HOMEWARD BOUND . . . Holding Sam are left to right, Gene Yparrea and his brother Joe. Looking on are Congressman Oakley Hunter and Dean Lee, student body president.

Sam Is Home At Last!

Pedigreed Sam the Ram III of Fresno Junior College is now not homeless because of the need of a good sire for the sheep on Joe and Gene Yparrea's valley ranches.

The Yparrea brothers with their brother John are one of the largest sheep ranchers of pedigreed stock in California. They are keeping Sam on one of their ranches in the valley and plan to bring him in during a football game when needed.

Dean Lee, new FJC student body president, made the arrangements for Sam, and the student council approved at a recent meeting.

FJC boarded Sam at the Fresno State College Farm until it was unable to take care of him because of crowded conditions.

Two Students Have Perfect Attendance

Jesus Comilang and Carl Geerts have had perfect attendance for the entire year.

Mrs. Ruth Buchanan, FJC's attendance secretary, said 48 other students have had perfect attendance this semester, while 22 have missed only one hour during the spring semester.

Students with perfect spring semester attendance are Marguerite Borogna, Pauline Brannon, Robert Carpio, Margaret Castillo, Sarah Chavira, Robert Colburn, Leona DeBerry, Robert Ely, Shirley Fearnside, Elwood France, Charles Gureghian, Barbara Hammond, Harold D. Hancock, Lillie Huey, Yukie Ikuma, Johnny Johnson, Mary Ann Johnson, Robert Kutz, James D. Long, Dolores Medina, Ronald Mendoza, Buelah Moore, and Bernice Morrow.

Russell Mott, George McClure, Jr., Shirley Neufeld, Norma Pryor, Mae Quong, Zenaida Reinhardt, Kaye Rhem, Henry Scroggins, Martha Smith, Fumi Tachino, Motoi Takeyasu, Bessie Tillingshast, Arthur Tyler, Ira Waller, Karl Ven Der Ahe, Henry Ward, Wilfred Warren, Vester Watkins, James Wilburn and Shahn Yenikomshian.

Students who only missed one hour of school during the spring term are Johnny Arakelian, Nick Acquaviva, James Arend, Richard Bruce, Grade DeLuna, Gladys DeVore, Dennis Essex, Charles Etter, Eugene Franz, Louis Mendoza, Bennett Middleton, Martin Isler, Dixie Iversen, Alvin Jermagian, Richard Kerner, Richard Sidebotham, Dale Stringer, Crescencio Torres, Josephine Valente, John J. Villalva, Calvin Wilcox, and Mary Wright.

Final Assembly Highlighted By Yearly Awards

Fresno Junior College students attended their last assembly of the school year last Thursday at 11 a.m. in the Fresno Memorial Auditorium, when the spring semester and yearly awards were presented, and fall semester student body officers were installed.

The officers installed by Arthur Lea, the student body president, and Patsy Jean Still, the vice president, are Dean Lee, president; Robert Moxley, vice president; Jack Handjian, treasurer; Joy Hunt, secretary; Ellen Tally, president of the Associated Women Students; and William Bailey, Ann Nelson, Gwin Wilson, James Ringer and Helen Embry, representatives at large on the student council.

Exchanging of Gavels

Gavels were presented to several retiring presidents, including Lea, Sue Sheehan, the AWS president and the Red Key president, and Carole Gostanian, the Rambling Collegiates president.

Mrs. Sheehan presented medals to four students who were honored by Red Key, the FJC student service organization, for outstanding service to the school. They are Lea, Miss Still, Gladys Popp and Alfred Herrera.

Lea, representing the student council, presented permanent membership pins to four students who qualified for Alpha Gamma Sigma, the California junior college scholastic honorary fraternity. They include Gerald Bender, Miss Still, Lucille Allen and Shigeko Shimokubo.

Shop Students Receive Certificates James E. Welden, the chairman of the trade and industrial education division, presented certificates of proficiency to 21 FJC students who completed four semesters in one shop field. He also awarded certificates of completion to five students who finished one year.

Nine other students received certificates of proficiency in high school assemblies, as they are enrolled in FJC's shops on a half day basis as high school students.

Winners of Proficiency Awards

The junior college proficiency certificate winners were Hugo Cerbo, Howard Ham, George Ikuma.

College President Pays His Tribute

On behalf of the faculty and administration I want to pay tribute to our students for the many successful activities that have been carried on during this school year.

Our compliments go to the fine leadership we have had from the fall and spring semester student body officers, and our congratulations to the newly elected officers for next year. The fine records made by our athletic teams are commendable and in turn have created more community interest in our college.

The election of Fred Hall as state president of the Future Business Leaders of America demonstrates the fine leadership qualities of our students, and we wish him success during his term of office. Our congratulations are also extended to this year's AA degree candidates for their completion of two years of junior college education.

With the close of my first year at Fresno Junior College nearly at hand, I again want to emphasize my thanks and appreciation for the loyalty and cooperation I have received from the faculty and students, as it has been a pleasure to work with all for a better Fresno Junior College.

Student Presidents Give Message

I can speak for the entire membership of the fall semester student council in saying that we were proud to have been able to serve the students of Fresno Junior College and the college in general. We feel that we were not idle in the capacities of our offices or as a council as a whole, but that we kindled the fire for the next administration to continue the aims, ideas, and wishes of the student body.

I believe that my council was tops and I would like to congratulate the spring council officers for the tremendous job they are doing this semester.

