Roving Reporter

Students Differ On Likes, Dislikes Concerning FJC

A few students on campus were interviewed by two roving reporters, who asked: What are your likes or dislikes about the Fresno Junior College? The answers which were received follow:

Pat Conn—"I like the nice friendly atmosphere displayed here at FJC. The teachers are always ready and willing to help the students. We sure can use better recreational facilities."

Gene Barnes—"My personal opinion of the good points of FJC can be explained in a few well chosen words. It has many beautiful girls as well as the beautiful campus. Seriously, I like the wonderful teachers and I feel that when FJC moves out to the Fresno State old campus it will become one of the best junior colleges scholastically, socially, and athletically throughout California."

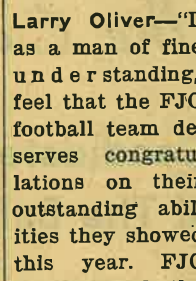

Lawrence Hackett—"I like the nice friendly attitude that everyone has. There is a fine display of teaching here that is being performed as a whole, making it a better junior college to better one's education."

Rose Balbas—"I enjoy traveling 42 miles daily to attend the finest junior college in California. I do this traveling on my own accord because I like to be among some of the friendliest students I have ever met. One of my dislikes is the food served in the Ramble Inn, which can be improved."

Frank Fiorentino—"I, as a scholar and a man of many likes and dislikes, think that the social life here can improve somewhat if more students cooperate in the social affairs. I like the kind and understanding faculty here who give the freshman students encouragement to reach their goal in life."

Larry Oliver—"I, as a man of fine understanding, feel that the FJC football team deserves congratulations on their outstanding abilities they showed this year. FJC has one of the finest trained faculties, who cooperate wholly with their students. I think that the parking situation is one of the problems confronting us which can be improved."

Students Will Start Blood Donor Drive

By CECIL TANGE

Fresno Junior College's student council will start a campaign today to obtain student blood pledges for the Fresno County Medical Society. The student council will initiate the drive by donating blood.

Jim Ringer proposed at the student council meeting November 24 that FJC should start a blood fund. The council was unanimously in favor of his proposal and stated that they would like to be the first ones to contribute blood.

Council Approves

The council approved the drive, with the understanding that the blood contributed by students will stay in this immediate area to be used by the society where it is most needed.

Dean Lee, student body president, appointed Bob Moxley, the student body vice-president, as chairman of the drive. Brent Freeman, Associated Men Students president, and States Hines, 13th year president, are co-chairmen.

The first pint will be given in February by Ringer, the second by Freeman, and the third by Moxley.

"This is one type of insurance we all need. I sincerely hope that all schools will sit back and take notice of such a worthy drive," said Moxley.

Pledges Sought

Pledges are to be put into a box in the main hall.

Moxley said campus clubs and other organizations will be asked to participate in the campaign.

This reporter knows by personal experience, as he was in the Army, that the need for blood is never over. There are people who need blood every day.

The slogan adopted by the council is "Give A Pint—Save A Life."

Queen Hopefuls Seek Title Tomorrow Night

By Eleanor Franco

Who will be the Christmas Queen?

This question will be answered tomorrow night at the annual Christmas Ball sponsored by the freshman class.

The Echoettes will play for the semi-formal event at the Marigold Ballroom from 9 p.m. to 1 a.m. and corsages will be

furnished at the door by the freshman class. Bids are a dollar per couple. No stags will be admitted. The theme will remain a secret until the night of the dance.

States Hines, freshman class president, said the queen will be chosen by popular vote of the students attending the dance. Ballots will be given to each person as they come in the door so that they may vote for the girl of their choice. Hines also said that contests are planned for which prizes will be given.

The ten coeds who are candidates for queen and their sponsoring organizations are Anita Ferrell, Campus Activity Club; Beverly Baird, Alpha Gamma Sigma; Wilma Koenig, Student Council; Ann Conn, Rambling Collegiates; Diane Paschall, Rally Committee; Gwin Wilson, Associated Men Students; Pat Cetti, Future Business Leaders of America; Betty Lee, Red Key; Sandy Civiello, Associated Men Students; and Marilyn Mann, Veterans Club.

