NO. 23

AWARDEES — Holding awards won at the eighth annual California State Future Business Leaders of America convention are four Fresno Junior College representatives. They are, left to right, Marian Bitter, elected Miss Business Executive; Dotti Rubald, retiring central section vice-president; Edna Hartley, an advisor; and Don Jacobs, elected Mr. Business Executive. —Woodfin Photo

Candidate For Office Qualifications Listed

The Fresno Junior College constitution qualifications for president or vice-president of the student body include: a member of FJC student body, a completion of a year attendance at time of candidacy, have a grade point average of 2.5 (B— or C+), maintaining 12 units in the previous and

Theta Beta Initiates 15

Theta Beta, chapter of the Phi Theta Kappa, national junior college honorary fraternity held initiation of 15 new members Mon. Apr. 8, in the home of an advisor, Mrs. Dorothy Bliss.

The initiation ceremony was conducted by the chapter's officers, Thomas Williams, president; Rodney Hill, vice-president; Haruni Okamura, secretary, and Edith Forath.

The following new members initiated were: Phyllis Gehrke, Saron Cummings, Victor Takeuchi, Elaine Anderson, Robert P. Broome, James Kuriki, Billie Bradshaw, Raymond Halfaker Jr., Arlene Vettling, Carl A. Grace, Shirley Spomer, Sumiye Taniguchi, Marguerita DeFehr, Leon Huffman, and Richard Morris.

AWS Depart From Usual Pattern Of Cotton Day

Associated Women Students of Fresno Junior College are departing a little from the usual pattern of events this year concerning Cotton Day, which ordinarily accompanes a noon dance and fashion contest.

"Cotton Day is officially scheduled for April 22, immediately following Easter vacation," states Frankie White, AWS president, "and spring wearing apparel will be initiated into FJC."

Replacing the noon dance custom, AWS and Associated Men Students will jointly sponsor a Cotton Ball on the evening of May 17, the details of which will be elaborated upon at a latter date.

Easter Vacation Is April 15-19

Easter spring vacation will be observed from Apr. 15-19. The next Rampage will be published Apr. 25.

There will be five more issues of the Rampage published after this one.

Lou Monte Scheduled To Play At Fresno JC Spring Formal

Lou Monte and his orchestra will play for Spring Mist Formal, which is the theme of the Fresno Junior College key social event of the spring semester, to be held in the social hall of the University Avenue campus, the evening of April 26.

The FJC Newman Club is this year's sponsor of the dance, and the club has appointed committee chairmen, however the committee members will be selected from other groups.

Assembly Set Tomorrow In Auditorium

The FJC choir and dance band, under the direction of C. Lowell Spencer, music instructor, will present an Easter musical assembly tomorrow at 10:30 AM in auditorium.

The program will be divided into two parts. First, the choir will sing selections of Easter music. The second part of the program will be a variety show built around the dance band.

Charles Davis, an FJC student, will be the master of ceremonies. Miriam Klaus will present a reading, Manhattan Tower, with the choir. Other numbers by the choir will include Give Me a Song to Sing, Were You There? and The 150th Psalm.

Sonya Miller will sing a medley of show tunes, and she and Davis will sing Love Me Tonight. Billie Bradshaw will present a marimba solo.

The dance band will do several swing numbers and will also present imitations of big name bands.

Featured in the dance band selections will be Donald McKay and Kenneth Montanari on the trumpets, Elmer Joseph and Adolph Mendoza on the saxophones, Allen Kennedy, clarinetist, and Kinya Tsuruta and Gary Tingly on the drums.

Spencer stated that this program will be presented in the Roosevelt and Fresno High Schools following the spring holidays.

April 25 Set For Injections

Mrs. Anne Gabel, the Fresno Junior College school nurse, has announced that the Salk polio immunization clinic, originally scheduled for last month, will be held two weeks from today, on April 25.

The date scheduled will be the day for FJC students and family members under the age of 40, to obtain their first polio shot, providing of course, the serum arrives.

The clinic was originally scheduled for Mar. 28. However, the vast demand for Salk vaccinations surpassed the expectations of the health authorities and the vaccine was exhausted throughout the nation.

