## 88 Eligible For School, National Honor Societies

Lists naming students eligible for Alpha Gamma Sigma and Phi Theta Kappa have been compiled by the office of admissions and records, the admissions office announced recently.

The two lists are FJC's unofficial honor roll for each semester. Eighty-eight students are qualified to join Alpha Gamma Sigma, and 50 of the 88 are eligible for Phi Theta Kappa.

Alpha Gamma Sigma is the California Junior College Scholastic honor fraternity. Phi Theta Kappa is the national junior college honor fraternity. Both fraternities require an average of a B for the semester in order for a student to be eligible for membership.

### Requirements Listed

Requirements for membership in Alpha Gamma Sigma are, that the student carried 12 units or more (excluding P.E.), earned 42 grade points or more (excluding P.E.), had a grade point ratio of 3.0 for the semester (exclusive of P.E.) and had no grade lower than C on entire college record. The requirements for membership in Phi Theta Kappa are that the student have at least 15 units and a total B average.

This is the highest number of honor rollees that have ever qualified from FJC.

Officers of the two honorary fraternities will send invitations of membership to the eligible students.

### Grade Point Basis

Grade points are computed on the basis of four points for each unit of A, three points for each unit of B, two for each unit of C, and one point for each unit of D.

The students who qualified for Phi Theta Kappa are:

## Breakfast Held By Newman Club

Members of the Newman Club of Fresno Junior College held a Communion Breakfast at St. John's Cathedral last Sunday, announced Marilyn Snyder, president.

The breakfast was served at Herb and Dode's Hut, afterward the members went bowling.

## FJC, FSC Students To Get Polio Shots

In a combined drive to give everyone under 40 years of age Salk polio vaccinations before summer, students at Fresno Junior College and Fresno State College will be afforded the opportunity of receiving free shots beginning Mar. 27.

The movement to get students in the two colleges vaccinated, will begin on the FSC Shaw Ave. campus on Wed., Mar. 27 and Wed., Apr. 24 in the cafeteria conference rooms. At FJC, the clinic will run on Thursday, Mar. 28 and Thursday, Apr. 25. The FJC clinic will be held in the second floor lounge of the student union.

## Deadline To Enter Show Is Today

Today is the deadline for entering competition in the interclub talent show to be held Mar. 22 in the Fresno State College auditorium, stated Harold Nielsen, chairman of the talent show.

All acts are to be ready by Mar. 15, as rehearsals are scheduled for Mar. 19 at 2:30 PM and Mar. 21 at 7 PM in the auditorium.

Each campus organization has one representative in inter-club council. There are 13 active clubs on campus, but at present 11 of them are represented.

Members of the council include Nielsen, chairman; Rodney Hill, vice-chairman and Alpha Gamma Sigma representative; Sandy Hicks, secretary; Angie Caldera, freshman class; Yolanda Marquez, Latin American Club; Lillian Monno, Newman Club; Jo Ann Wilson, California Student Teachers; Ann Mowrey, Inter-Varsity Christian Fellowship; Frankie White, Associated Women Students; Muriel Maxwell, Phi Beta Lambda; Georgia Morse, Red Key; Chuck Leavitt, Associated Men Students; and Margaret Giannopoulos, Future Nurses Club.

## 23 Attend AMS, AWS Installation

Twenty-three persons were in attendance at the recent spring installation ceremony of Associated Women Students and Associated Men Students, staged in the Murietta Room of the Hacienda Motel recently.

Mrs. Hazel Pedersen, Mrs. Kay Seagraves, and Jackson Carty, sponsors of the organization, and officers and guests were present.

Mrs. Pedersen expressed her appreciation for having the opportunity to participate in the eventful affair of the year.

Mrs. Seagraves voiced her pleasure at witnessing the smooth success of the evening's activities, and complimented the officers on all their fine accomplishments of the year.

Officers attending were: Frankie White, Marilyn Snyder, Pat Pryce, Mary Lanotte, Shirlene Summers, Barbara Fragus, Yolanda Marquez, Jovita Huerta, Charles Leavitt, Muriel Maxwell, Al Brown, Gordon Smith, Tony Najera, Adolph Mendozza, and Ray Palacios.

