

# General Education To Move To FSC

## FJC Sets 4 Awards Of \$27.50

Four scholarships of \$27.50 each will be offered by the student council next semester to FJC students.

Two of the scholarships will be given to students who have attended FJC for at least one semester. The remaining two will be given to students who are entering FJC as freshmen.

One of the two scholarships is open to all students, and the remaining for work in student government.

### Rules Set

The qualifications for the scholarships are as follows:

1. The students must have a "B" average with a "B" average in the major field of study.
2. The student must be carrying a minimum of 15 units and must be a member of the Associated Student Body.
3. The money must be used for books, registration fees, and student body fees and supplies.

### Committee Planned

A committee will be set up by appointment of the student body president to consider eligible students in conjunction with the present FJC scholarship committee. The announcement of the winners will be published in the Rampage next fall.

If all the money is not used by the end of the semester, the balance will be used the following semester. If it is the last semester of the students, the money will revert to the scholarship fund.

MRS. MARGARET ROBINSON, president of the Fresno City Board of Education congratulates Karlo Demoorjian for his fine performance in last Thursday's assembly.

## Fall Officers Installed At Final Student Assembly

An installation assembly was held last Thursday at 10 a.m. in the Memorial Auditorium, where next fall's student officers were installed and students received awards.

Karlo Demoorjian presided over the final assembly of the semester, and Mrs. Margaret R. Robinson, president of the Fresno City Board of Education, presented permanent membership cards in the student body and pins to all the student body officers.

### Medals Presented

Four FJC students were awarded

with Red Key medals for their extra curricular activities.

They are Bob Baigs and Wilma Koenig for the freshman class and Nedra Looney and Joe Marcelli for the sophomore class.

The Red Key members selected the award winners after considering their scholastic and activity records.

Robert Moxley, president of the organization, presented the awards.

### Honorary Awards Given

The Alpha Gamma Sigma, California Junior College scholastic honorary fraternity, presented two awards to Dorothy Georgeson and Gladys Popp, permanent memberships in the fraternity.

The qualifications for the awards are that the member had to have a 2.3 grade point average and be a member for three out of four semesters.

Miss Georgeson has a 2.7 average and Miss Popp has a 2.3 average.

### Fashion Show

The Rambling Collegiates sponsored a fashion show, which preceded the installation assembly. Demoorjian was the commentator.

The show featured women's and men's attire of summer sports and vacation wear. The garments were furnished by one of Fresno's leading department store.

The models included Lois Henrichs, Mary Fiorentino, Marilyn Mann, Pat Treloggen, Ella Pagnani, Ann Nelson, Miss Looney, Diane Paschall, Joan Blasco, Dee Dee Farrant, Miss Koenig, Patty Pratt, Ray Edwards, Fred Hall, Jim Ringer, and Jim Meachem.

## Business, Trade And Industry Students To Occupy Local Campus

By CECIL THOMASON

What about the move to Fresno State campus next semester? Who will go and who will stay? Will the students have to travel between the two locations?

These are the questions that seem to be on everyone's mind at the close of this semester.

John Mock, general education division chairman, said with all the careful planning that has been done there should be few if any cases where students will have to travel between the two campuses. For this reason no transportation will be available.

### Courses Offered Here

Most of the general education division will be moved to FSC. There will, however, be enough general education courses offered here to take care of the other remaining divisions.

The general education subjects to be offered here are:

1. Psychology 7
2. History 17A-B, 2A-B
3. English A, 1A, AX
4. Speech 21
5. Biology 10
6. Physical education, men and women
7. All mathematics

Business, home economics, music, art, vocational nursing, trade and industry classes will remain here. The shop classes that were at the Edison High School this semester will remain there next year.

Mock said this move will be advantageous in that better laboratory facilities will be available. Most of the noon classes will be eliminated.

The library will be split into two sections to offer ample material to each location. There will also be a book store available to junior college students on the new campus.

New teachers are being hired to cover the expected growth. Twelve have been hired to date, including seven in the general education division.

Stuart M. White, FJC president, said, "Great care has been taken in planning this move so that it will best serve the needs and convenience of the individual student."

DR. LUCILE WILLIAMS  
... retiring

## Lucile Williams To Retire As Teacher After Long Service

Dr. Lucile H. Williams, Fresno Junior College sociology and piano instructor, will retire next month after 25 years of teaching at the junior college and its forerunner, the Fresno Technical High School.

Dr. Williams was born in Fresno, and graduated from the Fresno High School in 1906.

