Friday Noon's Rally Precedes Pirate Game

"The Friday noon rally for the Pirate game came out well; I've seen these noon rallies before, and this one went off as well or better than any we've had," Art Lea stated to the rally committee Monday afternoon.

Halyard Patterson and Ann Wicks entertained with some "blues" and "be-bop" numbers. Afterward, they entertained with some more informal music in S-10.

The pep and dance bands of FJC played at the rally and at the dances after the game. Porterville students did not attend the dance, but many FJC students did.

The pep girls did some routines, and yell leaders led in yells at the rally as well as the game Friday night at Ratcliffe Stadium. Also FJC's first marching band appeared at the game under the direction of C. L. Spencer.

The rally committee decorated the rooting section.

Schedule Set For Mid-Term Torture Week

By Beverly Crane

Don't wait! Now is the time to begin studying for those mid-term exams!

Monday, November 9, will be the first date of that ill fated week, don't wait until then, study now.

In order to assure that no student has two exams on the same day the office has published a schedule giving each class its appointed time of torture. All MWF or daily classes held from 8 till 9 or 10 to 11 or 12:45 will be given tests on Monday. Tuesday, all TTH classes held at 8, 10 or 12:45 and all 12:45 to 3:45 daily classes will be given theirs.

Wednesday comes as the one bright spot in the week, Armistice Day; by the time the exams are over most students will probably be ready to sign one.

Thursday, all 9, 11 and 1:45 TTH classes will be put through their paces while the 9, 11 and 1:45 MWF or daily classes will be given exams Friday.

All students are required to remain in the room during the entire examination, and a student who purposely absents himself from an examination forfeits the right to make up the work.

Don't forget! Begin now to prepare, or the week of November 9 will find you trying to catch up the time you missed.

Fresno JC Plays Tomorrow Night

RAMS TO BUCK TAFT COUGARS

By DON SHROYER

Inspired by a 19 to 16 victory over the College of Sequoias and fresh from one week's rest, the Taft Junior College Cougars will invade Ratcliffe Stadium tomorrow night at 8 p.m. in high hopes of upsetting the Fresno Junior College Rams as the two teams clash in a league contest on the gridiron.

Coach Hans Wiedenhofer has been working with his squad this week in an effort to eliminate some of the miscues which occurred during the Rams' tilt with the Porterville Pirates Friday night.

As a whole the Ram gridders will be near full strength tomorrow night, with the injury list showing no serious injuries throughout the squad. Wiedenhofer has been plagued throughout the season with constant injuries. However, the last two games have seen the return of many players to the lineup, and as a result the Rams have snapped off two straight victories.

Taft JC and Fresno JC each have one win against no losses in league action. Porterville has won one and lost one. College of Sequoias has lost two and won one. Reedley has lost its only league contest.

The victor of tomorrow's contest will be the only unbeaten team in the league.

Other league action scheduled for this week end is Porterville JC at Reedley JC. College of Sequoias is playing the Fresno State Bulldogs in a non-league tilt.

PRESIDENT WHITE ATTENDS BERKELEY COMMITTEE MEETING

President Stuart M. White of Fresno Junior College attended a meeting last Friday and Saturday at the University of California at Berkeley of the state affiliations' committee of the university, junior colleges, state colleges and high schools.

White, who has been a member of the group for five years, said the committee maintains liaison between all four types of public schools and helps to improve relations between all levels of public education in the state from the high school through the university.

Band Members Praised

C. Lowell Spencer said that Fred Kapagian and Kenneth Montanari played in the marching band Friday night at the game and afterward at the dance, although both were ill. Both play the trumpet.

"I hope both are able to be back with the band pretty soon," stated Spencer.

Students Receive Notice For Draft Deferments

All Fresno Junior College men students are reminded by Forrest D. Brown that November 2 is the deadline for applications for selective service college qualification tests to be given at Fresno State College on November 19.

Application forms may be obtained from selective service boards and mailed to the selective service examining section in Princeton, New Jersey. Brown said failure to take the test will indicate that the student does not seek deferment.

FJC OPENS TV NIGHT CLASSES

To meet the growing need of industrial television, Fresno Junior College has opened a new four nights a week TV course to supplement the day classes now offered.

James E. Welden, chairman of FJC's trade and industrial education division, announced that the class will meet Mondays, Tuesdays, Thursdays and Fridays from 7 p.m. to midnight and will be a year course. The instructor is Stanley Rhyn.