Miss Ferrell, a graduate of the Edison High School, is majoring in general business. Miss Baird is a graduate of the Roosevelt High School and was active in rallies and assemblies. She is majoring in accounting. Miss Koenig is majoring in education. She was active in many of the San Joaquin Memorial High School activities and was elected class president in her junior year. Miss Conn is a Roosevelt High School graduate majoring in business. Miss Paschall, an occupational therapy major, is a graduate of the Clovis Union High School and was active as a pep girl and in assemblies.

Miss Wilson is a graduate of the East High School, Memphis, Tennessee. She is now majoring in education and is active in the Collegiates. Miss Cetti is majoring in business and is a graduate of the Edison High School. Miss Lee is a Roosevelt High graduate and is majoring in business administration. Miss Civiello is a San Joaquin Memorial High graduate.

(Continued on Page 2)

Tomorrow Is Deadline For Eligibility Slips

Tomorrow will be the last day students can file eligibility slips for student body offices at Fresno Junior College.

The election committee will meet to approve of candidates and approve and schedule campaign requests. The approved candidates will be posted December 14th. Campaigning will begin at this time and run until January 11, 1955, with a nomination assembly held in the library January 7th.

Training of election officials will take place January 10th followed by elections January 12th and 13th. If a re-vote is necessary it will be held January 17th and 18th.

To climax the election procedure the installation of officers will be January 20th.

In order to secure an eligibility slip from Mrs. Fuller the students must meet certain qualifications. These qualifications are as follows: Candidates for office must be a member of the Fresno Junior College Associated Student Body. All candidates must have attended FJC for one semester except for the nominees for president, who must have attended two semesters. All candidates must be carrying at least 12 units with a C average.

The student body offices include a president, vice-president, secretary, treasurer and five representatives-at-large.

Annuals To Be Sold Next Week At Lunch

Annuals are to be on sale next week in the main hall during noon hours. The price is \$2.50 cash or \$1.00 down and \$2.50 on account.

The annual staff has been working all year on the 72 page book. Shirley McLaughlin is the editor and Frank Weinschenk is the adviser.

Basketball Team Is Hot But Needs Support From You

With the close of the football season, the basketball game has taken on the sport spot around the Fresno area. We as students begin to reflect upon our Fresno Junior College 1954 football season—the games, the players, the coaches and the attendance.

Just like the other sports, a player participates in the sport of basketball because he likes this sport and not for the glory involved with it. The experience that a player gains from his favorite sport reflects upon him for the rest of his life, while the glory is forgotten as the games are forgotten and the younger athletes set new goals.

Our team represents our school, but does the school represent our team? We should back our local team—100 per cent—win, lose or draw. If the team is not backed by students, the morale of the players decreases as does their interest.

During the football season, the attendance was not as good as it could have been. Some of you students work, others are busy at home, while others are busy making up excuses. The ones that always have excuses don't attend anyway so they might as well admit it.

Now that the basketball season is upon us, more of you fans should attend the games—both at home and away.

The fellows have played four games and have won three, they are a hard working bunch and FJC students should have every reason to be along beside them. So let's do something about this—let's go out there and back those guys game after game.

Ten Contestants Seek Queen Title

(Continued from Page 1)

and is majoring in business. Miss Mann, another San Joaquin Memorial High graduate, is a business major. She was active in the student newspaper and in tennis.

Angela Renna is the general chairman for the event and States Hines is co-chairman.

Those on the decorations committee are Flora Jean Monopoli, Ann Secrest, Miss Paschall, Miss Cetti, Miss Civiello, Don Lovelace, Phil Seimandi, Richard Munoz, Edd Suddgjan, De De Farrant, Joan Blasco, James Call.

Helen Anderegg is in charge of corsages.

AUDREY LITTLE

New teacher

Audrey Little Likes FJC Very Well

Audrey Little, one of Fresno Junior College's new instructors, stated that she is very happy to be here and likes FJC very well.

"A transplanted Californian, like all the other Californians," as she puts it, was born in Northern Nevada, and she previously taught at the Reedley Junior College for five years.

She teaches machine calculation, shorthand, typing and orientation here at FJC.

Miss Little is a graduate of the University of Southern California, where she secured her master's degree. She also graduated from the Modesto Junior College and the San Jose State College, where she also obtained her bachelor of arts degree.

She stated that FJC has a very nice atmosphere, and the students are pleasant and agreeable. Her hobby is that she loves animals, especially cats.

FBLA To Start Collecting Bulbs

Since spring will be coming in a few months, the FBLA club has decided to sponsor an "Operation Blub" week to collect blubs for the Fresno Junior College Spring Garden.