Her father, S. L. Hogue, one of the earliest settlers, came here from Illinois in 1874. He was the second teacher to teach in Selma.

### Has Four Degrees

The junior college instructor has four degrees from several colleges and universities, most of

## June 9 Is Set For Annual Commencement Exercise

By PATTI FORD

The Fresno Junior College will hold its seventh annual commencement exercises in the Roosevelt High School auditorium June 9 at 8 p.m.

President Stuart M. White announced the candidates for graduation will attend baccalaureate exercises in the First Presbyterian Church Sunday, June 5 at 5 p.m. The Rev. C. A. Morrow will talk on the "Wisest Fool."

Baccalaureate practice will be held Friday, June 3, at 12:10 p.m. in the First Presbyterian Church at 1550 M Street. Commencement practice will be held Tuesday, June 7, at 6:30 p.m. in the Roosevelt Auditorium.

### Committee Sponsors

The FJC commencement committee includes Miss Willa Marsh, Miss Kate Darling, J. Philmore Collins, and Howell Spencer.

Members of the Associated Women Students will be in charge of a reception for the graduates and their families.

Spencer is arranging the music for both exercises. The FJC choir will sing at the baccalaureate.

Paul L. Miller will direct the National Anthem. The Rev. John H. Morrow, pastor of the First Presbyterian Church, will give the invocation. The Fresno St.—ill sing "The

Blind Ploughman", and Wilma Koenig will sing an aria from "La Traviata."

### Two Student Speakers

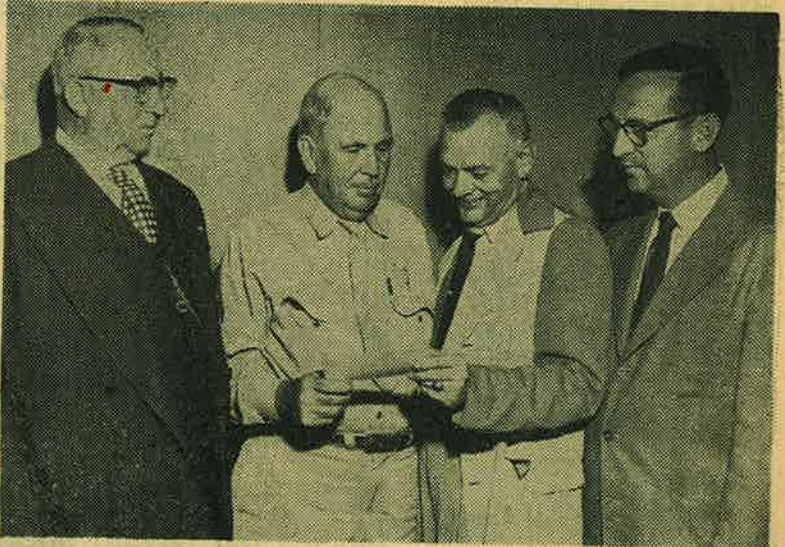

The two student speakers will be Dorothy Georgeson, who will speak on "A Unique Educational Service," and Dean Lee, who will talk on "Personal Views of an Education."

FJC President Stuart M. White will introduce the main speaker, Dr. Frank W. Thomas, president emeritus of Fresno State College, who will speak on "Our New Pioneers."

Dean James M. Malloch, a member of the board of education, will congratulate the graduating students.

Collins, the class sponsor, will present the class to White, who will award diplomas.

The 134 candidates for graduation include Richard A. Avakian, Aram Howard Azadian, Kenneth Leroy Bain, (Continued on Page 2)

THE MEN'S CLUB of the St. James Episcopal Cathedral has established two \$60 scholarships at the Fresno Junior College in honor of Dean James M. Malloch of the cathedral. Charles Fisher, the club president, appointed a committee to arrange the procedures for the scholarships. Shown above, left to right, are B. H. Delk, committee member; Fisher, Archie Brashaw, FJC scholarship chairman, and Jackson Carty, committee chairman.

## Editor Says Thank You For Rampage Final Issue

Since the school year of 1954-55 is coming to a close, it gives me a chance to express my gratitude to everyone concerned with Fresno Junior College. This gratitude goes to the administration, the faculty, to my news staff and to the Rampage's adviser.

I would also like to thank the Central California Typographic Service for their wonderful and outstanding service they have given the Rampage all year long.

