## 25 Will Participate In Government Meeting

Approximately 25 Fresno Junior College students are scheduled to participate in the Central California Junior College Student Government Association Conference March 10 in Porterville with all nine of the Central Junior College Association member colleges represented.

Joe King, who is the adviser of the student government workshop, stated that the convention is divided into several workshops, each covering a specific phase of student government.

### Purposes Of Conference

He also said that the purpose of the annual one day affair is to give students an interest in student body government, to evaluate their own student governments, and to afford the different schools an opportunity to exchange ideas concerning the operation of student government.

## Talent Show Will Feature New King Cole Contest

Al Copus, chairman, said that something new has been added to the Talent Show, which will be held on Friday, March 16, in the Fresno Memorial Auditorium.

He said each club represented in the program will select a King Cole representative, and that the winning king will reign over the Talent Show.

### One Vote, One Penny

The balloting for the kings will be done by putting money in cans, with each penny counting as one vote. Each club and candidate will have two cans, one on the Fresno State campus, the other on the main campus. Voting starts Monday.

Talent Show committee will count the votes the day before the show, and the winning candidate will be announced at the beginning of the show.

### King Contest Chairman

Lois Raybourn was appointed chairman of the kings' contest.

Copus said that a budget was set up by the committee at their last meeting. He said for any club which is to participate in the show and needs money for costumes or scenery a \$5 budget for each club has been allotted. For additional information on the budget plans, one may see Dorothy Rubald, chairman.

Three rehearsals have been scheduled. They are tomorrow at 2 p.m. in S10; March 8 at 3 p.m. in the FSC campus gym, and on March 14 at 2 p.m. in the Fresno Memorial Auditorium.

Copus said he plans to meet with the club representatives today at the Intra-Club Council meeting.

## Faculty Club To Institute Scholarship

Members of the FJC Faculty Club unanimously voted at the last faculty meeting to institute a scholarship fund of \$50 per semester. The first award will be made for the fall semester of 1956.

All graduating high school students in Fresno County may submit their application to the scholarship committee of FJC.

The award will be made on the basis of leadership, extra-curricular activities, and scholastic ability.

The Faculty Club's scholarship committee, which is headed by Archie Bradshaw, will be in charge of collecting \$1 from each faculty member. This sum will comprise the scholarship fund.

Members of the committee are Jackson Carty, Mrs. Edna Hartley, Miss Kate Darling, Joe Woodman, and Merle Sons.

John McCarthy is president of the Faculty Club.

# Rams Will Play In State Tournament

By Mike Hartman

The Fresno Junior College Rams will be the Central California Junior College Association representatives in the State Junior College Basketball Tournament in Fullerton on March 8, 9, and 10.

The Rams won the right to play in the tourney by beating College of the Sequoias Saturday night and being declared CCJCA champions. This is the third consecutive title for the Rams.

### Rams To Play LACC

Coach Joe Kelly's crew will play Los Angeles City College in the opening round of the tourney. LACC has won 35 consecutive games and has beaten Fresno twice in tournament play this year.

Saturday night the Rams were sparked by Gary Alcorn, Huey Davis, and Al Brown in their 76-63 win over COS.

Although the Giants trailed the Rams all the way, they proved troublesome and were never completely out of the game.

### Alcorn Leads Scoring

Alcorn, playing tremendous ball in the first half, led both teams in scoring with 29 points and was a demon on defense grabbing a good share of the rebounds and batting down several COS shots.

Davis scored 19 points, several of them coming on twisting jump shots. Brown made most of his 15 points on jump shots from the key.

Coach Polly Wilhelm's squad was hurt in the final five minutes of play due to the loss of Eddie Mitchell and Randy Grant via the foul route.

Mitchell was second only to Alcorn in scoring, countering 28 points.

### Rams Pull Ahead

After leading 42-33 at halftime, the Rams were able to maintain a steady 10 to 16 point lead in the second stanza.

Fresno played three other games during the last two weeks, winning two and losing one. The Rams smashed Porterville 90-58, and Coalinga 88-63, and lost to Allan Hancock of Santa Maria 90-66.

## Council Approves Spring Budget

The budget of \$6,410.81 to operate the various activities of the Fresno Junior College for spring semester was approved by the student body council at a special meeting, February 21.

