AA Candidates To Graduate

At least 120 associate of arts degree candidates will receive their degrees when FJC holds its seventh annual commencement June 9 in the Roosevelt High School auditorium.

Mrs. Lena M. Fuller, registrar, said 120 sophomores have already filed petitions for graduation, and a number of others are eligible. Twenty-one other students completed their requirements at the end of this year's fall semester, but they will receive their diplomas in June.

The sophomores for the degree will meet the second and fourth Tuesdays of each month at noon in S-33 to plan graduation ceremonies.

The 21 students who completed graduation requirements last semester are Richard Avakian, Tony Calles, Peter Casillas, Philip De Firmian, Charles Gureghian, Edward Haddad, Yukio Ikuma, Martin Isler, Phillip Jue, James Kachiu, William Krantz, Donalee McIsaac, Harland Minshew, William Nicholson, Charles Parker, Mack Sanwo, Sue Sheehan, Akira Tobuno, William Tsudida, William Wells, and Christine White.

Mrs. Fuller said any students who can qualify for an AA degree should see her immediately.

The deadline for rental deposit on caps and gowns is April 1. If deposits are not made by then, the names will be removed from the commencement exercises. A bulletin board will be set up in the main office.

Copus Announces Assistant Editor

Alfred Copus, Rampage editor, announced recently Bobbie Burton would take over the job as assistant editor of the paper.

Copus and Miss Burton both came from Clovis Union High

School, where he was editor of the paper and Miss Burton was feature editor.

Miss Burton is planning a career in the journalism field. She is a 18 year old freshman.

She is planning to attend Fresno State College after receiving her AA degree from Fresno JC.

Fresno Is One Of Tourney Favorites

The Fresno Junior College Rams, under the watchful eye of Coach Joe Kelly, will enter the 1955 State Tournament tonight against the Los Angeles Valley Monarchs. The Fresnoans will be host this year in the Roosevelt High School gym.

Tonight's four game schedule will run as follows: 6 p.m.,

South Central Conference vs. Big Eight; 7:30 p.m., Eastern vs. Golden Valley; 9 p.m., Metropolitan (L.A. Valley) vs. CCJCA (Fresno), and at 10:00 p.m. Western States (Ventura) vs. Coast Conference.

At 7:30 Friday night, the winners of the 6 and 9 p.m. games will play, and at 9 p.m. the winners of the 7:30 and 10:30 games will meet. The Saturday night championship finals will pit the two Friday night losers at 7:30 and the two winners at 9.

Various trophies will be awarded to the first, second and third place teams and a giant perpetual trophy will be presented to the school with the winning team. The latter trophy is currently held by Fullerton Junior College.

Although the Rams boast a better season record than the opposing southerners, the defeat of the Monarchs will not come as easy as did some of the earlier league games. Los Angeles holds a 12-2 league record and an overall record of 27 wins and three losses.

The Rams, who had a fiery season, are undefeated in league play and lost only two games the entire season. Kelly's squad should be well up for tonight's tussle with a five day rest.

Tickets for the three night event are on sale at the following sporting goods stores: Homan's, Mid Valley and Sports Equipment. Athletic Director Paul Starr said that he is also selling tickets in the main office.

The prices for the tickets are \$2.50 for a three night booklet, \$1 a night for adults and 50 cents a night for students holding student body cards.

Starr said the seating capacity at the Roosevelt High gymnasium will be somewhere around 2200 and that seating will be on a first come, first serve basis.

Waller, CAC Candidate, Chosen Ugliest Man On Fresno JC Campus

Ira Waller, representing the Campus Activity Club, has been chosen as the ugliest man on the campus in the contest sponsored by the Veterans' Club. He received 1,148 votes.

A. A. Degree candidate Karlo De-moorjian came in second with 557

votes. Ken Glassbrook of the sponsoring club came in third with 377 votes.

Others who ran for the title, club they represented, and the number of votes they received were Rudy Gutierrez, Latin American Club, 139; States Hines, Freshman Class, 112; Aubrey White, Associated Men's Students, 90; and Mr. X, Associated Women's Students, 77.

