George C. Holstein, dean of admissions, announced Tuesday that Fresno Junior College spring enrollment totaled 2,392.

Holstein stated that there were several hundred evening students and about 100 day students expected to register late. FJC has 1,202 day students and 1,190 in night classes. Included in the day total are 74 high school students who attend the junior college shop classes half their school day.

Veterans Enrollment

FJC has the largest number of veterans enrolled under veterans subsistence laws in its history, with 623 registered by Tuesday. The total is 38 more than the previous record of 585 in the spring term of 1955. The total in the fall semester was 529.

Harvey W. Lovelace, a night student majoring in business administration, is the only veteran signed under the provisions of the World War II GI Bill, Public Law 346.

FSC, FJC Share Site Until 1960

Earl H. Wight, dean of educational services at Fresno State College, said that FSC probably will not be moved entirely to its new Shaw Avenue campus until 1960 and will jointly occupy the old FSC campus on University Avenue with the Fresno Junior College until that time.

However, he indicated a 90 per cent move by 1958 will be possible if the college's building program proceeds as expected.

Members Of Panel

Wight was one of five members of a panel on "So The People May Know" forum on KMJ-TV Sunday afternoon who discussed whether or not FJC should take over the old FSC campus.

Other members were FJC President Stuart M. White, Charles Pashayan, chairman of a citizen's committee studying the proposed purchase of the campus by the Fresno City Schools; J. C. Trombetta, the city schools' business manager, and Arthur L. Selland, president of the Fresno City Board of Education.

White Gives Views

White stated that a survey showed there are now 68 classrooms available on the old FSC campus and an estimated 102 rooms will be needed. He said shops for the trade and industrial division would be especially needed, requiring from 100,000 to 125,000 square feet of floor space in new buildings.

Dean James M. Malloch, a member of the board of education, was the moderator on the half hour program which starts at 3 p.m. each Sunday.

Pashayan said he feels the committee favors the purchase of the campus at the most reasonable price the state will set rather than the building of a new campus for FJC.

Trombetta said a new campus for 3,000 students would cost at least nine million dollars. White, who reviewed the history of FJC since its establishment in 1910 as the state's first junior college, said the fall enrollment of 2,800 and the indicated future growth would mean the necessity of about 34 more classrooms than the FSC campus now has.

Card Sales Top Last Semester

Stan Tusan, the student body treasurer announced today that 1,063 student body cards were sold by last Friday compared to 1,055 last fall.

Gene Francis, student body president, announced that a spring semester budget meeting will be held Wednesday at 7:30 p.m. in the Ramble Inn.

Maxwell, Barrios Head Freshmen

Muriel Maxwell was elected president of the freshman class on the main campus, while Ruben Barrios was selected by the 13 year students on the FSC campus as their president.

Maxwell succeeds Glynn Bryant and Barrios will follow Fred

AMS Officers Blasted By Not Announcing Meeting

Are the officers of the Associated Men Students trying to make a farce of the AMS?

One example of this is the meeting that was supposed to be held last Friday, but the president changed his mind and re-scheduled the meeting.

The president should have had courtesy to announce the change of date in the bulletin. What we don't understand is that the vice-president was there and the rest of the officers were not. If the officers cannot inform themselves, there must be something wrong.

A photographer was there to take a picture of the officers. The rest of the officers did not show up so the photographer nearly blew his top.

We did not go to the meeting for our health! —Cecil Tange

Fresno Racks Up Seventh League Win Over Reedley

The pace setting Fresno Junior College Rams, playing brilliant ball through the last three weeks, have swept through six basketball games in winning style.

Included in the victories was a 65-58 win over Allan Hancock of Santa Maria, a 79-64 victory over COS, 89-67 win over Coalinga, 83-68 win over Bakersfield, a 94-76 win over the FSC Frosh and a 70-65, victory over Reedley last Saturday night.

Sport 7-0 Record

The Rams now have a seven win no loss record in CCJCA play and are practically conceded the title.

Saturday night the Rams won the game on the free throw line, scoring 18 points in 26 foul tries compared to 13 of 21 for Reedley. Both teams had 26 field goals.

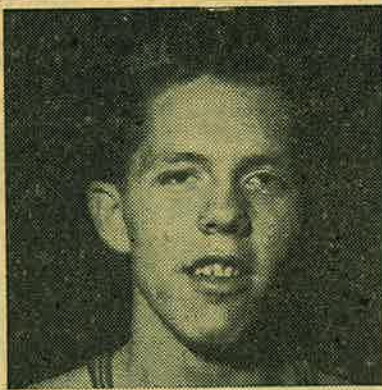

The Tigers jumped off into a brief lead, leading 23-19 just before the half. At the intermission the Rams led 31-29.