The annual budget request for 1955-56 was \$20,626 of which \$19,091.81 (\$12,681 for fall semester) was expended or will be used and any balance left over will revert back to the general fund at the end of the year.

The general fund of the spring semester is \$11,556, which came from the sale of student body cards.

Representatives of football, conference, oral arts, and rally did not request any money for the spring semester at a preliminary budget meeting held on February 15 in the Ramble Inn because these activities had money left over from the fall semester or will be inactive during the spring semester.

The least amount of money was requested for scholarship, \$23.40.

Rampage was granted \$1,250, but the yearbook will have the most amount to operate, \$2,814.39 because it had requested \$1,000 and had a balance of \$1,814.39.

DONATIONS—Archie Bradshaw, director of guidance, at center, accepts \$1 donation from Ray McCarthy, left, president of FJC Faculty Club and Stuart M. White, president of FJC, for the club's scholarship fund.

## Few Show Up At Frosh Tryouts For Talent Show

On February 23 tryouts for the Spring Talent Show were held by the freshman class to select a participant to represent the class in the Talent Show on March 16. I went to the tryouts as a representative of the Talent Show committee.

There in B9 on the main campus were a handful of freshmen, approximately eleven of them, eagerly anticipating a large turnout. But what a disappointment these students got. Only two people tried out, and one of those was an officer of the class.

Ruben Barrios, class president on the FSC campus, said that he is disappointed about the attendance record of the class. He said, "When meetings are scheduled only a few of the class students attend, however, when the picture of the class was taken for the FJC yearbook, everyone showed up."

Barrios said that there are a few faithfuls in the class, who help in class projects, but these students are not enough.

Barrios said that the class meets on the second and fourth Thursdays of every month. He urges every freshman to come and help participate in class projects.

## COS Fans Praised For Sportsmanship

If the losing team rooters can play and sing their school's alma mater, why can't the winning team rooters at least make an attempt to do likewise?

It was disheartening to the eyes and ears Saturday night after the champion Rams of Fresno JC disposed of the College of the Sequoias, when all the Ram rooters just walked across the gym floor without even praising the team for its wonderful talent.

As the Ram fans trekked across the floor, the COS fans stood for their alma mater, showing the faith they had for their team.

We can boast that we won from the floor, but for the true spirit, we fell in defeat.

## Registration Sets New JC Record

George C. Holstein, dean of admissions and records announced that the spring semester registration totals 2,868. This total includes 1,447 day students, the largest spring day enrollment, in the school's history, and 1,421 night students.

He said 690 junior college students are enrolled under veteran's subsistence laws, four of them are women. They are Delores J. Pirrman, 306 Lansing Way, enrolled in night classes; Daisy Blackwell, 666 North Fifth Street; Juanita Mann, 4486 Church Avenue; and Mrs. Charlotte Sybolt, 1116 Orchard Street, enrolled in day classes.

Holstein stated that Harvey W.

Lovlace is the only veteran under the World War II G. I. Bill, Public Law 346. The others include 690 under Public Law 550, the Korean G. I. Bill; 18 under Public Law 16, the Rehabilitation Act; and three under states subsistence.

#### Phi Beta Lambda

Members of Phi Beta Lambda, FJC's chapter of the Future Business Leaders, attended an executive board meeting in February in Long Beach.

Students from FJC who went to the meeting are Barbara Wilkinson, Shirley Upperman, Mary Lantotte, Ray Palacios, and Dottie Rubald.

Mrs. Edna Hartley and Braxton Henderson, sponsors, accompanied the group.

The Phi Beta Lambda, FJC's Future Business Leaders of America, will have an initiation dinner Tuesday in the Ramble Inn at 6:30.

Initiation is now going on until tomorrow. During this week students have been wearing unusual garments. Women have been wearing three different colors of nail polish. Men have had to wear their shirt or jacket backwards.

## Gerald Philbosian Claims 3 Different Nationalities

Gerald Pilibosian, 19, is a Cuban by birth, an Armenian by descent, and an American by acceptance.

Pilibosian was born in Havana, Cuba on January 5, 1937. Although he left Cuba at an early age, he still remembers the country well.

"Cuba is the land of paradise," says Philbosian. "It is one of the top tourist spots in the world, and is famous for its harbors, beaches, and casinos."

He stated most of the Cuban people are living on a low income. Education is not stressed, and the temperature is 65 to 95 degrees all year around.

