## SB Activities Planned At Sierra Conference

The student body activities for the spring semester and the constitution were discussed at a recent Student Council Conference at the Sierra Sky Ranch.

Mrs. Kay Seagraves, the dean of women, led the discussion on scheduling the spring activities calendar which includes:

March 9—Student council regional conference at Coalinga.

April 12—Easter Music Assembly.

April 26—Spring Formal

May 2, 3, 4—Student government state conference at Los Angeles.

May 5—Nominations assembly.

May 24—Installation assembly.

Barrios Leads Discussion

Ruben Barrios led the study of the revised constitution. One significant change is the by-law voted in last year by the student council that each council member must have a "C" average for his total college record; this was approved by the student body at large. Another change is the withdrawal of the complex provisions for a judicial body. This body was found very impractical because of its complexity and ornateness and is now replaced by a Board of Appeal.

Stuart M. White, the Fresno Junior College President, spoke after dinner on the future of the Junior College and the importance of student leaders.

The purpose of the conference, planned by Joseph King's conference leadership class, was to orient the spring semester officers. Muriel Maxwell acted as chairman of the conference.

"Leadership At Best"

"The Sky Ranch Conference was an excellent example of student leadership at its best," stated Mrs. Seagraves. "In the first place, the conference itself was well planned and conducted; secondly, the interest and participation of the group was consistently high during the eight hours of considerations, and much was accomplished toward expediting the activities of the spring semester."

## February 21 Is Last Day To Buy Annual

Franz Weinschenk, adviser for the FJC yearbook, reminds students that February 21 will be the last day to purchase their Rambler for 1957 at the regular price of \$2.50. If students wait any longer they will have to pay a dollar extra for their annual.

The yearbook may be purchased at either FJC bookstores.

The theme of the yearbook will be "Acquisition of Our New Campus." It will feature stories and pictures of the new buildings and facilities. Along with this it will feature articles and pictures of clubs, graduates, faculty, sports, and activities.

The Rambler will be bigger this year than in the past in size and in the number of pages.

Members of the spring semester staff are Marilyn Snyder, editor; Dulcena Allison, Courtney Newman, Lillian Monno, and Georgia Morse, layout; Robert Brown and Billie Jean Trout, art; Bob Wimer and Larry Keller, sports; and Ronald Raudlett, advertising.

## Groups Pick Officers For Spring Term

With the spring semester under way at Fresno Junior College, student organizations have both new and experienced officers to lead the various groups in spring activities.

Ruben Barrios, student body president, with the backing of the student council, has started working on the development of the student leadership handbook. Student council members also sponsored the dance which was held in the student union last Friday night.

Officers Listed

Student body officers elected for the spring semester are, Barrios, Harold Nielsen, vice-president; Dorothy Rubald, secretary; Barbara Fragus, treasurer; Kenneth Pipes, Marilyn Snyder, Clara Randolph, Gene Dudley, Gordon Smith, Shirlene Summers, Beverly Underwood, Pat Pryce, and Jo Ann Wilson, representatives at large.

Charles Leavitt, president of the Associated Men Students, and Frankie White, president of the Associated Women Students; Phil Bertelsen, freshman class president, and the sophomore class president, to be selected later in the semester, will also serve on the student council.

The council advisers are Mrs. Kay Seagraves, dean of women, and Joseph W. King, speech instructor.

AWS, AMS Officers

The other AWS officers supporting Miss White are Marilyn Snyder, vice-president; Shirlene Summers, secretary; Pat Pryce, treasurer; and Pat Koolman, historian.

The AMS officers assisting Leavitt are Muriel Maxwell, vice-president; Al Brown, secretary; and Don Smith, treasurer.

Barrios has not appointed any of the commissioners or the parliamentarian for this semester yet.

