

CANDIDATES for president are, upper left, Ward Longueville, Gerald Manfredi; for secretary, upper right, Patricia Wiley, Marion Hardy; for vice president, center row, left to right, Beatriz Ciesielska, Tom Belden, Norman Britton, Clinton Wheeler; for representative at large, bottom row, Smiles Raymos, Karl Oyer, Jerry Halvorsen, Pete Belden; for treasurer, lower right, Richard Soares.

13 Candidates Nominated For Student Body Offices

Eight of the 13 candidates for student body offices will be elected next Tuesday and Wednesday by Fresno Junior College voters. Everyone who is carrying 12 or more units at FJC is eligible to vote.

Ward Longueville and Gerald Manfredi are the two candi-

Budget Committee Alters Fund Status

A postponed meeting of the budget committee was held Tuesday, May 1, to accept budget requests for student activities for the 1951 fiscal year. The money requested by each activity was changed to percentage to be prorated from the actual money available in September.

The total proposed budget is \$14,215 with \$8,100 requested by athletics. Football is at the top asking \$4,900.

When this budget is presented next September to the budget committee, it will probably be trimmed approximately 40 per cent.

Louis Ingraham was the only student member who attended the meeting. Dean of Student Affairs Willa Marsh, Dr. Blakely, and Joe King represented the faculty

dates vying for the top post of president. Four students—Beatriz Ciesielska, Clinton Wheeler, Tom Belden and Norman Britton—are in the race for vice president and Richard Soares is unopposed for treasurer.

Patricia Wiley and Marion Hardy are candidates for secretary. Barring an unusually heavy write-in vote, the four candidates for representative-at-large will be elected. They are Pete Belden, Karl Oyer, Smiles Raymos and Jerry Halvorsen.

Longueville, an FJC athlete, is from Walnut Creek. He is in his second semester, taking general education subjects and working for a transfer. At present he is a representative at large.

Manfredi, also an athlete, was nominated at the assembly. He says that if he is elected he will strive for better balancing of the budget, better attendance at athletic contests, more and better rallies, better cooperation among students and faculty, and work-aid for students who need it. Manfredi is in his third semester at FJC, and is working for an AA degree with a Physical Education-Social Science major.

Miss Ciesielska was the only candidate who petitioned for the office of vice president. Wheeler, Belden

'Science' Jones Is Man Of Year Say Dean, Instructors

Lieutenant Richard Jones, who until last Friday was a science instructor at the Fresno Junior College was given a cordial farewell luncheon by his fellow educators last week.

Dean Maurice Reetz, speaker for the faculty, nominated Jones for the Faculty Man of Distinction for 1951. Reetz cited his qualifications as friendliness, service, and professional ability.

He continued in a lighter vein to eulogize his nominee.

"Dick's sense of timing should be recognized, too. Only recently has the real reason been exposed to explain just why Dick is terminating his services at FJC at this particular time. I can now reveal to you that Dick would rather face anti-aircraft fire over Korea than face another Rambler's Day," Reetz said.

The speaker pointed out further that Jones is the envy of his co-workers.

"He has established security for

(Continued on Page 3)

BEARDS, FROLICS, DANCE FEATURED TOMORROW AT RAMBLER DAY FETE

The Rambler's Day proclamation will be read tomorrow morning at 8:00 in front of the school by Louis Ingraham, mayor for the day. All students and faculty members are expected to come to school in western garb and men must have beards. Sheriff Joe Spino and bailiff Harry Kachorian will enforce law and order with the help of 27 deputies.

Selective Service Test Application Deadline May 15

Major General Lewis B. Hershey, Director of Selective Service, announced May 15, 1951, as the deadline for submission of applications for the Selective Service College Qualification Test. All postcard applications must be postmarked not later than midnight of this date.

As previously announced, the three testing dates, all falling on Saturdays, are May 26, June 16, and June 30. A fourth examination will be held Thursday, July 12, for students whose religious convictions preclude participation in any Saturday activity.

