

Fall Enrollment Sets New Record Of 3,021

By SHIRLENE SUMMERS

Up-to-date statistics disclose a new record attendance for FJC. The total is 3,021 students in comparison with last years record of 2,890.

These include 1,440 day students and 1,468 night students in regular classes.

In the training classes which FJC offers in cooperation with the Air Force 51 persons are also enrolled, and 62 high school students take advantage of the afternoon shop classes.

Enrollment by divisions includes business, 540; general education, 819; industrial education, 1,397, and 265 specials and late registrants.

Business Division

Eight majors fall under business: Accounting, 71; business administration, 164; clerical, 50; economics, 1; general business, 118; office machines, 8; secretarial, 124, and marketing, 14.

General education has over 25 majors: Agriculture, 11; art, 28; criminology, 48; English, 5; forestry, 9; home economics, 15; journalism, 10; liberal arts, 294; music, 8; physical education, 26; political science, 6; pre dentistry, 11; pre-law, 6; premedical, 9; pre-med lab technician, 11; pre nursing, 10; pre-pharmacy, 10; Pre-x-ray, techniques, 11; pre nursing, 5; public health, 2; science, 17; social science, 16; social work, 4; speech, 4; elementary teaching, 119; secondary teaching, 64 and others, 81.

Industrial Education

Under Industrial Education there are 20 majors: Architect, 10; automotive mechanics, 165; body and fender, 37; bricklaying, 14; carpentry, 59; commercial art, 33; drafting, 33; electricity, 103; engineering, 263; industrial arts, 81; laboratory techniques, 2; machinists, 46; mill cabinetmakers, 58; painter and decorators, 6; plasterers, 11; radio and TV repairman and operators, 197; vocational nursing, 90; welding, 87; plumbing, 94; roofing, 40, and meat cutting, 8.

Enrollment by high schools: Caruthers, 12; Central Union, 70; Chowchilla, 38; Clovis, 111; Dos Palos, 16; Edison, 124; Fowler, 32; Fresno High, 285; Kerman, 22; Kingsburg, 10; Madera, 79; Riverdale, 22; Roosevelt, 257; Sanger, 60; San Joaquin Memorial, 86; Selma, 23; Sierra Union, 26; Tranquillity, 12; Washington Union, 73.

JC Teachers To Take In Conference

Two of our faculty members, Ken Hold and Dr. Fallansbee will attend a Public Health Program which will be conducted in the Earl Warren Hall on October 13, at the University of California, Berkeley.

The program will begin with registration at 9:15 which will be followed by the morning session which will convene until 12:00. At 12:15 a luncheon will be served for \$1.00 a plate. The afternoon session will last until 3:30 and will end with a tour of the Earl Warren Hall.

The University of California urges all other universities, colleges, and junior colleges to send representatives.

University officials state that the number of positions open in this field far outweigh the number of young people preparing to enter this vocation. They express their desire to help promote interest in this field by programs such as this.

Hold and Dr. Fallansbee will leave Friday night by train and will arrive in Berkeley that same evening. They will return to Fresno Saturday night.

Eichman Names 7 Commissioners

Ben Eichman, student body president, appointed seven out of nine commissioners for the FJC school year.

The commissioners are Josie Quintana for Rally, Eugene Thomas for Assemblies, Pat Pryce for Student Welfare, Donna Alviso for Publications, and Chuck Herbert for Oral Arts.

The positions of scholarship and publicity commissioners are yet to be filled, Eichman said.

V.I.P.—Elected to the office of Alumni Association president was the former president of FJC, Bruce Pankratz, and who is now the president of the FSC student body. Shown on the right is Ellen Schroyer, executive secretary.

FBLA, AWS Plan Events

The first week of October 1956 finds a minimum of activity club-wise. Thus, two clubs occupy the organizations spotlight.