Again may I say, on behalf of my council, that we are truly thankful to those people who put us into office, and I know that Fresno Junior College, with the present interest in student government, is inevitably rising to bigger and brighter heights than ever realized before.

Sincerely,
Gerald Bender
Fall Semester President

On behalf of the spring student council, I would like to thank the student body and faculty for their support in social and sport activities.

We feel as a council that we did our best in representing your student body in our section and state. I sincerely believe that this council did a lot in aiding to promote student interest and social activities. My personal admiration to Gerry Bender and his council for promoting some of the policies continued by my council.

Not to be forgotten are our college president Stuart M. White, and sponsors, Miss Willa Marsh and Joe King, who aided us in many ways.

My thanks to all the clubs and their leaders in adding to the spring student activities.

In concluding I would like to thank the student body for giving us the honor that we could serve you and our college.

Sincerely,
Art Lea
ASB President

Stuart M. White Heads Fresno Junior College

Coordinator, supervisor, efficiency expert, and representative are only a few of the many titles that could be applied to Stuart M. White, who was appointed president of Fresno Junior College in April, 1953. White, 41 at the time of his appointment, graduated from Fresno State College in 1935. He received his MA from the University of Southern California and has earned credits for summer study.

White has state credentials for general secondary school teaching and school administration. Born in Lindsay, he attended elementary and high school there. He began his teaching career in the Bakersfield elementary schools and then taught elementary school and adult education classes in Avenal.

In 1940 he came to Edison High School in Fresno, where he taught science and mathematics. He was made dean of boys in 1942, vice principal in 1944, and principal in 1946. He also taught summer sessions and graduate classes at FSC. White lives with his wife, the former Helen Kierulff, and daughters Janice Kay 13, and Jean Adele, 10, at 1614 Farris Avenue.

He is a member of the California Association of Secondary School Administrators, the Fresno Teachers Association, and the California Teachers Association. He is also a member of the National Education Association, the National Junior College Association, the Fresno Lions Club, the Fresno County Probation Committee, and the Fresno County Red Cross.

SCHOOL REVISES '54-55 SCHEDULE

Under the new revised calendar, FJC will begin registration and student counseling for next year on August 30. Fall semester classes will begin September 13. Holidays in the fall semester will be November 11, Armistice Day, November 25 and 26, Thanksgiving, and December 23 through 31 for Christmas and New Year's.

The spring counseling will begin January 3 and continue through January 21, and will be followed by fall semester examinations, January 24 through 28.

On January 31 and February 1 and 2 there will be a between-semester holiday for the first time since Fresno Junior College reorganized. Spring semester holidays will be shortened to April 7 and 8.

Other spring semester holidays will be Washington's Birthday, February 22, and Memorial Day.

Student Leaders Organize Inter-Club Council

The Inter-Club Council, which was just organized on the Fresno Junior College campus this semester, is mainly a central clearing house for all of the clubs and their activities.

The president or a person appointed by the president of each club is present at the meetings.

The presidents and clubs that compose the Inter-Club Council include Art Lea, student body president; Sue Sheehan, Red Key and Associated Women Students; Bob Moxley, Associated Men Students; Carol Gostanian, Rambling Collegians; Martin Isler, Phi Theta Kappa; Gerald Bender, Alpha Gamma Sigma; Fred Hall, FBLA; George Tanimoto, Nisel Club; and Bob Curran, Newman Club.

Enrollment Registration

Enrollment of students at Fresno Junior College has reached 1,739, including 197 in the extended day classes.

The total includes 184 junior college students in the shop classes, 111 students from Fresno high schools, and 583 students in the Vocational Education classes.

Placement Tests Begin In August

When the good old month of August rolls around, it is the time to think of presemester tests. These tests are for the students' benefit and placement in school.

Archie Bradshaw, the Fresno Junior college director of guidance, gives mental aptitude tests for women applying for entrance to a year's program in vocational nursing. This test will be given August 30, 1954.

Bradshaw also gives the English A placement and inventory test on August 31 for college freshmen. On September 1-2, he gives a psychological examination for college freshmen. He also gives a basic mathematics test which shows your ability in math.

The second section of the Vocational Nurses and English A placement and inventory tests will be given on September 7 and 8, 1954.

Bradshaw encourages all freshmen to take these guidance tests. Through good supervision and guidance a college student can acquire a program suiting his ability.

STUDENT COUNCIL . . . Left to right, Bob Moxley, Gladys Popp, Tom Ryan, Shirley McNay, Brent Freeman, Joe Gonzales, Ann Nelson, Pat Still, Blanche Milhahn, Adviser Joe King. Sitting, Jerry Jackson and President Art Lea.

First Student Election Comes To FJC

As the FJC students look back to the first of this semester student activities began with the first student election of the year. The outcome of this election, as everyone knows, was Art Lea, student body president; Pat Still, vice president; Ann Nelson, secretary; Joe Gonzales, treasurer; Shirley McNay, Blanche Milhahn, Brent Freeman, Gladys Popp, and Tom Ryan, five representatives at large.

As this semester ends we find the FJC students again at the election polls voting for next year's fall semester officers. We find Dean Lee as student body president; Bob

Moxley will be his assistant as vice-president; Joy Hunt will take notes as secretary; Jack Handjian will keep the records as treasurer, and Bill Bailey, Gwin Willson, Ann Nelson, Jim Ringer, and Helen Embry will help as the five representatives at large.

As you can see by the bulletin board, the map of California in the Ramble Inn, and the parallel parking in the front of the school that this semester's officers have accomplished a lot and next semester's council can do an excellent job also but only with the cooperation of the students.