Application blanks for the Qualification Test, results of which will be used by local draft boards in considering student deferments, may be obtained from the nearest local board. Applicants do not have to return to the local board which has jurisdiction over them.

Tests will be given free to all registrants who apply before the deadline and each applicant:

- (1) Must be a registrant who intends to request occupational deferment as a student;
- (2) Must be under 26 years old at the time of taking the test;
- (3) Must have already begun and plans to continue his college or university studies.

Five Journalism Scholarships Open

Five journalism scholarships with a total value of \$450 are available at the Fresno State College to graduating seniors of San Joaquin Valley high schools and junior colleges.

Paul V. Sheehan, the head of the FSC journalism department, announced students interested should send applications to the college scholarship committee by May 15.

The scholarships are as follows: The Stanley Beaubaire Memorial Scholarship of \$200, made available by Samuel Beaubaire, the publisher of the Hanford Sentinel and Journal.

The Dick Rodman Memorial Scholarship of \$100, made available by J. E. Rodman of Fresno and Radio Station KFRE.

The Central California Typographic Service Scholarship of \$50.

The Crown Printing and Engraving Company Scholarship of \$50.

The KARM Scholarship of \$50. It was explained that the earlier the applications are received by the scholarship committee the more consideration applicants are likely to receive.

Students interested in these scholarships may see Mrs. Irma Flannery, scholarship sponsor.

The day-long Rambler's Day celebration is being sponsored by the Associated Men Students, the Associated Women Students and the student body. Besides the opening ceremonies, the day's plans include an assembly at 10:20 in the south gym, noon time frolics in front of the building, and a western dance at 9-12 p.m. in the south gym.

Three men will be awarded prizes at the assembly for their efforts at beard-raising—the longest, the best looking and the best try. For entertainment there will be a villain act, an all-girl skit entitled "Arkansas Traveler" and a song by John Mullins.

High point of the assembly will be the slave sale. FJC coeds will be auctioned off to the highest bidders. Each slave will have to follow her master for the day wherever he goes. Several students have offered their services as slaves and Jim Telegan, AMS president, says there is room for several more.

Jake Helmuth, AMS president last year and now a catcher for the Fresno Cardinals, will MC the program.

The frolics at noon, under the direction of Mayor Ingraham, will include a soft ball game, an egg throw, and a sack race.

The barn dance in the south gym will wind up the day's festivities. Elwin Cross' six-piece band will provide music for the evening. Holders of AMS, AWS, and student body cards will be admitted free with one guest. Admission price without cards is 50 cents per person.

Western garb is compulsory for everyone on the campus tomorrow, both men and women. All women, faculty and students alike, will be known as Clarabelle and all men will be known as Zeke. Anyone forgetting and calling anyone by his or her own name may be locked up in the local balliwick.

Any man appearing on campus who has shaved since April 30 and who does not have a permit to do so will be subject to a bathtub dunking by sheriff's deputies.

Any other infractions of the Rambler's Day rules may be punished by a term in the jail.

PRIZES OFFERED FOR ALMA MATER WORDS

The rally committee is sponsoring a contest for words for the music of the Fresno Junior College Alma Mater, and for fight songs and school yells.

A prize of \$10 is to be given to the person who submits the best words for the Alma Mater. A first prize of \$5 is offered for the best fight song-and yell, and a second prize of \$3 will be awarded for the second choice song and yell.

The contest will end Friday, May 18. All entries must be turned in to Mr. Joe King or to Clinton Wheeler.

SAM THE RAM DIES, STUDENTS HOLD LAST RITES

"Old rams don't fade away—they just up and die. That was the sad conclusion of Fresno Junior College students who yesterday witnessed ceremonies commemorating the death of Sam the Ram, mascot of the FJC Ramblin' Rams.

John Mullins, student body president, dipped the flag while Clint Wheeler played Taps. Harry Kachorian made the commemorative speech.

