DeCarlo Calls Night Confab; Talk Budget

A night meeting for student council members will be held Tuesday, October 11, at 7:30 p.m. in M-22. Business will be discussion of budget, the student conference at Bakersfield, parking problems, and policies for the fountain and social room, Larry DeCarlo, student president, announced.

OFFICERS MUST ATTEND

The following officers are asked to attend: Student body president, student body vice president, student body secretary, student body treasurer, board of representatives, fourteenth year class president, twelfth year class president, president of Associated Men Students, president of Associated Women Students, commissioners of athletics, assemblies, social affairs, publicity, publications, oral arts, scholarship, and student welfare, and chief and associate justices of student courts.

NO MONEY VOTED YET

The budget is as yet unapproved. Some department requests will have to be cut, but must still maintain enough funds for working purposes.

The fountain and social room will be open soon. A committee will be appointed in the near future to form the rules and regulations by which it will be governed. Anyone with suggestions is requested to drop them in DeCarlo's mail box by the Library.

City Officials No Help On Parking

Action of student leaders to have car-parking time increased in the vicinity of the Fresno Junior College from one hour to two hours by the city traffic department, has met a snag, Larry DeCarlo, student president, announced today.

Two student officers, Gene Hamblen, vice president, and Don Bischoel, treasurer, acting on complaints of students who found their cars tagged on several occasions, visited the office of Mayor Gordon Dunn seeking a change in the present one hour parking ordinance.

Yesterday, DeCarlo said, the mayor's deputy, George Hartwell, sent a copy of a recommendation by Robert D. Dier, City Traffic Engineer, to the school.

The copy, which was addressed to Hartwell, explained that merchants in the vicinity of the school when contacted by the traffic department, had expressed the opinion that a two-hour parking limit would hurt their businesses, as it would cause congestion in front of and near their stores.

"On the other hand," the report states: "close in parking is not absolutely essential to young students, who are able to walk a block or so from parking spaces farther from the school."

The traffic engineer recommended that students and merchants get together, decide upon a satisfactory parking scheme, and submit that plan to the City Commission. Then, he said, a new parking ordinance could be drafted for the school area.

Looking over the list of Fresno rooters who will take the special chartered bus to Coalinga for the football game tomorrow night is Lou Anne Holland. Al Peart, rally committee chairman, and Mona Lee Crabtree look on.

Openings Left On JC Special

Ram backers who would like to make the trip to Coalinga tomorrow night may still get reservations on the bus which has been chartered by the Rally Committee. El Peart, chairman of the Rally group, said today.

Thirty-seven reservations must be made before the trip can be financed, Peart said, and if enough people sign up additional busses will be chartered. The charge for a round trip ticket is \$1.80.

WANT BIG ROOTING SECTION

"The bigger our rooting section at Coalinga is, the better we will be able to show our support to the team on the field," the Rally chairman emphasized.

Student body cards will admit Fresno students to the Coalinga game, Assistant Dean Harold Sanderson said yesterday. If enough students decide to make the trip it may be possible to have a rooting section set aside at the game for JC students alone.

BUS LEAVES AT 5:45 P.M.

The bus caravan will leave the Fresno Junior College campus at 5:45 tomorrow afternoon and will arrive in plenty of time for the game.

"Making trips to athletic contests away from home is a part of college life," Peart mentioned in urging students to consider the trip. "What better way to get to know your fellow students is there than to make a 140-mile trip with them in a private bus."

Junior Housewives Sought

Any girls who are interested in doing housework in private homes in exchange for room and board may see Miss Willa Marsh, Dean of Students, who has several such jobs listed for junior college girls.

FRESNAN DISTRIBUTED FROM NEW BOXES

Red and white boxes for the distribution of the Fresnan were completed by boys of Seth Cowan's wood shop and put into use today for convenience of students in picking up their weekly copy of the paper. The paper is furnished free to students from funds set aside by the Board of Representatives from the sale of student body cards and from revenue derived from advertising.

Twelfth Graders Will Vote Monday To Name Officers

Twelfth grade students will elect class officers for the fall semester on Monday, October 10, when balloting takes place in M-24 during the noon hour and from 3 to 4 p.m.

