2:40- 2:55	Coffee Break .....	Cafeteria
3:00- 4:00	General Assembly .....	Main Auditorium
4:00	Adjournment .....	

### Fresno JC Will Host CCJCA Convention Saturday At Roosevelt High School

Approximately 175 delegates and boosters will gather in Fresno's Roosevelt High School auditorium this Saturday for the Central California Junior College Association's spring conference.

The Fresno Junior College will be the host.

They will include the annual central regional spring meeting of the California Junior College Student Government Association and a conference of administrators of the nine junior colleges in the CCJCA.

Delegates and administrators are expected from the following schools: Fresno Junior College, Taft Junior College, Allan Hancock College, San Luis Obispo, College of the Sequoias,

Bakersfield College, Coalinga College, Reedley College, and Porter-ville College.

Dr. Rolf Ordal, history instructor at FJC, will be the main speaker. His topic will be "Vistas of a Distant Future."

Fresno will send 43 delegates and students to the conference with six from Fresno State College—Dr. A. L. Lang, Dr. Arnold Joyal, Dr. Mitchell P. Briggs, Dr. Forrest Brown, Dr. Irwin O. Addicott, and Wilma Wight—as the guest of the FJC administration.

#### FJC Delegates

The FJC student council has appointed students to be the official delegates to the student section workshops.

Al Salcido, Jr., president, of the student body, and Karlo Demoorjian, vice-president, will represent FJC at the student government workshop.

Others chosen to attend student section workshops are Odell Johnson, finance; Barbara Wilkinson, publications; Thomas Flores, athletics; Wilma Koenig, rallies and assemblies; Carol Barsotti, AWS; and Boyd Deel, AMS.

#### Dean Lee

Dean Lee is the president of the central region and vice-president of the state student government association. Gladys Popp is the secretary to the state coordinator, who is Joe King, FJC instructor, whose class — conference leadership — is putting on the conference.

The conference will begin at 9:30 a.m. and will conclude at 4 p.m.

G. A. Reimer, director of Reedley College and president of the CCJCA, will preside, and President Stuart M. White of FJC will welcome the delegates. Garlyn A. Basham, director of Taft Junior College and the association's vice-president, will be toastmaster at a luncheon meeting.

#### Full Schedule

The conclave will include morning and afternoon workshops for students and administrators, a meeting of the student body presidents of the nine colleges, and an orientation session for students, arranged by Taft Junior College.

The registration fee for the delegates is \$2.

Lee has appointed committee chairmen for the conference. They are Richard Fendorak, entertainment; Joe Marcelli, transportation; Odell Johnson, registration; Jan West, reception; Nedra Looney, material; Ann Nelson and Ellen Tally, secretarial; Lynn Rice, food; States Hines, program; and James Ringer, follow-up.

King said anyone interested in student government is welcome to attend any of the section workshops.

DR. ROLF ORDAL  
... main speaker

DEAN LEE  
... conference president

### Fourteen Students Join Alpha Gamma Sigma

Fourteen members were initiated into the Alpha Gamma Sigma Scholarship Society in an impressive and beautiful candlelight ceremony last Friday night in the Ramble Inn.

President Joe Marcelli, assisted by Vice President Howard Drake and Treasurer Coralyn Sherfey, initiated the new members. The new initiates entered the Ramble Inn in single file and formed a semi-circle. President Marcelli gave a welcoming speech, and Dr. Rolf Ordal, adviser, congratulated the initiates.

The ceremony began with the president reading the eighth chap-

ter of the Book of Proverbs, explaining the attributes of wisdom. Then each member came forward to receive a lighted candle symbolizing the torch of knowledge and a white rose symbolizing purity and the official symbol of Alpha Gamma Sigma. A circle was formed and the initiates took the pledge to uphold the standards of Alpha Zeta Chapter.

Following the initiation, refreshments were served. Peach and almond blossoms with yellow daffodils and tall white taper candles in crystal candelabra formed the table centerpiece. Bouquets of spring

blossoms also decorated the piano and the initiation table.

Gladys Popp presided over the punch bowl, Nedra Looney presided over the coffee, and Drake Marcelli assisted in serving the members.

Wilma Koenig, accompanied at the piano by Helen Embry, entertained the initiates by singing "Un Bel Di" from the aria "Madame Butterfly," "Tango of the Roses," and "Goodly Things."

Card bingo was played during the evening and prizes were awarded  
(Continued on Page 4)

### Today's Rampage Is First Issue On St. Pat's Day

Begorra! Do you want to be really fortunate today without having to travel to the land of the Emerald Isle and kiss the blarney stone?

