

Dr. Bradshaw Will Attend

# Students Graduate On June 9

FRESNO CITY COLLEGE

## RAMPAGE

PUBLISHED BY THE ASSOCIATED STUDENTS

VOL. XXI

FRESNO, CALIFORNIA, THURSDAY, MAY 25, 1967

NUMBER 28

2,155 Enrolled

## Summer Session Official Expects Peak Attendance

Summer school will show a record number in attendance with 2,155 students, Lawrence Martin said. Martin is the acting dean of summer session.

The summer session will include 1,027 currently enrolled FCC students and 1,128 non-students.

This year there will be 40 honor students from high schools attend-

ing summer session. These students are chosen by their high school counselors, Martin said.

### Lunchroom Program

The school lunchroom program has 210 enrolled students. This program is offered to persons interested in cafeteria management and similar duties.

The nursing program will continue through summer, he said. Approximately 40 registered nurses from FCC will work in hospitals during the summer.

### Line Cards Available

Anyone still wishing to attend summer school may pick up a line card in Administration 107 until June 9. Registration for non-students and late FCC students will

be June 12 in the Cafeteria. Classes will begin June 13 and end on July 21.

Counseling will be available June 1-9 from 8:30 AM to 4 PM and from 6:30 to 9:30 PM in Administration 118. Current FCC students may see their counselors before this date.

### New Method

A new method of enrollment was used for summer in which all of the currently enrolled FCC students were registered by mail.

"The program worked satisfactorily this year," Martin said. "We hope to register all summer session students in this manner next year."

## Graduates Will Get Diplomas

Graduation services will be held June 9 at 8 PM in the east court of the Administration Building.

Six hundred and thirty-four candidates have applied to receive their diplomas in the associate arts and science degrees.

"So far, we have 289 students who have picked up their caps and gowns from the Bookstore," said Joe R. Kelly, Dean of Admissions and Records.

"Also included in this figure are about 30 registered nurses who will wear their vocational uniforms."

The commencement address, Commencements: Yesterday and Today, will be given by Dr. A. Russell Buchanan, vice chancellor of the University of Santa Barbara.

Graduation practice will be held June 5 at 5 PM in the hallway of the Administration Building.

"Those expecting to march should be present," Kelly said, "because tickets will be given to members of their family planning to attend."

The men will change into their caps and gowns in the cooking room of Administration 132 and the women to the sewing room of Administration 132.

## Clothing Rules Cut For Finals

The dress code will be suspended during finals week. Women will be permitted to wear capris and bermudas to their examinations.

The dress code suspension was approved Tuesday by the following joint student-administration committee.

The students were Rod Haron, outgoing student body president; Chuck Brietgam, new student body president; Doug Nelson, new vice-president; Ed Reid, new fall semester treasurer; and Kathy Lowery, spring semester representative.

## Representatives Vote Rampage Budget Cut

By ANDREA FISH

This semester's Student Council voted 11-7 Tuesday not to appropriate any student body money to the Rampage for the fall semester.

The council completely rejected the request to appropriate \$5,400 for the operation of the Rampage.

The current Student Council approved a tentative budget to be submitted for final verification in fall by the new council.

### Reid Comments

Ed Reid, a council representative, said that the newspaper is not expressing the views of Student Council satisfactorily.

"The Rampage is not giving the Student Council enough say-so as

to what should go into the paper," Reid said.

Jim Adair, another representative, pointed out that the council action "... would virtually kill the newspaper."

### Adviser Questions

Miss Doris Deakins, a Student Council adviser, questioned the motives behind this measure. "If this is meant as a slap in the face to the Rampage, then this is the most ridiculous thing I have ever heard of," she said.

In other business, Student Council announced the purchase of nine table lamps and two chandeliers for the Student Lounge. The Council also approved the purchase of Gold and Silver Rama awards.

## Brewery Theatre Hires Seven Dramatics Students

Seven FCC drama students have been hired by the Old Brewery Theatre of Helena, Montana for the summer.

They are Renee Clendenning, Lloyd Hopkins, Cherie Franklin, David Channon, Al Cirimele, Carl Jones, and Peggy Vatalaro.

### Earn Credits

"In addition to a salary and acting experience," Fredrick Johnson, a drama instructor, said, "the students will also earn extension credits in drama through the Montana State University Extension Division."

