## Fresno Junior College Student Spirit Is High For College Of Sequoia Pre-Game Activities

### Building Bonfires For Rally Keeps Committee Busy

Building two bonfires, one more than they had contracted for, and preparations for the serpentine and after-game dance kept rally committee members busy over the past weekend.

The original bonfire, which took four days to build, was burned Friday afternoon by "unknown vandals." The only clue to their identity was a bundle of College of the Sequoias newspapers found on the scene of the burning.

More than twenty cars decorated with red and white streamers and appropriate signs took part in the afternoon serpentine which proceeded noisily through downtown Fresno. John Mullins drove the lead car, followed by a truck carrying the Fresno Junior College band and the rally girls, who waved their pom-poms in time to the music.

It was during the serpentine that the bonfire was burned. As soon as the "crime" was discovered, rally members set out to rebuild the

Further confirmation came today of the identity of last Friday's bonfire burners. A letter from Jack Hansen, publicity director at College of the Sequoias, enclosed a picture of the original bonfire.

Mr. Hansen reports that the picture and a note explaining it were placed on his desk by a person or persons unknown to him. He said he has no idea who was responsible for the "dastardly deed."

pile. Several people helped. Among them were Dick Schwabenland, Mel Wagner, and rally committee advisor, Mr. Joe King, who each brought a load of wood. Four days work was duplicated in less than four hours.

The rally came off on schedule, with a yell led by Janice Hall, Clint Wheeler and Glen Geringer. Mr. Joe Drilling, sports commentator for radio station KMJ, was on hand to make a few comments. Henry Kachorian substituted for coach Stoney Johnston, who was in Taft scouting the Rams' opponents this Friday.

Members of the football team sang songs, among them "I'll Take the Neck from Some Old Bottle" and their own version of the Ram fight song.

### HONOR SOCIETY WILL HOLD INITIATION FETE

A semi-formal initiation of new members of the Alpha Zeta Chapter of the Alpha Gamma Sigma will take place tonight in the social hall at 7 p.m.

Mabel Lancaster, acting president, is in charge of the initiation program.

The general committee, Ron Kent, chairman, Adele Summers, Louise Villanueva, and Leo Sinclair; and the program committee, Miss Lancaster, chairman, Joyce Tacadena, and Richard Soares, have completed all arrangements for the evening.

Janice Hall leads a yell at the Fresno Junior College burning of the bonfire last Friday.

Only COS students witnessed the first burning of this bonfire on Friday afternoon.

### STAFF WILL MEET

The Rampage staff will meet tomorrow noon in M16 at 12:45 p.m. Marie Lipscomb, editor, announced.

## Music Department Plans Rally

By AVRICE MORGAN

Preparations are being made by the Music Department for a gala rally which is to be staged Friday, November 17, prior to the Porterville Junior College-Fresno Junior College game.

The show, which is under the direction of Mr. Lowell Spencer, will be built around the school dance band, a Ramette vocal group, and the German band.

Mr. Spencer has announced that Terry Angell, who has been playing with name bands in the southland, will be on hand to give out with one of his sensational drum solos. Angell attended high school on this campus when it was known as Fresno Tech, and is rated as one of the finest young drummers in the country.

### Football Queen Chosen By Team, Honored At Dance

Janice Hall, Fresno Junior College yell leader, was crowned football queen as a highlight of the dance in the north gym Friday night. FJC students and guests from several other schools witnessed the coronation.

Miss Hall was chosen by members of the football team, who kept their selection secret until the night of the dance. The new queen, was presented with an orchid corsage after the crown was placed on her head.

A blue and white canopy stretched above the dance floor and crossed goal posts were features of the decorations for the dance. Those who did the decorating were Sally Lane, Marilyn Coffman, Mary Ann Hightower, Duane Soares and Sid Wilson.

Students from Fresno State, College of the Sequoias, Reedley College, Roosevelt High School, and Fresno High School responded to the invitation issued at the game. All student body cards were honored.