Lester Parks of the Kaiser Frazer Agency donated \$50 to FJC for the purchase of Sam. The blooded ram was bought from a local farmer, shampooed, bleached and pedicured and his horns were painted red before his first public appearance at a rally in the north gym on October 29, 1948.

Sam didn't care for the beauty treatment after his swift transfer

from rustic homelife. He butted everyone within reach and knocked down a couple of rally men.

After his grooming, Sam rode to the railroad station in a decorated trailer pulled by a shiny new Frazer. He led a caravan of private cars and a police escort made way for the original mascot as he met the Valjejo City College team and

PIES, PICASSO AND PULITZER

Three courses of study which seem to be neglected by students and their faculty advisors are Home Economics, Art, and Journalism. All three have many qualities to recommend them — even if the student is taking a specialized course such as business, science or shop.

Many women in the past few years have learned how to take dictation, spell and type, never thinking of the day when they would come face-to-face with a stove. All those bride's biscuits jokes must have some basis in fact. Even though many women will work in offices for a living, most of them will some day have a home to keep. Many will keep house and work outside the home, too. A little preparation now may save a lot of tears and trouble later.

Men, too, should not ignore home economic courses; because, by the time the second baby arrives, most husbands have taken a turn at housekeeping themselves. Wives get sick, break legs or go home to mother and some knowledge of how a home is run becomes suddenly very useful.

Both men and women can benefit from art courses. They are designed to fill the needs of all, from the talented who wish to train for cartooning, portraiture, landscape painting and photography to the person who wishes merely to learn art appreciation and that orange, red and purple are not good colors to wear all at once.

Journalism can be useful to anyone in any walk of life. It teaches observance of facts; recognition of important points; and purpose, organization and direction in thinking, speaking and writing. It affords valuable contacts with people of different personalities and gives students business experience in budgeting and managing.

A semester or two of any of these courses probably will not give any student the training he needs to make it his life's work, but the training may augment or increase his abilities in his chosen field. Think it over — it might be worth a try.

Sam Served Three Years As Mascot

rooters for the first big game of FJC.

Sam died, apparently of a heart attack, on the ranch of J. B. Soares who had provided pasturage for the departed mascot for more than a year.

He will be affectionately remembered by many students who have seen him watch football games with every evidence of enjoyment, if not of understanding. He would lie down and sulk if someone stood between him and the field.

Exhaust Valve

To the editor:

In answer to the question raised last week about the AMS organization and what we are giving its members in return for the fifty cents paid on membership cards, I would like to state that:

1. The AMS is in the process of sending the Rampage to all service men from FJC whose address was available.
2. We are sponsoring Rambler Day and putting on a Barn dance that night. AMS CARD HOLDERS WILL BE ADMITTED FREE WITH THERE DATES.
3. A swim party was in process after the carnival but the weather cancelled it.
4. We will hold a sim party this month when it is warmer.
5. AMS HELD A MEETING APRIL 25.

James Telegan
AMS President

FJC Librarian Honored At Faculty Women Party

Miss Eda Kusch, librarian at the Fresno Junior College, was honored last Friday night by members of the Faculty Women's Club when Mrs. Hazel Pedersen and Miss Miriam Tervo entertained in the Pedersen home. Mrs. Thomas Blakely was a guest with the club members.

Miss Kusch, who is resigning her position in June, was presented with a white leather travel case.

As a surprise to Mrs. Pedersen, who with her family recently moved into a new home, the guests gave her a set of luncheon mats.

College of Sequoia students are being taught how to samba, waltz, and folk dance. These dances are to show the students how to participate in different types of dances.

"THE LARGEST IN THE VALLEY"

LOOSE ENDS by Avrice Morgan

EXCLUSIVE CAMPUS SCOOP

He: "Well howdy-dooody gal, how er ya?" "How 'bout a comin' over har and given us a little smooch?"