Mrs. Gabel reminds students that the Apr. 25 date is tentative and is subject to change, depending whether or not the vaccine arrives.

Students are further reminded that those under 20 must have their parents permission to receive the shots.

Parental permission slips were passed out to students in their classes last month.

Handbook To Be Issued To Students

A new handbook, designed to acquaint student body officers and committee members with various phases of student government is being issued this week by the Fresno Junior College Student Council.

Ruben Barrios, FJC student body president, said the book is being given to the student officers in an effort to broaden their knowledge of campus government along with tips on leadership, an outline on parliamentary procedure, a portion of the student body constitution dealing with procedures for running for an office, and other important items of interest.

Shirlene Summers, Gordon Smith, Jo Ann Wilson, Harold Nielson and Phil Bertelsen, members of the student council, and Mrs. Kay Seagraves, dean of woman, played an important role in preparing the handbook for publication.

Enrollment Sets Spring Term Record

The current enrollment at Fresno Junior College is the largest ever for a spring semester. George C. Holstein, dean of admission and records, said that every semester an official enrollment is taken and sent to the state department of education. The official fall enrollment is taken in Oct. and the official spring enrollment is taken in Mar. The official enrollment for the current semester is 2,862 students.

At the start of the semester 3,150 students registered and by the end of Mar. 288 students had withdrawn. The number of students attending FJC during the day are 1,461 including high school students. The number of students attending extended-day classes are 1,401 including students under the Air Force Reserve Program.

CALENDAR OF THE WEEK APRIL

- 11 Interclub Council meeting at 12:30 PM in the student Body Office. FBLA meeting, 12:30 P.M., B8.
- 12 Easter Music Assembly, at 10:30 AM in the auditorium.
- 15-19 Easter Vacation.
- 23 Student Council meeting at 12:30 PM in Student Body Office.
- 24 Newman Club Snow Cone Sale.

A King and Queen contest represents an important part of the affair, and each campus organization may submit and support two persons as queen and king candidates in the competition.

Friday, April 12, 2:30 PM is deadline for all entries," announces Dotti Rubald, chairman of the contest, "and contestants are requested to meet for pictures in the Rampage office at 2:30 PM of that day."

The qualifications as specified by sponsoring organization, are: 1. must have "C" average. 2. must be member of club represented. 3. may never have held title of king or queen before, while attending FJC.

Veda Luhm, the student body social commissioner, is general chairman for the spring formal. Ruben Barrios, the student body president, will act as master of ceremonies.

Committee chairmen include Miss Rubald, king and queen contest; Dolores Critz, in charge of candidate photos; Yolanda Marquez, bids; Marilyn Snyder, decorations; Joseph Lara, publicity; Lillian Monno and James McGee, receiving line; Naomi Morales, refreshments; Adolph Mendoza and Miss Luhm, orchestra; Gilbert Chacon and Fred Raco, police; Frances Wright, matron; Michael Gay and Diana Avila, entertainment; and Benjamin Quintana and Robert Palacios, clean up.

Marilyn Snyder is president of the Newman Club.

FJC Boasts Drama Group

Fresno Junior College now boasts a small drama group which meets regularly Tuesday and Thursday of each week.

The group has elected officers, and acquired an almost adequate membership. Their acting sponsor is Mrs. Kay Seagraves, until a permanent sponsor can be found.

The officers include Larry Anderson, president, Darlene Brumfield, vice president, Nancy Gavotto, secretary, and Jean Gress, treasurer.

Miss Brumfield stated that a meeting was constructed at 12:30 PM, on Tuesday, to conduct readings in preparation for choosing a one act play and its cast.

The Adventures of Mr. Bean is being considered as a likely prospect for one-act material.

Those persons who have signified a real interest by signing the membership roll are as follows: Miss Brumfield, Miriam Klaus, Charity Mendoza, Alice Alvarez, Jean Gress, Anderson, Ronald Randlett, Warren Schmidt, Victor Farjo, Kenneth Dandridge, Johnny Kizer, George Galston, and Arthur Mesistrano.

