# RAMS CLASH WITH GIANTS

## FJC Rampage Observes Birthday Today

### Rampage Starts Tenth Year Of Publishing Today

The Fresno Junior College newspaper, The Rampage, began its tenth year of publication today. The Rampage offices are now located on the second floor of the student center building.

Ed Briggs, a reporter last year, is the new editor. Briggs graduated from Clovis High School. Other members of the editorial staff are Bob Bertholf, assistant editor; Pat Rafferty, managing editor; Geraldine Stevenson, news editor; Augie Caldera, sports editor; Susan Chandler, make-up editor; and Karen McDougald, copy editor.

#### OTHER MEMBERS

Other positions are Alice Alvarez, business manager; Lee Ann Finn and Pegge Smith, assistant business managers; Karlo Demoorjian, advertising manager; Manuel L. Serpa, circulation; Virginia Calderon, Louella Gale, and Virginia Street, secretaries; Renard Kepler and Eugene Johnson, photographers; Henry P. Riojas, Jr., exchange; Mitchell Graffius, librarian; Donald Simerly, messenger; Bill Scheidt, cartoonist.

#### REPORTERS LISTED

The reporters are Lorelee Sedoo, Richard Corsago, Sandra Gaus, Sally Barents, Gary Becker, F. Irene Brietigam, Wayne Cook, Susan Cyr, Helen Horton, Bill Johnson, George Roessler, Dave Ruggeri, Bill Sewall, Don Smith and George Stovall. Other members of the staff are Warren Leaman and Luella Sinner.

The above list is by no means complete. There are a few vacancies remaining to be filled; especially for typists, clerks, and photographers. Those interested should contact Phillip D. Smith, staff advisor, in SC 211. No experience is necessary.

### Telephone Official Talks At Assembly

Theodore Saenger, assistant traffic superintendent for the Fresno area for Pacific Telephone and Telegraph Company spoke at a Fresno Junior College business assembly held Sept. 25, in the FJC auditorium.

Saenger stated that "Leadership principles are learned through doing in actual situations, and also that executive ability depends not only on technical skills learned through a broad understanding, but also on individual development which is experienced by attendance in a junior college or a four-year institution."

Raymond Beach, president of Phi Beta Lambda, introduced former presidents of the organization, Dorothy Rubald and Shirley Upperman, who were the other speakers at the assembly.

JUST WHAT I WANTED FOR MY TENTH ANNIVERSARY

### Fresno Jaycee Makes New Administrative Changes

President Stuart White recently announced that Fresno Junior College had reorganized its administrative staff in order to provide better and more specialized services for its students and the communities it serves.

#### DEANS ARE ADDED

The changes will include the addition of an administrative dean; a change in the responsibilities and title of Archie Bradshaw, the dean of student personnel last year, to dean of students; the change in title of division chairman to deans, and the elimination of the position of dean of instruction.

Administrative Dean John S. Hansen will supervise all phases of the college's activities and instruction and all personnel except the research and public information services, which will report directly to the President.

#### BRADSHAW SUPERVISES

All FJC counselors and health services will continue to be under the direct supervision of Dean Bradshaw. Also under his jurisdiction will be George Holstein, the dean of admissions and records; Paul Starr, dean of men and director of athletics; Mrs. Kay Seagraves, dean of women, and Joseph King, coordinator of student activities.

The deans of FJC's three instructional divisions are Robert P. Hansler, technical and industrial education; Ethel McCormack, business education, and J. Philmore Collins, general education. Collins, last year's dean of instruction, succeeds John Mock, who retired last June.

### Business Teachers To Meet At Fresno High

Business Education Day, to be held on Oct. 23 at Fresno High School, is sponsored by the Fresno Chamber of Commerce in an effort to develop a better understanding between the Fresno City business teachers and local business concerns.

Teachers will be told how different businesses are operating so that they may pass the information on to their students.

### FJC Treks To Visalia To Open Conference

By BILL SEWALL

This Saturday the Rambling Rams of Fresno Junior College will travel to Visalia to entertain the College of the Sequoias Giants.

Last year the Rams continued their winning ways over COS as they emerged with a 33-12 win. The Rams, under Coach Hans Wiedenhoefer, have never lost a game to COS.

### Registration Ends Tomorrow At FJC

President Stuart M. White today stated that tomorrow is the deadline for registering for day classes at Fresno Junior College.

White said that all late registrations will be processed from 8 to 11 AM tomorrow.

All students wishing to change programs are instructed to do so between 1 and 3 PM tomorrow in the admissions office on the University Avenue campus this afternoon or tomorrow.