Future Business Leaders of America are sponsoring a membership party tonight, Thursday, October 4, at the O Street campus. The Ramble Inn will be the scene of the get-acquainted potluck at 7:00 in the evening. New members will not be obliged to bring food. Following dinner, dancing will chief entertainment. Dotti Rubald, president of the organization welcomes all business students to attend.

Associated Women Students meet tomorrow, October 5, in room 200 of McClane Hall. Time: 12:30. All college women are invited to attend and join in helping plan the semester's activities.

Phi Theta Gains 6 New Members

The Theta Beta chapter of Phi Theta Kappa, the national junior scholastic fraternity, initiated six new members Monday night. The initiations were held in the home of Mrs. Dorothy Bliss, the chapter advisor.

Tom Williams, chapter president, James Adams, vice president, Harumi Okamuri, secretary, and Edith Forath, treasurer, handled the initiations.

The six new members qualified during the last school year by making a B average for a minimum of 15 units in their last college semester.

They are Felix, A. Aycock, Leo F. Hall, Everette Henke, Theresa Ratchford, Patricia Sevoian, and Marjorie Zerkas.

Noon Dance Tomorrow In Girl's Gymnasium

Music by record will be featured tomorrow at the girl's gym at the noon dance.

Mrs. Kay Seagraves and Morris Henson, freshman class president urge all students to attend the dance.

Lessons will be given to those who do not know how to dance. The dance will last until 1:30.

Pankratz Is Chosen JC Alumni President

Bruce Pankratz, former student-body president of Fresno Junior College and presently the student-body president of Fresno State College, was chosen president of the newly organized Alumni Association at a reunion held August 31 in Kearney Park.

The other officers elected were Don Shroyer, vice president; Ellen Schroyer, executive secretary; Thelma Andrews, Scholarship chairman; Richard Soares, finance chairman;

Fred Valenzuela, athletic chairman; and Leona Cyr, nomination chairman, all of whom were on either the student council or were committee chairmen.

The regular meetings are held the second Tuesday of each month in Room 109, McLane Hall, and sponsored by Joe King, but there will be a special meeting October 4, to complete plans for their participation in the Ram Week activities.

Other plans in progress include those for an Alumni membership booth to be set up at the home football games; an Alumni seating section in the stands; and plans for a membership drive, with a mailing list of about 450 so far.

Anyone applying for membership in the Alumni Association should have been a full-time student at Fresno Junior College and should contact either Mrs. Shroyer or Mr. King.

AWS Plans Events For New Term

The Associated Women Students will hold an open meeting tomorrow at 12:30 PM in Room 200, McLane Hall. All women who are interested in school activities are invited to attend, according to Mary Lanotte, president.

The main purpose of this meeting will be the organization of the AWS for the coming year. Plans for the installation dinner, to be held on October 10, will be outlined.

The officers who will be installed at the dinner are: Rita Harris, vice president; Edith Forath, secretary; Marie DeRuosi, treasurer; and Francis Roderick, historian. Miss Harris was appointed to the position of vice president after Sally Bennett, who was elected last spring, failed to enroll at FJC this semester.

The committee chairmen for this semester include: Veda Luhm, social affairs; Lois Smith, membership; Rochelle Harford, welfare; and Diana Avila, decorations. The chairmen for the publicity and publications committees will be appointed at the meeting tomorrow.

The sponsors of the AWS are: Mrs. Hazel Pedersen, chairman; Miss Naomi Edinger; Miss Pat Taylor; and Mrs. Kay Seagraves, ex-officio.

Test On Hearing Available To All

Dan Ozier will be in Ad-114 (Health Office) today at 3:30 to give hearing tests to anyone who desires to have their hearing checked.

Ozier is the audiometrist of the Fresno City Schools. He has been giving hearing tests in the local school system for several years.

