

Louis Alber To Talk At Assembly

Correspondent To Speak At All-School Conclave

Louis J. Alber, an author and a foreign correspondent, will speak to an all-school assembly tomorrow at 10 a.m. in the Memorial Auditorium on "We Can Win the Cold War."

This will be the first assembly of the spring semester.

He will outline a ten-point program for wresting the initiative from the Soviets, based on his experiences studying Communist techniques in 37 countries of Europe, Asia and Africa.

Alber has made a 30-year study of Soviet Russia and the Communist movement throughout the world. He has traveled over 100,000 miles abroad since World War II to study Soviet tactics in the countries where the Reds have succeeded in taking over the control of the government.

He has covered the Middle East and talked with people from prime minister to average person in the countries he has visited. Alber spent six months in the Iron curtain countries.

He is noted for reporting facts as he finds them; he reported these findings in the past to the Cleveland Plain Dealer and the North American Newspaper Alliance.

Some of the questions that are to be answered in his speech are: Will there be more Koreans? What are Russia's plans for seizing the Middle East and Asia? What of the Communist advance, and what is its goal?

White's Message

"We are fortunate to have such an experienced commentator speak to an FJC assembly, and we hope all faculty will be present, and we ask that all of them urge their students to attend," said President Stuart M. White.

There will be no classes during the 10 a.m. period tomorrow, and the Ramble Inn will be closed.

The special assembly was arranged by Miss Willa Marsh, the dean of students.

Demoorjian Picks New Committee

Karlo Demoorjian, student body vice president, is spokesman for the election committee. His committee is composed of Sam Albanese, Nedra Looney, Everett Saghatelian, Alfred Copus, and Wilma Koenig. Sponsors are Miss Willa Marsh, Dr. Rolf Ordal, and Floyd Quick.

Dates which will be important to candidates and voters are:

April 11-15—Candidates secure petitions and eligibility slips from Mrs. Lena Fuller, FJC registrar.

April 15 & 18—Election committee to approve eligibility of candidates and schedule campaign requests.

April 19—List of approved candidates will be posted.

April 19 through May 9—Campaigning, publicity. Election committee must OK poster space and campaign plans.

May 3—Nomination assembly at 11 o'clock in Memorial Auditorium.

Coralyn Pattison Speaks To Future Business Leaders

Mrs. Coralyn Pattison, a member of the National Office Management Association and owner of a local employment agency, spoke to the Future Business Leaders of America Thursday.

Mrs. Pattison told the students about the style of dress and mannerisms which the interviewer looks for when interviewing a prospective employee.

As a result of a questionnaire sent to one hundred businessmen

House Project Nears Finish

FJC's building trades classes have nearly completed construction of a two bedroom house at Tolumne and Q Streets. This project, which was started a year ago, has been under the charge of Merle Sons, the carpentry and mill cabinet instructor.

The house will be sold to the highest bidder and moved from the lot that it was built on as soon as the interior painting is completed and fixtures are installed.

The construction work was done by the 19 students in Sons' carpentry class. Students in his mill cabinet class built cabinets and walk-in type closets.

Students in home economics selected colors, and the mechanical drawing class made drawings from plans furnished by Sons.

The only work that was not done on the house by students includes the plumbing, sheet metal installation, and tile setting, which was done by contractors.

Sons said the project is designed to give students practical experience in carpentry, home planning and construction problems. He said the emphasis is on careful workmanship and sound building practices rather than on rapid construction or profit-making short cuts.

Exams Are Set For Next Week

The Fresno Junior College spring mid semester examinations will be held from Monday, March 28, through Friday, April 1.

Teachers will announce in their classes the exact date of the test.

President Stuart M. White of FJC said the instructors will file mid semester grades with Mrs. Lena M. Fuller, the registrar, by April 5. Mrs. Fuller announced instructors will release grades to students by that date.

FJC will have only one other grading period which will come at the end of the spring semester after students take final examinations. Final examinations will be given June 6 to 10.

The FJC holidays for the rest of the spring semester will be the Easter vacation, April 7 and 8, and Memorial Day, May 30. The junior college will only have a two day vacation for Easter while the other schools in the Fresno City Unified School District have an entire week, for FJC had three days between semesters.

in the Fresno area, Mrs. Pattison said, every one of those hundred businessmen said they did not approve of the pony tail hairdo or flats worn in the office. She also said that they would not hire an applicant who smoked while being interviewed although the interviewer had offered him a cigaret.

Mrs. Pattison said no person can hope to obtain an office position without a minimum of two years above high school in education.

Ringer Elected President Of Student Government

Jim Ringer will be the president of the California Junior College Student Government Association for the fall semester. Ringer was elected by the Fresno Junior College student council Tuesday.

Joseph W. King, the association state coordinator and FJC student council adviser, said the council selects the state president because FJC will be host to the state conference in the Hotel Californian, November 17 to 19.

King said the selection of the student state secretary will be at a later date.