The auditions were held throughout the spring semester in San Francisco. Members are selected for the company on the basis of talent and previous acting experience.

### Singular Honor

Johnson added that seven stu-

dents from one school is a singular honor.

"This sort of summer stock experience with seasoned professional actors should be extremely valuable," he said.

## Kelly Estimates Fall Enrollment

The estimated enrollment for next fall from Joe Kelly is 6,000 day and 3,600 night students.

Kelly, dean of admissions and records, said the figures combined will reach almost 10,000. This is over a 1,000 enrollment increase from last fall.

To meet this increase, he said, three teachers will be hired, six classrooms built and 10 classes added to the curriculum.

## Russell Buchanan Will Deliver Talk

A. Russell Buchanan will speak on Commencements: Yesterday and Today, at FCC's commencement exercises June 9.

He is currently vice chancellor for academic affairs and professor of history in the University of California at Santa Barbara.

### Bradshaw Will Introduce

Dr. Archie Bradshaw, FCC president, will introduce Buchanan at the commencement ceremony. The ceremony will begin at 7 PM in the east court of the Administration Building. Buchanan's speech will precede the awarding of degrees.

Buchanan received his bachelor of arts, master of arts and doctor of philosophy degrees from Stanford University.

### Articles Published

He has had articles published in historical journals such as the American Historical Review and the Pacific Historical Review.

Buchanan is the author of two

books, David S. Terry of California: Dueling Judge (1956) and the United States and World War II (1964).

RUSSELL BUCHANAN

## College Council Plans Leadership Banquet

An awards banquet will be given tonight for incoming and outgoing Student Council members.

The banquet will be held at Pardini's restaurant at 7 PM.

The purpose of the banquet is to award fall semester and spring semester members, and to install newly elected members, Kenneth C. Clark, Student Council adviser, said.

### Outstanding Leadership

An award for outstanding leadership throughout the spring semester will be given.

Clark said other awards will be given to first, second and third semester council members.

Members completing three semesters on the council will receive honorary membership cards.

### Guards And Jackets

Executive officers will receive their guards and jackets.

The Gold and Silver Ram awards will be announced during the dinner.

Some surprise announcements will be made at the dinner, Clark said.

## Final Exams Schedule Will Begin Next Friday

Final examinations for all day students begin next Friday. The following is a schedule of test times for all daytime classes.

### Friday, June 2

8-9:50 AM.....10 AM, MWF, Daily, MW, WF, MF, MTWF, MWTh  
10-11:50 AM.....Noon TTh, T  
1-2:50 PM.....1 PM TTh, T  
3-4:50 PM.....8 AM F

### Monday, June 5

8-9:50 AM.....9 AM MWF, Daily, MW, WF, MTWF, MWTh  
10-11:50 AM.....Noon MWF, Daily, MW, MTWF

1-2:50 PM.....2 PM TTh, T  
3-4:50 PM.....9 AM M

### Tuesday, June 6

8-9:50 AM.....8 AM TTh, T  
10-11:50 AM.....10 AM TTh, T  
1-2:50 PM.....1 PM MWF, Daily, MW, MTWF, MTWF

3-4:50 PM.....4 PM MWF, Daily  
Wednesday, June 7

8-9:50 AM.....8 AM MWF, Daily, MW, WF, MF, MTWF, MWTh  
10-11:50 AM.....11 AM TTh, T  
1-2:50 PM.....2 PM MWF, Daily, M, MW, MTWF

3-4:50 PM.....3 PM TTh  
Thursday, June 8

8-9:50 AM.....9 AM TTh, T, Th

10-11:50 AM.....11 AM MWF, Daily, MW, WF, MTWF, MWTh

1-2:50 PM.....3 PM MWF, Daily, MW

3-4:50 PM.....2 PM W, F, WF

All FCC classes will be suspended next Monday and Tuesday due to the Memorial Day holiday. Classes meet for the last time next Wednesday with finals beginning two days later.

## Business Major Receives Award

George Rogers was recently presented the Merchandising Student of the Year award for 1966-67.

The award was given to Rogers jointly by the FCC chapter of Distributive Education Clubs of America and the Sales and Marketing Executives of Fresno.

Dr. Gilbert Peart, DECA adviser, noted that Rogers is the second person to receive the award since the business division inaugurated an annual contest for selecting the student showing the greatest potential in merchandising management.