Mrs. Murphy Warns Veterans of Deadline

Mrs. Louise B. Murphy, the secretary of veterans affairs, states: "All veterans re-entering FJC under Public Law 550 and all veterans that are here for the first time and have handed in their Certificate for Education and Training, VA Form 7-1993, are reminded that tomorrow is the last day that they can sign their certification for the period October 10 to October 30."

PEPPER-UPPERS—(Left to right) Diane Avila, Barbara Fragas, Marsha Lynch, Diana Diamond, (front) Veda Luhm, Marilyn Isheim are the duly elected pep girls for the '56-'57 school year.

Exams Are Not Useless As Some Students Think

Many of you students who take the Junior College entrance tests which are given each year, complain that the tests are boring and time consuming and completely useless.

Let us consider the facts. Most students entering college have only a vague idea of their knowledge of the English grammar, literature, and vocabulary. They don't know whether or not they are capable of handling English 1A. Most young people cannot judge the amount of fact they are able to retain from their reading.

Let's take for instance a pre med student and face the hard facts. This particular student had better have a whopper of a vocabulary and an A class reading retainment percentage. A foreign language major or an education major had better know his English grammar backwards and forwards. This English entrance test shows what particular individuals lack in certain phases of English and what they need to develop and what classes are best suited to this development.

As far as the aptitude test is concerned you may be the type of person who knows just what he wants and just what his interests are. But believe it or not there are many young people who have not yet found their real interests in life and who haven't the vaguest notion of what vocation they're best suited for. By asking the JC students very personal questions and evaluating the answers, test scorers can determine a student's interests and vocational aptitude. And what could be more helpful to a teenager just entering college than this.

—Darlene Baer

Maglie Wins Opener 6-3

The subway World Series, is once more on again between the old "Pros," the Brooklyn Dodgers and the New York Yankees, with the first game played on the Bums home grounds.

It was a cloudy day in Ebbets Field, especially for the Bronx bombers as they dropped the opener for the series.

Sal (the Barber) maglie, sometimes known as the old man, was assigned the opening game and came through by holding the Yank tide with a remarkable pitching job. The Barber struck out 10 Yanks while scattering 9 hits in winning his first series game 6-3.

Fresno JC Students Rate New Site Over Old One

How do you like the new campus compared to the old one? This was the question asked sophomore students this week by the roving reporter. Here are their answers:

Rochelle Harford, secretarial major, "There's no comparison at all. The new campus is a lot bigger and better organized."

Lucille Capelli, elementary education major, "This campus is more like a college. The other was a temporary affair, and that's all it looked like. I like the general ap-

pearance and the friendly spirit that prevails at the new campus."

Mary Lou Bagdasarian, elementary education, "I think it's terrific. I feel as if I'm going to a real college now. It's great not having to commute from campus to campus as we did last year."

Eileen Fry, business major, "I like it fine. It's bigger, and looks more like a college. The business department has really expanded, and that makes it much better."

Delores Critz, education major, "I like it better. I think there's more room and we can have more student activities."

Mike Hartman, journalism, "I really like the new campus for it has more facilities than the old one. It also is more attractive."

FJC Bands Merge Four Are Named As Yell Leaders

The Fresno Junior College Pep Band and Dance Band have joined together this year to bring us a bigger and better band. It consists of 20 members at the present, but is hoping to increase the number before the year is over.

The members of the band are Darlene Bear, piano and clarinet; Muriel Maxwell, trombone; Ernie Klassen, trombone; Donald McKay, fingering trumpet; Kenneth Buck, trumpet; James Parks, trumpet; William Stewart, trumpet; Jack McColaugh, trumpet; Gary Tingley, drums; Mary Ann Benner, bass; Richard Johnson, bass; Nate Highland, marimba, Jessie Johnson, saxophone, and Clinton Cozby, saxophone.

The newly elected yell leaders of FJC made their first appearance publicly, Saturday night, Sept. 29, at the Ram-Mustang game. They showed great ability as well trained yell leaders although two of them had never had any experience at it before.