Ringer will be installed at the spring state conference in Riverside April 21 to 23.

The student representatives to the Riverside meeting were also selected at the same time. They include Ringer, the council's parliamentarian; Dean Lee, state vice-president of the CCJCSGA; Al Salcido, student body president; Karlo Demoorjian, student body vice-president; Gladys Popp, student body secretary; Wilma Koenig, a representative at large; Bob Bangs, freshmen president, and States Hines, association state student coordinator.

King will accompany them to the conference which will be held in the Mission Inn. Junior colleges that are members of the eastern conference will be hosts.

King announced that Governor Goodwin Knight has been invited to the fall conference in the Hotel Californian, November 17 through 19.

Budget Forms Must Be In Tomorrow

Miss Willa Marsh, dean of students, warns all student body sponsored organizations that the fall budget forms must be in by tomorrow.

The approved budget for the spring semester is \$7,287.20. The budget last fall was \$10,307.50.

Delegates Meet As Fresno JC Hosts Convention

The delegates of two junior college associations concluded their sessions late Saturday after a series of workshops hosted by FJC at the Roosevelt High School auditorium.

The conference was opened with a speech by Dr. Rolf Ordal. In his talk, 'Vistas Of The Distant Future,' Dr. Ordal told the delegates that this country faces a bright future if its citizens zealously protect the civil rights of all Americans.

BASHAM ELECTED

The Central California Junior College Association, which is made up of junior college administrators, elected Garlyn A. Basham, the director of the Taft College, president. He succeeds G. A. Reimer, the director of the Reedley College.

William Haupt, the dean of Allan Hancock College, was chosen vice president to succeed Basham.

DISCUSS PROBLEMS

Several Fresno State College representatives discussed mutual problems with the junior college officials. The topics included students intending to teach, those planning upper division work, and a standardization of grade points.

The Central California Junior College Student Government Association chose College of the Sequoias as their meeting place next fall. They also passed on a proposed constitution and made a number of recommendations to present at the state conference next month in Riverside.

Dr. Ordal, in his speech, said there is an "insidious group that whispers, 'Let us not maintain these civil rights for all Americans; let us make exceptions of a few.'"

He said this group attempts to use a single test to determine Americanism. This test is a person's reaction to Communism.

Such tactics, he warned, might easily destroy the citizens faith in the constitution and the rights of the people.

Dr. Ordal advised; "Stand up on your own feet and say, 'I have rights. My father and mother have rights. My grandparents had rights. Americans always have had rights'."

"If we will but live up to the traditions that are ours, if we will but think and act with a decent respect for the opinions of mankind, the future vistas take on a luminous brilliance that is blinding to contemplate."

Rampage To Hold Annual Banquet

The student newspaper staff are making plans for their third annual Rampage journalism banquet to be held on May 31 in the Antique Room of the Desert Inn.

The Rampage has invited the Rambler, yearbook staff, to have a joint banquet with the newspaper staff.

Mary Fiorentino and Ella Pagnani, Rampage staff members, are assisting in the arrangements.

Students Cringe As Tortuous Mid-Term Preparations Begin

Students no longer smile as they walk between classes, they no longer laugh at a lame joke; all signs of happiness have disappeared from the Fresno JC campus; the inevitable monster, "Mid-term" looms ahead.

The mere mention of mid-term sends students quivering to their books, trying their best to soak up the knowledge held by the pages. A faint glimmer of hope remains for those who have burned the midnight oil during the past seven weeks. For those who felt that studying should be left for later, a quick death would be merciful.

Time Lapse

At last, operation exam is under way. Students with well-filled pens and well-sharpened pencils cringe in their seats as the teacher passes out the well-prepared exams. One by one, the shaking students put their names on the paper and begin the test.

Beads of perspiration break out on the students' foreheads, pens leak, and pencil points break. The teacher looks smugly on as each face beams with a dedicated look.

The End

Minutes tick swiftly by, and the hour is spent; the test is over; the crisis is past. Only one student has suffered a heart attack; a few walk out dazed and gibbering, and the others? Oh, well, the course was lots of fun the first time; it should be worth twice as many laughs the second!

Candy Sale Is Successful For Latin Club

Thomas Gonzales, assistant chairman of the Latin American Club, said that the candy sale turned out to be a success last Friday noon, March 18.

The Latin American Club members also formed new committees within the club.

Some of the new committees formed are Social Activity Committee, Nick Flores, chairman; and Gonzales, assistant chairman; Food Committee, Mary Castillo, chairman; and Theresa Mayberry, assistant chairman. Gonzales is commissioner of public relations.

Students Enter Contest

Shirley Upperman, president of the Future Business Leaders of America, and Barbara Wilkinson, second vice president, will compete in a speaking contest with representatives from other junior colleges.

Phi Theta Kappa Holds Initiation

Twelve students were initiated into Phi Theta Kappa, the national junior college scholastic honorary fraternity, Tuesday in B-17.

The members qualified by making at least a B average or better for a minimum of 15 units during the fall semester.