Rogers also placed first in local and state merchandising management competition earlier this year.

"Her idea about spring fever and mine appear to be different."

**Fiery Intensity**

**Exam Pressures Force Hard Work**

Now that warm weather is here the white heat of finals, term papers and miscellaneous outside work projects is crowding students with fiery intensity.

There is something about springtime weather that gives people a feeling of irresponsibility to the confinement of scholastic activities. Perhaps it is the drastic change in appearances. Everything seems fresh and renewed with academic work fading into a dusty unreality.

However dusty or meaningless academic work may seem in the springtime, it is important not to lose sight of the importance of completing studies.

Spencer Kendig  
Editor-In-Chief

**Hospital Redecorating**

**Porterville Project Needs Volunteers**

Dear Editor:

Today you need a project. Many of today's young people spend their time complaining about the problems of society, but few of them have an opportunity to act in changing these problems or in changing the youths' image.

The Porterville State Hospital project is a plan that has already been acted upon. Art work has been submitted in professional form by Jim Johnson, promoter of the project.

Trips have been made to the hospital and talks have been held with hospital officials. Miles of red tape have to be rolled up before the project can be fully executed.

A specific end is in mind — to reflect a good image of today's youth. The Porterville project is one of the steps towards the end.

Students interested in volunteering one or more of their Saturdays may sign up in Rampage office in Student Center 211.

Bob Smalling  
Ram Magazine Editor

**Thoughts For Graduation**

**Look Inward For Best Knowledge**

FCC has 634 candidates for graduation this spring.

Sixty to 70 per cent of this graduating class will transfer to a four-year college, according to Ed Perkins, associate dean of guidance. The remaining 30 to 40 per cent will go to work and perhaps return to school later. Others may take a long vacation or simply quit school.

Whether the student continues school or not, this is a proper time for self-inventory. Concerning knowledge of self, Kahlil Gibran says in *The Prophet*:

Your hearts know in silence the secrets of the days and the nights.  
But your ears thirst for the sound of your heart's knowledge.

But that was first published 44 years ago. Perhaps restless sights and sounds in today's world interfere with real self-knowledge. The individual can't help vibrating with an exploding population.

**Soap Opera Murders**

Also, due to the wonders of electronic media, the individual is constantly within hearing distance of the Viet Nam war and has grown up with violence as common as a television soap opera murder. An acute awareness of pressurized social conditions leading to everyday riots and uncertainty about the draft and peaceful

conditions of the world contributes to an unstable but informed younger generation.

The individual fits into the whole as a part responsible mainly to himself. That self usually blends with other selves and creates a society in which each person must live with others. Therefore, the individual must really consider himself responsible for more than his own actions and concern himself with more than the present.

**Self Knowledge**

June graduates — no, everyone planning to continue some form of education — should take self-inventory now while the sun shines. As Gibran says:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not his wisdom but rather of his faith and his lovingness.

And even as each one of you stands alone in God's knowledge, so much each one of you be alone in his knowledge of God and in his understanding of the earth.

News Editor

**Old Aircraft Gains New Life From Aviation Class**

By DAVID FRITZEN

And PAUL SULLIVAN, JR.

Last September a mechanical monstrosity in the form of a well worn Civil Air Patrol plane was taken in by the FCC Aeronautics Class.

Last Friday the students in the class were able to back away and look at a nearly new aircraft.

Now that the plane has been rebuilt it will go back into service with the CAP for rescue, research and training missions.

**Difficulties And Rewards**

Aeronautics instructor, Shannon S. Smith stressed the difficulties as well as the rewards of the aviation program.

Speaking of the text used in the course Smith said, "It must be extensively noted, as it is full of complex mechanical details and theories that must be digested and understood."

Although not specifically required in the catalog, Smith recommended algebra and geometry as course prerequisites. In addition

he stressed a reasonably high ability in reading comprehension.

**Two Sections**

The program of instruction is divided into two one-year sections: the first part is airframes and the next powerplants.

Airframes literally includes the whole plane minus any of the engine components or related systems.

Powerplants includes the engine and all related systems such as electrical and hydraulic, if it is included in the particular craft.

**Eligibilities**

After successful completion of the course, the students are eligible to take the Federal Aviation Airframe and Power plants examination.

After passing these tests the FAA will issue an A&P license.