Kenny Wells and his orchestra played for the dance. Although the accent was on a slower tempo, there were some fast numbers for jitter-bug fans. Students and faculty alike expressed their approval of Mr. Wells' music.

The next dance will be held on Saturday, November 18, following the Porterville game.

### MEMBERSHIP CLOSES IN DRAMATICS CLUB

The last call for membership in the Dramatics Club will be at noon today, announced Floyd Poore, acting chairman.

All students who wish to join and have not requested admission into the club are asked to meet in room N12 today. At this meeting all admittees will be instructed as to what they must do to become members.

An initiation party is planned for Friday night, November 17, at the school.

STUDENTS who are working on the float for the parade tomorrow pause for a rest in their construction and decorating work.

## AMS, AWS Co-Sponsor Armistice Parade Float

"World Peace Through Education" will be the theme of the Armistice Day float from Fresno Junior College entered in the parade beginning at 10 a.m., Saturday, November 11.

The Associated Women Students and the Associated Men

Students, who are co-sponsoring this float, expect to use less than the \$100 which was appropriated in this year's budget.

The float, which will be in a stepped platform pattern, will feature students of different nationalities dressed in their native costumes representing countries throughout the world, and one student dressed in a cap and gown representing Education.

The students are Theresa Ramos and Carlos Ivez, Mexican; Georgina Garoupa, Portuguese; Joan Pacheco, Hawaiian; Faye Woo, Chinese; Margaret Ueki, Japanese; Ora Nelson, Negro; Carla Kay, Dutch; Lois Tvede, English; and Sidney Wilson, Education.

John Mullins, AMS president, will drive the float truck in the parade which will begin on Tulare Street going west to Van Ness Avenue and then south to Kern Street. The parade will travel west on Kern to Fulton Street and then north on Fulton to Stanislaus Street, where it will turn east to Van Ness Avenue. The route then will be south on Van Ness to Fresno Street and east on Fresno past the reviewing stand which will be in front of the city hall.

There are 115 groups entered in the parade and more are expected, reported the American Legion.

From the reviewing stand the  
(Continued on Page 2)

### Rally, Assembly Planned Friday

Mr. George Fitzgibbons, general chairman in charge of Fresno's Armistice Day parade, will appear at a combined rally-assembly program here tomorrow at 10:20 in the south gym.

Classes will be shortened and all students will have an opportunity to hear Mr. Fitzgibbons speak. His address will have a patriotic theme.

Fresno Junior College will have an entry in the Armistice Day parade. The theme of the FJC float will be Peace Through Education.

Following Mr. Fitzgibbons' speech, the rally committee will take over. Mr. Lowell Spencer's band will be on hand for songs and for performance of the pep girls. Yell leaders will lead yells in preparation for the Taft game tomorrow night.

The football team will be present at the rally, and a member of the coaching staff will speak. The team will leave for Taft at 1 p.m. from in front of the school.

The altered class schedule for tomorrow morning follows:

1st period	8:05-8:45
2nd period	8:50-9:30
3rd period	9:35-10:15
Assembly	10:20-11:10
4th period	11:15-12:00

### FBLA TO VIEW RAISIN PROCESS

A field trip to the Sunmaid Raisin Plant is scheduled for Future Business Leaders of America members at 3 Tuesday, November 14.

Members will see what happens to raisins between vine and package. During a conducted tour of the plant, they will observe stemming, blanching, packing, and other machines in operation.

Betty Gunderson, FBLA president, extended an invitation to all interested parties to accompany the club members. Those who wish to go should contact Miss Gunderson or either of the club's co-sponsors, Miss Gertrude Stubblefield and Miss Nancy Webster.

Transportation will be provided to the Sunmaid plant. Anyone who has a car and could take passengers should contact Martin Jachens, transportation committee chairman, Miss Gunderson said.