She: "Now listen har Tex, ya all keep yar distance or I'll but ya over that thar flea bitten head of yours with this har meat ax!"

He: "Shucks, Jazzabelle, I sure didn't mean to getcha all rouled up thata-way. Whatza matter with ya any hoo?"

She: "Iffen ya all would chop off them thar dad burned whiskers, Tex, I could be mighty neighborly, but 'till ya do, you and me is on the outs!"

He: "Well, dang gummit, Jazzabelle, I all gotta grow these har moth eaten whiskers to prove I'm a he-man!"

She: "By heck, Tex, it all depends on who ya'll is tryen' to prove it to!" (That's all she wrote, you all.)

TO ALL INSTRUCTORS: Lecturer, "If I've talked too long, it's because I forgot my watch and there's no clock in this room." Voice from the rear: "There's a calendar on the wall behind you."

THIS IS IT: Tomorrow is going to be a big day on the local campus. A great deal of hard work has

gone into the planning of this year's RAMBLERS DAY, but if you — students and faculty — do not make an all-out effort to attend this extra curricular activity it will be a first class flop. THIS IS YOUR SHOW, GUYS AND GALS . . . MAKE IT A GOOD ONE.

HIGHWAY 41 (BLACKSTONE AVE.) AT 5 P.M.: A man stood on the west side of Blackstone, waiting to cross while traffic streamed by, swift and continuous. After a long wait, the man became impatient, but he dared not risk going out into the traffic. He spied another man on the other side of the street and called to him: "I say, how did you get over there?"

The other man cupped his hands about his mouth and shouted: "I was born over here." (Hit 'em again, dad.)

THE FINER ARTS? I received my issue of "Dead Beat" magazine this week. This little musical journal is published by the Never Miss Company of Wahoo Junction, Texas, and it lists the first three songs on the Western Hit Parade. Here they are:

1. "Keep Your Cotton Picking Hands Off My Daughter, Pardner," (Continued on Page 4)

JC's Variety Show To Perform At RHS

The Fresno Junior College Musical Variety Road Show will go to Roosevelt High School Tuesday, May 8. The show will start at 9:10 a.m. in the Roosevelt auditorium.

The show will feature the dance band's arrangement of "Thinking of You," and Mary Jane Perry will sing two solos, "Iris" and "All My Love." Virginia Yeram will also sing a solo, "Be My Love." Marsha Yates will tap dance to "American Patrol." Orville Crane and Marsha Yates will charleston to "Aint She Sweet."

The double trio will sing "Bali Hai," from "South Pacific." They will also sing a medley from Walt Disney's "Snow White." Members of the double trio are Wilma Rogers, Virginia Yeram, Patricia Wiley, Ruth Alexander, Thelma Daniels, and Mary Jane Perry. Clint Wheeler will be master of ceremonies.

The show will travel to Edison High School May 23.

A salesman stopped at the house and tried to sell Grandpa one of the new hearing aid devices.

"Don't need it," Grandpa said. "I hear more now than I can understand."

36 Shop Students Tour PG & E Plant

Thirty-six students from the Trades and Industrial shops of Fresno Junior College toured the new Pacific Gas and Electric steam plant in Bakersfield last Thursday, May 3.

Mr. Kelly Courtright, General Manager of the PG&E of Fresno, addressed the group. He explained the general relief map of the power plants in California. He went on to explain how the steam generator plants work.

The students, who toured the plant in groups of 12 with a guide for each group, saw the boilers that consume 184,000 barrels of oil a day. They also saw the generator machines that produce 230,000 horse power a day.

The new plant serves the south and west parts of the San Joaquin Valley, but could be converted to serve the complete valley if it became necessary.

Reedley Junior College students met FJC on the way to Bakersfield. Mr. Joseph Woodman, Automotive Mechanics instructor, accompanied the students.

Candidates State Platforms, Urge Students To Vote

(Continued from Page 1)

and Britton were nominated at the assembly.