The senior class nominating committee urges that all seniors give careful consideration to the election of their leaders as many important duties for the class must be performed before February.

The ballots will include the names of the following candidates: For president, Don Moulden and Joan Koller; for vice president, Jack Merriweather, Joyce Ortiz, and John Scott; for secretary, Laura Henton, Dona Stone, and Marge Ditomaso; and for treasurer, Delores Miller, Katherine Ascrizzi, and Dona Hinds.

The elected president will become a voting member of the Board of Representatives, the legislative body of the Junior College.

Class officers will soon have to consider such things as the selection of a senior photographer, plans for the Senior Ball, collection of senior dues, and preliminary plans for commencement in June.

Committee Plans Social Calendar

Student groups who desire to hold dances, assemblies, rallies, or other student functions must first contact the Social Affairs Committee, Joan Koller, chairman, announced today, so that the committee can schedule the event on the school's social calendar.

The deadline for getting on the social calendar is October 14, the chairman warned. "Organizations planning to take part in school activities should get busy and prepare their own social events for the year as they may find later in the year that it is impossible to arrange a suitable free date."

Petitions for obtaining a date on the calendar have been prepared by the committee and may be obtained from Miss Willa Marsh, Dean of Students. Information needed by the committee before a date can be established includes the name of the organization, type of event, date, time, place, admission charge, and estimated expense. When the petition has been approved by the Social Affairs Committee, the event will be placed on the calendar.

At the time the organization files for a date with the committee, the representative of the organization will receive a printed sheet explaining the policies formulated by the student government group regulating student social functions.

The social calendar will be printed in the October 20 issue of the Fresnan.

MAILBOX USE INCREASES

Use of the Fresno Junior College student mailboxes, in the main corridor, has increased steadily during the past week. Miss Willa Marsh, Dean of Students, said that more students should take advantage of the boxes provided by the Associated Women Students.

Fair Program Will Picture Aims Of FJC

The purpose of the Fresno Junior College will be outlined by students to the general public tomorrow evening at 8:30 at the Education Building at the Fresno District Fairgrounds.

In a prepared program, members of the Radio Production class will present the aims of the college in the community. The talk, led by Duane Barker, narrator, will be accompanied with the showing of lantern slides, illustrating the aspects of the school program being discussed.

Other radio class members who will take part in the program are Rosemary Kreutzer, Bob Ridges, Don Scheidt, Charles Cady, and Armande Sigmund. The slides which will be used have been prepared by Don Douglas, art student.

KING GETS COOPERATION

"The program has been made possible on short notice through the terrific cooperation of the art department, the music department, the commerce department, the shops, the physical education department, the radio electronics class, and the home economics department," Joe King, chairman of the program, said.

These are the songs from the musical "The Sound of Music" under the direction of Licens, who will present "Moonlight and Roses," "We Rams Are Brave And Free," "Caissons Go Rolling Along," and the FJC Pep Song. Members of the chorus are Evelyn Steinkamp, Joan Koller, Carol Johnson, Pat Christian, Ted Robertson, George Hall, Don Moulden, and Gerald Berg.

DRAWING WILL BE HELD

Sometime during the program, King announced, a drawing will be held to award 10 tickets to the Visalia-FJC football game to be played Saturday, October 22. Two JC coeds will distribute free tickets for the drawing at the fair; the winner must be present in the audience to win.

Students are urged by the radio class to direct their parents to the program so that questions concerning the activities and purposes of the college might be answered.

Publication Staff Has Openings

A meeting of all students who are interested in working on the staff of the Fresnan will be held tomorrow noon in the Publication Office, Room M-22, Art Margosian, editor, announced today.

The organization of the staff will not be completed until final approval of the budget by the Student Council, Margosian said, and students who come in to the meeting tomorrow will be considered in the light of past experience on publications in high school or in junior college.

Enrollment is also open in the beginning journalism class at 1 p.m. daily, Gordon Scott, publications sponsor, announced, and part time credit can be allowed for late enrollment in the lab journalism class at 2 on Tuesdays and Thursdays.

THE ART OF BACK SCRATCHING

"You scratch my back and I'll scratch yours," is a rather blunt expression which is worthy of consideration by Fresno Junior College students on the day of the first issue of the Fresnan.

