## JC Students Are Offered New Classes

Several new courses will be offered to the students at Fresno Junior College next semester.

The business division is offering economic problems of the San Joaquin Valley, labor relations, secretarial training, secretarial problems, advertising, products analysis, and tax accounting.

The general education division is offering integral calculus and determinative geology for the first time at FJC. Chemistry 6, home economics 20, art for elementary teachers, and music for elementary teachers are offered only during the spring semester.

The industrial education division is offering industrial chemistry, static engineering, and mechanism engineering as spring semester courses. The division has one new night class, techniques of conference leading. Extended day classes also include two which are offered only in the spring, descriptive geometry, and differential calculus.

## Eligibility Slips Available On December 10

Ruben Barrios, chairman of Fresno Junior College election committee, announced that students who plan to run for a student body office may secure eligibility slips starting on Monday, Dec. 10 and continuing to Dec. 19. The latter date is the deadline for turning in petitions, which should be turned in at the registrar's office.

Students may obtain their petition slips from Mrs. Lena Fuller in the registrar's office. At this time the student's grades will be checked and, upon approval, the students should see the deans, Mrs. Kay Seagraves for the women and Paul Starr for the men.

Each candidate must have a minimum of 35 signatures of student body card holders. The candidates will be introduced at a nominations assembly at 9:30 AM on Friday, Dec. 21 in the Fresno State College auditorium in the administration building of the University Avenue campus.

Barrios said that candidates may be nominated from the floor but would have to follow the above procedures like any other office seeker. He also stated that no one person is permitted sign the different petitions for the same office.

Candidates may begin their campaigning Jan. 2 through the 9th. This is the week following Christmas vacation. The election will be Wednesday Jan. 9 from 8 AM to 4 PM and on Thursday, Jan. 10 from 8 AM to PM.

Students are eligible to run for office if they are a student body card holder, are carrying a minimum of 12 units with at least a "C" average, and are in good college standing.

The election committee consists of Lucille Capelli, Jo Ann Wilson, Rochelle Harford, Muriel Maxwell, Barrios, and Eugene Thomas. The four advisors to the group are Mrs. Seagraves, Dr. Rolf Ordal, Floyd Quick and Joseph King.

## December 14 Is Deadline For Red Key Toy Drive

Dolores Critz, president of Red Key, Fresno Junior College's student service organization, said the deadline for the Christmas toy drive will be December 14.

She also said that she would be

collecting toys Friday noon in the basement of McLane Hall. Club presidents should collect the toys during the week and hand them in on Friday to Miss Critz.

The plans to send most of the toys to Hungary are well on their way. The rest will be shipped to other parts of Europe, while some of them will be distributed in the United States to the underprivileged and the poor.

The drive will be judged on the percentage of toys each organization brings in, in comparison to its membership. A plaque will be awarded to the winning club with its name inscribed on it.

## Honor Society Plans Events For Students

Phi Theta Kappa, the Fresno Junior College chapter of the national honor society, is planning a dinner, snow trip, and an open house for the purpose of acquainting FJC students with the club.

The club is also planning a reception for all eligible candidates. Qualifications for membership include a B average, and candidates must carry at least 15½ units. Candidates may carry 12 units during their fourth semester.

The officers of the group are Tom Williams, president; James Adams, vice president; Harumi Okamuri, secretary; Edith Forath, treasurer; Lucille Capelli, historian; and Pat Sevoian, parliamentarian.

## Formal Dance Nears; Candidates For King, Queen Are Announced

By MARVIN COZBY

Plans for the Fresno Junior College Christmas Formal are drawing to a close as the date set for Saturday, December 15 draws closer. "Tinsel Time" is selected as the theme.

The formal will be in the social hall of the University Avenue Campus, which will be decorated in red and silver. The dance will be from 8 to 12 PM.

Mary Lanotte, AWS president, submitted the names of candidates for king and queen.