Smith said these are world recognized "and are rightfully difficult to obtain, but licensed men are in extremely high demand."

**High Rated Success**

Because enrollment in the

course is expected to be heavy, Smith encourages immediate application for those wishing to take the course.

The course has a fairly high rate of student success, with many of its former members having received their A&P "tickets."

An interesting sidelight to the class is the number of its former members who not only are now licensed mechanics but are also licensed pilots.

**Former Students**

No exact figures are available, but three former members who are now at Fresno State College not only are licensed mechanics but pilots as well.

The titled distinctions are part of the FAA regulations. Before one may fly any multi-engine aircraft he must pass a specific FAA exam and be checked out by an FAA inspector. The same is true of anyone who wishes to pilot commercially. The education in this field is a little more extensive.

**Job Placement Center Serves Students In Employment Search**

By MARILYN THRONEBERY

Since it was established in 1962, the Job Placement Center has helped students find temporary, part-time and full-time employment.

Mrs. Dorothy Ediger, placement supervisor, said that she encourages more graduates to use the facilities for help in job placement.

Graduating coeds have the best opportunity for full-time and part-time employment as secretaries and camp counselors as well as working in theaters and drive-ins and as live-in housekeepers.

**Technical Field Shortage**

"Most anyone in the technical and industrial area will have no trouble finding full-time jobs," Mrs. Ediger said. "There is a need and shortage in the highly technical fields such as social work."

During the entire school year most of the jobs available were in business, industry, resort work, general labor and the fruit industry.

Jobs average between \$1.50 to \$1.75 an hour with a few exceptions.

Mrs. Ediger stated that students may sign-up for jobs in the Job Placement Center any time before school ends or during the summer.

This year there were an average of 140 students each month who received jobs through the Center.

She also said that students who submit their applications before the end of the school year must return before the beginning of the fall semester to review their applications.

Mrs. Ediger said that at this time there are more people than jobs. One of the factors, she said, that could change this would be the increase of the drafting of young men.

"It doesn't look too good for this year," she said. "The whole Fresno area has had a high unemployment rate. With high school students competing with almost 10,000 college students, competition is very keen for jobs."

**New President Urges Interest In Activities**

"I was completely overwhelmed."

This was Chuck Brietigam's reaction when he learned that he had been elected fall semester student body president.

"I was on my way out the door to go to work when I heard the phone ring," he said. "It was Tina Gyer, who had helped count the votes. She gave me the good news. I was so overwhelmed. I just flew to work. I was so happy."

**Hope For Progress**

Brietigam, a fourth semester industrial technology major, spoke enthusiastically about the newly elected slate of officers and the progress they hope to make.

"We invite student participation in all phases of student government and campus activities," he said. "We cannot emphasize this enough."

The student body president elect said that next fall there would be a two-day freshmen orientation,

Aug. 23 and 24, instead of the traditional one-day.

**Orientation Booth**

The ICC will have booths set up at various locations on campus with club members to answer questions and to invite freshmen students to join their clubs. Student Council members will serve as guides to freshmen students touring the campus.

"FCC will have the privilege of co-hosting the California Junior College Student Government Association conference with Hancock Junior College in Pacific Grove next year," he said.

Selecting student commissioners is Brietigam's first executive duty.

The Bullard High School graduate is an avid race car fan and did a little racing of his own on the Raisin City dragstrip. He plans to attend Fresno State College or Cal Poly upon transferring from FCC next spring.

Resume

# FCC Clubs Present Purpose, Functions

By BEV KENNEDY

**Editor's Note:** This is a general resume of the clubs and organizations which have been active this year at FCC. We hope that it will serve as a guideline to those who may be interested in joining clubs next year.

**Alpha Gamma Sigma**

The national campus honor society is open to all students who achieve and maintain a 3.0 grade average while carrying 12 or more units. Advisers—Mrs. Helen Bever, Victor Okkerse.

**AMS**

Membership in Associated Men Students' organization is open to all men enrolled in FCC. Members participate in social and service activities. Advisers — Carl Rustigan, Richard Cleland.

**AWS**

Associated Women Students membership admits all interested women at FCC. AWS sponsors fashion shows, dances and teas. Members co-sponsor the Spring Formal each year. Advisers—Miss Doris Deakins, Mrs. Sara Daugherty.

