Free Polio Shots Will Be Given

Volunteer doctors, nurses and others will conduct a series of clinics at Fresno Junior College next week in an attempt to stamp out poliomyelitis.

The clinics, which will begin next Wednesday at Fresno State College, will kick off the greatest drive in local history to provide immunity to FJC and FSC students against the dreaded disease. The FJC clinic will be held one week from today, Mar. 28.

The clinics are part of a program financed by state funds. Each student will receive two free shots. The third, usually given 7 to 12 months after the second, is the "booster" and is not free, except to students under the age of 20. The Fresno County Health Department will give the third shot.

Mrs. Anne Gabel, the FJC school nurse, stated, "College students should take advantage of this wonderful opportunity to receive the two free polio shots. If everyone would, we could greatly reduce the disease and perhaps someday even control it."

Mrs. Gabel said that the polio vaccination is safe. Since 1955, millions of doses of the Salk vaccine have been given with complete safety and effectiveness. Last year there were no deaths attributed to polio in the United States among persons who had received all three injections, and in California no confirmed case of paralytic polio occurred in any person who had completed the series of three shots.

Dr. Edna Winter, the FSC director of health services, is organizing the two clinics with the assistance of Mrs. Gabel and Dr. Earl Coleman, a retired FSC director of health services.

Apprentice Graduation Slated May 9

The annual graduation ceremony for apprentice training will be held May 9 at 8 PM in the Fresno County Fairgrounds.

Robert P. Hansler, chairman of the trade and industrial division at Fresno Junior College, announced that 116 men, who received their training at FJC, will be awarded certificates signifying them as journeymen. The certificates are awarded the graduating apprentices by the State Division of Apprenticeship Standard.

Rollie Eldredge, secretary of the Plumbers Joint Apprenticeship Committee, is chairman of the arrangements committee for the ceremony, and Hansler is the chairman of the promotion and publicity committee.

The graduates by trade will include auto mechanics, 5; carpenters, 21; electricians, 15; gasfitters, 6; lathers, 4; meat cutters, 2; painters and decorators, 6; printing trades, 4; roofers, 3; tile layers, 3; mill cabinet, 9; plumbing, 14; brick laying, 3; plasterers and cement masons, 3; floor covering, 6; sheet metal, 5; machinists, 1; and tire vulcanizers, 1.

Job Applications Now Available

Applications are now available for jobs as social workers in most county welfare departments in California.

The requirements for these jobs include high school graduation or its equivalent and three years of qualifying experience; or three years of study successfully completed at a recognized college or university; or some equivalent combination of education and experience.

Applications may be obtained from any Merit System County Welfare Department, any Department of Employment placement office, or the Merit System Examining Agency. Applications should be mailed to: MERIT SYSTEM EXAMINING AGENCY, Post Office Box 2769, Sacramento 12, Calif.

All applications should be filed by March 23, 1957.

Alternates Named
Miss Bitter's alternate is Barbara Fragus, and Ray Beach is the alternate for Jacobs.

The other four finalists were Edith Forath, Hamuri Okamura, Donald Ade, and Cloyce Jones. The eight finalists were chosen by Ward Glazebrook, personnel manager, Security National Bank; Kenneth Yerger, Yerger Insurance; and Arthur Gumprecht, employment supervisor, Pacific Telephone and Telegraph Company.

The eight finalists were chosen from a list of 16 semi-finalists. The other semi-finalists were Kiyo Butsumyo, Shirley Huber, Pat Pryce, Sumiye Taniguchi, Marvin Cosby, William Eads, Richard Gentry, and Harold Nielsen. They were chosen by the advisers and members of Phi Beta Lambda, FJC's FBLA chapter.

Arranges Contest

The local Mr. and Miss Business Executive contest was arranged by Gervase Eckenrod, counselor of the business division.

The judges rated the candidates in a personal interview on the following qualities: ability to express oneself, grooming proper for business, attitudes, and poise.

The students were also judged on grades, extra-curricular and community activities, employment experiences, and a written statement of why the applicant wants to enter the business world.

