## Rams Take Third At State Tourney

By MIKE HARTMAN

The Fresno Junior College Rams were awarded third place in the California State Basketball Tournament in Fullerton after winning two games and dropping one.

Thursday night the Rams upset the favored Los Angeles City College Cubs in the first round of play. The Cubs had won 35 straight games and were heavily favored to win the tourney. The score was 81-78.

### Harbor Wins Tourney

In the finals Harbor defeated Antelope Valley 82-72 to win the tourney and become state basketball champions.

Following the game the all star team was announced. Those who were selected were Val Padilla, Antelope; Jim Newman, Ron Reid, and George Padovan, Harbor, and Gary Alcorn, Fresno.

After the win over LACC, the Rams were favored to win their second consecutive state tourney, but were in turn upset by Los Angeles Harbor Junior College 73-68. Saturday the Rams easily defeated San Bernardino 94-66.

### Led Most of the Way

Fresno led most of the way against LACC, holding a 40-34 advantage at halftime and a 64-53 lead with eight minutes to play. With a minute and a half left the Cubs narrowed it to 79-74. Terry Bazardier sank a field goal and Joe James hit on two free throws to make it 79-78 with 13 seconds left.

Dick Payne, who had replaced Gary Alcorn when the latter fouled out with four minutes to go, came through to tip in a missed field goal attempt by Milt Wallace to clinch the victory.

Mack Taylor, 6 foot 1 inch forward, led both teams in scoring with 31 points on 13 field goals and five free throws. Huey Davis topped the Fresno scoring with 23 points followed by Alcorn with 22 and Wallace with 17.

## 656 New Books Added To Library

Jackson Carty, Fresno Junior College librarian, announced that 656 new books have been added to FJC's library this year.

Carty said the library now has approximately 7,000 volumes. He hopes that eventually it can be built up to 15,000.

He said the two biggest problems this year are the problem of the split campus and the fact that the library is still in the process of being transferred from a technical high school to a junior college library.

The library hopes to have better service when it is consolidated into one building on one campus. The budget for books has been increased so that more books in various fields can be purchased.

Carty is assisted by Darlene Horch. Student assistants are Jaquetta Richardson and Arthur Gurrola.

Library hours are 8 to 5 p.m. on the main campus and 8 to 4 on the Fresno State College campus.

Carty stated that the library staff appreciates the students' attitude and co-operation.

### AA Deadline Tomorrow

Tomorrow is the deadline for students seeking an associate degree in June to file an application with Mrs. Lena Fuller, school registrar, in the main office.

Friday, March 23, is the deadline for payment on caps and gowns in the bookstore.

## Court In Process Of Revising Constitution

By MIKE SMITH

Members of the Fresno Junior College reorganized student court are in the process of revising the student body constitution.

Cecil Tange, one of the judicial court members, reports that the department has discussed two major changes to date and has plans for several more in the future.

Tange stated that an addition to the executive department of the constitution is being sought. Currently there is nothing in the constitution regarding an established time or order for executive department meetings. The judiciary department plans to change this to at least one meeting per month by the executive department.

The group also has discussed a change in Clause 7, section C of the executive department. This clause states that cheerleaders are to be chosen at an early fall semester assembly by popular vote of the student body. Tange stated that this is not being done and that the judiciary department would like to revise the present constitution for the purpose of having the cheerleaders voted for rather than appointed.

The judiciary department of the Fresno Junior College student government has been meeting the first and third Tuesdays of every month at 11 a.m. in Room S-22. Court members include Ed Wilkins, the chief justice; Teresa Barile, Marland Steward, Tange, and Don Ball. Lucretia DeBenedetto is the court secretary.

The purpose of the department, as indicated by student body president, Gene Francis, is to have jurisdiction over school improvement issues.

### Mueller Attends Meeting

Paul L. R. Mueller, chairman of the English department at FJC, will attend a conference tomorrow and Saturday at the Orange Grove College in Costa Mesa.

The main purpose of the conference is to discuss practical provisions for instruction in communication for the terminal students.

The convention will open tomorrow morning and will close Saturday evening.

## Students Will Observe Easter Vacation Week

FJC students will observe the Easter vacation on March 24 until April 2. The junior college will have a week off this year due to the fact it didn't get the extra few days vacation between the fall and spring semesters.

Because of the Easter holidays the newspaper staff will not publish another issue of the Rampage until April 12 after next week's issue.

Following the April 12 issue, there will be six issues of the Rampage, with the final issue on May 24.

