Fresno Instructor Tours Seven Foreign Countries

Noel Frodsham, a history instructor at Fresno Junior College, toured Europe during his summer vacation accompanied by his wife and two children.

Leaving Fresno by plane, they flew to Montreal, Canada, and there transferred to an ocean liner and continued to South Hampton, England.

After renting a Morris Oxford car they traveled through England, visiting all the tourist attractions.

Some of the places they visited in England were the Westminster Abbey, where Shakespeare is buried, and Buckingham Palace.

While in England they attended English schools in session and remarked how much more work they require than the schools do in the United States.

Leaving England, they went by boat, taking the car with them, across the North Sea to Norway, where the family visited the cities of Bergen and Oslo, the capital. Here they were impressed by the beautiful scenery and the excellent food at reasonable prices.

After crossing the Swedish border to the city of Stockholm, they traveled down the east coast to Copenhagen and visited the island of Bornholm in the Baltic Sea.

NOEL FRODSHAM

Health Service Aids Students

FJC's health service program, which has been reorganized this semester under the student personnel office, is available for all students in emergencies and health counseling.

"It will help the students to take care of their health and to get full advantage of the community health agencies," said Mrs. Anne Gabel, school nurse.

One stretcher and two beds are provided in the first aid room in Ad-114 for the students who need them during school hours.

Mrs. Gabel's counseling hours are 10:30 AM to 12 noon on Mondays and 10:30 AM to 4 PM on Tuesdays and Thursdays. She is available on all emergency calls on other days.

She stressed that students should make their appointments and keep them because of her busy schedule.

While in Sweden Frodsham found the people very efficient, the tempo of life high.

Traveling on into Germany, they went through Hamburg and then crossed the border into Holland, where they went through the city of Groningen and then down through Southern Holland. Going back into Germany, they visited the Battlefield of Aachen and the military cemetery, where Frodsham fought during World War I.

They went through Belgium on their way to Northern France, and there boarded an air ferry and flew back to England. There they caught a plane for the United States.

Forbes Speaks To FBLA On Criminal Law

William Forbes, Fresno attorney, spoke to the members of the Phi Beta Lambda, Fresno Junior College chapter of the Future Business Leaders of America, Tuesday, on the hazards of publishing names of the teen-agers in crime stories.

He declared, "There would be no purpose to print the names except to gratify the newspaper's desire for news, and printing them would result in grief and suffering for families of the youngsters involved.

"We are all human beings, and we are all too anxious to point the finger of guilt at anyone whose name has been published."

Forbes, a graduate from the Hastings Law College, spent three years in the Fresno County district attorney's office.

He explained that criminal law as being only a small fragment of the law but the most spectacular. He said that the district attorney's office is limited to the enforcement of criminal cases.

Forbes also explained the way by which a complaint is issued and the right to have a preliminary trial. He also spoke of his experience in defending persons accused of murder and other crimes.

Rams Look For 3rd Win Against Giants

Closing out the homecoming week of the Fresno Junior College Rams will be their annual big clash against the College of the Sequoias' Giants of Visalia and the selection of the presiding homecoming queen at Ratcliffe Stadium at 8 o'clock Friday evening.

COS Looks For Win

After dropping two conference games to the Porterville Pirates and the Coalinga College Falcons, the COS Giants will be out to nab their first league win at the expense of the Fresno Rams in what promises to be an even match.

This traditional rival series, more on the friendly side, has always had a few exciting moments in games in the past that have usually ended up in close, hard fought contests.

Backs Injured

Mike Flaherty and J. C. White, important cogs in Coach Wiedenhofer's offensive unit, head the injured list, as Flaherty was almost put out of action on a kick to the shins Monday morning from an unimportant horse, who in all probability, thought Mike was looking for a free ride, while big J. C. White has been limping around in practice from bad bruises. It is uncertain whether they will play against the COS Giants.

During the various halftime activities, the Fresno Junior College Homecoming Queen will be announced from 11 coed candidates who have feverishly been campaigning throughout Homecoming Week.

The queen and her two attendants will reign over the dance after the game at the college gym on Weldon.

LA Harbor completes the entries which include Hartnell and San Jose of the Coast Conference, Fresno and Coalinga of the Central California Conference, Glendale of the Western States Conference, Orange Coast of the Eastern Conference, and Harbor and Bakersfield of the Metropolitan Conference.

The Bakersfield College Invitational Tournament will be held at Bakersfield on Dec. 7-8, with each team playing three games.

The tournament will be played in the new 4,000 fan capacity Bakersfield College gymnasium which will be formally opened that weekend.

FJC Trims Tigers, Hold 1-1 Record

The first Central California Junior College Athletic Association victory for Fresno Junior College this season came with the trouncing of Reedley Junior College last Saturday night, 21-0. The Rams now hold a one-win and one loss record.

The Rambling Rams scored twice in the second period to hold a 14-0 halftime edge.

The first Ram score came with Ray Caldera fumbling on the Tiger 27 yard line and defensive end Larry Boies knifing in to recover the elusive pigskin. Dick Valentine and Kenny Pipes teamed to drive to the Tiger five from where Pipes plunged over for the six points. Kenny Guinn converted for the extra point.

A Tiger miscue again gave the ball to the Rams. Bruce Stone went back to punt only to have the ball centered over his head. Stone was brought down on the 26 yard line before he could make any yardage and the Rams received the ball on downs. On the first play rambling J. C. White sliced through right tackle for 26 yards and a Ram six pointer. Guinn booted his second extra point of the evening.

The final quarter found the Tigers fumbling on its own 44 yard line and Tony Florentino coming up with the loose ball. Alex Kobzoff went for one yard and then White busted through the Tiger eleven for 43 yards and the final TD of the evening. Guinn notched his third extra point of the evening.

The Rambling Fresno Junior College Rams converted three Reedley College fumbles into opportunities and scored a 21-0 conference win over the hapless Tigers

The Edison High Tigers jumped off to a fashionable start Friday evening at Hanford in defense of their conference title with a 25-7 thumping over the Hanford Bulldogs.

The Roosevelt Rough Riders rock wall defense and a last minute interception gave the Rough Riders a movie script finish when Bobby Paull, Rough Rider linebacker picked off a pass on the 2 yard line and streaked 98 yards for the TD giving the Rough Riders an opening Yosemite League win.

The Fresno High Warriors used the same formula to whitewash the Madera Coyotes, 9-0.

Women's PE Offers Various Sports

When it comes to sports, most people don't give much thought to the women. They at least haven't forgotten the women at Fresno Junior College.

There are quite a few different sports offered in the gym classes. The tennis classes are for both the boys and the girls, but the girls outnumber the boys and most are doing very well.

Golf is an up-an-coming sport of the day and the classes are full when it comes to this sport. The girls and boys are very interested and you see quite a few of the golfers carrying their clubs around.

It is just about the end of the swimming season, but the girls are still going strong.

Badminton is another coed sport. The students seem to be enjoying it very much.

Folk dancing for the girls is not really a sport, but an enjoyable activity.

It was stated by Miss Margaret Tylor, the girls' gym teacher, that if anyone had any kind of sports they would like to have here at FJC, to let her know.

If anyone is interested in a tennis tournament, she is more than willing to help get them started.