Well, here's how! Sure and begorra, today is St. Patrick's Day, named for that blessed slayer of dragons, big ones, gigantic ones and a few junior size.

And, coincidences of coincidences, today is also a unique event in the annals of the Rampage, whose editor and assistant editor, by another coincidence, are Irish; today is the only March 17th, St. Patrick's Day, on which a Rampage has ever been published during the many years of its faithful recording of life at FJC.

Need we say more? Since this is the only St. Patrick's Day Rampage in history, it must be a lucky omen, and this edition must be a lucky one.

Therefore, if you want to be lucky today, why just kiss the Rampage. (P.S. If you don't like this idea, there are always those Irish editor and assistant editor to substitute!)

### Border Patrol Exam To Be Given Tomorrow

The Immigration and Naturalization Service needs young men for the US Border Patrol. Prospective applicants should report to the Laboratory School Building at the Fresno State College tomorrow at 9 a.m.

Further information may be obtained from Paul Starr, dean of men at FJC.

FOURTEEN STUDENTS were initiated into the Alpha Gamma Sigma, FJC honorary society, Friday night. Shown above in the front row are left to right, Alfreda Barton, Barbara Wilkinson, Shirley McLaughlin, Olga Hernandez, Diana Buckland, and Carol Hart. Second row, left to right, Walter Torosian, Donald Combs, Edward Rische, George Thursby, Kenneth Larson, Sam Albanese, Raymond Hamilton, and Stanley Tusan.

Published weekly by the journalism students of the Fresno Junior College, 1430 O Street, Fresno, California, and composed at the Central California Typographic Service, phone 3-3001. Unsigned editorials are the expression of the editor.

## Welcome Visitors To Fresno; FJC Is Proud To Be Host

Welcome delegates, welcome to Fresno. We are proud that our school is host to this convention. Only two weeks ago Fresno JC was host to another important meeting also held at Roosevelt High School; this was the annual State JC Basketball Tournament which Fresno won.

This conference should make the people of Fresno take notice that no longer are we a small surviving social school, but a highly regarded junior college in California. This should make the people realize we are expanding, expanding to our limit, but still we have few complaints.

It is unfortunate that we cannot hold this conclave on our own campus, but still we offer you, the delegate, all the conveniences that we have. I am sure that you will enjoy the vist to the nicest auditorium in the San Joaquin Valley, in my opinion. In a few short years we may be host to this type of meeting again, and it may be held on our own campus; this will truly be a blessed event for Fresno Junior College.

So again I say welcome. May you enjoy this conference and be back with us again.

## Students Should Attend Assembly

On March 25, Fresno Junior College students will hear Louis J. Alber, a well-known orator, speak on the topic, "We Can Win The Cold War."

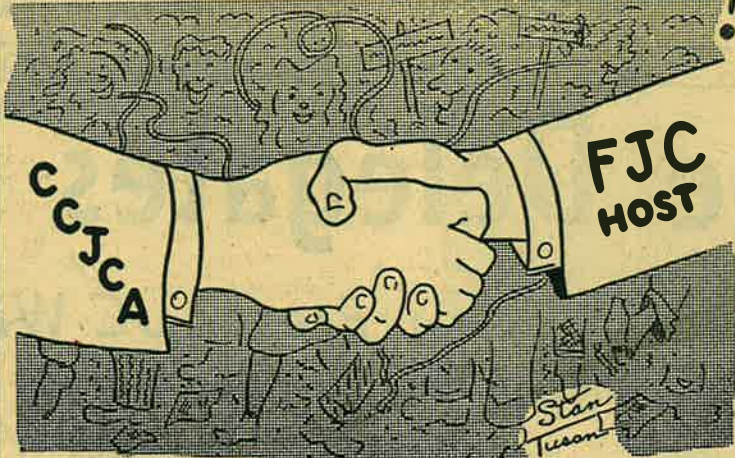

Alber is also a well-known author and foreign correspondent, and he should give an interesting talk that students will be interested in.

I would like to urge everyone of you to get on the ball and to attend this assembly at the Memorial Auditorium a week from tomorrow at ten o'clock. School will be let out for this assembly.

We are no longer children in high school, and so we should think of educational value as well as social functions. We are the Americans of today and will be tomorrow, but a true American takes time to find out how the government is being run, what the chances are for another world war, and other vital points that have to keep our American ways of life surviving.

I am sure you will enjoy this man and his speech. So I urge each of you to attend this assembly.

