DR. ROLF W. ORDAL  
Faculty Prexy

## Ordal Elected Faculty Prexy

Dr. Rolf W. Ordal has been elected president of the Fresno Junior College Faculty Club for the 1954-55 school year. Ordal is a history instructor here at FJC.

He succeeds Kate Darling, last year's president. Dr. Ordal said other officers are to be elected at the club's next meeting.

Dr. Ordal joined the FJC faculty in the fall of 1952 after previously teaching in the Oregon State College, Lincoln University and the Hammond, Wisc., High School. He has been a teaching assistant at the University of Nebraska and the University of California.

He holds a doctor of philosophy degree in history from the University of California, a master of arts degree from the University of Nebraska, and a bachelor of education degree from the Wisconsin State Teachers College.

## Phi Theta Kappa Initiates Students

Ten new members were initiated into the Fresno Junior College chapter of Phi Theta Kappa, the national junior college honorary scholastic society, recently in a ceremony in the home of the chapter's faculty adviser, Dr. H. Brett Melendy at 4712 Fillmore Avenue.

They qualified by making a B average or better for a minimum of 12 units during the spring semester.

Those initiated were Mrs. Dorothy Ragsdale, Ronald Hill, Jack Moore, Mrs. Margaret Schott, Charles Etter, Kenneth Larson, Edward Rische, Mrs. Ruth Osterhouse, Ruby Erickson, and Kirkon Minasian.

Daniel Eckland, the chapter president; Mack Sanwo, a member, and Dr. Melendy conducted the ceremony.

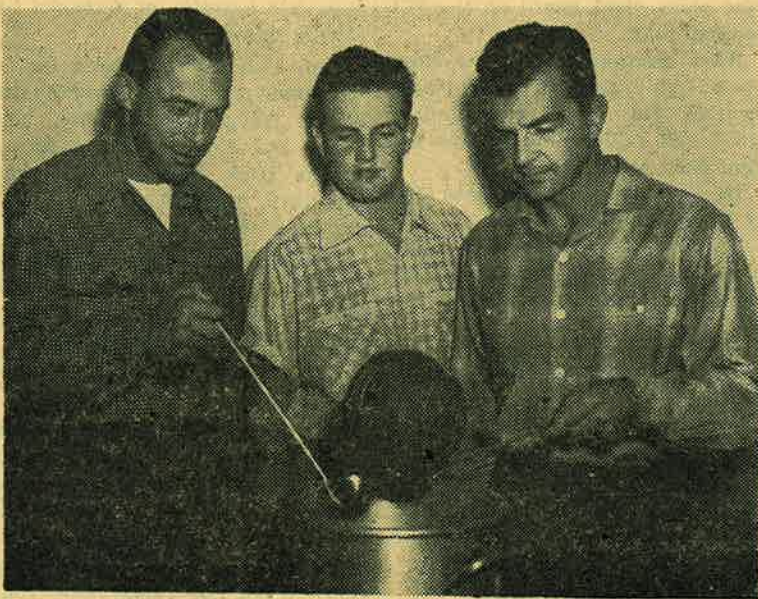

## Spring Term Election Set January 13

The student body election committee met yesterday noon at the desk of Miss Willa Marsh, dean of students.

The committee set the spring semester election for January 12 and 13 and established procedures for nominating and electing spring student officers, including a president, secretary-treasurer, and five representatives-at-large.

Members on the committee are Bob Moxley, chairman and student body vice-president, Louella Williams, Ruth Osterhouse, Boyd Deel, and Guil Horner.

Faculty advisers are Miss Marsh, Dr. Rolf Ordal, and Floyd Quick.

SHOWN STIRRING UP THE BEANS are (left to right) Paul Starr, FJC athletic director, Brent Freeman, AMS president, and Hans Wiedenhofer, FJC athletic coach. They were preparing for last night's AMS bean feed.

## AMS Holds Bean Feed

The Associated Men Students of the Fresno Junior College held its annual "bean feed" in honor of the football squad last night at 7 p.m.

