## FJC Class Helps On Museum

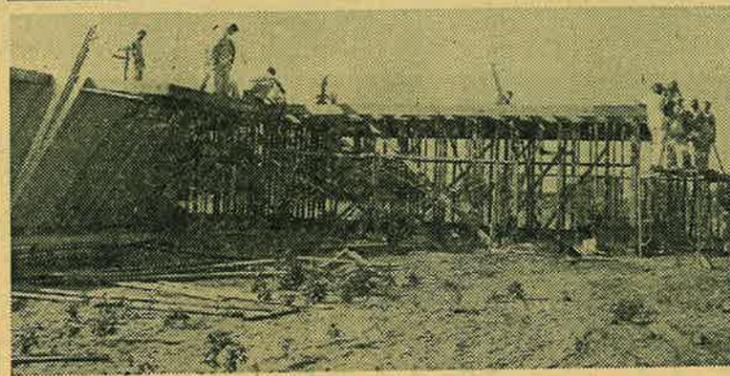

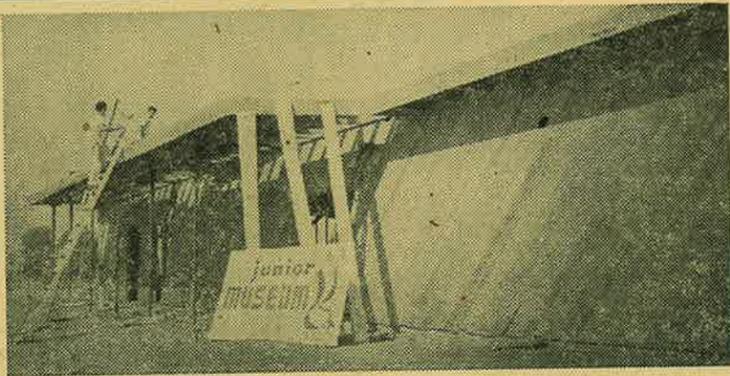

The Fresno Junior College carpentry class has been working on the construction of the Fresno Junior Museum on Winery Avenue.

Robert P. Hansler, director of industrial education, stated that the FJC carpentry class started the project in September, and since then, has made great progress.

Time was taken out by the students to fix the roofs of various buildings at the junior college. Hansler said that there have been approximately 20 students helping construct the museum.

Merle L. Sons, FJC carpentry instructor and Paul Knee, a foreman, have been in charge of the future carpenters. In the near future, electrical, brick, mason, and plastering classes will also assist in the project.

The museum will be an asset both to the Fresno community as well as to the students who are helping to build it. The building is expected to be completed in the spring of 1956.

GIVING A HELPING HAND—Tony Vargas on a ladder and Ronald Mendoza are shown, in the upper picture, giving their services to make the Fresno Junior Museum complete as scheduled. In the lower picture, some of the boys from Merle Son's carpentry class are working on the left. The professional journeymen are working on the right.

## FJC Business Faculty Meets

The business education division faculty met October 12 with an advisory committee in the Ramble Inn.

Following a dinner, the new members of the faculty and the committee were introduced by Fresno Junior College President Stuart M. White.

Miss Ethel McCormack, the division chairman, reported to the group on a new letter writing class which FJC will start for secretaries, office managers and supervisors who handle business correspondence. It will be a one unit course and will meet from 7 to 10 p.m. for six Tuesdays starting October 18, and will be taught by Mrs. Edna Hartley.

The new faculty members in the business division include Mrs. Dorothy D. Bliss, Braxton Henderson, and Gervase A. Eckenrod. The members of the committee that are new are William T. Menard, Mrs. Grace Kachner, substituting for Mrs. Vera Nelson and George Kramer substituting for A. T. Mann. Other committee members present were Mrs. Jane Andrews, G. E. Daniels, Ralph Eastman, Merle Ginsberg, M. E. Sappenfield, A. L. Selland, J. F. Simmons, Breckenridge Thomas, and W. H. Wiebe.