"The government is not too stable," says Philbosian. "Anyone with sufficient men and arms can overthrow the government like the present Cuban President Batista has done."

#### Cuban Customs

"On New Year's Eve," he says, "the custom is to throw water from the balcony at midnight. Another custom is having a pig as the main dish on Thanksgiving instead of the traditional American turkey."

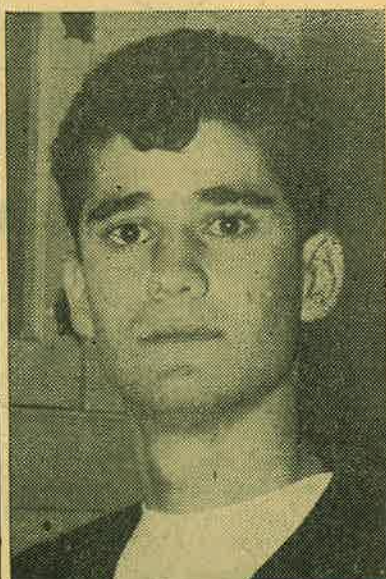

In August 1948, the Philbosian family arrived in the USA via Miami, Florida, and then to Worcester, Massachusetts. Two years later, they moved to Fresno.

#### Attended Fresno High

Here, Philbosian attended Jefferson Grammar School, Washington Junior High, and later Fresno High School.

He became interested in athletics at Fresno High. He played varsity baseball and basketball.

Philbosian is majoring in Spanish, and he plans to teach.

# White Leaves For New York For AAJC National Confab

President Stuart M. White of the Fresno Junior College left for New York City yesterday to attend the national convention of the American Association of Junior Colleges scheduled on March 8.

Delegates to the convention will also participate in a nursing education workshop March 5 and 6 in the Teachers College at Columbia University and will visit the United Nations headquarters on March 7.

The association's president, Edward G. Schlaefter, dean of Monmouth Junior College in Long Branch, N. J., will address the opening session March 8 at the Hotel Statler. The sessions will continue until March 10.

## Eleven Attend Meeting

President Stuart M. White, J. P. Collins, dean of instruction, and nine members of the general education division faculty attended the central regional conference on lower division programs for elementary teaching at Fresno State College Saturday.

FJC general education delegates to the conference sponsored by the California Junior College Association and the California Council of Teacher Education were John Mock, Miss Kate Darling, Dr. Lewis Follansbee, Joseph King, John McCarthy, Mrs. Hazel Pedersen, Lowell Spencer, and Paul Mueller.

## Auditors Still Accepted

Stuart M. White, president of the Fresno Junior College, announced students in limited numbers may still enroll for the spring semester in most of the day classes on an audit basis.