Cooperation with the president and with individual students are planks in the platform of Miss Ciesielska who promises complete bipartisanship and representation of all in student affairs. She is president of the Associated Women Students, is majoring in Science and working for an AA degree.

Wheeler said that he will, if elected, try to make next year's student body as good as this one and help more students participate in activities and benefit from them.

He has been here two semesters, has participated in sports, is student body yell leader and 13th year class president. He is a native Fresnan and has taken part in many other school activities.

T. Belden said if he is elected he will try to see that all students at FJC know what is taking place in student government. He believes that it is important for students to keep up with what is happening.

He is a Fresnan in his second semester, a science major working for an AA degree and an athlete.

Briton, another athlete, would like to see more attendance at athletic events and increased student body activities, with more rallies which students can attend.

His major is business education and this is his second semester. He is from Fresno and has played baseball and basketball.

Miss Wiley says she will do her best to perform the duties of secretary if she is elected and work in every way to make the state JC conference next fall a success. She is a second semester student working for an AA degree in business, a member of the choir, and historian of the Associated Women Students.

Miss Hardy feels that she is qualified to hold the office of secretary because she has had experience in the past and knows the duties of the office. She is a second semester student from Madera and is working for an AA degree in Sociology and planning to transfer.

DON'T MISS TUESDAY'S GAME

For three important reasons the Rampage staff wishes to donate this space to the Fresno Junior College Ram's night game May 15 with the Taft Junior College Cougars in the Fresno State College Ballpark.

First — Tuesday's game will be Fresno JC's last after-dark game of the 1951 season, affording many students their last chance to see their colorful, hard-hitting baseball team play.

Second — The Rams need a victory very much that night. At present Coach Stoney Johnston's club holds a tight grip on the second place rung of the Central California Junior College baseball ladder and still has a chance to tie for first place. But a defeat Tuesday night would end all championship hopes and weaken Fresno's hold on second place. Fresno has the necessary power and team spirit to win Tuesday night, but it does not have the necessary student support.

Third — Special emphasis has been placed on this game because it is an ideal opportunity for the entire student body to show their appreciation to all the athletes' performances in all sports activities this season by getting out in force for Tuesday's game.

Fresno JC rates high throughout the state of California for its athletic performances. The Ram's 50-51 sports record is one of which any student body can be proud. And the commendable efforts of our A-1 coaching staff should not go by unnoticed.

A special "go to the game" campaign will be sponsored by the student body officers. All that is needed to make this campaign fruitful is the students' participation. It will be a close-contested duel and the students' backing will greatly aid the Rambling Rams in their fight for a victory.

The students can show their appreciation to their coaches and athletes by getting together in an alive and active body and packing that ballpark on the 15th.

The student body officers, the coaches, and the baseball team join the Rampage staff in urging every student to do his utmost to make this "go to the game" campaign a real success.

BACK YOUR ATHLETES — SHOW YOUR INDIVIDUAL SUPPORT — PACK THE FRESNO STATE COLLEGE BALLPARK TUESDAY NIGHT!

FJC Cindermen Win 2nd Place; Evans Sets Record

Coach Paul Starr's spirited throng of Ram cindermen took second place in the five-way Central California Junior College Conference track and field meet held in the Reedley College oval last Friday night where Fresno's trackster Bill Evans broke the CCJCC high jump record with a 6 feet 2 7/8 inches leap.

Of the five teams participating—Taft JC, Porterville JC, College of Sequoias, Fresno JC and Reedley JC—the COS track and field team rolled up the most points, 74, to take first place honors. Fresno followed with 40 points, Reedley was third with 19, Porterville took fourth with 10, and Taft was fifth with 9.

Evans' record leap was recorded as one of the better performances of the meet. The old high jump record stood at 6 feet 1 inch, the new is 6 feet 2 7/8 inches. Evans also pointed third in the 220 low hurdles and fourth in the 120 high hurdles.