Maryanne Romeri was a yell leader last year at FJC and she is returning this year. She was yell leader for two years at Chowchilla High before coming to FJC.

Ernie Clark had a years experience at Long Beach Poly before coming to FJC last year to serve as a yell leader.

Charles Parker is doing his first stint as yell leader.

Nancy Aten is a freshman this year, she is also leading yells for the first time at any school.

They will be appearing at all games and rallies.

Registration Of FJC Work Seekers Begins

Business students seeking part-time employment should take immediate steps to register with the placement office in A-15.

G. A. Eckenrod, placement officer, said pre-employment application blanks may be filled in and an appointment arranged by the secretary to see him for a placement interview.

FJC students on the state college campus should fill out a card with Mrs. Margaret Hersey at the office in A-15.

He said calls for qualified people are arriving daily. At present, jobs are open to both men and women in light bookkeeping, typing, shorthand, filing and general office work.

Eckenrod said that he has a new booklet for students to read who are in doubt of the job listings.

The placement service is purely set up within the business division. Students interested in any other type of placement such as babysitting or lawn mowing should see Mrs. Kay Seagraves, dean of students or Paul Starr, dean of men.

Eckenrod said, "The placement office is here to serve and help you find the right vocation."

The placement service was started last year and it proved very successful in placing many students who were in need of part-time work and were qualified in the business field. The service also helps students get the experience needed for the future jobs which they will soon hold. The acceptance of this service suggests it is worthwhile.

Carty Plans Library Shift

Jackson C. Carty, the FJC librarian, announced that the school plans to close the library on the "O" Street campus. He will transfer the books from there to the University Avenue campus library.

He said the library is there to assist students in their studies. The library has over 800 new books this year, which brings the grand total to over 8,000.

It also has subscriptions to over 160 types of magazines. A few of these are gift subscriptions.

The library is open from 8 AM to 4:45 PM Mondays through Fridays. On Tuesday and Wednesday evenings it is open from 6:30 to 9:20.

The library workers are as follows: Jackson C. Carty, librarian, Louise Cahn, the assistant librarian and Darlene Horch, the library assistant. There are also 12 FJC students working in the library.

Coeds Receive Scholarships

Mr. Archie Brawshaw, chairman of the scholarship committee, announced four Fresno Junior College freshman have been awarded scholarships for the current school year.

From J. Eckle Starns & Co. in Sanger, Miss Frances Cabral was awarded a scholarship for \$100 to be used for Vocational Nurses Training.

Miss Romana Clark of Madera received a scholarship of \$50 from the South-East Garden Club of Madera.

Miss Frances Cavaleiro of Anchorage, Alaska was awarded a scholarship of \$50 from the Anchorage Home Economics Club.

Miss JoAnn Hoskins of Madera was awarded a scholarship to be used for Elementary Education by the Soroptimist Club of Madera. The scholarship is for \$50 a semester for two years.

Other Areas Provide 1,275 FJC Students

Fresno Junior College belongs to the Fresno Unified School District and it is maintained by it.

President Stuart M. White reported that during the 1955-56 school year 1,275 students living outside the district attended FJC classes.

The majority, 1,033, live in Fresno County, although Madera County has 184 attending. The Junior College operates a bus service daily for Madera and Chowchilla students.

Other counties include Tulare, 16; Merced, 13; Kings, 13; and Mariposa, 4. From Alameda, Kern, Los Angeles, Monterey, Placer, Sacramento, San Bernardino, Santa Barbara, San Luis Obispo, Santa Cruz, Stanislaus, and Sutter one student each.

In the 1954-55 school year there was 1,299 students, including 1,009 in Fresno County, 154 in Madera

EASY DOES IT—Two Fresno Junior College business students in a voice writing class, Carmelita Ruiz, left, and Frankie White demonstrate how a typist uses a transcribing machine after her employer has dictated his letter on a record.