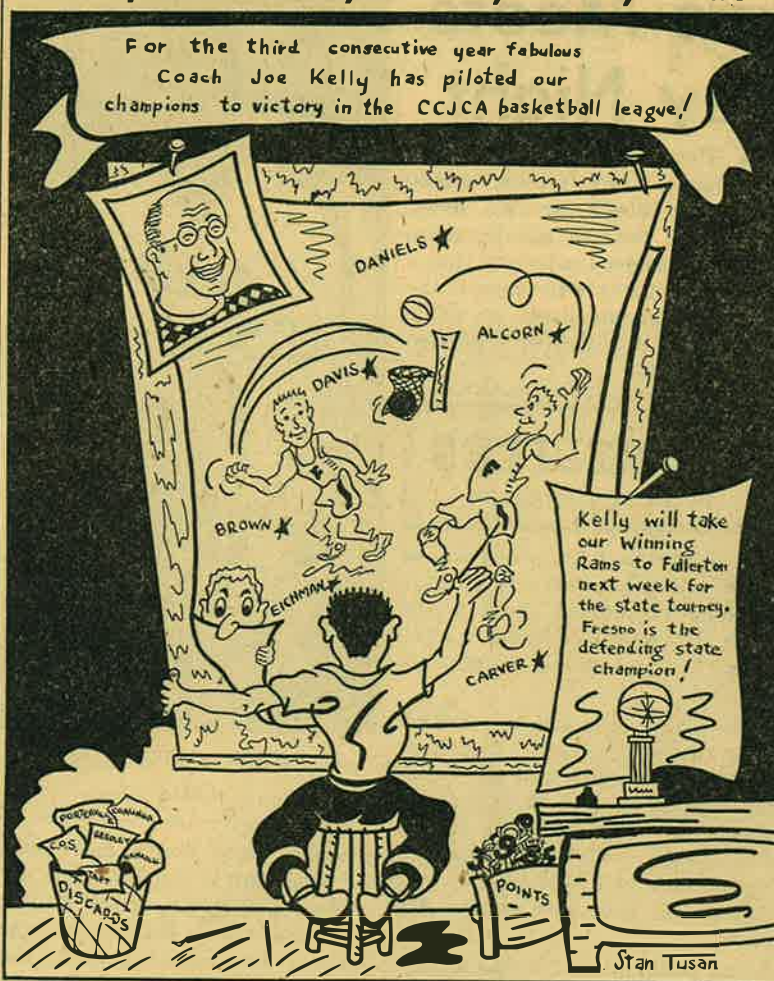

White stated, however, that day sections are closed because of the large enrollment of approximately 1400 students. The closed classes include 24 on FJC's main campus and 31 on the Fresno State College campus.

## Henderson Seeks Term

Wallace D. Henderson, Fresno Junior College history and government instructor since last fall, is seeking reelection in the June 5 primary election.

Henderson, who has already served three terms in the state assembly, said he will crossfile for the Republican nominations as well as the Democratic.

## Fresno JC Nine Meets Coalinga Friday Night

The Fresno Junior College Rams will travel out of town this week to play the Coalinga Junior College Falcons Friday night in their first Central California Junior College Association baseball game. The Rams will also meet Bakersfield in a double header Saturday.

Ram Coach Clare Slaughter said he expects a tough game Friday against Coalinga. The Falcons and College of Sequoias are regarded as probably the toughest teams in the league. So far this year, the Falcons have won four games, beating Modesto twice, by scores of 2-0 and 4-3, and defeating the Fresno State College JV's in a double header.

### Have 2-1 Record

The Rams this year have won two and lost one, beating Modesto twice, 5-4 and 6-3 and losing to the FSC JV's 10-6.

"Bakersfield has not played yet this year but are nearly always tough," said Slaughter. Fresno was scheduled to play the Renegades last Friday but the game was postponed due to wet grounds.

Slaughter said that the Rams are beginning to shape up now, and are looking pretty good. "When we get a couple of the boys from the basketball team we should win our share," said Slaughter.

### Starting Lineup

The probable starting lineup for the Coalinga game will be: Ed Astone, catcher; Ruben Barrios,

Dick Kelton, or Kalem Barserian, first base; Larry Garcia, second base; Don Birkle, or Don Rossi, third base; Dorman Martin, shortstop; and Floyd Linderman, Larry Keller, and Larry Kaprielian in the outfield. Slaughter said he would start either Jim Call of Fred Garcia on the hill.

## SPORTLITES

By RUBEN BARRIOS

Baseball season has rolled around again and if you were to go pass Romaine Playground about 2 p.m. some afternoon you would see the Rams busily engaged in baseball practice.

The Rams, who are put through their paces by Clare Slaughter, appear to be pretty well set except for first base, and this situation should be remedied when basketball season completely folds and Huey Davis and Milt Wallabe can put in full time duty on the diamond.

The pitching staff seems a little shaky right now, but should prove

LARRY KAPRIELIAN  
... Outfielder

adequate. Fred Garcia has shown the most stuff of the hurlers so far.

Floyd Linderman, Larry Kaprielian, and Larry Keller give the Rams a good sound outfield and some heavy stickwork also.

## Lettermen, Freshmen Boost Tennis Squad

### Gary Alcorn Leads Rams In Scoring

Gary Alcorn, Fresno's 6 foot 8 inch center, led the Rams in scoring through the regular season. Alcorn scored 643 points in 29 games for a 22.2 point per game average. Included in Alcorn's 643 points were 246 field goals and 151 free throws.

Following Alcorn in the scoring were Huey Davis with 548 points in 30 games for an 18.3 average and Al Brown with 504 points in 33 games for a 15.3 average.

After these three the scoring was well scattered. Polly Carver scored 203 in 32 games for a 6.3 average; Ben Eichman scored 168 points in 32 games for a 5.3 average; Marian Daniels scored 133 points in 26 games for a 5.1 average; Dick Payne scored 113 points in 29 games for a 3.9 average.