All academic night classes are closed, but White said students will be accepted in some night trade extension and apprentice classes until tonight. Registration will be conducted in Bungalow 3 on the O Street campus from 7 to 9 PM.

### Nurse Releases Asian Flu Data

Mrs. Nora Simpson, Fresno Junior College's school nurse has released some information regarding the Asian type of influenza.

Influenza is an upper respiratory disease, highly infectious, and spread by coughing, sneezing, breathing, and speaking.

Symptoms generally vary with the individual. The onset is characterized by any or all of the following symptoms: chills, headache, sore throat, coughing and sneezing, nausea and vomiting, generalized aches, particularly in the lower back and legs, and a general feeling of fatigue and depression.

It is advisable to go to bed, upon the appearance of the first symptoms. This keeps the disease from being spread to other people and also helps the individual combat it himself.

A vaccine is made specifically for the Asian type of flu. This vaccine is obtainable only from your private physician. It is 70 per cent effective, but since the formula contains parts of eggs, people who are allergic to them cannot use it.

Some people are immune to the disease; but for those who are not, the best protection is good health maintained by adequate rest, good diet, and proper health habits.

So far this season COS has racked up 7-6 and 40-6 wins over Monterey Junior College and Mt. San Antonio, respectively.

The man the Rams figure on having to stop is Dale Messer, COS's flashy right halfback.

Several of the Rams starting players have missed practices this week because of flu. Among those players are: Bill Herron, Fred Raco, Dale Lowery, Louie Sanders, and Bill Pritchard.

The probable starting lineups for each team are:

FRESNO	COS
LE Herron	LE Murphy
LT Lamb	LT Michalk
LG Pritchard	LG Rojas
C Mehas	C Nagel
RG Sanders	RG Fowler
RT Miller	RT Brown
RE Raco	RE Dye
QB Lujano	QB Boren
LH Pipes	LH Thompson
RH Kobzoff	RH Messer
F Letlow	F Reyes

### Sophomores Slate Meeting

The sophomore class of Fresno Junior College will kick off its 1957-58 school year tomorrow by holding a class meeting in room M-200 at 12:40 PM. The purpose of the meeting will be to reorganize; to announce the election of class officers, and to make plans for the fall social season.

The sophomore class will consist of any student who has 30 or more units. Last year the class was limited to those who had 30 units, but were working toward their associate of arts credential. This change should induce many more students to take an active part in the organization of the class and in social activities.

### THIS WEEK'S CALENDAR

- October 3**  
12:40 PM — Inter-Club meeting, student center.  
8:00 PM — Natural History meeting, M200.
- October 4**  
12:40 PM — Freshman Class meeting, in the Auditorium  
12:40 PM — Sophomore Class meeting, M200.
- October 5**  
8:00 PM — Ram and COS football game, at Visalia.
- October 7**  
12:40 PM — Phi Theta Kappa, coed lounge.

Published weekly by the journalism students of the Fresno Junior College, 1101 University, Fresno, California. Composed by the Central California Typographic Service. Unsigned editorials are the expression of the editor.

## Rampage Observes Birthday

Ten years of keeping Fresno Junior College students, faculty and administrative members informed on what is going on around the FJC campus is being celebrated this issue by staff members of the student publication, The Rampage.

Over the years as today, the weekly newspaper staffed by journalism students of Fresno JC will continue to present news, features, and opinion with truthfulness, accuracy, good taste, and impartiality.

As The Rampage grows older, it is sincerely hoped that the staff members will also grow old in wisdom. We of the student newspaper staff are proud to be a part of this publication and will always uphold the excellent standards set for us in the past by the administration and the American Society of Newspaper Editors to whose code of ethics we subscribe.

To commemorate our anniversary, staff artist Bill Scheidt has created a new nameplate which made its first appearance with the September 26 edition.

## School Spirit Is Lacking

It is the opinion of this newspaper that there is a deplorable lack of spirit among students of this college.

As college students, we are making preparations to embark upon a career in business or various fields of endeavor in which we will find that spirit is a vital cog in the wheel of success. No business or profession can possibly be a success unless the people concerned with it are proud of their work.

In the same sense, a college can be of no benefit to its students unless the students themselves develop a sense of pride in their school and go all out to show other schools and the community that they feel their college is the BEST!

At the first assembly of the year, the student body, as a whole, showed a definite lack of spirit and interest. The various yells were sparsely participated in. Perhaps we can put the blame for this on the fact that many students are new here and therefore do not know the wording to our school yells, but this seems unlikely.