Interclub Council To Present Show Tomorrow Morning

The Interclub Council will sponsor the fourth annual Fresno Junior College talent show tomorrow at 11:30 AM in the University Avenue auditorium.

Each of the 11 student organizations entering is allowed one individual or group performance. The winning entry will receive a certificate of achievement and have its name inscribed on a perpetual trophy.

Robert Love, chief engineer of KBIF, will be master of ceremonies.

The entries and their sponsoring organizations include:

Frankie White, vocalist, rally committee; Charles Gutierrez, vocalist, Newman Club; "A Day in Mexico," a skit by the Latin American Club; a male quartet, Charles Davis, Stanley Griffin, Gordon Smith and Rodney Hill, Alpha Gamma Sigma; Dorothy Rubald, vocalist, Phi Beta Lambda.

Sally Comacho, a dancer, Red Key; Michael Gay, who will play the ukulele and sing, Associated Men Students; "The Creation," a reading by the Intersarsity Christian Fellowship; Diane Avila, pantomime, Associated Women Students; dance band and Frank Reeves, a vocalist, Campus Activity Club; a five piece combo by Ken Tsuruta, the freshman class.

The Future Nurses Club will present a motion picture on polio.

Newman Club is in charge of publicity, AWS in charge of awards and judges, Red Key managing stage arrangements, and Alpha Gamma Sigma and AMS will take care of props.

Dress rehearsal is set for 7 PM this evening, in the auditorium, as was announced by Muriel Maxwell, assembly chairman.

George Rosaler's Western Band played at the lively hay dance staged in the University Avenue Social Hall of Fresno Junior College, Mar. 15, the event which rang down the curtain on Twirl Week.

Attendees of the affair wore anything that was comfortable, consisting of capris, bermudas, levis, slacks and bright shirts.

The beard contest, which started Mar. 1, was won by Jim Rehm.

A king and queen for the Sadie Hawkins Dance were chosen on the basis of the originality of their costumes, and reigned from a throne of golden hay. The queen was Marilyn Ishiem, and her king, Ray Rios.

JC Nurses Attend Career Day Event

The Fresno Junior College vocational nursing class attended the ninth annual Tulare County Senior Career Day session.

Mrs. Selma Behar of Fresno, vocational nurse, said, "This was one of the most successful Career Days ever presented. This was an experiment, for it was the first time that attendance was voluntary. This led to certain problems."

She further stated, "The sections were set up on the basis of a second sign-up. Seniors were urged, but not required, to attend according to this registration. The fact that some did not was regrettable."

She went on to say that small groups enhanced the opportunity for better discussions in a friendly atmosphere. The fact that seniors left the session knowing more about their vocational interest and evidencing great enthusiasm for the consultants they heard in this important event.

Students Under 21 Must Have Folks OK For Shots

Students under 21, desiring to get the free Salk Polio vaccinations, must have their parents' or guardians' permission. Slips have been passed out to students during the past week in classes.

The approval slip does not mean that the vaccine is not safe. It is merely a State law requiring any person under the age of 21 to obtain the permission of a parent or guardian before being vaccinated against any kind of disease.

Students are asked to have this slip signed now, so that they will have them available at the time of inoculation.

Again the Rampage would like to stress the importance of obtaining these shots. Infantile paralysis is a terrible and dreaded disease. We owe it to ourselves to help stamp out this menace to every man, woman, and child.

Remember the inoculation dates of Mar. 28, and Apr. 25, they are important in the lives of every Fresno Junior College student.

Rampage Hopes For Boost In Attendance At Assembly

The annual Talent Show Assembly will be presented tomorrow in the Fresno State College auditorium. The show, composed of talent representing each organization on the campus, will begin at 11:30 AM.

Attendance at past assemblies and activities has been poor; however, there is hope that with Fresno Junior College's own talent on parade there will be an increase.

The students of FJC should want to show some support to its hopefuls; however, this does not seem to be the case.