Without the help of the aforementioned people, the probability of publishing the Rampage would have been low. We, the staff, have been proud of the fact that last semester we took a first class rating given by the Associated Collegiate Press.

The Rampage has tried to suit a combination of ages, personalities, types of people, and a hundred and one various tastes in reading material. These tastes have often gone unused and untried, but we have tried to live up to the standards that those before us have so faithfully and successfully set.

When the staff went to work last semester we were under the guidance of Mrs. Margaret Hernandez. Mrs. Hernandez, however, was forced to quit because of her health. This is when I was chosen as the chief. I was yet quite green behind the ears, as was the rest of the staff. However, with the help of everyone at the junior college, each and every member of the staff worked hard, and I mean hard, for without a working staff the paper is nothing.

We take pride in seeing the finished product in print—all the way from the copy to the dummy, to the page proofs, to the layout, to the printers, to the heads, to the final words in type. This type we have tried to make effective. During the past year we have undoubtedly stepped on someone, but it could well be that it was unintentional.

So with the closing words of my last editorial for the year, I would like to say that we have been proud to serve you, in our best possible way. May we have succeeded.

## Dr. Lucile Williams To Retire After Twenty-Five Years Of Service

(Continued from Page 1)

which were obtained during summer school.

She attended summer sessions in the University of Southern California for 20 years to obtain her master's and doctor's degrees. She took a sabbatical leave from 1947-48 when she obtained her doctor's degree.

Dr. Williams entered the University of California in Berkeley soon after her graduation from high school. She also attended the Whittier College, where she received her bachelor's degree in 1911, and the Fresno State College, where she received one in music. Dr. Williams joined the technical high school staff in 1929.

### Subjects Taught

Dr. Williams taught United States history, piano, music, and directed choruses and glee clubs for the high school. She has taught psychology in addition to sociology and music in the junior college.

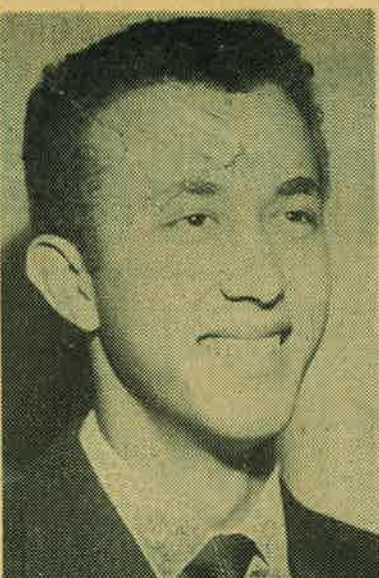

During her past 25 years of

teaching, Dr. Williams has been admired and respected by her students and colleagues for her wholesome ideals, interests in her students, and loyalty to her profession.

Although she is retiring from the teaching profession, she plans to continue studying Spanish, French, and German besides managing property left by her husband. She also plans to take lessons in painting china.

Dr. Williams said she plans to give private piano lessons and devote several hours to her new pipe organ with chimes, the only one in the San Joaquin Valley.

Her only memberships besides educational associations are in the First Presbyterian Church and the Raisina Chapter of the Eastern Star.

### Club News

## Flores Chosen New President

Tommy Flores of Sanger was elected president of the Associated Men Students last Wednesday. Flores was installed as a student member the following day.

The other elected officers were Donald Lovelace, vice president; Gary Alcorn, secretary; and William Service, treasurer.

The election officials were Bob Dobson, Boyd Deel, Bob Moxley, Sam Duncan, Max Ramsey and Cecil Tange.

Flores also was awarded the AMS scholarship for being the outstanding student athlete of the year.

### Phi Theta Kappa

The Phi Theta Kappa Fraternity, the national junior college honoray scholastic society, sponsored a spring reception tea yesterday at 3 p.m. in B-1.

The reception was held for the faculty members, fall and spring semester student body officers and the past members of the society.

Dr. H. Bret Melendy is the chapter adviser.

### Phi Beta Lambda

Jo Ann Monfort, a secretarial major, was elected to head Phi Beta Lambda, the junior college section of the Future Business Leaders of America, in an election Thursday.

The other officers elected are Duane Blakeman, first vice president; Barbara Wilkinson, secretary; Lydia Fhy, second vice president; Ray Hamilton, treasurer; Eleanor Franco, reporter; Coralyn Sherfey, historian.

Miss Monfort and the other officers will be installed at a banquet tonight at 6:30 at the Towne and Country Lodge.