In military organizations, one of the most important parts of discipline and training is summed up in a phrase: ESPRIT DE CORPS. This means spirit of the corps and without it, a fighting group would soon fall to pieces in combat. We are not attempting to compare college life with that of the military, but a certain comparison is evident. We consider that our school teams are, in a sense, fighting for our honor. If this is the case, will they really have much driving spirit if we don't get out there and back them 100 percent?

Much more can be said on this matter, but of what consequence will it be if students continue to ignore the fact that, without pride and spirit, we cannot win either in sports or in professional life.

The next time we all get together and cheer for our school, let's get out there and really show everyone that we are proud of our school and wish to back it all the way!

—BOB BERTHOLF

## Natural History Group Will Meet Tonight

Any Fresno Junior College student interested in natural history is invited to attend the first meeting of the Fresno Natural History Society, at 8 P.M. tonight in Room 200 of McLane Hall.

"The Rival World", prize-winning film on insect life, will be the main feature of tonight's program. Supplementary material will be given by Dr. Robert Warner of the California Flg Institute. If anyone has any color slides of nature he is invited to show them at the conclusion of the meeting. There is a limit of five slides to each member.

Subsequent meetings will be held at 8 PM on the first Thursday of every month. Students are asked to bring any interested people.

NINA "MOM" STRADEL  
 Cafeteria Manager

## 'Mom' Stradel Enjoys Work At Fresno JC

Mrs. Nina "Mom" Stradel, who is manager of the Fresno Junior College cafeteria, has been in the restaurant business for thirty-five years, four years of which were spent at the Mojave Grammar School cafeteria; thirteen years at various restaurants; and in 1952, "Mom" Stradel came to the FJC campus.

At that time FJC was a very small school over at the "O" Street Campus. "The Rambler Inn" was located in the basement of the old main building. Mrs. Stradel had one helper and some students on her staff at that time. After the 1952 earthquake, which damaged portions of the building, "The Rambler Inn" was moved upstairs. FJC was still small, but had grown and "Mom" Stradel now had 2 helpers.

In January, 1957, "Rambler Inn" was moved to the University Street Campus.

The coffee shop serves about 1,500 persons daily, and the cafeteria, about 300. In May, "Mom" Stradel and her staff fed the West Coast Relay athletes. FJC was given the training table for the Fresno State football players this fall and they ate their meals in the cafeteria. At the end of training, the football team presented the workers with a large box of candy.

"I like to work around people," said "Mom" Stradel, "and have an especially nice group to work with this year."

During the summer Mrs. Stradel and her husband take their trailer and go north for a few weeks to do some salmon fishing. They have made three trips to Canada and one year they traveled by way of Yellowstone Park.

## Campus Fully Renovated In Past Summer

Stuart M. White, Fresno Junior College president, recently stated that \$35,000 was drawn from the last bond issue to pay for the painting of our campus. He further stated that five painters, working full time throughout the summer, will continue working for nine more months.

Harold Heinz, head painter, collaborated with White on the color scheme. Heinz said that this is the first time that FJC has been painted since its erection, and consequently more paint than usual is being used.

Ernest Martina, an electrician by trade, has painted over 700 chairs this summer. Martina, sparkling with personality, claims that he has been counting chairs in his sleep.

Ralph Trosi, head gardener, is doing a terrific job on the flower beds and shrubbery throughout the campus. Trosi has the ambition of giving FJC the best campus in California.

As yet, the accomplishments of the painters are as follows: the Student Center is complete, three rooms in the basement of the library have been painted, and the interior of McLane Hall has been completely repainted.

White said that the new paint has lent a cheery atmosphere to FJC, which in turn has improved the attitudes of the students.

## Inter-Club Council Holds Planning Session

An interclub council meeting was held Thursday, Sept. 26, in the student center.

"The primary purpose of the meeting," according to Auggie Caldera, council chairman and student body vice president, "was to acquaint the club officers with their advisors, exchange ideas and formulate plans for the Fall semester."

Among the activities planned is an inter-varsity "Kick-Off" dance, Oct. 12; a homecoming week featuring a queen contest, Oct. 21 to 26; and a freshman orientation meeting.

## AWS Plans Fall Events

The first meeting of the Associated Women Students was held Thursday, Sept. 26, in the social hall of the student center. The third Thursday of every month at 12:40 was the time chosen for the meetings.