The candidates for king are Gilbert Chacon, Newman Club; Kenny Pipes, Red Key; Adolph Mendoza, Latin-American; Joe Gibson,

Mary Lanotte, AWS president, requests that all candidates for king and queen should meet at 3:30 PM today in the University Avenue student union social hall. Attire for the dance will be formals and suits.

## Music Dept. Assembly Set For Dec. 14

The music department of the Fresno Junior College will present a Christmas assembly on Dec. 14 at 10:30 AM in the University Avenue auditorium. Lowell Spencer, music instructor of FJC, who also is in charge of the assembly,

said, "The choir will begin the assembly with a number of sacred Christmas selections and popular songs."

Spencer said, "The assembly will be made up of a variety of entertaining musical selections."

Charles Davis, a member of the choir and master of ceremonies, will introduce the FJC choir in its opening number, "Behold, A Virgin Shall Be With Child."

The choir will sing Fred Waring's setting, "Twas The Night Before Christmas," featuring vocalists Alton Banis, baritone, and Davis, tenor.

Other numbers by the choir are "Ave Maria," "Sweet Little Jesus Boy," and "Holy Night," with soloists Davis and Dorothy Rubald.

The men's chorus will sing Dean Martin's version of "Memories Are Made Of This."

Spencer said, "The dance band will present a variety show that will feature Donald McKay on the trumpet, Nate Hygelund playing the vibraharp, Dick Johnson on bass violin, and Gary Lingly, drums."

As an introduction, the dance band will play "Winter Wonderland."

Other numbers by the dance band are "Joshua's Jump," in combo style, "God Rest Ye Merry Gentlemen," and "Man With The Horn," featuring McKay with his trumpet.

For the concluding number, everyone will be invited to sing a Christmas carol, with Hygelund playing his vibraharp.

Freshman Class; Gene Wiggins, AMS; Gordon Smith, Rally Committee; Ruben Barrios, Rampage, Bernie Mitchell, California State Teachers Association and Hugh Autrey, Alpha Gamma Sigma.

The candidates for queen are Dulcie Spellman, FBLA; Paula James, Rampage; Marilyn Isheim, AWS; Diane Diamond, Rally Committee; Beverly Underwood, AMS; Barbara Fragus, Red Key; Yolanda Marquez, Latin-American; Jovita Huerta, Newman Club; Carol Bowman, Phi Theta Kappa; and Sharon Hussey, CSTA.

## Two Students Get Council Scholarship

Ruben Barrios and Marilyn Snyder were awarded the \$25 scholarships given by the student council of Fresno Junior College.

Archie Bradshaw, dean of student personnel at FJC and chairman of the scholarship committee, explained that the student council scholarships were the most competed for, although FJC awards a number of \$50 and \$100 scholarships. The student council scholarships are financed by the sale of student privilege cards to several of the local theaters.

Barrios and Miss Snyder were selected from four nominees for the awards on the basis of scholarship, leadership in student organizations, and participation in community activities. William Jones and Dorothy Rubald were the other two nominees.

The four students names were submitted to a faculty committee by the council members, which then rated them on a point system;

30 points for leadership in student organization, 30 points for citizenship shown by participation in community activities, and 40 points for scholarship.