The trophy was presented by Harold Pitcock, vice president of the Veterans' Club, to the winning candidate at a free dance in Bungalow 15 Monday. Money received from this contest will be used for worthwhile purposes.

Balloting was determined by depositing money in canisters which was provided for each candidate with votes counting at one cent each.

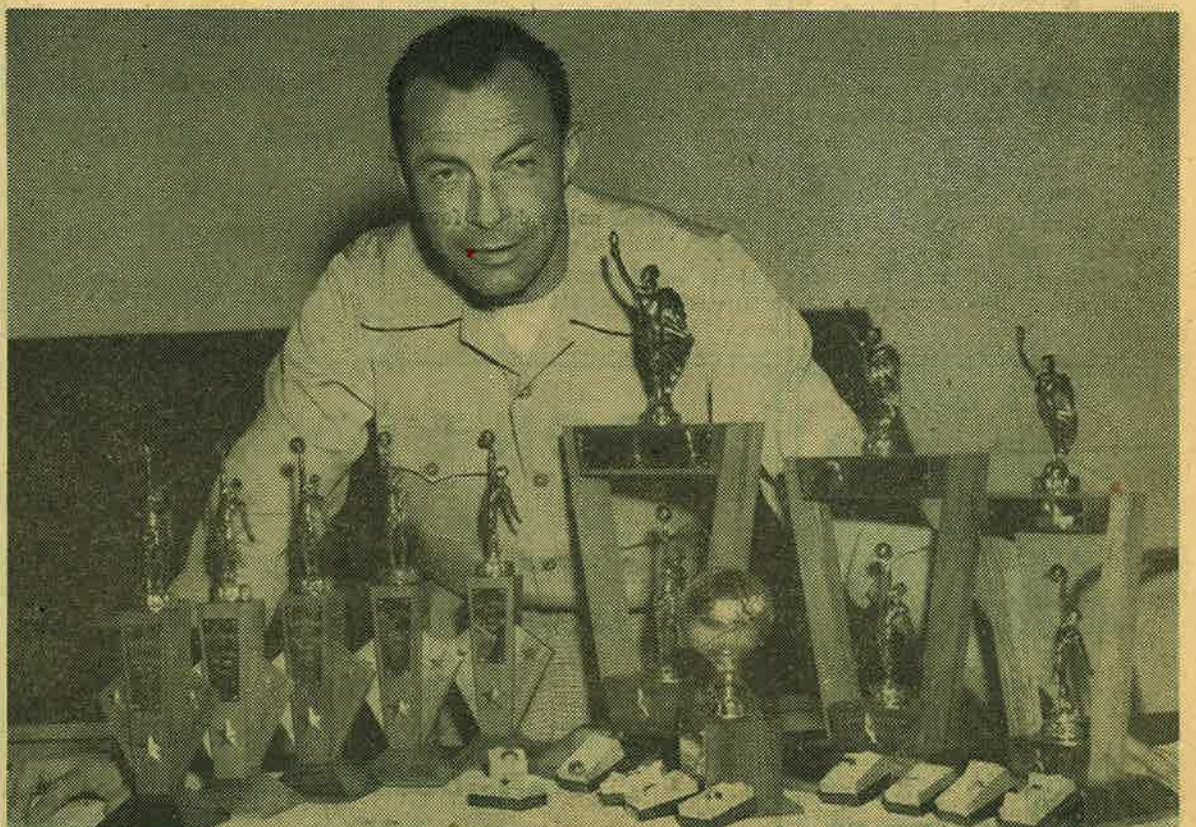

The contest ran from February 18 through February 25.

George Neal, president of the sponsoring club, wishes to thank all the people who had a part in the contest.

Those on the posters committee of the contest were Bill Shroyer, chairman; Carrol Hale, James As-terly, and Franklin Ede.

Student Tells Of Difference In Education

Marguerite Boroyan, 20 year-old student from Marseille, France, said that there is much difference between the education system of the United States and France.

Miss Boroyan came to the United States from France about a year and a half ago with her parents and two younger sisters.

She attended the College Anatole France for six years.

Miss Boroyan said that the difference between schools here and in France is that in her native country all the courses are prescribed by the educational board and the students have to take the courses.