Shirley Huber, the AWS president, outlined plans for the fall semester. The installation dinner, to be held on Oct. 10, is the first scheduled event, in which both the AWS and AMS officers will participate. Miss Huber stated that the past president will install the officers.

The most prominent social event of the semester will be a formal dance, to be held Nov. 22. Committees have been formed to discuss preparations and report to the executive at the next AWS meeting.

Homecoming Week, to be held from Oct. 21 to 26, was also discussed. Plans for the tea, to be held in the co-ed lounge under the sponsorship of AWS, were begun. Guests will include members of the Honorary Womens' Alumnae.

# Newspaper Week Stresses Roll Of News Coverage

"Your Newspaper Serves."

That is the slogan for National Newspaper Week planned for Oct. 1-8. This week, an annual event for the past 17 years, will be observed in California by more than 450 newspaper members of the California Newspaper Publishers Association.

President Eugene Bishop of the CNPA stated in a newspaper article announcing the coming week, "Every newspaper, large or small, serves its community in countless ways. That's the main purpose of a newspaper. During this week then, we hope to re-emphasize the extent to which this service is performed."

"Every time a newspaper enters the hands of the reader, there are items in the news, comment, and advertising which, by adding to his information, serves him," Bishop added.

"The newspaper is the essential link between people and government on every level, thus serving the democratic process our nation enjoys," the CNPA president continued. "The printed word brings to the community news of joint endeavors such as charity and health fund drives; without this news being carried to the homes of the community these important activities would be severely handicapped. The sports fan is served by the same newspaper which while telling him of local bowling results informs the housewife of the bargains offered by nearby merchants."

## Red Key Seeks New Members

The student service organization serving Fresno Junior College is the Red Key. This group has been known to supply food boxes for the needy poor of Fresno, participate in Christmas toy drives, and contribute to the cultural and social life of FJC.

To become a member of the Red Key an application form obtained from the dean of women must first be submitted. The qualification for becoming an active member is for the student attending FJC for one full semester to maintain a 2.0 average in 12 units. If one has maintained a "C" average during the senior year in high school the student is qualified to become an associate member.

Sally Cumacho, president of the group, and Gene Dudley, vice president and membership chairman, will attend the orientation classes and present the intended activities of the Red Key for the fall semester. Everyone interested is invited to join the organization in its extracurricular activities.

## Begin New Course In Community Planning

A course in community planning will be conducted at the Fresno Junior College campus. Fresno County Planning Director J. Stanley Ott and his staff will conduct the class. The first meeting will be held Oct. 8, between the hours of seven to nine in bungalow eight. This is an extended course from the University of California. There is no credit given for the course. The registration fee will be nine dollars for eight seminars of two hours duration.

There will be a showing of a film at the first meeting of which the title will be, "Now for Tomorrow." This film will illustrate the type of problems the course is mainly interested in. The course is open to those students who are interested in community improvements.

RAM PEP GIRLS—Barbara Fragus, Diane Avila, and Diane Diamond (left to right) pose for the cameraman. Miss Diamond was selected as the head pep girl last week by Fresno Junior College faculty members and students.

## Yell Leaders And Pep Girls Chosen

Fresno Junior College will feature four yell leaders and six pep girls who will take part in the FJC-College of Sequoias football game at Visalia Saturday night.

Bob Conti, Norm Mader, Darlene Kachadoorian and Karen Cowan were selected as yell leaders last Wednesday in M-200 by Al Grace, Ken Pipes, Jane Tradewell, Barbara Fragus, and Diane Diamond.

Other pep girls selected were Marilyn Isheim, business major; Shirley Britton, secretarial major; Luella Sinner, general education major; Sharon Law, secretarial major; Miss Fragus, secretarial major, and Miss Diamond, liberal arts major.

## Fresno School Board Meets In FJC Library

For the first time in 21 years, the Fresno School Board of Education will hold a regular meeting elsewhere than in the school administration building at Mariposa and N Streets.

The board adopted a resolution to hold its future regular meetings

## Student Petitions Go To Committee

Archie Bradshaw, chairman of the recently established petitions committee, said that the committee will have among its duties the reviewing of student petitions for re-instatement to the college. The committee will serve as a final appeals board.

The first step of the procedure governing petitions is that the student gains his petition from the dean of admissions' office. After filling out the petition, the student then turns it over to his counselor.

Bradshaw said that the committee will most commonly review petitions for re-instatement to the college, changes in grades when extenuating circumstances warrant them, and other related cases. He added that the committee will attempt to remain flexible in order that it may cope with the various problems as they arise.

in the library of the Fresno Junior College.