A group comparable to the size of the present one attempted to organize last semester, with the sponsorship of Mrs. Seagraves.

Two Things Responsible For US Progress Surge

During the last half century the United States has made a great deal of progress. Two things have been mainly responsible for this surge, vision and courage.

The two go hand in hand; if a man has the vision to see the right steps he must have the courage to take these steps. If a man has courage he must first have the vision to know these steps.

Vision does not come easily; it is made up of many bitter experiences, of struggles and defeats. Too, vision is made up of success and of triumph. Vision may be said to be the prophesying of the future based on experience.

Courage is equally important, for even with the vision there must be courage to carry out the steps.

If a man is afraid of defeat nothing can be accomplished; there can be no progress of any kind.

President Eisenhower once said, "during any development in history, was there ever any assurance of success?"

These words should and must echo the sentiment of every individual if there is to be progress. True, progressiveness sometimes brings defeat; however, vision and courage will work out the problems brought, and turn them into victory.

Man must make his own decisions, and when he believes himself right he must go on and follow his convictions.

Contab Set For Apr. 12 At FSC Site

Gervase Eckenrod announced that the California Conference of Guidance and Personnel Associations will be held in Fresno on April 12 at the new Fresno State College Campus.

Eckenrod is the general chairman for the conference. Six guidance organizations will be represented at the conference. This conference is for the organizations in Central California.

Several field trips will be held in the morning. At 2 PM Mrs. Anne Rambo will give the keynote speech "Guidance—For Men and Missiles." A panel of leaders of industry, phychiatry, and sociology will be given at 3 PM. The Chief of the Bureau of Guidance from the Office of Education William McCreary will present a speech "How Are We Really Doing?" at 4:15 PM.

The dinner to be held at 6 PM is being planned by Eckenrod, Mrs. Dorothy Bliss, and the rest of the committee.

The greeting will be made by Dr. Arnold Joyal, president of Fresno State College at 7 PM. Dr. George Armacost, president of Redlands University will be the featured speaker. His speech "Achieving Mature Citizenship Through Guidance" will be given after the greeting by Dr. Joyal.

Attending the conference will be some of the counselors from the Fresno Junior College.

News 'n Views

By BARBARA BEKERIAN

Those students seen around school with smiles on their faces are probably the ones who received A's or B's on their mid-term examinations.

The others who walk around the campus with their chins scraping the sidewalk might be those unfortunate people who received F's or even G's.

If you've received bad grades on the exams, one consolation is that you have nine more weeks to bring up your grades.

For those that made A's there just isn't a thing to be done for you.

Easter Vacation
Next week is Easter vacation and everyone will forget his studies for seven glorious days.

Many of you, who won't be working, will probably go water skiing at the lakes or go to the coast.

Some students around the campus have been discussing plans to go to Palm Springs. Others are just going to stay home and go swimming at the local pools, which will probably be opening next week.

After Easter vacation is over, most of you will come back to school rested and sporting a beautiful tan or a painful sunburn.

Fashion Notes
On Easter Sunday, everyone will be decked out in his finest clothes.

The men will be dressed in the light weight summer suits and hats.

Most of the women will be wearing plain sheath dresses with dusters to match. The hats for the women vary from the wide brimmed picture hats to the smart pill box with multi-colored flowers on top.

Remember to go to the church of your choice.

The Easter services will end the week full of busy activity and vacation fun.

CCJCAA Sets Unified Policy

Administrators of the Central California Junior College Association established a unified policy in abiding with the state education code at their last meeting, Mar. 7.

George C. Holstein, dean of admission and records, asserted that the education code will permit the returning serviceman to use his military service credit in hygiene and physical education but will not exempt veterans who are under 25 years of age and carrying eight units or more from fulfilling the required four semesters of physical education.

BIG MEN ARE THINKERS
It is a big man who can logically think out a problem which vitally affects him and then accept the conclusion, even if it is against his desire or inclination.

Jets, Topic Of Learning In Physics

Have you ever stood and watched a jet climb higher and higher, leaving thin white vapor trails behind and wondered how, why, where, and who made this sight possible?