This course, restricted to men employed in the TV industry or in related fields, includes lectures and demonstrations on TV theory and techniques and their practical applications in laboratory practice, said James Dinsdale, head of FJC's TV program.

It also includes the construction, installation and maintenance of television sets, antennas and other TV equipment.

Three other night classes in television are offered by FJC, Welden said, two for apprentices, Monday and Thursday, and one for men working in the TV field, Tuesday.

TWO INSTRUCTORS GOES TO VISALIA BUSINESS MEETING

Miss Ethel McCormack, Business Education Chairman, and Paul Soderstrom, typing instructor, represented Fresno Junior College at the Central Business Education Association meeting held at the Visalia Senior High School, Saturday.

Miss Eleanor Skimin, Associate Professor of Education of San Francisco State College, spoke on "Training Employable Office Workers."

Kenneth Knight, Administrative Dean of Los Angeles Junior College, delivered a speech on "Six Ways to Keep from Going Crazy in Business Education."

The next CBEA meeting will be held in Modesto on February 20th.

ENROLLMENT HITS 1862 STUDENTS

There are 1862 students at Fresno Junior College; 1003 are day students. Both of these are the top enrollment figures in FJC's history.

The 1862 total includes 859 students in evening classes, who include 593 in apprentice training and trade extension courses and 256 in night classes of the business and general education divisions.

The 152 of the 1003 day students attend shop classes three hours daily along with academic subjects at Fresno, Roosevelt and Edison High Schools.

Rally Given Tomorrow At Auditorium

A rally for the football game with the Taft Junior College is scheduled for the Memorial Auditorium tomorrow at 10 p.m. All 10 o'clock classes will be dismissed. The Ramble Inn will also be closed at this time to encourage better student attendance at the rally.

The majorettes, Aliene Nilmeier, Janet Warner, and Marilyn Caldwell, who made their first appearance at last Friday's game, will take part in the rally.

The pep girls, led by Shirley Rush, will perform a pompom routine to "On Wisconsin" and several others. New yells will be presented to the audience by the yell leaders, Jim Petropolis, Shirley Burns, and Bettie Iversen. Skits and musical selections from the FJC pep band will complete the entertainment.

Art Lea was in charge of the rehearsal held yesterday at 2:35 p.m. on the stage of the Memorial Auditorium for all those taking part in the rally.

At the rally committee meeting held last Monday, Mrs. Burns was appointed in charge of arrangements for the rooters' bus for the San Jose State game. Carole Gostanian, Sylvia O'Neal, Jim Petropolis, and States Hines are helping with the ticket sales for the bus. Tickets are to be sold in the main hall during the entire week preceding the State game.

A life membership student body card will be presented to Billy Reed by Gerald Bender, the student body president, during the rally. Reed, who donated the money to the rally committee for the purpose of Sam the Ram III, operates a service station near the junior college campus.

Questions And Answers On Our Campus Friends

Did you students ever wonder why this school is so wonderful? To tell you the truth it's just as good as being home, except there are no little brothers or sisters to bother you.

Why is this school so good? Well, let's look at this way: who cooks the most delicious, mouth-watering, and tempting food at such low cost? Who else, but Mrs. Nine Stradel, manager of the Ramble Inn. She is assisted by Mrs. Johanna Freiberger, Mrs. Mary Bennett and a few FJC students.

Who keeps this campus so clean? Ask Bill Goolsby, head custodian, and nine of his assistants and one matron. They'll tell you, and well they should. They keep this school clean as a pin.

If there wasn't a bookstore, what would you students do? I guess you would probably be running around trying to find the right books. Well, thank your lucky stars Wesley Andersen, bookstore manager, is around.

Your students can be grateful we have such a fine group of people here. So, why don't you thank them sometime? They deserve it, don't you think?

TO OUR FACULTY MEMBERS

To all you wonderful faculty members: We the students of Fresno Junior College admire and respect you for your fine attitude during our little difficulty concerning class housing.

We, the students, are proud to have such a fine and efficient teaching staff. In our opinion, you're tops.

As we go our way into the future, we will never forget how you patiently instructed us for our future life ahead.

May heaven bless all of you for being what you are. From each of us, in our own way, we wish you the very best of luck, always.

13th YEAR

Freshmen meet Wednesday in S-10 at noon. At the last meeting, Beverly Baird selected a committee on ways and means. The freshmen are thinking about a dance on December 4 if sufficient funds can be raised by cake sales, the Red Key Carnival and other things.