## Campbell Talks On Mexico To Latin Students

"Mexico is an old country, and yet it is a young country" are the words used by Santiago A. Campbell, a consul of Mexico, to describe Mexico as it is now. Campbell was a guest speaker of the Latin American Club May 18.

He went on to explain that as a young country, Mexico was under the dictatorship of Spain for nearly 350 years. During that time, Spain took much of Mexico's resources, such as gold and precious gems, for herself. After Mexico received from Spain its independence it took another blow under the 30 year dictatorship of Porfirio Diaz.

SANTIAGO A. CAMPBELL

Campbell said that in 45 years Mexico's education, economic, and highway systems have improved considerably. In 1910 Mexico had six kindergarden schools, 641 elementary schools, and very few high schools and colleges. Now there are over one thousand secondary schools, 21 special agricultural schools, and 63 universities. The National University of Mexico, founded in 1553, is one of the oldest universities.

## Instructors To Be Added

President Stuart M. White of the Fresno Junior College has announced the addition of 12 new instructors for September.

In administrative appointments, another new FJC faculty member will be George C. Holstein, now principal of Fresno High School, who will be the junior college's dean of admissions and records.

White said eight of the instructors are transferring from other schools in the Fresno City Unified School District.

The four who are new to the system will include Mrs. Dorothy D. Bliss, Braxton C. Henderson, Dr. Lee Roy Just and Clare Slaughter.

The transfers include John R. Castine, Gervase A. Eckenrod, Keith M. Emmert, Dr. Lewis A. Follansbee, Noel D. Frodsham, Richard H. Handley, Annetta A. Scott and Margaret E. Tylor.

# Rampage Reviews Spring Sports

## State Champions Have Big Year In Downing Opponents

By CECIL TANGE

Under the watchful eyes of Coach Joe Kelly, the Fresno Junior College basketball team had a most successful season as they won the state title, the Modesto Junior College Invitational Tournament, and the conference title.

The Rams ran over all opposition as they won 20 and lost only two, excluding the tournament games. The Rams won 12 and lost none in league play.

The biggest victory of the season was that over the Mt. San Antonio five in the fourth annual state junior college tournament held in Fresno March 3, 4, and 5. The Rams won over Mt. Sac 88-85 to win the tournament.

### Players Honored

Three Rams were chosen for the all tournament team. They were Odell Johnson, forward; Gary Alcorn, center; and R. L. Benson, guard. Johnson was voted the outstanding player of the tournament.

Before the season came to an end, the Rams also trampled four opponents in the 17th annual Modesto tournament. Two Rams were chosen in this tournament. They were Johnson and Alcorn. Johnson was one of the two who were chosen unanimously.

The Rams also broke the school scoring record twice, beating the El Camino Warriors 107-67, and racking up 111 points against the Coalinga Falcons in a league play.

### Breaks Record

Johnson broke the school scoring record set by Harvey Green last season. Johnson made a total of 664 points in overall play, and 295 points in league play.

By January 13, the Rams had won nine practice games out of ten. The local cage team had racked up a total of 1,174 points for an average of 83.86 points a game. On this same day, the Rampage sports page said that the defending champion Rams had been burning up the practice circuit along with Allan Hancock College of Santa Maria and Reedley College.

It was said that these two foes could be expected to be the Ram's strongest opposition. No mention was made in the paper about the surprise team in the league, the College of the Sequoias.

### Thrilling Comeback

On January 20, the Rams had won two straight league games, the latter being a thrilling 74-68 over a die hard Santa Maria team. Fresno made a poor showing in the first half but staged a dramatic second half comeback to down the Allan Hancock five. Ernie Slade, a guard, racked up the high score in the game when he popped in 27 points.

In the fall semester, the starting

five consisted of Johnson and Ray "Chief" Williams at forward; Alcorn, center; and Slade and Marion Daniels at guard slot.

Slade, who had a big share in the Fresno victories up to that date would no longer be eligible at midterm.

### Eligibility Used Up

When Slade used up his eligibility, at the end of the fall semester, Coach Kelly found an able replacement in R. L. Benson.

The Rams had won five more league games by February 10, and had finally taken over the league lead. First one on the list was Porterville, which the Rams scored a 72-56 victory; Coalinga was simply smothered by the local quintet as the Falcons were downed 111-66.

Number three of the five was COS. The Rams, perhaps somewhat tired from the Coalinga game, played a see-saw battle with the Giants before stopping the surprise team of the league 62-57.