Have you ever heard the phrases super-sonic jets, or crashing the sound barrier? Of course you have! But did you take the time to find what they mean?

Have you seen on TV or read in the newspapers or news magazines the phrase, earth-satellite? Nine times out of 10 you have and again, did not take time to find out anything about it.

Students in physics 2B, under the instruction of Carl Morgan, on MWF are taking the time and going to the trouble of writing papers about the above mentioned phrases which are timely aeronautical problems.

Students probing for answers to their experiments on these problems are John F. Irwin, Eddie Young, and David Tribble.

Aside from their lab work these men will visit various aircraft factories in California for first hand information. Talks to engineers working on similar tasks will be included in the visits.

JC Auto Shop Prepares For School Week

The Fresno Junior College auto shop located near the Edison High School is making preparations for Public Schools Week, scheduled for April 29 to May 3.

An accreditation team of the Western College Association visited the FJC auto shop on Tuesday and Wednesday of this week.

President Stuart M. White of FJC said that the association would either continue or withdraw the accredited rating by recommendation after their investigation of the entire campus. If the FJC college is accredited, college credits that are earned by its students may be transferred to any college or university.

Charles Coffman and Joseph Woodman instructors of the auto-shop, are working closely with the graduating students to find them suitable jobs for this summer. Many part-time students have various jobs in leading garages, that have been obtained through the junior college.

On Monday of each week a three hour lecture is given by the instructors on the fundamentals of the automotive field.

Four FJC Students Express Views On Improving School

Question: How do you think the Fresno Junior College could be improved?

Victoria Hayashi, sophomore, education major; I wish something could be done about the pigeons that roost on the roof of the library.

I also wonder if something could be done about the poor ventilation that exists in McLane Hall. When ever the chemistry classes perform experiments the odor has no way to escape so it remains for the rest of the day.

Jo-An Hoskins, freshman, education major; Something should be done about the parking problem. If the students would park properly their would be much more room for other cars.

I also believe the students should get behind the schools social and sports events, because the attendance at both are very poor.

Louie Obradovich, sophomore, education major; I think the best way to improve FJC would be to get more up to date books in the library. Not only up to date books in the library, but also a higher class of books to read.

Muriel Maxwell, sophomore, accounting major; should participate in club activities and student body government. If students would do this they would become more interested in their school, and they would get a lot of enjoyment from participating.

EARN MORE MONEY

"I will show you how to earn twice as much money as you are now getting."

"It's no use. I'm doing that already."

Ott Will Conduct Eight Seminars

County Planning Director J. Stanley Ott will conduct eight seminars on Planning For Community Improvement. The seminars, to be held in B-8 on the University Ave. Campus of the Fresno Junior College, will begin Tuesday, April 2.

The entire course will cost \$9. George C. Holstein, dean of admissions and records at FJC stated that the course on community planning is an extension course of the University of California.