In the briefest of official meetings the AWS and AMS discussed possibilities of co-sponsoring the spring dance in May, which AMS has been planning. A vote followed the discussion, in which it was unanimously decided to do so.

Dr. Edna Winter, the FSC director of health services, is organizing the two clinics, assisted by Mrs. Anne Gabel, FJC school nurse, and Dr. Earl Coleman, a retired FSC director of health services.

### No Reactions

Dr. Winter stated there are no reactions to the polio shots such as sore arms. She said, however, that science has no way of knowing the length of immunity to the disease following the shot.

The students and family members who receive the two vaccinations will be given a wallet size card telling them when they should have the third "booster" vaccination, which normally comes seven to 12 months after the second one. They will have to pay for the third vaccination, although students under 19 can receive theirs free at the Fresno County Hospital's clinic.

Members of the Fresno County Medical Society are volunteering their services in the immunization program throughout the county. They are also making the vaccine available to their private patients at a minimum fee of \$3.

The FJC and FSC clinics are being organized so the doctors can give three vaccinations per minute.

### No Deaths

Dr. Winter said the vaccine is safe and gives protection. No deaths caused by polio after three shots have been known to have occurred. The State of California has never had a death attributed to polio after the person had received the third shot. She said that if the state were not conducting this program, there would be between 1,000 and 2,000 cases of polio in the state by summer.

The highest incidence of polio is now in the junior college and college age group since most of the younger children have already been vaccinated. She added that 65 per cent of those under 20 in the county have been vaccinated, but only 2 per cent of those over 20.

Experiences with the Salk vaccine show that about 80 to 83 per cent of those who have had two shots are protected. The third provides about 100 per cent protection.

## Students Can't Afford To Miss Free Polio Shots

An opportunity that Fresno Junior College students can not afford to pass up comes their way later this month, when free Salk polio vaccinations will be given.

Students of Fresno State College and FJC will be afforded the chance of receiving these shots during a drive beginning Mar. 27.

The clinic will run on the FJC campus on Mar. 28 and Thursday, April 25. The FSC clinic will run on Wednesday, Mar. 27, and Thursday, April 24.

Dr. Edna Winter, the FSC director of health services, is organizing the two clinics, assisted by Mrs. Anne Gabel, FJC school nurse, and Dr. Earl Coleman, a retired FSC director of health services.

The Rampage urges all students to take this opportunity provided them, and to be sure and get the polio shots.

## Gentry Running For Offices; Not Elected As Reported

In last week's Rampage we wrongly stated in a page one headline that Richard Gentry of Fresno Junior College was elected president of the California State Future Business Leaders of America.

The Rampage should have said that Gentry was nominated for the office along with other candidates from other regions in the state. We would like to take this opportunity to apologize to Gentry, the FJC chapter of the FBLA, and the state chapter.

We hope that we have not caused any embarrassment to any of the people or organizations named above.

To Gentry, we wish luck in his quest of the presidency, and we sincerely hope that we can use the erroneous headline in its rightful place.

### Platter Chatter

More college students are beginning to understand and appreciate good progressive jazz because of some of the top musicians that have come to Fresno, such as Stan Kenton, Cal Tjadder, Dave Brubeck, Hampton Hawes, Conti Con-doli, the Hi Lo's, and Milt Bernhart. All are West Coast jazz artists.

According to the latest information from the record stores, Shelly Manne and Andre Previn's "My Fair Lady" album is the top selling record. For those people who like bongo records, one of the best albums out is Candido.

Calypso can not go unmentioned for it is the latest craze in music today. The most popular Calypso album is the latest one out by Harry Belafonte.

### Fads 'n' Fashions

The Ivy League look, as you all know, is seen in shirts, blouses, skirts, and slacks on the campus; but have you seen the very latest Ivy League look on shoes? Some of the new bermuda shoes that are now on the market have the Ivy League buckle on the back of the shoes. Cute idea!

Also seen here and there around the campus are the Ivy League sports caps. They come in various shades of colors and prints and look very casual on a person driving a low sports car.