FJC Offers New Voice Writing Class

The FJC business division is opening a nine week course in Voice Writing — 54-B for either credit or audit. The course includes training in the use of cylinder, belt, and disc-type voice writing machines (Ediphone, Dictaphone and Audiograph). Training on the dictating machine is also available. The class is held daily in B-3 between the hour of 11:40 to 12:30. Miss Nancy Webster is the instructor. The pre-requisite for this course is the ability to type forty words per minute.

Another one unit course of PBX switch board with a training period of six weeks will begin December 3, in which Miss Webster is also the instructor. This course is also for unit or audit.

Those interested in either of these courses should see the Business Division Chairman, Miss Ethel McCormack.

This is the first year FJC has had the opportunity to teach this course.

Miss McCormack highly recommends this course to all business majors and persons who would like to take Voice Writing for extra-curricular work.

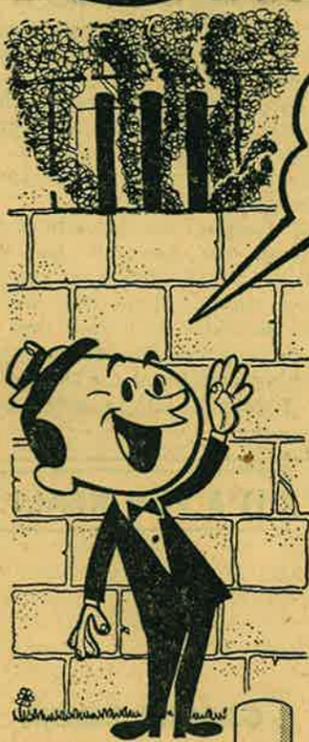

County, 28 in Kings County, 15 in Tulare County, 13 in Merced County, 4 in Kern County, 2 in San Luis Obispo County, and one each in Mariposa, Los Angeles, Monterey and Stanislaus.

White said the total amount of hours of attendance was 965,734.6 in the 1954-55 year compared to the

884,589 in the 1955-56 year, an increase of 81,145. These were totals for the entire student enrollment.

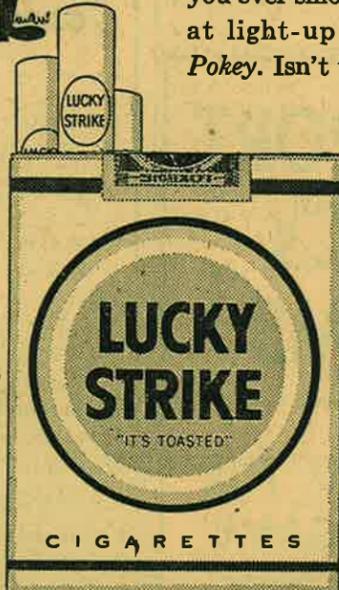

It is expected that this year's record enrollment will again set a new record of total hours put in by students of Fresno Junior College. The enrollment has been increasing for the last three years.

Sticklers!

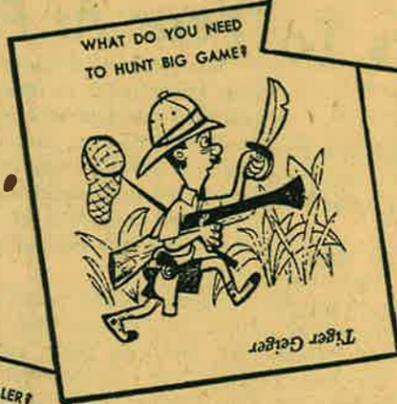

HERE'S A STICKLER!
WHAT IS A JAIL AT LIGHT-UP TIME?
(SEE PARAGRAPH BELOW)

IF YOU HAVE recently become a smoker (duffer puffer), ask any old-hand Lucky smoker (prudent student) why he settled on Luckies. Bet anything he says they taste better. You see, Luckies' fine, light, naturally good-tasting tobacco is TOASTED to taste even better . . . cleaner, fresher, smoother. So, when it's light-up time, light up a Lucky. You'll say it's the best-tasting cigarette you ever smoked. Okay—what is a jail at light-up time? Answer: Smoky Pokey. Isn't that criminal?

