Fresno State Scribe Predicts Close, Bitter Tussle Saturday

By ART MARGOSIAN, former Rampage Editor

The rampaging Fresno Junior College Rams will be out for their fourth consecutive win when they tangle with the Fresno State College Bullpups come Saturday night in the Ratcliffe Stadium. Game time is 8 p.m.

Last year the Rams massacred the Frosh to the tune of 39 to 0. However, the 1950 edition of the Frosh is expected to provide double trouble for the JCers.

Having seen both teams in action and studying their records, this writer, a former Fresno JC sports writer and presently an FSC scribe, thus, an unbiased bystander, selects the Rams by two touchdowns. Comparing records the Rams have copped three and lost one while the Bullpups have won one and lost one. FJC bowed to Monterey, 27 to 13 in their initial scrap, but came through and skinned the Reedley Tigers, 26 to 13; skimmed by the pre-game favorite Hartnell Panthers, 13 to 12; and last week bounced Pierce JC, 32 to 19.

The Frosh, who have been bothered with injuries throughout the campaign, fell before the Cal Poly

Orville Crane, FJC center, won the award of "Outstanding line-man for the week," given by Jess Olinger, Ramble Inn manager.

Ron Chapanian, fullback, won a free haircut from the Jay-Cee Barber-Shop for making the first touchdown of the game.

Frosh, 19 to 6 and then went on to humiliate Reedley JC, 25 to 6. If the Reedley game is used as a basis of comparison, the Frosh have a slight edge, but since the FJC-Reedley game was the Rams first home battle, other points have to be considered.

Since beating Reedley, the Ram backfield featuring the hard running of bruising fullback Ronnie "Little Giant" Chapanian and Duane Lyman, and halfbacks Edsell Beasley and Pete Toomajian, plus the fine quarterbacking of Bob Rodgers have named the JCers as the team to beat. In the line stalwarts Ledio Fanucchi, Buford Edmonson, Lyman Ehrlich, Pete and Tom Belden, Ara Arax, and Charles Tessedore, spell trouble for opposition.

Taking a look at the Bullpup lineup one finds all league backs from many outlying communities and a number of out-of-state play-

Smoker Tonight Is First AMS Affair

The Associated Men Students Smoker will be held tonight at 7:30 in the Ramble Inn. John Mullins, president, has invited all members and guests to attend this, the first AMS event of the season.

Men who have paid their AMS dues will be admitted free, as the Smoker is part of the activities planned for this semester. Men who have not paid their dues will be charged 50 cents for a card which will entitle them to membership privileges.

The entertainment committee, headed by Joe Spino, plans a full length movie, the title of which is a secret.

Ledio Fanucchi and Clint Wheeler, the refreshments committee, are making preparations to serve sandwiches and cold drinks.

Mullins urges every member to come to this Smoker to get acquainted with the other members and to further student-faculty relationships.

Other officers of the AMS are Ledio Fanucchi, secretary, and Ralph Holeton, treasurer. The office of vice-president was left vacant when Charles Garabedian joined the Marines. This office will be temporarily filled at the next executive meeting.

Fourteenth Year Class Announces Plans For Dance

Plans for a dance and appointment of chairman of standing committees were features of the 14th-year class meeting held Tuesday in M-24.

Theme of the dance, which is to be held December 8 in the south gym, is a closely-guarded secret at present, Bill Davidson, 14th-year president, said today. Plans are underway to make it a big event.

Chairmen of standing committees were appointed as follows: Glen Gehringer, maintenance; Frances Johnston, publicity; Sidney Wilson, program; Sally Lane, decoration; Bob Sani, ways and means.

Members appointed to serve on the ways and means committee with Sani are Louise Villanueva, William Marter, York Boyajian, Ellen Sharp, Cleveland Eastep, and Wayne Wenzel.

Two committees for which chairmen are yet to be named are refreshment and ticket.

Rowena Campbell was appointed to fill the executive council vacancy of Corresponding Secretary.

A meeting of the executive council, ways and means committee, and all committee chairmen is scheduled for Tuesday, October 24, at 12:30 in M38.

A general class meeting will be held on October 31.

Yearbook Hangs In Balance; Council Withholds Verdict

Will Fresno Junior College have a yearbook? That is the latest question before the student council.

"The question cannot be answered with a plain 'yes' or 'no,'" reported Louis Ingraham, last year's yearbook editor, at a recent student council meeting.

The two main problems facing any yearbook publication are those of finance and adequate staff members to do the necessary work.

EDITOR MAKES REPORT

When the question of finance was raised, Ingraham was asked to report to the student council on how the Rambler was financed last year, and any other information that might be considered important to the present issue.