Late in the game Reedley pulled into a 59 all tie. With four minutes to go the Rams went into a stall and maintained control, taking advantage of the fouls resulting from Reedley's over-eagerness.

Scores 23

Fresno's Huey Davis took individual scoring honors with 23 points.

Gary Alcorn, Davis, and Al Brown topped the Fresno scoring through the six games with 137,

BEN EICHMAN
... Guard

106, and 93 points respectively. Ben Eichman and Polly Carver were next with 35 points each.

The Rams obtained two new players during the past week in the person of Bobby Palacios and Chuck Wimer. Palacios is formerly of Edison High School and Wimer is from Fresno High.

SPORTLITES

By RUBEN BARRIOS

Coach Joe Kelly's Ram quintet seem well on their way to capture their third consecutive Central California Junior College Association basketball title.

The Rams, holding a perfect 7-0 record in CCJCA play, and not tasting defeat since losing to Los Angeles City College, 85-76, in the Modesto tournament, now need only to get past Taft and Allen Hancock in that order to be assured of the conference title.

That would give the Rams a 9-0 record with only weak Porterville College and Coalinga Junior College to clash with before the College of the Sequoias tilt.

COS will have a tough opponent in Reedley Junior College Friday night. The Tigers gave FJC a scare before bowing to them 70-65 Saturday night in Reedley.

Allen Hancock of Santa Maria, the only other team figured to give Fresno any trouble, will play host to Taft College in what should be an easy victory for Hancock.

Porterville JC, who holds fifth place in the standing, will entertain Coalinga tonight and meet Reedley Saturday night.

Ram Nine To Play Modesto Tomorrow

Baseball season for the Fresno Junior College Rams will get under way tomorrow when they meet Modesto Junior College in Modesto. Game time will be around 2:30 p.m.

There are still some battles going on for several positions. At first base Bob Stanfield from Madera appears to have an

edge right now, but is getting strong competition from Ruben Barrios. Basketballer Huey Davis is expected to give both a run for their money as soon as the cage season ends.

Kalem Barserian, another candidate for first base is out with a back injury and may be lost for the season.

Fight For Second

At second base the fight is on between Larry Garcia and Pat Foley, with Garcia having the edge. At the hot corner two basketball players, Don Birkle and Ben Eichman plus Don Rossi are battling it out.

At the short patch Dorman Martin, ex-Roosevelt and FSC Frosh player, looks to be a shoe-in. Behind Martin is David Nozuki.

In the outfield Coach Clare Slaughter has Floyd Linderman, Larry Kaprielian, Larry Keller, Tony Masakian, and Bob Wagner. Linderman, from Roosevelt, was

in the service last year and should provide the Rams with power at the plate. Kaprielian played for Roosevelt two years ago before coming to FJC, he didn't play last year.

Keller, who pitches also, is from Roosevelt and should provide the Rams with speed in the outer garden. Masakian is from Sanger and Wagner's from San Joaquin Memorial.

Behind the plate, Slaughter has Eddie Astone and Dick Kelton. Astone probably has the better arm while Kelton wields the bigger stick.

Toiling on the mound for the Rams this year, besides Keller, will be holdovers John Troxel and Jim Call, plus prepster Freddy Garcia from Roosevelt and former service men Chuck Wimer, Tom DeVecchio, and Russell Tipton.

The Rams will leave for Modesto tomorrow at 11 a.m.

Rams Host Cellar Taft Tomorrow

The Fresno Junior College Rams, perched atop the Central California Junior College Association basketball standings, should have an easy time tomorrow night when they play host to the winless Taft College Cougars in the Yosemite Junior High School Gymnasium. The tipoff is scheduled at 8:00 p.m.

Fresno, who ran wild against the hapless Cougar five on its previous meeting, will be heavily favored to add one more win to their string of seven in league play.

The Rams, currently holding a 22-4 season record, are led by their big center, Gary Alcorn, who is

Rally Committee Plans Dance Tomorrow Night

well over the 400 point mark in scoring. Fresno Coach Joe Kelly has two other starters that are also high scorers. Huey Davis and Al Brown, both forwards, usually score in double numbers.

Ben Eichman has moved ahead of Marion Daniels and is now a regular starting guard. Eichman has picked up his scoring in the past few games and the other starting guard, Polly Carver, is the playmaker and is also considered a scoring threat. Eichman and Carver are top ball handlers.

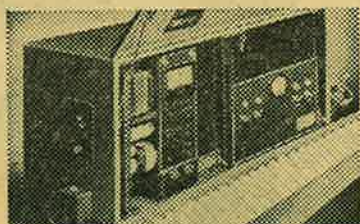

With Kelly's deadly front line and his capable guards the Rams should not have too much trouble with the Cougars. Kelly has good depth in Dick Payne, Marion Daniels, and his two newcomers, Bob Palacios and Chuck Wimer.
