'Plain' Dance Tomorrow Night

PHI THETA KAPPA DANCE — Al Grace, left, Glenda Varnvelt, and Milton McCoy announce the honorary society's "Plain" dance to be held tomorrow night in the social hall of the student center building at Fresno Junior College from 9 to midnight.

Phi Theta Kappa Will Sponsor Social Event, Monte's Band Will Play

Phi Theta Kappa, a national honorary society at Fresno Junior College, is sponsoring a "Plain" dance tomorrow night from 9 PM to midnight in the social hall of the student center building.

"Everyone is urged to attend this gala affair," stated Al Grace, president of Phi Theta Kappa. "Admission will be free to all student body card holders, who may also bring a guest."

Door prizes are to be given at the dance. There will also be a prize given for the best dancers.

Entertainment will be provided by Dick Nunes. Lou Monte's orchestra will provide the music.

Those in charge of the committees for the dance are Sumiye Taniguchi, refreshment committee; Carol McIntyre, entertainment and door prizes; Margaret Christensen, band and facilities; and Luella Sinner, publicity.

The club's sponsors are Robert Shaver and Mrs. Jo Nell Krikorian.

WALLACE D. HENDERSON
Wins City Post

Sophomores May Have 193 Grads

On June 12, the 10th graduating class of Fresno Junior College will probably be the largest in the history of the school.

FJC President Stuart M. White said 193 sophomores have filed petitions of candidacy for the associate of arts degree. The 1957 class had 174 graduates, while 147 students received their degrees two years ago.

The main speaker, Dr. Herman Spindt, director of admissions of the University of California, will deliver his address in the FJC auditorium. Jesse N. Jones, Jr., the student speaker, will represent the sophomore class.

Dean James M. Malloch, representing the Fresno City Board of Education, will congratulate the graduates. Dr. John Gregg, pastor of the First Congregational Church, will deliver the invocation and benediction.

FJC Dean of Admissions George C. Holstein will present the class, and President White will confer the degrees.

CALENDAR OF THE WEEK

Apr. 23
12:40 PM Sophomore class, council room
Apr. 24
12:40 PM Inter-club Council
1:00 PM Assembly, Pasadena Choir
2-4 PM Fine Arts Club reception for Pasadena choir, Faculty Lunch room, council room

Four FJC Technical, Industrial Buildings Are Expected To Be Completed By Next February

"The possibility exists that only four of the five proposed technical and industrial buildings will be completed by the target date of Feb. 2, 1959," stated Robert P. Hansler, the division's dean.

Bob Long, a Fresno contractor, submitted the lowest bid of \$1,116,000 for four of the buildings at a recent Fresno City board of education meeting.

Long submitted alternate bids of \$90,000 for one-half of the fifth unit and \$167,000 for the entire fifth unit. These alternate bids would be over the amount of money allocated for the erection of the buildings.

Bond Issue Is Approved

A recently approved bond issue has made possible \$1,650,000 for the buildings, property, furniture, equip-

ment, professional services, and contingencies.

Hansler said that a recommendation will be given at a board of education meeting April 24 on whether or not Long's bid would be accepted.

He said that completion of the buildings will give Fresno Junior College a unified campus and will enable the division to offer a number of new programs in technical and industrial education.

Shops To Be On Main Campus

The shops will be built on the land between the present campus and the Santa Fe railroad tracks. Del Mar Ave. will be closed between University and Weldon Aves.

The buildings will be constructed of prefabricated concrete.

Fresno Junior College To Sponsor Nine Medal Awards For Graduates

The Fresno Junior College is sponsoring the establishment of nine new medal awards which will go to the outstanding sophomore graduates in the June 12 graduation exercises.

Jackson Carty, the chairman of the faculty graduation committee, stated they will include three scholarship medals, one for the top student scholastically in each of FJC's three divisions.

The student with the best average among the three will be selected as the honor graduate.

Two of the medals will be given

to the outstanding leaders among the graduates.

Two medals will be awarded, one for voice and one for instrumentalist. The other two will be journalism, one for the outstanding graduate on the Rampage and the Rambler.

