## Friday's Rally Features New Mascot, Sam III

Sam III, the new Fresno Junior College mascot was officially presented to the student body at a rally last Friday in the Memorial Auditorium. He also visited a few local high schools and Fresno State on the same day.

Three skits topped the agenda in the rally with Carole Gostanian as mistress of ceremonies. Also the rally featured the introduction of cheerleaders, pep girls, and the school band.

The following day prior to the Bakersfield game, Sam led the car caravan down Fulton Street on its way to Ratcliffe Stadium.

The Fresno High School band, led by Carl Kronberg, played for the rooting section at the game.

Joseph W. King, the committee adviser, said two FJC students, Shirley Hansen and States Hines, will be Sam's handlers as they were responsible for his acquisition by the rally group.

King said the ram is a pedigreed animal which was paid for by Billy Reed, who operates a service station near the junior college campus.

Sam III is the third mascot FJC students have had since the school opened in 1948. The original Sam was buried on the campus May 9, 1951, after three years of faithful service. Sam the Ram Junior acquired for the FJC-College of Sequoia football game two years ago, died shortly after the game.

## Big News! FJC Will Be On One Big Campus

Happy days! We're finally getting back together on one whole campus. It has been quite awhile, but we'll all be together Monday.

How are we sure? Well, Stuart M. White, president of Fresno Junior College, has bet a dollar to doughnuts that we'll be back together again.

Now to the students this saves many hikes to the far away places and also a few bunions on their poor feet.

Actually, this will be the real unification of the school since September 15, 1952. Meeting smiling faces as you go from class to class and being able to say, Hi!

This will be the difference in the greater rise of school spirit. As Abraham Lincoln once said, "United we stand," SO LET'S GO, GANG!

## Three-G Sam! The Third Generation Ram

Who is the most celebrated personality on the Fresno Junior College campus? Who else, but Sam the Ram? (The third no less.)

With his wooly fur and mighty horns he should be quite an inspiration to you students. If anyone cares to let down on their school spirits, we are sure Sam is willing to buck you up in the end??

Sam came to FJC by the hard work of Shirley Hansen and State Hines and through the generosity of Billy Reed, one of our faithful fans.

The first appearance of the Ram was at a terrific rally last Friday at the Memorial Auditorium. You students on the rally committee can be mighty proud of yourselves. Keep up the good work.

## FUNNY NOTATIONS BY OTHER SCHOOLS

The Campus (College of the Sequoias)

A man and his dog were sitting on the front porch playing checkers. A lady passing by remarked, "That's a pretty smart dog you have."

"Oh, he's not so smart," the man replied. "I've beat him three games out of five."

Coach: "Did you take a shower?"

Star: "No, is one missing?"

The Maderan (Madera High)

Pets are not allowed in the Madera High hallways, any elephants, hippos, giraffes or boa constrictors found loitering in the hallway will be confiscated.

Do not write upon the walls of the school. The buildings are very thin, and pencil points have been known to go through . . . at one time even severely injuring a passing janitor.

Running in the halls is prohibited. Anyone caught exceeding 45 mph. in the halls will be dissected for biology study.

Throwing rocks, water, burning books, or freshmen from the library windows is frowned upon by the administration.

The Owlet (Fresno High)

Waiter: "How did you find that steak, sir?"

Guest: "Oh, quite by accident. I moved my potato and there it was."

He: "You know I'm funny. I always throw myself into anything I undertake."

He: "Splendid! Why don't you dig a well?"

## Coalinga Cancels Gridiron Tilt With Fresno JC

By Don Shroyer

The Fresno Junior College Ram gridders will get a well earned rest this week-end following the announcement by James G. Bunker, the superintendent of Coalinga High School and College. Last Wednesday Bunker instructed Dean Donald C. Carr to cancel scheduled Central California Junior College Athletic League contests between the Coalinga Falcons and Fresno Junior College Rams and College of Sequoias.

According to Bunker the Coalinga squad, which numbers only 17, cannot undertake to play schools with team rosters of 40 or more men.

This one week rest will delay the Ram's open league tilt two weeks when on October 23 Porterville Junior College travels to Ratchliffe Stadium. The Rams will play a non-league contest with San Bernardino there next Friday evening, October 16.

# Rams Lose Close Contest

## Bakersfield Squad Squeaks Narrow 16 To 14 Victory

Coach Hans Weidenhoefer's Fresno Junior College Rams threw a real scare into the hearts of the unbeaten Bakersfield College Renegades Saturday afternoon when the Renegades squeaked out a 16 to 14 victory over the Rams in Ratcliffe Stadium before 1,500 sweltering fans.