Dean Larsen, Fresno Junior College tennis coach, has a good haul of freshman tennis prospects along with five returning lettermen practicing daily in preparation for the squad's first league match with Porterville, there, March 21.

With his array of new talent and his five returning veterans, Al Copus, John De La Rosa, Josephine Quintana, Eleanor Franco and Fred Keoseyan, Larsen, whose team placed second in the standings last season, believes his team will be stronger this year.

### Play Each Other

Larsen has his prospects playing each other to determine which player will be on top of the ladder to represent the school in the league matches.

Currently on top of the women's ladder is Louise Taylor, who played on the Selma High School team last year. Following Miss Taylor in order are Miss Quintana, Miss Franco, Ann Mowrey, and Rita Harris.

Stan Nielson is tops on the men's ladder and is followed by De La Rosa, Copus, Keoseyan, and Jim McGee.

## Rams Dump Pirates For Second Win

Fresno JC's baseball nine chalked up their second baseball victory of the season by dropping the Modesto Junior College Pirates 6-3 on the Romain playground.

Clare Slaughter's Rams pounded out 12 hits to give starting hurler, Jim Call, the win.

Fred Garcia relieved Call in the sixth frame and held the Pirates to two hits the rest of the way.

Modesto led off when Shortstop Pete Silva was safe on an error by Call when he missed first base in covering for a slow grounder to the first baseman.

### Silva Scores

Silva scored on a ground out after Fresno's third sacker, Don Rossi, missed a tag on Silva.

The other two Modesto runs came in when Terry Vitato hit a tremendous home run, scoring Jim Maraccini, who had reached first on a single, ahead of him.

The Rams collected two runs on a single by Dorman Martin and an error on the third baseman on Larry Keller's drive. Floyd Linderman brought them around with a sharp single.

FJC added three runs in the third stanza on singles by Larry Garcia, Keller, and Rossi and two miscues by Modesto.

The Rams converted a triple by Keller into their final run in the fifth when Larry Kaprielian sacrificed him in on a flyout to center field.

