Rams Come Home, Play Hartnell Tomorrow Night

Coming home for Ram Week and riding high on a three game winning streak, the FJC Rams will make their second home appearance of the season Friday night in Ratcliffe Stadium when they host Hartnell Junior College in a non-conference football game at 8 p.m.

Fresno lost its opening conference game to Taft Junior College and since then has not dropped a contest, winning over Reedley in the Sanger High School Stadium and pulling two upsets over the College of the Sequoias Giants and the Porterville Junior College Pirates.

The Pirates were ranked 24th among JC teams in the nation before the Fresno game.

Hartnell played Compton JC, the nation's No. 1 team last week and came out on the short end of a 28-0 score. Earlier in the season Hartnell edged Porterville 14 to 13.

After Their Fourth Win

On the basis of past performances, Fresno JC will be expected to garner victory No. 4 against the Hartnell JC Panthers Friday.

The Panther main scoring threat will be halfback Dave Crocker. Crocker leads his team in every running department and has a season's total of 34 points. Hartnell has a fine quarterback in Takeo Hirahara and end Hal Boutte is regarded as a top pass receiver.

J. C. White will carry the scoring load for Fresno. White is flanked by Larry Kaprielian and Nick Rendino, a couple of scoring threats. Tom Flores will be at quarterback.

Max Bishop Out

The Rams will be without the services of reserve halfback Max Bishop who received a leg injury in the College of the Sequoias game. The former Clovis High School football star, along with Charles Heyron, has seen plenty of action for the Rams in the backfield.

Staff Members To Attend JC's Fresno Confab

Three Rampage staff members will attend the Northern California Junior College Press Association conference that is to be held in Fresno on November 18 and 19.

Headquarters for the conference will be in the Hotel Fresno where dinner will be served to the entire group on Friday evening.

The purpose of the conference is to establish a coordinated effort among the junior colleges of the state to cope with the common problems encountered in the publication of JC newspapers.

It is planned to combine efforts between the members of this conference and the members of the California Junior College Student Government Association who will be meeting simultaneously and whose headquarters will be in the Hotel Californian.

Reporter Finds Meeting's Attendance Disgusting

Last Friday I went to the Associated Men Students meeting which was held on the main campus. The peculiar part of it was that there were just four sophomores, and five students from the state college campus attending. At least you have to give credit to the five students from the state campus for attending.

It is not my intention to criticize or praise the AMS. I belong to the AMS and want to make it as successful as possible.

I believe that one of the ways to have more men to attend the meetings is to have some kind of a contest to make the men more interested. The AMS could also follow the pattern set by the Associated Women Students. There could be several committee chairmen appointed to direct certain functions such as publicity, social, etc. Not any man, but one who would know what he is going to do.

I do not want to see the repetition like the last two semesters happening again in selecting the officers. That is a hand picked candidates, picked not by the members of the AMS but by someone else.

I remember last semester, two days before the student body installation, all of a sudden, the AMS had an election. Most of the candidates didn't even know that they were running for the offices.

The men on the main campus are bound to monopolize the offices the way it is now, unless something happens. The men from the state campus certainly do not want to go to the main campus just to attend the meetings and come right back for the classes.

Rams Belt Bucs 33-13

The Fresno Junior College Rams led by the power-running of full-back J. C. White and the passing of Quarterback Tom Flores ground out a 33-13 victory over the previously unbeaten Porterville Junior College Pirates.

Fresno scored early in the first quarter. With the ball on the Ram 40, Halfback Larry Kaprielian took a pitchout and with a key block from John Aldredge went to the Porterville 40 yards line. Two plays later, Kaprielian ran off tackle, picked up two key blocks and scampered 38 yards for the first touchdown of the game.

Don Birkle converted and at the end of the first quarter the score read 7-0.

Porterville broke loose in the second quarter moving 61 yards in six plays. Jack Baumgardner scored on a 14 yard smash off tackle. Ed Tuttle's attempted drop kick for the extra point was wide of the mark.