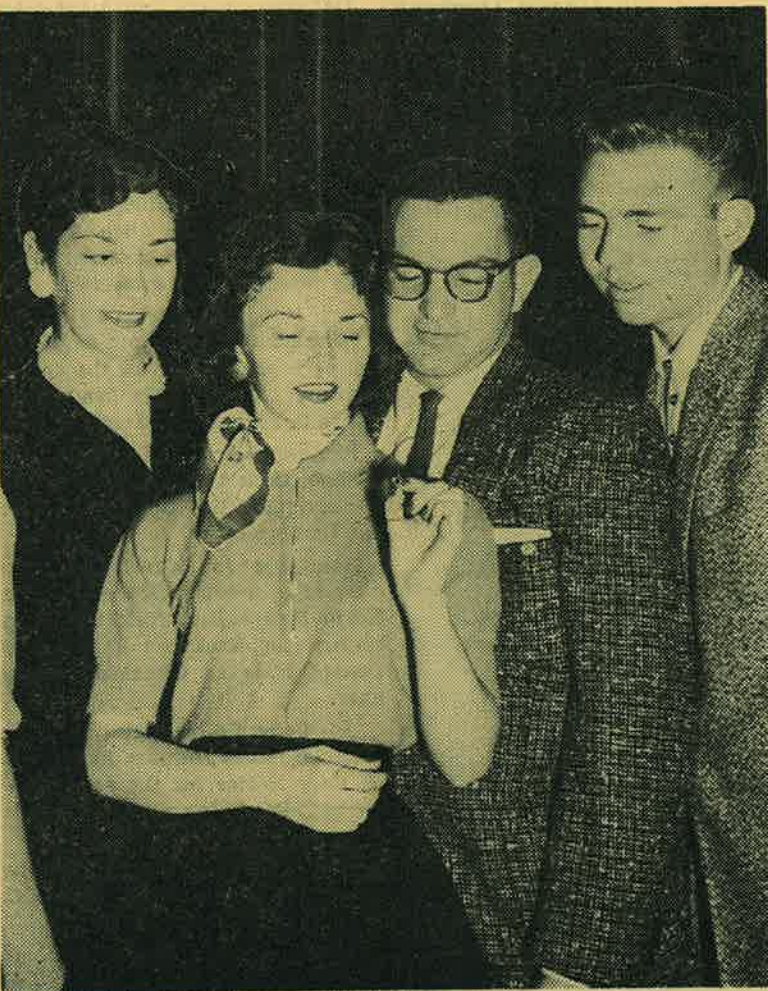

Stuart M. White, Fresno Junior College President, stated that he is confident that the new officers will perform an outstanding job.

Thirteen high school graduates constitute the lineup for spring semester officers. All but two officers graduated from California high schools. The two officers include Jo Ann Wilson, graduate from New Castle, Pa., and Gordon Smith, graduate from Wenatchee, Wash.

## Associated Men, Women Students Plan Joint February Installation Of Prexies

Associated Women Students and Associated Men Students both held cabinet meetings this week, under the leadership of their respective presidents, Frankie White and Charles Leavitt.

Miss White and Leavitt disclosed

MEDAL WINNERS — Members of the Red Key service organization who received medals are, left to right, Patti Pryce, Rochelle Harford, Muriel Maxwell, and Joe Parker.

—Throneberry Photo

## Red Key Awards Medals To Four For Activities

The Red Key recently awarded medals to four students for their outstanding extra-curricular activities during the fall semester.

They include two sophomores, Rochelle Harford, commissioner of social affairs, secretary of student body and vice-

president of Red Key, and Muriel Maxwell, president of the freshman class, member of the student council, and Red Key.

The freshmen winners are Patricia Pryce and Joseph Parker, who have been active in student activities in the fall semester.

Dolores Critz, president of Red Key, who made the awards, said the school service organization selected the medal winners on the basis of their service to the school and extra-curricular activities, while keeping their scholastic records high.

The medals are awarded each semester to the outstanding students of the sophomore and freshman class.

The Red Key won a plaque for winning a contest among campus groups for collecting toys for needy children.

Each semester the Red Key, the FJC service organization, awards medals to students who have done outstanding service in the extra-curricular field.

## SB To Hold Open House For Would-Be Students

Prospective students and their parents will be welcome to the Santa Barbara College's new seashore campus on their annual "College Day," March 2.

The campus will be open from 9:30 A M to 3:30 PM. Students planning on the visit are asked to contact the Senior Counselor.