The merchants whose ads are displayed in this issue and those merchants who will later become advertisers are "scratching the back" of the school and of the students. Revenue from the sale of advertising to them will partially defray the costs which are incurred in printing, engraving, and photography — costs which otherwise would have to be borne by the students.

The merchants are scratching our backs.

We should return the favor if we expect them to continue.

When we are in the market for clothing, services, amusement, food, or school supplies, we should consult the columns of the Fresnan and see which merchants are our supporters. If they are making it possible for us to have a weekly school newspaper, then we should help them by visiting their stores and buying their products.

Make it a habit to study the advertisements in the Fresnan. Make it a habit to patronize the advertisers who are "scratching our back."

And make it a habit also of reminding the merchants that you are a Junior College student, and saw their ads in the school paper, and are "scratching their back" in return.

MEET FJC — YOUR NEW HOME

Over three-fourths of the students at the Fresno Junior College this year are from local high schools — Edison, Roosevelt, or Fresno High. It is fitting and proper that these students shall have carried with them a loyalty to their prep alma maters.

The problem of student leaders now — and a problem on which hangs the success of student activities throughout the year — is whether a genuine enthusiasm and loyalty can be created by local students to their new school, the Fresno Junior College.

Student officers and leaders have this year tackled the problem of setting up sufficient and varied activities to engage the interest of all students. Because of the comparative recentness of the origin of the Junior College, no idea concerning additional experiences for students will be turned down without serious consideration. It is the purpose of the administration and of student officers to provide as much opportunity as possible for students to participate in student government and planning.

The framework for a year of enjoyment for all students is already erected. It is for the students themselves to do the operating and to do the "enjoying."

Students of the Junior College must take part in all that presents itself in this next eight months so that upon their departure from the school they can say that they "lived" during their stay in junior college.

TAKE IN THE FAIR

The Fresno District Fair opened its gates Tuesday with the welcome to all the public to "come early and stay late — it will take hours to see it all."

The Fair, besides providing more amusement per square foot than any other event during the year, is an educational attraction which all youth should witness. On the 145-acre exposition grounds this year will be over 15,000 exhibits, an increased amount of entertainment, daily horse races, and a \$2,000,000 livestock show.

Tomorrow night the Fresno Junior College will present a half-hour program designed to acquaint fair-goers with the aims and purposes of the school.

Visit the 54th annual Fresno District Fair. The time spent will be a good investment, both for education and for amusement.

CLASSES ORGANIZE SLOWLY

With the announcement in today's Fresnan that the twelfth grade students will hold an election Monday comes the awareness that the younger set at the Junior College has jumped the gun on their elder classmates.

As yet, the thirteenth and fourteenth year classes have made no stir to supply the Board of Representatives with elected presidents to help with the task of budgeting for the year. When the budget is voted upon next Tuesday evening it will probably be done without the approval or disapproval of representatives of the upper classes at the college.

Students Seeking Awards Must File Petitions In Office

Those students who wish to receive Associate in Arts degrees or twelfth year diplomas of graduation in the June, 1950, commencement exercises must file their petitions no later than October 15, 1949, Maurice Reetz, Dean of Instruction, warned today.

The following have submitted petitions for the Associate of Arts degree evaluation: Donald R. Bischoel, Maurice Fitzpatrick, Betty Lou Horton, Leo Mike Margosian, Margaret Rose Margossian, Tessie Elizabeth Matthews, Evelyn Ruth Steinkamp, and Ila Jean Wenzel.

SENIORS WHO HAVE FILED

Twelfth graders who have filed for diplomas of graduation are Bobby Juanita Baker, Lois Cole, Virginia Lee Gilles, Mary Jean Held, Elvira Hernandez, Carol Jacqueline Johnson, Andrew Keteian, Gilbert Khachadourian, Joan Lola Koller, Mabel Geneva Lancaster, Juanita Licato, Joyce Elaine McCann, Flodell McIntosh, Alyce Misakian, Cordie Evelyn Phillips, Dona Mae Stoner, Ester Szabo, Eva Joy Tucker, Betty Lee Wagoner, Carol Ingrid Wick, Irene B. Wickam, and Marjorie Elizabeth Wood.