Another difference, she said, was that boys and girls do not go to school together except at universities. She also said that in France the teachers move from one class to another instead of the students moving as they do here in America.

Miss Boroyan is majoring in education and plans to transfer to Fresno State next year. She said she plans to obtain secondary credentials in French.

Ex Serviceman Joins Faculty

The "Know Your Faculty" finger this week points at Carl H. Morgan of Denville, Va., who was discharged in December from the army as a captain after nine years of service, mostly in Japan. He has joined the FJC faculty as a mathematics instructor this semester.

Before entering the army Mr. Morgan previously taught at Boston College from 1940-45 and assistant professor of mathematics and physics at Holy Cross College from 1933-35 and 1939-40.

When asked his opinion of FJC students he stated, "The students here are mature and know what they are striving for in life. They are cooperative, and a fine group of people to work with. They are anxious and ambitious."

Morgan and his wife had a most unusual reception when they arrived in Fresno from Virginia. While staying at a local motel, some thieves stole most of Morgan's belongings and police later found Morgan's books in a nearby canal.

He is married and has one child, a boy. He lives at 1355A Palm Avenue.

Spring AWS Officers Installed At Annual Installation

Carol Barsotti, AWS president, installed the new spring semester officers of the Associated Women Students at an installation dinner at the Hut Wednesday.

Miss Barsotti was installed January 20 by Ellen Tally, the outgoing president.

The installed officers are Sandra Civiello, vice president; Deolinda Farrant, secretary; Genny Schellenberg, treasurer; and Angela Renna, historian.

The appointed committee chairmen are Agnes Aragon, welfare; Kathryn Bottasso, decorations;

Joan Blasco, publicity, Bobbie Burton, social; and Eleanor Franco, publications.

Mrs. Hazel Pedersen, women's

physical education instructor, and Mrs. Caryl Houck, home economics instructor, are the advisers for the AWS.

DARLENE HORCH
... librarian

Horch Has Worked At FJC Four Years

One of the people who works the hardest at FJC is twenty-four year old, brown-haired Darlene Horch. At present she is the assistant librarian and has been working in the library for the past four years.

Some interesting notes on Darlene are that she was a Central Union High graduate and attended FJC as a member of the first class in 1948, majoring in English.

Her hobby is collecting records. One of her favorite singers is Eddie Fisher, and her favorite song is that current hit, "Melody of Love."

Being a librarian, she has a chance to look over many good books, and although she doesn't particularly like Mickey Spillane, she doesn't have any other likes or dislikes or perferences in reading except to read what is good.

Her favorite eats are fried chicken and ice cream.

LIKES BALLETS

Darlene likes ballets, and goes to practically all the interesting events that take place in Fresno. The movies best liked are "Deep in My Heart," a musical, and "Bridges of Toko Ri." Favorite TV shows are "Climax" and "Studio One."

Darlene says that she likes working in the FJC library and that the faculty and the students are all swell. The only gripe she has to register is: "There aren't enough supporters out for the basketball games."

Two Students Make All A's

During the fall semester only two full time students here at FJC made a straight A average. They are Mrs. Gertrude Randleman of Lemoore, who made A's in six vocational nursing subjects, and Mrs. Shirley Smith of 3830 Olive Avenue.

Mrs. Smith, who is preparing to be a registered nurse, had A's in five subjects, microbiology, dietetics, psychology, sociology, and anatomy and physiology.

Waneta Jantz had all A's except two B's, including one in physical education.

Ticket Sale Will Aid Scholarships

Karlo Demoorjian, student body vice president, announced that 232 Fox Theater tickets at junior prices were sold to raise money for scholarships.

Fresno Junior College received \$116 for the use of these scholarships.

He said it has not been decided what kind of scholarships will be given, but the money will probably be divided up into four or five small scholarships. This decision will be left up to the student council committee, which consists of Boyd Deel, chairman Carol Barsotti and Wilma Koenig.