## 2,879 Sign-Up For Spring Term Classes

George C. Holstein, the Fresno Junior College dean of admissions and records, announced that a total of 2,879 students have enrolled in both the day and night classes for the spring semester. A breakdown of the given total shows 1,455 have enrolled in day classes, and 1,424 at night.

Holstein warned prospective students who wish to register for night classes that tonight, Feb. 14, is the last night they may register for credit. The deadline for day class registration

is next week, Feb. 21. Day Registration will be held three hours each morning, 8 to 11 AM.

Students who desire to make a change of program will be allowed to do so next week. Hours are 1 to 3 PM.

Change of programs will be handled in the admissions office on the University Avenue campus.

## First Social Event Of Term Held

The Fresno Junior College Student Council sponsored the first FJC social event of the spring semester last Friday night in the student union social hall.

Members of the council were hosts to FJC students and their guests in a nautical dance, the Forecastle Frolic. Ruben Barrios, the student body president, said the purpose was to welcome new students and to launch the new semester.

Decorations followed the nautical theme, featuring a slogan, launching the SS FJC. Members of the orchestra and the hosts, along with some of the students, wore sailor attire.

Other social plans for the spring semester include the tentative Associated Men Students dance March 1, Associated Women Students dance March 10, and the spring formal April 26.

A tentative Twirp Week sponsored by the freshman class is being planned for March 11. During this week the tables will be turned and the girls will invite the boys out.

Other possible dances are being planned by the AWS, Latin American Club, and the Newman Club.

## Council Plans Conference

The student council members met Thursday to hold their semi-monthly meeting. Ruben Barrios, student body president, called the meeting to order and asked for committee reports to be given.

A report was discussed on the planning of the CJCSCA Regional Conference to be held in Coalinga on March 9, 1957. The majority of the council voted on paying for the meal tickets for the commissioners who will be attending the conference. Gordon Smith, the conference arrangements chairman, is working with Joseph King on organizing the program.

Gene Dudley, chairman of student privilege card sales, is assisted by Shirlene Summers and Jo Ann Wilson. A discussion by the council led to the responsibility of each member selling five cards individually.

Smith, Miss Summers, and Phil Bertelsen volunteered to help Mrs. Kay Seagraves, dean of women, organize the student leadership handbook.

Harold Nielsen, student body vice president, volunteered to serve as acting rally commissioner for the basketball game to be played in Roosevelt High School gym Saturday evening at 8 PM.

Dorothy Rubald, student body secretary, was elected as state student co-ordinator for the student government association of California junior colleges.

## Staff Expresses Thanks, Good Luck To Photographer

The staff members of The Rampage would like to take this opportunity to express good luck and appreciation to one of the paper's best photographers, ever, Ralph Throneberry.

Throneberry, who has been taking pictures as The Rampage's chief photographer for the last four years, has left for a tour of duty with the United States Marines.

We would like to thank Throneberry for the many fine pictures that he has taken for The Rampage, the Rambler, and the school catalog.

Stuart M. White, president of FJC, said in a letter to Throneberry: "I would like to express to you our many thanks for the very fine service you have rendered Fresno Junior College. I know that Mr. Smith (Philip D. Smith, advisor for The Rampage) and Mr. Weinschenk (Franz Weinschenk, Rambler advisor) greatly appreciate the many hours of service you have given us, and I am certain that our yearbook, The Rampage, and the school catalog, along with other of our publications, would not have been as good had it not been for your fine work."

## Student Body President Welcomes All Students

Here it is the start of the new semester and as president of the student body I would like to welcome all new and old students to another semester of school here at Fresno Junior College.

For many of us this will be the final round at the junior college, either because of graduation, working full time, or maybe personal reasons. But whatever the reason may be, whether it's your first or last semester make it a good one in all phases of college curriculum.

Speaking for myself and for my cabinet we will attempt to make this semester one of the best at FJC. Of course in order to do this we ask for your cooperation and patience in all that we attempt.

We the student leaders of this school were elected to serve and help anyone at any time. If at any time any one of you feel that we as a student council can help, don't hesitate to let us know.