Aldredge Recovers Ball

After the kickoff, Fresno wasn't able to gain any yardage and punted. Tuttle returned the kick to the Ram 35. From there they marched to the Fresno five where Wendell Bland fumbled and Aldredge recovered for the Rams. The first half ended with Fresno leading, 7-6.

After the second half kickoff Fresno again had to kick and Porterville took over on their own 26 yard line. Four plays later the Pirates had a first down on the Fresno six.

On fourth down Bland went around end on the bootleg and into the end zone. This time Tuttle's drop kick was good and the Pirates led, 13-7.

Rams Roar Back

The Rams roared back with the ball on the Porterville 41, Flores' passing moved the ball to the 23 yard line but a 15 yard penalty put them back on the 38.

Flores hit Kaprielian with a swing pass to the 21. White took Flores' pass on the 14 and three running plays moved the ball to the four where White boomed over for the touchdown. Birkle's kick was good and the Rams led, 14-13.

The game turned into a rout in the fourth quarter as Fresno struck for three touchdowns. Porterville was helpless in the final quarter as White and Flores spearheaded the surging Rams.

fer told newsmen Monday night at a weekly coaches meeting in Fresno that he was as surprised as anyone at his team's one sided victory over Porterville. He expected to win but not by such a large score.

The Fresno boss had words of praise for his assistant coaches, Clare Slaughter, Dick Handley and Joe Kelly for their terrific job in bringing along the green line to such improvement. The Ram mentor singled out the play of tackles Tom Sano and Thurman Burson for their good job in the past two games.

By RUBEN BARRIOS

Ram Coach Hans Wiedenhoefer's gridders wound up play in the Central California Junior College Association Conference with a tremendous upset over the Porterville Junior College Pirates last Saturday night in Porterville.

By winning over the Pirates, the Rams were assured second place in conference standing. However, if Porterville defeats Taft Junior College next Saturday night the CCJCA title will be shared by Fresno, Taft and Porterville. It would mark the second consecutive year Wiedenhoefer's Rams have shared league honors.

The Porterville game was again highlighted by the uncanny running of J. C. White, Fresno's hard driving fullback, and the passing of Tom Flores at quarterback. White crossed the goal line three times. Flores passing, to Don Birkle and Larry Kaprielian, and White set up a number of Ram touchdowns.

The once inexperienced Fresno line played as a unit and repeatedly stopped the Porterville backs at the line of scrimmage.

After Fresno had iced the game in the fourth stanza the Pirates

CCJCA Standings

	Won	Lost	Pct.
Taft	3	0	1.000
Fresno	3	1	.750
Porterville	3	1	.750
COS	1	3	.250
Coalinga	0	2	.000
Reedley	0	3	.000

were so desperate that they were penalized 15 yards for unnecessary roughness several times.

In the closing minutes of the game both teams' benches got on the playing field when a Fresno player and a Porterville player engaged in a fist fight. Referees and coaches from both teams stopped what might have been a big brawl and both players were ejected from the game. After that happened, the Fresno coaches put in an entirely new Ram lineup in the last sixty seconds of play.

Basketball Drills Start; Three Veterans Return

Basketball practice started Tuesday for the defending State champion Fresno Junior College Rams. They have been practicing Monday through Friday from 5 to 7 p.m. in the Yosemite Junior High Gym.

Joe Kelly, head basketball coach at FJC stated that the Rams will have one of their toughest seasons. Kelly also said that the team to beat this year is Allan Hancock College, which will have most of its first string team back, and some good prospects from the Midwest.

Two Regulars Return

Gary Alcorn, 6 foot 8 inch center, and little guard Marion Daniels are the two returning regulars. Also

returning is reserve Guard Don Birkle.

An outstanding prospect is 6 foot Huey Davis, who starred at Edison High, and was a top scorer at FJC for one year. Also, there is a good crop of local talent, such as Edison High's forwards Al Brown and Reynold Johnson and Guard Louis Obradovich, last year's valley champions.

Guards Prospect

Dick Payne, 6 foot 3 inch center, with guards Larry Griffith and Kalem Barsarian are prospects from Roosevelt High. Also Jerry Pilibosian and Ben Eichman, both from Fresno High and Polly Carver of Madera. All three are guards.