Several pertinent facts were brought to light. The cost of last year's annual was as follows:

460 copies 1950	
Rambler	\$1,730.00
460 covers padded,	
extra @ .20	92.00
460 books sewed,	
extra @ .15	69.00
Authors corrections	3.75
	1,894.75
Sales tax	65.32
	\$1,961.07

In addition to an income from advertising and sale of extra books of \$572.87, the student body budget allowed the publication \$1,225 for

Polls Open Today For Class Election

There will be a thirteenth year class meeting today in the south gym. The purpose of the meeting is to introduce candidates for class officers.

Voting polls will be opened at the conclusion of the meeting and will remain open until 1 p.m. They will also be open on Friday from 12 to 1.

Candidates for president are Clint Wheeler and Orie Chleborad; vice president, Marilyn Coffman, Mary Ann Hightower, Joan Marie Scherer, Delbert Felisiano, and Richard N. Soares; secretary, Pat Wiley and Betty Powers; treasurer, Mary Janney, Wilma Rogers, Emmy Lou Bray, and Martin Jackens.

The election committee urges all thirteenth year students to attend this meeting and to vote.

FJC Building Gets 'New Look'

The smell of paint and the men in white overalls will soon depart from the Fresno Junior College as the painting project, "Operation Splatter," draws to a close.

Remaining rooms to "get the works" are the faculty coffee room and the photo lab on the ground floor. One week is the estimated time needed to finish the work.

With four painters on the job the last two weeks, the basement hall now wears bright new colors and the clock-tower fire escape claims the title as the only school fire escape to be painted red and yellow.

MARITAL DIFFICULTIES caused by burned finger, cold dinner, and late husband will be ironed out at the rally-assembly tomorrow. Husband-and-wife team is composed of Floyd Poore and Marie Lipscomb.

Johnston To Present Squad At Rally; Skit, Yells Featured

A rally in the south gym at 10:20 tomorrow morning will feature a skit presented by Mrs. Phyllis Spencer. The team will be present, with yell leaders and rally girls on hand to add to the program.

The skit, entitled "Bless Our Home," is built around the

Dance To Follow Frosh-Ram Game

Jack Ralston's Four Notes band will play for the dance Saturday night following the State Frosh-Fresno Junior College game. Both teams have been invited free of charge.

Ralph Holeton, Rally committee chairman, announced that the band will play for two full hours.

Duke Potere wrote the Frosh team, inviting all members to attend, State students have also been extended an invitation, and their student body cards will be honored.

Prices for the dance are as follows: 10 cents with full-privilege (green) student body cards, 25 cents with limited (white) student body cards, and 50 cents without student body cards.

Decorations are being planned by a committee composed of Sidney Wilson, Duane Soares, Marilyn Coffman, and Emmy Lou Bray.

Associated Women Students' president, Lois Tvede, is in charge of refreshments for the dance.

Frosh-Fresno Junior College game at Ratcliffe Stadium Saturday night. Floyd Poore and Marie Lipscomb are taking the parts of the skit's husband-and-wife team. An unusual "human curtain" will be used in place of the usual variety.

Coach Stoney Johnston will introduce the team and announce the probable starting line-up. Yell leaders will talk the yells through so that they will be fresh in the minds of students for the game Saturday night.

PEP GALS TO STRUT

Rally girls will open the assembly with a fast-moving routine set to the music of the school band. They will perform on the stage, where everyone may easily see them, to the tune of "On Wisconsin." Mr. Lowell Spencer's band and the rally girls have been practicing to improve routines.

"Assembly turn-out has greatly improved since the changed schedule provides for having all rallies on Friday at 10:20," remarked rally committee chairman Ralph Holeton today, "but we hope to see every FJC student there tomorrow."

The schedule for the rally and classes tomorrow morning is:

Period	Time
First	8:05-8:45
Second	8:50-9:30
Third	9:35-10:15
Rally	10:20-11:10
Fourth	11:15-12:00

PUBLICITY ADDS COLOR TO HALLS

Posters being used in the building and in front of the school are just the beginning of the Fresno Junior College publicity, announced Marylea Muir, commissioner of publicity.

Miss Muir added that anyone who has the ability or is interested in doing this type of work should see her.

Those on the committee are Delbert Felisiano, Clint Wheeler, Harold Bitter, Donald Phillips, and Gene Likens.

THE NON-COMMUNIST OATH

Refusal of some University of California professors to sign non-Communist oaths has been given a lot of publicity in recent months.

The oath is a document that declares the signer does not belong and has never belonged to any organization or ideology which advocates the overthrow of our government by force. The person who signs the document is subject to the penalties of perjury if the statement is untrue.

Since the penalties of perjury can be somewhat rough, the best reason for refusing to sign the oath is that the statement would not be true.