Beta Lambda, Associated Women Students, Associated Men Students, Latin American, Newman Club, Rally Committee, Freshman class, Phi Theta Kappa, and Alpha Gamma Sigma.

The acts will include pantomimes, solos, ensembles, dance routines, jazz and instrumental numbers.

Candidates for the "King Cole" contest are Larry Anderson, Red Key; Clinton Covey, Rally Committee; Ruben Barrios, Freshman class; Al Brown, CAC; Bobby Watts, IVCF; Ray Palacios, Phi Beta Lambda; Ernie Clark, AWS; Moses Hernandez, AMS; Catalino Andrade, Latin American; Nick Cornacchia, Newman Club; Tom Williams, Phi Theta Kappa and Alpha Gamma Sigma.

Gene Francis, student body president, will open the show and introduce Jack English, the master of ceremonies.

## Miss Marsh Outlines Scheduling Procedure

Responsibility for informing members about policies concerning student activities rests upon the presidents of organizations and committee chairmen.

Miss Willa M. Marsh, dean of students, outlined a student affairs program to be followed for all college sponsored events — to secure the application form from the dean of students, to have the form signed by the organization president and the sponsor, then to present the application to the dean of students for approval. When approved, the event is scheduled on the calendar.

The sponsor should be notified of, and be present at all meetings. Business transacted in the absence of a sponsor is not valid.

Activities such as dances and assemblies must be approved and scheduled at least two weeks before the event except during the week of mid-term examinations and the week of finals when the college sponsors no activities.

Miss Marsh said organizations are encouraged to plan all social events early in the semester and to have them scheduled on the school calendar.

All money collected should be deposited with Mrs. Maren Levy, the financial secretary, and bills paid with purchase order procedure. All purchases shall be preceded by a requisition properly signed by student officers and the sponsor. Student organization funds shall be obligated only through the issuance of purchase orders by the financial secretary.

## IVCF Plans Skating Party

Jo Ann Wilson, the vice presi- dent for Christian Fellowship, said the Inter Varsity club will hold a skating party at Skateland, March 22.

Miss Wilson said that all mem- bers are welcome and may bring a guest. She said they will attend an Italian dinner in the Farmers Market prior to the skating party.

### Newman Club

The Fresno Junior College chap- ter of the Newman club is making plans for a party after Lent.

Pat Foley, president of the New- man club, said that the Fresno State chapter will be invited.

Foley said the committees for the party are Pat Foley, arrange- ments; June Anne Treat and Dot- tie Rubald, entertainment; Lu DeBenedetto, refreshments; Mar- lyn Snyder, decorations; and Do- lores Critz, in charge of getting the hall.

## Miss Marsh Is Life Member Of Phi Theta Kappa

Miss Willa Marsh, dean of stu- dents, has been made an honorary member in Fresno Junior College's Theta Beta chapter of Phi Theta Kappa, the national junior college scholastic honorary fraternity.

Olga Hernandez, the chapter president, presented Miss Marsh with a membership card at the group's recent initiation.

Miss Marsh will retire at the end of the current semester.

## Varied Opinions Given On Beards Now Being Grown

Several FJC coeds, confronted by a Rampage reporter, were asked: "What is your opinion of the beards being grown by the masculine members of the FJC student body and faculty?" The varied answers were the following:

Olga Hernandez, a sophomore majoring in busi- ness, "For the centennial, yes, but as soon as it's over I hope that will be the end of the beards. Seriously though, the beards are not the right thing because they make the fellows look very messy and I am sure the girls don't approve of them."

Mrs. Louise Murphy, secretary for the veterans off- ice "I think in most cases they are an interest- ing addition. It all depends on who and which one you are look- ing at. I'm in favor of them for a while. I always did want to know how men would look with beards. Now I know."

Genny Schellenberg, a sopho- more secretarial major, "I like them if they are being grown for a special occasion like this but otherwise, no! It depends too, upon who has a beard — it would be sad if your boyfriend had one, it might tickle."

Velora Reimer, a sophomore ele- mentary educa- tion major, "It looks like we're going back to the olden times, but I suppose that is what they are for, to remind us of our grandfathers. I'm glad it won't last too long."

Leona DeBerry, bookstore sales- lady, "We have such handsome young men in J.C. that I'll be glad when they shave them off. I think the beards spoil their appearance, but it's all right for the occasion."

Patricia Spomer, a freshman clerical major, "They fit the oc- casion but they aren't very be- coming. They look like a bunch of people from the back hills who don't know any better. As long as they're here I guess we have to accept them."