The meeting consisted mainly of freshmen booth business; States Hines, president, discussed the prizes to be given.

The record break is actually breaking records; to have this fun, tickets will be sold by people who have already signed to work at the booth. More support is needed for the 13th year class if they wish to accomplish anything, say class leaders.

NISEI CLUB

The Nisei Club, a Japanese organization, meets in B-7a every day at noon. They are planning a surprise for the carnival, along with their game, Kill the Umpire. You'll get to try before baseball season, which is a long way off, to get some of that spirit out of you.

NEWMAN CLUB

The Newman Club, a Catholic student organization, has appointed Art Lea as chairman of the club, as they have not elected officers yet and their booth for the carnival must be planned. Lea and a committee are in charge of plans for their Red Key booth, and are now getting prizes for their bingo game. From the way their members are work-

They meet tomorrow at noon.

Former Iranian Student Majors In Engineering

By EDDIE PEREZ

The Rampage personality of the week is Farroky Nasser Shahpar, a former Iranian student from Tehran now attending FJC as an engineering major.

Before leaving Europe for the United States, Shahpar spent about fifty days visiting France. Upon arriving in the United States this April, he enrolled at Cal Poly for the spring quarter.

However, he will not be the first in his family to attend an American college since his father already holds a mechanical engineering degree from an American university.

When asked what he thought was the difference between American and Iranian schools, he stated, "Here in American schools there is more of everything." He expects to attend Fresno State in the near future.

Born on June 4, 1934, in Tehran, Shahpar is the oldest in a family of four children. His only sister is attending a ballet school in Tehran, and a brother is still in high school.

FJC Rams Win First League Tilt

Third Period TD Spree By Fresno Beats Pirates

The Fresno Junior College Rams opened their 1953 Central California Junior College Athletic Association league competition with a smashing 24 to 13 victory over the Porterville Junior College Pirates in Ratcliffe Stadium Friday night.

Coach Wayne Hardin's Pirates took the Fresno gridders by surprise on the opening kickoff, and, combining this with a couple of important breaks, they managed to retain a 13 to 6 halftime lead over the Rams.

However, Coach Hans Wiedenhoefer's Rams roared back in the third stanza by tallying three times to put the game on ice for the Rams.

The Pirates' opening onside kickoff was recovered by Porterville tackle Dale Robertson on the Ram 45, and three minutes later the Pirates were leading, 6 to 0.

ONSIDE KICKOFF BACKFIRES

The next Pirate onside kickoff backfired when Ram end Nick DiLiddo recovered the ball on the 50-yard marker. Fresno quarterback Lee Storelee caught everyone by surprise when he unleashed a long pass to end Jerry Tate on the Porterville 20, where he was tackled.

Halfback Jim Travis bucked for one, Storelee for two; then fullback Millard Hampton skirted his right end for six. Travis bucked through the middle for a first down on the nine-yard line. Hampton lost two; Storelee went for no gain and then stepped back and heaved one to DiLiddo, who was standing in the end zone all by himself.

Storelee's conversion try was wide, and the score was knotted, 6 to 6.

75-YARD RUN CALLED BACK

With the score still 6 to 6 in the second quarter, Fresno halfback Floyd White thrilled the fans when he streaked through the middle and scooted 75 yards to score, only to have it nullified by an offside penalty against the Rams.

One and a half minutes before the halftime gun sounded the Porterville Pirates scored again. The Rams were forced to punt, with Storelee booting the ball to Pirate quarterback Dick McBride, who took it on the Porterville 25 and returned it to the Porterville 43.

On the first play from the line of scrimmage Vern Rymer, who was the star of the contest, launched a 43-yard heave to end Dick Freeman, who scrambled to the Ram 13 before he was brought down.

Rymer then toted the ball twice for seven yards; his brother LeRoy took over on the next play and carried to the Ram three, where it was first down and goal to go. Rymer wiggled through the middle on the first play for the second and final Pirate touchdown. Charley Davis scored with his conversion try, and the Pirates led at halftime, 13 to 6.