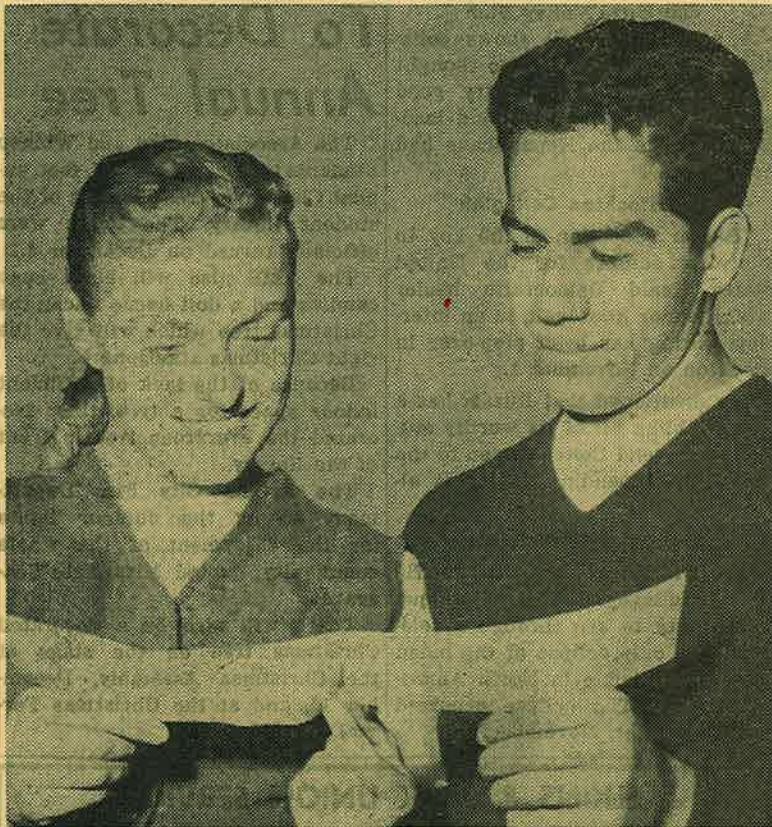

Miss Snyder is president of the Newman Club, editor of the FJC annual, The Rambler, and an art major. Barrios is chairman of the interclub council, vice president of the student body, assistant editor of the FJC paper, the Rampage, and an education major.

## Freshman Class Will Have Dance

"Sorry, we had to cancel last week's dance," apologizes Gene Wiggins, freshman class prexy, "but the freshman class is going to make it up by sponsoring a noon dance tomorrow from 11:30 to 1:30 in the gymnasium."

The Fresno Junior College Pep Band will play, directed by music instructor C. Lowell Spencer.

Refreshments will be served. Stag 10 cents, drag 15 cents.

AWARD WINNERS — Comparing scholarships are Marilyn Snyder and Ruben Barrios. Miss Snyder and Barrios each received \$25 scholarships from the Fresno Junior College Student Council. Throneberry Photo

# Staff Urges More Candidates To Enter School Elections

In a short while the student body elections will be coming up and campaign posters will be filling the halls, candidates will be out after votes with their best manner . . . or will they?

Last year there was a very small selection on the part of candidates for office. It seems like no one wanted to hold office, particularly that of the presidency.

I hope that this situation will not be in evidence again this election.

There are, of course, certain qualifications that each prospective office holder must possess, however there should be little difficulty in finding enough students who fill these requirements to have an election that will be truly representative of the school.

Last year in the election for this fall semester's offices, there was only one candidate for many of the offices, and some of them were reluctant to run. For instance there was only one candidate for the office of president, there were only six candidates for the office of representatives at large, one for each position. There was also only one candidate for vice-president, secretary, and treasurer, which just about wraps it up.

Now I realize that there are certain qualifications to be fulfilled, things like maintaining a "C" average, and carrying a minimum of 12 units. I like to think, however, there are more than 10 students, one for each post, at Fresno JC that can fill these requirements.

More than 50 of the local chapter members attended the CSTA's Fall Conference on Professional Problems in Sacramento on November 17.

The purpose of the conference was to study the professional problems of student teachers.

It was sponsored by Chico State and Sacramento State Colleges and held at the Sacramento campus. CSTA members from all over northern California attended the conference.