## Leland Weppler Claims Citizenship In 2 Countries

By MIKE NOROYAN

Leland Weppler, 18, is one of the few persons to claim citizenship in two different countries.

Weppler was born in La Paz, Bolivia, Nov. 28, 1937, where he became a citizen by birth.

Later, he also became a citizen of the United States after his parents became citizens through naturalization.

### Plans For Transfer

At the Fresno Junior College, Weppler is majoring in political social science. He plans to further his education at Fresno State College.

Although he came to the USA at an early age, he has full knowledge of his native country.

"Bolivia was a corrupt country," states Weppler. "They had four presidents in the three years I lived there."

Weppler says the people live poorly, working mostly in tin mines or in the agricultural fields, and living in poorly constructed adobes.

### Three Languages

"Also, there are three different types of languages spoken in Bolivia," says Weppler. "The major language is Spanish, but there are two different types of American Indian."

Weppler does not plan to go back to his native country. He said, "I could be drafted in the Bolivian Army."

## Rams To Go To Coalinga For Meet

Track Coach Hans Wiedenhoefer will take his track prospects to Coalinga tomorrow to engage in a three way track meet between Coalinga, Reedley, and Fresno.

Wiedenhoefer has high hopes for his team but said that he needs men in the broadjump, 440, and the high jump.

### Entered in Two Mile

John Foreman and John Derby are entered in the two mile. The former is also scheduled for his specialty, the mile.

Entries in the 440 yard dash will be Mylum Kelly, John Grosvenor and Alvin Hicks. Kelly and Hicks will also compete in the 880. Al Brown from the basketball team should be a welcome addition to the track squad in the 880. "Brown will not take part in the Coalinga meet but will definitely run in our next meet," said Wiedenhoefer.

The Ram cindersmen will be strong in the 220 and the 100 yard dashes. J. C. White, who was a star on the football team, and Fred Ruffin, a transfer from Fresno State College, will run in both. Ruffin's best time in the 100 is 9.7 and White's is 9.9.

### Look Promising

Fresno has a few candidates who have looked promising in the weight events in John Aldredge, Tom Sano, Manuel Chavez and Raymond Ledbetter. All four performers saw action on the grid-iron this last fall. Aldredge and Sano have both been placing the 16 pound shot put 44 feet in practice sessions.

Sano, Chavez, Ledbetter, and Grosvenor have all heaved the discus well in practice. Sano's best so far is 140 feet.

In the hurdles, Wiedenhoefer will have Ronald Winter, Joel Smith, and John Graham. Winter will run in both events and the latter two will handle the lows.

Lee Baker, Jim Burke, and Joel Smith have been entered in the pole vault. Burke and Baker, who will also high jump, cleared 12 feet in prep school.

## L.A. Harbor Wins State Tournament

(Continued from Page 1)

wins over Fresno this year, was held to 12 points by the tight guarding of Alcorn.

Davis set a tournament record at the free throw line, making 19 of 23 free throws to break the old record of 14 for 17 set by Fresno's Odell Johnson last year.