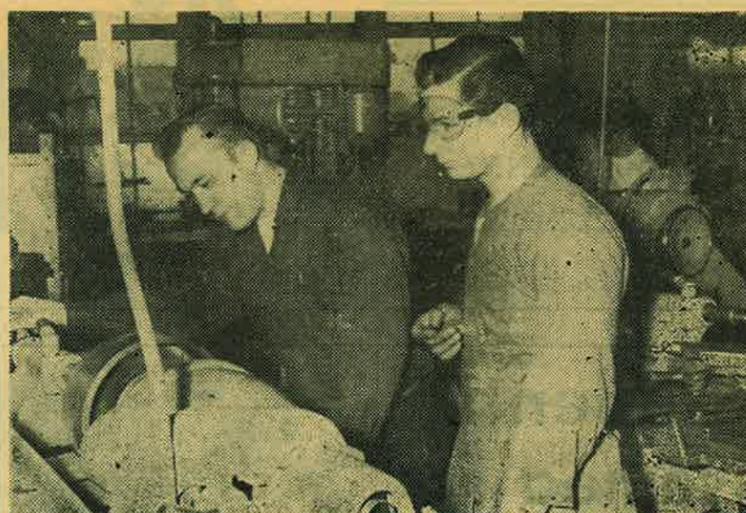

### Reminiscing

Soon spring will be here and Ole Sol will be melting the snow on the slopes. Skiing will give way to other favorite outdoor sports such as tennis, golf, swimming and water skiing.

### Oddities

Did you know that according to the best known gourmets and epicures, french-fried baby bees, grasshoppers, worms, snails, and diamond-back rattlesnake are delicacies served in hors d'oeuvres?

If you think a tomato is a vegetable, you are wrong. Botanically it is a berry. It was once known long ago as a love apple.

## Industrial Shops Training Record Number Of Students

The Fresno Junior College industrial shops located on the "O" St. campus are now engaged in the training of more technical and industrial students than ever before in the history of the junior college.

The purpose of the technical and industrial training is to establish a vocation for students who are interested in the various industrial trades.

Erret Smith, instructor of the machine shop, is daily instructing the students in how to use the metal lathes to turn a piece of metal from a mere idea into a reality.

Some of the metal shop achievements are belt pulleys, odd size threaded bolts, steel shafts, and driving bars.

The junior college has made great strides to improve the conditions of its industrial trade shops. One of its achievements is the industrial shop located near the Edison High School Campus.

In general, FJC is said to have the finest industrial trade school in the entire San Joaquin Valley.

The industrial program of FJC is aided by the government, using its funds to help train tomorrow's future leaders in the industrial field.

## FJC Project Seeks Status For Schools

The State Department of Education's junior college project to give the institutions a more professional status moved into its final stages at a two day meeting last Thursday and Friday in the Fresno Hacienda Motel.

FJC President Stuart White, Paul Starr, the dean of men, and Mrs. Hazel Pedersen, health co-ordinator, were among the hosts. Other hosts were Vernon Warkentin of the Reedley College and Gil Bishop and Georgini Bihlmar of the Bakersfield College.

### Map Plans

Plans were mapped last Friday evening for the final meetings April 12 in Long Beach, Nov. 22 in Sacramento and Dec. 6 in Fullerton.

Louis Means, of the department's bureau of health, education, physical education and the study co-ordinator, said the purpose of the project is to strengthen the junior college movement, upgrade it and give it more stability.

The committees that met were on curriculum instruction and physical education, intercollegiate athletics and health education.

### Eliminate Weaknesses

"These committees have been trying to get rid of some of the weaknesses in intercollegiate sports, to strengthen policies, eliminate undesirable subsidies and arrange more sensibiles," Means said.

Included in the study are 62 junior colleges. At the Long Beach meeting 300 staff members from the junior colleges and 40 four year colleges and universities in the state will meet to make recommendations.

## TWIRP WEEK SET FOR MAR. 13-15

The Freshman class sponsored Twirp Week will run from Mar. 13-15, recently announced Harold Nielsen, president of the frosh class.

During the three day stint there will be a slave sale, a dance, and a beard growing contest, as well as other events.

## Rampage Welcomes Letters To The Editor

The Rampage, the Fresno Junior College newspaper, will welcome any Letters to the Editor, from students who wish to comment on anything happening on campus, Mike Hartman, editor, announced today.