RATLIFF BLOCKS KICK

With the third quarter hardly two minutes old, Ram tackle Charles Ratliff broke through the middle of the Pirate line to block McBride's punt, which rolled to the Ram 20, where guard Dick Yecny scooped it up and staggered

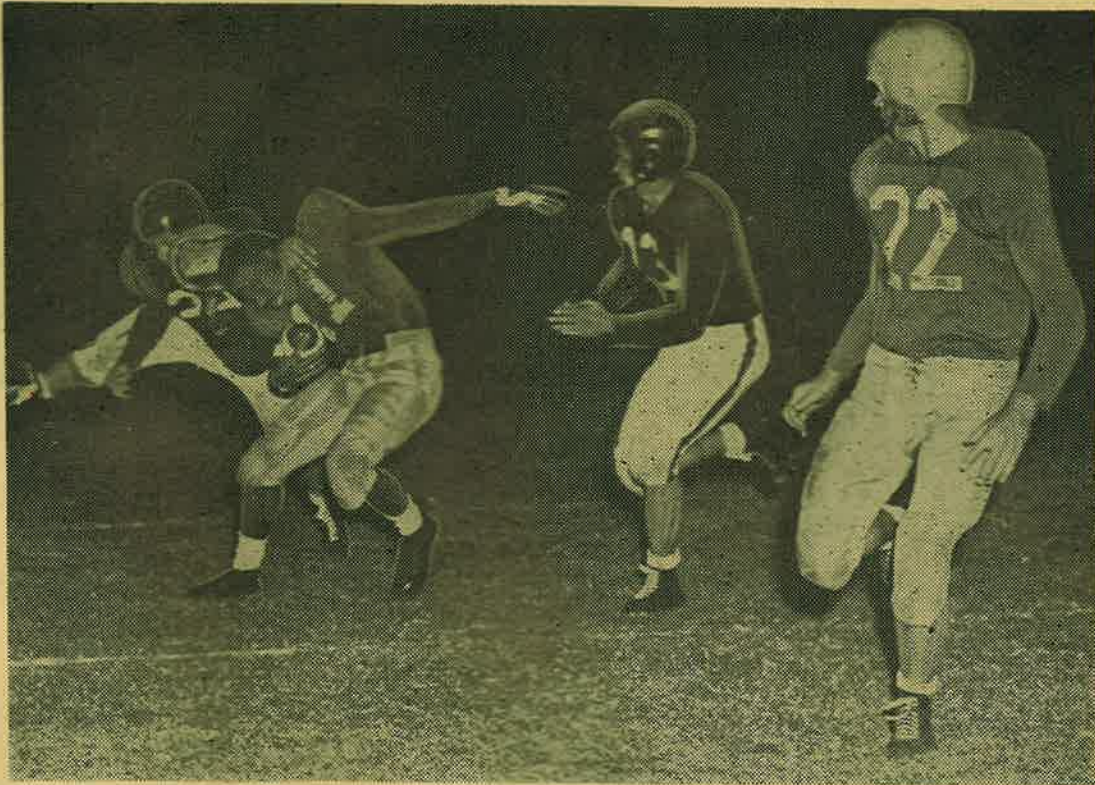

to the Pirates' 11 before he was tackled.

On two straight plays through the middle Hampton scored the Rams' second tally. Again Storelee's kick was wide, and the Pirates were leading, 13 to 12.

A few plays later the Pirate attack bogged down when Ram quarterback Storelee intercepted McBride's pass on the Ram 15. At this point Fresno fullback Hampton supplied the fans with a real thriller when he streaked 85 yards for a touchdown.

Quarterback Storelee tossed out to Hampton, who appeared to be going on a wide sweep of his right end. However, he cut back before he reached the line of scrimmage

Five Delegates Chosen For CJCSCGA State Convention At Asilomar

A student council meeting Monday at 7 a.m. in the Ramble Inn resulted in the choosing of representatives to the 16th semi-annual California Junior College Student Government Association Conference in Asilomar November 19, 20 and 21.

The five official delegates are Gerald Bender, student body president; Carole Gostanian, treasurer; Sue Sheehan, secretary; States Hines, freshman president and Frances Purroy, president of the Associated Women Students. Joe King, council adviser, will attend the meeting with the official representatives.

The council gave tentative approval to a proposal that FJC be host to the Central California Junior College Association minor sports carnival next January, subject to the approval of President Stuart M. White and his administrative cabinet. However, Miss Willa Marsh, the dean of students, said FJC may not have sufficient facilities to be host to the carnival.

The council appointed Carole Gostanian, Johnnie Souza and Lee Storelee as co-chairmen of the carnival if it is held here.

Gerald Bender, student body president, said the next council meeting is scheduled for Wednesday at 2:35 p.m. in the student body office.

Cage Mentor Announces Net Practice

Coach Joe Kelly yesterday asked all candidates for the basketball squad to report Monday at 4:45 p.m. in the Fresno High School gymnasium.

