## Latest Ruling On Draft Call Is Reviewed

An additional interpretation by the American Council On Education of the Selective Service bulletin on draft status of junior college students reached the school this week.

The bulletin states that postponement of induction of a junior college student "is based solely upon actual enrollment in school at the time the call for induction comes and satisfactory progress in the courses."

Rank in the upper 50 per cent of the class is not a requirement for postponement, the interpretation states.

Though postponement of induction of enrolled students may not be denied by local selective service boards, deferment at the end of the school year may be denied.

Previous rulings on deferment of students who received a postponement during their first year follow: all three conditions must exist and be certified by the college to the local board:

1. The registrant has completed at least one academic year of full-time course of instruction at a college.
2. The college at which the registrant last completed an academic year of a full-time course of instruction certifies that the registrant's scholastic standing placed him among the upper half of his class.
3. The registrant had made arrangements prior to August 1, 1950 to enroll in a full-time course of instruction.

## Journalism Meet Attracts Writers

Six staff members of the Rampage, Fresno Junior College newspaper, will attend the semi-yearly meeting of the San Joaquin Valley Scholastic Press Association at Fresno State next Saturday.

Marie Lipscomb, Silas Pipkin, Mabel Lancaster, Rudeen Bruce, Avrice Morgan, and Duke Potere will take part in morning discussions on management and editing of junior college publications. In the afternoon they will listen to Rod Beaton, a United Press Bureau manager, who will explain the workings of a press association to the junior college group.

A noon luncheon is also planned. Last year's yearbook, the Rambler, has been entered in the critical rating service offered by the Press Association.

## MOVIES FEATURE AMS SMOKER NIGHT

The Associated Men Students Smoker held last Friday in the Ramble Inn was termed a success by those who attended.

Two full length comedies, cartoons, and sports features were viewed. Following the show the AMS members enjoyed mixed sandwiches, soft drinks, and ice cream.

Gene Likens was chairman for the affair and along with John Mullins, expressed their thanks to the committee members who helped with arrangements.

DELEGATES to the State Junior College Convention today, tomorrow, and Saturday, pause for cameraman prior to their departure early this morning.

## Seven Fresno JC Delegates Attend State Meeting Of Student Leaders

### COS-FJC Game Bonfire Rally Set

Plans for a serpentine and a bonfire rally on November 3, before the College of Sequoias-Fresno Junior College football game, are being made by the rally committee, announced Duane Soares, new rally committee chairman.

The afternoon serpentine will begin in front of the school and go through the downtown area.

The bonfire rally will start at 7:30 p.m. at First and Dakota Streets, with the yell leaders and pep girls on hand to help with the spirit of the event, said Soares.

A map will be printed in the next issue of the Rampage with full directions on how to get to the bonfire rally.

The rally committee has secured permission from the Fresno City Fire Department for the COS-FJC bonfire rally.

### PARKING WARNING

Students who park their cars in the alley behind the Church of the Nazarene, across from FJC, may be interested in a report that parking will no longer be allowed.

Cars parked there in the future will be hauled away and held until a \$12.50 fine is paid, the church reported late yesterday.

Representatives from Fresno Junior College are now attending the California Junior College Student Government Conference in Sacramento today, tomorrow and Saturday.

Delegates from junior colleges throughout California are representing their schools at the Sacramento convention. They are staying at the Senator Hotel, and will have use of State Assembly chambers in the Capitol building for their meetings.

Conferences are held each year, and are for the purpose of acquainting all junior colleges with what other similar institutions are doing in various fields and activities. Regional conferences in each of the three divisions—Northern, Central, and Southern—are held each year as a preliminary to the state convention. FJC delegates attended the central regional conference at Santa Maria on September 29 and 30.

Problems discussed at Santa Maria were those of Finance, Publications, and Protecting Our Freedom. A resolution to fight Communism wherever it might appear was adopted to be presented for approval of the state convention.

"We will do our best to represent Fresno JC for the benefit of every student now attending FJC," President Potere stated before his departure for Sacramento.