## Club Nominates Student Officers

The FJC Nisei Club held nominations at a recent meeting.

Those nominated and the offices they seek are Henry Teraoka and Richard Okada, vice president; Mary Ueki, Ruby Hirabayashi and Mary Huey, recording secretary; Frances Chow, Harumi Okamura and Kiyo Butsumiyo, corresponding secretary.

Betty Takeshita and Lynette Takemoto are seeking the office of publicity chairman.

## FJC Will Attempt To Upset COS In Visalia

Fresno JC will travel to Visalia Saturday night in an attempt to upset the College of The Sequoias Giants in the Mineral King Bowl with the kickoff scheduled for 8 p.m.

Fresno JC, winning its first con-

ference game last Saturday night against Reedley, looked a much improved team and will be shooting for an upset against COS. The Ram line which is usually their main problem played a better brand of ball than in previous games.

### Mentor Pleased

Hans Weidenhoefer, FJC's mentor, was well pleased with his team's victory over Reedley and singled out the outstanding play of J. C. White, Tom Flores, and fast improving Nick Rendino at a weekly coach's meeting Monday night in Fresno.

COS, who is favored over Fresno, will be led by swift running Halfback L. C. Taylor. The ex-Fresno State College freshman star is COS's top ground gainer. Against Coalinga JC in which the Giants won 35 to 7, the former Delano High School all around athlete packed the pigskin 134 yards in eight carries for a 16.7 yard average.

### Strong Backfield

With such backs as Turner, Bill Taylor, Freddie Martin, Bill Valentine, and freshman Fullback Kenney Reece, COS forms a potent backfield.

The Rams will be without the services of Bill Ruby and Mike Flaherty. Ruby, a 200 pound regular starting guard, is out with a chip shoulder. Flaherty, the number two quarterback, has a case of tonsillitis and will be out for a couple of weeks.

Bob Di Furia, a freshman from Fresno High, will fill in for Ruby. Other Ram starters selected by Wiedenhoefer are Richard Fendrak, Harold Marquez, ends; Tom Sano, Thurman Burson or Raymond Leadbetter, tackles; John Aldredge and Di Furia, guards; Bernard Zarusua or Leo Hall, center; Flores, quarterback; Larry Kaprielian and Rendino, halfbacks and White, fullback.

## Bryant, Garcia Are Voted Duo Prexies

The freshman class of the Fresno Junior College recently became the only known class in the nation with two sets of officers.

In duo elections held last Thursday, the freshmen students on the main FJC campus elected Glynn Bryant of Chowchilla president while freshmen on the State Campus chose Fred Garcia, of Roosevelt, as their president.

All the officers selected on the main campus are graduates of the Chowchilla High School. Bryant,

## Students Plan For Annual Color Week

By ELEANOR FRANCO

Pledges of the Fresno Junior College chapter of Phi Beta Lambda will be sporting their club colors Monday, the first day of Phi Beta Lambda's Color Week.

The new members are being asked to wear the badges every day during color week. They must also collect the signatures of ten veteran members before the initiation on October 28 from 7:30 to 10 p.m. in the Ramble Inn.

Cecil Lane, chairman of Color Week, said all members are to contact any member who joined last year each day to be checked for that day and also receive instructions for the following day.

The committee chairmen for Color Week are Cecil Lane, skits and stunts; Lydia Fhy, refreshments; Alfreda Barton, invitations, and Jim Detherage, clean up.

Phi Beta Lambda is also sponsoring a cake sale on the main campus from 10 to 12 a.m.

## Sophomore, Out of State Students Attend Meeting

The meeting was so well attended that even a sophomore student at FJC and out of state students were there. Two freshmen present went to high school outside the continental limits of the United States, Felisa Villena of the Philippine Islands and Lynette Takemoto of Hawaii. Two went to high school in other states than California, Rodney Hill in Michigan and Jo Ann Wilson in Pennsylvania.

who was the class' temporary chairman, will be assisted by Murial Maxwell, vice president; Charlotte Walter, secretary, and Warren Steinaert, treasurer.