The journalism and music awards will be made on the recommendation of the instructors in these fields.

Carty stated no student would be considered for the scholarship medals unless he has at least a 3.6 grade point average.

FJC Offers Sixteen Fall Scholarships

The Fresno Junior College announced 16 scholarships totaling \$850 will be open to high school graduates who plan to enroll at FJC for the fall semester and to FJC students who will be sophomores next fall.

Archie Bradshaw, the FJC scholarship committee chairman, invited seniors to get applications from their principals and to secure letters of recommendations from the principals and at least two other persons. The applications, letters and high school transcripts must be sent to the committee by May 1.

Applicants will be judged on scholarship, leadership, citizenship, and financial need. Students who receive awards for two semesters will be required to maintain above average grades in the first semester at FJC to receive the second semester grant.

The scholarships include five of \$50 each furnished by the Fresno Central Labor Council in memory of the late Chester H. Cary, who was the council's executive secretary; one of \$120 provided by the Men's Club of St. James Episcopal Cathedral in honor of Dean Emeritus James M. Malloch, and two of \$100 each given by the FJC Faculty Club and the Fresno Technical High School Alumni Association.

FJC's student council is providing four awards of \$25 each, two for freshmen and two for sophomores.

Other scholarships include \$50 by the Fresno chapter of the National Secretaries Association, \$30 by the Fresno Council of Jewish Women, and two of \$50 each honoring the late F. C. (Bud) Blosser, open to students who have attended the junior college two semesters.

FJC Instructor Wins Election To City Council

Assemblyman Wallace D. Henderson, history, public speaking and political science instructor at Fresno Junior College was recently elected to the Fresno city council.

Henderson, who represents the 32nd district in the legislature at Sacramento, has been an instructor at FJC since 1955. Last fall he announced his resignation from the junior college in order to accept the position of associate professor of political science at Fresno State College next September.

A state law prevents Henderson from drawing pay as an FSC instructor while serving on the legislature, so he will teach without pay until 1959.

In the legislature, Henderson is chairman of a joint committee on revision of the state education code. He also serves on the assembly rules committee, the agriculture, industrial relations, and the ways and means committees.

T & I Division Sets Banquet Date

The awards ceremony and banquet for apprentice students will be held in the Fresno County Fairgrounds cafeteria May 8 at 6:30 PM.

The chairman of the technical and industrial division at FJC, Robert P. Hansler, said the apprentices will have completed the required course of job instruction plus 144 hours a year of related education at FJC. They will each receive a certificate of completion signifying they are journeymen.

Age And Leadership

The present presidential administration in Washington is not unlike each of its predecessors in that it is the object of criticism from many circles.

A basic criticism of the administration is that two of this country's leaders are well past the period of extending their most capable efforts due to their advanced ages.

These two men are President Eisenhower and Secretary of State Dulles.

It has been said that Eisenhower is "ailing, tired, reluctant to shoulder sufficient responsibilities and to make enough hard decisions." Dulles has been termed "stubborn, negative and unimaginative."

Since this nation is a comparatively young one, it is natural that an emphasis is placed on youthful, vigorous action, fresh ideas and the capability of adapting to modern trends.

Dulles and Eisenhower are nearing the end of long periods of public service. They both hold positions of tremendous power and influence. It would not be sensible to hold that if these two are completely inadequate to fill these positions, they should be retained merely because of their past records. This would be ignorant sentimentality.

However, it cannot be denied that both of these men are highly active in meeting the day to day responsibilities of their positions. With the many responsible judgments that these two reach, it would be absurd to term either of these men senile.

In the past, this country has had leaders whose health and age would not always have qualified them as the most attractive clients for a life insurance company. Some of these leaders whose physical status was detrimental to their performance of duties are considered to be among this country's greatest statesmen.

It must be remembered that the people of this country placed their confidence in Eisenhower when they elected him. Whether they supported the most adequate individual can only be decided through personal interpretation.

—Patrick Rafferty

Fresno High School Graduates Have Highest Representation At Fresno JC

Fresno High School has the most graduates attending Fresno Junior College. This was revealed in a survey made by the FJC office of admissions and records.