FORMS AVAILABLE IN OFFICE

Petitions for filing for both of these awards are available at the switchboard in the office. Those who do not file for evaluation by October 15 will have no assurance of being included in the June, 1950, exercises, Dean Reetz said.

Locating the many new books which the library has obtained over the summer is a full time job for Don Moulden, left, and Darlene Horch, librarian assistants.

New Books Fill Library Listings

A great variety of new books have been added to the shelves of the Fresno Junior College library.

Miss Eda Kusch, Librarian, in speaking of the increased appeal to book lovers, listed several which would be of particular interest to junior college students.

"France, Paris, and the Provinces," by Dore Ogribils, is a remarkably illustrated and descriptive book about France and its possessions.

"Wayfaring Stranger" is an autobiography of Burl Ives and includes many experiences that students would find amusing and fascinating.

A story of our airforce in Florida, "Guard of Honor," is an action packed volume by James Gould Cozens.

The experience of the author on the Bowdoin in the Polar Regions are related by Miriam McMillian in "Green Seas and White Ice."

"Over the Reefs and Far Away," by Robert Gibbings is a book which would appeal to those who have visited, or are interested in the South Seas.

Two books which would be especially interesting to teen-agers are "Pink Magic," by Margaret Lee Runbeck, and "Three to Make Ready," by Catherine Furlington.

Fourteen New Teachers Join JC Faculty

This year the FJC teaching staff has been enlarged with the addition of 14 new instructors. Here are short biographies of some of the newcomers; the next issue will contain biographies of the other new staff members.

An ex-Fresno State student and graduate, Mr. Joe "Wonderful personality" King comes to FJC via Reedley College. Speech is his field and he will also be in charge of rally and assembly activities.

FROM FRISCO

Mrs. Dorothy Gossett, a new addition to JC's commercial department, is initiating her teaching career at JC this year. After graduating from Oregon State, Mrs. Gossett obtained a secretarial job in San Francisco where she was employed until coming here.

Another graduate of Fresno State College, Mr. Richard Jones is also initiating his teaching profession this year. Mr. Jones received his BS degree in Physics last year, and is teaching College and Shop physics and shop math at present. Mr. Jones was a pilot in the US Air Force during the last war.

LONG TIME TEACHER

Mr. Garland Murphy, a graduate of Murray State College of Kentucky, has been in the teaching profession for 11 years. Previous to entering the teaching field, Mr. Murphy was engaged in accounting for 10 years. Mr. Murphy also holds a MS in education from the University of Kentucky.

Hailing from the Lincoln Grammar School, Miss Essie Audrain has a tough job in teaching the Chinese students here the English language. After one year of instruction the students know the English language well enough to enter regular JC classes. Miss Audrain holds a special secondary degree in Education.

Retail merchandising, a most interesting course, is being taught by Mr. Clifford Hawkins, who hails from Shelton, Washington. Mr. Hawkins has a BA degree in secondary education and has taught in Washington state high schools for seven years. Mr. Hawkins is an ex-officer in the U.S. Army, and during the last war held top positions in the education department of Washington.

FBI EMPLOYEE

Employed by Uncle Sam in the FBI and then the U.S. Army Intelligence Corps., Mr. Stanley Bennett taught at Hanford High School last year before coming here. Mr. Bennett was very active in the Army Intelligence Corps having

Scholarship Group To Meet Monday Afternoon In M-11

The first meeting of the Alpha Zeta Chapter of Alpha Gamma Sigma, honorary scholarship society, will be held in Room M-11 at 3 p.m. Monday, October 10, Angelo Minnette, president, announced today.

The following members are asked to attend: Anthony Bush, Mary Lou Etheridge, Larry Luna, Leo Margosian, Thelma McKee, Richard Ralston, Gerald Richardson, Elva Hazel Rechart, Joe Saucedo, Artie Ray Stewart, James Taylor.

Lois Cole, Virginia Gilles, Lou Ann Holland, Douglas Holderidge, Helen Irvine, Joan Koller, Mabel Lancaster, Joyce McCann, Delores Miller, Jack Meriweather, Shirley Running, Dona Stone, Margie Woodfin, Carol Wick, Beverly Williams, and Evelyn Steinkamp.

Dr. Lucille Williams and Miss Mary Harney are sponsors for the organization.