Council Has New Suggestion Box

The FJC student council has placed a suggestion box in the main hall

Karlo Demoorjian, student body vice president, said the box is for the benefit of all students who wish to make formal complaints

"If we only get one complaint a week," said Demoorjian, "it will be well worth the effort. I know that there are numerous men and women here, including myself, who will appreciate and utilize this convenience."

FUTURE BUSINESS LEADERS—The Fresno Junior College chapter of the Future Business Leaders of America has initiated 27 new members. They are, left to right (kneeling), Nicholas Flores, Roland Lyon, Duane Blakeman, Wesley Goodall, Eugene Johnson, Ronald Owen, Donald Conner, Dennis Essex, Laurence Hackett and Alfred Boutte; (standing), Albert Ereman, Lola Casteel, Lois Heinrichs, Carol Hart, Marlene Murphy, Carol Hill, Frances Sample, Josephine Quintana, Theresa Mayberry, Lydia Fhy, Virginia Taylor, Ruth Garcia, Emma Galindo, Eleanor Franco, Janice Horne, Joanne Trogon and Albert Salcido, Jr.

Future Business Leaders Club Doubles Membership

The Fresno Junior College chapter of the Future Business Leaders of America last night doubled its membership when officers initiated 27 new members in a 7 p.m. ceremony in FJC's Ramble Inn.

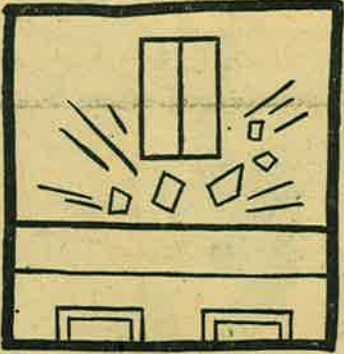

The officers said the additional membership makes the chapter the largest club on the FJC campus.

The ceremony followed the chapter's first annual Color Week, when the pledges were required to wear colored badges identifying them as applicants for FBLA membership.

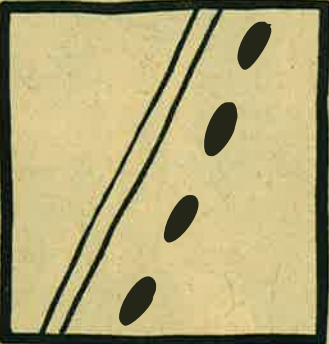

In charge of the initiation ceremony were the spring semester officers, installed last week. They are Shirley Upperman, president; Gerald Norse, first vice president; Barbara Wilkinson, second vice president; Louella Williams, secretary; Patricia Cetti, treasurer; Genny Schellenberg, historian, and Ann McElwain, reporter.

IN THE DARK about which cigarette to smoke? Take a hint from the Droodle above, titled: Two searchlight crews, one asleep, one enjoying better-tasting Luckies. Your search is over when you *light up* a Lucky. You'll find out why college smokers prefer Luckies to all other brands, as shown by the latest, greatest college survey. Once again, the No. 1 reason: Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So, enjoy the better-tasting cigarette . . . Lucky Strike.

Rams Emerge With 12-0 Record

Johnson Shatters Green's Record With 664 Points

Fresno's slick forward, Odell Johnson, has broken the school scoring record set by Harvey Green last season. Johnson has a total of 664 points with a 24.6 average, going into the state tournament. Johnson is second high scorer in league play with 295 points, led by Danny Heinrichs of Reedley with a staggering total of 307 points.