### Spark Rams

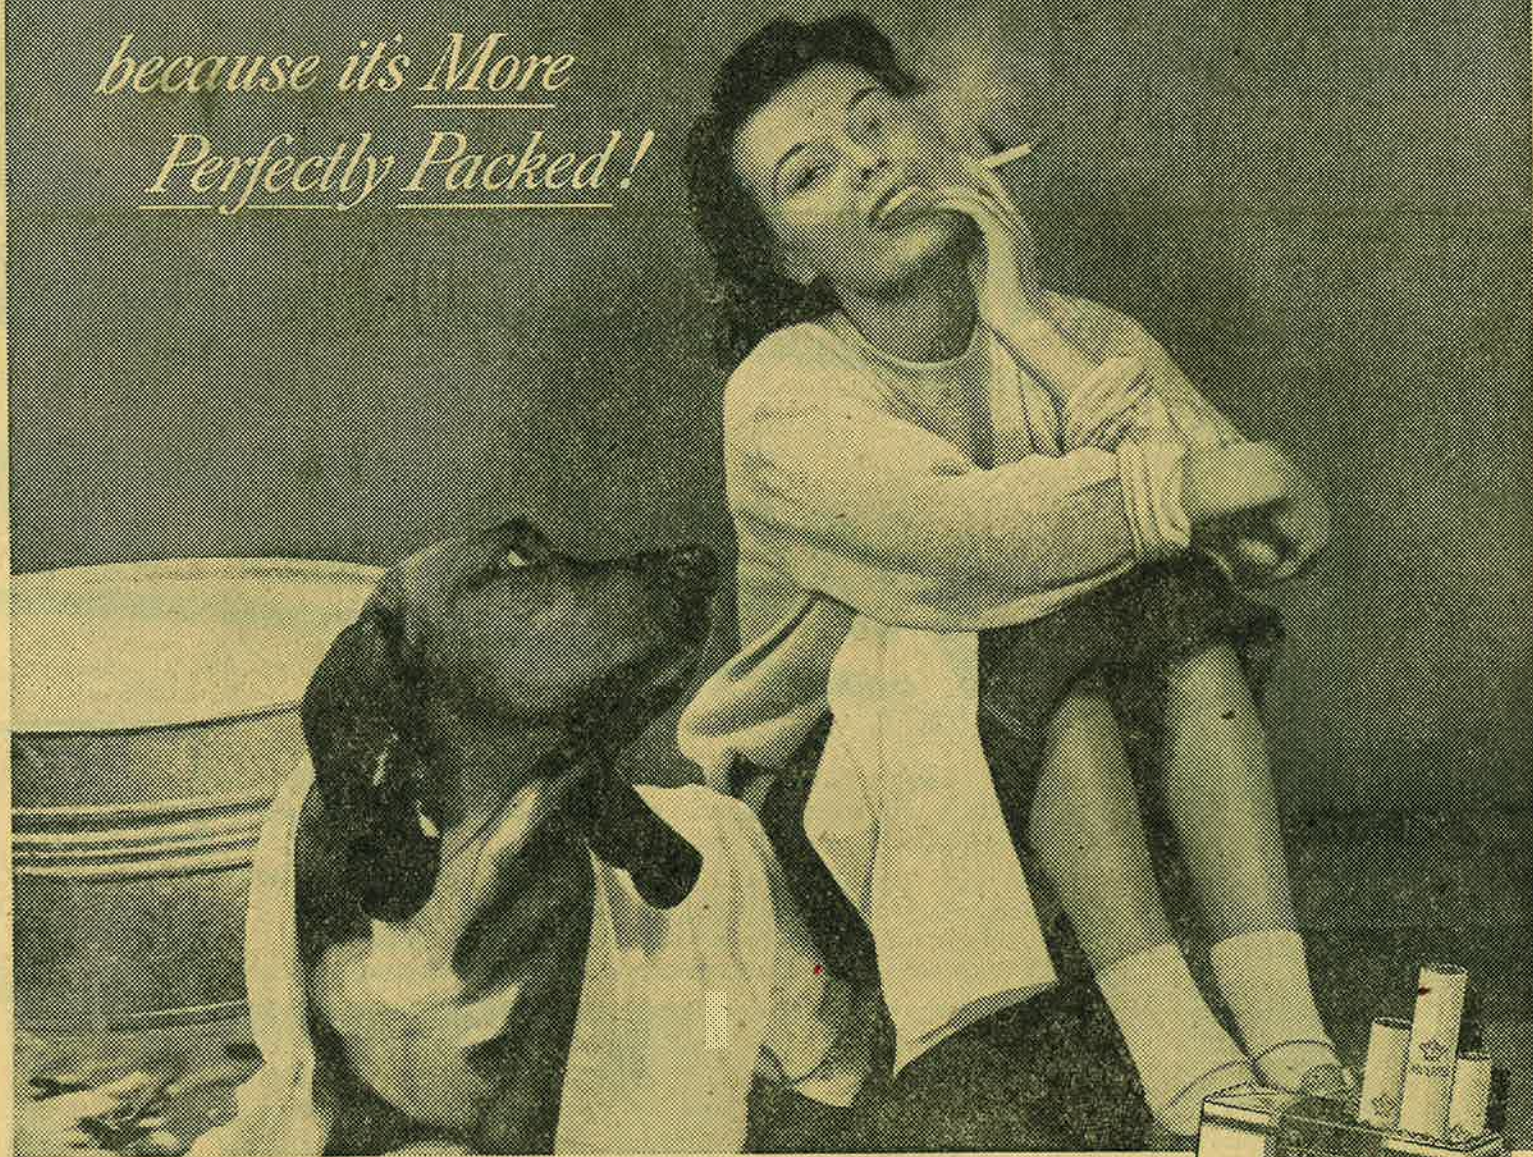

Keller with a triple and two singles and L. Garcia with three singles led the 12 hit attack for the Rams. Martin and Linderman had two apiece to follow.

Fresno felt defeat in their first encounter with the Fresno State College JV's last Wednesday by the count of 10-6. Slaughter started his reserves and a few mental lapses by the reserves gave the frosh four big runs.

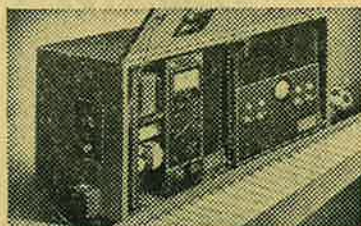

The Rams came back but the four runs proved to be the difference.