Mrs. Edna Hartley suggested that students that bring blubs put them in the barrel up in the second floor hall.

Miss Nancy Webster said that some of the clubs have started bringing their bulbs and hopes that everyone on the campus will bring some to brighten up the campus this spring.

Fashion Notes

Bright Colors Now Worn By JC Girls

As we ramble around the Fresno Junior College campus we see many brightly colored outfits.

Grey and pink are very popular colors this year. We see Barbara Wilkinson wearing a grey wool flannel jumper with a pink short sleeve cotton blouse and pink shoes.

Gwin Wilson is wearing a charcoal grey flannel jumper with a full

FJC Five Wins Three, Loses One In Practice Tilts

The Fresno Junior College Rams got off to a roaring start in the 1954 basketball season by downing Bakersfield, Modesto and El Camino Junior College in that order, and broke their winning streak by bowing to Modesto Tuesday night. All were practice games.

The first game, with Bakersfield on November 30, found Fresno trailing at the halftime, 45-40. In the third period Forward Odell Johnson and the Rams' flashy little guard, Ernie Slade, brought the Rams into the lead which they never relinquished. The final score was Fresno 81, Bakersfield 71.

Game number two, which was played December 2 with Modesto, ended in a 69-51 victory for the Rams. The Fresno squad trailed at halftime, and bounced back in the third period with an amazing display of superb teamwork sparked by the almost unerring eye of Johnson. Six foot, 8 inch Gary Alcorn led the Rams with 21 points and Johnson was second with 18. Forward Ray Williams had 16.

In the third game, due to the overwhelming ability of Johnson, the Rams were in complete control all the way, and led at halftime, 34-24. Johnson, who scored 32 points in the first game against Bakersfield, set his sights a little higher and reaped a total of 37 points, followed by the tall center Alcorn, who popped in 17. Williams, who has been showing an abundance of versatility, collected 12 points.

The first two games were all home games played in the Yosemite Junior High School gymnasium.

In the fatal last game, the Rams traveled to Modesto for an encore with the seemingly strong Pirates. It was a hard, give and take game all the way as the Fresno five were leading at the half, 39-38. In spite of the outstanding efforts of the sensational Johnson, the Rams were trailing near the end of the third quarter, 47-54. In the last period, however, the Rams bore down on the Modesto club with the outstanding performance of Center Alcorn and Guard Slade. As the final period ended, the score was Fresno 66, Modesto 66.

The overtime period was rather short, with the Modesto five running away from the Fresnans and scoring 12 points. Johnson went wild on the Modesto courts and scored the total of 41 points in the entire game, making 11 free throws out of the 14 chances he had.

Final score: Fresno 71, Modesto 78.

Resolution Passed On Changing FJC

A resolution was passed at the student council meeting Tuesday that Fresno Junior College will change its name on record to Fresno City College. Fifty petitions will be passed around on campus to be signed by the students. States Hines is in charge of getting the petitions started in order that the resolution be carried through.

Action was taken on the safety committee report that tentative plans will be made for better parking facilities.

RAMPAGE SPORTS

FRESNO JUNIOR COLLEGE basketball team has shown great stride to a league championship. Pictured are left to right (front row) James Anderson, Marion Daniels, Don Birkle, Ernest Slade, Hershel Hopengartner, and Melvin Harshaw. Back row (left to right) Bill Service, Gene Perrachi, Gary Alcorn, Ray Williams, and Bob Taul. Odell Johnson is not pictured.

Fresno Team To Clash With Ventura JC

The Fresno Junior College Rams, led by Coach Joe Kelly, will tangle with the Ventura JC Pirates tomorrow in Reedley. The game will start at 7 p.m.

Kelly will go with Ray Williams and Odell Johnson at forwards, Gary Alcorn, center, and Ernie Slade and Bill Service at the guard slots.

The Bucs, under mentor George Halls, have no first five, but do have a first ten. They include Don Deterding, J. R. Perkins, Jim Whalen and Bill Casey, forwards; Lee Decuir and Jim Bohlen, centers; and Jim Easton, Paul Harvey, Don Hoopengartner, and Gary Cowan, guards.

The Bucs have been bolstered by Billy J. Smith, a Pirate football player, who can play either center or forward.