RUBEN BARRIOS,  
Student Body President

## Hartman Again Heads FJC Paper

Mike Hartman has been named Editor of the Fresno Junior College newspaper, The Rampage, for the spring semester, P. D. Smith, the paper's advisor, announced today.

Hartman, in his fourth semester at FJC, was also editor last semester.

Returning as Assistant Editor for the spring semester is Ruben Barrios. Barrios has three semesters of journalism at FJC behind him.

Appointed as Business Manager of the paper was Alice Alvarez. Miss Alvarez was Assistant Business Manager last semester.

Haugan Is Sports Ed.

John Haugan will hold down the job of Sports Editor for the spring semester. Assisting Haugan will be Augie Caldera and Marvin Lutz.

Photographers will be Charles Dishno, Clint Cozby, and Dewayne Pendergrass. Bill Scheidt will be the Cartoonist.

Returning as Advertising Manager after a semester's absence is Karlo Demoorjian. Naomi Morales returns as Exchange Editor and Donald Hale as Circulation Manager.

**Copy Editor Returns**

Paula James resumes her duties as Copy Editor for the second semester. Returning as Librarian is Dolores Critz.

Two new students take over the secretarial duties; they are J. C. Wilburn and Ilinka Mihich.

Returning reporters are Shirlene Summers, Eddie Briggs, Cozby and Edith Lovejoy.

New reporters include Barbara Bekerian, Katherine Brawley, Lucille Capelli, Ronald Randlett, Gordon Smith, Betty Mae Torigian, and Jo Ann Willson.

## Economics Class Has Field Trip

A field trip to Friant Dam will be taken by the class on economic problems of the San Joaquin Valley today. This class will find out what the dam and its lake contribute to the agriculture of the valley.

Stanley Bennett, an economics instructor and business division counselor, is the teacher of the class.

The three unit course meets every Tuesday and Thursday from 11:40 AM to 12:55 PM. This course is an economic survey of the San Joaquin Valley area. It has emphasis on extent and location of natural resources, problems of migratory workers, agriculture and manufacturing problems, and the development of water distribution within the area.

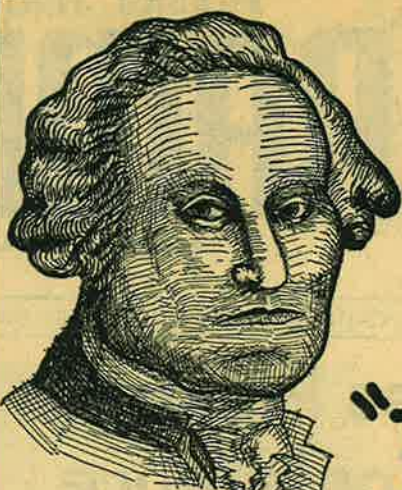

## Farley Will Speak To FJC Student Teachers

Dr. Melvin L. Farley, executive secretary of the central section of the California Teachers Association, will be the guest speaker at the California Student Teachers Association meeting Tuesday at 12:30 PM in A-6.

Jo Ann Wilson, president of the organization, invites all education majors and those interested to attend this meeting.

Miss Kate E. Darling and Lowell C. Spencer are the advisers; the officers for the spring semester are Miss Wilson, president; Lillian Carrillo, vice-president; Carrol Nugent, recording secretary; Janet Hill, corresponding secretary; and Alvin Hicks, treasurer.

## Americans Enter Into Spirit Of Saint Valentine's Day

By SHIRLENE SUMMERS

February 14. Once again Saint Valentine's Day rolls around, and once again America enters into the spirit of the sentimental festivities which accompany the custom.

Although there are no deeply rooted religious ties supporting this tradition of considerable antiquity, it is interesting to note that the characteristics symbolic of more profound concepts are a vital part of Saint Valentine's Day, in the expressions of love, charity, and good-will manifested in asundrious ways on this day.

**Earmark of Sport**

The frivolous gaiety which is an earmark of the festive sport, is exhibited everywhere in numerous ways. There seems to be a magical sparkle and mischevious attraction which Saint Valentine holds for the "holiday-mad" Americans.

Tiny tots grasp the spirit of the idea quickly, and get great delight from the decor, favors, and exchange of greetings.