# WELCOME DELEGATES!

Government Confab.*

## Foreign Students Total 28 At FJC

Fresno Junior College has 28 foreign students registered for the spring semester, including 17 who are in this country on student visas.

Of the 17 students here on visas there are seven from Iran, six from Jordan and Palestine, and one each from Japan, Thailand, Guatamala, and the Philippines.

These student visas are granted to men and women of any country that can meet the requirements of the Immigration and Naturalization Service. They include:

1. Each student must have funds necessary to finance the cost of room, board, and school expenses or a friend in the United States who will be responsible for these.
2. They must fulfill the academic requirements of the school to which they apply.
3. They must submit two character references from people who know them.
4. A strict medical examination is also required.

## Owen Is Costume Winner

In the last issue of the Rampage in a Future Business Leaders story on page one, it was reported that Eugene Johnson won the best costume award at the FBLA initiation party held recently. The prize, however, went to Ronald Owen.

## Exchange Notes

By ELLA PAPAGNI

### Stockton JC

The Stockton Junior College presented a three act comedy last week entitled "Claudia."

"Claudia" was the first major dramatic production attempted so far this year by the SC students.

### Ventura College

Ventura College entertained a group of foreign students in a tour of the new college campus.

The students represented 26 different countries and finished a 11 day tour throughout California.

### Fresno State

The award winning Broadway hit, "Death of a Salesman," has begun a two week run at the Fresno State College.

## CALENDAR OF THE WEEK

March 17

Interclub Council S10  
Phi Theta Kappa B1

# Tennis Now Added To FJC's Spring Athletic Program

The Fresno Junior College has organized the first competitive tennis team in the history of the school. Coach Dean Larsen said the squad, which is composed of men and women, plan to play conference matches in the Central California Junior College Association with Porterville, Reedley, Taft, and College of the Sequoias. They also are planning a practice match with Coalinga Junior College.

## Nine To Play Against Taft At Romain

The Fresno Junior College baseball team will play two games before the next Rampage comes out.

The Rams will see action against Taft Junior College in a league contest Saturday at 2:30 here on the Romain playground and against Sacramento JC Tuesday in Sacramento at 2:30 p.m.

The Rams have reached the top in football and basketball but have yet to win a baseball title.

Tony Fargus and Elton Willis are returning pitchers, but Coach Ray McCarthy will count on freshmen John Troxel from Fresno High; James Call, Edison; and Don Birkle, Central High, for mound duty.

Sacramento's infield and outfield positions were hit hard by ineligibilities, but the team found able replacements in every position.

Sacramento has only two returning lettermen—Jim Champas and Gene Marbry—both pitchers.

## FSC Jayvees Win By 5-4 Score

The Fresno Junior College ran into trouble and lost a heart-breaker to the Fresno State College junior varsity, 5 to 4, last Friday on the new FSC campus diamond.

The Bullpups collected only three hits but made the most of three errors and 13 walks by the Ram pitchers.

Don Birkle pitched fine ball for the Rams except for his wildness. Birkle walked 12 batters. Tony Fargus took over in the eighth.

Ed Fogal, second baseman for the Rams, got the lone extra base hit of the game with a home run in the seventh inning, scoring Elton Willis ahead of him.

Each team came up with two double plays.

