.

The Rams have been plagued by injuries this year, first losing Fred Garcia, their ace hurler, then his brother Larry. Larry was one of Coach Clare Slaughter's hardest hitters, and Monday outfielder-catcher Dick Kelton was injured sliding into third in the Hancock game. Kelton was taken to the Fresno Community Hospital and will be lost to the Rams for an indefinite time.

Slaughter's probable starting lineup for Reedley will be Ed Astone, catcher; Kalem Barsarian, first base; Milt Wallace, second base; Don Birkle, third base; Dorman Martin, shortstop; Huey Davis, right field; Larry Keller, center field; and Larry Kaprielian, left field.