## Financially Shy Men Plug For Twirp Season

By AVRICE MORGAN

Many, many years ago (a million or so), a fellow named Adam walked up to a gal named Eve and said: "If you will kindly consent to be my date for the evening, I will gladly surrender this delicious red apple to you." (A few historians probably have entirely different opinions as to what actually transpired at this meeting). But anyhow, Fellows, this was the beginning of the age old tradition of boys asking girls for dates, girls accepting dates, and the boys financial status going to pot, but quick.

Down through the ages many campaigns have been waged by the big, strong men in an attempt to at least strike a happy medium on the subject of who is to pay for the dates. The latest of these

campaigns is the one known as Operation T-W-I-R-P, or The Woman Is Requested to Pay.

DON'T GO AWAY, GIRLS. Now just relax, gals, the staunch supporters of this movement are not suggesting that Operation T-W-I-R-P should be in effect on a yearly basis; these lads just want a little financial assistance for about one week out of each school semester.

If T-W-I-R-P season should be declared on the Ram campus the following rules and regulations are a must for the men:

1. All men, while in the presence of women, should display an attitude of complete indifference.
2. When approached by a Ramette and asked for a date, a man must take plenty of time

## Student Car Pool Planned To Stockton Game, Dance

Stockton College will have a big dance at the Stockton Municipal Auditorium following the Stockton-FJC football game there Saturday night. Fresno Junior College students are invited to attend both game and dance, where student

body cards will be honored.

## Frosh Class Vote Ends Tomorrow

Polls for the thirteenth year student officers election will be open between 12 and 1 until Friday in front of the south gym.

Candidates for offices were introduced at a class meeting Tuesday. They are: president, Orle Chleborad and Clint Wheeler; vice president, Marilyn Coffman, Mary Ann Hightower, Joan Marie Scherer, Delbert Felisiano, and Richard N. Soares; secretary, Betty Powers and Pat Wiley; treasurer, Mary Janney, Wilma Rogers, Emmy Lou Bray, and Martin Jackens.

Voting has been heavy and the election committee is expecting a number of votes from absentees and people who have not had the opportunity to vote heretofore.

The outcome of the election will be posted on the bulletin board Friday afternoon as soon as the election committee has compiled the votes.

Class members are anxious to install new officers so that plans may be made for the rest of the Fall semester.

## Armistice Float Theme Selected

"World Peace Through Education" will be the theme of the float to be entered in the Armistice Day Parade by the Fresno Junior College.

The general plan is to have a boy dressed in a cap and gown holding a scroll representing "Education" with girls dressed in the native costumes of the world sitting around him.

The main student committee are Lois Tvede, Joyce Wilson, John Mullins, and Clint Wheeler.

Decorating and undecorating committees are to be appointed at a later date, said Miss Tvede.

Anyone interested in helping on these committees is asked to contact the above mentioned people.

## SOPHOMORES HEAR COMMITTEE REPORTS

The fourteenth year executive council met Tuesday in M38 at 11:00 to discuss committee reports.

Wednesday noon in M38 all members of the executive council, all members of the ways and means committee, and chairmen of all class committees will meet.

"Attendance is requested as there are to be important matters that must be settled at this meeting," said the class president.

Si Pipkin, Rampage sports editor, is sponsoring a car pool sign-up for students who wish to attend the game and dance. There is a sign-up sheet in the Rampage office and one in the Bookstore.

### SIGN-UP ENDS TODAY

Students may sign-up until 3 p.m. today. The charge for the round trip will be 70 cents to be paid to the driver of the car. Pipkin urges all students who have cars to sign up as soon as possible.

Stockton College is building its annual Roundup, a celebration sim-

## Football Players Will See Stanford-Washington Tilt

The Fresno Junior College Rams will visit Stanford Saturday to watch the Stanford-Washington game, Coach Stoney Johnston announced today.

After staying all night in Stockton after their game Friday night, about 31 members of the JC eleven will head for Stanford Saturday morning in private cars.