As these young sets mature, the appeal of St. Valentine's Day also increases, matures, and perhaps even mellows with age.

This can easily be denoted by observing the "hearts and flowers" routine improvised by the starry-eyed adolescents.

Significantly, it is also interesting to delve a little into the history of the beloved tradition and discover that it had its origin from a rather romantic time.

**St. Valentine Existed**

It seems that there existed one Saint Valentine, who was a bishop and martyr of the church. He was put to death at Rome for his faith during the persecution, under Claudius II, Feb. 14, 270.

The custom of choosing valentines on his day is of that era, and it was believed that birds began to mate on that day.

On the eve of Saint Valentine's Day young people of both sexes used to meet and each of them drew one by lot from a number of names of the opposite sex.

The association of the lovers' festival with Saint Valentine seems to arise from the fact that the feast of the saints falls in early spring, and is purely incidental.

One must understand that Valentine's Day as we conceive it today is a grand mixture of a good many unrelated sources and ideas. Cupid, thus, is very symbolic of the day himself.

# Clubs Planning Events Must File Required Forms

Mrs. Kay Seagraves, the Fresno Junior College Dean of Women, has announced that clubs which are planning on scheduling an event on the students calendar, must fill out the necessary forms, which are available in Ad-116. Mrs. Seagraves cautioned clubs to consult with her regarding

# Ten Receive Certificates In Ceremony

Ten students completed the vocational nurses course and received pins and certificates at the vocational nurses completion ceremony Friday, Jan. 25, in the University Avenue auditorium.

The girls who successfully completed the Nurses Training are Selma L. Behar, Roberta Cobb, Norman Jeanne Cooke, Beverly M. Fleets, Charlie M. Harris, Emma Mae Hill, Katheryn Holland, Barbara Ann McGreal, Armida Nunez, and Claire Zimmerman.

The address was presented by Rt. Rev. Msgr. Francis X. Singleton. His speech was "Nursing, a Sacred Ministry." He gave a brief history of nursing and then stated that every nurse is sent by Christ to reveal Him in all her activities. In his speech he said, "She must recognize the dignity of man whether the patient be a newborn baby or an aged person. And it is her mission to convey this recognition to others."

A speech was made by one of the graduates, Mrs. Claire Zimmerman. Her speech was entitled "What Nursing Means to me." Mrs. Zimmerman spoke for all the graduates when she said, "When I pass the state board examination and become a member of the professional team, I shall wear my white uniform humbly but very proudly as well, for at long last I shall be a woman in white."

The processional, Star Spangled Banner, and the recessional were played by the FJC music department.

# FJC Starts New Course

Robert F. Hansler, the chairman of the Fresno Junior College technical and industrial division, announced a new industrial education course in elements of supervision started last night at 7 PM in Bungalow 1 on the O Street campus.

Hansler said the two unit class, which will meet Wednesdays from 7 to 9 PM during the spring semester, will be for foremen and others in supervisory capacities in industrial plans and for journeymen and other who hope to be upgraded into supervisory jobs. The instructor will be Andrew Barlak.

Hansler also announced a new section of another industrial education night class, technique of conference leading, will be started if there is sufficient demand. One section is being given Tuesdays from 7 to 9 PM in S-22 on the O Street campus. The second section, if it is necessary, will be given Thursdays. Beecher Brown is the instructor.

The elements of supervision course is a basic introductory class covering the total responsibilities of a supervisor in industry, such as organization, duties and responsibilities, human relations, grievances, training, rating, promotion, and management and employee relations.

The techniques of conference leading course is designed to prepare the student to organize, lead and participate in industrial conferences. It is a two unit course.

# Federal Jobs Available To JC Students

Fresno Junior College students will now be able to earn while they learn.

The United States Civil Service Commission Office in San Francisco has announced that summer vacation and part-time trainee jobs are open in Federal establishments in California and Nevada to undergraduates of various majors.

Jobs as trainee assistants to professional personnel previously open for students specializing in engineering, metallurgy, chemistry, physics and mathematics are now open to majors in biology sciences, accounting and economics as well.