### Second Loss

Moving onward to Reedley, the Rams faced the Tigers on their boards and squelched the Reedley five 76-66. The next stop was a disappointing one to the Rams when the Bakersfield Gades, who had already been beaten by the Rams earlier in the season, refused to let this worry them and dropped the Fresno club 83-74.

After their second loss of the season from the surprising Bakersfielders, the Rams avenged themselves by brushing the outclassed Taft Cougars, 100-69.

With the ending of the Taft game, this completed the five games and brought the Fresno team's total to seven straight wins in league play. However, the Rams still had the supposedly strong Hancock College to dispose of and did just that by humiliating the Bulldogs 91-76.

### Benson Goes In

The new guard on the team replacing Slade was R. L. Benson. Benson scored 25 points for the Ram's cause, and Gary Alcorn, a 6 foot, 8 inch freshman, scored 29 points.

The Rams continued on their winning ways by winning their last four league games to end the season. The locals jumped on Porterville and Coalinga, beating the two teams 100-72 and 111-53 respectively. The Rams won over COS and Reedley to end the perfect season.

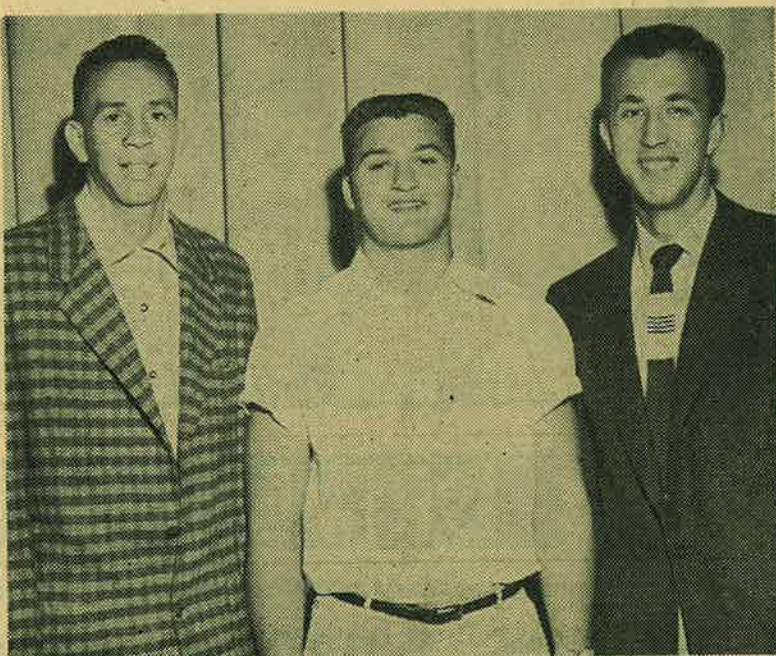

The day of the state tournament, Coach Kelly remarked to the Rampage that "As far as I'm concerned, my boys will be well up for tonight's game."

### Rams Surge Forth

Kelly was not denying his boys anything as the Rams, with the backing of nearly 2,000 fans every night, made a clean sweep of the three night tournament downing the powerful Los Angeles Valley Monarchs, 86-73; swatting the West Contra Costa Coments of Richmond 86-82, and then whipping Mt. Sac.

All in all, it was a good season for the FJC basketball team.

Those on the well-balanced squad were Johnson, Slade, Benson, Alcorn, Bob Taul, Bill Service, Williams, Vic Antonino, Don Birkle, Ed Fogal, Daniels, and Hershell Hoopengartner.

OUTSTANDING MEMBERS of spring teams are, from left to right, Odell Johnson, basketball; Frank Fiorentino, track, and Tom Flores, baseball.

## Thinclads Win Letter Awards First Year A Big Success

By CECIL TANGE

Despite a small team, the Fresno Junior College track team had an impressive season. There were five letter winners.

Frank Fiorentino placed in all the meets he was in. He won his

Paul Starr, athletic director at FJC, said that the following track men still have equipment out and that if the equipment is not returned these men will not receive grades. These track men are Bob Bangs, Ken Bain, Ron Lewis, and Bill Tatham.

Nick Rendino, Bob Dobson, Homer Erickson, Jack Carlson, Robert Watson, Frank Fiorentino, and Eddie Young.

events in the first eight meets and set two records at the Central California Junior College Association track and field meet on April 29 in Visalia.