The other officers chosen on the State campus besides Garcia are Leon Sutton from Roosevelt High School, vice president; Margaret Ryan from Fresno High School, secretary, and Thomas Strentz from Clovis Union High School, treasurer.

All the officers are 18 years old. They will form one executive council for the classes and will meet today in Bungalow 9 at noon on the main campus.

Bryant is a teaching major and Garcia is majoring in Geology.

Originally, the freshmen and their advisors intended for the class to have only one group of officers, but normal arrangements failed to work. Meetings were held on both campuses and neither was represented sufficiently to warrant an election.

## Council Members To Sell Rambler

Franz Weinschenk, instructor of the yearbook class, announced that student council members are now selling advance subscriptions to the Rambler, Fresno Junior College's yearbook.

The Rambler subscriptions are on sale from 11 a.m. to 1 p.m. at the student privilege card booth near the business office on the main campus.

## Students Should Strive To Obtain A Good Education

Have you decided on why you are in college? Have you decided on what you expect from college?

Most students will say they want an education. An education that they can rely on when they apply for a job in the future.

However, only the best and more achieved methods of study will give the student what he expects from his college education.

There are many things a student must do before he can achieve this education. Here are some of the suggestions.

1. Get to know the instructors. Rely on them for counseling and for talking over problems.
  2. Have good study habits. Such as a prepared reading plan, a self "trial" quiz, a place to study, plenty of quiet and good light, and many other ways which one can find listed in text books at the library.
  3. Ask questions in class. No matter how silly the question sounds, if it sounds logical to a student he should ask the instructor the correct or implied answer or meaning.
  4. Join the many other extracurricular activities that the school has to offer. Remember that the active student can mean a good student.
  5. Keep up in your work. Don't wait until the last minute to study for a test. Remember the saying "The last minute cram, for tomorrow's exam," and try to exclude it from your study habits.
  6. Take the right attitude. Never judge something before it should be judged, whether a class, or an instructor.
- These six suggestions may not make up a complete list but students should get in the habit of making up their own list. Students should also remember that there are more things to a class than a grade. For a blot of ink can not tell the true meaning of what one has gotten out of a class.

## Foreign Students Attend Fresno JC

The Fresno Junior College's day students include 32 who are residents of or have attended secondary schools in a foreign country.

There are four students who went to high school in Hawaii and one in Alaska.

Among the students from Hawaii, three are residents of Hawaii, 12 students from the Middle East, 10 from the Far East, seven from Europe and three from North and Central America make up this total.

Among the seven students from Europe, three are from France, two from Germany, and one each from Denmark and Hungary.

The Far Eastern contingent includes four from Japan, two each from India and the Philippines, and one each from Formosa and Pakistan.

The Middle East is represented by six students from Iran, three from Lebanon, two from Jordan, and one from Syria.

One student each from Canada, Mexico, and Guatemala make up the total.

## Cabinets Hold Meeting To Discuss Formal Dance Plans

A joint meeting of the AMS and AWS cabinets was held recently to discuss plans for the Christmas formal which will be sponsored by these two organizations. The two groups were appointed by the interclub council.

Eleanor Franco, the AWS president, said the formal affair is scheduled for December 9 from 9 p.m. to 12 p.m. in the Yosemite Room of the Hacienda Motel.

Jack Riley and his nine piece band will play for the dance.

It was decided that the boys will wear dark suits and the girls will wear formals.

The bids were chosen and the theme for the dance is to be kept a secret. Shinya Tokubo is in charge of bids and Tom Flores is arranging the theme.

AMS and AWS committee heads voted to select a master of ceremonies from outside the school. Don Lovelace is in charge of this committee.

A queen will be chosen to reign over the dance. Lovelace is chairman of this committee, also.