Business Leaders Group Schedules First Meeting

The first meeting of the Future Business Leaders of America will be held October 11. Location of the meeting will be announced later on the bulletin boards.

The purpose of the organization is to develop better leadership among business students and train them for the business world.

The president, Evelyn Steinkamp, encourages all students who take one or more business courses to attend.

Miss Gertrude Stubblefield and Mr. Stanley Bennett are co-sponsors under the direction of Miss Ethel McCormack, head of the Business Education Department.

served in China-Burma-India theater for two and one-half years.

Up from the Panama Canal Zone where she taught foreign languages, history, and dramatics for 18 years, Miss Phyllis Spencer is the foreign language teacher at FJC this year. Miss Spencer is a notable person having received two medals and numerous scrolls from Panama for her efforts in promoting good inter-American affairs.

Night Classes Are Open To Students

Some classes in the Adult Education Department are still open and would make valuable supplementary study for Junior College students, Robert Aspinall, director, said today.

Classes in the adult school usually meet on Monday and Wednesday, or on Tuesday and Thursday from 7:15 to 9:15 p.m. Some short unit groups are set for only one night a week.

"While these classes offer only high school credit, brush up in specific subjects may be very much worth while," Mr. Aspinall said. Adult classes are free and there is no tuition charge, but students must purchase books and other needed supplies.

Students who wish to take night study may sign for classes in the Adult Education office, across from the Junior College office in the main wing.

Shop Kept Busy On Fair Exhibits

Several instructors and students have been spending the past week preparing exhibits for the Fair. Friday night will be Junior College Night and all exhibits will be complete at that time, Robert Hansler, chairman of the industrial education department, announced.

In the auto shop at present are two trucks of the City Schools which are undergoing a thorough rebuilding. Day classes are working on one of the trucks and night classes are handling the other.

All shop classes are filled to capacity necessitating the scheduling of one of the Junior College classes at the Edison High School.

Indoctrination in care and use of tools and equipment is going on in most shops for the benefit of new students.

Seniors Will Call For Sweaters Tomorrow Noon

Sweaters ordered last year by twelfth grade students will be delivered tomorrow at noon in M-24, Paul Mueller, senior sponsor, said today.

The white sweaters have been knitted by the Kay Sweater Mills of Fresno, and have a Ram emblem on the pocket bearing the initials FJC and 1950.

Seniors were warned by Mr. Mueller to bring the balance due on the sweaters; this amounts to \$5.30 on the \$10 sweaters and \$10.30 on the \$15 sweaters.

JC Crim Students Receive Invitation

Criminology students who expect to transfer to the Fresno State College upon completion of their work at the Junior College are invited by William Deinstein, head of the criminology department, to take part in departmental activities at the college.

Several students attending the JC have already gained employment through the employment bureau maintained by the criminology department, Dienstein revealed, and others are invited to make application.

Masini, Ex-49er Is Hired As New Equipment Man

Newcomer around football practice sessions this season is Leonard Masini, former Tech all-city fullback, who has been employed as equipment manager for the Rams.

Masini, who carries the nickname "Mickey" from his high school days, saw three years of football experience with Fresno State before entering the Army. Following his army days he returned for another successful season at State before joining pro football ranks. He played fullback in 1947 for the San Francisco 49'ers and midway in the 1948 season was sold to the Los Angeles Dons.

Masini is now working part time for the junior college while finishing work on a teaching credential at Fresno State. When time permits on the practice field, he is able to impart some valuable tips to Ram backfield men.

"Home of the Fresno Falcons"

OVER THE CENTER

By ART MARGOSIAN

With fleet-footed Larry DeCarlo pacing the way with three touchdowns, the Fresno Junior College Rams lambasted the Reedley College Tigers 31 to 13 last Thursday night in the Ratcliffe Stadium.

The victory marked the Rams debut into the Central California Conference and was an impressive one.

The Rams jumped ahead in the first quarter scoring 19 points, with John Savona making the initial score and DeCarlo scooting across with two. Bob Cobb and Mike Ryan looked impressive with long runs and Bob Bradford and George Bundy sparked in the line.