The reason generally given for refusing to sign is that being forced to do so is an infringement of personal liberty. Perhaps it is. But if the Communists were to take over in this country as they have in others, the liberty of all of us would suffer more than an infringement.

Furthermore, a well-known fact is that the Communists like to place their agents in strategic spots to take control of government and industry in any country they try to convert to their way of thinking.

If they could control or even influence the schools, their battle would be three-quarters won. That's something to think about, if not for our generation, then for the one coming along.

People have expressed wonder over the fact that a non-Communist should object to signing a non-Communist oath. That thought has occurred here as well.

It isn't necessarily true that where there's smoke, there's fire; a piece of dry ice in a bucket of water can accomplish the same effect. But it is a proven fact that one bad apple can spoil a whole barrel if the bad one is left there long enough.

annual production. This left the annual \$163 in the red. At present this is still an outstanding debt which will have to come out of the General Fund of the student body.

MUST CUT EXPENSES

Ingraham reported that if a committee investigation can discover ways to cut the cost of the yearbook 10 to 15 per cent it might be possible to publish one this year, but if they cannot find ways to cut costs "they better look around for a good substitute."

The council was advised that publishing an annual calls for a staff of fourteen or more hard working students.

"These students must be the type who will work until the job is done. Too many times on last year's staff, a member failed to live up to his responsibilities," Ingraham said.

NAMES STUDENTS

A committee was appointed to investigate ways and means of cutting costs. Members are Mabel Lancaster, Ron Kent, and Lois Tvede.

Three JC Gals Go To Game—The Hard Way

"Tulare or Bust"

Coeds Make Game a Must

The chartered bus, which was to transport students to the Pierce Junior College-Fresno Junior College game, was cancelled at noon last Friday, leaving a few guys and gals "waiting at the gate," so to speak.

Of these unfortunate souls, three gals decided that the only way out was to pool every available penny and dime, and to go to the game via the canine special, the Greyhound bus.

They boarded their four-wheeled chariot Saturday evening and, with pom-poms waving madly, arrived at the game in time to join a group of Ram rooters watch the rampaging Rams butt the hapless Pierce Junior College Brahmas from one end of the field to the other.

On the journey home the bus, on which the Ramette trio had secured passage, developed engine trouble, and our little friends decided that the only way to beat the one o'clock home curfew was to get out and hoof it. It happened that Si Pipkin, Rampage sports editor, was chugging along 99 in his "hopped up" 1922 Essex, and he offered the foot-sore gals a ride; consequently, they arrived home on time, and so we fall back upon the old proverb that "All's well that ends well."

STATE CONFERENCE LEADERS TO ATTEND

Six Fresno Junior College students and one faculty member will attend the three-day state Junior College Conference in Sacramento next week.

Junior colleges throughout the state will send representatives to the Sacramento conference. Delegates will stay at the Senator Hotel, and will have use of State Assembly chambers in the Capitol building for their meetings.

FBLA Sets Date To Elect Officers

The election of officers for the Future Business Leaders of America will take place on Tuesday, October 24 at 7:15 p.m. in the social room.

The Rampage "Whozit" contest starts this week and will continue for seven more issues.

Each week a different picture will appear in the Rampage. The picture will be of a Fresno Junior College student, and will have a portion of the faces blocked out.

Student body card holders who think they know who the pictured student is should fill out the coupon and deposit it in the box in the Rampage office, M16. Valuable cash and merchandise prizes will be awarded to students who turn in the most correct entries.

The contest may be entered any week before it ends, but students should start as soon as possible to have an equal chance with everyone else.

The easy-to-follow-rules are:

2. Only one entry may be submitted by any one student for each week of the contest.

3. Each entry must be signed and student body card number must be entered in space provided.

Stockton Students To Appear At FJC Rally Next Week

Stockton College will send a 45-minute entertainment assembly to Fresno Junior College next Wednesday at 10:15 a.m., as a part of their annual Round-Up activities to which FJC students have been invited.

A letter to Duke Potere, student body president, from Mike Heraty, Stockton College student body president, asked for an exchange rally between the two schools. They have been invited to appear here for a rally assembly in the south gym.

Plans for Stockton's Round-Up are built around the Stockton-FJC football game this year. School will be over at noon for Stockton, and an all-afternoon rodeo will precede the game. After the game, a dance is scheduled in the Civic Auditorium until 1 a.m. FJC student body card holders are invited to the dance at no charge.

Although FJC could not send a rally program to Stockton on such short notice, plans are now underway to do so at a later date.

ART CLASSES ACCEPT LATE ENROLLMENT

Miss Kate Darling's art classes are still open for enrollment for one, two or three hours. The deadline for registering for these classes is next week.

