Students Must Obtain And Return Petitions

This week candidates for student body offices must obtain and return eligibility slips and petitions.

These petitions may be secured either at the main FJC office or from the junior college office on the state campus.

Students wishing to run for student body offices must have various qualifications. These are that one must have attended FJC one semester prior to taking office. Also one must have a C average and must be a member of the FJC student body. Students wishing to run for presidency must have attended JC for two semesters and must have a C average. Also a candidate must be carrying 12 or more units and must not be on probation. All delinquent grade points must be made up.

The election committee under the leadership of Fred Hall, student body vice-president, has been busy making up an election calendar. Heading the election committee is the chief job of the vice-president each semester.

The election committee consists of Hall, Ruth Osterhouse, Lorene Hughes, Vernald Kelzer, Charles Fox, and Rhea Bray. The faculty advisers are Miss Willa Marsh, Floyd Quick, and Dr. Rolf Ordal.

There has been an increasing amount of interest being brought up by the election.

I know that the election committee and officials would like to see more students voting in this election than in any other FJC election. Last semester 340 students went to the polls and elected our present officers. This was probably a record number.

Polls will be open on both campuses, so that each student may have a chance to participate in the election.

Bids Are Free So Let's Go To Christmas Dance

Now we all know it, but what are we going to do about it? What I am referring to is the Christmas Formal that the Associated Women Students and the Associated Men Students are giving for the entire FJC student body tomorrow night at the Hacienda Motel.

Bids are free to all student body card holders and one may obtain them today and tomorrow in the hallway at the main campus and also in A-15 on the state campus.

Ten coeds have been selected by the various clubs and organizations to vie for the queen contest. Two alternates will also be chosen.

Students will vote for their favorite candidate when they present their bids at the door tomorrow night.

Eleanor Franco, AWS president, and Tom Flores, AMS president, have been assisted in making arrangements by their various chairmen.

Delegates Give Opinions At State Government Confab

By PATTI FORD

A couple of advisors and four delegates from different schools to the California Junior College Student Government Association were asked this question: What do you think about the conference?

John Amarant, a delegate from Vallejo College: "I think the conference has proved very successful. I think Jim Ringer, regional president, has done a tremendous job. I also feel Fresno deserves a big hand for a job well done. We've been given the feeling we were right at home."

Leonard Roberts, a delegate from the Shasta Junior College said: "I think the conference is very well organized and has proved successful. As a whole I think the conference is going over very well. I want to congratulate Fresno Junior College for all the hard work they have put into making this conference a success."

Fletta Mae Kimbrell, a delegate from Riverside said: "I think it's great because it gives the student the opportunity to meet other people and exchange ideas. The hosts were just great, and they make you feel right at home."

Agnes Miller, an advisor from Santa Ana College says: "I think the experience that the students get through the discussions in the work shops, and the planning for the for the conference is wonderful experience for leadership. I also think it is good

to have a change of officers at the middle of the semester so more students can have an opportunity to attend the conference."

D. M. Patterson, an advisor from Napa College had this to say: "I believe it is becoming one of our most successful conferences due to the careful preparation and planning, and the helpful and cooperative interest of the students. I have been attending these conferences since 1947 and consider it to be among the most important educational experiences that a college student can have."

Dawn Loberg, a delegate from Napa College: "The conference is really fabulous. It has been well planned and I think will be very successful. I feel it promotes better relations between the schools and the state. I am enjoying Fresno's hospitality and think they have done a wonderful job in making this conference possible."

Just Speaks To Business Leaders

Dr. Lee Roy Just, an instructor of sociology and philosophy at Fresno Junior College, chose "Machines: False Gods of Today" as the topic for his speech at the regional conference of the Future Business Leaders of America Saturday.

"Business relations are human relations," Dr. Just emphasized, "the important things that go on in business relations are not transcribing or recording of information or data, it's what happens to people when we are recording and transcribing, etc."

He told the group that we need to keep the proper perspective, to remember that machines are means to an end, not the end in themselves, and expressed concern because of the tendency of people bored by the routine of the office to indulge in bizzare behavior in their free time.

Dr. Just was born in Reedley, California and graduated from the Dinuba High School. He received his bachelor's degree from Tabor College in Kansas and his master's degree from Kansas University. He completed his doctor's degree at the University of Southern California.

Dr. Just has taught elementary school on the west side and was chairman of the department and an instructor of sociology for five years at Tabor College before coming to FJC.

He lives with his wife and two children at 3352 Circle Court West in Fresno.

Fresno Rolls Over Mexico In Grid Finale

The Fresno Junior College Rams concluded their 1955 football season here Thanksgiving Day with a 26-14 victory over the Polytechnic Institute of Mexico.

The Rams had trouble with their ground attack against the hard hitting White Donkeys, however, the passing of Quarterback Tom Flores and Don Birkle, who between them completed 13 out of 30 passes for 239 yards and two touchdowns carried them to victory.

Fresno Scores First

Fresno scored first with four minutes left in the opening quarter on a Flores pass to End Harold Marquez for 32 yards and the T.D. Don Birkle kicked the extra point.

Mexico came roaring back to tie the score as Fullback Candido Trappero knifed through tackle and galloped 72 yards to score. Quarterback Mario Sallon booted the extra point.

The Rams scored again early in the third period when Birkle boomed over from one yard out after a penalty had put it there.

Seven Yard Pass

Fresno scored again on a Birkle pass to Marquez from the Mexico seven yard line. The kick was no good.

Mexico received the kickoff and in ten plays marched for a touchdown. Quarterback Patino bucked over from the one. The kick was good and the score was 20-14.

Fresno got its final touchdown in the last minute of the game when Fullback J. C. White broke through the Mexico line and rambled 36 yards for the score. The kick was no good.

FJC Quintet To Play In Bakersfield

The Fresno Junior College basketball team will travel to Bakersfield tomorrow to participate in their first of four basketball tournaments.

Bakersfield for the first time in the history of the school is sponsoring a tournament and has invited seven teams: Coalinga College, Edwards Air Force Base, Fresno Junior College, Porterville College, San Jose Junior College, Santa Barbara Junior College, and Taft College.

Fresno will face Santa Barbara tomorrow at 9:30 a.m. and if they win they will play the winner of the Porterville-Edwards Air Force Base game. If Fresno loses they will meet the loser of the latter game.

Coach Joe Kelly's high scoring Rams downed their first two opponents last weekend but had to come from behind to do it.

Kelly will probably start the same quintet which played against Fullerton and El Camino last week. Kelly will depend on his 6 foot, 8 inch Center Gary Alcorn to come in the scoring as he did last week.

RAM CAGE TEAM—This year's team members are, standing, left to right: Louis Obradovich, Huey Davis, Al Brown, Gary Alcorn, Richard Payne, Tom Flores, and Polly Carver. The men kneeling are, left to right: Larry Griffith, Kalem Barserian, Don Birkle, Ben Eichman, and Marion Daniels.