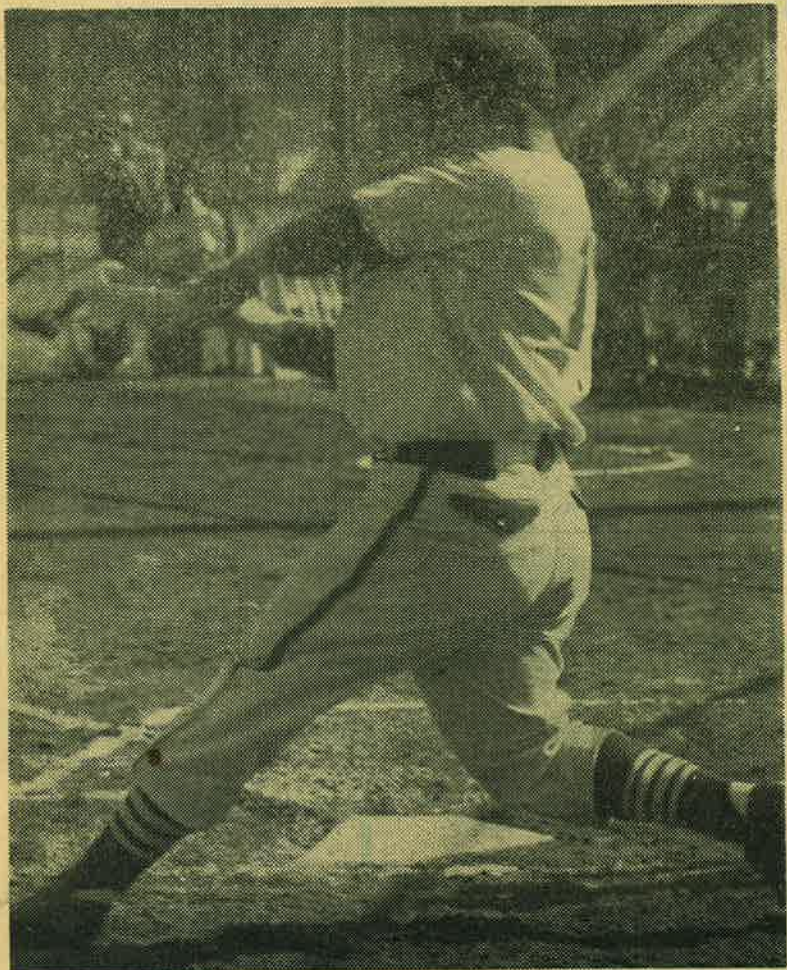

The Rams, sparked by the busy Johnson, have frolicked their way into the winner's circle again this season by downing the Porterville Pirates, Coalinga Falcons, College of the Sequoias Giants, and, in the last game of the season, the Reedley Tigers.

Kelly's crew had things their way in the Porterville and Coalinga games, scorching the two teams 100-72 and 111-53 respectively. In the crucial game with the over-rated COS Giants, the Rams breezed away at the start of the game and were never touched throughout the game. It was a very discouraged and somewhat surprised group of Visalians when the final buzzer sounded last Saturday night.

The Reedley Tigers were an easy victory the following night in the Yosemite Junior High School gymnasium as the Rams toppled the Tigers, 73-58.

"As far as I'm concerned," said Coach Kelly, "my boys will be well up for tonight's game."

The Rams will meet the Los Angeles Valley Monarchs tonight at 9 on the Roosevelt High School boards.

CHARLES RATLIFF, who plays first base on FJC's baseball nine, is shown above hitting one of those sure ones. Ratliff also played on the squad last year.

McCarthy Has Large Turnout; Starting Nine Still Undecided

Coach Ray McCarthy stated that the Fresno Junior College baseball team had the largest turnout since the history of the school for the baseball season. He also said that positions are still being contested and that the starting team has not yet been decided.

Tennis Team Plans April League Meet

The FJC tennis team will host the league meet, which will be held in April. The league members are College of the Sequoias, Reedley, Porterville, Coalinga, and Fresno Junior College.

Dean Larsen, tennis coach, said that the intra-squad tournament will start Monday and will continue through the week.

Reedley College has started its practice contests, with games against high schools in the valley.

Porterville also has been playing practice games. It played College of the Sequoias last Tuesday.

College of the Sequoias has a very strong tennis team and may prove to be rather a hard team to defeat.

The coach said the FJC squad needs to get into shape, but they should look like tennis players when they play their first league game March 28.

Larsen said he would like to have all students who are interested in tennis to contact him.

The players are practicing each night after school at the Dickey Playground and at Roeding Park.

FJC's first league game will be Friday against Coalinga at Romain Field. It will start at 2:30 p.m.

The team has a five man pitching staff consisting of James Call, John Troxel, Tony Fragus, Elton Willis and Don Birkle. Willis is the only returning pitcher from last year's team.