The team will usher Saturday until the game starts then take their designated seats to watch the game.

ilar to FJC Rambler Day, around the FJC-Stockton game. A letter from the Stockton College student body president invites all FJC students to attend and take part in the festivities.

### RALLY CANCELED

Stockton had planned to send a rally-assembly program to FJC yesterday, but were unable to do so.

Publicity chairman Marylea Muir has announced that crepe paper streamers and bumper banners will be available for all cars going to Stockton.

The game will be played in recently completed Baxter Stadium, which was dedicated last week and seats 65,000 people.

## Business Leaders Name Fall Officers

a business meeting of the Future Business Leaders of America on Tuesday night, and the semester's events were scheduled.

Betty Gunderson was elected president; Virginia Bier, first vice president; Martin Jachens, second vice president; Janet Ochiner, secretary; Adele Summers, historian; and Joyce Wilson, reporter.

Diane Vartanian was elected representative to the rally committee, and Marie Lipscomb was elected to head the project committee.

Installation of officers and initiation of new members is scheduled for November 28, with a potluck dinner also on the program.

A field trip to Sun Maid Raisin Growers Association headquarters is planned for November 14. Business students who are not members of the FBLA will be invited to join the field trip.

### CALENDAR OCTOBER

## Alma Mater Lack Seen At Games

A lot of Fresno Junior College students felt somewhat let down following the Frosh-FJC game last Saturday night.

Not that everyone wasn't very well satisfied with the score and the team's performance; it was a good game from every standpoint.

Immediately after the game the Fresno Staters swung into song. They have an alma mater. JC students could only gulp and remain silent.

At the first of the semester there was some talk about an alma mater. What happened to it? We think that some enterprising lyric writer could do his school a great service by composing a few immortal words. A good alma mater is immortal; it outlasts any hit-parade number ever sung, and no school is complete without one.

### WANT A "GREASE JOB" . . . OR LUBRICATION?

If you want your car to last longer, it needs more than a "grease job" every thousand miles. It needs the kind of personal attention we can give it. ## Alpha Zeta Meets To Plan Initiation

Plans for the initiation of new members will be discussed at the meeting of the Alpha Zeta Chapter of the Alpha Gamma Sigma on Tuesday, October 31, at 12:05 in M11.

"Anyone who belonged to the California State Scholarship Society in high school or had a 2.5 grade point average last semester is eligible for temporary membership," said Mabel Lancaster, acting president.

Those on the initiation committee are Ron Kent, chairman, Adele Summers, Louise Villaneuva and Leo Sinclair.

Miss Marjorie Smith, history and photography instructor, has been named to co-sponsor Alpha Zeta with Dr. Lucille Williams.

## HELM RATES CLASS ON JOB INTERVIEWS

Latest activity in the Personal Development classes is the opportunity of a job interview. Mr. Richard M. Helm, Coordinator of Distributive Education, Fresno City Schools, is the interviewer.

Actual interviews were closely duplicated and ratings were given students. Job applicants were admitted to the office by a student secretary. After being interviewed by Mr. Helm, they were given suggestions on how to improve their methods on future job applications.

Miss Gertrude Stubblefield, instructor of Personal Development for Women, said that such practical experience is a regular feature of the course.

## DANCE BAND SEEKS INSTRUMENTALISTS

"Come out, come out where ever ye are."

This is the current cry of Mr. Lowell Spencer in his effort to recruit musicians for the dance band.

This group, which is slated to play for noon dances, rallies, and shows, has several vacancies in its ranks. Musicians are needed for the following instruments: piano, string bass, baritone sax, and two trombones.

The band meets at ten o'clock on Monday, Wednesday, and Friday, in M16. If any student is interested in joining this group, please contact Mr. Spencer at once.

That money isn't everything  
Is readily believable  
Until you hear from those to whom  
You are Accounts Receivable.

People who don't pause to notice on which side their bread is buttered probably count on eating both sides.