NICE RUN

A beautiful run by Duane Lyman set up the next Ram score. Gonzalo "Slinging Sam" Valencia passed to Joe Ybanez in the end zone to end the first half scoring for the Rams. The halftime score was 25 to 0.

JC reserves all saw action in the first half and continued to play their share in the second half. Midway in the third quarter, Reedley capitalized on a Ram fumble to score their first touchdown.

FINAL TD

Late in the third period Savona, Cobb, Al Mendoza, Ryan, and Valencia worked the ball down to the Reedley 24 yard line, with DeCarlo running the remaining distance to rack up his third TD of the evening.

Reedley countered with one more touchdown before the final gun as Sparks passed to Garcia for the score.

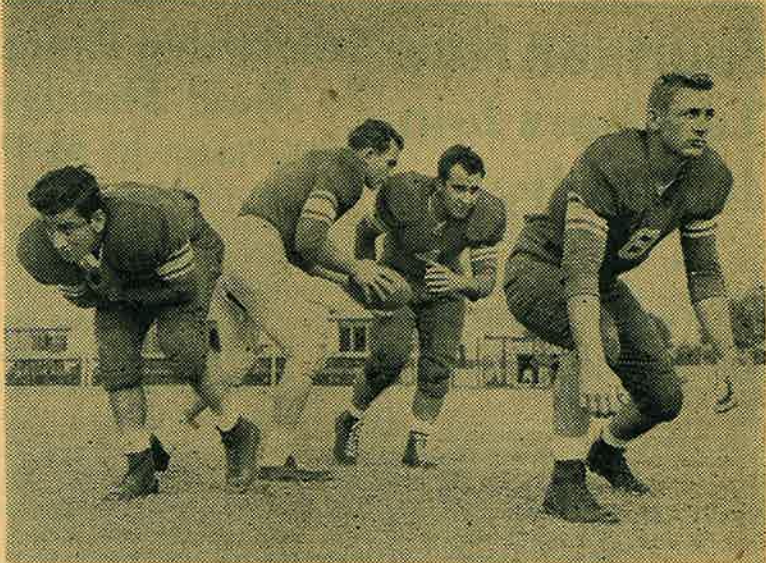

Garcia, Sparks, Donabedian, Johansen, and Aivazian were the sparkplugs for the Tigers. DeCarlo, Savona, Ryan, Lyman, and Cobb were the sparks in the JC backfield and Lyman Ehrlich, Bradford, Don Washer, Jim January, and Ledio Fanucchi stood out in the Ram forward wall.

In other CCC play the Coalinga Falcons rolled over the Porterville Pirates 25 to 0. Another conference team, the College of Sequoia at Visalia fell before a non-conference Placer JC eleven, 12 to 7.

It looks like the COS champs will have to play top football in order to reach the peak again.

Running through plays in preparation for their second conference game tomorrow night in Coalinga are (left to right) John Savona, left half; Mike Ryan, quarterback; Larry DeCarlo, right half; and Bob Cobb, fullback.

Rams, Coalinga Will Battle In Conference Tilt Tomorrow

The Fresno Junior College Rams will be out for victory number two in conference play Friday night when they meet the Coalinga Falcons in Coalinga.

The Rams went back to work yesterday afternoon to prepare for the Falcons. Coach Warren "Stoney" Johnston expects everything but the old kitchen sink from the Falcons Friday.

PROBABLE STARTER

The probable starting lineup will be: ends, Jim January and Lyman Ehrlich; tackles, Jim Jayne and Ledio Fanucchi; guards, Gordon Johnson and Bob Bradford; center, Warren Wright; halfbacks, Larry DeCarlo and John Savona; fullback, Bob Cobb; and quarterback Mike Ryan.

The Coalinga Falcons have won one and lost one thus far this season.

The Falcons dumped Porterville Junior College 25 to 0 last week after losing a toughie to the College of Sequoia Tartars 20 to 13 the preceding week.

LAWSON SPARKLES

Rough running fullback Robert Lawson has scored three touchdowns in the past two contests and is expected to ramble again for the Falcons. The probable starting lineup for the "Coalingaites" will be ends, Dockstader and Newhouse; tackles, Tinsley and Bucher; guards, Ellis and McGowne; center, Clayton; halfbacks, Stephens and Henry; quarterback, Sommers; and fullback, Lawson.