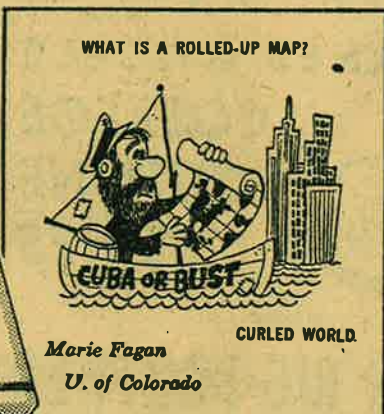

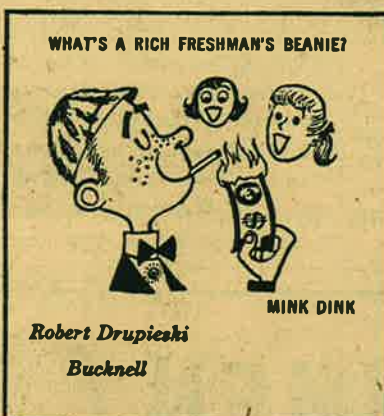

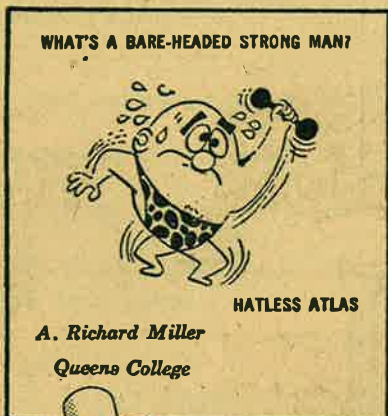

The meetings of the board are open to the public and the new room will offer more space for visitors. The present board room in the administration building will be converted into badly needed office space.

Feelin' blue? Need money, too? Students, we've got news for you!

# Sticklers are back!

FINAL INSTRUCTIONS — Fresno Junior College coach Hans Wiedenhoefer, right, talks over strategy for Saturday night's game in Visalia with four of his key players. They are, front, left to right, fullback Vestee Jackson, end Bill Herron, halfback Alex Kobzoff and looking over the shoulders of the three is end Fred Raco. —Bee Photo

# FJC Ram Gridders Bow To Stockton, 27-12

By AUGIE CALDERA  
Sports Editor

Coach Hans Wiedenhoefer's Rambling Rams battled the favored Stockton College Mustangs to a stand off for three quarters, only to have the huge northerners erupt for a twenty point scoring spree in the final minutes of play as the locals dropped a 27 to 12 contest last Friday on the gridiron.

Fresno jumped to a 6 to 0 lead early in the first period as Alex "Kobby" Kobzoff danced 30 yards after taking a handoff from John Lujano. Kobby's extra point kick was good but the Rams were off-side and the second kick was wide.

**MUSTANG'S SCORE**

With about a minute remaining the first period and the Rams leading 6 to 0, Tex Bryant's pass was batted to the ground and an alert Mustang halfback scooped up the ball and roared unmolested into the end zone. The conversion was perfect and Stockton led 7 to 6.

Louie Sanders, Bill Pritchard and Pete Mehas, hard charging Ram linemen proved mighty tough for the Mustangs' backs to crack and the Mustangs were forced to run wide only to be pushed back repeatedly by the driving tackles of ends Bill Herron and Fred Raco.

**RAMS PENALIZED**

In the third period, Willie Simpson, ace fullback of the Mustangs, blasted his way into the Ram end zone on an eleven yard scamper which gave the winners a 14 to 6 lead. Fresno was hampered by a series of penalties which set the locals back repeatedly and stopped several drives which may have changed the figures on the scoreboard. The Ram linemen, obviously eager, were offside on several occasions and were even penalized fifteen yards for piling on.

The fourth period was all Stockton. With halfbacks Dragonovich and Pettis doing most of the damage, the Mustangs drove 60 yards to pay dirt with the former bowling over from the one. Stockton led, 20 to 6.

Little Frank Scott tallied the final six pointer of the night late in the fourth period as he slipped through the left side of the line, and wiggled his way 65 yards for a touchdown. The conversion was good, and Stockton led 27 to 12.

The Rams dominated play in the first half, especially in the line, where the highly touted Mustang backs were driven back on several occasions. Herron, Mehas, Sanders, and Pritchard were outstanding in the Ram forward wall as were backs Lujano, Ken Pipes, and Kobzoff.

## Easton Star Joins Rams

The Fresno Junior College Rams got a lift of hopes for both the football and track squads this year when Sylvester Pointer, from Washington Union High School in Easton registered.

