## FBLA Chapter Is Re-Organized

The California chapters of the Future Business Leaders of America were re-organized Saturday at a meeting of the state executive board at the Fresno Junior College.

Howard Pease of Fullerton JC, the college vice-president, was elected state president. Charles Leavitt of Fresno was elected to the position of college vice-president.

The executive board voted unanimously that R. Conway Spitler be reinstated as state faculty director.

FJC participants included Mrs. Edna K. Hartley, Gervase Eckenrod, and Mrs. Wilma B. Weston, advisors of the local chapter, Ray Beach, Phi Beta Lambda president, William Murphy, Bevadean Breeding, and Charles Leavitt.

## Guidance Group Elects Eckenrod

Gervase Eckenrod, an FJC business division counselor, was elected president of the San Joaquin Valley Guidance Association last Thursday in the first meeting of the school year at Fresno State College's Shaw Ave. Campus.

In a panel discussion on "Trends in Admissions Standards," the speakers were George Holstein, FJC dean of admissions and records; Harry E. Jones, FSC associate dean of admissions and records; Edward Sanders, Pomona College dean of admissions, and Edgar L. Lazier, UCLA associate director of admissions.

Melvin Angell, FSC test officer, was the panel moderator.

Queen candidates have been selected from the various clubs and organizations on the campus.

The candidates for the honor and their respective organizations are Kathy Sharum, Associated Men Students; Margaret Christensen, Associated Women Students; Sharon Lovine, Caduceus; Harriet Brumbaugh, California Student Teachers Association; Linda Allen, Freshman Class; Farideh Ghaffari, International Club; Carol Christensen, Newman Club; Donna Young, Phi Beta Lambda; Sharon Cummings, Phi Theta Kappa; Susan Cyr, Rally Committee; Barbara Fragus, Red Key; Caralee Blizzard, Talent Club; Charlotte Sprayberry, Technical and Industrial Club; Susan Chandler, Rampage, and Cokey Newman, Rambler.

The queen will be elected by the student body at the rally which will be held Wednesday, October 30, in the auditorium.

## FRESHMEN TO PRESENT DANCE

"Plain 'Ole Dance" is the theme of the freshman sponsored dance to be in the social hall of the Student Center Building on the Fresno Junior College campus, right after the game between FJC and Citrus College of Azusa. The dance will last until 12 midnight.

Ronald Hogan, freshman class president, is in charge of the dance. The sponsors of the affair are Miss Gertrude Stubblefield, Floyd Quick, and H. Dean Larsen.

## AMS Names Kathy Sharum 'Sweetheart'

A kickoff dance sponsored by the Inter-Club Council was held in the student center social hall last Saturday evening.

At the dance, the results of the Associated Men Students sweetheart contest were announced by Jim Richmond, AMS president. The winner was Kathy Sharum, who won out over Jean Mendieta, Claudia Andresen and Luella Sinner.

At the front of the hall near the door was a sign saying "Hi Taft!" A football hung near the center of the hall on which the Fresno Junior College school colors were draped from one side and the Taft colors from the other.

Several members of the faculty attended the dance either as patrons or guests. Among the patrons were Paul H. Starr, Mrs. Kay Seagraves, Dr. and Mrs. Rolf W. Ordal, Jackson Carty, Miss Margaret E. Tylor, Keith M. Emmert and Norvel R. Caywood. Attending the dance as guests were Mr. and Mrs. Francis Higgins and Mr. and Mrs. Wayne Simpson.

## Fresno JC Takes On Owls In Non-League Encounter

This Saturday evening at 8 PM, the Rams of Fresno Junior College will entertain the Owls of Citrus Junior College at Ratcliffe Stadium in a non-league encounter.

Thus far this year the Owls have compiled a 1-3 record. Their one win was an impressive 14-0 victory over Porterville Junior College.

Mt. San Antonio and Orange Coast Junior College have each recorded wins over Citrus.

Citrus has had the same trouble this season that has afflicted many other colleges throughout California and that is the flu bug. Citrus was at full strength when they beat Porterville, while in their other games they had men missing from the lineup.

Citrus' quarterback, Bob Kilmer, a 6 foot 2 inch 190 pound top player is easily considered a standout player on the team although they have linemen weighing as much as 225 pounds.

