## Gorillas Invade Campus For Fresno's Centennial

It looks like there are gorillas enrolled at Fresno Junior College. Don't be alarmed, it's only the male sex of Fresno putting aside their razors, and growing beards for the Fresno County Centennial which will officially open April 19 and close April 22.

Since Fresno is 100 years old this year, the city will go back and live 1856 all over again. The gents are growing long sideburns, (southern style), a bar mustache or an attractive goattee.

As for the female sex, they have an easier task. The sight of large bonnets, long cotton dresses, and high button shoes will come into existence again.

There will be a "Whiskeroo Contest," which will be held on April 20, at the Fresno County Fairgrounds at 7 PM. Prizes will be given for the best beards.

Members of the 20-30 Club have been deputized by Sheriff Melvin Wimirth to go around in a mobile jail and capture the men who haven't grown a beard. Those captured will have a legal trial. So if you don't have a beard, I suggest you get one fast.

## Opinions Vary On Rock-Roll Music

Josephine Quintana, a sophomore physical education major, "I really enjoy Rock-and-Roll music, especially 'Heartbreak Hotel' by Elvis Presley. As far as I am concerned, I have seen no harm brought about by this 'crazy' music (It sure sends me!)" and I am not in favor of banning it from juke boxes."

Bobby Jones, majoring in education, "Rock-and-Roll music is great when I'm in certain moods — I think this type of music plays upon people's emotions, and this is a time of many mixed and frustrating moods. It is going over big now but it can never outlive those wonderful and soothing classics."

C. Lowell Spencer, music instructor, "To me a little of this is interesting, exciting and fun but when it comes to evaluating it in terms of good music, I think it is on the lowest step of the ladder. It is a style of music that may finally become refined and developed so that it may be acceptable but now it seems to have a tendency to go to the other extreme. For me a very little is enough, any more is too much."

Paul L. R. Mueller, English instructor, "I personally do not enjoy Rock-and-Roll music but I have no objection to others enjoying it. I see no reason for having this music from juke boxes."

Ruby Erickson, another education major, "I think Rock-and-Roll music is all right, but I would not want to listen to it all the time. I prefer something more classical. I don't think it will last too long, people will probably find something new that they will like better."

JoAnn Wilson, a freshman elementary education major, "I enjoy listening to Rock-and-Roll music at times. Some of the songs really have catchy tunes and help to pick up your spirits when you are feeling low. Even so, I don't think this type of music will last any longer than the other current popular types."

## Fresno JC To Have Entry In County Centennial Parade

Fresno Junior College will have an old time dray and Dr. O. B. Doyle's horse and buggy as entries in the Fresno County Centennial parade on the morning of April 21.

Art Gonzales, a Fowler rancher, and owner of both entries has given the junior college permission to use the dray and the buggy. Gonzales said the dray was used as a truck in the early days to haul pianos, safes, and heavy hardware.

Dr. Doyle's buggy was used on his calls in the early days of Fresno County, at Shaver Lake.

Ruben Barrios, a student body council member, is in charge of the arrangements for the parade. Barrios said that four students will ride in the dray on the parade day and one will ride in the Doyle buggy.

The students riding in the dray are Patricia Jones, Lucretia De Benedetto, Al Copus, and Barrios. Rochelle Harford will be in the buggy.

Barrios has arranged for the rental of the costumes, which the student council will pay for.

### Joe King Will Host Male Faculty Members

John R. McCarthy, president of the FJC Faculty Club, announced that the male members of the club are holding a stag party Saturday at the home of Joseph W. King. The purpose of the party is to promote a little more fellowship among members.

## Rams Crush Pirates In League Tilt

Fresno Junior College added another win to its baseball record in dumping the Porterville Junior College Pirates, 6-3, to give them their 12th victory and their fourth in conference play against two losses.

The Rams now hold an overall season record of 12 wins and eight losses.

Fresno in the past few weeks has triumphed over Stockton, 21-3, and lost to them, 9-8, in 11 innings. They won from Antelope Valley, 10-6, and defeated Porterville JC, 13-7, in the Bakersfield Baseball Tournament.

The Rams went on to post wins over Parks Air Force Base, 7-1, and Reedley Junior College, 12-4, in a Central California Junior College Association game.

In the Porterville game Fresno opened the first inning with a run on hits by Larry Keller and Dorman Martin. The Rams added one more in the third and two more in the sixth inning, on a walk to John Misakian, a double by Milt Wallace, a fielders choice, and an error by the Pirates.