Pointer was one of the outstanding players in the East-West All-Star Prep game this year and was a key member of the league champion Washington team last fall.

The 170 pound speedster also was one of the finest high jumpers in the state with a top mark of 6 feet, 4 inches.

FJC football coach Hans Wiedenhoefer said that Pointer should be a big help and will provide much of the needed speed in the backfield. Pointer is also a top pass snagger.

## Library Hours Announced

For the fall semester there has been a change in library hours and reserve book regulations.

The new library hours are 8 AM to 4:30 PM and 6:30 to 9:20 PM, Monday through Friday.

Reserve books may be charged out for two hours during the day to be used in the Reserve Room only. They may be taken for overnight use only after 4 PM, 3 PM on Fridays, and are due back by 9 AM the next school day.

## Sweetheart To Be Chosen By Male Students

The officers of the Associated Men Students of Fresno Junior College are making plans for electing a campus sweetheart.

A group of girls will be selected from the student body and out of that group, four will reach the finals.

There will be ballot boxes set up on both campuses. A picture of each girl will be posted beside every box. A charge of one cent will be made for each vote, and anyone may vote as many times as they wish.

At the dance following the foot-

## Ex-Ram Athletes In Many Activities

The Fresno Junior College athletic season of 1956-57 saw many athletes have a very good year performing in their respective sports.

Warren Schmidt, FJC's outstanding center on the basketball team, set a school scoring record for a season and for an individual game. Schmidt accepted an offer from the University of Washington in Seattle and is now attending school there.

Al Brown, another outstanding athlete on the basketball courts, will be making his appearance this winter for Fresno State College's Bulldogs, as he is now attending FSC.

Kenny Guinn, who acquired fame on FJC's gridiron is now playing football for FSC. John Aldredge, also a football star, is not attending school this semester. Alex Kobzoff is back at FJC for another season with Coach Hans Wiedenhoefer's Rams.

### Other FJC Standouts

Neither Larry Keller nor Cloyce Keeney, who both played excellent baseball or Coach Clare Slaughter, are going to school this semester.

Another former Ram baseball star of two seasons ago, James Aldredge, spent the summer patrolling center field for the San Jose Josox of the California League.

Frank Eller, who starred in track last spring, is back at FJC. Another track star, Eddie Young, is not attending school this semester.

The voting will continue through the week of October 7-12.

MALCOM (Len) BOURDET  
... Joins FJC Staff

## Ex-Major Leaguer Coaches At FJC

Fresno Junior College has a new physical education instructor and baseball coach now that Malcom (Len) Bourdet has joined the faculty.

Bourdet is expected to be a top baseball coach because of the past experience he has had in the sport.

He starred on the Fresno State College baseball team and upon graduation was signed by the Chicago Cubs. He played with the Cubs' farm team from 1950 to 1954.

Bourdet graduated from Napa High School and Hollister Junior College. He has an AB degree in physical education from Fresno State College.

# NEW ATTENDANCE RULES SET

**Procedures**

1. Following any absence from class (except when prior written notification excusing a student has been received by the instructors concerned), students are to report to Ad. 118 to obtain an absence slip.

After a student has been absent from a class, he may return to it only once before being required to present an absence slip.

When a student reports to a class for the second time following an absence, he will not be permitted to attend this class unless he presents (or has previously presented) an absence slip to the instructor.

2. Students are to include their student numbers on their absence slips. This number, which is located in the upper right corner of

all registration cards, is not the same as a student's study body card number.

If a student has forgotten his number, he may learn what it is at the Admissions Office (Ad. 106).

Since this student number is used on absence slips and other official papers processed at FJC, it is important that each and every student memorize his student number.

### Interpretation of Absence Policy

1. When the number of hours of number of hours that a class meets unexcused absence exceeds the during one week, a student is subject to disqualification from this class.

2. However, the above statement should not be interpreted to mean that a student is automatically entitled to certain number of cuts, or

unexcused absences, from his classes.

Attendance at all class sessions is expected of all Fresno Junior College students, unless circumstances are such that absence is unavoidable.

3. It should be emphasized, also, that any work a student may miss as a result of an absence must be made up. Even when an absence is counted as excused, a student is held responsible for completing all assignments and class work.

Other specific regulations concerning attendance requirements were listed on the information sheet passed out on September 16; also, a statement concerning attendance requirements and withdrawal procedures is included on pp. 33 and 34 of the 1957-58 FJC Catalog.