What makes
a Lucky
taste better?

"IT'S TOASTED"
to taste better!

WHY do thousands of college smokers from coast to coast prefer Luckies to all other brands?

BECAUSE Luckies taste better.

WHY do Luckies taste better?

BECAUSE Lucky Strike means fine tobacco. And that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—brings fine tobacco to its peak of flavor . . . tones up this light, mild, good-tasting tobacco to make it taste even better—cleaner, fresher, smoother.

SO, Be Happy—Go Lucky. Enjoy the better-tasting cigarette—Lucky Strike.

Faculty Plays Active Part On FJC Campus

Each member of the Fresno Junior College faculty deserves a big hand for a job well done this year. In spite of the responsibilities of their regular work, they have taken time out to council students and to participate in potluck dinners, conferences, dinners, picnics and other activities.

The FJC faculty members held their annual dinner January 21 in the Basque Hotel. It was sponsored by the Faculty Club, of which Miss Kate Darling, English and math instructor, is president.

Members of the faculty and their families attended a picnic dinner Friday in the Alpine Grove of Roeding Park.

Visits High Schools

President Stuart M. White and Dean Paul Starr spoke to many high school audiences during the year, showing FJC's film, depicting curricular opportunities and student activities. White spoke to several other groups during the year, showing the film a number of times to PTA's and clubs.

Paul Mueller, English department chairman, was honored by the Fresno Lions Club as the outstanding junior college teacher. He was chosen by his colleagues.

James E. Welden, chairman of

the trade and industrial education division, is retiring next month after 24 years of service in the city schools. He was honored by a banquet at the Hacienda by industrial arts teachers.

Welden was chairman of two industrial education conferences in Fresno during March.

Chosen As Adviser

Joseph W. King, the student council adviser, was chosen as state parliamentarian adviser for this spring's California Junior College Student Government Association conference in Coronado.

Mis Ethel McCormack, FJC business division head, was elected president of the central district of the California Federation of Business and Professional Women's Clubs in April. She was recently installed on the state board of directors of the organization at the state convention in San Francisco.

1953-54 Finds Campus United

Fresno Junior College resumed classes for the first time since September 15, 1952, on a unified campus in October in the new modernistic portable classrooms.

A deep sense of regret surrounded the campus when the condemnation notice was issued by the Fresno City Board of Education due to earthquake damages on the north and main wings of the building.

One of the buildings had been standing since 1895; 57 years ago the central wing was the new Fresno High School; the north wing was built in 1917. Together they housed the first junior college in the state as well as the Fresno High school. The junior college then gave way to Fresno State Normal School, the forerunner of Fresno State College. The building housed the Fresno Technical High School until the present junior college came into existence in 1948.

Wrecking Begins

In late 1952 the Schouweiler Wrecking Company, as low bidder, began razing the old north and central wings of the main building. It took about 120 days to complete the demolition. A small fire, the finding of a box containing historical documents, and large groups of sidewalk engineers slowed up the job but it was finished in the time allotted.

Last year classrooms were being held in the Memorial Auditorium, the YMCA, Sanford Hall, the First Methodist Church and the Presbyterian Church.

Student Nurses Take Training At Fresno JC

Thirty-six student nurses from the Fresno County General Hospital are now taking their academic training at Fresno Junior College. Their courses and instructors are anatomy, physiology, and microbiology, Kenneth Hald; psychology, John Mock; sociology, Dr. Lucille Williams; dietetics, Mrs. Mildred Botsford; and pathology and ethics, Mrs. Anna Thompson.

Hald, who is in charge of the professional nursing program at FJC, said courses are also offered in pre-medicine, dentistry, and public health which prepare students for medical and dental schools. He also said the FJC year's course in nursing will qualify candidates for admission to all schools of nursing.

Fifteen students completed their training in vocational nursing at FJC during the year, becoming eligible to take state examinations for licensing as vocational nurses.

Eight Graduated

Eight students were graduated at commencement exercises Sept. 29, 1953 in the FJC library. Erwin A. Dann, assistant superintendent of the Fresno City Schools, was the principal speaker. The graduates were Edith M. Gordan, Nancy Lee Beatrez, Norma Cathryn Cole, Iris Dwyer Bland, Nancy Louise Sticksels, Helen M. Turney, Lola Faye Schroeder, and Neva Jeffries.

Seven students received their pins from President Stuart M. (Continued on Page 8)

CONGRATULATIONS . . . Former Red Key President Pat Still hands the gavel to oncoming President Sue Sheehan, who completed her term this spring.

Red Key Has Good Year

With the annual carnival Red Key, Fresno Junior College's service organization, held one of its most progressive years in the history of the school.

With "Inside USA," as the theme, the carnival raised money for the scholarships awards given to scholastic students. With a dinner dance held at the Frontier, the crew was well rewarded.

Help Worthy Cause

Although winds came and rain fell, the Red Key members sold balloons for a worthy cause, the March of Dimes.

As the group sold the most tickets, Red Key candidate Frances Purroy was crowned basketball queen.

Officers were elected three weeks before the end of the semester. Outgoing president Pat Still handed the gavel over to the spring semester president, Sue Sheehan.

Wins Talent Show

With Honey Bun featuring Carole Gostanian, the Red Key won first place in the annual talent show.

The club also decorated for the annual spring prom; the committee was headed by Molly Williams.

The service organization collected money at the Blind Assembly for making of Braille books.