Clinton Wheeler copped another first for the Rams in the 220 low hurdles besides taking a second in the 120 high hurdles.

Other FJC placements were as follows: Gene Likins, third tie in the high jump, second tie in the pole vault; Ward Longueville, second tie in the 100 yard dash, fourth in the 220 yard dash; Willie Berry, second in the 440 yard dash; Frank Brunolli second tie in the pole vault; Ron Chapanian, second in the discus; Willie Perry, third in the broad jump; Winston Beasley, third in the 220 yard dash; John Adams, fourth in the two mile; Don Davis, fourth in the 880 yard run; Aram Mooradian, fourth in the 100 yard dash.

Over 65 track and field men took part in the after-dark meet with 200 fans watching.

San Jose State College students are now using more off campus classrooms. They are using steel barracks bought from the army and wooden barracks bought from the Navy as extra classrooms.

—The Spartan Daily

star ,and no one wants to be in the supporting cast.

Rams Play Final Night Game Next Tuesday; Students Are Urged To Support Team

Tuesday, May 15 at 8 p.m. in the Fresno State College ballpark — that's the time, place, and date that the Fresno Junior College rambling Rams play their last night game of the 1951 baseball season. The 49-50 champions, the Taft

Junior College Cougars, will be the visiting team.

With only two league games to go the FJC Rams are all set to try for their seventh win in nine starts. The Fresno nine need to win both of these games to safe-guard their hold on second place and also keep alive their championship possibilities.

At present the Reedley College Tigers lead Fresno by two games and if the Tigers drop their last two games, the Rams can tie it all up with eight wins and two losses apiece. The third-place College of Sequoias Giants and the Tigers will also battle it out Tuesday.

A "go to the game" campaign is planned for Tuesday night in an attempt to get the largest crowd of the 1951 season to attend the all-important Cougar-Ram contest. "The 1951 Rams are one of the best ball clubs in Fresno Junior College's history and every student should try to come to this game," remarked FJC's student body president John Mullins.

Admission will be 50 cents without a student body card, free with one.

FJC Baseball Nine Beat Pirates 9-3 For Sixth Victory

The Fresno Junior College Rams made the most of nine hits and three Porterville Pirate miscues to score a 9 to 3 victory Friday night in the Fresno State College Park.

Ellery Mendes started on the mound for the Rams and pitched fine ball for five innings. Then Joe Ybanez took over the mound duties in the sixth and finished the game; Mendez retired in favor of a sore back. Together they twirled a six hitter.

The Fresnans garnered nine blows off Dave Burgan, Pirate twirler, scoring three runs in the second, one in the third, two in the sixth, and three in the eighth.

Tom Belden, Ram left fielder, was the big noise at the plate with two singles and a booming triple. Norm Britton banged out two singles and was issued three free passes his other three times up.

This win now gives the Rams six wins against two defeats, with two league games left to play, Taft and College of Sequoias, both home games.

FJC	030	100	23x

Pre-Teaching Students May Be Teacher For Day

Students who are planning for a teaching profession will have a chance for first hand experience during the Teacher for a Day program sponsored by the Fresno Teachers Association, Wednesday, May 16.

The program will give the interested students a chance to teach for one day under the direction of an instructor. These students will teach in elementary schools.

Fresno JC Plays JV Today At 3:00 PM

Coach Stoney Johnston's hard-hitting baseball club will match their strength with Fresno State's Junior Varsity team today in their last of a three-game series. The game is scheduled for 3 p.m. in the Fresno State College ballpark.

