Rams-Comets To Tangle In Homecoming Game

The FJC Rams, whose hunger was temporarily satisfied, when they devoured the Porterville Pirates last Saturday night, will meet the West Contra Costa Comets in Ratcliffe Stadium tomorrow night. This being a homecoming game, the Rams will no doubt be tougher than usual.

The Comets, who are unbeaten so far, promise to be pretty rough customers. Last week they gored the Stockton eleven unmercifully and took a 34-6 win.

The Fresno club will be taking a bye in the Central California Junior College Athletic Association in the WCC tussle, the next league game being with Reedley JC in Reedley. At present the Rams are in second place with the College of the Sequoias Giants leading the pack.

Coach Hans Wiedenhofer voiced his opinion of the coming contest: "West Contra Costa is undefeated

in two seasons of play and has the greatest team I have ever seen."

"I thought Stockton would give them a good game, but it was not even close. WCC has backs who are comparable to the Bakersfield College backs, and that is saying a lot. The Comets' line is not huge, but it sure is mobile, and all of the boys are between 190 and 200 pounds."

Wiedenhofer is, however, disturbed over some injuries resulting from the Porterville game. The top Ram guards were knocked out in the first half of the game, and Hans was called upon to do some fancy shuffling.

FJC QUEEN CANDIDATES—One of these coeds will reign over the first annual Ram Week. They are, left to right, Ann Nelson, Deolinda Farrant, Ellen Tally, and Diane Paschall.

Four Candidates Chosen For Ram Week Queen

By BOBBIE BURTON

One of the four candidates, Ann Nelson, Ellen Tally, Deolinda Farrant, and Diane Paschall, will be elected today as Fresno Junior College's queen to reign over the homecoming football game and dance Friday night. This is a part of the first annual Ram Week.

Ballots will be passed out at the start of the rally, and students will vote during the rally.

The queen will be crowned during halftime activities at the game.

Radka M. C.

Al Radka, a Fresno radio announcer and disc jockey, will be master of ceremonies at Thursday's rally.

The entertainment will be provided by a four-piece combo consisting of Don Taylor, Art Tyler, Midge Embry, and Joe Coats. The FJC choir will also participate.

The yell leaders will go through their routines, followed by a skit in which Genny Schellenberg, Karlo Demoorjian, and Walter Torosian will take part.

States Hines and Radka will in turn present the queen candidates. Hines will also introduce the Junior Chamber of Commerce speaker.

The pep girls, band, and majorettes will also be on hand to pep up the rally.

Sam's Son

Hines will bring on Sam's Son, along with Joe Yparra, the owner of the farm where Sam's Son stays. Sam's Son will make his appearance at the game also, replacing his retired father, Sam III. The Varsity Guild will then present another skit.

FJC's pep band, majorettes, yell leaders, and pep girls will perform halftime entertainment at the game. Fans who attend can see the high school contest at 6:30 p.m. between Roosevelt High School and Bakersfield High School. Tickets for the game will be \$1 for adults and 50 cents for students with student body cards.

Demoorjian, chairman of the rally committee, requests that all students planning to sit in the FJC rooting section at the game wear white.

FJC Has 2,288 Officially Enrolled

President Stuart M. White of the Fresno Junior College announced FJC's official fall semester registration is 2,288, an increase of 501 over the 1,787 total of a year ago.

The current total, as reported to the state department of education, includes 1,254 day and 1,034 night students, compared to 988 day and 799 night students in 1953.

By MARVIN LUTZ

The Fresno JC Rams continued to roll in the CCJCAA by winning over Porterville JC 27-13 last Saturday night.

The stadium dedication program turned out to be a success.

I was well pleased with the performance of the entire team at the game. The following players should deserve a lot of credit for their play. They are Allan Eldred, Louie Duran, Fred Snyder, Charles Ratliff, Don Kloppenburg, Calvin Fox, Larry Kapreilian, Don Birkle, and Tom Flores.

I was glad to see a bunch of you fans at Porterville and hope to see more of you at the West Contra Costa game here in Ratcliffe Stadium tomorrow night. I urge you to attend and support the festivities of Ram Week.

Rams Bop Pirates; Hold Second Place In League

The Rams retained second place last Saturday night by running the Porterville Pirates aground in the new Stadium in Porterville. When the Pirates finally regained their composure, they found the Fresno club trotting home with a 27-13 win tucked under their arms.

It was the first game held in Porterville's new stadium and the Rams succeeded in dampening the entire dedication program with their relentless attack. Half time found the Fresno team leading 14-6 in a lead that was never seriously threatened.