The letters should be addressed to the editor, and brought in to the Rampage office in A-3 of the University Ave. campus. They may be left on the editor's desk or pinned on the bulletin board.

## KHS Nurses Club Tours JC Campus

The Fresno Junior College was visited by approximately 20 members of the Kerman Union High School Future Nurses' Club last week on Tuesday afternoon.

They attended the vocational nursing classes at FJC's O Street campus and visited the Fresno County General Hospital. The students conferred with the junior college vocational nursing instructors, who explained the different types of nursing which the students might enter after sufficient preparation.

Mrs. Lois Breckenridge, the high school's dean of girls, accompanied the Kerman students to the FJC campus.

Mrs. Mildred Bosteder, Mrs. Matilda Gassman and Mrs. Josephine Hostetler, three FJC vocational nursing instructors, escorted the visiting students at both the junior college and the hospital.

## FSC Art Department Will Sponsor Showing Of Picasso's Life On Film

The Fresno State College Art Department will sponsor a 50 minute color film about Picasso, next Thursday, March 7. There will be two showings, at 4:15 PM in Room 101 of the auditorium of the Industrial Arts Building, and at 7 PM in the student union social hall on the University Ave. campus.

The film is an autobiography of

Pablo Picasso, depicting his manner of living, his personality, and showing 477 of his paintings. The film will also trace his career from 1896 to the present time.

The director is Luciano Emmer, and Roman Vlad was in charge of the Flamenco score.

## Move, Expansion In Planning Stage For FJC Bookstore

Wesley Anderson, manager of the bookstore on the University Ave. and "O" St. campuses, stated recently that plans are now under consideration for expanding and moving the bookstore to a new location.

The new store, while still in the planning stage, is to be installed in the student union. The new store, slated to open next September, will feature a new line of merchandise along with school books, supplies, candy and cigarettes. The new store will be modern with self service and new fixtures.

Meanwhile, our present book store is open at 7:15 AM to 4 PM daily, and for extended day students it is opened at 6:45 PM to 8:45 PM Monday through Thursday. The "O" St. campus book store is open from 11 AM to 1 PM daily, and 6:45 PM to 8:45 PM Monday through Thursday evenings.

Others employed by the book store besides Anderson are: Mrs. Leona DeBerry, Ruby Erickson, JoAnn Wilson, Larry Anderson and Tony Najera. The latter two work at the "O" St. campus.

# Burcher Notches Win Over Coalinga, 5-1

The Rambling Ram nine of Fresno Junior College began their quest of the Central California Junior College Association flag Tuesday afternoon on the Romain diamond with a solid 5-1 victory over the Coalinga Falcons, the defending champs. Fresno chucker Jerry Burcher handcuffed the Falcons with five hits in going the route for Fresno.

## Coach Hustles JC Ram Nine Through Drills

Coach Clare Slaughter, former football, basketball, and baseball letterman at the College of the Pacific in Stockton, is currently hustling his Ram baseballers through their daily drills on the Romain diamond.

Slaughter, who stands well over six feet and weighs 225 pounds, served as assistant football coach during the past two seasons. In his second year as baseball coach at FJC, Slaughter formerly coached football, basketball, baseball, and track at Galt High near Sacramento. As if this was not enough, the burly mentor also served the northern prep school as coach of the C and D class cage squad during the football season. "All this during the football season was enough to keep me hustling," remarked Slaughter.

Sanger High was Slaughter's next employee and it was while at Sanger that he led his teams to two valley championships in football and one in baseball.

When asked by this writer to pick the most outstanding thing which an athlete gains from competitive sports, he answered, "Of course there are a great number of things, but the most important, I feel, is a desire on the part of the athlete to do three things: A desire to be a good team member, a desire to be a good representative of the school, and a desire to bring credit to his parents."

With two away in the second inning, Don Ferguson singled to left field, Ray Lujan followed with a Texas leaguer to left center and Jim Richmond drew a base on balls. Burcher on a 3-2 pitch worked the Falcon chucker, Orvill Motley, for a walk to force in Ferguson for the Ram's first tally. Stan Bush greeted the new Falcon chucker, Leroy Gregory, with a smash single to center. Lujan scored and Richmond was thrown out at home to end the inning.

