### White Appointed To Committee

Stuart M. White, the president of the Fresno Junior College, has been appointed to a joint committee of the California Junior College Association and the California Association of Secondary School Administrators to study the use in the state of the national educational development tests.

White, along with other members of the group, met in Long Beach Friday and Saturday and began a preliminary study of the projects to report to a meeting in Berkeley October 8 and 9.

This meeting will be the California Junior College Association's committee on relations with other schools.

#### 3 Others Make Up Membership

The other GED test committee members include Theron Freese, assistant superintendent of the Long Beach City Schools, Sidney Davidson, district superintendent of the Newport Harbor Union High School, and George Dotson, president of the Long Beach City College, acting chairman.

White commented that the committee was established because of differences in opinion between the high schools, junior colleges, and adult schools in the use of the GED tests.

### MRS. EMMA PRICE SPEAKS FOR NURSES

Mrs. Emma Price, the vocational nurse class speaker, spoke on the Vocational Nurse and Her Community. She outlined the need of vocational nurses because of the shortage of registered nurses and because of the former's ability to relieve the RN's of routine tasks. Mrs. Price asserted vocational nurses are meeting these responsibilities and are performing a vital community service.

If you think you've been hearing bells ringing while attending classes in the main building, you're not punch drunk or deaf. It is the Los Angeles Valley College victory bell.

Perhaps you have seen it in the main hall. States Hines, rally committee member, said that members of the LA Valley rally committee put the bell in the FJC station wagon Saturday night after the FJC-LA Valley football game in Van Nuys.

Hines said that he had told the LA Valley rally men that he would take the bell "home" for them; only he didn't say whose home.

Joe King, FJC rally committee adviser, who drove the station wagon to Van Nuys with seven students, said that he didn't discover the bell was in the vehicle until they were over the Ridge Route on the way home. By that time, King said, it was too late to return it. Hines said the bell would be returned to LA Valley "soon."

The victory bell has two customs—it is rung after each victory or it is rung after each touchdown to designate the score.

### OCTOBER 1 TO 5 IS DEADLINE TO SIGN FOR SUBSISTENCE AID

All veterans who are attending school under Public Law 550 and who are entering under the GI Bill this year and veterans who have received their authorization to go to school under the GI Bill are reminded that they are to sign their monthly certification (Form 7-1996a) between the 1 and 5 of October in order to receive their subsistence for the period September 13 to 30.

All other veterans under PL 550 are to sign their monthly certification at the time they bring their Certificate for Education and Training into the FJC Veterans Office.

### Rally Committee Goes To Opener

The Fresno Junior College rally committee got off to a fine start with several representatives at the opening football game.

The committee was represented by Karlo Demoorjian, chairman; Joseph W. King, adviser; Ann Nelson, Ellen Tally, Dee Dee Farrant, and Diane Paschall, pep girls; Leonard Romero, yell leader, States Hines, and Ralph Thorneberry, student publications photographer.

The pep girls' uniforms included white pleated skirts, white sweaters, red socks and gloves, and white bucks. Romero was wearing white slacks, white sweater and shirt with the Ram emblem on the sweater, and white shoes.

Boyd Deel is head yell leader. His assistants are Bettie Iversen, Romero, and Gayle Kovick. Miss Nelson is head pep girl. Her helpers include Miss Tally, Miss Paschall, Miss Farrant, Sandra Ci-viello, Shirley Williams, Wilma Koenig, and Anita Ferrell. Virginia Crane, Angela Renna and Carol Barsotti are alternates. These girls were chosen by four members of the rally committee.

Norman Williams and Ray Takakjian are the cochairmen of the rally men. Other members are Walt Torosian, Ken Coventry, Dick Takakjian, George Der Kevorkian, Charles Torigian, and Hines.

### Fraser Is Speaker At Graduation Exercises

Colonel Joseph I. Fraser, assistant director, Civil Defense Program, Region 6, the main speaker at the vocational nurses graduation exercises Tuesday night in the FJC library, used two charts as the main body of his speech, "The Nurse's Role in Civil Defense."

The first chart shows what the devastated area would be like after an air raid and where a first aid station would be set up and also how civil defense teams work in a first aid station. It demonstrates how they take victims by ambulance to the nearest hospital.