Students not only have the opportunity to assist in the performance of professional or scientific work while taking their undergraduate course but they also have a chance to find out about the working conditions and future careers in one of a wide variety of establishments engaged in work of national importance.

Information about these positions and how to apply for the examinations is available in the placement office or in the post office. Some but not all of the positions require competition in a written test.

# Jones Expresses Concern For Men Of Draft Age

Major General Earle M. Jones, state adjutant general, recently expressed his concern that young men between the ages of 18½ and 25 years, who are presently registered with Selective Service, are not aware of the implications of the administrative ruling of the Director of Selective Service

that men who have had six months active duty training will be administratively deferred from the draft as long as they perform satisfactorily in a National Guard unit.

"This means," Jones said, "in effect that a man in this age bracket who enlists before receiving induction reporting instructions will be able to trade six months of active duty for training in lieu of a possible two years of active duty service if drafted."

**Advantage to Employers**  
This would be to the advantage of employers who are contemplating hiring draft eligible men as well as create a minimum of interference for men who desire to pursue a college education upon graduation from high school.

Differences of opinion between Guardsmen and the Defense Department and the Department of the Army have arisen over how and when young men in the 17-18½ age bracket are to perform their military obligation. The Executive Council of the National Guard As-

sociation has recommended, by resolution, that all young men in that age bracket who join the Army National Guard after April 1 be required to perform 11 weeks of active duty for training or be permitted to volunteer for the six months training program, provided they have not had prior military service.

**Stay at Home**  
General Jones said that between now and April 1 young men in the 17-18½ age bracket who join the Army National Guard will be permitted to perform their military obligation at home provided they meet the Guard's attendance requirements.

Those young men who are unable to leave their jobs or school right away should join the Army National Guard now and they will be assured they will not be required to "TAKE SIX," General Jones said.

# Rams Hold Down 2nd Position In CCJCAA

Fresno's Rambling Ram five after a slow start have been hitting the win column in regular fashion and now hold a solid second place in Central California Junior College League competition.

The open road beckoned the Rams and San Luis Obispo was the stop with the freshmen of Cal Poly the victims, 56-52.

Allan Hancock Junior College had to pull all the stops to drop the Rams 71-58. Ball control was the order of the day for the Rams and but for some erratic shooting by FJC late in the first half, Fresno may have nipped the Bulldogs.

Porterville pulled an upset, 75-74, win over the FJC five in a hotly disputed contest. Coach Joe Kelly has sent a protest to the league officials and is awaiting results of rules on a closely guarded play and the referee's interpretation of the stalling tactics.

### Scoring Record

The Coalinga Falcons proved no match and were set down in apple pie order, 98-77.

Ram Center Warren Schmidt set a new school scoring record of 48 points to break the existing record of 45 held by former Ram Huey Davis.

The Cal Poly Freshmen journeyed to Fresno only to be completely subdued, 74-52. Al Brown and Schmidt teamed together for 18 points respectively.

FJC traveled to Visalia to match buckets with College of Sequoias' Eddie Mitchel and crew. Forward Al Brown connected for 28 points to lead the Ram attack and an upset victory, 67-61.

Reedley's shorter Tigers were no match for the classy Rams and were sent home with a 89-57 loss. Brown and Schmidt again provided the one-two scoring punch, hitting for 27 and 26 points, respectively.

The Rams, matched against Taft, played ball control and employing a stall pattern with nine minutes to go, nipped the Cougars 48-42 last Saturday evening at Taft.

A few changes have been made on the Ram squad. Gone are Alton Davis, broken ankle; Kenny Guinn, Jack Zimmerman, and Wayne Pettit for various reasons. New to the Kelly men are Marty Olsen, forward, Bakersfield, and Conner Sutton, center and forward, from Central High.

# MJC Takes Two From Weak Rams

Coach Clare Slaughter's Ram baseball team will attempt to reverse a pair of setbacks suffered at the hands of the Modesto Junior College Pirates when they host the northern squad Saturday on the Romaine Playground diamond, game time 12:30 PM.

The Pirates defeated the locals twice in Modesto last Saturday, 3-2 in the opener and 6-0 in the nightcap.