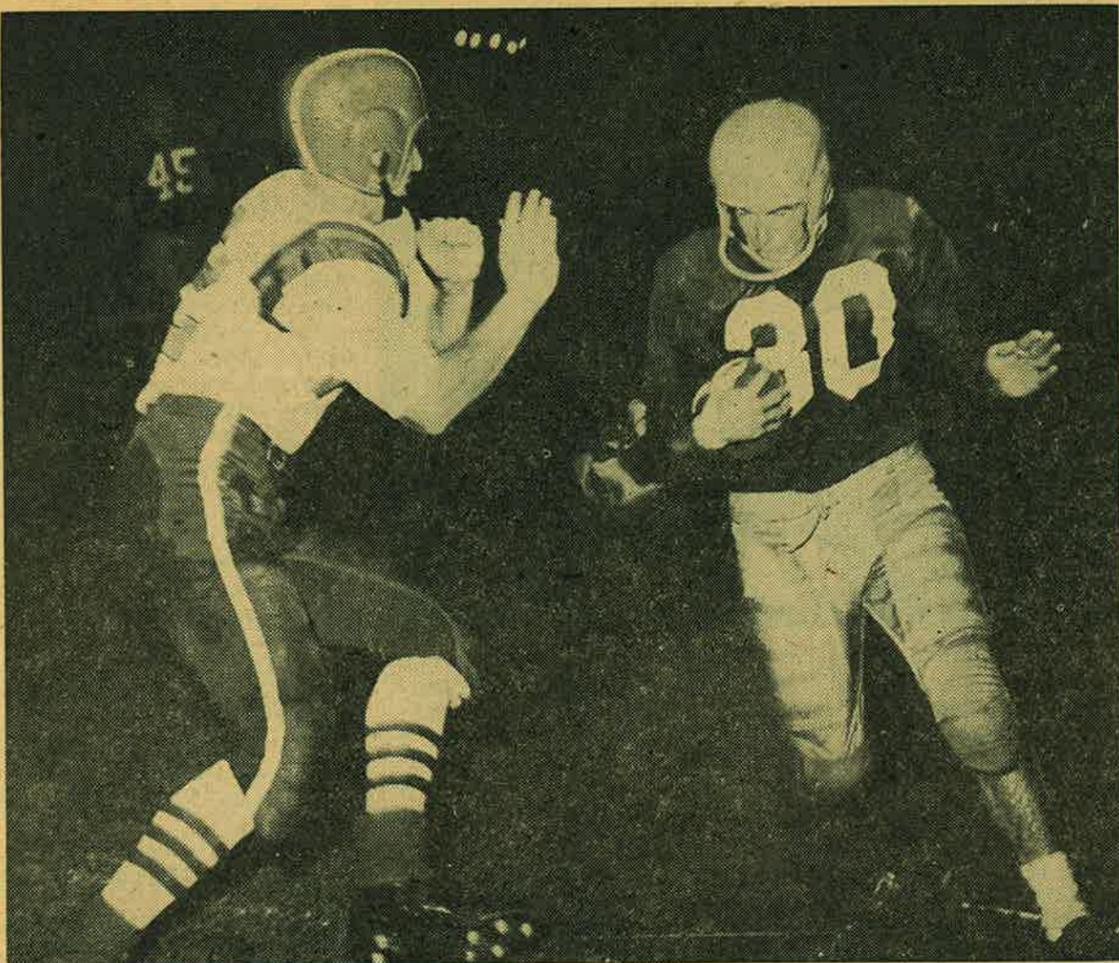

"IT'S TOASTED" to taste better!