The Rams should be at full strength when they meet the Owls as the flu has just about run its course on the Ram squad.

The probable starting lineups for each team are as follows:

Citrus	
LE Redmond	187
LT Whittington	218
LG Ponce	185
C Palmer	225
RG Cox	185
RT Bacon	224
RE Floyd	180
QB Kilmer	190
LH Carter	165
RH Robbins	170
FB Caple	185
Fresno	
LE Herron	195
LT Lamb	230
LG Pritchard	190
C Mehas	210
RG Sanders	200
RT Miller	190
RE Raco	200
QB Lujano	160
LH Pipes	160
RH Kobzoff	165
FB Jackson	175

## Ram Rally Is Scheduled For Tomorrow

An All-College "Ram Rally" for the upcoming Fresno Junior College-Citrus JC game will be held tomorrow morning at 11 o'clock in the University Avenue auditorium.

Joseph W. King, the rally committee adviser, stated that the FJC chorus, under the direction of C. Lowell Spencer, will sing the alma mater and lead the students in a new fight song.

Yell leaders Bob Conti, Norm Mader, Darlene Kachadoorian, and Karren Cowan will be present to practice yells.

The Pep Band, under the direction of Marvin Belford, and the pep girls will also perform. The pep girls are Marilyn Isheim, Shirley Britton, Luella Sinner, Sharon Law, Barbara Fragus, and Diane Diamond.

Coach Hans Wiedenhoefer will speak to the students regarding the game.

King said that all students are to be excused for the rally; however, they are to report to their 11:40 classes at noon.

The Rams and Citrus JC Owls will clash at 8 PM Saturday in Ratcliffe Stadium.

## Rally Group Peps Up Spirit But Needs Student Support

It's the same old story over and over again. School Spirit! It must be admitted that spirit among the students has picked up considerably during the past few weeks. However, there still remains much to be desired along these lines.

The rally committee, pep girls and yell leaders are to be congratulated for their efforts towards student participation at the games, but they cannot be expected to carry the entire load themselves.

At the Taft game, the cheering section on the Fresno side was conspicuous by its absence. Out of a moderately large group of students in the stands, only a small minority were participating in the yells.

This has been said in the past and will probably be stated many times in the future, but it is important enough to all of us that it can never be repeated too often. When you are at a game, why not show your support to the team? Is it so hard to stop sitting on your hands, so to speak, and participate a little in the cheers?

The team certainly appreciates the support of the student body and what better way is there to exhibit this support than to join wholeheartedly in the cheering section and really sing out the praises of OUR SCHOOL?

## Campus Library Is For You

Want to become wealthy? Want to brush up on polyphonic vocal styles of the sixteenth century? Then read "Think and Grow Rich" written by Napoleon Hill or "Counterpoint" by Glenn Haydon. Where can one find these books? In your Fresno Junior College library, of course. Almost every kind of information from "Mammals of Nevada" to "Weapons of Psychological Warfare" can be found on its shelves.

Your library, as well as a refuge from rain and a sanctuary for drowsy students, is, above all else, an excellent study hall and reference room. For those students unfamiliar with the library system, a helpful, printed outline is placed in the main reading room.

It is amazing the number of students who do not know how to use the library and its material for locating information. Many students thumb confusedly through the card catalogue while others wander along the stacks. Those who know the card catalogue is a "dictionary" for all books in the library oftentimes do not realize that the catalogue contains three cards for each book; one for the title, another the author, and one for the subject of the book.

In seeking a periodical and its contents, the "Readers' Guide to Periodical Literature" is the quickest and easiest reference source. The Viewdex or the librarian will tell you if the library subscribes to the periodical desired.

The library is for your convenience and use. To learn to use it properly is to save time and work.

## Spotlighting the Sports

By AUGIE CALDERA  
Sports Editor

Fresno, Reedley, Coalinga, and College of the Sequoias scored impressive wins in last week's Central California Junior College Athletic Association football game. The Rams trounced Taft, 20 to 0, Reedley swept past Porterville, 27 to 13, 19 to 6 and COS smacked Hancock, Coalinga out-scored Sierra College 34 to 19.