At the yearly Barn Dance, Red Key again sponsored Miss Purroy as their choice for queen. Running against four other girls, Miss Purroy was chosen Western Barn Dance Queen.

Freshmen Class Sponsors Dance

Fall semester officers of the freshmen class were Jean Bartlow, Jr., president; Shirley Hansen, vice president; Ellen Tally, secretary, and Patricia Harrington, treasurer.

The class sponsored a dance at the Lafayette School, December 4. Beverly Baird was chairman of the ways and means committee, which raised funds for the affair.

Spring semester officers are Jerry Jackson, president; Ellen Tally, vice president; Cherrell St. John, secretary; and Boyd Deel, treasurer.

FBLA Has Active Year

The first organization of the Future Business Leaders of America was originated in 1942 in Jackson City High School, Jackson City, Tennessee, and the first FBLA at Fresno Junior College started in the spring of 1949.

As the curtains open to the first FBLA meeting of the 1953-54 year we find nominations are being made for the fall semester officers and also a complete explanation of what FBLA stands for.

The outcome of the fall semester election of officers was Ronald Liles, president; Gladys Popp, vice president; Betty Iversen, second vice president; Diana Sam, secretary; Grace Strickland, treasurer; Louella Williams, historian; and Mildred Shaw, reporter. The two advisers of the club are Miss Nancy Webster and Mrs. Edna Hartley.

First Event

The first event of the fall semester was a conference which was held at Madera. Tours were taken to local businesses, and also a business meeting was held to end the conference. Several members of the FJC chapter attended.

Several business men spoke at the various meetings and several field trips were taken with the help of Miss Ethel McCormack, business division chairman.

At the end of the fall semester, the group sponsored a "Naughty Marett," and they also proved kissing to be the best sport in California during their participation in the talent show.

Hall Heads Group

The spring semester opened with Fred Hall as their new president; Charles Fox, vice president; Bill Bailey, second vice president; Louella Williams, secretary; Pat Cooley, treasurer; Dovie Edwards, historian; and Mildred Shaw, reporter.

The first event of this semester was a speaker from a local television station. They also had a cake sale to make money for the coming convention.

The big event of the year was the state convention in Sacramento where Fred Hall was elected state president. Eleven members of the FJC chapter attended this convention.

To end this semester's activities they are planning a big picnic and swimming part. Hall asks all business students to be sure to come back next year as they have loads of activities planned, and the next state convention will be held in Long Beach.

FALL OFFICERS . . . The newly elected student body leaders of the fall semester are, left to right, Bill Bailey, James Ringer, President Dean Lee, Joy Hunt, Bob Moxley, and Jack Handjian. Several officers are not in the picture.

Newman Club Looks Back Into Past Year's History

Another year has come to an end for the Fresno Junior College Newman Club, a Catholic student organization.

The club held their meetings every Friday noon in B-3. Francis Svlich is the club sponsor, and Father Tapia of St. John's Cathedral is chaplain of the group.

Spring Officers Elected

This spring's officers are Bob Curran, president; Diana Sam, vice-president; Rose Marie Mazzilli, secretary; and Tom Ryan, treasurer. Last fall the club officers were Al Herrera, president; Richard Torres, vice-president; Dorothy Montez, secretary; and Rose Marie Mazzilli, treasurer.

In April the Newman Club sent representatives to Sacramento to attend the western regional conference. The six delegates included Bob Curran, Frank Bost, Robert Moxley, Tom Rinehart, Loree Briggs, and Dorothy Montez.

Talent Show

The club also participated in the talent show March 17 in the Fresno Memorial Auditorium, where they took us to a candlelighted,

crowded nightclub in busy New York. Vincent Gordanian sang "Blue Moon."

Last October the club also was one of the many organizations that participated in the Red Key Carnival.

FSC, FJC Meetings

Joint meetings and a potluck dinner was held with the Fresno State College Newman Club during the last year.

Included in many of these past year activities, a snow party was held at Badger Pass January 10.

In the fall semester of 1954, the Newman Club plans to be hosts in western regional conference in Fresno. Three-hundred and fifty delegates are to attend.

Student Council Members Attend Many Conclaves

The Central California Junior College Association held its semi-annual regional meet in Reedley, October 10, 1953. Fresno Junior College students attending were Gerald Bender, Carole Gostanian, Arthur Lea, Haruo Yamaoka, Sue Sheehan, Blanche Milhahn, Bennie Moritz, Sandra Sims, Frances Purroy, and Lee Storelee.

The semi-annual California Junior College Student Government Association Conference was held in Asilomar, Nov. 19 to 21, 1953. FJC's official delegates were Gerald Bender, student body president; Carole Gostanian, treasurer; Sue Sheehan, secretary; Haruo Yamaoka, student publication's commissioner; and Frances Purroy, president of the Women Students.

The spring regional meet was held March 20, 1954, in Taft. Representing FJC were Arthur Lea, student body president; Patsy Still, vice president; Ann Nelson, secretary; Joe Gonzales, treasurer; Vera Holt, Shirley McNay, Blanche Milhahn, and Gladys Popp, representatives; Frances Purroy, vice president of Red Key; Bob Moxley, president of Associated Men Students; Bob Curran, Newman Club president; and Mildred Shaw.

The spring California Junior College Student Government Association Conference was held in Coronado, April 1 to 3, 1954. Representing FJC were Art Lea, student government committees; Joe Gonzales, finance; Jerry Jackson, athletics; and Pat Still, public relations. Also attending were Shirley McNay and Joseph King, adviser.