Returning lettermen are Charles Ratliff at first base; Ed Fogal, a returning letterman from the service, plays first and second base; Jack Handjiann, second base; and Elton Willis, pitcher and outfielder.

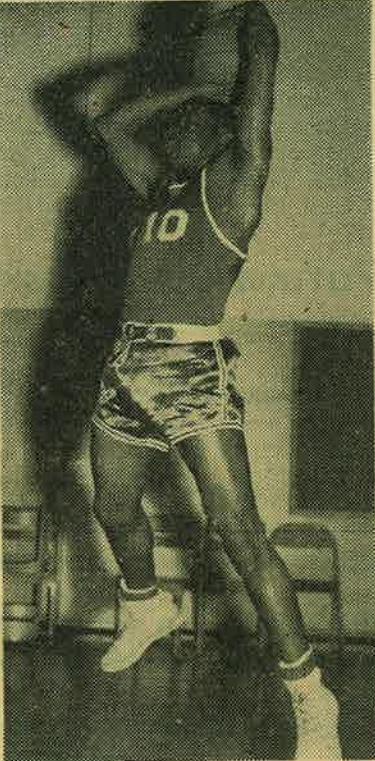

McCarthy thinks that the returning letterman along with the first year men go to make what should be FJC strongest baseball team in the last four years.

FJC has a 35 game schedule. So far this season the team has played eight games, winning three and losing five.

All of FJC games will be played at Romain Field. It is located on Orchard and Thomas Streets. The field has been reconditioned, and there have been new bleachers installed.

McCarthy said that the team would like to see more students show up for the games.

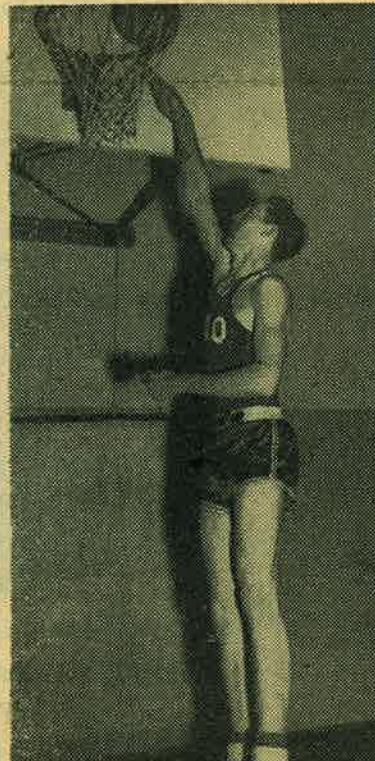

The Rams have 19 games plus the Bakersfield Tournament, April 7 and 9, remaining on the schedule. Next game after Coalinga will be against Fresno State College junior varsity in the new college ball park, March 11 at 3 p.m.

The FJC baseball nine opened their season with a 7-2 defeat by the Fresno State Jayvees. Coach Ray McCarthy used 25 men during the game.

PIRATE-RAMS SPLIT

The Rams traveled to Modesto February 15 and split a doubleheader with the Pirates. The Rams took the opener 6-5, but came back to suffer defeat by a 10-4 score. FJC won the opener on a run pushed across in the final inning of the game.

NINE TAKES FIRST

The FJC nine again split with the Pirates on February 23, as they blanked Modesto 4-0 in the opener, but the Rams lost the second 15-1.

RAMS SPLIT WITH GADES

The Bakersfield Renegades won the first game of a doubleheader Friday by the score of 9-7, and the Rams took the second 6-3. The second game was called at the end of the fourth inning because of an agreed time limit. The Rams pushed all six runs across in the second game during the first inning.

STOCKTON EDGES RAMS

The Stockton baseball nine edged the Rams Tuesday by a 9-8 score, despite five runs that the Rams picked up in the ninth inning.

Degree Candidates Will Get Diplomas In June

tin will be mailed after April 1 to participants who have made the deposit. The bulletin will contain specific plans for the commencement exercises.

The 120 includes William Reeves, who completed graduation requirements five years ago in the spring semester of 1950, but who has just decided he wants to be a candidate for the junior college's associate of arts degree, and Charles Becker, who completed requirements a year ago, but who has now decided he wants a degree.