Listen, my children, and you shall hear,  
 The sad, sad, story that happens each year.  
 The many ideas flow easily out;  
 They flow like rain after a terrible drought.  
 The dance, it is decorated and prettily lighted;  
 But the sad thought of work is expertly slighted.  
 A float in the mind is a beautiful thing;  
 With its brightness and lightness, and color of spring.  
 With no heed to labor, and no thought of work;

The toil, however, is purposely shirked.  
 The man, in the background, who chairmans the scene;  
 Knows only too well, what this effort will mean.  
 On the day that the vigor should flourish and flare;  
 Not one of these idea-throwers will ever be there.  
 So beware, you chairmen, of this idea hound;  
 For when labor is up, only ideas are found.  
 And to you, clever fellow, with your wealth and your wit;  
 We'd rather you'd WORK than to think and to sit.  
 And as the sun rises and the lone chairman gets through;  
 We turn our sad thoughts to people like you . . .

# Former Prexy Honored With Consecration

The late A. Clyde Olney, who for 10 years was the Fresno High School principal, has been honored by the dedication of a classroom and auditorium building in his memory at the College of Marin in Kentfield, Marin County.

He was the FHS principal from 1900 to 1910, the same year that Fresno Junior College was founded as part of Fresno High School. He was the president of the College of Marin from 1926 to 1943.

Olney, who died April 11, 1952, in San Rafael, was born in Peoria, Ill. He attended FHS and was a graduate of the University of California. He taught first in Sonoma.

Olney left Fresno in 1911 to help establish one of the first public junior colleges in California in Santa Barbara. He was the superintendent of schools, the high school principal, and the president of the junior college there.

For 10 years Olney served as state commissioner of secondary education.

Attending the dedication exercises were two of his sisters, Miss Bernice Olney a retired FHS teacher, and Miss Ruby J. Olney.

# Panhellenic Gives Nursing Scholarship

The Fresno Panhellenic Association has awarded its annual \$300 nursing scholarship to Jean Matergia.

Miss Matergia, a daughter of Mrs. Elisa Matergia, is a sophomore at Fresno Junior College and majoring in public health nursing.

She is a graduate of the Fresno County General Hospital School of Nursing and has been employed by the Fresno County Public Health Department for the past two years.

The scholarship will enable Miss Matergia to continue her schooling toward a bachelor of science degree in public health nursing. She will attend the Fresno State College for one semester and will complete her studies at the University of California at Los Angeles.

Mrs. William Baxter, the projects chairman for the Panhellenic Association, announced the award.

# AWS, AMS To Decorate Annual Tree

The Associated Men and Women Students decorated the 75 foot annual Christmas tree in front of the student library. The lights were officially turned on December 4.

The AMS also will build huge candles and a doll house under the Christmas tree which will give the right Christmas atmosphere.

Because of the lack of sufficient indoor space for a tree, they decorated the evergreen tree in front of the library.

The Fresno City Fire Department strung the outdoor lights for the enjoyment of the whole community, quoted Miss Kate Seagraves.

There will also be a decorated Christmas tree on the stage at the Christmas Assembly, December 14, and at the Christmas Formal Dec. 15.

# Fresno JC Instructors Receive Fire Instructions

Tuesday, fire drill instructions were issued to instructors at Fresno Junior College to be read to their classes. These instructions explained what to do, when and if there is a fire.

The instructions said that the signal for a fire drill is three bells. At this signal the instructor announces "fire drill," and monitors close windows and follow other students out of the room, all marching in single file to the assigned station.

All students walk in an orderly manner to their assigned stations. When at the station, line up in double file and do not cross the streets. Instructors nearest the exits will see that the exit doors are propped open and will check the number of groups coming out.

In emergencies, in case the regular exit is blocked by fire and debris, take next nearest exit, then follow those using that exit to the station. Go slowly so the exits do not become jammed.

The instructions also stated that in case an instructor, administrator, fire official, or peace officer issues orders contrary to this plan, all students concerned should immediately obey such orders without question.

# Coast Guard Academy Applications Available

By EDDIE BRIGGS

The United States Coast Guard is interested in receiving applications from young men who desire to attend the Coast Guard Academy in New London, Conn.