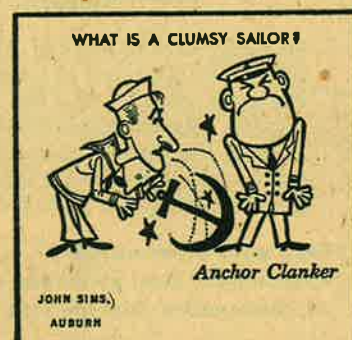

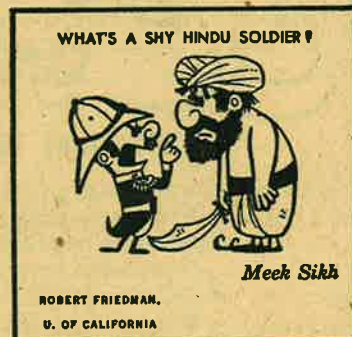

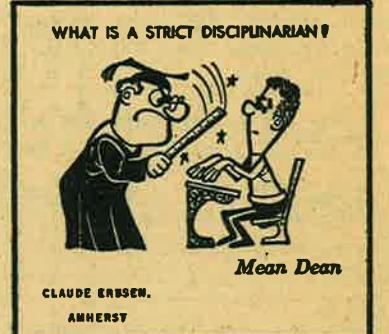

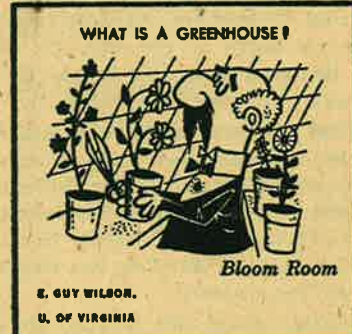

Members of planning commissions, legislators, service club leaders and other citizens interested in government and planning have been invited to attend the course by Charles Preuss, the chairman of the Fresno County Planning Commission.

Sticklers!

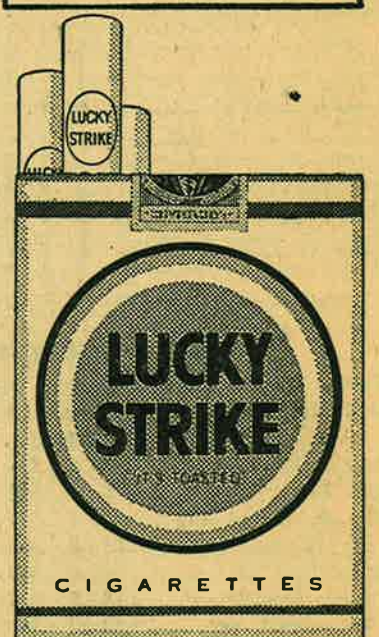

WHAT IS A LUCKY AT LUNCH TIME?
(SEE PARAGRAPH AT RIGHT)

WHAT A MENU! A dank frank, an ol' roll, a pallid salad, and a dry pie. Let's face it, friend—your lunch-time fare needs brightening! Recipe: light up a Lucky! It won't make a filet out of that frank, but it's a *Noon Boon* nevertheless. A Lucky, you see, is all cigarette—all great smoking, all the way through. It's made of fine tobacco—mild, good-tasting tobacco that's **TOASTED** to taste even better. But why wait till noon to try one? Right now, you'll say Luckies are the best-tasting cigarette you ever smoked!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some easy money—start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

COS Giants Dump Rams On Two Hits

By Bill Sewall

The College of Sequoias crack baseball team shut the door in the face of the Fresno Junior College Rams Tuesday afternoon at Romain field in Fresno by a 5-0 count. Dick Doecker, ace Giant hurler, was the star of the game as he pitched two-hit ball through the course of the game. He pitched what was probably the best game of the season for him as he struck out nine men, surrendered only two hits, and walked but three men. He didn't allow a runner to advance any further than first base throughout the game. Larry Keller, Ram pitcher, also pitched a good game as he struck out five men and walked only three batters.

Stan Busch and Cloyce Keeney collected the only hits for Fresno. There were no extra base hits in the game for either side.

COS didn't waste any time in jumping off to a quick lead. In the first inning Mel Silva hit the first pitch of the game to center field, but it was dropped and Silva ended up on second base. The next batter hit a soft ground ball to third that enabled Silva to advance a base on the throw. Batting next, Bill Key hit a soft bloop just beyond the second baseman's reach that dropped for a single scoring Silva.

There was no more scoring until the fourth. Buddy Burgess reached first on a fielder's choice. He stole second and scored on an error.

In the fifth inning COS put together their biggest scoring effort of the day. Bill Ryan led off with a walk. Ted Hittel singled into left to put runners on first and second. Doecker reached first on a fielder's choice. Silva then singled to left, scoring Hittel. Key lifted another bloop single to score Doecker. Burgess climaxed the scoring with a single to center scoring Silva.

In the last of the fifth Fresno threatened momentarily. Keeney singled leading off, but he was quickly erased in a double play. That was the only threat Fresno had in the game.

The Rams tangle with the Fresno State JV's tomorrow afternoon at the FSC new campus diamond, game time 2:30 PM.

The Line Score:

	R	H	E
COS	5	10	0
Fresno	0	2	3

Doecker and Garrett. Keller and Bertelsen, Bond 8.