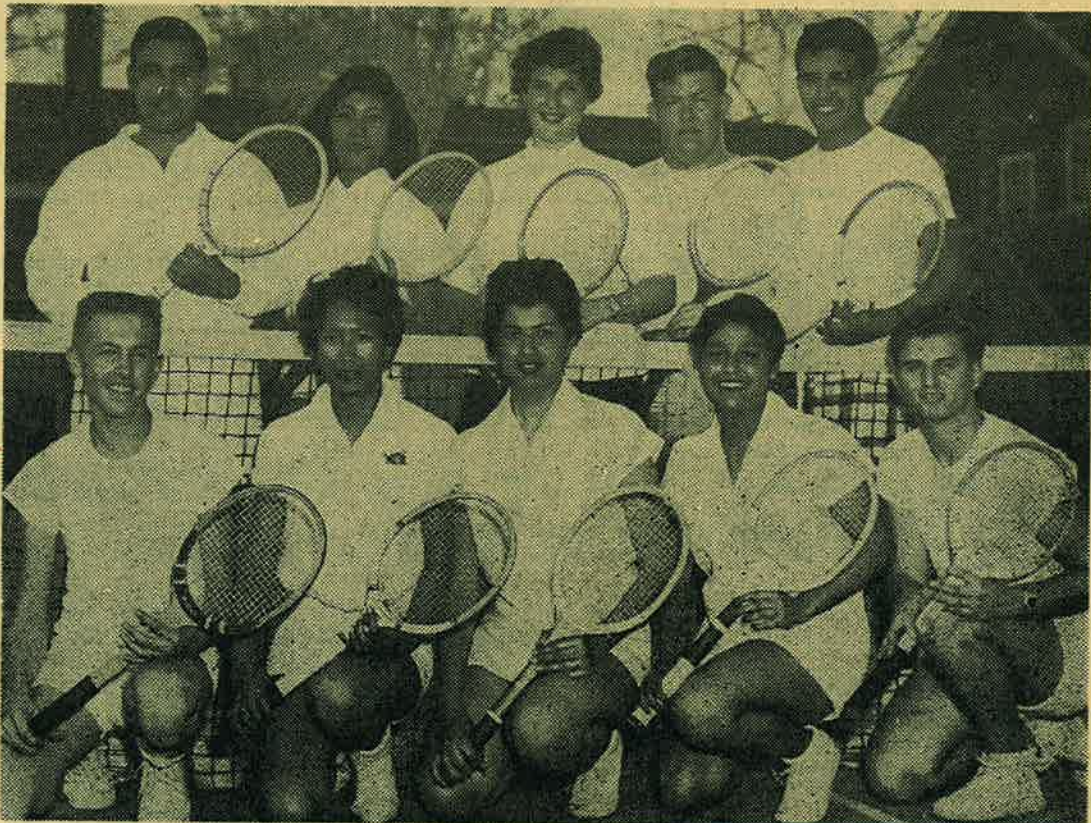

The Rams collected seven hits, but they were well scattered to do much scoring.

## LUCKY DROODLES ! GET 'EM HERE !

WHAT'S THIS ? For solution see paragraph below.  
Droodle suggested by Norman Gerber, C. C. N. Y.

HAVE A LITTLE FUN when you smoke. Enjoy yourself. Give yourself the pleasure of a better-tasting Lucky Strike. The enthusiasm often inspired by Luckies' famous better taste is illustrated in the Droodle (right) titled: Alphabet soup for Lucky smoker. So why *stew* over what cigarette to smoke? Luckies' taste is *letter*-perfect. After all, L.S./M.F.T.—Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco

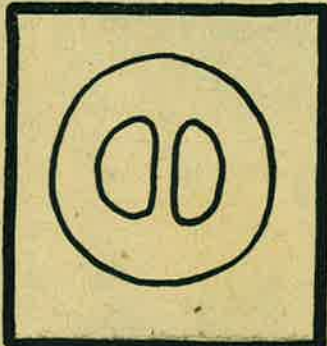

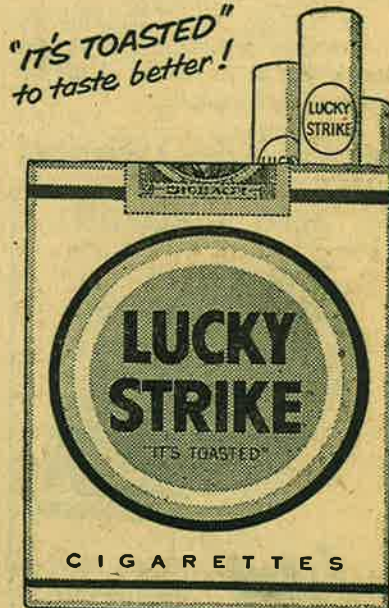

to make it taste even better... cleaner, fresher, smoother. When you light up, enjoy the better-tasting cigarette... Lucky Strike.

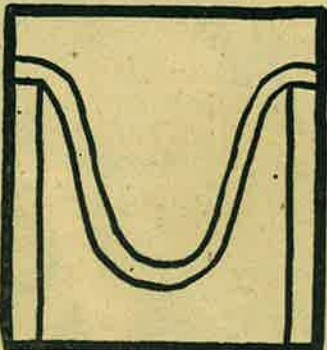

### STUDENTS! EARN \$25!

Lucky Droodles\* are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So, send every original Droodle in your noodle, with its descriptive title, to Lucky Droodle, P. O. Box 67, New York 46, N. Y.

## Council Gives Response To Suggestions

The student council has received some response from the suggestion box that was put in the main hall this semester.

The questions appear below with the answers given by the council.

One student asked if it would be possible to keep coffee in the Ramble Inn after 2 p.m.

This involves some difficulty due to the fact that the employees leave at 2 p.m.

Some student enquired about having a juke box in the Ramble Inn.

This has been tried before, but it disturbs too many of the nearby classes since the present Ramble Inn isn't soundproof.