DON'T JUST STAND THERE . . . STICKLE! MAKE \$25

Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We'll shell out \$25 for all we use—and for hundreds that never see print. So send stacks of 'em with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

LUCKIES TASTE BETTER CLEANER, FRESHER, SMOOTHER!

FIRST DOWN — Gaining enough yardage to make a first down is Ken Guinn, halfback for the Rams. He also carried the ball over for both Ram touchdowns.

Rams Meet Taft JC In Conference Opener

The Rambling JC Rams of Fresno venture south Saturday night to Kern County, where they encounter the fighting Cougars of Taft Junior College, defending conference champs and tabbed fourth in the nation for two year educational institutions.

Making their debut last week against Allen Hancock Junior College the Cougars romped to a easy 27-7 win, proving that there is even less change from last years grid crew.

Sporting a nucleus of 22 returning experienced veterans the Cougars display a formidable array of slick running backs. Along with a top heavy line giving the Cougars a one-two punch.

Missing from Taft's "split T" unit, is line-crashing fullback Archie (Moose) Schmidt who helped to spark the Cougars to

FJC Moves Workouts To FSC Park

The Fresno Junior College Ram football team moved to a new training site Monday, The Fresno State College Park.

The "Ramblin" Rams used to practice at Romain Playground, but since the purchase of the old FSC campus by FJC, there was a problem in the time and distance required in going to the Romain field every day for practice.

Coach Hans Wiedenhofer says he thinks the new setup will help his gridders, in that now they don't have to spend a good part of their time traveling. "Now we will be able to dress, practice and shower at one field. I think it will give us more time on the practice field and will make it easier for the players to be on time," said Wiedenhofer.

Wiedenhofer also had good news for Ram fans in that halfback-fullback George Ward will be ready to go against Taft Saturday night after missing the Stockton game.

The Ram mentor also commented on the fact that Taft's tackles weigh in at 285 and 240 pounds. "It's going to be a real job for our men to take them out," commented Wiedenhofer.

their first conference championship last year since the fall of '49', breaking the Fresno Rams long monopoly over a period of five years.

Taft hopes to retain the league crown without the services of their ace back Schmidt, who has found a new home in Stanford's wigwam, headed by tribe leader Chuck Taylor, who has nothing but praises for the strong boy from Taft.

Nationally ranked number four last year and considered for the little Rose Bowl, the Cougars are heavily favored to topple the Fresno Rams, who are looking for an upset over the Oil City Cougars. The contest stacks up as the top Junior College grid tussle in the valley.

Wiedenhofer Starts Sixth Year At FJC

The crowd is tense 10 seconds to go, home team on the opponent's 10 yard line, quarter-back takes the ball, will he run, pass or handoff? Such a question has already been answered in numerous practice sessions by the coach of the Fresno Junior College football team, Hans Wiedenhofer.

Coach Wiedenhofer has been with the Fresno City School system for nine years going on ten. His first coaching job was with the Fresno Technical High School, and since the change to Fresno JC, he has been head coach for six years.

He started his college career in 1940 and at the outbreak of World War II in 1941 became a Fighting Leatherneck.

Following his discharge, after three and one half years of honorable service, he resumed his college studies. He attended the summer session at the University of California. San Jose State was his next stop where he received his AB. He received his MA from Stanford University, and on completion at Stanford began work in the Fresno City Schools system.

Coach Wiedenhofer was line coach for three years before becoming head football coach.

Comments

By MARVIN LUTZ

The Rams finally got into the win column after losing one on the road last week end. The football team as a whole played a better game against Stockton than they did against East LA. The players that accounted for the improved performance should be congratulated for their fine teamwork and individual play. Outstanding efforts of JC White, John Aldredge, Bob Difuria, Ken Guinn, and Mike Flaherty should be noted at far as individual praising is concerned.