FHS has 401 graduates. Roosevelt is second with 361 and Clovis is third with 144.

The following schools and the number of high school graduates are: Edison, 140; Madera, 107; San Joaquin Memorial, 87; Washington Union, 84; Sanger, 77; Central, 64; Fowler, 43; Chowchilla, 38; Selma,

36; Kerman, 30; Sierra Union, 29; Dos Palos, 27; Caruthers, 20; Tranquility, 16; Kingsburg, 15; and Riverdale, 7.

The survey also revealed that there are 517 other California high school graduates: 458 out of state high school graduates and 96 who graduated from high schools in foreign countries.

The junior college has 624 non-graduates, 44 high school students, 65 in the Fresno Adult School, and 32 in special classes, operated for the Air Force.

Modern Facilities Are Available To Technical And Industrial Students

Three hundred and fifty Fresno Junior College students this semester are taking advantage of the most modern facilities and teaching methods available at the junior college annex, located on the Edison High School campus.

Courses in auto mechanics, body and fender, and welding are open to both day and extended day students.

Trade extension and apprenticeship classes in automatic transmissions, apprentice body and fender, apprentice brick laying, apprentice plastering and advanced welding techniques are open only to students employed in a specific trade or occupation.

Edison annex instructors, classes and vocations they teach, are: Charles Coffman, auto mechanics and automatic transmission; Joe Woodman, auto mechanics; Dean

Larsen, welding and advanced welding techniques; Carl Rustigian, body and fender, apprentice body and fender; Howard Goolsby, auto mechanics; Elmer Blom, body and fender; Creighton Smith, welding; Kenneth Everton, brick laying and Edward Herron, plastering.

Two hundred and twenty-five students are enrolled in extended day, pre-employment, and trade extension classes while 125 are registered as day students at the Edison annex.

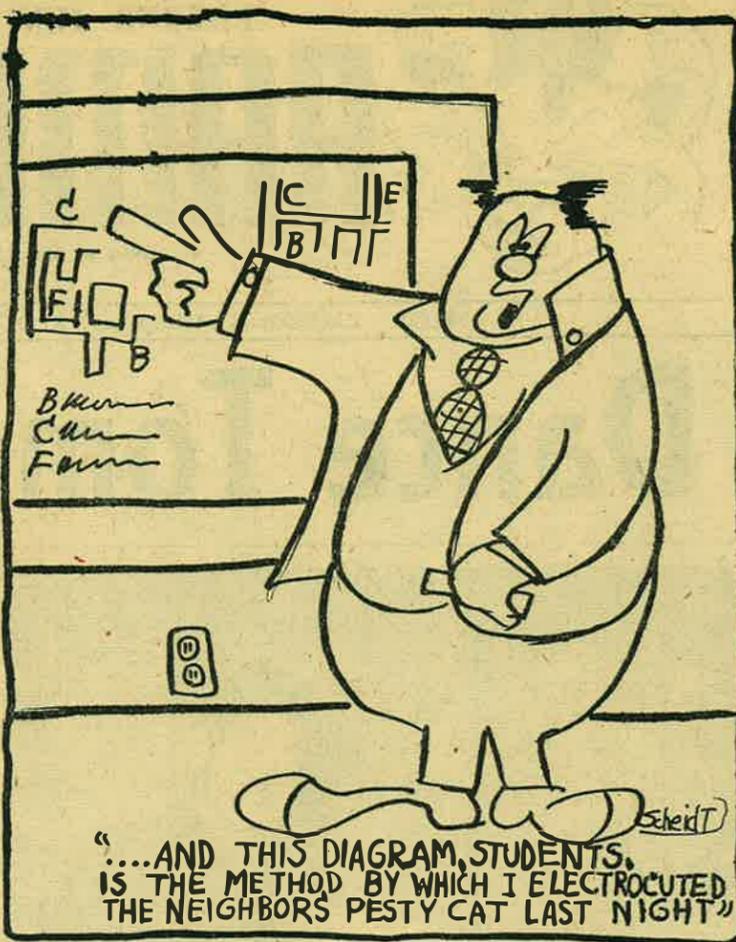

FJC has used the welding and auto shop facilities at Edison for the past six years.