Fernando Lara, Arnold Lee, Bennett Middleton, Larry Parker, Steve Santillan, Harvey Winter, Johnny Carter, Floyd White, James White, Tony De La Torre, Willie Mayfield, Nick Ceppaglia, William Copus, Bruce Deaton, Ronnie Miyata, Louis Ramirez, Gerald Bender and Lloyd Willis.

The one year certificate of completion winners from FJC are Eleod France, Fidel Lango, Jesse Waller, Wilfred Warren and James Winslow.

Coaches Introduce New Members

Coaches in the spring semester sports presented their team members. Letters, however, will not be awarded until the end of the semester.

Hans Wiedenhoefer, the track coach, introduced John Carter, Walter Torosian, Floyd White, Ken Bain, John Embrey, David Hernandez, Donald Kloppenberg, George Montross, Thomas Ryan, Jesse Waller, and Richard Wenig.

Baseball coach Ray McCarthy presented Richard Knight, Steve Santillan, Mack Sanwo, Larry Schmitz, Lorin Wallace, Bill Nicholson, Jim Anderson, Sam Duncan, Tony Fragus, Jack Handjian, Charles Ratliff, Fred Snyder, Don Steitz, Elton Willis, Al Wright, and Larry Benke, the manager.

Basketball coach Joe R. Kelly introduced Gerald Bender, Bill Nicholson, Don Steitz, Cleo Coleman, Harvey Green, Odell Johnson, Cecil Roberts, Oliver Riggins, Ernie Slade, Jesse Waller, Ray Williams, Cody Landers, and Bob Zimmerman.

ALPHA GAMMA SIGMA . . . Left to right, Charles Gureghian, Thomas Armenta, Joseph Marcelli, Martin Isler, John Embrey, Sirje Poder, Emma Price, Judy Hawthorne, Louella Williams, Margaret Pipkin, Dean Lee, Margaret Hernandez, Gladys Popp, Nedra Looney, and Jo Ann Monfort. Sitting, Wilfred Warren.

Honor Societies Initiate Members

Alpha Gamma Sigma and Phi Theta Kappa are the two scholarship societies around FJC campus.

To become a member of the Alpha Gamma Sigma it requires a B average with not less than 12 units. To become a permanent member it takes a 2.3 grade point average and membership for three semesters or a 2.5 average and membership for two semesters.

The new members that were initiated this spring for Alpha Gamma Sigma were Charles Gureghian, Thomas Armenta, Joseph Marcelli, Martin Isler, John Embrey, Judy Hawthorne, Louella Williams, Dean Lee, Gladys Popp, Nedra Looney, Jo Ann Monfort, Emma Price, Margaret Pipkin, and Margaret Hernandez.

The spring officers were Gerald Bender, president; Pat Still, vice president; Joy Hunt, secretary and treasurer.

Members of Phi Theta Kappa for the spring semester were Jesse Waller, Rosetta Guernsey, Kenneth Lundburg, Dorothy Georgeson and Glee S. Donnell.

The new officers elected for fall semester are Martin Isler, president; Dan Eckland, vice president; Doris Dilworth, secretary; Mack Sanwo, treasurer; Dean Lee, reporter; Judy Hawthorne, inter-club council representative.

Latin American Club Holds Annual Picnic

The Latin American Club will hold its first annual pot-luck picnic tomorrow at Ash Grove in Reading Park.

Starting at 7:30 in the evening there will be all kinds of games and refreshments. All members and their guests are requested to attend said Joe Gonzales, president.

Football Team Win Fourth Title

Ram Eleven Grinds Out 7-2 Seasonal Record

The 1953 Fresno Junior College football team won its fourth consecutive Central California Junior College Athletic Association football crown when they raced through their league schedule undefeated. The Ram gridders played nine tilts, four of them league contests, and lost only two conflicts.

Coach Hans Wiedenhofer's charges just simply outplayed, the star studded LA Valley squad in the first half and then depended on the forward wall in the second half to stove off a possible last minute defeat.

The contest could actually be divided into two separate games. The first half of the affair was all Fresno and the second half was, for the most part, all LA Valley.

This was the return of the platoonless football age and many of the Rams were in the game about 50 minutes.

Ram Line Looked Strong

The Rams played good, alert football and looked very strong, especially in the line, when they outcharged and outfought the bigger and more experienced Monarchs.

Even though Modesto's coach Stan Pavko got out the crying towel the following week and claimed his squad should be called the underdogs, the Modesto Pirates handed the Rams their worst defeat of the 1953 season by a 19 to 12 score.

The Pirates spotted the Rams one first half score and then came roaring back with three second half touchdowns for their win before 3,000 fans in the Ratcliffe Stadium on September 23.

FJC's thinly manned squad could not match the backfield class of the visitors and did not display the same spark and snap that was evident in the opening Ram contest. Bakersfield Calls on Tricks To Win

The unbeaten Bakersfield Junior

College Renegades found the crippled Fresno Junior College Rams a dangerous foe when the two collided on the gridiron on October 3 and had to call on all their tricks for a 16 to 14 victory over the Rams before some 1,400 sweating, sun-drenched fans in Ratcliffe Stadium.

The battle was a rough and tough go, featuring the defensive play of both lines with the deeper Bakersfield reserves giving Coach Homer Beatty the final edge. The Rams had only one regular half-back able to see action, and the Ram offense, except for a couple of brief spurts, gained little if no ground during the tilt.