The Rampage hopes that at tomorrow's assembly, there will be an increase in attendance from the previous poor showings.

Added incentive to the talent show lies in the fact that the assembly commissioner, Muriel Maxwell, and his assistant will be observing performers in this talent show, for possible material to use in the organization of an exchange assembly for Reedley Junior College.

Many of the all time great vocal artists have new albums out which are selling fast. Nat "King" Cole's latest is "Love Is the Thing." Sarah Vaughn, who in my estimation, is one of the best women singers, sings all show tunes in her new double album.

A group that has become popular fast is the Hi Lo's. Their latest contribution to the music world is their album called "Suddenly It's the Hi Lo's."

There are about five new Calypso albums on sale at the record stores. Some of them feature the music straight from Trinidad. These albums should sell fast because of everyone's craze for the Calypso beat.

Did You Know?
Cigarette smoke plugs up air-planes—actually tightens the seal of pressurized cabins. When a new air transport was delivered, according to Flight Safety Foundation, a test showed a leakage through the pressurized shell of 190 cubic feet a minute. However, with the passage of time and millions of cubic feet of smoke-laden air, the tobacco tars lowered the leakage to 90 cubic feet a minute. The tars also fouled up the orifices that meter out the exhaust air, so the transport's operators now are experimenting with filters on cabin pressure regulators.

It has long been known that tobacco tars have affected flying instruments — even blind-flying instruments—and airplane manufacturers are constantly designing to overcome smoke-tar accumulations.

FJC Autoshop Receives Hubcap Etching Machine

The Fresno Junior College autoshop, located near the Edison High School campus, has just received a new machine to be used in the automotive classes.

The new machine is an etching tool to be used for marking hubcaps of car owners. It will aid in identifying stolen hubcaps, and preventing other petty thievery.

Robert Hansler, the chairman of the FJC technical and industrial division, said, "This is a cooperative project between Sergeant Ben Funk and Albert L. Fodor, representing insurance companies and the City Schools, who are working together to encourage the public to have their hubcaps marked to reduce thievery."

The etching tool was presented to the schools by Fodor.

Charles Coffman and Joe Woodman, instructors of the autoshop, will arrange a schedule for car owners who will be welcomed to bring in their cars for etching hubcaps.

An all-out effort will be made to have all hubcaps marked during Public Schools Week at the Junior College, and Fresno and Roosevelt High Schools. The junior college autoshop is located on Fairview Avenue adjacent to the Edison High School. Class hours are 8-11 AM and 1-4 PM.

Etching may also be done in the evening from 7-11 in the FJC auto shop night class. Howard Goolsby is the instructor of this class.

Curry Elected Parliamentarian

Bill Curry, a student at Fresno Junior College, was elected state parliamentarian for the Central California Junior College Student Government Association at the recent Coalinga Regional Conference.

Curry, who is the present parliamentarian for the FJC Student Council, defeated Coalinga's nominee for parliamentarian.

Curry and the Northern and Southern parliamentarians from the state will serve at the state conference in East Los Angeles in May. The election of Curry makes Fresno the only school in the state which will send seven delegates to the state conference.

Women To Keller Pitches 7-3 Get Shot Win Over Cougars At Sports

By AUGIE CALDERA

The Central California Junior College Women's Recreation Association has been organized to provide an opportunity for the women attending junior colleges in central California to experience the enjoyment that comes from engaging in sports and recreational activities with women from other schools.

Administrators from the Central Junior College Association recently approved the establishment of such a program held at the Coalinga Junior College.

Stuart M. White, president of Fresno Junior College, James P. Collins, dean of instruction; Archie Bradshaw, dean of student personnel, and George C. Holstein, dean of admissions and records, attended the meeting.

Emphasis of the newly formed organization will be on the recreational and educational values that come from participation in these activities and not on competition as is the case with men's intercollegiate athletics. Activities will include basketball, softball, badminton, swimming and volleyball.