**Campus Religious Association**

A religious social group which

is open to students of all faiths. Advisers—Frank Attardo, William Day.

**Circle K**

A service Club is open to all FCC men. It is interested in building leadership and character in its members. Weekly meetings feature guest speakers. Adviser — Douglas Simpson.

**Delta Psi Omega**

A campus drama fraternity, open to all students interested in drama and the theater, assists in major productions such as Summer and Smoke and The Wayward Way. Members go on production tours and field trips. Advisers — Fred Johnson, Charles Wright.

**Fine Arts Club**

This club sponsors field trips to museums and art centers to stimulate interest in all the fine art sales and exhibit students' works on campus. Advisers—Curtis Draper, Kenneth Owens.

**Latin American Club**

This club is open to all FCC students, and sponsors the annual Noche de Fiesta dance. The club promotes understanding of Latin American countries and people.

Advisers — Gonzalo Estrada, Carl Waddle.

**International Club**

All students, foreign or American born, are invited to join this club which is interested in improving international understanding. Adviser—Dean Larson.

**DECA**

Distributive Education Club of America, a professional rather than social organization, is open to students planning to go into marketing.

Members must be enrolled in or have taken marketing and field experience classes and be employed in a retail business no less than 15 hours a week. Advisers—Dr. Gilbert Peart and Mrs. Leneve Leatham.

**Phi Ro Phi**

This organization is open to all students interested in debate, oratory and interpretive speaking. Club members compete on a local and state basis with other colleges. Adviser — Franz Weinschenck.

**Phi Beta Lambda**

Phi Beta Lambda is an organization for students majoring in business with the emphasis on business and office administration. Its aim is to develop competent business leadership and confidence in its members. Members compete in local and state conventions and sponsor various fund raising events. Advisers—Mrs. Mary Miller, Arthur DeManty.

**Phi Ro Nu**

Phi Ro Nu, a recently organized club, is open to those students interested in professional nursing. Adviser—Mrs. Mary Trett.

**Student California Teachers**

This organization, which is open to all students who are interested in or planning a teaching career, encourages a professional attitude toward education and offers teaching experience. Advisers—Bruce Morris, Mrs. Betty Asbury.

**Ski Club**

A newly organized club, its membership is open to all students

interested in snow skiing. Club members conduct a dry ski school at the beginning of the year and go on several ski trips during the season. Adviser — Mrs. Dorothy Turner.

**Rally Club**

Membership is open to all who

are interested in creating and maintaining school spirit for the various sports activities. Club members decorate for all the games. Advisers—Mrs. Georgene Wiedenhofer, Miss Claudia Larsen.

## Notes On News

**Board Of Trustees**

**Suggests Salary Boost**

A suggested salary increase averaging 7.7 per cent, was presented at the May 18 board of trustees meeting.

Stuart M. White, State Center Junior College District Superintendent, is in favor of the salary increase for faculty members of Fresno City and Reedley Colleges.

The board is expected to act on the salaries and budget for the next school year tonight at the regular board meeting.

The proposed budget for the next school year is \$5,375,886.

"You don't have to be at the top of the salary heap," White said, "but you don't have to be at the bottom, either."

White said Fresno City and Reedley Colleges had cut their personnel requests for additional instructors this fall in an attempt to use large-group instruction to meet the enrollment surge without adding new facilities.

**Art Exhibit In Progress**

FCC's annual student art exhibit, which started yesterday, will continue through today and tomorrow in Administration 230.

More than 100 pieces of sculpture, painting and ceramics are on display and on sale. The works are a result of a year's effort in the art classes.

The exhibit has traditionally been held outdoors, but because of thefts it was held indoors this year.

**Pi In The Sky**

An original screen play, being shown today and tomorrow, was written, edited, produced and directed by 10 FCC students.

Pi in the Sky is about the problems of personal identity in a computerized world.

The film will be shown today at 2 PM and tomorrow at 10 AM and 1 PM in Bungalow 7. Also, it will be shown again tomorrow at 3 PM in Bungalow 5. Admission is free.

Ten students from one of James Piper's English classes worked on the film.

**Outdoor Concert Tonight**

The 70-piece symphonic band will present their annual spring outdoor concert tonight at 8:30 in the east court of the Administration Building.

Vincent Moats will direct the symphonic band.