Both teams took advantage of breaks, with fumbles and blocked kicks playing a big part in the game.

Coalinga Cancels Grid Tilts

The Rams were slated to meet the Falcons from Coalinga Junior College on October 10 but James G. Bunker, the superintendent of

the school, announced he had instructed Dean Donald C. Carr to cancel scheduled league games as of September 28. Bunker explained the Falcon squad cannot undertake to play schools with team rosters of 40 or more men. The Falcon squad numbered only 17 players.

San Bernardino Upset

Rapidly improving Quarterback Lee Storelee was the hero of the Fresno Junior College Rams when he supplied the margin of victory over the Indians of San Bernardino Junior College by kicking a field goal. The final tally was 16 to 14.

Millard Hampton, ace fullback from the previous season and late in returning to the squad this season, was the spearhead of the Ram attack as he scored the Rams' two touchdowns.

The FJC eleven capitalized on six recovered fumbles and gave the ball away four times.

Open Defense Of Crown

Smashing over three touchdowns in ten minutes in the third quarter, the FJC Rams gained a 24 to 13 victory over the Porterville JC Pirates that gave them a running start for the drive to their fourth straight Central California Junior College Association football title.

The contest, which offered only sporadic thrills, and, for the most part, sputtering offenses by both clubs, was witnessed by only 1,500 scattered fans.

The Pirates from the orange belt country surprised the favored Rams by coupling some tricky stuff with a few breaks and went off the field at the half with a 13 to 6 lead.

However, Coach Wayne Hardin's club was hardly in the affair the last two frames except for one occasion when a Ram fumble on the

Third row, Larry Schmitz, Gil Starkey, Wally Wallace, Jerry Tate, Dick Wenig, Tom Ryan, Charles Ratliff, Fred Snyder, Jim Avery, and Brent Freeman.

Fresno 25 was recovered by the visitors.

Fullback Hampton again played a major role in the winning of this tilt.

Powerful Taft Squad Falls

Explosive touchdown dashes by Floyd White and Hampton ruined the Taft Junior College Cougars as the FJC eleven powered their way to a 32 to 14 victory before 2,000 fans in Ratcliffe Stadium on October 30.

This contest was the second CCJCAA grid triumph in a row despite the fact the Coach Bob Hoffman's Cougars unleashed a surprisingly potent passing attack, and jumped to a first quarter 14 to 7 advantage and held a 14 to 13 edge at the mid-point of the contest. The Cougars folded, however, in the third period as the Rams applied the pressure and the terrific break-away speed of White and Hampton.

White, a heretofore so-so performer, really came into his own during this tilt as he raced to three touchdowns. Hampton lived up to his pregame billing by bulling over from the four yard line in the second period and breaking away for a spectacular 41 yard TD jaunt in the third frame.

Rams Win Third CCJCAA Tilt

Hampton provided the big thrill of an otherwise drab tilt on November 7 as he raced a kickoff back 85 yards to spark the FJC eleven to an easy 32 to 7 victory over a scrappy but badly outmanned Reedley Junior College outfit before 2,500 fans in the Blackstone Avenue Stadium.

The win clinched for the Rams at least a tie for the CCJCAA title.

The game was a sloppily played affair with Fresno losing the ball eight times on fumbles and being hampered by 110 yards in penalties. The final period required 40 minutes to complete.

Fresno's hard charging line, led by guards Tex Rankin and Dick Yency manhandled the Reedley backs during most of the fray with the Tigers ending up with a net 27 yards by rushing. Reedley added 125 more yards with an erratic passing attack.

San Jose Frosh Supplied Breather

The FJC Rams slipped and slid to a 25 to 13 victory over San Jose State College freshmen in the Spartan Stadium on November 13. The contest was highlighted by 23 fumbles.

Fumbles set up nearly all of the scores for both teams. Fresno bobbed the wet ball 12 times and the Spartans 11. Each team recovered eight of the opposing fumbles.

FJC Beats COS, Gains Title

The Central California Junior College Athletic Association grid crown went to the Fresno Junior College Rams on November 21 when they defeated the College of Sequoias Glants in the Mineral

Bowl at Visalia by the score of 14 to 6.

The Giants got off to an early lead when they marched to a score from the opening kickoff. They had another scoring chance but fumbled, and the Rams took over and marched right down the field to score a tying touchdown and Lee Storelee's kick-after-touchdown split the uprights to give the Rams a never surpassed lead.

The COS Giants had one touchdown run called back while the FJC Rams had two called back. One of those called back was a 77 yard sprint by fullback Hampton.

Six Rams Make All Star

Of the first eleven starters polled for a CCJCAA all-star team six places went to Rams. Charles Ratliff and Tom Ryan were picked all-star tackles while Dick Yecny

CO-CAPTAINS . . . Millard Hampton, left, and Carmen Eanni shake hands with College of the Sequoias game captain Jim Edwards.

and Tex Rankin were listed as the guards. Don Kloppenburg was selected as center and Hampton as a back.

Storelee and White were selected for the second team and Ends Nick Diliddo, Nick Ceppaglia and Gene Bachman received honorable mention.

Ranked No. 15 In Nation

The Rams had a fine football season and wound up being ranked 15th nationally by the All American Index. Tyler, Texas, was ranked first, Pasadena second, Hartnell fourth, and Bakersfield fifth.

As the season ended there was talk of Fresno and possibly COS either setting up a new league or joining the Big Seven. This was stopped when FJC President Stuart M. White and Athletic Director Paul Starr announced there would be no realignment of the colleges for the next year.