Other committee chairmen include orchestra, Genny Schellenburg; posters, Stanley Tusan; decorations, Marilyn Snider; invitations, Delphina Hernandez; reception, Olga Hernandez; and publicity, Miss Franco. A clean up chairman is yet to be chosen.

## Unit To Come To Main Campus

The Fresno County tuberculosis x-ray unit will be on the Tuolumne Street side of the main campus Tuesday from 9 a.m. to 12:30 p.m. and Wednesday from 12:30 to 3:30 p.m.

Mrs. Hazel Pedersen, health coordinator for FJC, said students attending classes on the main campus are urged to avail themselves of the opportunity.

# Mrs. Hazel Pedersen Is FJC Health Instructor

Mrs. Hazel Pedersen, health education instructor at Fresno Junior College, said she enjoys her work very much and is pleased to see the progress that is being made in the teaching in this field.

She said she definitely approves of the coeducational health classes that are being offered at FJC this year and that a survey of the junior colleges in California shows that about 50 per cent of the schools offer coeducational health classes and the other 50 per cent have the classes segregated; Fresno State College has always had coeducational classes.

Mrs. Pedersen highly recommends the new classes in physical education, PE45E, which is of-

## Instructor Comments On Mixed Hygiene Classes

When Mrs. Hazel Pedersen was asked to comment on whether she liked teaching mixed hygiene classes, she replied, "Ooh, I like it."

She said, "I think it makes it more interesting to have mixed classes."

Last year the boy and girl students were in separate classes from one another.

ferred at FJC for the first time this year. It includes the study of methods and procedures used by states and cities in their recreational programs.

She said she was especially pleased to have been chosen, along with Dr. Edith Lindly of Fresno State College, to attend the convention of the Cancer Society in San Francisco, September 30. All their expenses were paid and Mrs. Pedersen said they had a wonderful time and that she learned a great deal that will be useful to her in her work.

Mrs. Pedersen previously taught health education at Fresno State College before coming to FJC.

## CLUB NEWS

### Ann Sirabian New Red Key President

**RED KEY**  
Ann Sirabian took over the post of president of Red Key due to the fact that Leonard Sterns did not return to school this semester. Sterns was elected president last spring.

Petitions are being sent out for membership.

Other officers for Red Key this semester are Jim Ringer, vice president; Bobbie Burton, secretary, and Wilma Koenig, treasurer.

**PHI BETA LAMBDA**  
Shirley Upperman, central region vice president of Phi Beta Lambda, Barbara Wilkinson, state parliamentarian, and Mrs. Edna Hartley, advisor, will attend the state executive board meeting at the San Juan High School in Sacramento October 22.

**NEWMAN CLUB**  
Francis Svlich, advisor to the Newman Club invites all Catholic students and others who are interested to contact him regarding membership in the club. His office is in B7 on the main campus. A committee of volunteers will contact all students who have registered as Catholics.

### Administrators To Attend Annual Fall Meeting

Two administrators of the Fresno County Schools will represent the district and the Fresno Junior College at the annual meeting of the California Junior College Association in Palo Alto Tuesday through Thursday of next week. Dr. Erwin A. Dann, the district assistant superintendent in charge of secondary education, and Betty M. White, president of the public college.

# JC Students Join Safety Crusade

Fresno Junior College students joined a crusade recently by signing the Teamsters-Green Safety Crusade pledge cards, conducted by the Fresno County Safety Club.

Administrator for the safety council, Mathew Kuhta, appeared before the student council and requested that all Fresno Junior College students should cooperate with the program. Voluntary signings of the pledge cards were directed by the faculty members.

Students who signed the cards are eligible for a drawing for big prizes, which will be held in the latter month of November.

An essay contest also has begun with fabulous prizes involved.

For more details see the bulletin boards outside the FJC library on the Fresno State Campus.

## Fresno JC Has Largest Enrollment In History

Fresno Junior College has the largest official enrollment in the history of the school.