The box score of the Fresno JC vs COS game:

COS Gives Lesson To Young Rams, Win Easily, 36-0

The College of the Sequoias Giants gave the Fresno JC Rams a lesson in golf last Thursday afternoon as they humbled Coach Hans Wiedenhofer's unit by a 36 to 0 score. The match was played on the Visalia Country Club Course, but the defeat can hardly be pinned to the fact that the Rams were playing on strange grounds. As Coach Wiedenhofer put it, "We were beaten by a group of professionals."

The winners had an average score of 73, one over the 72 which is par for the course. Freshman Harold Brixey of Lindsay shot the low score of the day, 68, as he trounced Fresno's James McCrory, who posted a good 76.

COS has been established as the definite power of this year's Central California Junior College Athletic Association conference. The Giants played their finest golf to date in handing the Rams their first setback.

Fresno meets the Reedley College Tiger squad today. Wiedenhofer is sure the Tiger squad will not present the problems which the COS team did.

Summary: COS—36, FJC—0. Nicotera, COS, 71, Don Simerly, 89; Lopez, COS, 73, Haadon Dolar, 80; Henson, COS, 73, Paul Ledbetter, 89; Gaspar, COS, 72, Ernie Hindman, 89; Walcoviez, COS, 80, Don Baker, 82.

As I See It...

By JOHN HAUGAN

As I see it, after watching the baseball game between College of Sequoias and Fresno Junior College, the rumors about COS are unfounded. COS has a top notch bunch of players with a lot of spark and drive.

The Rams on the other hand seem to have lost what spark they had. No talking it up in the infield, no encouragement to the chucker, no nothing. The infield looked about as useless and listless as an umpire is often times called.

What has happened to a team that was tabbed as a first division club?

How can the student body give their support to a team that lacks the fire and hustle to win games.

A lack of ability is something no one condemns but a decided lack of drive and hustle is inexcusable.

The Rams go to the Bakersfield Baseball Tourney next week during the Easter vacation and also play the Fresno State JV squad tomorrow afternoon. So how about a better show of ball playing than was demonstrated against the COS Giants.

A note to the Ram batters, listen to your coach and try for a hit rather than shooting for the fence. Might win a few games!!

Golf Tourney

Fresno JC is going to host the Central California Junior College Golf Championships this season with seven schools participating.

The matches will be held on the Fresno Muni course at Herndon on the 16th of May.

FJC Splits With COS, Porterville

The College of Sequoias displayed their awesome power once again to completely subdue an inexperienced Fresno Junior College Tennis team, 5-0, on the Roeding Park courts.

The only Ram player to show much of anything was Cathy Podsakoff as she pressed her opponent to the limit before losing 6-4, 7-5, in the women's singles.

The Rams moved to the Porterville College Pirates home courts for a return engagement last Monday afternoon. The Rams, thirsty for a win after the COS thumping, came back strong to lace the Pirates for a 4-1 win.

Ace racketeer Cathy Podsakoff was pushed to three sets before downing a determined JoAnn Pierson.

Summary: FJC, 0; COS, 5

Women's singles, Cathy Podsakoff vs. Cheri Delind, 6-4, 7-5, COS; Men's singles, Jerry Dowell vs. Everett Billman, 6-0, 6-0, COS; Women's doubles, Ann Mowrey and Nancy Armstrong vs. Janet Cooper and Alice Soars, 6-1, 6-2, COS; Men's doubles, John Loschke and Zeke Sanderson vs. Dan Koning and Walter Empken, 6-1, 6-3, COS; Mixed doubles, Louise Taylor and Bob McIntire vs. Rosemary Lynch and Juan Stenner, 8-6, 6-1, COS.

Summary: FJC, 4; Porterville, 1

Women's singles, C. Podsakoff, FJC, over J. Pierson, PC, 7-5, 5-7, 6-3; Men's singles, J. Dowell, FJC, 1-0, default; Women's doubles, A. Mowrey and N. Armstrong, FJC, lost to P. Smith and G. Briggs, PC, 5-7, 6-3, 6-3; Men's doubles, J. McGee and J. Loschke, FJC, over G. Olson and J. Gummings, PC, 6-1, 7-5; Mixed doubles, L. Tylor and B. McIntyre, FJC, over E. LaLanne and L. Briggs, PC, 6-2, 6-4.