The second chart illustrates the equipment and receiving rooms civil defense will have and the examination room used by the doctor and nurses. There is also a holding room for patients that cannot be moved.

#### Fraser Describes Equipment

Colonel Fraser stated that the equipment for one first aid station, the various amounts of blood plasma, 34 liters, and many other instruments takes about 10 or 12 feet to store for one station.

Fraser also said that one station needs two doctors, one dentist, two registered nurses, one pharmacist, one chaplain, and 18 technicians trained in first aid work and others, about 120 persons plus the litter bearers.

The 15 graduates have completed a one year program of vocational nursing at FJC, which includes seven months of nursing practice at local hospitals and five months of class work at FJC.

#### Lebensbaum Gives Congratulations

Frieda Lebensbaum, director of nursing service and of the School of Nursing, Fresno County General Hospital, congratulated the graduates, and Emma Price spoke on "The Vocational Nurse and Her Community."

The Reverend Joseph A. Gist, minister of the parish, the first Methodist Church, pronounced the invocation and the benediction.

The presentation of the class was made by Mrs. Anna Thompson, who is one of the sponsors of the class, and the certificates and pins were awarded by Stuart M. White, president, Fresno Junior College.

Dr. Lucile H. Williams, a faculty member, played the processional and recessional, and the audience

### Hansler Is New Chairman

Robert P. Hansler is FJC's new chairman of the trade and industrial education division. He succeeds James E. Welden, who at the end of the 1953-54 school year retired.

Hansler also directs industrial education for the Fresno City Schools. For the junior college he was coordinator of trade and industrial education until his promotion.

Hansler was a high school student on the campus on which FJC now stands as he graduated from the former Fresno Technical High School in 1922.

#### Is FSC Graduate

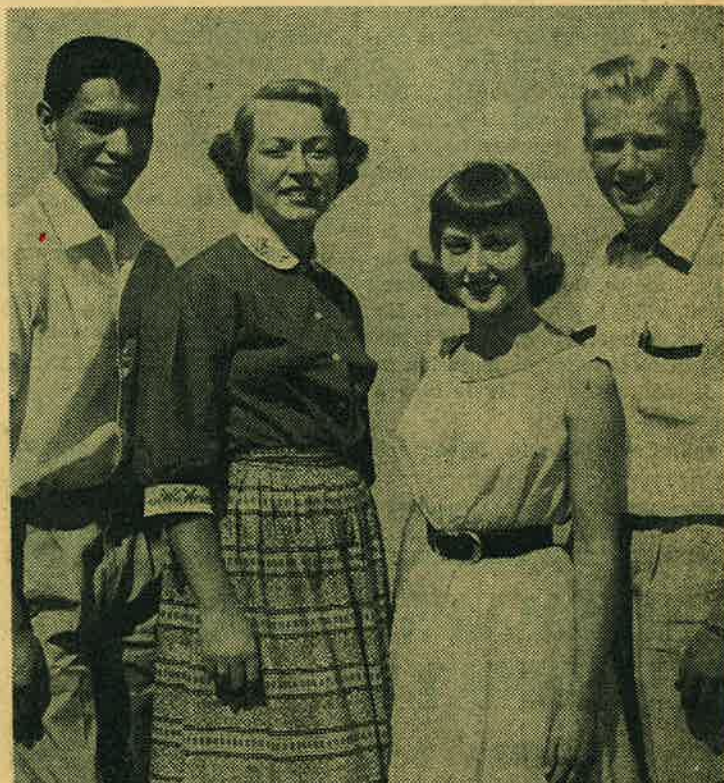

He is a graduate of Fresno State College and has done graduate work at the University of California. He holds a life teaching certificate in vocational arts and a vocational education supervisory credential.

He is married and has a daughter, Shirley, and a son, Eugene. Fishing and building models of various types are among his hobbies; he also owns a cattle ranch.

In addition to his responsibilities in supervising the city schools' extensive industrial arts and vocational education program, for the junior college his duties will include supervision of an extensive night program.

### AWS Members Serve At Graduation Reception

FJC's Associated Women Students were hostesses Tuesday night at the reception for the vocational nurse graduates, their families and friends, following the ceremony.