The question was brought up "Why isn't the library a little quieter?"

Jackson Carty, the librarian, feels the library is kept as quiet as possible under the circumstances. A student council member, Gladys Popp, will look into the matter and consult the librarian.

"What happened to the petition to change the name of FJC to Fresno City College?" was found in the box.

Members of the student council said that the required number of signatures were not obtained, and the petition is no longer being circulated.

Karlo Demoorjian, Joe Marcelli, and Barbara Wilkinson, student council members, are in charge of the suggestion box.

Students who have any suggestions may place them in the box in the main hall.

## 14 Students Join Honorary Society

(Continued from Page 1)

to Sirje Vathra and Raymond Hamilton.

Those initiated were Sam Albanese, Alfreda Barton, Diana Buckland, Donald M. Combs, Carol A. Hart, Hamilton, Olga Hernandez, Shirley McLaughlin, George Thursby, Walter George Torosian, Stanley Tusan, Barbara Wilkinson, Kenneth Larson, and Edward Rische.

Meanwhile, Dr. H. Brett Melendy, adviser of FJC's Theta Beta chapter of Phi Theta Kappa, the national junior college scholastic honorary fraternity, said the group met today at 11 a.m. in Bungalow 1 to accept 11 new pledges as potential members and to arrange initiation ceremonies for them.

The Phi Theta Kappa initiates include Anne Bergman, Theresa Magdaleno, Tusan, Hamilton, Miss Hernandez, James H. Cedarquist, Gerald Willhite, Robert Ortega, Eugene R. Durbano, Waneta Jantz, and George H. Thursby.

Dr. Melendy, Dan L. Eckland, Jr., the chapter president, and Charles Etter, will be in charge of the initiation arrangements.

## Foreign Correspondent To Talk At Special Assembly

By JERRY HICKS

Fresno Junior College is honored to have obtained the service of the most distinguished, Louis J. Alber, a man not only noted for his oratory ability, but also a renowned author and foreign correspondent.

He will speak at the Memorial Auditorium March 25 at ten o'clock. School will be let out for this special assembly.

Alber has traveled more than 100,000 miles in 37 countries of Europe, Asia, and Africa. He has spent more than six months east of the Iron Curtain, and he has studied the techniques used by Russia in waging the Cold War.

He has covered the Middle East, one of the most important strategic areas in the world, and talked with people who rank from prime minister to coolie in the countries he has visited.

Alber is noted for reporting facts as he finds them, and not as he is directed to report them. He has reported these findings in the past to the Cleveland Plain Dealer and the North American Newspaper Alliance, which serve some 60 news-

papers in the United States and Canada.

The topic of his speech, "We Can Win The Cold War," presents a ten-point program of action that the student, or anyone interested in retaining our form of democratic government will find useful in aiding the fight for our side against the communists in this undeclared piece-meal, global war.

A few of the questions that are answered in his speech are: What are Russia's plans for seizing the Middle East? Will there be more Koreans? What of the Communist advance, and what is its goal?

Alber's ability to see the answers to these questions and the experience that he has obtained make his presentation of the international picture both clear and effective. While one might find his program drastic, one would also find that it makes sense. At any rate it will make good listening and couldn't be counted as lost time to any voter or future voter who might be deciding these issues at some time in the not too far future.

DEL SPEAKS

## Delbert Speaks 'Likes 'Em All'

Delbert Speaks, a product of Topeka, Kansas, has been equipment manager at FJC for the past six years. Before beginning his joyous tour of duty here, he put in a 10 year stretch at Edison High School in the same capacity.

"I like 'em all," said Speaks, as he was asked which sport he preferred. "I think that the athletic administration at FJC is great."

## 'Not Enough,' Moans Hans

By SID COWAN

We sure did hit the ball in football and basketball this year. I should think a school that excels in so many sports would take a more active interest in track.

Starting this year, if the students in this school would loosen up and produce a half-way presentable track squad, the contagiousness of the spirit would carry on from year to year, and before we realize it, the shelves in the main office would hold even more trophies.

I would like to sing out a little praise for the handful of men that took time to try out for track. Frank Fiorentino is causing a few appreciative heads to turn to the discs and shot put rings. Working at Fiorentino's side is Gene Barnes, another strong potential in the weight division.

Performing the leg work for the Ram tracksters are Ray Edwards, sprint and broad jump; William Tatum, high jump; John Mazzio and Delmar Moore, milers; Eddie Young, 220 and high hurdles, and Ron Lewis, 440 and 880.

"There's simply not enough fellows out for track this season," said Coach Hans Weidenhoefer.