### CALENDAR NOVEMBER

- 9—Tuberculosis X-rays, all day in front of south gym.  
Student Council meeting, M24, at 11 a.m.  
Dramatics Club meeting, M12, at noon.  
Alpha Gamma Sigma initiation, social room, 7 p.m.
- 10—Tuberculosis X-rays, all day, in front of south gym.  
Rally, south gym, at 10:10.  
Inter-Varsity Christian Fellowship meeting, M11, at 12:05.  
All club and organization presidents meet in M24, at 12:15.  
Taft Junior College vs. Fresno Junior College, in Taft, 8 p.m.
- 14—Fourteenth year class executive meeting, M38, 11 a.m.  
FBLA field trip to the Sunmaid Raisin Company.  
Alpha Gamma Sigma meeting, 12:05, M11.  
AWS "Spaghetti Feed," 7 p.m. in the social room.

## WANT A YEARBOOK?

According to a report submitted to the student council at its last meeting, there may be no annual this year because not enough students are interested to get out and work for it.

Last year the annual went into the red, and the bill still is not paid. The reason is that insufficient advertising was gathered to help pay the cost of the annual. The student body fund alone cannot support the entire cost of a free annual for each student body card holder.

The annual was late last year because there were not enough members on the annual staff. A few people did the work of several and it took longer.

If there is no annual this year, the blame can be shared by every student who fails to take an interest in school affairs and activities.

With more help, advertising subscriptions could have been more numerous, and work could have been done on time.

## GO TO TAFT GAME IF POSSIBLE

Let's give the team a good send-off for the Taft game Friday. They leave at 1 Friday afternoon from in front of the school.

And let's do more than just give them a send-off; let's go with them, if possible.

The Taft game is highly important to Fresno Junior College. The winner will have the Central California Junior College Championship. Fresno JC has never won this championship, and all of us would like for our school to have it.

Away games are always a little tougher to win than home games. Our only two losses this year were away games — Stockton and Monterey. Teams can just play better with a rooting grandstand on hand than they can without one.

The yell leaders should go to every game, no matter how far away it; they will probably go to this game. But they can only lead the yells; they must have someone to yell with them.

The Stockton car pool was a good idea, but it didn't work. We don't suggest trying the same thing again. But groups of students perhaps can get together and work out some sort of share-the-cost plan and go to the game. We hope so. The Taft game will be close, and we should help the team in any way possible.

Exhaust Valve

Dear Editor:

The high spirits at the bonfire rally seemed to be mostly inside stuff — inside a few people, that is. If it had been the first time such a thing had happened, I wouldn't say anything. It isn't the first time, though. And it's about time somebody did something about it.

Someday the axe will fall, and we will be squawking because we can't have any more rallies. It seems to me that the student council could do something now. Fun is fun, but the loose talk at the rally was going too far.

Some people wouldn't like me for writing this letter. That is why I ask you not to publish my name. You probably won't print this, but anyhow I tried. Disgusted Student

VINCE PICERNO, right, on a recent visit to the school, expressed the wish that his buddies still in school remember him with letters while he is in the marines.

## Marines, Army, Navy Request Letters From FJC Classmates

Numerous requests for mail have been received from former Fresno Junior College students who are now in service. They would like to hear from those with whom they attended classes during the past three years at Fresno Junior College.

The same plea has been expressed by ex-FJCers who have visited the school during the last nine weeks while on leave or furlough.

The Rampage has tried to find out the addresses of as many of these former students as possible so that anyone who wishes may write to these people.

The staff urges that all students report known addresses to

the Rampage office, N16, so that they may be printed in subsequent issues.

Among those addresses secured for this issue are Ed Kashian, U S N T C; Co. 50-317; San Diego, California. J. G. Wilkie, 1055182; H & S Co., 1st Bn., 7th Mar., 1st Div., FMF; San Francisco, California. Private Ralph Holeyton, AF 28168324; 3727 Trn SQDN; FLT 6053; Lackland Air Force Base; San Antonio, Texas.