Schools included in the organization are Allan Hancock College, Bakersfield College, Coalinga College, College of Sequoias, Fresno Junior College, Porterville College, Reedley College, San Luis Obispo Junior College, and Taft Junior College.

Information received from the organization calls for two sportsdays during the Spring semester. It will be held on a non-school day. The host school is responsible for all arrangements, officials, etc. All member schools are to be invited to each sportsday; however, the host school can limit the number of participants from each school if necessary.

All correspondence is to go to the advisor of the college group. She can then forward the information to the officers of her group. The problem of transportation to the sportsdays is to be dealt with by each individual college.

Fresno Junior College outscored Taft Junior College in a league encounter last Friday afternoon by a score of 7-3. Larry Keller pitched brilliant four-hit baseball and struck out ten men while going the route for Fresno.

Fresno broke into the scoring column in the second on a walk to Cloyce Keeney, a single by Augie Caldera, sending Keeney to third. Keeney then scored when Taft's catcher tried to nail Caldera while he was stealing.

Taft scored all their runs in the third inning when Ed Redman walked and Tony Diaz reached first on a fielder's choice. Dick Ernst then lined a sharp grounder into left, scoring Redman and Diaz. Bob Heinsohn followed with another single that scored Ernst with Taft's final run.

In the last half of the fourth, Fresno tied it up when Jim Richmond and Caldera both singled and Dennis Bond walked to load the bases. Jack Zimmerman then lifted a sacrifice fly to deep left that scored Richmond. Duane Scott, the Taft pitcher, continued his wildness and walked the next two men, one of whom forced in a run.

In the sixth Fresno scored again on a walk, a stolen base, and a single by Clyde Reed.

In the seventh Fresno scored on a triple by Keeney and a sacrifice fly by Richmond.

Jim Rehm opened up the Fresno eighth with a triple. Stan Busch followed with a base on balls and Don Ferguson doubled right behind him to score Rehm and Busch with Fresno's final runs.

Keller Does Double Duty For Fresno

Ram baseball fans are well acquainted with a big freckle-faced, redhead roaming the outfield for the Ram baseballers. And for those of you that don't, the big redhead goes by the name of Larry Keller. Besides holding down a centerfield post he does double duty on the mound for the pitching staff.

Keller is in his second year at Fresno Junior College and is working on a PE major. Fresno State will be his next stop where he hopes to break into Pete Beiden's nine.

As I See It ...

By JOHN HAUGAN

Taft Junior College is not going to field a tennis squad this season, according to Paul Starr, director of athletics at Fresno Junior College. With Taft dropping out of league competition, the tennis schedule is cut to four league meets before the final league and regional matches.

Plans to emphasize the Central California Junior College Association golf program were discussed at the recent administration conference held at Coalinga. Possibly some sort of trophy cups will be given to the conference winners.

News for the veteran, going to school under the GI Bill, also came out of the Coalinga conference. As it was, all vets did not have to take a physical education class in college. Now the state is going to enforce the law and make all ex-GIs, under 26 and carrying eight or more units, take a PE class. Exceptions are those persons with a doctor's excuse.

Wiedenhoefer Shopping For Golf Hopefuls

Coach Hans Wiedenhoefer is out shopping again, only not for football players. Men who can shoot in the high 70's and low 80's for the Ram Golf team seem to make his eyes light up.

Already out and touring the fairways are James McCory, firing in the low 80's, and Hadden Dollar, capable of high 70's and low 80's.

Ernie Hindman, Paul Ledbetter, Ronald Wintès, and Bernie Snor, comprise the remaining hopefuls for golf recognition. Yesterday afternoon marked the first competition for the Rams as they matched strokes with the Roosevelt High golfers on the Muni golf course.

The only requirement for prospective golfers is that they furnish their own clubs as the school is unable to furnish them this year.

The Coalinga Falcons will meet the Rams in the league opener on Mar. 21 at the Muni course.

Out after a deer?
Of course you know
You must get a license
Before you go!

Oh! After a deer.
Then it's reversed.
Never mind the license—
Catch the deer first!