### Sets Record

Fiorentino set a new discus record with a throw of 151 feet, 7 inches, bettering a mark of 145 feet, 8 inches set by Ed Dittenbir of Visalia. He also broke a 20 year old record in the shotput with a throw of 48 feet, 1 1/2 inches, erasing the old record of 47 feet, 6 1/2 inches set by Wall of Reedley.

He was voted the most outstanding trackman by his fellow team members.

Tommy Sano placed in all the meets except the Hartnell Invitational Track Meet and the West Coast Relays.

Eddie Young broke the school's record in the high hurdles at the Hartnell track meet with the time of 15.3.

The other members of the team who received letters were Delmar Moore and Louis Mazzeo.

"Fiorentino, Sano, Young, Moore, and Mazzeo are freshmen and should improve," said Wiedenhoefer.

The Rams' tennis team had a fine first year to make tennis one of the leading sports at FJC. The FJC team completed the league season with a two win, two loss record and tied for second place in the league standings.

The netters had a tough practice season, losing three practice starts. These were to Roosevelt High, 3-2; Fresno Tennis Club, 3-2, and Roosevelt again, 4-1.

They started the league season with a bruising 3-2 licking by the Porterville JC Pirates. It was a hard match for the locals, who were still lacking initiative and experience.

### FJC Wins

Their second league match was with Reedley. Never before has a group of tennis players been so happy, as they stopped the Tigers, 3-2. The score was tied for about an hour and a half, 2-2, but the Rams' mixed doubles duo came through with a highly touted win to cinch the match for the locals.

A group of Giants came here and proved themselves worthy of the names by simply mauling the Rams' squad, 5-0.

### Taft Loses

Taft JC was simply slaughtered by the FJC team, 4-1, in the Rams' fourth league match. The Taft team was without a men's doubles team and so used the slick assistance of Taft High School players.

The local net teamsters made the Coalinga JC Falcons wished they had stayed home in their last game of the season by vanquishing the Falcons, 5-0.

With the league tourney at Roeding Park the season ended, with FJC represented for the first time. Marilyn Mann of FJC won the women's singles title.

Other players who got letters were Eleanor Franco, Josephine Quintana, Carol Barsotti, Alfred Copus, John De La Rosa, Don Lovelace, and Fred Keoseyan.

## Baseball Nine Ends 1955 Season With 11 Wins, 16 Losses

By CECIL TANGE

The baseball season has ended for the Fresno Junior College Rams for the 1955 year. The team won 11 games and lost 16.

At the beginning of the season, Coach Ray McCarthy said that the Rams have a much improved squad this year. He also said that for the first time in several years the Rams would have some competition for positions, and that should help a lot.

Fresno had a good looking team, but the much needed hits and runs did not come when they were really needed.

### Fogal Stars

Playing first base was hard hitting Ed Fogal. He was a defensive star. Another heavy hitter, R.L. Benson, alternated, playing second base and center field. He was also a defensive star.

William Service and Bob Walters had little trouble playing at shortstop and third base.

Others who saw action in the infield were Scotty Dickerson, Jack Handjian, Vic Antonino, James Stanion, and Boyd Deel.

### Ratliff Withdraws

When Charley Ratliff, Ram catcher, withdrew from school, Coach McCarthy found an able replacement in Dick Kelton. Andy Ruiz and Edward Thomason were other catchers.

Outfielders were Tom Flores, Al Wright, Dom Bianco, and Johnny Misakian.

Don Birkle, Elton Willis, and Tony Fragus helped with their heavy hitting in the outfield when they were not pitching.

James Call and John Troxel also pitched for FJC.

### Flores Top Hitter

Flores was the battling leader of the Rams' squad with a percentage of .372. He made 32 hits in 86 tries at the plate. Benson was runner-up with .323. He collected 23 hits in 71 tries.

Fogal was the leading glove man with a percentage of .968. He handled 132 put outs and 19 assists and made 5 errors. Runnerup was Birkle with .951. He had 39 put outs and 38 assists and made four errors.

Among the regulars, excepting pitchers, Benson made the fewest errors, three.

Flores made the most runs, 20, and Fogal made the most runs-batted-in with 18.

### Team Averages

The Rams, as a team, made 218 runs on 835 tries for .261 percentage. The team made 835 runs and 121 RBI's.

On the pitching side, Troxel struck out the most men with 58 strike outs; Call had 45; Fragus, 23; Birkle, 18; and Willis, 10.

Troxel issued the most bases on balls with 41. Call had 29. Willis issued the least with 9.

The pitchers struck out 157 opponents and issued 128 free bases.