Fresno and Reedley were very impressive in their showings and their meeting, scheduled for October 31 in Ratcliffe Stadium may decide who this year's CCJCA champion will be. Reedley is without a doubt the most improved team in the conference. The Tiger's outclassed the Porterville team and will undoubtedly pose quite a task for our Rams come the night of October 31.

### Basketball

Coach Joe Kelly has issued the call to all prospective cagers. At a meeting held Tuesday, Kelly briefed the hopefuls on this year's schedule and announced plans for pre-season workouts.

### Baseball

All Winter League games were rained out last Sunday. Coach Len Bourdet's crew held a pair of workouts this week in preparation for Sunday's game with the Visalia team.

## Restrictions For JC Athletes Surveyed By Administrators

Three proposals have been considered at a meeting of administrators of the Central California Junior College Association which will make major changes in junior college athletics in California if they are adopted.

President Stuart White said administrators from all the state's junior colleges will vote on the plans at the annual meeting of the state association at Ahwahnee Hotel in the Yosemite National Park Oct. 29 to 31.

These three provisions are included in the sample ballot:

**A. ZONING:** A student whose legal residence is in a free area; that is, an area without a junior college, may be eligible for athletics in any junior college in the county of his residence or in any adjacent county. In the event there is no junior college either in the county or adjacent county, the geographical area will be enlarged to such an extent that the student will have a choice of three junior colleges to attend.

**B. OUT OF STATE STUDENTS:** Out of state and out of country students shall be ineligible for athletics for one year except in the case of a bona fide change of residence. Exception may be made for junior colleges that draw students from adjacent out of state areas.

**C. FOOTBALL PLAYOFF:** A one game state playoff will be made starting in 1958. One team will be chosen by the state athletic committee from the northern four conferences and the other from the southern four conferences. The game is to be played on Thanksgiving weekend in Bakersfield as the Shrine Potato Bowl Game if the Potato Bowl board of management wishes to host the game under the conditions that will be outlined. Should the management refuse, the game will be played at a suitable stadium in Southern California.

Sixty-four students attended the first meeting of the new Trades and Industries Club of the O St. campus on Oct. 9.

The purposes of the club, according to Mathis, are to better ac-

quaint its members with the various aspects of their chosen fields and to generate a greater feeling of school spirit through rivalry with other clubs.

Guest speakers from trades and industries throughout Fresno will be invited to arouse the students' interest in their particular fields, stated Mathis.

# Rams Outplay Taft JC, Win Game Easily, 20-0

The Fresno Junior College Rams ended a three year jinx by posting a 20 to 0 victory over the Taft Junior College Cougars last Saturday night in Ratcliffe Stadium before a crowd of 1500.

The Ram's first score came late in the opening period as a result of a blocked punt by Fresno's Bill Herron, Don O'Berg, and Walt Miller. Quarterback John Lujano went over from the three for the touchdown. Halfback Alex Kobzoff added the extra point.

Lujano intercepted a Cougar pass on the Taft 30 to set up the next Ram score. It took Fresno four plays to hit pay dirt with Lujano throwing to halfback Henry Stennis for the score. Kobzoff's conversion attempt was wide and the halftime score was 13 to 0.

### Rams Drive Offensively

Fresno scored again early in the third quarter when the Rams took the kickoff and drove 72 yards in six plays with Lujano throwing to Kobzoff for the final tally. Kobzoff, who was aided by a key block by Fred Raco added the extra point to make the final score 20 to 0.

Lujano completed eight out of 13 passes for two touchdowns and 122 yards. He passed to halfback Ken Pipes for several large gains.

Coach Hans Wiedenhoefer cleared his bench in the third and fourth quarters. Fresno threatened to score twice in the final quarter but both drives were halted by penalties. The Rams had a total of 17 penalties totaling 100 yards.

### Ram Statistics

Fresno now has a Central California Junior College Association record of one win and one tie. The Rams gained 293 yards, 124 by rushing and 169 by passing as compared to 68 yards for Taft, 36 on the ground and 32 through the air.

Only once did the Cougars get inside the Fresno 30 yard line but they never seriously threatened to score.

### Scoring Summary

Taft ..... 0 0 0 0—0  
Fresno ..... 7 6 7 0—20

Fresno scoring touchdowns — Lujano, 3 yard run; Stennis, 3 yard pass; Kobzoff, 37 yard pass-run. Conversions: Kobzoff, 2.