IT'S A FACT! College smokers prefer Luckies to all other brands—and by a wide margin—according to the latest, greatest coast-to-coast college survey. The No. 1 reason: Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. Now for the Droodle above, titled: Inept smoke ring blown by ept smoker. He's ept, of course, because he smokes Luckies. Be ept yourself and enjoy the better-tasting cigarette . . . Lucky Strike.

Better taste Luckies...

Copus' Ramblings

THE EDITOR BLEATS

Well, tomorrow night is that one and only Christmas Ball. It should really be a snazy one according to the plans of the freshman class committee. The dance is to be held at the Rainbow Ballroom and the theme is being kept a secret. A queen is to reign over the dance (too bad Santa isn't going to be there) and should highlight the dance even more. Well, see ya at the dance.

Well, it looks like the Rampage staff and the football players were closer together than most students realized. As many of you students have probably already heard, Darlene Grenfell and Charles Ratliff got hitched a couple of weeks ago. Mrs. Ratliff is the exchange editor for the Rampage and Ratliff was a starting member on FJC's hot football squad.

You wanta know something, those freshman sure aren't attending their class meetings. There's a lot more frosh than the handful that shows up at the meetings. What's wrong freshman, don't you know that your class meetings are on Tuesdays in Bungalow 9 at noon?

Called up my friend Palsy the other day and, boy, is he sure stupid. I asked him why they have fences on graveyards. I thought everyone knew this one. But his reply was, WHY? Because, I said, people are just dying to get in.

If any of you students have a nice little story that you would like to relate to a reporter so that he may put it in the Rampage come in and tell the staff; they want to hear about it.

There is one person on the Rampage staff that is always willing to perform his duty and to perform it right. This is Odell Johnson, that high scoring basketball player, who is a reliable source to take the pictures to the engraver and to run to the printers when the staff needs something. He's really swell and is a great booster to the Rampage.

December 15 Is Named SD Day

December 15 has been proclaimed by President Dwight D. Eisenhower as SD Day (Safe Driving Day).

Fresno County Safety Council President Willis B. Kyle urges everyone in Fresno County to take part in this national SD Day Campaign.

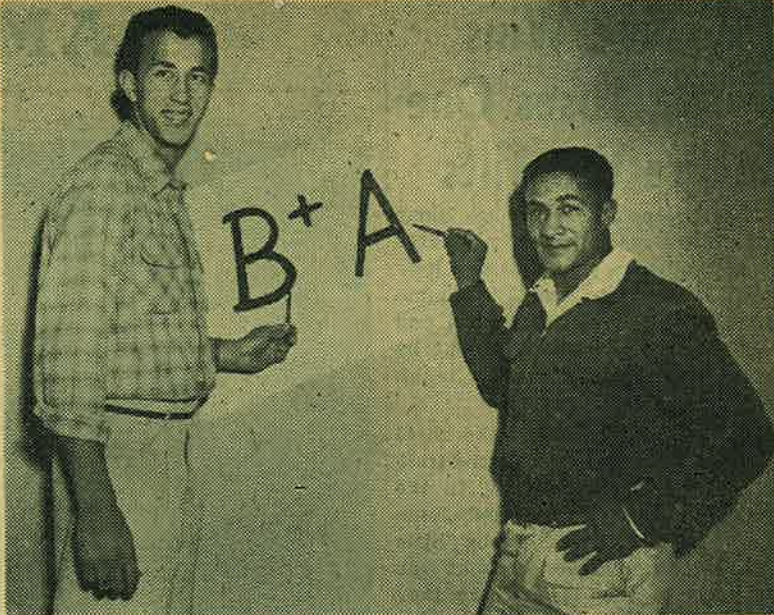

The purpose is to show that motorists and pedestrians can eliminate traffic accidents by their own actions. It will demonstrate that the place to attack the safety problem is in the community, and that the responsibility rests upon each individual.

One person is killed in a traffic accident every 14 minutes, totaling 38,300 in '53. (Auto mishaps killed 146 in Fresno County last year—19 in the city of Fresno).

Injuries totaled 1,350,000 last year (4,515 in Fresno City and County).

Should the nation complete a 24 hour period free of auto mishaps, 106 lives will be saved; 3,710 injuries prevented; 23,850 autos undamaged.

Fresno County Safety Council urges everyone to slow-down, and make every day Safe Driving Day.

TOM FLORES, left, and Leon Williams, right, quarterback and guard of the Fresno Junior College Rams, recently were awarded ball point pens for this season. They indicate their respective grades with the new pens.

CALENDAR OF THE WEEK