Aside from the football team for just a moment, the baseball nine should be congratulated for their win over the Red Sox in the Winter League opener played at Romain last Sunday afternoon. James Aldredge and Kalem Barsarian were the standouts for the Rams in their hitting and fielding. The next contest for the FJC nine will be against the Coalinga Elks at Holmes diamond this Sunday, Oct. 7th.

I was pleased by the fine turnout of students at the football game last Saturday night. I hope as many of you will show up at the next football meeting in Taft to open league play in good fashion this Saturday evening. That's all for now so I hope to see you in Taft.

Rams Blank Stockton 14-0 On Home Field

By JOHN HAUGAN

Playing before a home town crowd of 3,000, the Fresno Junior College Rams blanked the Frisky Mustangs from Stockton College by a score of 14-0, Saturday night in Ratcliffe Stadium.

The first break of the game for the Rams came in the

Lowdown

By BOB & JOHN

Smiles and glooms highlighted the weekly meeting of the local pigskin mentors, after the outcome of last week-end's grid classics.

Heading the cast, Coach Clark Van Galder emphasized the way his lads racked up four quick TDs in the elapsed time of twenty minutes during the first half against poor Willamette. Lest Coach Van Galder forget the lighter Bearcats managed to contain the Battling Bulldogs in the second half and produced two tally's while losing to the Bulldogs 26 to 12.

Coach Hans Wiedenhofer found the winning combination Saturday night as a trio of hard bucking backs consistently smashed out yardage in posting an impressive win over the Mustangs of Stockton College 14 to 0.

Wiedenhofer stated, "The boys were keyed for the Stockton battle and I only hope they will stay that way for the Taft game."

Looking to the city preps, only Coach Ollie Bidwell's Fresno High Warriors managed to save prestige. The Warriors posted a creditable victory over the toothless Lions of Kerman 34 to 6.

Edison's head Coach Mickey Masini was in a less jovial mood after the drubbing administered by the Sanger Apaches. Apache quarterback Willie Garcia led the tribe to a 20 to 0 win.

San Joaquin Memorial Coach Morrie Pratt and his small green troops found it rough going as the Reedley Tigers completely routed the Panthers 46 to 0.

A fumble and an interception proved the downfall for Walt Byrd's Rough Riders in the last three minutes of the final quarter. The Redskins of Tulare took advantage of two big breaks by converting a fumble on the 28 yard line of Roosevelt into a quick tally.

waning minutes of the first half. Stockton quarterback Earl Moreno faded into his own end zone on a pass play only to have it partially blocked. Team captain Bob Difuria picked off the loose aerial on the 10 yard line and made it back to the Stockton 6 yard line before being hit and brought down. Three plays later found halfback Ken Guinn cutting over left tackle for the 6 points. Guinn kicked the extra point.

White Rambles

J. C. White provided the fans with a bit of fancy running in the fourth quarter. Taking the ball on the Ram 47 yard line and going around right end and then cutting diagonally across the field for 47 yards before being dragged down from behind. On the second play Guinn bolted over right guard for the second TD of the evening. Guinn again kicked the extra point.

Defensive play by the Rams provided the game turning events of the evening and was the dividing point between the two clubs.

Defensive standout for the evening was John Aldredge at guard. A rock on defense, Aldredge broke through the Mustang line on numerous occasions to pin the Mustang backs. Stellar performances were also turned in by Bob Difuria, Fred Raco, Leo Hall, Bob Lango, and Tom Sano.

Teaming with Guinn and White in the backfield was Alex Kobzoff who did a creditable amount of ball carrying for the Rams.

Quarterback Mike Flaherty piloted the Rams on both scoring drives.

Saturday night the Rams meet the powerful Taft Cougars. Last year the Cougars were considered for the Junior Rose Bowl. They are favored over Fresno.

Seconds later John Thompson snagged a pass on his own 16 yard line and scooted 84 yards for the TD.

Farewell you pigskin followers until the next issue when yours truly brings you the Low-Down in Fresno sports.