George C. Holstein, dean of admissions and records, announced that FJC's fall total enrollment is 2,872, more than 25 per cent above last year's official enrollment of 2,288.

# LUCKIES TASTE BETTER - Cleaner, Fresher, Smoother!

WHITE SHAKES LOOSE — J. C. White shook off Reedley's Wendell Groth and raced 30 yards for a touchdown after receiving a pass from Tom Flores.

## Rams Dump Reedley Tigers 25-7 In First CCJCA League Home Game

The Fresno Junior College Rams with freshman Fullback J. C. White leading the way rolled to a 25-7 victory over the Reedley Junior College Tigers to win its first Central California Junior College Association game of the season Saturday night in Sanger.

Reedley threatened to be rough on the Rams in the early minutes of play when they took the opening kickoff and moved to the Rams 25-yard-line in eight plays before Fresno's defense stiffened and held. On fourth down a Reedley pass fell incomplete on the 10-yard-line.

From there Larry Kaprielian and Nick Rendino moved the ball to the Reedley 49. White took a

handoff from Tom Flores, went over his own left tackle, cut to the sidelines and moved to the Reedley three yard-line. Rendino smashed over on the next play. The conversion try was blocked.

### Reedley Goes Nowhere

After the kickoff Reedley was able to go nowhere and Wendell Groth punted to the Ram 40. Two running plays moved the ball to the Reedley 35, where White took a pitchout, and went around left end to the five. On the following play White scored. The conversion try was wide and the first quarter ended with Fresno leading, 12-0.

In the second quarter, Reedley Fullback Pete Rogalsky caught fire. He recovered a Fresno fumble

on the Reedley 45 yard-line. From there the ex-Reedley High School star carried five successive times, scoring from the five yard-line. Harlan Bimat kicked the extra point.

### Fresno Scores

Two plays after the kickoff Flores passed 20 yards to White who raced 30 yards for Fresno's third touchdown. Again the conversion attempt was no good.

Fresno scored its final touchdown on a 16-yard pass play, Flores to end Don Birkle in the end zone. Birkle kicked the extra point making it 25-7 at the half.

In the second half Reedley was without the services of Fullback Pete Rogalsky.

### SPORTLITES

By RUBEN BARRIOS

Those of you that saw Fresno JC smother the Reedley Junior College Tigers 25 to 7 last Saturday night in Sanger undoubtedly noticed the sensational playing of Ram Fullback J. C. White throughout the entire time he was in.

The 19-year-old speedster from Edison High School who accounted for two of the Ram touchdowns repeatedly broke loose from the Tiger defense and accumulated for long gains on each occasion.

Along with playing top offensive ball, White also played a whale of a ball game on defense. The 190 pound fleet footed fullback seemed to be in on every tackle. Several times his heady defensive play stopped Reedley scoring threats.

The pin point passing of Ram Quarterback Tom Flores who hit his receivers with eight completions and the ground gaining of

### Starr Announces FJC To Have Tennis Tourney

Paul Starr, director of athletics, announced that Dean Larsen, who last year coached the FJC tennis squad to a tie for second place, will be in charge of a tennis tournament this fall. For further information one may contact Larsen or Starr.

Starr said that letters for last year's tennis team members have been ordered and should arrive within the next two weeks.

White at fullback, Larry Kaprielian and Nick Rendino, halfbacks, gave Reedley coach Verne Horton's Tigers fits throughout the contest.

Elsewhere in the Central California Junior College Association race, the highly touted College of the Sequoias Giants took a blistering 33-7 defeat from the Porterville Junior College Pirates last Saturday night and the Taft Junior College Cougars turned back Los Angeles City College 25-7 in a non conference game Friday night.

Paced by the no hit pitching of John Troxel in the first five innings, Bricker's Rams blanked the league leading Zephyrs team 4 to 0 in a winter league baseball game played on the Romain diamond last Sunday afternoon. Troxel, in pitching five innings of no hit ball, struck out seven batsmen and gave up no walks.