STUDENTS: GET CLIPPED BETWEEN CLASSES

Students Warned Summer Work Outlook Is Poor

Ray Vogue of the youth placement department of the California State Department of Employment stated that job opportunities are fewer this year for students seeking employment on a part-time basis during the summer months. He said that the department is quite concerned about this fact.

"We are fully aware," he said, "that if some of the students don't find some work to help them pay for their school clothes, books, and other such supplies, many of them won't be able to return to school in the fall. Some have already had to drop out of school because they have either lost their jobs or have not been able to find employment."

Vogue was asked what is the answer to this decline in employment and the increasing number of students being laid off?

Students Expected to Work
"The students themselves are going to have to help by making every effort to find employment," he said, "and not rely on one particular agency or individual. But most important of all is that if we find them employment, they do a good fair-day's work. The reason for that is because of last year's complaints from employers."

"The students acted, on the job, as if they were on a big vacation. They did not perform their jobs well. Through these actions, many of them were immediately dismissed from employment. Employers were then reluctant to consider replacing them with other college students."

"One of these young persons, whether a boy or girl, who neglects his work on the job, puts an unfavorable reflection on the students as a group rather than on just one individual. This, of course, doesn't seem right but it still happens. It also reflects on the placement agency itself."

Various Types of Work
"This year, the California State Department of Employment placed a large number of people in clerical positions, warehouses, drafting, and welding jobs. Students also found

they could earn quite a bit doing gardening."

"Veterans cannot possibly bet by on the G.I. bill alone, particularly with a family to support. The people who make a bad name for students make it extremely hard on those veterans who are sincerely interested in obtaining work."

Student Employment Backed
"We are doing everything within our power to create within this community a favorable outlook toward the employment of youth. Speeches at all the service clubs such as Lions, Kiwanis, etc., are being given and if two or more people can be gotten together, a speech will be given at the Fresno Junior College."

Any student who is interested in employment should go into the Department of Employment and register with Vogue, fill out an application and tell him of personal capabilities and he will do his best to assist the student. It must be clearly understood, though, that it is impossible for the department to help everyone that applies.

JC Ramblers Still On Sale

The Fresno Junior College Rambler is still on sale in the student center bookstore. "The price of the yearbook is \$3.50, and the Rambler will be distributed the last week in May or the first week in June," stated Franz Weinschenck, yearbook advisor and teacher.

"The Rambler will have 1,000 photos of students and instructors of various clubs, organizations, sports, and the different departments of education in FJC," stated Weinschenck.

Spring Styles Present Many Variations

By IRENE BRIETIGAM

With the spring season already begun in California, winter sweaters and wool skirts have been packed away and new fashions have come out on college campuses around the nation.

Popular around the the nation this year among the college coeds, is the new Chemise style of dress. This style will definitely be noticeable this spring with the new cottons.

Besides the Chemise, many other fashions have been added to the college coeds wardrobe during 1958.

Long stretch tights, which appeared first in colleges in the snow belt, are now a necessity in every coed's wardrobe. In dark or bright colors, they provide a fashion as well as a warm note and can be worn under bermuda shorts around the house and under skirts on the campus.

Cardigan sweaters are popular among the men in the Big Ten colleges. These have the lustrous sheen of cotton silk at cotton price and come in solid colors. Of course, they're washable! Not too important yet, but growing in popularity, are formal studs and cuff links made of silk or grosgrain, to match the tuxedo's lapel. There's a growing acceptance of tweed cloth hats, which were introduced by Rex Harrison in "My Fair Lady."

The new spring colors are a multitude of pinks, blues, greens, and yellows. These add to the loveliness and graciousness of the spring season.

Great Americans Are Named By FJC Instructors

Whom do you consider to be the 10 greatest Americans, great in the sense that their ideals have had a lasting influence on mankind? This question was asked this week of three history and philosophy teachers at Fresno Junior College.

The teachers, who submitted an opinion, are John Mock, Hugh Galloway, and Dr. LeRoy Just.