Numberous pass interceptions and fumbles throughout the game aided the Pirates in losing their second Central California Junior College Athletic Association game in as many tries.

The Rams started their terror spree in the first quarter when Tom Flores' pass hit Fred Snyder for six points. Larry Kapreilian made the extra point.

In the second period Dick McBride recovered a Ram fumble on the Fresno four yard line, and two plays later Ed Tuttle dived into the end zone for a Pirate tally. Calvin Fox was in there to block the attempt for the extra point and the Rams led 7-6.

In the same period, Henderson Baber was left unguarded a moment too long and exploded in a 42 yard touchdown run. The conversion, which was toed by Kapreilian, was good and the score stood 14-6 Fresno.

Allan Eldred leaped on a Porterville fumble in the third quarter which gave the Rams the ball on the Pirate 35 yardline. Minutes later Fresno went over to change the score board to read 20-6. Kapreilian missed the conversion attempt.

Snyder scored the fourth Ram TD in the same quarter when Left Tackle Charlie Ratcliff went in to block Tuttle's punt. Snyder immediately scooped up the hot pigskin and slipped into the endzone. The extra point was good and Fresno led 27-6.

The final touchdown was scored by Porterville in the last period on a quarterback sneak by Tuttle. The conversion was made.

Rams To Host SBVC Indians

The Fresno Junior College Rams will play host to the San Bernardino Valley College Indians Saturday, November 13.

Fresno will try to repeat as victors over this team as the Rams edged the Indians last year 16-14.

Seven hundred and fifty members of the Junior Traffic Patrol plus one adult for each member will be guests of the game. The members of the patrol are those who help elementary students across the street.

The Indians, who are in the Eastern JC Conference, have won four and lost two games this year. The SBVC eleven lost its opener to Mexico City Poly, 45-14, downed Palo Verde, 46-13, sank Harbor, 20-6, edged Santa Ana, 19-14, and beat Fullerton, 32-19.

FJC's assistant coach, Joe Kelly, scouted the Indians last Friday night when the eleven was dumped in their second loss of the season 41-14 by Mount San Antonio.

Ram Of Week Has Birthday

"Happy Birthday" wishes are extended to Nick Rendino, the Ram personality of this week, who today celebrates his 20th birthday.

The friendly freshman with a very "flashy" personality weighs 180 pounds, is 5 feet, 11 inches, has been a great asset to the Ram team and has shown outstanding ability.

Rendino graduated from the Roosevelt High School, where he played one year of varsity football. He was also a three year track star man in high school.

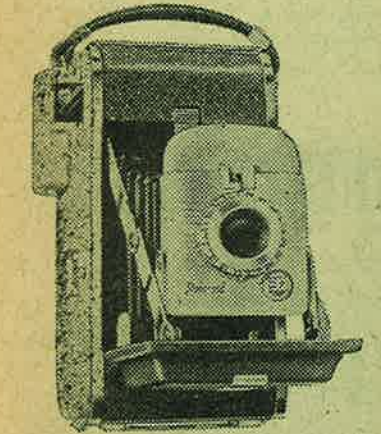

After completing Fresno Junior College, he plans to attend Fresno State College, where he will continue his major in a general education course.

When asked what he likes most about FJC he commented, "I like the friendly atmosphere and most of all the girls who flirt with me."

STUDENT CARDS NOT HONORED FOR GAME

Paul Starr, FJC athletic director, announced student body cards will not be honored for the West Contra Costa game.

He announced students with a card will be admitted for 50 cents; all others will be charged \$1, the regular adult admission price.

825 Join Club To Aid Safety

A total of 825 students and faculty members joined the 400 Club to aid the Fresno County Safety Council's project to boost the 323 traffic deathless days to 400.

Fred Hall, the committee chairman, said the students and instructors took the 400 Club pledge, promising to obey all traffic laws, drive according to conditions, be a courteous example and tell others to do likewise.

Each member received a 400 Club sticker for his automobile as a reminder to keep the safety record.

Dean Lee, the student body president, said the student council approved the safety campaign and set up the committee to counteract the idea locally that youth of college age are reckless and dangerous drivers.

The 400 Club committee included Lee, James Ringer, Mrs. Mary Lou Kolstad and Mrs. Dorothy Ragsdale.

Progress Made For Carnival

Red Key officials said progress towards organizing the annual Red Key Carnival is being made slowly but surely.

All forms for booths were to be given to Martin Isler, general chairman of the carnival, by Monday. However, forms are still coming in and more booths will be assigned later. Isler said work on the booths should start at once.

Forms for prizes were given out Wednesday by Sue Sheehan, prize committee chairman.