Young men who can meet standards set up by the academy and who are seriously interested in a Coast Guard career are encouraged to apply. Appointments to the academy are made through competitive examinations.

The academy at New London, Conn., is maintained by the government for the practical and theoretical training of young men to enable them to enter upon the duties of Ensign in the Coast Guard.

### Requirements Listed

General requirements for eligibility are as follows:

(a) A candidate must be a citizen of the United States and must have reached his seventeenth but not his twenty-second birthday on July 1st of the calendar year in which he is appointed a cadet. If the candidate has not reached his seventeenth birthday, or if he has reached his twenty-second birthday, on July 1st of the calendar year in which he seeks to be appointed a cadet, he will be ineligible for appointment.

(b) He must satisfy the Commandant of the Coast Guard as to his good moral character and standing in the community.

(c) He must satisfy the Commandant of the Coast Guard that he has sufficient credits in prescribed subjects to justify his being designated for examination.

### Must Be Single

(d) He must be single, and have never been married.

(e) He must be physically sound and not less than 5 feet 4 inches nor more than 6 feet 6 inches in height.

## Parsons To Talk At FJC Monday

Ray Parsons, a local representative of the United States Department of Agriculture, will talk to Fresno Junior College students Monday at 11:15 AM in Science Annex 1 on the University Avenue campus.

Robert P. Hansler, the FJC technical division chairman, said Parsons will speak on employment possibilities in engineering and related fields with the department.

Parsons will discuss opportunities students will have for full time, part time and summer jobs.

## Students Can Obtain Blanks For Awards

The Elks National Foundation Trustees announced that \$30,000 in scholarship awards will be distributed at the 1957 Grand Lodge Session.

Fresno Junior College students interested in participating should obtain a blank entitled "Memorandum of Required Facts" and a green and white sheet which states the form to be used by the student for presentation. These can be obtained from Archie Bradshaw in Ad-116. Bradshaw is the chairman of the scholarship committee for FJC.

## Student Trio Attend Confab In Sacramento

Three Fresno Junior College students accompanied a group of Fresno State College students to the California State Teachers Conference in Sacramento on Nov. 17.

Those who attended were Magdalena Canales, Lillian Carrillo, and Bernie Mitchell. These students are scheduled to report on their activities in Sacramento at the next meeting of the CSTA group.

Tuesday, Nov. 27, three students, Jean Zerkas, Ruth Allen, Mitchell, and Miss Kate Darling, advisor, attended a meeting of the Fresno State College chapter of CSTA. The meeting was in the form of a panel discussion entitled, "What I Look For In A Teacher."

Last week at a special meeting of the CSTA group, Lowell Spencer was introduced as an additional sponsor for the club.

Sharon Hussey and Mitchell were elected as the CSTA king and queen representatives for the Christmas Dance.

Plans are underway for a membership drive to be held in the near future.

## FBLA Reps To Attend Conference

Representatives of the Fresno Junior College chapter of the Future Business Leaders of America will attend Fullerton Junior College Saturday, when Fullerton plays host to the Future Business Leaders of America chapters of the central section.

The Fullerton conference will be the only opportunity which the college chapters will have to meet before the state convention.

The purpose of the conference is to discuss problems of concern to all college chapters, Phi Beta pins, local chapter relationship with the state chapter, how to interest business clubs in joining FBLA, and money-making projects.

Those members who definitely plan to attend Saturday morning at 9:30 are Dottie Rubald, central section vice president; Richard Gentry, FJC first vice president; Rochelle Harford, FJC secretary, Alice Alvarez, Angelo Cisneros, and Braxton Henderson, advisor. Others may attend who have not, as yet, signed to do so.

## Nurses Will Take Exam December 11

Robert P. Hansler, chairman of the industrial education division at FJC, has announced that the Vocational Nursing entrance examination, which is required of all applicants for the Vocational Nursing course, will be given on Dec. 11 at 9:30 AM in Room 200, McLane Hall on the University Avenue campus.