"It probably will be three years before any realignment will take place," reported White. "Some of

RAM COACHING STAFF PROVES THEIR ABILITY

The 1953-54 coaching staff of Fresno Junior College is considered to be one of the finest group of men in the JC ranks. This statement is backed up by the record these men have compiled here at FJC.

Heading the coaching staff is a former marine, Hans Wiedenhofer. At San Jose State he made the all-coast football and wrestling teams. In 1947 he coached the Fresno Tech squad and then became assistant football coach in '48 at FJC.

Wiedenhofer became head coach in '51 and led the Rams to a league title. Since then he has captured two more in '52 and '53. He also coaches the track team.

Coach Ray McCarthy came to FJC in '51. He served in the Navy during World War II and then coached at Fresno High for four years. McCarthy was an all-star blocking back at Santa Clara, and has played in two Sugar Bowl games in '37 and '40.

A one time all-American basketball player from the University of Southern California, Joe Kelly is now the head basketball coach at FJC. He coached at Fresno High from '41 to '43. Then he joined the Ram staff. In his initial year he took the league crown and placed third in the state finals.

the schools seem favorable toward admitting us but there are many scheduling problems. We will continue to play in the CCJCAA next year and will try to schedule as many outstanding non conference games as possible."

The Rams won seven and lost two tilts to round out the 1953 season and amassed 185 points against their opponent's total of 114.

Cagers Bring Home League Crown

Hoopsters Take First Title; Place Third In State Tourney

Joe Kelly, former cage coach of Fresno High School, brought the first Central California Junior College Athletic Association cage crown in the short history of Fresno Junior College to the school in his first year as head coach.

The Ram hoopsters knocked over the College of Sequoias and went on to the State Tourney, where they worked their way up to third place in the affair.

For the overall season, including the practice non-league contests and tourneys, the Rams won 19 and lost 10.

The Rams opened their 1954 league competition on January 15, when they tangled with the Cougars of Taft Junior College. The Ram cagers scored an impressive 71 to 49 win as Green continued his scoring pace by scratching up 25 points, while Don Steitz gathered 16 points for the evening.

The combined efforts of Harvey Green and Odell Johnson, which totaled 47 points, led the Fresno Junior College Rams to a 77 to 63 CCJCAA victory over the Porterville Junior College Pirates in the Rams' second league tilt. Green, as in the previous contest, scored 25 points, while Johnson was busy racking up 22.

Smooth Quintet

The smooth FJC quintet gave notice to the league opponents on January 29, when they uncorked to score an impressive 92 to 66 lopsided victory over the hapless Falcons of Coalinga Junior College. Ray Williams led the Ram attack with 25 points as Green apparently took a rest and only netted 22 points.

The following evening saw the Rams nip the College of the Sequoias Giants in a crucial CCJCAA contest, which went to the Rams by a 73 to 71 score. The contest was a nip and tuck affair all the way, with Green setting the pace for the Rams with 22 points and Johnson close behind with 18.

Scoring Record

The FJC basketekers, getting valuable points from the free throw line

and working on an eight point half-time lead, held off the surging Reedley Junior College Tigers for a 65 to 60 win in the Yosemite Junior High School gym on February 5. This win gave the Rams a perfect first round record in the double round robin league. Green led the Ram attack as usual as he collected 22 points, while Williams hit the nets for 15.

The FJC cagers established a school scoring record on February 12 as they roared to a 104 to 56 CCJCAA victory over the Taft JC Cougars on the Edison High School court, entering their second round of league play. Green accounted for 25 of the record breaking points, while Johnson hit for 17. Williams, Gerald Bender, Steitz and Ernie Slade each dropped in 10 points.

The FJC quintet edged past the Porterville Pirates 69 to 61 on February 20 in a tight CCJCAA tilt in Porterville. Green, with his 27 points, led the Rams to their seventh straight league victory. Williams netted 14 points for the FJC cause.

The lanky Reedley Junior College Tigers snapped the undefeated Central California Junior College Association basketball record of Fresno Junior College on February 23 with a thrilling 70 to 69 victory before an overflow crowd on the Reedley court. The loss made the coming Saturday night contest scheduled with the College of the Sequoias all important. A loss to the Giants would have thrown the league into a tie and necessitated a playoff. FJC had another contest slated for Friday evening with Coalinga JC but were confident of winning it.

Baseball Team Encounters Strong League Squads

The Fresno Junior College baseball team of 1954 had a pretty rough time of it, as Coach Ray McCarthy found himself with a very short pitching staff to face the strong Central California Junior College Athletic Association opponents. Before the season expired he called on other members of the squad to come to the mound to supplement his weak mound staff.

As the season opened the Rams found the Fresno State Junior Varsity a pretty smooth outfit as the JV's whipped out four straight wins over the Rams, one of them being a merciless 25 to 1 trouncing.

The Bakersfield College Renegades were not so considerate of the Rams, either, as they walloped the Rams to the neat tune of 20 to 1 on February 26.

First Win

The Modesto Junior College Pirates invaded the Romain Park diamond on February 27 to split a twin bill with the Rams. The first contest went to the Pirates by a 7 to 6 margin. The night cap was captured by the Rams in their first baseball win of the season as they scored a 7 to 2 victory, giving pitcher Dick Knight his first win of the young season.

The Rams traveled to Stockton on March 4 to face the Mustangs and lost a very close 7 to 6 ten inning affair. The Modesto Pirates entertained the Rams in a return match on March 6, with the Pirates winning both ends of the double

bill. The scores were 16 to 10 and 13 to 3.