# Soares Fills Rally Head Job Vacated By Ralph Holeyton

Duane Soares replaces Ralph Holeyton as rally committee chairman. He was elected at a meeting of the rally committee held Tuesday. Members also voted to ask each campus organization to send a representative to rally committee meetings.

Soares said today that he believes all rally-sponsored activities can be bigger and better if all clubs will cooperate in planning and carrying out projects. To date, the AWS, the AMS, and the FBLA have pledged support, and representatives have been elected to attend rally meetings.

Holeyton left Fresno Tuesday afternoon. He boarded a Southern Pacific train enroute to an Army Air Force base in Texas, where he will undertake his six-week's basic training.

Holeyton received an honorable discharge from the National Guard in order to enlist in the Air Corps. "I'm really glad it's over," said Holeyton just before his departure for the wide open spaces. "The suspense, I mean. Now I can stop checking my mail every day for that 'Greetings' I was expecting."

## 'HUT' GRID GUESS

Kathleen Morey regards a scale model of an over-sized ear as she prepares to take an audiometer test in the north gym today.

## Hearing Expert To Visit School

How is your hearing? Mr. Richard DeWitt, expert audiometrist for the Fresno City Schools, will be at Fresno JC on October 30, 31, November 1, and 2, to give free hearing tests.

Tests will be given in the north gym during PE classes. Those students who do not have PE may take the test during their free time.

A Western Electric Audiometer, a machine resembling a phonograph with earphones attached, will be used for the test. Students will be given a form on which they will write down what they hear which will be numbers recited by different voices.

Mrs. Ruth Paley, school nurse, urges all students to take advantage of the opportunity to have their ears tested.

## Gridders Win Awards

Charles Tessendore, right guard, this week won the award of "Outstanding Lineman for the Week," winning a free lunch given by Jess Olinger, Ramble Inn manager.

Ron Chapanian won his second straight haircut from the Jay-Cee Barber Shop for making the first touchdown against the Frosh.

## Frosh Game Dance Draws Big Crowd

Jack Ralston's Four Notes band and a drawing for door prizes were main features of the dance in the south gym Saturday night following the State Frosh-Ram game.

Attendance at the dance was termed "very satisfactory" by John Mullins, who took over for Ralph Holeyton who is going into the Air Corps.

"Perhaps we can continue to have dances after the close of the football season," he continued, "since everyone seems to enjoy them so much."

Door prizes were a picnic set donated by Service Amusements, a stuffed red-and-white ram donated by the FJC bookstore, and two free sandwich-malt-and-banana split dinners donated by the Royale Drive-in.

Decorations included paper-covered goal posts and cutout heads of rams and bulldogs, to represent the two teams' mascots.

Those who won door prizes were Pete Topolous, picnic set; Lois Tvede, ram; and a Fresno State student, two free dinners.

## Former Fresno Junior College Students Wed

Larry De Carlo, former FJC student body president and football star, was married to Miss Betty Florence, also a former FJC student, on October 14.

De Carlo was president of the student body for the Fall semester of 1949, and Miss Florence was football queen last year. De Carlo is now attending Fresno State College.

## Best Hoop Season Foreseen By Ram Coach Paul Starr

With one week of workouts behind them, the men of the Fresno Junior College hoop squad appear to be headed for a great season on the hardwood.

Coach Paul Starr is anticipating the best basketball season in the history of the junior college, though he will be without the services of Lloyd Heavin, last year's leading scorer in the CCJCC.

### FOOTBALL MEN EXPECTED

Starr expects more of a balanced team with the men who have turned out so far. There are still several members of the football squad to be heard from that should help round out a talented squad.

Coach Starr has intimated that he will work along with a man-to-man defense, and with the occasion, call for the use of the more difficult zone defense. His offense will be based on a fast break.

### PRACTICE UNDERWAY

Workouts are being held daily at the Hamilton Junior High from 4:30 to 6:30 p.m. Any one interested in participating in interschool basketball is invited by Starr to come in to the PE office and see him.