The guests of honor who were introduced included President Stuart M. White, Athletic Director Paul Starr, and Head Coach Hans Wiedenhofer.

Movies were shown by Wiedenhofer of the 1954 Ram games. Wiedenhofer also introduced his coaching staff, Ray McCarthy, Joe Kelly, Orville Crane and Bob Cobb.

Brent Freeman, the AMS president, acted as toastmaster. The committee who arranged the dinner includes Freeman, Boyd Deel and William Shroyer, assisted by advisers Kenneth Hald, Jackson Carthy and Erret Smith.

## FJC Offers Opportunity

Fresno Junior College is providing the most extensive opportunities for students preparing for a career in business of any business institution in the San Joaquin Valley.

Ethel McCormack, FJC business division chairman, said the division offers more courses and specialties than any other business school.

FJC GETS NEW MASCOT . . . He poses with pep girls and rally committee members.

## Freshman Class To Sponsor Ball

The freshman class will sponsor their annual Christmas Ball December 10, the theme of which is being kept a secret.

The dance will be held at the Marigold Ballroom, where it will feature the music of the famed Echoettes.

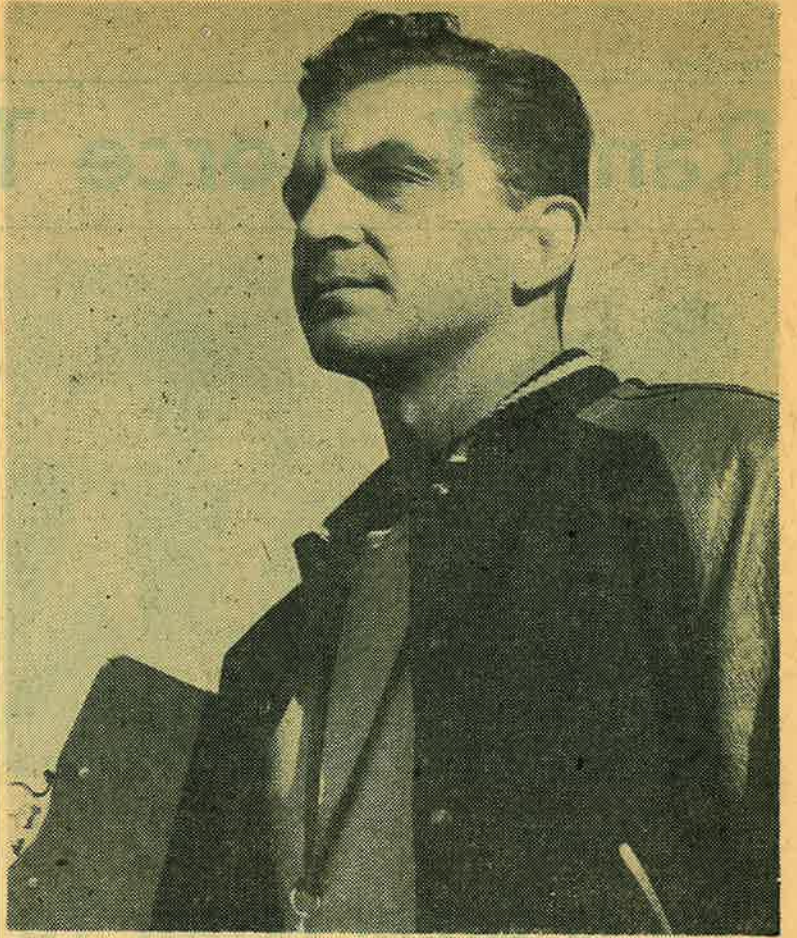

Admission will be one dollar per couple with no stags being admitted. Bids are being sold by members of the freshman class.

## Little Ram Is New Mascot

Sam IV made his first appearance to the FJC students at the San Bernardino-Ram football game November 12.

Thirty-one day old Sam IV, an offspring of Sam III, was given to FJC by Gene and Joe Yparrea, who operate ranches in the valley.

Little Sam IV is tentatively planned to attend the Reedley-Ram football game on Thanksgiving Day.