Booths reserved at present are: AMS, penny pitch; Rambling Collegiates, musical chairs and fortune telling; Nisei Club, bingo, coffee and donuts; CAC, little rano, pick prize; freshman class, side show; Rally, concession stand; Phi Theta Kappa, cake; Vets' Club, "squish" (spong throw) and ice cream.

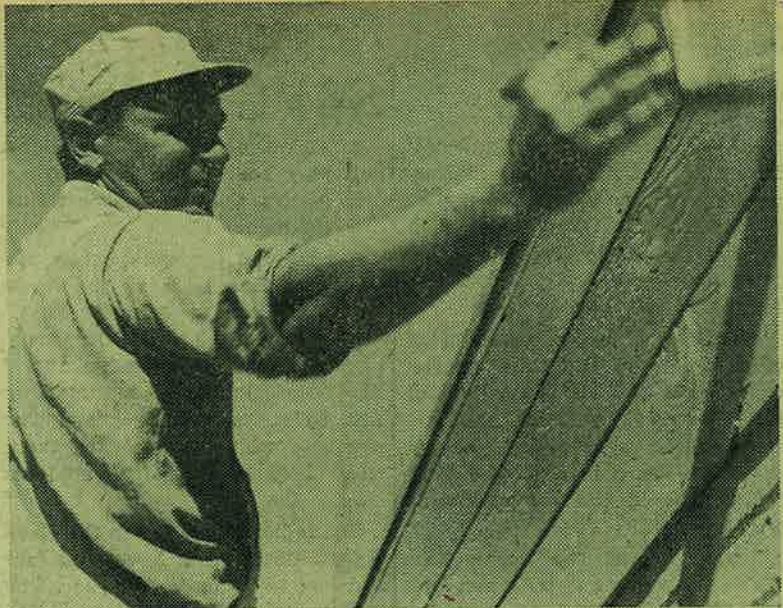

Some Veterans Eligible To Enroll In College

Under the amended Public Law 550, the Korean GI Bill, veterans who initiated their program of education or training not later than August 20, 1954, or within three years after their discharge, are still eligible to enroll in a college or university for the spring semester.

Mrs. Louise Murphy, the Fresno Junior College veteran's secretary, said many veterans in the Fresno area who are eligible to enroll in a college or university for the spring semester under provisions of federal subsistence laws may erroneously think their eligibility has expired. However, she pointed out that Congress has amended the law, therefore extending the time limit to begin training.

The Veterans Administration has estimated there are about 500,000 veterans who were released from the armed services before August 20, 1952 who are or have been affected by Public Law 550.

Further information on the eligibility of veterans may be obtained from Mrs. Murphy.

Stockton To Host Journalism Students

Members of the FJC newspaper and annual staff will attend the Northern California Junior College Press Association Conference tomorrow to which all students from junior colleges in Northern California have been invited.

The conference will be held at the

Students who will attend are Ella Papagni, Al Copus, Mary Florentino, and Eleanor Franco, Rampage staff members, and Clarence Johnson, Leonard Romero, and Shirley McLaughlin, annual staff members.

Personal Adjustment And Human Relations Is Title Of New Course

Personal adjustment and human relations is the title of the second six weeks unit in Fresno Junior College's year course for secretaries.

This course prepares secretaries for the national certified professional secretarial examination.

Ethel McCormack, business division chairman, said students who have completed business law will be able to audit for the course which will be taught by Gertrude Stubblefield.

Personal adjustment includes the fundamentals of mental, emotional, social, and physical problems which relate to the exercise of judgement by the secretary.

Francis J. Svlich will teach secretarial accounting starting December 9th. Other units which will be taught in the spring semester include economics, business administration, stenography, and general secretarial and office procedures.

Miss McCormack said examinations will be given to the students May 6th and 7th. If 10 or more apply, it will be given in Fresno rather than Los Angeles.

FJC Coeds To Compete For Miss Flashbulb

Junior college coeds may compete for Miss Flashbulb of 1954, who will reign over the Fresno Press Club's annual carnival December 3 in the Hotel Californian.

FJC's student council voted Tuesday to accept an invitation of the club to enter eight FJC coeds in the annual contest, which previously has been limited to Fresno State College women students.

This year FJC and FSC coeds will compete in a December 3 reception at the home of Richard Schwartz, the contest chairman.

FJC's eight candidates will be selected by the rally committee Tuesday in its regular meeting. Karlo Demoorjian, the chairman, said each campus organization may enter one candidate.

Demoorjian said the organizations should notify him of their Tuesday.

Schwartz will furnish application blanks for the candidates by Tuesday. The deadline for filing them with him is November 19th.