The ceremony was conducted by Dan L. Eckland, Jr., the president; Charles Etter, and Dr. H. Brett Melendy, the adviser.

Those initiated were Anne Bergman, Theresa Magdeleno, Stanley Tusan, Raymond Hamilton, Olga Hernandez, James Cederquist, Gerald Willhite, Robert Ortega, Eugene Durbano, Wajeta Jantz, George Thursby, and Frances Towery.

For solution see paragraph below.

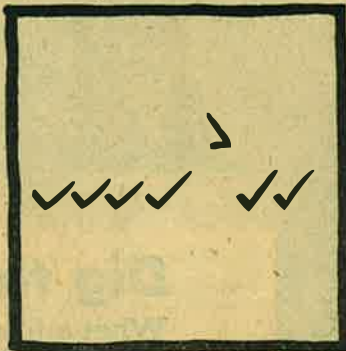

YOU'LL GET A BANG out of the Droodle above. The title is: Daredevil enjoying better-tasting Lucky just before being shot from cannon. Luckies are going *great guns* everywhere. The reason for their *booming* popularity is simply this: Luckies give you better taste. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—*tones up* Luckies' light, mild, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. Enjoy yourself when you smoke. Have a little fun. Light up the better-tasting cigarette . . . Lucky Strike.

JV's Tangle Set For Next Wednesday

The Fresno Junior College will play against the Fresno State College junior varsity Wednesday at the Romain Playground at 3 p.m.

The FSC JV's won the first encounter 5 to 4 when the Ram pitchers walked 13 men.

The Ram infield may have Ed Fogal, first base; either Jim Stanion or R. L. Benson, second base; Bob Walters, shortstop; Scotty Dickerson, third base; and big Charles Ratliff, catcher.

The outfielders will be Thomas Flores in center field, Don Birkle in left field, and Elton Ellis in right field.

Coach Ray McCarthy has Jim Call, Don Birkle, John Troxel, and Elton Ellis to choose from for his starting pitcher.

Rams Win In 6-3 Rout

The FJC baseball team won a 6-3 decision over Sacramento JC Tuesday in Sacramento. The Rams picked up a run in the first inning and added two in the sixth, and one run in each of the three remaining innings.

FJC SPORTS

By MARVIN LUTZ

The baseball team is getting off on a slow start even though they are improving right along. The records show that the team as a whole has not found its batting eye yet. I hope that they will find it soon if some wins are to be made. I have enough confidence in the club that I will see this come to pass.

One good thing is that the club has more depth in every position than it had since the 1950 season. Ray McCarthy and his aides should get the credit for doing a trying job so far. I hope to see some of you fans at the Reedley game this Friday afternoon in Reedley. This is a league contest.

Even though we lost to COS by a score of 11 to 2 last Tuesday and to Taft 5 to 3 Saturday, I think we can beat Reedley tomorrow afternoon.

Porterville beat Reedley 5 to 4 in 15 innings a couple of weeks ago. This should indicate that if the underdog Porterville club can beat them, we can too. We should not sell Reedley short by getting overconfident, but we should play our best game to produce a deserved win.

Squad To Play Pirates Today

The FJC tennis team will host the Porterville Pirates tennis team today at Roeding Park. The game time is at 3:30 p.m.

The team played the Roosevelt High School Rough Riders yesterday afternoon at Roeding.

Girls' Team Better

The Pirates are boasting a better girls' team than a boys' team. However, the FJC team is just getting off to a good start and with more practice, the team should make a good showing.

The Fresno students have been playing off a tournament among themselves. The first men results were Alfred Copus defeated Bob Cabral, and Stan Nielsen beat John De La Rosa. In the second round Larry Parker, who is now ineligible to play, defeated Copus and then in the championship playoff Parker downed Nielsen in three sets, 6-2, 4-6, 6-1.

Franco Defeats Bernabe

In the women first playoffs, Eleanor Franco beat Concepcion Bernabe, Elizabeth Florentino defeated Audrey Chilengarian, and Carol Barsotti won over Josephine Quintana. In the second round Barsotti defeated Franco.

Nielsen is the number one boy, followed by Copus, De La Rosa, and Cabral. Miss Mann is the favorite of the girls, followed by Miss Barsotti and Miss Franco.

The Fresno squad will play Porterville today at Roeding Park; Reedley, March 31 at Reedley; COS April 12 at Roeding, and Taft April 20 in Taft.

Taft Defeats Rams By 5-3

The Rams lost a league game to Taft College, 5 to 3, on the Romain Playground Saturday.

This was Fresno's third consecutive league loss in baseball.

Taft scored one run in the first inning and added three more in the third inning off the pitching of James Call.

Fresno scored a run in the third, eighth, and the ninth inning.

Tom Flores was the leading hitter for the Rams with three for four, one of them a triple. Charles Ratliff also had a triple for Fresno.

Fresno made 11 hits to Taft's 9, but they were well scattered to do any scoring.