PFC. Beverly A. Jones, AA 8600130; 3700 Food Training Squadron; 3700 Air Force Base Group; Lackland Field; San Antonio, Texas. Private F. L. Anderson, 1056358; 1st Replacement Draft No A Company; FMS FPO; San Francisco, California.

## JC Administrators Attend Conference At Yosemite Park

Dr. Thomas Blakely, Fresno Junior College president, and Mr. Maurice Reetz, dean of instruction, are now attending a state-wide conference of junior college administrators at Yosemite National Park.

A proposal concerning deferments of JC students has been drafted by the resolutions committee and will be presented at this meeting.

In addition to general education, the administrators will discuss state accreditation, national mobilization, war emergency training, vocational education, and selective service regulations.

The resolutions committee, of which Dr. Blakely is a member, will propose that "The California Junior College Association go on record as recommending the deferment from military service of students engaged in terminal education programs in junior colleges."

The committee will make this recommendation on the theory that people engaged in terminal training will be at least as much value in a war program as students engaged in liberal arts courses.

Dr. Roy E. Simpson, Superintendent of Public Instruction, called the conference, which started last night with an opening banquet and will continue through tomorrow. Headquarters is the Hotel Ahwahnee in Yosemite.

## ALL ACTIVITY HEADS ARE TO MEET FRIDAY

All club and organization presidents are requested to be present at a meeting called by Miss Betty Easterbrook, commissioner of social affairs, and Miss Willa Marsh, dean of students, Friday at 12:15 in M24.

The purpose of the meeting, explained Miss Easterbrook will be to coordinate and clear all dates for activities to be held this semester.

## FJC WOMEN PLAN FREE SPAGHETTI FEED TUES.

A spaghetti feed for women students will be held on Tuesday, November 14 at 7 p.m. in the social room, sponsored by the Associated Women Students.

"Sign up sheets are in the women's gym and the main hall," announced Lois Tvede, AWS president, "It is important to sign up as we must know how many to prepare for."

A full length movie is planned for this gratis event.

## Hygiene Classes Hear Of Drug Evils

Hygiene classes are now enlightened as to the dangers of indulging in drugs in any form after hearing a talk by Mr. Fred L. Stemm, from the State Narcotics Bureau. The point that Mr. Stemm stressed is the harm that can come from the use of drugs.

Marijuana, although not a habit forming drug, seems to enable the user to exert an unbelievable amount of power and to endure pain to almost any extent.

Opium and its derivatives, which are habit forming, are the sedative type drug and are very seldom curable. The emotions become uncontrollable and the brain cells begin to deteriorate after continued use. The cost to support this habit is usually about \$25 a day, and the addict will go to any means of securing more dope.

Mr. Stemm urged everyone never to accept any kind of a narcotic, not even "just for the thrill" or out of "curiosity." The consequences could be very damaging, he warned.

## Rams Battle Taft; Victor Wins CCJC Conference Crown

The battle for the football championship crown will take place tomorrow night as the Fresno Junior College Rams travel to meet last season's champs, Taft Junior College.

Taft, who bested the Rams 27-20 last season, will be all out this game to do it again. Both teams are undefeated in league play with wins over the College of Sequoias. The winner of Friday's game will become the champs in the western division of the Central California Junior College Conference.

Fresno's injuries have been minor and few in past games, but early this week they have struck hard.

Tom Beldon, who has played an important spot for the Rams in the guard position, will be out for the remaining season, due to a pulled tendon in the back of his knee.

Ara Arax, the Rams starting center, will also be missing from the Fresno roster because of an injured ankle.