Abraham Lincoln, the sixteenth president of the United States, received the majority vote. Those chosen by two of the three instructors were Thomas Jefferson, Franklin D. Roosevelt, George Washington, and Theodore Roosevelt.

Others chosen were Benjamin Franklin, John Quincy Adams, Oliver Wendell Holmes Jr., John Dewey, Ralph Waldo Emerson, George C. Marshall, J. Robert Oppenheimer, Woodrow Wilson, Thomas Edison, John Marshall, Horace Mann, Gifford Pinchot, Albert Einstein, Ralph Bunch, Booker T. Washington, George Washington Carver, Pearl S. Buck, and Billy Graham.

Pipes Approves New Student Council Positions

Student Body President Ken Pipes has approved the new appointments for the student council offices. New officers are Ed Souza, representative at large; La Juana Rickles, commissioner of welfare; Shirley Huber, commissioner of welfare; Leonard Wood, commissioner of elections.

"The vice president used to be responsible for elections," said Joseph King, student body advisor. "However, this proved to be too much of a burden for the vice president."

There are two student body officers who have resigned their posts, Diana Avila, treasurer, and Al Grace, parliamentarian. Pipes has accepted their resignations and commended them on the fine jobs they have done.

Pipes has given the post of treasurer to Bertha Szakal. King stated that Barbara Fragus, former student body treasurer, took over after Mis Avila resigned. However, she was later disqualified because she had held that office twice before.

"The parliamentarian, at this time, has not been chosen," stated King.

Student Council Will Hold Meeting At Sierra Ranch

Fresno Junior College student council will hold a meeting at the Sierra Sky Ranch Thursday, May 22, in an orientation for next year's student body officers. "College of the Sequoias in Visalia will install its officers," stated John Alexander, planning committee chairman for the Sky Ranch meeting.

"The students in charge of the business of the meeting, invitations to COS, and installations of officers are Leonard Wood, Carol Steffen, Carol Daniels, and Augie Caldera," said Alexander.

Alexander said, "Plans for the conference are not completed, but we hope the meeting will be a successful one."

Veterans Club Is Slated To Hold Meeting Today

The Fresno Junior College Veterans Club, newly organized on campus, will hold its second meeting today at 12:40 PM in Room M-200.

"This meeting is of vital importance to all veterans and anyone that did not attend the last meeting is urged to come in and sign up," stated Milton McCoy, a charter member of the organization.

The current project of the club is to find a name. Any member is invited to submit an idea. The reward for the best label for the club is a monetary prize of a semester's dues paid. Suggestions should be placed in the light green suggestion boxes, which have been placed in the student center and the library foyer on the University Ave. campus and on the O St. campus.

MALE SEXTET — Music students and C. Lowell Spencer, FJC music instructor, will present a program at the Elks Lodge on May 1. Going to this program are the FJC male sextet, composed of, left to right, Mickey Davis, Les Lusk, Gary Sexton, Pete Mehas, John Shilow, and Bill Bristow.

Student Body Petitions To Be Ready April 24

Leonard Wood, FJC commissioner of elections, announced that petitions for students wanting to run for Fall student body offices will be available at the admissions office April 24.

Petitions must be turned back to the admissions office not later than May 1.

A nominations assembly will take place May 7 at 9:30 AM. Students will vote for candidates of their choice May 14 and 15.

New officers will be installed in student body offices May 22.

Inter-Club Discusses Plans For Rose Garden

"The proposed 'Inter-Club Rose Garden' will no doubt become a reality tomorrow," reports Victor Takeuchi, chairman of Inter-Club Council.

This garden will be situated to the left of the student center entrance. It will take 60 plants costing \$1.50 each to complete the landscape. Each rose bush will be tagged with the name of the club.

Spotlighting the Sports

By BILL SEWALL
Sports Editor

The College of Sequoias swim team defeated Fresno Junior College's swim team last Friday afternoon at the FJC swim pool 43-40.

There is more to the match than that, however; it is how they won I would like to comment on. One word would summarize up the whole meet—*forfeit*. It is a shame to see a team of boys work their hearts out only to lose a meet by three points, especially when 15 of their opponent's points come by way of forfeit.