Selections on the program include Roger Nixon's Fiesta Del Pacifico and Norman Della Joio's Scenes from the Louvre.

The band will also play a special arrangement of Langlais' organ composition Prelude au Kyrie, which was arranged by Alex Molnar, an FCC music instructor.

The concert is free and open to the public.

## Facilities To Stay Open While Exams Are Given

The FCC Bookstore, Coffee Shop and Library will remain open during final examinations.

The Bookstore and Library will be open during regular hours.

"The Cafeteria will be open from 11 AM to 1:30 PM on May 31 and June 1," Dale T. Lumsden, manager, said, "but hot food will not be served."

**Cafeteria Closed**

The Cafeteria will be closed from June 2-8, but the Coffee Shop will be open from 7 AM to 3:30 PM that week.

Mrs. Jewel Dettinger, Bookstore manager, said the store will open all summer "to enable students to buy fall semester books any time."

The Bookstore will be open from 8 AM to 4 PM, June 12-16, and from 8 AM to noon every day the remainder of the summer.

**Inventory Of Books**

However, it will be closed for one week, June 26-30, for inventory purposes.

Mrs. Dettinger noted that books may be sold back to the Bookstore from June 6-8.

"All library books are due on May 31," Jackson Carty, director of library services, said.

He added that students may still check out books on a daily or overnight basis.

The Library will be open from 7:30 AM to 3:45 PM during summer school and will then close until the fall semester begins in September.

## Dr. John Duke Will Speak At Yearly Rampage Dinner

Dr. John Duke of the Fresno State College Journalism Department will speak at the Rampage's 15th annual banquet. His topic for the evening will be Mark Twain.

The dinner, scheduled to begin at 7 PM, will be held in Cedar Lane's Oak Room.

**All That Jazz**

Entertainment will be provided by the Bourbon Jazz Quintet, a

Dixieland band headed by FCC student Wayne Bedrosian.

Marsha Martin will be toastmistress, and committee members for the banquet are Linda Yazijian, Marilyn Thronebery, Rita Johnson and Mary Young.

Awards will be presented by Phil Smith, journalism instructor and Rampage adviser.

**Due Rewards**

Three semester pins will be given to Miss Yazijian, Spencer Kendig, Nellie Bonilla, Linda Garrett, Mary Morris, Ted Hilliard, Dick Hill and James Chappel.

Paul Sullivan and Jay York, former FCC students now attending Fresno State College, will also receive pins.

Miss Bonilla, the fall semester editor-in-chief, will introduce her staff members, and Sullivan and Kendig will also speak.

## All 19 Activities Applicants Will Receive Ram Awards

All 19 applicants for the FCC Gold and Silver Ram awards will receive them.

Awards are based on participations in student body activities and grade point average. The silver awards are presented to those students that have accumulated 100 points. Gold awards are given to students with 150 points or more.

**Qualification**

The other qualification is a grade point average of 2.0 for a silver award and 2.5 for gold.

Jim Adair, awards committee chairman, said the awards will be late in arrival. Students have the option of picking the awards up in the fall or receiving them by mail.

"This semester has seen a def-

inite upsurge in student activities," he said.

**Award Winners**

Recipients of the gold awards are Adair, Ken Bundy, Tina Gyer, Shirley Harrington, Kathy Lowry, Richard Machado, Greg Maloney and Tim Mancini.

Silver award winners are Diana Bechkoff, Doug Gallup, Rick Kaiser, Judy Kramer, Floyd Mahon, Audrey Ramirez, Ed Reid, Judy Rix, Sally Smith and Sandy Taylor.

1967 TENNIS TEAM — Ram Netters, from left, Rick Kelly, Buzz Calaway, John Gray, John Saludes and Everett Norcross. —Worsham Photo

# Ram Net Squad Members Finish Successful Season

By PAUL SMITH

The FCC tennis team ended its season last weekend in the California State tournament in Visalia.

Team members John Gray and Everett Norcross were defeated in the first round of the tournament by Jim Malon and Jorge Herrere of Pierce College in Woodland Hills, 8-6, 6-4.

State tournament winners were Eric Joachim and Mike Woodward of Fullerton Junior College in the doubles competition.

### Experienced Winner

Jim Rombeau, from Los Angeles Valley College, is a junior Davis Cup player, won the state singles title.

Rombeau now has a string of 26 consecutive victories, with none of his matches this year going over two sets.