### SLIGHT HURTS.

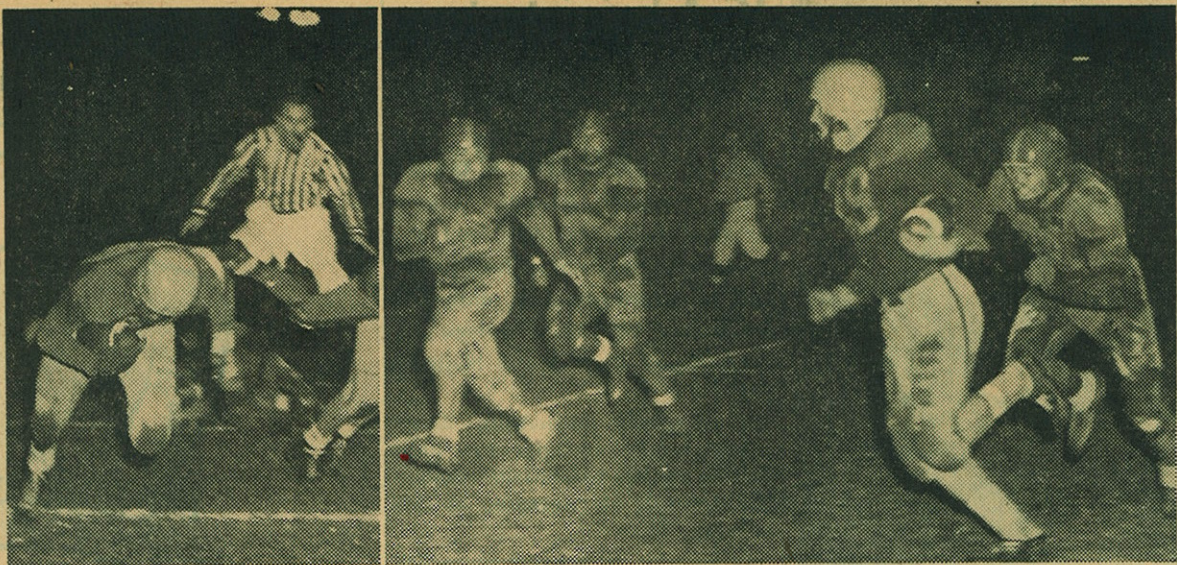

Others injured are, Boot Edmonson and Jim Stout. There is a chance these men will be able to get into action tomorrow night.

On the brighter side, Ward Longueville, who has been out of action with a concussion, is expected to aid the Rams in tomorrow's tussle with Taft.

Taft, according to Johnston, has a big, strong team with plenty of die hard spirit.

### EARLY SEASON OUTLOOK.

In looking at Fresno's chances to bring home this title, observers will look back at the Ram's chances at the beginning of the season. Despite the fact the locals began the season stripped of many of their key men by the draft and graduation, the diligent drilling and training by Coach Stoney Johnston and his competent assisting coaches, have put on the field a team which any student body and faculty would be proud to claim. The coaching and the outstanding team spirit has resulted in five victories to date and the

ACTION IN THE COS GAME, snapped by Carl Schultz, Rampage photographer, includes, left, a last quarter plunge by Hubert Beasley, fullback, which took him over the goal line, and a long run by Lyman Ehrlich, end, after receiving a pass over the center of the line.

## Fresno Ends Sequoia Mastery By Crushing Giants, 36 To 20

The Fresno Junior College Rams humbled the College of Sequoia Giants Saturday night to the tune of 36-20, giving the Giants their first defeat in three years by FJC.

The Giants, the only Junior College to claim two wins over the Rams, just could not hold back the driving power of the fighting Fresnoans.

Both teams battled back and forth well into the second quarter before either was able to score. Just before half-time, the Rams' hard hitting game began to pay off, and the COS defenses weakened as the Rams moved into the lead.

This was the second league game loss for the Sequoia eleven and leaves the Rams with a clean record in league games to date.

### TOOMAJIAN'S TOE TERRIFIC.

The first scoring came after Pete Toomajian, Ram right half, booted the first of several beautifully placed kicks which was declared dead on the Sequoia one yard line. Paul Galloway, COS halfback, in an attempt to kick the ball out of the end zone, backed up too far and stepped out of the end zone. This gave the Rams an automatic safety and two points.