The Rams won first places in six of the eight events they entered. However, since a swimmer is allowed to enter only three different events, they had to forfeit the medley relay (seven points) and the diving events (eight points) for lack of men.

Pastor Deserves Praise

I have to give the coach, Dr. Paul Pastor, credit for doing a fine job in fielding the first team at JC and what will probably be one of the best—for its size.

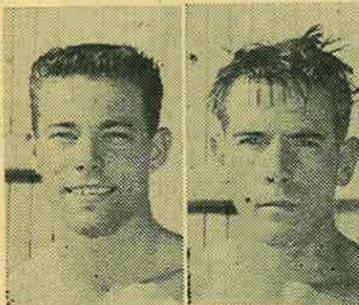

If this year's team had as much depth as it has winners, it would probably go a long way.

Approximately 20 people, besides the swimmers, saw the meet. This includes the manager, scorers, and timekeepers. I can't think of too many reasons why at least a few students can't spare a little time to at least back their team up. Especially when the meet is held 200 feet from where they attend classes. A little backing does a world of good.

After Fresno had forfeited the relay medley and the diving, they started the meet.

Sutton, Smith Shine

In the first match Connor Sutton came through in fine form to win the 220 yard freestyle. Sutton also won the 440 yard freestyle and helped FJC win the 400 yard freestyle relay. Sutton has a swift,

Fred Smith Connor Sutton

smooth style that is so good that his closest opponent in the 440 was about 35 yards behind him, or the length of the pool and then half of it again.

In the 50 yard freestyle Fred Smith picked up another first for FJC. He edged out a COS swimmer by inches. Later, he edged out the same man in the 100 yard freestyle to win again.

Howard Wins

Ron Howard easily won the 200 yard butterfly for FJC and placed second in the 200 yard backstroke.

Fresno's Ben Tayan placed third in the 220 freestyle and second in the 200 yard breaststroke. Dick Anderson placed third in the 50 yard freestyle.

Smith, Howard, Anderson, and Sutton teamed up in the 400 yard freestyle relay and leisurely swam their way to another victory.

TRACK TEAM — First Row, left to right: Ray Baker, Ernie Prewitt, Alymer Dansby, Jon Anderson, Bill Tuck, David Dixon, and Clois Dansby. Second Row: Jess McFerren, Bob Wright, Don Robertson, Paul Richardson, Frank Eller, Buss Helm, Spencer Johnson, Russ Harper, and Art Moss. Many team members are not pictured.

Rams Down Reedley Twice

By GERALD MANFREDI

Coach Len Bourdet's FJC Rams tripped the Reedley College Pirates in both ends of a CCJCAA doubleheader 11 to 4 and 6 to 5 in Reedley Saturday.

The wins give the Rams a league leading 4-0 mark in CCJCAA play.

Les Lusk fashioned a neat four hitter to post the win in the opener. The big righthander struck out seven and walked the same number over the nine inning route.

Grimstead Leads Hitters

Jerry Grimstead, hard hitting Ram first baseman, collected eight hits in ten trips to the plate to lead all batters. Grimstead swatted four singles in five trips in the opener to drive in two runs.

The Rams put two big innings, the fifth and sixth, together to

score ten runs and put the opening game on ice.

Caldera, Noakes and Grimstead hit consecutive singles in the eighth inning of the nightcap to score the winning run for the Rams.

Richmond Relieves Shiraga

Harvey Shiraga started on the mound for the Rams and was touched for six hits and five runs by the Pirates. Jim Richmond relieved Shiraga in the bottom of the sixth and pitched runless ball

over the last four innings. Richmond allowed only one hit in his winning relief stint.

Grimstead collected three singles in five trips to again lead the locals at the plate.

Caldera and left fielder Lupe Ramirez each collected a pair of singles for the Rams.

Tom Tonai and Dick Oba had two for four for the Pirates.