Young, Eller, Baker Lead Rams To Track Victory

Coach Irwin Ginsburg's Ram tracksters finally came through to break into the win column. The Rams traveled to San Jose Saturday and defeated the San Jose State Frosh and Junior Varsity squads. The Rams tallied 52 points, the Frosh 48 and the JV's 29.

AUGIE CALDERA
... Second Base

'Little' Augie Sparks FJC Nine Infield

By RUBEN BARRIOS

Covorting around the keystone sack for the Ram baseball nine is a short, blackhaired ball of fire named Augie Caldera.

Caldera, who is in his second semester at FJC, was born in Hardwick, California on July 23, 1938. The easy going lad attended prep school in Sanger.

Augie, as he is called by all, was an all around man at his Alma Mater, not only in sports but also in school activities.

Although the diamond sport has been his favorite, he found time to letter in both football and basketball.

The little fellow, as a freshman in high school, took over full possession of second base under Clare Slaughter, now the Ram mentor. The next three years saw Caldera as a varsity man on the Apache baseball team.

Augie also worked as sports editor of the Sanger Hi-Lites, was a member of Quill and Scroll Honor Society and in his junior and senior year was a member of Sanger's scholarship society.

Highlighting the Ram effort were Eddie Young, Frank Eller, and Bob Baker.

Young was a triple winner, taking the broad jump, high hurdles and low hurdles.

Eller brought home two first place wins as he topped the field in the shotput and discus. He gave the heave-ho to the shotput for a winning 45 ft. 8 inches, and a mark of 140 ft. 1 inch in the discus.

Baker's 11 foot jump in the pole vault gave him first place.

Fred Raco and John Aldredge were second and third, respectively, behind Eller in the discus as the Rams dominated the weight events. Aldredge was second in the shotput. Richard Valentine took a pair of seconds in the 440 yard dash hand in the broad jump.

The Frosh quartet easily won the relay event with no one pushing them. Lionale of the JV's turned in a good 9.9 in the 100 yard dash and then came back to win the 220 in 21.4.

The Summary: Fr-Fresno: F-Frosh: JV-Junior Varsity ml.—Nelson, F. Gold, F. Swenson, JV. time—4:50.1. 440—Owen, F. Valentine, Fr. time—52.9. 100—Lionale, JV. Fagundes, JV. Uaura, JV. time—9.9. S P—Eller, Fr. Aldredge, Fr. Yamasaki, F. distance—45' 8". 220—Lionale, JV. Fagundes, JV. Uaura, JV. time—21.4. B J—Young, Fr. Valentine, Fr. Stanton, Fr. distance—20' 5 1/2". H H—Young, Fr. Stanton, Fr. Cureton, F. time—15.2. 2 mi—Swenson, JV. Reeder, F. Flores, F. time—10:57. L H—Young, Fr. Cureton, F. Stanton, Fr. time—26.5. H J—tie, Dempsey, F. Christensen, JV. Height—5' 4". P V—Baker, Fr. Height—11'. Disc—Eller, Fr. Raci, Fr. Aldredge, Fr. distance—140'. 1' 440 relays—Frosh. 880—Nelson, F. Conklin, F. Pruitt, JV. time—2:01.2.

IT'S FOR REAL!

by Chester Field

STORM WARNING*

Hurricanes are moody, temperamental;
Hurricanes perform in fits and starts.
Hurricanes have eyes serene and gentle;
Hurricanes have predatory hearts.
Hurricanes attack when least expected;
Hurricanes delight in cutting whirls.
Hurricanes can leave you broke, dejected...
Funny we should name them after girls.

MORAL: Vive la femme! And vive le BIG, BIG pleasure of Chesterfield King! Majestic length—plus the smoothest natural tobacco filter. Chesterfield King is the smoothest tasting smoke today because it's packed more smoothly by ACCU-RAY.

Take your pleasure BIG!
Chesterfield King gives you more of what you're smoking for!