Fresno cut loose in the fifth inning to score one run. Bush made first on an error by the pitcher. Phil Bertelsen laid a bunt down the third base line, Bush took off for second and wound up at third on the first baseman's overthrow. Clyde Reed popped a fly into center allowing Bush to tag up and score the Rams third run.

Coalinga managed to put together three singles and an infield error to score their lone tally in the seventh.

The Rams added two insurance tallies in the eighth to ice the game.

Ferguson gained life on a grounder to the shortstop who bobbled the ball. Ferguson made second base where Richmond promptly brought him home on a single to right. Burcher hit a sharp grounder to the third baseman who dropped the ball and Burcher was safe. Bush drew a base on balls to jam the bases. Bertelsen tapped a soft grounder to the Falcon hurler who muffed the ball allowing Richmond to score the Ram's final run.

Coach Clair Slaughter and his baseballers will be in Sacramento tomorrow and Saturday for a three game series with the Capital City JC club. Dan Spino, Jim Richmond and Ray Lujan will share the pitching chores.

## Rams End Season As Runnersup

Although the 1956-57 Ram cage squad failed to win the Central California Junior College Athletic Association crown for the first time in three years, Coach Joe Kelly's team did gain the distinction of putting a halt to the 41-game winning streak of the champion Allan Hancock College Bulldogs, the top JC basketball team in the country.

Warren Schmidt, six-foot four-inch freshman, established a new school scoring record for one season of 697 points and a new single game mark of 48, breaking the old marks held by Odell Johnson and Huey Davis, respectively.

The Rams opened CCJCA league play by dropping a close 75 to 67 contest to the College of Sequoia Giants.

Fresno traveled to Reedley and came home with a 55 to 51 win as Schmidt hit for 22 and Brown for 16 to lead the Ram scoring.

The Taft College Cougars came to Fresno and absorbed a 81 to 69 shellacking at the hands of the locals.

Kelly took his cagers to Santa Maria for the first encounter with the Hancock Bulldogs and the Rams dropped a 71 to 58 contest.

At Porterville, the Rams were nipped by the Pirates in an exciting 74 to 74 contest, marred by a controversy over the timer's clock.

On Jan. 26, Schmidt enjoyed the finest night of his career as he paced the Rams to a 98-77 win over the Coalinga JC Falcons.

At Visalia the following week Al Brown and Schmidt paced the Ram scorers as the Kelly men scored a 67-61 victory over the COS team.

In Taft the Rams outscored the Cougars 48 to 42 as Brown hit 24 and Schmidt 16.

The Rams, playing ball control with a passion, dropped the Allan Hancock Bulldogs by a 66-59 score.

With Schmidt racking up 37 points and Eichman 22, the Rams drubbed the Porterville Pirates on the Yosemite hardwoods by the largest score of the entire campaign, 104-77.

Coalinga defeated the Rams in the final CCJCAA tilt in Coalinga by a 74-67 margin.

Coach and Mrs. Joe Kelly entertained the entire Ram cage squad at a dinner last Saturday night at the Kellys' home. Mrs. Ruth Buchanan assisted the hostess in serving. Those attending included basketball players Brown, Schmidt, Gambrill, Eichman, Ernie Clark, Stan Bush, Conner Sutton and Marty Olson, assistant coach John "The Whip" Toomasian, and trainer Del Speaks.

## Bakersfield Drops Rams On 10th Inning Rally, 9-6

The Fresno Junior College Ram nine let down its defenses last Saturday afternoon, allowing the Bakersfield Renegades to score a 10th inning, 9-6 victory on the Fresno High diamond.

The big inning for Fresno came in the third. Walks to Phil Bertelsen, Jim Rehm, and Ray Lujan started things off for the Rams.

Bertelsen was out on an attempted steal at third. Stan Bush singled to load the bases. A walk to Don Ferguson forced in Rehm. Clyde Reed went down swinging and Larry Keller drew a base on balls to score Lujan. Cloyce Keeney stepped to bat and belted a long double to right center scoring two more and ending the scoring in the third.

Keller came through with the hit of the day by blasting a home run into right center with no one on in the sixth.

The 10th inning found the Renegades pushing across three runs on wildness by the Ram hurlers and an error by Keller in center field.

The game ended the two game series, with the Renegades coming out on top in both contests.