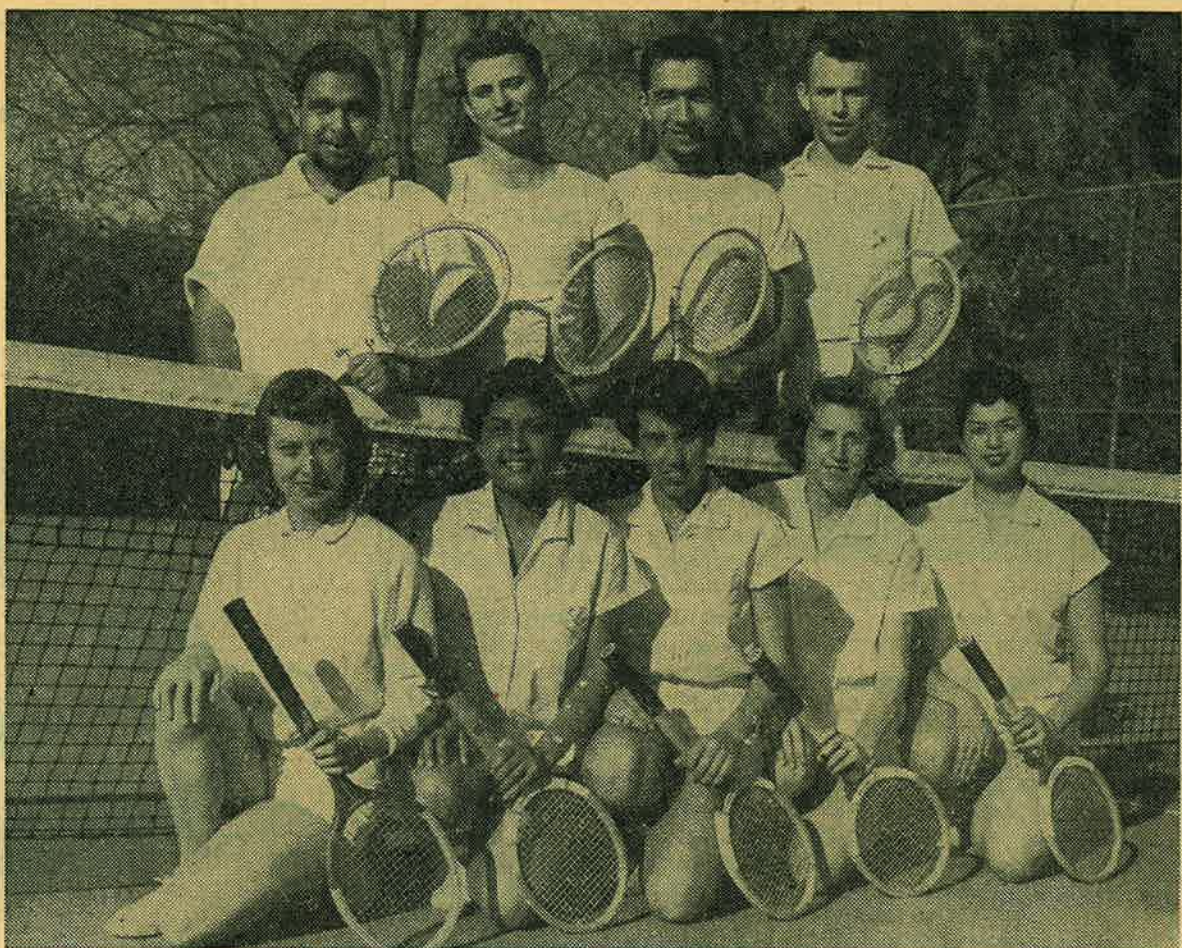

Following the win over LACC the Rams were figured by the experts as the favorites, but Harbor upset the dope bucket with its come from behind win.

As against LACC the Rams led most of the way, but this time couldn't hold it. With eight minutes left John Montagna hit on a jump shot to tie the score at 57 all. The score was knotted four times in the next five minutes, but each time the Seahawks got a go ahead bucket.

At this point Guard George Padovan tipped in a rebound with two minutes to play and Harbor took a 67-65 lead which it never lost.

Fresno Forward Al Brown led all scoring with 22 points, followed by Forward Ron Reid of Harbor with 19. Alcorn was second for Fresno with 18 and Davis next with 15.

Saturday the Rams took a quick eight point lead and stayed ahead of San Bernardino 15 to 20 points throughout the game. The score at halftime was Fresno 49, San Bernardino 32.

'RACKETEERS'—Tennis team members include, front row, left to right, Gayle Kovick, Eleanor Franco, Louise Taylor, Ann Mowrey, Josephine Quintana. Second row, John De LaRosa, Al Copus, Fred Keoseyan, and Jim McGee.

## Sacramento Wins Two From Rams

Fresno Junior College's baseball nine could do no better than winning one game in a three game series with Sacramento Junior College over the week-end on the Romain diamond.

The Rams played steady ball in their first game Friday, winning, 5 to 2, behind the nine hit pitching of Fred Garcia. Clare Slaughter, the Ram mentor, was well pleased with his team's showing in that game but was not satisfied with the way his Rams played the twin bill Saturday morning and afternoon.

The Rams collected eight hits and were guilty of one error. Larry Kaprelian supplied the Rams with an extra base blow, a home run in the third inning to score Larry Keller who got aboard with a single.

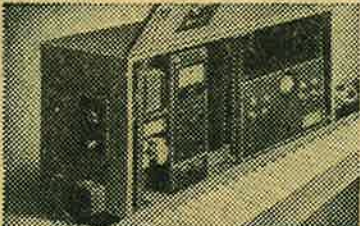

Fresno dropped both ends of the double header Saturday, losing the first one 4 to 3, and the second, 7 to 2.