The Fresno's second scoring came as a result of another well placed kick by Toomajian to the three yard line. The Giants kicked to Joe Spino, in the safety position for the Rams, who took the ball on the COS 46 and ran it back to the Sequoia's two yard line before being stopped. Spino showed excellent speed throughout the game as he chalked up 146 yards on punt returns.

### FULLBACK BULLS OVER.

Continuing from the two, Ron Chapanian, Ram fullback, bulldozed his way through for a touchdown. Lyman Ehrlich, right end, booted the ball between the up-rights, making the score 9-0.

With one minute left in the first half and after holding back a Fresno threat to score, the Sequoia Giants advanced the ball to their own 14 yard line where they fumbled. Fullback Hubert Beasley recovered for the Rams.

Winston Beasley worked the ball to the 5 yard line; Spino pushed to the two, and with less than 10 seconds remaining in the first half, Chapanian again scored for Fresno just as the gun went off. Ehrlich made good his second straight conversion with the first half ending, 16-0.

The second half of the game proved to be a mad race for points as both teams rolled up 20 apiece. PASSES PAY OFF.

Toomajian, on excellent drives, ran up a 6.5 average as he carried the ball for 77 yards in 12 tries. The additional passing offensive of quarterback Bod Rodgers to end Ehrlich for 56 yards, greatly aided the final outcome of the game.

Rodgers claims one score on a quarterback sneak and also aided in another as he sent a short toss to Ehrlich in the end zone.

Fresno's final score came in the last 3 minutes of the game as

### PE CLASS CHALLENGE

The 8:00 a.m. Monday and Wednesday women's PE class wishes to challenge any other PE class to a volleyball game at 11 a.m. Thursday, November 16, reports Mrs. Hazel Pedersen, women's physical education instructor.

Any class interested in accepting this challenge should contact Mrs. Pedersen.

### Other Opponents' Scores

Taft JC..... 6—Santa Maria..... 0  
Hartnell JC.....13—Modesto JC.....12  
FSC Frosh.....38—Porterville .....19

Hubert Beasley drove over from the two yard line.

### GIANTS TAKE TO AIR.

The Giants second-half scores were mainly from their successful passing offense. One play stood out as the outstanding play of the game: Sequoia, after taking over the ball on their own 23 yard line, exhibited a terrific pass play as quarterback Al Freitas tossed a well placed shot to Clarence Crow, right end, who raced down the field for a 77 yard touchdown.

The Ram's game record to date shows 5 wins out of 7. The two losses went to Monterey Peninsula College and Stockton College.

The only time I wish I had fulfilled Mother's expectations is during that dreary dismal week of mid-term examinations.

He looks to COFFEE'S for his CAMPUS styles!

## Fellows Here's A Good Deal

A kissing contest was held recently at the University of Colorado, reports their paper, the "Silver and Gold."

Boys were blindfolded and their hands tied behind them, after which they were seated on folding chairs.

The girls then sat down on the boys' laps, threw their arms around the boys' necks, and smacked them soundly on the lips.

The kissing contest provided enough excitement to knock several of the fellows on the receiving end off their chairs.

Judges were the blindfolded boys, and contestants were the girls, who kissed each "judge" in turn.

Object of the contest was to determine the "most kissable coed."

Any FJC male who wishes to organize a similar contest at this school may form a line at the office of Miss Willa Marsh, dean of students.

### Abbott, Soares Split Hut Grid Guess Dinner Prize

The winners of last week's Hut Grid Guess are Hal Abbott and Duane Soares. Each will receive a free dinner at Herb and Dode's Hut.

Second place resulted in a 6-way tie with three wrong. The runner ups are: Gene Smith, Don Withrow, Ken Kafeyan, Richard Bolger and Bob Brumm.