### Strong Pitching

In the first game, pitchers Larry Keller and Jim Richmond showed fine early season form as they held the Pirates to seven scattered hits. However, the Rams failed to unveil a consistent offensive attack as three Modesto hurlers held them to only four safeties.

Keller and shortstop Clyde Reed collected two hits each to pace the locals at bat. One of Kellers blows was a booming triple to score Reed and Augie Caldera with the only tallies the locals could push across.

### No Hits

Bob Kollmansberger, Ralph Hansen, and Ron Jourdenais, Modesto pitchers, held the locals hitless in the finale. Jerry Burcher and Richmond were combed for ten hits by the Pirates.

Outfielders Cloyse Keeny and Stan Bush are expected to add plenty of power and speed to the Ram nine when they report for practice this week.

Slaughter is expected to start either Keller or Burcher in the opener with Richmond and veteran Dan Spino has looked good in practice this week and is ready for relief duty. The Rams will play their first league game March 1, when the defending champion Coalinga Falcons come to Fresno to battle the Rams.

### First Game

	F	M	R	H	E
Fresno	002	000	0	2	4
Modesto	001	200	x	3	8
Keller, Richmond 6 and Bertelsen; Begley, Holmquist 5 and Heath.					

### Second Game

	F	M	R	H	E
Fresno	000	000	0	0	3
Modesto	102	082	x	3	10
Burcher, Richmond 5 and Bertelsen; Kollmansberger, Hansen 4, Jourdenais 6 and Beavers.					

## Basketball Maneuvers

Clinton Township High of LaPorte County, Indiana, is one school that doesn't have to worry about its losing ways. With only 25 students in school — 15 of them boys — Coach James Howell had more on his team than in the cheering section. In suiting up 12, with two others acting as manager and three as cheerleaders, any time he looked up he never saw more than eight. He has one consolation — when the team competed in the State sectionals, there was no trouble satisfying all ticket demands.

# Rams To Meet Top Rated Bulldog Five

Coach Bill Bertka brings his Allen Hancock Bulldog five into Joe Kelly's Ram camp this Saturday evening, 8 PM, at the Roosevelt High School gym.

The Bulldogs are currently the hottest thing this side of you know what and boast an all time national junior college

record of 40 straight wins, 27 of these wins this season. The Bulldogs made it 39 and 40 last weekend, wrecking Porterville, 98-81, and Hartnell, 83-70.

Paul Denham, ace freshman transfer from Kent University, showed his wares for the first time and dumped through 30 points against Porterville. Such is life!!!

Hancock besides being number one in the nation is also leading the Central California Junior College League with an 8-0 record.

The Rams have played better and tighter ball since the first encounter this year when Hancock shook up the local five, 71-58. Save for a few untimely missed shots late in the first half, enabling Hancock to break loose for their famed fast break, Fresno might have been giant killers.

Last year about this time the Rams came through in noble fashion to humble a highly rated Bulldog five, 65-58. Such may be the case this year as the underdog Rams will be shooting for an upset win over Bertka and company.

Kelly will go with his usual starting five consisting of jumping forward Al Brown; leading scorer and center Warren Schmidt; forward Larry "Red" Gambrell; plus shorties Ben Eichman and Bob Palacios.

Kelly reports two new men out for basketball, Connor Sutton and Marty Olsen. Both may see action against Hancock.

## FRESNO JUNIOR COLLEGE TENNIS SCHEDULE

### MARCH

- 21 — Porterville, Thursday, 2:30 PM .....Fresno
- 28 — Reedley, Thursday, 3 PM .....Reedley

### HE-MAN DREW

Rich man of the campus was Danny Drew  
Because of his wonderful chest tattoo—  
A beautiful lady exquisitely etched—  
When he flexed his muscles she got up and stretched  
His buddies all gave him their hard-earned dough  
For the pleasure of watching  
his pectoral show.

**MORAL:** Accept no substitute for *real* enjoyment. Take your pleasure BIG. Smoke Chesterfield and smoke for *real*. Made better by ACCU-RAY, it's the smoothest tasting smoke today.

Smoke for *real*... smoke Chesterfield