PICTURED ABOVE is FJC Football Coach Hans Wiedenhofer. Wiedenhofer has been head coach here at FJC for four years.

## Copus' Ramblings THE EDITOR BLEATS

Well, it looks from where I sit that the Rambling Rams should have a mighty tough game tomorrow when they tangle with the Reedley Tigers. The Rams must win this one to even tie for the CCJC conference lead, which is being held by the College of the Sequoias and Taft.

The Ram squad will be all fired up for the game and all FJC students that possibly can should attend the game in Reedley and back our local team.

Now that the Red Key Carnival is over a vote of thanks should go to all who make the successful event possible. The various clubs and organizations really did a tremendous job.

The Red Key is the club responsible for the event and it promoted the job well. Don't you think?

Due to the lack of space in last week's issue of the Rampage many important articles were left out. Because of this the staff decided to put out this extra edition in hopes of making up for articles which should have been put in last week's paper.

This will, however, be the last issue of the Rampage until December 9.

Now that the football season is about over, the sports at FJC will now turn to basketball. Coach Joe Kelly has had the boys working out in the Yosemite Junior High School gym in hopes to have them fully prepared for their first game which will be played here against the Bakersfield JC Renegades, November 30.

\* \* \*

The Thanksgiving holiday will be observed tomorrow and Friday. School will resume Monday, November 29.

\* \* \*

All students who are planning to buy an annual should do so by December 17. If he waits until after this date then he must pay \$3.50, or a dollar more.

The annual should be good by the tremendous effort that is being put behind it by the Rambler staff.

FJC's mascot is at the Joe Yparrea ranch right now and when he grows up, he will be taken care of by James Ringer," said Dean Lee. Student body president Edd Suddjian is Sam's handler.

## Rally Committees Plan Big Parade Before Game

The rally committees of the Fresno and Reedley Junior College will sponsor a parade tomorrow morning through the streets of Reedley of students of both colleges as a preliminary to the morning football game between the two schools at Reedley.

Karlo Demoorjian, FJC rally committee chairman, said the parade will start at 9:45 a.m. in front of the Reedley Junior College. He also said that the students who want to help decorate the stadium to meet there at 9 a.m. to organize the parade.

Demoorjian said FJC participants in the parade and in rooster section activities in the stadium will include the pep band, directed by C. Lowell Spencer; the rally men, headed by Roy Takakjian; the pep girls, whose chief is Ann Nelson; the yell leaders, who include Bettie Iversen, Leonard Romero, and Elizabeth Florentino, and Sam's Son, FJC's mascot.

The committee, he said, expects several hundred FJC students to attend the game, the kick-off of which is set for 10:30 a.m. The Fresno rooting section will be decorated with a 60-foot "Rambling Rams" sign.

Dean Lee, the student body president, will bring the mascot to the game and will hand him to Demoorjian.

## Rams To Be Guests Of FJCC Banquet

The annual banquet of the Fresno Junior Chamber of Commerce in honor of the Fresno Junior College football team and coaches will be held December 7 at 7 p.m. in the Washington Junior High School cafeteria.

The main speaker will be Dutch Deer of Hayward, who is an old-time professional football player and a sports raconteur.