After passing this aptitude test and a physical examination, all women interested will be eligible to enroll in the three semester course which will start in February.

Hansler said that women interested in taking this course should see Mrs. Mildred C. Bosteder, Vocational Nursing instructor, for an interview any Monday or Wednesday from 1-3 PM in Room S31 on the "O" Street campus. Applications may be completed in B3 on the "O" Street campus at the time of the interview.

## Farmer Will Tell Of Russian Visit

A Dinuba farmer, who spent the past summer visiting Russia, will present an illustrated lecture on "Religion in Russia Today" in Room M-211, Dec. 12 at 12:30 PM.

The farmer, John Krause, whose visit to the Soviet Union was at his own expense, will be presented by the Inter-Varsity Christian Fellowship of Fresno Junior College. Dr. Lee Roy Just is sponsor of the group.

Krause will illustrate his lecture with color films, which Just describes as being moving and dramatic. Many valley groups are requesting him to give his report, which has proven to be highly interesting. He was one of 1,500 Americans allowed to enter Russia last summer as visitors.

## Selective Service Board Gives Students Information On Classification Notices

By EDDIE BRIGGS

Male students of military age who have not seen military service will be interested in the following information released by Lt. General Lewis B. Hershey, of the Selective Service Board.

After registering with the local draft board, a period of time will elapse before the student receives a Classification Questionnaire. The questionnaire must be filled out and returned to the board within 10 days after it was mailed.

When the student is classified, he will receive a Notice of Classification. If the student feels that he has been improperly classified, he should appeal to the board within 10 days stating his reasons. He will then receive another notice of classification, providing the board determines whether or not the registrant's application should be reopened.

### Tests To Be Given

The Selective Service College Qualification Tests will again be administered on April 18, 1957, by the Science Research Associates of Chicago, Ill. A similar test was given last month. Students are

permitted to take only one test after he is in attendance at a college or university. Students may obtain the forms to be used in applying for the test from any Selective Service Board. The deadline date for making application for the April test is midnight, Tuesday, March 5, 1957.

A score of 70 is required for an undergraduate wishing to be considered for IIS deferment based on the results of the test. This is an important factor in determining his eligibility for consideration for a college student deferment. Another criteria used in establishing eligibility for deferment is his class standing. Under this criterion, the following applies: In the first or freshman year, the student must achieve a scholastic standing which ranks him within the upper one-half of the full-time students in his class to be eligible for deferment in his sophomore year.

In the sophomore year, the stu-

dent must rank within the upper two-thirds of the male members of his class in order to be considered for deferment in his junior year. In the junior year, he must rank in the upper three-fourths of the male students in his class to be eligible for deferment to complete his fourth year.

### Must Score 70

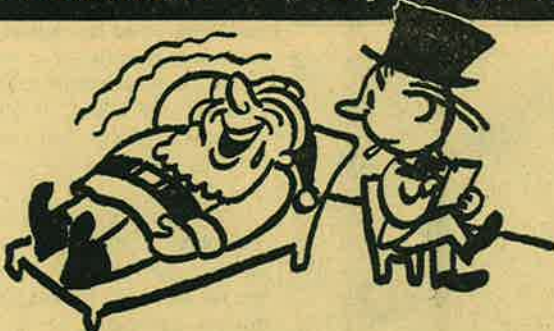

A test score of 70, or a class standing in the upper-three-fourths of the male members of his class, prevails for all undergraduate work.

The Selective Service Board recommends that all students take the Selective Service College Qualification Test, even though they might be enrolled in an ROTC program.

Further information regarding selective service deferment may be obtained from the local board located in the main Post Office building.

# Fresno Travels To Basketball Tourney

By JOHN HAUGAN

The Rambling Rams of Fresno Junior College take to the tournament trail this weekend, December 7-8, as they travel to Bakersfield for the second annual Bakersfield College Invitational Basketball Tournament.