Classes open on Monday, Wednesday, and Friday are Color and Design meeting from 9 to 11, and Drawing and Painting meeting from 1 to 3. Those open on Tuesday and Thursday are Commercial Art and Costume Design, meeting from 1 to 4.

Students into whose schedule these classes do not fit may see Miss Darling about making arrangements.

These classes are on a non-credit basis, but a student may petition for credit at the end of the semester.

FJC Women Enjoy Varied Activities At AWS Hi-Jinx

Movies, singing, and games at the recent Associated Women Student's Hi Jinx Party proved a big success for both teachers and students.

A pot luck dinner preceded the evening of fun-making which started off with a comedy movie starring Bud Abbott and Lou Costello. A Woody Woodpecker reel was also viewed by the gathering.

Group singing and animations by several people kept everyone in high spirits.

Entertainment was provided by Wilma Rogers who sang and Joan Pacheco, who did a Hawaiian dance.

Lois Tvede, President of the AWS, stated, "I was very pleased with the turnout for the Hi Jinx and I am hoping that the Spaghetti Feed will go over just as big."

Withdrawal Warning

Maurice Reetz, Dean of Instruction, today reminded students that they must go through official withdrawal procedures in order that the registrar will not be compelled to enter a WF grade on the students record.

Each student who wishes to drop a course should see his faculty sponsor and obtain a drop slip to be signed by the teacher and returned to the office.

PETE TOOMAJIAN cocks his arm to hurl a pass as the Pierce Brahmas charge during the second quarter of the Tulare Elks benefit game last Saturday night. The Rams won the game, 32 to 19.

Ramblin' Rams Take Pierce JC In Stride In Tulare Elks Game

With a superior show of strength and the excellent teamwork of the line, the Fresno Rams rolled up an easy victory over the Pierce JC eleven from Canoga Park by the score of 32-19 last Saturday night to stretch their present winning streak to three straight.

The game, played at Tulare under the sponsorship of the Tulare Elks Club, attracted nearly 4,000 fans who watched the Fresno Rams overpower the spirited attempts of the Southern California gridiron team.

With the score 19-6 at the end of the first half the Ram reserves played most of the second half and still held back Pierce's best attempts to even up the score.

PJC FUMBLES

The Rams started the scoring in the first quarter after recovering a Pierce fumble on the 50 yard line. Pete Toomajian, Ram starting half-back, took the ball on a hand-off through the Pierce line for a 7-yard gain. Ron Chapanian, leading yard gainer, took the ball on another hand-off through the line and plowed his way pass the Pierce defenses for 42 yards. He was stopped on the one foot line by the desperate leap of a Pierce defensive back. Chapanian came right back to finish his job by pushing over the goal line standing up. Lyman Ehrlich, end, made good the conversion to make the score 7-0.

EVENS SCORE

Pierce JC erased the FJC lead as Bill Shipps, Pierce starting quarterback, threw a quick pass from his 40-yard line to Dick Moran, LA end, who ran the ball unchallenged into the end zone. The Pierce conversion attempt failed. Fresno, perking up after Pierce's quick touchdown, came back at the start of the second quarter with a drive downfield rolling up five first downs under the leadership of Winston Beasley, Ram halfback who ran 36 yards in five tries. Chapanian finished the drive diving over the goal line on fourth down. Ehrlich's conversion try failed, making the score 13 to 6.

Bob Rodgers, Ram quarterback, was succesful in his first try at passing as he threw the ball from the 45-yard line to end Ehrlich who caught the ball on the 15-yard line and ran over the goal standing up. The first half ended with Fresno ahead 19-6.

The second half found Rodgers throwing his second touchdown pass, this time to Jerry Halverson, left end, who danced into the end zone, boosting Fresno ahead 26-6 as Ehrlich made good the conversion.

Pierce came back in the third and fourth quarters to make two more touchdowns as the game ended.

With basketball practice officially starting, the Fresno Junior College cagers will settle down for some serious work, Paul Starr, Ram basketball coach, said today.

All men interested in playing basketball for the JC team must sign up no later than October 24, stated Coach Starr. Men who will not be available for practice until after the deadline and who still wish to try for the team must contact Starr now.

TOUGH SCHEDULE

Twenty men are presently out for practice and following the football season, a number of others will report. With 30 tough games slated on this season's prospective schedule, a large turnout is needed, Starr stated.

All work-outs will be held in the Hamilton Junior High Gym every night during the week except Fridays, from 4:30 to 6:30 p.m.

Last year's record in league games was 10 wins and 4 losses. The total wins and losses including the practice games was 16 wins and 15 losses.

The first practice game is tentatively scheduled for November 17, Starr said.