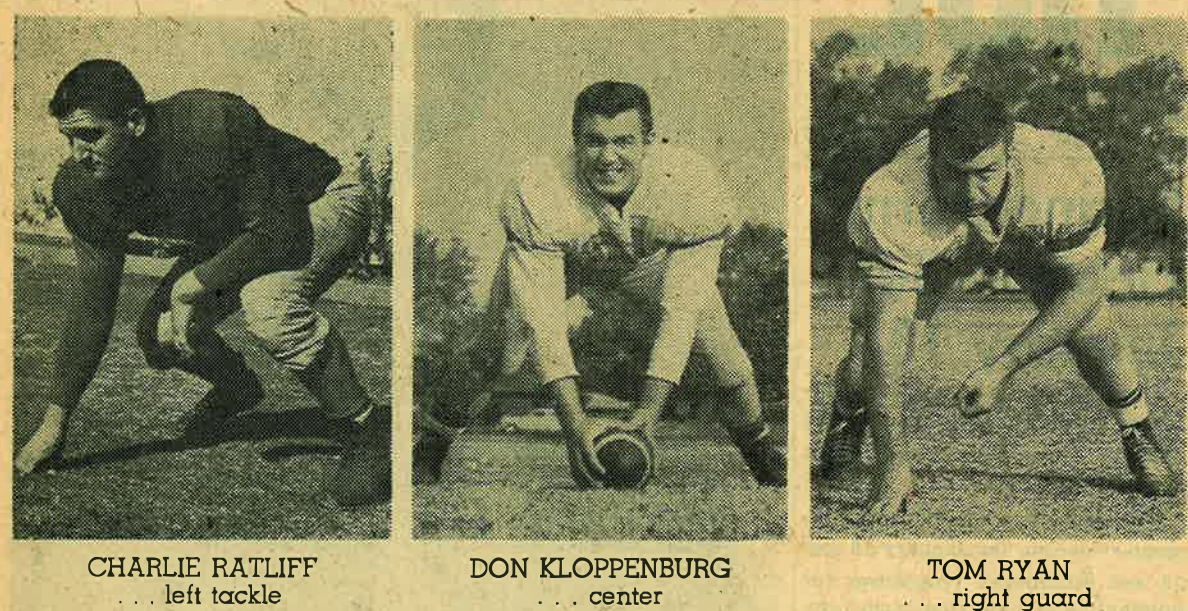

Al Radka will be toastmaster. The toastmaster will introduce Coach Hans Wiedenhofer, who will in turn introduce his team and assistant coaches.

Radka will also introduce FJC President Stuart M. White and Athletic Director Paul Starr. Football awards will be made.

Richard Bressler is the chairman of the Junior Chamber of Commerce committee arranging the banquet.

## Trio Is Great Asset To Ram Squad

### Ratliff Sparkles At Right Tackle

Charlie Ratliff, who sparks the Rams at right tackle, was chosen to be one of the Rams of the week. Ratliff, who is six feet one inch tall and weighs 220 pounds, came to Fresno Junior College from the Washington Union High School, where he was graduated in June, 1953.

In high school he was a star fullback on the football team and an outstanding first baseman on the varsity baseball team.

This is Ratliff's second year at FJC. Last year Ratliff was chosen for the CCJC all conference team. Though he has been offered several football scholarships to universities and colleges, Ratliff considers baseball his main sport.

Ratliff plans to continue his education after leaving FJC in June and to major in physical education.

Though injured all season, he has done a fine job and shown outstanding ability in the seven games he has played in.

MALAN MANSOUR-SADEGHI  
... Iran student

### Iran Student Is Engineer Major

Attending Fresno Junior College this semester is Malan Mansour-Sadeghi, who is from Iran.

Mansour-Sadeghi is majoring in engineering and is also attending Fresno State College.

He attended high school in Tehran, the capital of Iran, where he was active in wrestling.

Mansour-Sadeghi attended Cal Poly from 1951 to the fall of 1953 prior to his enrollment at FSC.

### Kloppenburg Is JC's Big Center

Shown above with a friendly smile on his face is the Ram's sophomore center, Don Kloppenburg. The "friendly" smile, incidentally, is a special one reserved for the Rampage photographer exclusively. It is doubtful that he wears it for any of his opposing centers.

Kloppenburg, a twenty year old who previously attended Roosevelt High School, where he excelled in track and football, stands six feet one inch in height and weighs in at the 200 mark.

He has played in every game this season and has proved to be an important piece of machinery in Coach Wiedenhoefer's powerhouse. The big center was all conference last year.

Kloppenburg is married, with his wife Margaret also attending FJC.

### Girls' Gym Classes Play Group Games

The women's physical education classes are participating in group games which are played at the Dickey Playground under the supervision of Mrs. Hazel Pedersen.