Heading up the list of eight teams entered in the tourney is Orange Coast Junior College of the Eastern Conference; Los Angeles Harbor Junior College and Bakersfield College, Metropolitan League; Hartnell College and San Jose Junior College, Coast Conference; Fresno Junior College and Coalinga Junior College, Central California Conference; and Glendale Junior College, Western States Conference.

## Fullerton JC Stops Rams In Overtime

Fresno Junior College opened its basketball season last Friday evening and almost toppled favored Fullerton Junior College, before losing, 82-78, in an overtime period at the Yosemite Junior High School gymnasium.

Blowing hot and cold the Rams got off to a fast start behind the shooting of 6'4" center Warren Schmidt. Schmidt seemed to be all over the court and his shots came out of nowhere, completely befuddling the Hornets. He alone accounted for 20 of the 36 points scored by the Rams during the first half.

The Hornets started hitting in the third period behind the flashy performance of guard Jerry Primm. Primm made himself known on defense and netted 27 points on offense to spark the Fullerton five. By the end of the period the Hornets had tied the score at 53-53 and FJC appeared to be on the skids.

The fourth period found both teams jockeying back and forth for the lead.

The final seconds had the score tied and Ram guard Stan Bush on the free throw line, for two charity tosses. Bush sank both buckets but Primm promptly dropped in a jump shot from the free throw line to send the game into the extra period knotted at 78-78.

The overtime period proved the Ram downfall as the Hornets scored first and kept the lead and final victory.

Schmidt walked off with scoring honors with 32 points, followed by smooth working guard Ben Eichman with 19 points.

Commenting on the game, Coach Joe Kelly said, "I was fairly well pleased with the game although our defense left much to be desired and we made a lot of "nickle" mistakes. Alton Davis' rebounding came as a pleasant surprise."

is Orange Coast Junior College of the Eastern Conference; Los Angeles Harbor Junior College and Bakersfield College, Metropolitan League; Hartnell College and San Jose Junior College, Coast Conference; Fresno Junior College and Coalinga Junior College, Central California Conference; and Glendale Junior College, Western States Conference.

### Finished Second

FJC placed second in the tourney last year, defeating Santa Barbara Junior College, 82-71, and Edwards Air Force Base, 68-67, before losing in the championship finals to Bakersfield College, 60-51. In the Bakersfield game it appears that one of the Ram starters, Huey Davis, got married, leaving out one of the top Ram scoring punches.

The Rams meet top seeded Orange Coast at 12:30 PM, Friday to begin their quest for top honors. If the Rams win the first contest, they play again that evening at 8:30 PM. Should the Fresno five lose, they drop into the consolation bracket and play the next day.

### Brown Returns

Good news for the Rams is the return of hard driving forward Al Brown. Brown has suffered from an ankle injury and in the Fresno State scrimmage it was feared he had re-fractured it. X-rays showed negative, only a bad bruise, so Brown is a probable starter against Orange Coast.

An added feature will be special game between UCLA and Santa Clara University at 9 PM Saturday.

The Rams will leave Friday morning at 9 AM and will reside at the Padre Hotel while in Bakersfield.

### Probable Starters

Guards, Eichman and Gambrell or Zimmerman; center, Davis; forwards Brown and Schmidt.

## Wrestling Notice

Coach Hans Wiedenhofer has put out a call for all men interested in competitive wrestling. For information see Wiedenhofer in the men's PE office.

TWO POINTS — Warren Schmidt (13) scored two points in this action Friday night against Fullerton Junior College. Going up with Schmidt is Ram center Alton Davis (17), while Bill French (11) and Bill Hazman (13) of Fullerton look helplessly on.

## Thrills Spark Mexico Trip For Gridders

By BOB RIOS

Thrills and excitement highlighted the trip to Mexico for the members of the Fresno Junior College football squad in the game against Polytechnic Institute of Mexico.