A heavy tentative schedule has been prepared by the coach, including 24 games and two tournaments. Half of the games are away and half are at home. Next week the Rampage will print the schedule in its entirety.

Though beauty's said to be skin deep

A lot of ladies seem to think it looks a little deeper when the skin is fox and mink.

BOB RODGERS, quarterback, and Ron Chapanian, fullback, practice a hand-off as they prepare for the Stockton-FJC game tomorrow night in Stockton.

## Rams To Meet Toughest Foe Tomorrow Night In Stockton

"Can we maintain our winning streak?"

Coach Stoney Johnston's Rams will answer that question tomorrow night when they match their strength against the powerful Mustangs at Stockton College.

Statistics point to a tough game as both teams show a record of four wins and one loss to date.

Monterey College bested the Rams 27-13 in the season opener; Monterey also scored an earlier 20-14 win against Modesto, victors over Stockton last week, 7-6.

### COMPARATIVE RESULTS

If statistics prove anything, and if the Rams put up the fight they did against the Monterey Lobos, Stockton will have a real battle on their hands.

Stockton has their eyes on the "Little Rose Bowl" contest this

December, and only spirited teamwork on the part of the fighting Rams can cloud their hopes.

### MENTORS SEE STOCKTON

Ram coaches Johnston and Hans Wiedenhofer scouted Stockton's last game with Modesto and were really impressed with the speed and hustle of the Stockton eleven.

"The Mustangs carry plenty of depth in their squad and use the platoon system of substitution," Weidenhofer said.

A real test of strength is expected as fullback Roy Banducci, leading yard gainer for Stockton will match his drive against fullback Ron Chapanian, leading yard gainer for the Rams.

### Other Opponents' Scores

Taft JC, 25; Los Angeles Valley 19.  
COS, 7; Long Beach City, 40.  
Stockton, 6; Modesto, 7.  
Coalinga, 25; Reedley, 8.

## FJC Outplays State Bullpups In Gridiron Thriller, 25-14

Over 2,000 cheering fans watched the FJC Rams override the determined Fresno State Bullpups Saturday night as Fresno Junior College, sparked by the driving power of fullback Ronald Chapanian, came out on top of a 25-14 contest at Ratcliffe Stadium.

The State Frosh desperately tried to hold back the Rams and twice took the lead in the scoring, but the JC linemen showed a superior force of drive as they twice blocked the bullpups kicking attempts deep in the Frosh territory. Both times the Rams went on to run the ball into the end zone.

Chapanian led the scorers by making 3 touchdowns and led in the yards gained on the ground for his fourth straight game. Other outstanding offensive backs were Pete Toomajian, veteran right-half, and the Beasley brothers, Edsell and Winston.

### QB PITCHES STRIKE

Bob Rodgers, the Ram's competent quarterback, showed his ability at passing by throwing a well placed pass to Lyman Ehrlich, end, who made the Ram's fourth touchdown.

The Fresno Junior College Rams boast four consecutive wins and one loss, that to the Monterey Lobos in the first game of the season.

The FSC bullpups showed an impressive aerial attack throughout the entire game by completing 9 out of 19 passes, but could not overcome the spirited drive of the

Ram linemen and the work of the JC defense backfield.

### FROSH BOUNCE BACK

The Bullpups' two touchdowns were made in the first and third quarters, both times giving them a temporary lead.

Kieth Carlen, Frosh fullback, took the ball through the line in the first quarter for a 35-yard dash into the end zone. The Frosh made good the extra point, moving them in the lead 7-0.

The Rams came back to move into the lead as Chapanian drove into the end zone, once in the first quarter and again in the second quarter. The half ended with the Rams ahead 12-7.

### SOMMERS HITS LISLE

The Bullpups, determined to get back in the game, started off the second half with Fred Sommers, Frosh quarterback, throwing a 45-yard pass to Chappie Lisle, left-end, putting the ball on the JC 10-yard line. R. L. Benson, left half, took the ball around end and ran standing up into the end zone. The try for the extra point was good and the Frosh again moved into the lead, 14-12.