A second quarter break gave the Renegades the two point margin which proved to be the winning points. This break came when Renegade tackle Jim Kennedy blocked a punt by the Ram Quarterback Gil Starkey and the ball rolled into the Fresno end zone, where Starkey recovered the ball for a safety, making the score 9 to 7.

The Renegade's initial touchdown drive started in the first quarter when Starkey punted from his own 30 to waiting Renegade Halfback Nick Smith on the Bakersfield 20, who swiveled his way back up field to his own 37. Five plays later the Renegades were in scoring position on the Ram one yard line.

With just four minutes left to play in the first quarter, Bakersfield Quarterback Pat Mills handed off to Halfback Eugene Fitzgerald, who sliced off tackle to score the first touchdown of the contest.

Budge Loustalot's conversion try was good, and the Renegades led 7 to 0.

### RATLIFF SCORES

Ten plays following the Renegade's first score, the Rams entered the scoring column when hard-charging Ram Tackle Charles Ratliff smashed through to block Quarterback Larry Pearson's punt and scoop up the ball and run into the end zone to score for the Rams.

Fullback Larry Snyder booted the ball squarely between the up-rights for the extra point. A few minutes later the first quarter ended, and the score was tied 7 to 7.

The only scoring during the second quarter came from the blocked punt safety which gave Bakersfield a 9 to 7 lead at halftime.

It took almost the entire third quarter for the Renegades to get

up enough steam to push across another score, which really came on a wild run by Quarterback Mills. The ball went into play on the Fresno 21 yard line, where Mills stepped back to pass but could find no receiver. He started to his left and then reversed his field and skirted through a swarm of Ram tackles around his right end into the end zone. Loustalot added another point when he tried for the conversion, and the Renegades led 16 to 7.

With about seven minutes to play in the final quarter, the Rams recovered a fumble on their own 37, and Fullback Millard Hampton plunged through the middle of the line for five yards.

Then Quarterback Lee Storelee, filling in for injured Starkey, gave the ball to Halfback Johnny Souza on a delayed buck through the middle to go all the way for a touchdown. Storelee then neatly booted between the goal posts to make the score 16 to 14, Bakersfield.

Quarterback Starkey was also doing some fine signal calling until he injured his arm on a pass attempt. He was taken to a hospital, where x-rays revealed that there were no broken bones.

## Fresno Makes Fine Showing

By Don Shroyer

Fresno Junior College football fans were happily surprised Saturday afternoon when the Rams almost upset the highly touted Bakersfield College eleven in Ratcliffe Stadium as the badly battered Rams went down in defeat 16 to 14.

Coach Hans Weidenhoefer and his staff should be and are very proud of their proteges as they rose to new heights to knock the Renegades down to their size in short order.

It would be interesting to speculate on what the score would have been if the Rams had been up to full strength. Many of the boys who were injured in the initial tilt with Los Angeles team are still riding the bench in an effort to mend their battle wounds. Even starters like Dick Yecny, Bill Smith, and Nick DiLiddo, who played during the Renegade game, were playing under the protest of their painfully aching hips, knees and ankles. They could hardly be expected to turn in the same caliber of performance they have been during the first two games.

The canceling of the Coalinga Junior College tilt, scheduled for next week end, will help Weidenhoefer and his squad quite a bit as they strive to recover from their numerous injuries.

I would like to mention to the irate Fresno Junior College students who were in the stands of Ratcliffe Stadium Saturday afternoon that the temperature was 86 degrees during that game.

We fans were standing or sitting there in light cotton shirts and denims, while our team was clad in heavy wool jerseys and canvas trousers with heavy cleated shoes on their feet, heavy padding under their jerseys, and hot helmets over their heads.

The temperature down on the playing field probably exceeded the 86 by another 10. For these reasons I feel that there was no justification in all the carrying on about missed tackles and poor blocks made by the Rams.

Walter Wagner, noted Fresno architect, has donated a set of Sweet's File of Architectural Catalogue to the library. These eight volumes should prove to be invaluable in assisting architectural, building trades, and engineering students with their studies at FJC.

The library also subscribes to three newspapers: The Fresno Bee, San Francisco Chronicle, and the Sunday edition of The New York Times. Several books containing bound back issues of various periodicals may be found.