In the state competition he defeated Joachim in the semi-finals 6-4, 6-2, and San Joaquin Delta's Roy Orlando 6-0, 6-0 in the finals.

### School Represented

At the tournament, 16 schools were represented. FJC won the competition with eight points, followed by LAVC with four points.

Third place winners were SJDC and Pasadena City College who collected three points each.

FCC Tennis Coach, Charles Stark said Gray and Norcross were a little nervous in the tournament and did not play under a natural condition.

### No Complaints

"However," Stark said, "I have no complaints on their or the team's performance this year."

Gray and Norcross are the first tennis team members in five years from FCC to qualify for the state tournament, he said.

"The team's competitiveness and desire in the Valley Conference, Regional and State tournaments have equalled or bettered any recent FCC tennis squad," Stark said. The sixteen colleges who qualified were contesting with 250 schools.

**Singles — Semifinals:** Roy Orlando, Delta, d. Charles Jurva, Fullerton, 6-2, 7-9, 6-2; Jim Rombeau, LA Valley, d. Eric Joachim, Fullerton, 6-4, 6-2. **Finals:** Rombeau d. Orlando, 6-0, 6-0.

**Doubles — Semifinals:** Joachim and Mike Woodward, Fullerton, d. Don Parker and Terry McIver, San Diego City, 6-4, 7-5; Hans Inthout and Steve Warfield, Pasadena, d. Gene Malin and Jorge Herrere, Pierce, 7-5, 9-7, 6-3. **Finals:** Joachim and Woodward d. Inthout and Warfield, 6-3, 10-8.

## Cindy Tigson, Runyon Win Tennis Tourney

Bryon Runyon and Cindy Tigson won the intramural tennis tournament May 17 in the round robin mixed doubles.

Runyon and Miss Tigson completed the intermediate competition undefeated in three matches with perfect scores of 6-0, 6-0 over Jim Hutchins and Cheryl Reardon.

Hutchins and Miss Reardon won the second place pin, winning two and losing one.

### Men's Singles

In the men's singles consolation tournament Gene Day emerged victorious over Dick Gong, 6-3, 6-4.

The beginning singles competition saw Doug Gallup come out on top in two out of three matches with Ernie Carman. The scores were 6-4, 2-6, 7-5.

The first place winners received trophies while those who placed second received pins.

"We had less people entered than we've had in several years," Mrs. Shirley Stilwell, tournament director, said. "It may have been due to the late start we had this year because of weather. However, it was evident that the ones who did come out to play, enjoyed the competition."

Mrs. Stilwell and Miss Jane Shriner, physical education instructors, co-sponsored the tournament.

## Fresno City College Cindermen Schedule State Track Competition

By HENRY LOZANO

Fresno City College trackmen will make a strong bid for the state championship Saturday when they travel to Modesto for the California State Track Meet. The first event is scheduled for 4 PM.

The Rams, who qualified six men for seven events, will be pinning much of their hopes on the performance of Sam Davis in the 100-yard dash, 220-yard dash and high hurdles; Marty Growdon in the 440 yard run, and Mike Wood in the shotput.

Ervin Hunt could also come through in the high hurdles, Erwin Ginsburg, the track coach said. He has a definite disadvantage, though, due to a healing pulled hamstring muscle.

### Relay Team

FCC has also qualified a mile relay team, consisting of Davis,

Growdon, Alan Nazaroff and Paul Konon.

"All of our boys have a good chance of placing," Ginsburg said. "It's quite an honor to be able to go to the state meet. Just being able to qualify is saying quite a lot for the FCC athletes."

"By qualifying we are in competition with the eight best junior colleges in California in each event."

### Competition

Leading the strong field of Ram opponents will be Neil Duggan of Allan Hancock College. He successfully defended his three distance titles — the 880, mile and two mile at the Northern California Junior College Track Finals at San Mateo last Saturday.

Hancock College took first place at the championships with a record of 142 points. The Rams finished second with 56 points.

Davis took the 100-yard dash in a record time of 9.4, but he was beaten in the 220 by Hancock's Jim Hatcher with the time of 21.2.

### Shot Put

Weightman Mike Wood won the shot put event at 53 feet seven inches.