Upon leaving by airplane from Tijuana Thursday afternoon, some members of the squad may have lost their breath for a few minutes when only several miles out of Tijuana the right engine of the airplane died out, but the pilot was able to feather the engine back into TJ.

After a delay of four hours in repairing a clogged oil line the journey to Mexico City was resumed and a tired but eager group finally arrived at 11:30.

After breakfast, sight seeing was the main objective for the players, coaches, and faculty, who headed for the far and wide corners of interest in Mexico City.

The points of interest were many as the group soon found out, but the most outstanding was the palace of Emperor Maximilian, who ruled Mexico during the 19th century.

The University of Mexico was another marvel that left quite an impression upon the group, especially the architecture of the different buildings and the beautiful scenery that surrounds the campus.

Coach Wiedenhofer said, "I was amazed at the contrast of the city itself, for in many parts of the city the buildings were three to four hundred years old, while in other parts the buildings were of very recent construction."

## Margaret Tylor Becomes First Woman Tennis Coach At Fresno Junior College

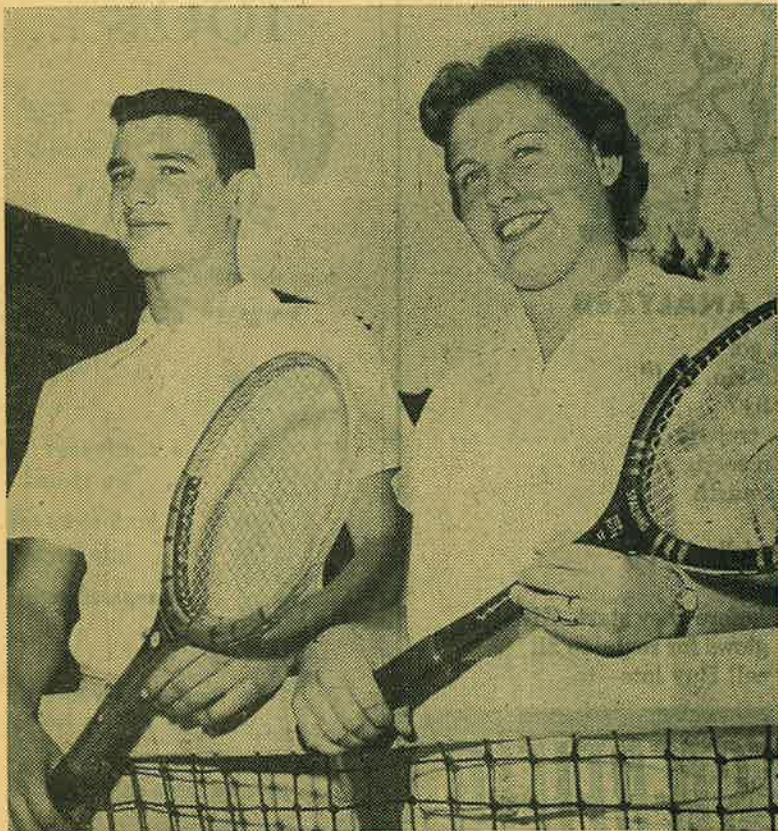

The Fresno Junior College competitive sports take a new form next semester, when Miss Margaret Tylor, Physical Education instructor, assumes the job of coaching the Ram tennis squad.

Tennis goes into its third year here on the JC campus, but acquires its first woman tennis coach in actual competition against other schools in the valley.

A graduate of Kerman Union

High School and Fresno State College, Miss Tylor shows a more than adequate experience in tennis. She has played in various tournaments throughout her high school days and was a member of the Fresno State tennis squad.

Miss Tylor said, "I would like to have people who have a little experience or knowledge of tennis, and prefer an even amount of men and women for the squad."

CHAMPS — Champions of the recent intramural tennis tournament are Tom Lahanas and Katherine Podsakoff. Lahanas and Miss Podsakoff won the men and women's singles.