The Fresno State JV's once again downed the Rams on March 10 as did the Giants of the College of the Sequoias, the Renegades of Bakersfield, and JV's twice more in the latter part of March. These games made a string of eight straight losses for the struggling Rams.

Dumps Reedley

On April 1 the scene changed a bit as the Rams squeaked past the Reedley Junior College Tigers, 4 to 3, in the first league victory for the Ram, FJC cooled the heels of a weak Porterville Junior College nine as the Rams whipped out a 6 to 3 league win.

The Rams had pretty good luck in the Bakersfield College Tournament as they went to the finals and bumped into the Renegades and lost out, 6 to 5.

The Coalinga Junior College Falcons showed no mercy in the two contests as they downed the Rams 14 to 7 on April 20, and 7 to 0 on April 23.

Lose Three Straight

McCarthy's horsehiders came out on the short end of the following

Thinclads Have Fair Season

This was a year of records and championships at Fresno Junior College, as the basketball and football teams won the league title in the two sports. This was a record year for the thinclads of FJC also, but, it was a record on the wrong side of the ledger. Coach Hans Wiedenhoefer received only an inkling of response from the athletes of FJC, and his squad was not equipped to offer any stiff competition in any meet entered by the Rams this season.

Walter Torosian, Floyd White, Dick Wenig, and Johnny Carter turned in some very fine performances in the respective events to collect a few points for the Rams this season.

Torosian tied a school record when he snapped through the 100 yard dash in the preliminaries in the Central California Junior College Athletic Association meet in Taft, being clocked 9.9. He placed third in the final heat of that event.

three contests, which included College of the Sequoias, Fresno State JV's and Reedley Junior College. The Reedley Tigers scored another impressive victory as they won a 14 to 4 contest.

The Rams concluded their season on May 8 when they swamped the Porterville Pirates on the Pirates' home diamond. The Rams won this contest by a 19 to 4 score. Elton Willis was credited with the win.

Cagers Take First League Championship

(Continued from Page 7)

Fresno downed the Coalinga Falcons 73 to 62 on the Falcons' floor as they tuned up for the following day's contest with the COS Giants for the championship of the league. Green continued to spark the Rams by scoring 26 points, one more than teammate Johnson.

The FJC Rams pinned an 86 to 71 defeat on the College of the Sequoias of Visalia in the Yosemite Junior High School gymnasium on February 27 to win their first Central California Junior College Athletic Association basketball crown. COS had held the championship for four consecutive years.

The Rams trailed until the final period and then won the contest on the free throw line. Steltz was the man who sparked the Rams as he dropped in 26, followed by Green with 20.

State Tourney

On March 5 the Rams clobbered the LA City quintet 72 to 62 to move into the semi-finals of the state tourney. The high scorer for the Rams was Green with 27 points. The following evening the Fullerton Junior College five turned back the Rams by a 93 to 78 margin. Green netted 25 points and Johnson 16.

The Rams took over third place in the California State Junior College Basketball Tournament on March 7 when they trounced East Contra Costa, 72 to 57. Green dropped in 30 points, while Steltz accounted for 14.

Those selected from the Ram lineup for the all tourney team included Green on the first team, and Steltz on the second.

Green established a new school scoring record as he marked up 607 points for the season's work. He scored an average of 20.9 points per contest.

Johnson scored 377 points for the season, Steltz scored 317, Williams 302, and Coleman 206.

The Rams averaged 69.6 points a game as compared with the 63.9 for their opponents.

The final league standing follows:

IVCF Has Active Year

The Inter-Varsity Christian Fellowship Organization was organized at the Fresno Junior College last fall. Dr. Lucille Williams is the head sponsor with Miss Meriam Tervo, adviser.

The club has met in B-11 each Wednesday and Friday. The club's purpose is to discuss and study the Bible.

Wide Movement Is Increasing

It is a world wide movement among Protestant Christians. The club's members consist of members throughout colleges and universities in the United States, Canada and Europe.

Officers are Lloyd Heinrich, president; Ruby Erickson, vice president; John Kohfield, secretary; James Cooper, treasurer; Shirley Wright and Aurora Morrison, social chairmen. The Bible discussions are led by Ben Warkentin.

Five Members Attend Conference

Five members of the IVFC attended a conference in April, held at Lake Sequoia. Students from junior colleges throughout California attended. The purpose of the conference was to hold a discussion on the Bible.

ELECTION COMMITTEE . . . The above students worked on the recent election. Front row: Pat Still, Bonnie Warren, Vena Holt, Sandra Cook, and Blanche Milhahn. Standing are Stanley Avedisian, Joe Gonzales, Molly Williams, James White, Ferol Stanton, Tom Barnett, Kenneth Lundburg, and Aram Azadian.

Collegiates Bring Class To Campus

The Rambling Collegiates, the culture club of the Fresno Junior College, has been very active on the campus this semester since it has been organized.

The club's purpose is to promote culture on the campus, and its emblem is the mask of laughter with a dagger spearing through it.

The officers are Carole Gostanian, president; Sandra Simms, first vice president; Al Herrera, second vice president; Cherrell St. John, recording secretary; Richard Torres, corresponding secretary; Vena Holt, treasurer; Ann Nelson, historian. Membership chairmen are Anita Ferrell and Bob Curran.

Sponsors are Miss Meriam Tervo and C. Lowell Spencer.