### Congratulations Go To Yell Leader, Rooting Team

Congratulations are extended to the Fresno Junior College rooting section that attended the Van Nuys game in LA Saturday.

The yell leader, Leonard Romero and the pep girls Ellen Tally, Ann Nelson, Delinda Farrant and Diane Paschall, along with about 25 students kept their enthusiasm to the last minute of the tie game.

The vigor combined with the force of zeal merged into a high spirited uniformed rooting squad.

Cooperation like this will lead us straight into winning our fifth league championship.

### Sam Appears For Fifth Year As FJC's Mascot

Meet the Fresno Junior College's mascot, energy-packed Sam the Ram III.

Sam made his grand entrance at the first student body's fall assembly.

The pedigreed animal is the third mascot FJC has had since 1948. The original Sam died and was buried on the campus May 9, 1951, after three years of faithful service. Sam II was acquired for the FJC-College of the Sequoias football game about four years ago.

Sam III was purchased for the student body last fall by Billy Reed, who operates a local service station by the junior college campus.

States Hines is in charge of bringing the ram to the JC games and rallies.

Sam is now making his present home on the Walter Hyde ranch in Fresno. He will be at the Fresno-Bakersfield game tomorrow night.—ELLA PAPAGNI

### 44 Student Nurses Take Academic Training At FJC

Forty-four student nurses of the Fresno County General Hospital School of Nursing are taking their academic training in the Fresno Junior College.

Kenneth Hald, the instructor in charge of the professional nursing program, said all student nurses who have studied at FJC the past five years and have finished their training have passed their state board examinations.

They are all first semester students in the nursing school. Their FJC courses and instructors include anatomy, physiology and microbiology, Hald; psychology, John Mock; sociology, Dr. Lucile Williams, and dietetics, Mrs. Caryl Houck.

In addition to the cooperative program between the junior college and the hospital, Hald said FJC offers a year of preclinical nursing to qualify candidates for admission to all schools of nursing.

FJC also provides preprofessional majors in medicine, dentistry, pharmacy and public health, preparing students for transfer to medical, dentistry or pharmacy schools or universities.

## FJC Champions Will Play Renegades Tomorrow Night

The Fresno Junior College Rams, who for four consecutive seasons have won the Central California Junior College Athletic Association Championship, will meet the Bakersfield College Renegades in Bakersfield Friday night. This will be the second game of the season for the Rams, the opening game resulting in a tie with the Los Angeles Valley Monarchs last Saturday night.

Han Wiedenhoefer, FJC's head coach, recently informed the Fresno Press Club that the coming game with the Renegades will be our toughest of the season on a nine game schedule which offers no breathers. Bakersfield College is the number one team nationally.

### Rams Nosed Renegades

The coming game with Bakersfield will be no new experience for the Rams. In 1948 the Rams nosed out the Renegades by a score of 20-13. In the Potato Bowl game of 1952 the Renegades enjoyed a 25-19 victory over the Fresno club, and last year Bakersfield took home a close hard-fought 16-14 win over the Rams.

Coach Wiedenhoefer and his two able assistants, Ray McCarthy and Joe Kelly, report no serious injuries resulting from the Monarch game. It was also reported that FJC will probably use the same starting lineup for the Renegade game with the exception of putting Ray Edwards in at left half in place of Henderson Baber. Paul Starr, FJC's athletic director, said that the traveling squad will consist of a probable 35 players.

### Backfield Is Strong

The starting backfield for the Rams will include Tommy Flores, quarterback from Sanger; Calvin Fox, fullback, formerly of Roosevelt High, Edwards, and Eddie Jordan. Between them, Flores, Jordan and Edwards piled up two touchdowns and three conversions for the Rams last week.

Frank Fiorentino, a freshman playing right guard, has made the

## FJC SPORTS

By MARVIN LUTZ

The Fresno JC Rams played a fine game against LA Valley Saturday night, which resulted in a 27 to 27 tie score. Allan Eldred, Henderson Baber, Eddie Jordan, Jerry Tate, Louie Duran, and Nick Rindino played a very excellent part in holding the Monarchs. I was proud to see a nice bunch of you in there rooting for us. You did a fine job and I am hoping that it will continue at Bakersfield this Friday night.