John Troxel got the starting nod and held the Pirates to two hits in the six innings he worked. Troxel was credited with the win although he needed help in the sixth from Fred Garcia.

Martin led all the batters with a two bagger and two singles. Larry Garcia returned to the Ram lineup and collected a pair of hits. Garcia had been out with a leg injury suffered in the Stockton game.

## Bucs Rout Fresno In Track Meet

The Modesto Junior College Pirates, scoring firsts in all but four events, swept to an easy 82-40 track and field victory over the Fresno Junior College Rams Friday in a practice meet in Modesto.

After the meet Ram Coach Hans Wiedenhoefer said that he thought his boys did very well. "It was supposed to be a three way meet, one team didn't show up and we just didn't have enough personnel to compete on an even basis with Modesto."

Wiedenhoefer pointed out that Tom Sano won the discus throw with his best heave of the season, 130 feet, 6½ inches. He also said that Fred Ruffin and J. C. White are rapidly improving as sprinters, and that Al Brown ran his best half mile of the season.

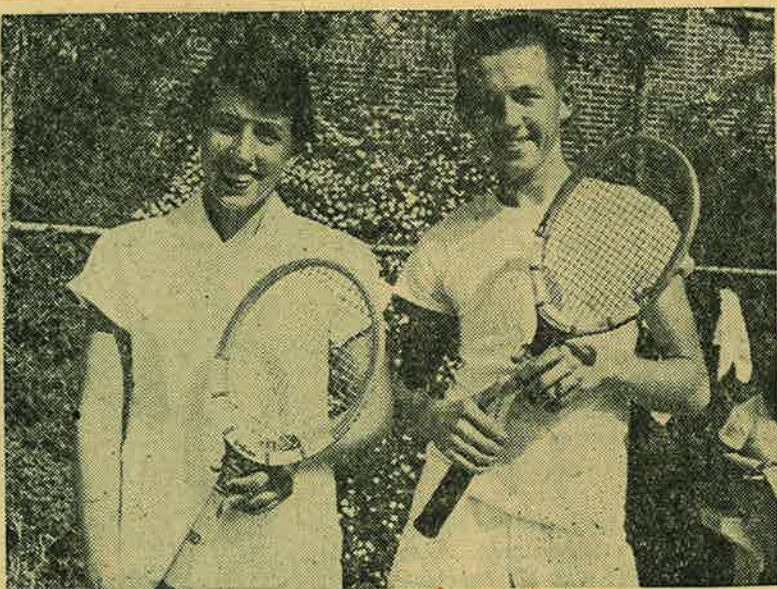

Ruffin took the century in 10 seconds flat, and White came in third in the same event. Brown ran third in the 880.

Mylum Kelly took the 440 for the Rams with a time of 51.5. Lee Baker captured the pole vault with a leap of 12 feet 6 inches.

The summaries:

## Ram Netters Hope To Upset COS Today

The Fresno Junior College tennis team will try to upset the strong College of Sequoias today in Visalia in a Central California Junior College athletic contest.

It will be the third test for the Rams in CCJCA play. FJC won its opener from Porterville by walloping the Pirates 4-1, and then lost last Thursday to the Reedley Tigers 3-2.

## Fresno Plays COS Tuesday

The Fresno Junior College Rams nestling in second place in the Central California Junior College Association standings will meet the College of Sequoias Tuesday on the Romain diamond.

The Rams also meet the Fresno State Junior Varsity in a practice game today and the Parks Air Force Base tomorrow.

Ram Coach Clare Slaughter will probably go along with his usual lineup of Kalem Barserian or Huey Davis, first base; Larry Garcia, second base; Dorman Martin, short-stop; Don Birkle, third base; Milt Wallace, left field; Larry Keller, center field; John Misakian, right field, and Larry Kaprielian behind the plate.

The Rams are tied for second place with the Tigers, each team having six points to its credit.

The Visalia team has won the title eight years out of the nine years that it has competed in the league.

Fresno's depth should lie in the singles teams. Louise Taylor and John De La Rosa should be strong contenders for the CCJCA title.

Upsetting the Giants will be no easy task for Coach Dean Larsen's squad. The Visalia College reports that it has four returning women letter winners, and a crop of promising freshmen.

Probable FJC starters include De La Rosa, men's singles; Miss Taylor, women's singles; Al Copus, Stan Nielson, men's doubles; Ann Mowrey, Eleanor Franco, women's doubles; Josephine Quintana, Jim McGee, mixed doubles.