The various classes have chosen teams and elected captains from each team, who are: Bobbie Burton, Angela Renna, Josephine Quintana, Christine White, Beverly Kinzel, Mary Fiorentino, Christine White, Ella Papagni, Ann Serabian, Barbara Turner, Carol Hart, and Bonita Clair.

### Tom Ryan Plays Rams' Right Guard

One of the Ram personalities of the week is sophomore Tom Ryan, who plays right guard on the FJC football team.

Ryan graduated from the Roosevelt High School, where he played football. He also participated in track and rallies, and he was student body president.

He is majoring in business here at Fresno Junior College.

The friendly 19-year-old sophomore has played an outstanding game all through the football season.

Ryan plans to continue his major in business after he finishes FJC next year.

Ryan has improved since last year when he played his first year of junior college ball.

Those of you who saw the FJC-Taft game saw Ryan play a whale of a game.

### Letters To The Editor

The rally committee would like to thank all those students and teachers who helped at the Red Key Carnival.

Mr. Ridge and his crew for their electrical setup, Mr. Sons and his crew for their hard working efforts in setting up the booths at the Red Key Carnival.

To these teachers and their helpers, we owe a great deal.

## FJC Seeks Tie For League Lead In Season's Finale

The Fresno Junior College Rams will tangle tomorrow with the Reedley Junior College Pirates in Reedley in the last game of the season. The kick-off time is 10:30 a.m.

The Rams need this one to even tie in the CCJC standings, first place of which is now being held by the COS Giants and

## Basketball Season To Hit JC Campus

By CECIL TANGE

Basketball season will soon be here again at Fresno Junior College.

FJC players under Coach Joe Kelly have been practicing hard at the Yosemite Junior High gym to get into shape for the first game November 30 against Bakersfield JC here.

The Yosemite Junior High gym will be the locale of the home games for the Rams.

Earlier last spring Kelly was looking forward to a really fine team and one which would be a threat to win the state championship, but a series of setbacks has altered this situation.

Cleo Coleman has been lost to the armed forces, top scorer Harvey Green transferred to San Jose State, and Ernie Gagle, a former Fresno High star returning from the navy, was killed in an automobile accident.

Coach Kelly has been looking for the "secret weapon" to defend the FJC's Central California Junior College Conference's crown.

He has come up with a couple of potential stars.

The sleeper of last year's team and a star is Forward Odell Johnson. The fast six footer came along at the end of last season and was pushing Green for scoring honors.

Kelly has a big man for his center spot in six foot, eight inch Gary Alcorn, former Roosevelt High star. Alcorn helped spark the Riders to the Northern Yosemite Division championship last year and is regarded as a fine future prospect.

Other returning veterans are Ray Williams and Ernie Slade.

Among other newcomers Kelly lists Bill Service, six foot one inch guard from Oregon, Gene Perrachi, six foot two inch forward from San Joaquin Memorial, Bob Taul, six foot two inch from Roosevelt, and Marion Daniels, five foot nine inch swiftie from Edison, as the most promising to crack into the starting lineup.

Footballer Don Birkle from Central and Tom Flores from Sanger also are expected to bid for jobs when the grid season is over.

The Rams face a tough season this year. Besides the league games,

the Taft Junior College Cougars. Reedley has not been doing so well in league games, winning one out of three. The Tigers, however, have an over all average of seven wins and three loses. They downed Coalinga last week end, 27-7.

FJC has won four games while losing three and tying one.

The Rams had a rest last week end and should be up for this game. Two weeks ago they snuck by San Bernardino, a real toughie, by the score of 13-7. FJC has taken on some of the top JC teams of the nation. It lost to Bakersfield, 14-13, and was toppled by West Contra Costa, 22-20.

The Reedley squad has not taken on the top JC teams but has had impressive victories over some of their opponents. They met Sierra College and downed them, 35-13, and blotted out Monterey Peninsula by the score of 26 to 14.

The Tigers will boast Halfback Hank Vasquez, a Sanger High School star, on the roster tomorrow. Vasquez ran 93 yards for a touchdown against the Porterville Pirates. Tigers won the game, 28-27.