Replacing Paul Starr, now FJC's dean of men and athletic director, Kelly brings with him a very impressive hoop record as former coach of Fresno High Varsity quintets, having won four Yosemite League championships and placing second every year but one during his nine years at Fresno High.

Included on FJC's 30 game schedule this year are El Camino, Sacramento, Stockton, Bakersfield and the Hartnell junior colleges, and the Modesto JC tournaments and conference games.

Former Edison High School cage stars Cleo Coleman, Odell Johnson, Ray Williams, and Harvey Green are listed by Kelly as some of FJC's prospective sharp-shooters.

Returning lettermen are Lee Storelee, Bill Nicholson, Gerald Bender, and Don Steitz, last year's high scoring diminutive ace who wound up with 311 points and a 13 point game average.

Huey Davis, last year's FJC net star, is now serving in the armed forces. He tanked a total 455 points for an average of 13 point game average.

FJC Veterans Receive Checks For Education

Veterans enrolled at the Fresno Junior College who have not yet received their GI educational checks have been assured that they soon will be eating again.

E. R. Stewart, the head of the Fresno Veterans Administration Office, said veterans who enrolled before September 21 and whose papers were processed by the regional VA office before October 9th should have received their checks by now.

Veterans who enrolled before September 20th but whose papers were received in the VA office after October 9th should receive their checks 15 days after the papers were received.

Those who enrolled after September 20th and whose papers were received in the VA office by November 4th should receive a combined September and October check by November 20.

He advised that some delays are possible and urged veterans to wait a few days before reporting to the VA office if their checks did not arrive.

All veterans enrolled at JC under Public Law 550 are to report to the office of Keith Emmert, Fresno Junior College veterans coordinator, to sign the monthly certification of education and training between the 1st and the 5th of November.

and bolted through the right tackle hole.

He veered to his left as he came through the maze of Porterville players, with his knees driving like pistons clear up to his chin, and ran like a deer to score for the Rams. Rymer blocked Storelee's extra point boot and the Rams were leading 18 to 13.

Storelee added another tally to the Rams' side of the score board a few minutes later as he climaxed a 75-yard march when he bucked over from the two. The highlight of the march was Hampton's run from the Ram 25 to the Porterville 43. This run was very similar to his previous touchdown jaunt, but as he went through the confused Pirates, guard Don Lewis managed to get a good grip with both hands on the back of Hampton's jersey.

Hampton dragged him over 25 yards before he realized someone was hanging on. As Hampton attempted to shake Lewis, the Pirates swarmed over Hampton on the 43.

Student Canteen Settles Down

By Margaret Sieneros

Constructed only four years ago, the first student canteen was christened Ramble Inn on November 10, 1949. It was then located in the basement of the center wing of the main building, since demolished.

After weeks of filing, reading forms and suggesting names, the judges, Archie Bradshaw, Eldon Webster and Jim Jayne, announced the co-winners, Leo Margosian and John Guillen, of a name-winning contest.

During the ceremony, George Turner, president of the school board at that time, turned the keys over to Eldon Webster, student manager.

When two sections of the Fresno Junior College building was condemned as a earthquake hazard, the Ramble Inn was forced to suspend its operations when the demolition began.

For the first time since September 15, 1952, when the buildings were condemned, the Ramble Inn, FJC's student eating place, reopened its doors last January under a new manager, Mrs. Nina Stradel, and her assistant, Mrs. Johanna Freiburger.

During its four years of operations, the Ramble Inn has become a student institution of great popularity on FJC's campus.

Marines To Send Team

Archie Bradshaw, director of guidance, has announced that the Marine Corps' officer procurement team, headed by Captain W. J. Skvaril, USMC, will be on campus at Fresno Junior College on November 3 to explain officer training programs leading to a commission in the Corps.

Junior College Association Starts Annual Fall Meeting

The California State Junior College Association started their annual fall meeting yesterday and will continue through Saturday in the Ahwahnee Hotel in the Yosemite National Park.

President Stuart M. White of the Fresno Junior College and Erwin A. Dann, an assistant superintendent of the Fresno City Schools, are representing FJC and the city schools at the conference.

Forrest G. Murdock, El Camino College president, is the president of the state organization; Leo Wolfson, of Reedley College, is the secretary-treasurer; Ralph Prator, president of Bakersfield College and of the Central California Junior College Association, presided at a session this morning when State Assemblyman Donald A. Doyle spoke; Thomas B.