So much for the LA game, and I now turn to give other football scores. They are Reedley 49, Cal Poly 13; Porterville 7, Hartnell 2; COS 20, Yuba 7; and City College of San Francisco 21, Taft JC 6.

Here are the seasonal standings in practice games in our conference:

School	Won	Lost	Tied	Pct.
Reedley	2	0	0	1.000
COS	2	0	0	1.000
Porterville	1	0	0	1.000
Fresno	0	0	1	.000
Taft	0	1	0	.000

## Rams Tie In Grid Opener

The Fresno Junior College Rams and the Los Angeles Valley Monarchs met in Van Nuys last Friday night in the opening game of the season for both teams. Both teams

displayed great sportsmanship and winning spirits. The game ended in a 27-27 tie.

In the first quarter of the game the ice was broken when HB Eddie Jordan received a hand-off from Quarterback Tommy Flores and romped 30 yards for a FJC touchdown. Minutes later, Jerry Tate skipped over from the 15 yard line for the second score of the game.

Early in the second quarter Charlie Alexander, Monarch halfback, got loose for a 62 yard jaunt and was followed over the TD line by Charlie McKelvie a few plays later for Los Angeles Valley.

After taking a hand-off from Don Kloppenburg, Flores tallied in the fourth period from the two yard line. Nick Rendino also scored in the last quarter for FJC's final score.

Fullback Dick Windham registered twice for the Monarchs in the fourth quarter. Both TD's were the results of sneak plays.

Jordan converted three times for the Rams. Windham made two and Rendino one for the Los Angeles Valley Monarchs.

## Stuart White Helps On Menlo College Accrediting Survey

President Stuart M. White of the Fresno Junior College will assist in a survey of Menlo College in Menlo Park Tuesday and Wednesday as a member with an accreditation committee of the Western College Association.

Other members of the committee include Dr. Gilbert A. Collyer, Shasta College, chairman; Dr. Forrest G. Murdock, El Camino College; Dr. Milton Chernin, University of California, Berkeley; Dr. Fred Harclerod, San Jose State College; and George L. Roehr, state department of education.

The committee is making the accreditation survey in cooperation with the California State Junior College Association, which is joining with the Western College Association in arranging for accreditation of the state's junior colleges.

California's junior colleges have previously been accredited by the University of California and the state department of education, but under the new program the junior colleges will be accredited by the same organization that accredits four-year colleges and universities, the Western College Association.

## Fred Hall Is FBLA Prexy

Fred Hall, a FJC student and state president of the Future Business Leaders of America, conducted an executive board meeting at San Juan High School in Sacramento Saturday.

Louella Williams, state corresponding secretary; Judy Long, Future Business Leaders of America members of the FJC chapter, and Mrs. Edna Hartley, sponsor, also attended from FJC.

The San Juan chapter entertained delegates with a buffet luncheon before the meeting. Hall made a detailed report on the national FBLA convention, which he attended in Dallas, Texas, in June.

**Fresno Will Be Host**  
Fresno officers will be hosts to the next executive board meeting in Fresno, February 19, 1955.

State committees were appointed. FJC will be the auditing committee for the state accounts. Plans for the state convention to be held at the Lafayette Hotel in Long Beach in April were discussed.

**FJC Holds Second Meeting**

## 453 Vets, Including Two Women, Are Now Enrolled

Registration for veterans receiving government aid, as of Tuesday, reached the total of 453. Two of these veterans enrolled in the different courses at Fresno Junior College are women.

There are 281 veterans enrolled as regular day students and 172 enrolled in the night courses, compared to 173 a year ago and 804 in the spring semester of 1954. Robert P. Hansler, in charge of veterans affairs at FJC, said the big increase over a year ago is due to the fact Korean veterans are beginning to enroll in colleges in large numbers, although few World War II ex-servicemen are attending under federal aid programs.

At the present time the number of veterans enrolled in the day courses make up approximately 35 per cent of the student body.

Veterans who still plan to register at Fresno Junior College for day or evening training under federal aid were warned by President Stuart M. White of FJC that tomorrow is the last day they may enroll for credit to meet the requirements of the veterans administration.