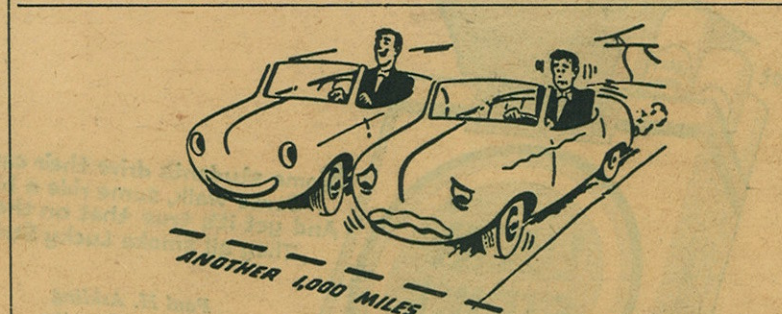

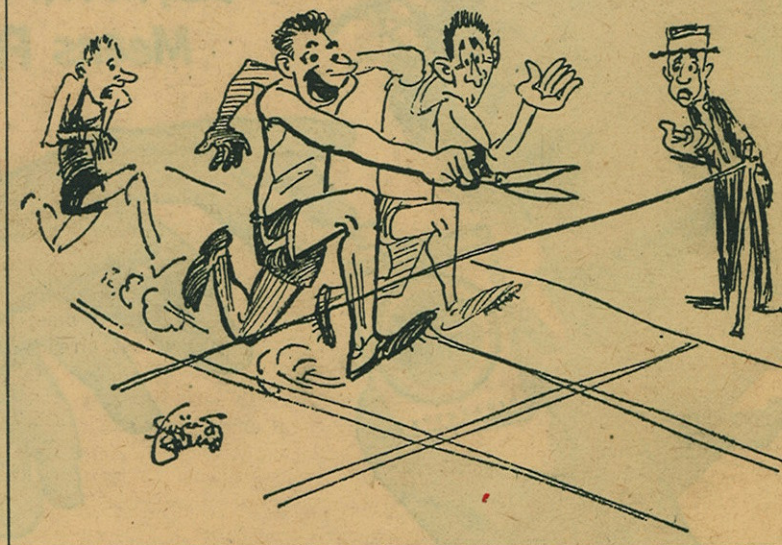

The Bullpups, who boast a powerful team this season, won both of the last two FJC-JV contests on last inning comebacks. In the first game the Rams led 9-7 in the last frame but the JV's came from behind in their last trip at the plate and won 11-9. In the second contest the Rams again led 5-4 in the last inning and again the charmed Staters sneaked through a 6-5 victory.

There has always been spirited rivalry between the Bullpups and Rams, and today's game is expected to be no exception of the rule.

The JV nine are loaded with older talent, but the rambling Rams are capable of making it a real contest.

WEST COAST RELAYS AT FSC SLATED TOMORROW

The 25th running of the West Coast Relays, famed track and field carnival held in Fresno each year will take place tomorrow at Fresno State's Ratcliffe Stadium. Latest information available from ticket sources indicated Jaycee students and others could still get tickets to the track meet at the stadium box-offices tomorrow. The Relays director, J. Flint Hanner, is looking for another shattered world record tomorrow, in keeping with the meet slogan, "a world's record each year." Occidental College is being watched as most likely to break an international mark, probably in the medley relay.

(Continued from Page 3)

Or I'll Bust Your Panken Head In."

2. "The Kickapoo Joy Juice Jump" by the Four Hiccups and a Burp, featuring Elviry and her fluid drive zither.

3. "Grandpa Ain't Made Much Hay, Since The Revenuers Took His Still Away."

This is music?

DOMESTIC NOTE: "Junior, do you like your new nurse?" "No, mama, I hate her. I'd like to grab her by the hair and bite her on the neck like daddy does." (One ticket to Reno, please.)

SENATOR SMART SAYS: Washington is like a three ring circus these days, with Congress, the Military, and the Administration each performing separate shows. Too bad they can't get together and at least stage a grand finale under one roof. But I guess this is asking for too much. Seems as though everyone back there wants to be a

Don't be Ridiculous

Improper lighting is just as bad for your eyes as the crazy idea shown here. Use correct size bulbs in proper fixtures for your study and work. Keep your bulbs clean and you'll be surprised how much better you can see.

BETTER LIGHT MEANS
BETTER SIGHT