First Game

	R	H	E
Fresno	000	550	001

Golfers Trounce Reedley, 35-1

The Fresno Junior College golfers easily defeated a weak Reedley squad last Thursday afternoon 35-1 on the Kingsburg Golf Club course in Kingsburg.

Jim McCrory continued to pace the Rams with the lowest score of the day — a 76.

The Rams are scheduled to host Taft this afternoon on the Muny course.

The results, reading FJC players first:

McCrory defeated Melvin Satterburg, 6-0; Don Baker defeated Dan Villaneuva, 6-0; Jim Trent defeated Rick Reuther, 6-0; Don Simerly defeated Len Brown, 6-0; Dave Kelz defeated Jim Rayborn, 6-0; and Jim Price defeated Dick Parks, 6-1.

Netters Get League Win Over Coalinga JC, 4-1

The Fresno Junior College tennis team continued their unbeaten ways last Wednesday as they beat Coalinga four matches to one.

Bill Glasson continued his unbeaten streak as he downed his opponent in men's singles 6-0, 6-3.

The summary, reading FJC players first:

Women's singles: Catherine Podsakoff beat Halane Southard 6-4, 6-2; men's singles: Glasson beat Ray Tolley 6-0, 6-3; Women's doubles: Sayoko Matsumaga and Louella Sinner beat Ermae Skaggs and Dorothy Young 6-3, 6-7; men's doubles: George Sarantos and Ramon Melendez lost to Les Wyman and Doyle McBride 5-7, 6-4, 6-3; mixed doubles: Barbara Fragus and Tom Lahanas beat Sharon Harris and Warren Frost 6-4, 6-1.

Track Team Wins Second

Five double winners paced the Fresno Junior College track and field squad to its second consecutive dual meet victory in a sun-drenched meet against the San Jose State Frosh team Saturday in San Jose.

Ernie Prewitt, Paul Richardson, Frank Eller, Voyce Hendrix, and Alymer Dansby carried off two first places apiece despite the intense heat on the San Jose track, to give the Rams a 70-61 edge in points.

Prewitt won the 100 and 220 yard dashes in 10.1 and 22.7, respectively. Richardson won the 880 yard run in 1:59.3 and came back to win the mile in 4:34.5.

Dansby won both hurdle races: The highs in 15.5 and the lows in 26.0.

Pole vaulter Voyce Hendrix won his specialty at 13 feet and also copped the high jump at five feet 11 inches. Eller, the school record holder in the shot put, got off two 50 foot tosses in practice and then won his event at 48 feet. He also threw the discus 149 feet for first place.

Swim Team To Compete In Water Championships

The FJC swimming team will participate in the first central section Swimming and Diving Championships Sat., Apr. 19.

Three junior colleges, College of the Sequoias, Fresno Junior College, and Reedley College, are entering teams. Reedley is to be the host school.

A trophy will be awarded to the winning team. A special award will be made to the high point man and outstanding swimmer of the meet.

The meet will be held at the Reedley City Pool, located at 8th and J Streets, and will begin at 11 AM.

Fresno Slaughters Taft 22-0, 20-0 In League Openers

The Fresno Junior College Ram baseballers opened up the delayed 1958 Central California Junior College Athletic Association baseball season in convincing style by clobbering the Taft College Cougars 22-0 and 20-0 in a doubleheader last Wednesday afternoon on the Romain diamond.

Coach Len Bourdet's men blasted five Taft pitchers for 40 hits and 42 runs. The Cougar pitchers gave up 27 bases on balls and hit one Fresno batter.

Leading the Ram hitting attack in both games were infielders Augie Caldera, Jack Goodwin, Stan Busch, and outfielders Lupe Ramirez and Don Oberg.

Goodwin was the leading Ram hitter as he cracked out a double and five singles in seven trips to the plate. Ramirez collected three doubles and three singles in nine trips. Caldera also connected for six base hits.

Lefty Jim Richmond hurled the Rams in the opening victory. He gave up three hits in the five innings he worked. He struck out one and walked two.

In the second game Les Lusk hurled no run, no hit ball for five innings before he was relieved by Harvey Shiraga. Lusk struck out five and walked two. Shiraga struck out nine, walked none and gave up four hits.