Other Rams that scored were Ervin Hunt, fourth in the high hurdles with a 14.6; quarter-mile Growdon; third at 48.1; two-miler Frank Luna, fifth at 9:32, and miler Konon, fifth at 4:16.5. The mile relay team came in a very close second clocked at 3:18.3.

## Mislang Captures Powerlift Award

Ron Mislang captured the outstanding performer award in the first annual FCC power lift championships last Friday.

Mislang entered in the 165 pound class. He bench-pressed 305 pounds, squatted 345 and deadlifted 380 for a total of 1,030.

He was declared best lifter because of the amount lifted in accordance with his weight.

### Heavyweights

Bob Mossman and Stan Bauer tied for first place honors in the heavyweight division with identical total of 1,080 pounds.

John Medaris won the 198-pound division with 965 pounds.

Mossman, Bauer and Medaris are Ram football players along with many other contestants.

### Other Winners

Other division winners were: Eddie Moraga, 123-pound, 585; Dan Rarver, 132, 545; Casey Schneider, 148, 880 and Charles Frazier, 181, 820.

All the class winners automatically set school records.

Twenty-one FCC students entered the meet. Eric Biswell, a student at Mt. Whitney High School, competed on an exhibition basis. The 123-pounder set two Central California Amateur Athletic Union Association power lift records by squatting 260 pounds and deadlifting 360 pounds.

## Spring Sport Athletes Honored At Banquet

FCC's top athletes in all spring sports were honored by their coaches Tuesday night in the Cafeteria.

Lloyd Sanders, an all conference basketball player, and sixth man on the all league team, and Gary Reagan, a top hitting outfielder on the baseball squad, received top honors of the night, the Harry Coffee All-American Blanket Awards.

Outstanding athlete awards went to Ed Mastropoalo, golf; Russ Simpson, wrestling; Doug Fluter, swimming; John Gray, tennis; Gary Reagan, baseball; Lloyd Sanders, basketball, and Sam Davis, track and field.

### Most Improved

The most improved athlete awards were presented to Dave Milutinovich, golf; Eddie Moraga, wrestling; Roger Stromberg, swimming; Buzz Calaway, tennis; Charlie Gassett, baseball; John Glavinovich, basketball, and Paul Konon, track and field.

Athletes who received letters for one year of performance on a spring sports team were Jerry Borton, Blaine Ghan, Ted Karas, Ed Mastropoalo, Dave Milutinovich, and Dave Samarco, golf.

In wrestling, Raul Contreras, Tom Green, Dick Kinnison, Joe Marquez, John Medaris, Eddie Moraga, Eddie Ortiz, Jerry Provincio, Pedro Rios, Lew Roberts, Russ Simpson, Dan Tarver and Earl Walls received letters.

### Swimming

Lynn Button, Doug Fluter, Scott Holmes, Elden Rice, Lee Sadler, Roger Stromberg and Floyd Tal-

bert, on the swimming team received letters.

Buzz Calaway, Rick Kelly and Everett Norcross received tennis letter awards.

Bob Auten, Bill Avedeban, Steve Ball, Ross Bauer, Terry Buck, Moe Dibuduo, Bob Garcia, Charlie Gassett, Bill Gavello, Bob Groth, Doug Hansen, Dave Marshall, Gary Reagan, Steve Shannon and Bob Souza received baseball awards.

### Basketball

Ted Atkins, John Glavinovich, David Marshall and Tim Natsues received letter awards in basketball.

Harold Alexander, Carl Beard, Larry Gomez, Craig Hawkins, Andy Hansen, Tom Kearns, Paul Konon, Robert Lemley, Jim Moore, Pete Moosoolian, Robert Popp, Jim Rodgers, Russ Schmidt, Rick Wegley, Mike Williams and Mike Wood received track and field awards.

A second year letterman who received a sweater from the golf team was Roger Stiles. Wrestling team members receiving sweaters were Ben Brase, Keith Boyer, Paul Herschfelt, Ron Lott, Tom Opperman and Phil Wells.

Don Denny and Gary Martin received sweaters in swimming.

### Second Year Sweater

John Gray, tennis; Len Cargill, Don Krick and Richard Madron, baseball; David Marshall, Hank Polk, Jack Redford, Floyd and Lloyd Sanders, Donald Slade and Andy Wolf, basketball, all received sweaters for two years in a sporting event.

"Give me that ball, or you'll be jar-bait for Biology 1B!"
