FUTURE BUSINESS LEADER CONVENTION—The FBLA convention will be held tomorrow and Saturday in the Hotel Californian. Standing, left to right, are Bill Murphy, Phi Beta Lambda president; Bev Breeding, program chairman; and Carol Daniels, co-registration chairman.

Extended Day Enrollment Totals 1,682 Students; New Classes Now Offered

Operating on four campuses, the Fresno Junior College Extended Day Program now has a total enrollment of 1,682 students.

Robert M. Kelly, dean of extended day, said that in the academic section, 57 per cent of the students indicate they

intend to obtain their associate of arts degree or a degree from a four year college.

Due to an increased interest in science, FJC is now offering several new night classes in the scientific field. Physical science was first offered last fall, while chemistry is new this semester.

Classes on the University Ave., O St., Edison High School and Continuation School campuses include eight pre-employment classes, 41 trade extension classes and 60 academic sections.

Also using the FJC campuses for night classes are Fresno State College, Fresno Adult School, University of California extension classes and some societies and clubs.

Kelly said plans are now being made for expansion of the night program of the business division just as soon as instructors are available.

FJC Student Body Revision Passes Easily, 216-8

A special student body election Monday and Tuesday authorized the student council to establish a commissioner of elections, who will take over the vice president's election duties.

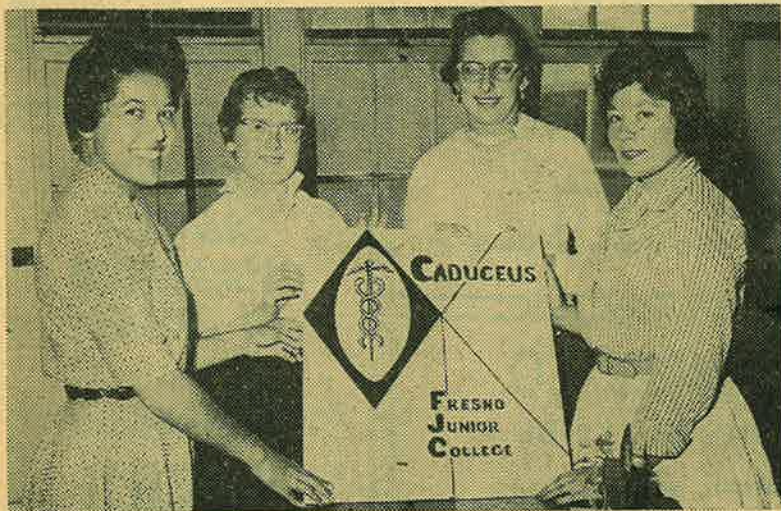

Victor Takeuchi, student body vice president, announced that 216 students were in favor of the revision, while eight students were against the proposal.

Ken Pipes, student body president, will appoint a commissioner of elections at the next student council meeting.

Photos Of Past Student Councils Are Displayed

Pictures of the student councils from 1953 to 1956 are now hanging on the wall of the second floor of the student center building at Fresno Junior College.

Joseph King, advisor of student council, stated that the pictures include the presidents of the student body, vice-presidents, secretaries, treasurers, representatives at large, presidents of the freshman and sophomore classes and presidents of the Associated Women and Men Students.

COTTON DAY DANCE—Fresno Junior College coeds and men will blossom out in cotton clothes to celebrate the first day of spring at the Cotton Dance sponsored by the Caduceus Club tomorrow night. Assisting with the dance are, left to right, Sharon Lovine, decorations chairman; Donna Hawkinberry, secretary of the club; Eileen Cruz, president; and Anita Amparano, refreshments chairman.

Campus FBLA Chapter Will Host Annual State Business Convention

Fifty high school and five junior college chapters of the Future Business Leaders of America will send 378 delegates to Fresno on Friday and Saturday for the annual state convention in the Hotel Californian.

Fresno Junior College's Phi Beta Lambda Chapter will be the hosts and are arranging the convention. Raymond Beach of FJC will be the convention's chairman, and "Stairways to Business Leadership" will be the theme.

Oliver M. Jamison, a local attorney, will be the main speaker at a final banquet session Saturday night. His topic will be "Follow the Leader."

Workshop Will Have Speakers

Four other Fresnoans will speak in the workshops Saturday. The speakers and the workshops will include Dean James M. Malloch,

a member of the Fresno City Board of Education, Moral and Spiritual Values in Business; Joseph W. King, FJC student council adviser, What Is a Good Meeting? Herbert Ferguson, assistant sales manager, Sunland Industries Corporation, My Responsibility in Business; and Joseph Montague of Roosevelt High School, Is National Affiliation Worthwhile?

Larry McDonald, FBLA state parliamentarian from Fullerton High School, will conduct a workshop of voting delegates, who will elect officers and approve resolutions and amendments. Sidney Davidson of Ayer High School in Milpitas will speak to a workshop on the values of FBLA.

In the moral and spiritual values workshop, Carolyn Steffen of FJC will be the student chairman, and Jackson Carty, the FJC librarian, will be the resource person.

Contests To Be Held

The convention will feature contests in vocabulary, spelling parliamentary procedure, and essay writing Saturday afternoon. Trophies also will be awarded to the winners of the state Mr. and Miss Future Business Leaders' contest among high schools and the Mr. and Miss Future Business Leaders Executive contest between the junior colleges.

The junior colleges participating will include FJC, American River of Sacramento, Fullerton, Reedley, and El Camino in the Los Angeles area.

King's conference leadership class is assisting the FJC chapter in arranging the convention. The FJC chapter advisers assisting Beach in coordinating the arrangements are Mrs. Edna Hartley, Ger vase Eckenrod, and Mrs. Wilma Weston.

Committee Chairmen Listed

FJC committee chairmen include Miss Steffen, workshop; William Murphy, installation of officers; Charles Leavitt, evaluation; Kenneth Pipes, materials; Nola Myers, secretarial; Connie Paden, finance; Sharon Wallem and Carol Daniels, registration; Sumiye Taniguchi, resolutions; Vevadean Breeding, program; Billie Trout, decorations; Artis Wixx, entertainment; Betty Amaral, name tags, and Hubert Lockman, code of conduct.

Fresno Students To Hear Choir

The Fullerton Junior College and Pasadena City College choirs will be at Fresno Junior College Apr. 11 and 25 while on a tour of the different colleges throughout California.

The future assemblies at FJC include the FJC Easter music program Mar. 28 at 11 AM, Fullerton JC choir Apr. 11 at 9:40 AM; and the Pasadena Choir Apr. 25 at 10:40 AM.

Caduceus Club Will Sponsor Cotton Dance

Cotton will be king on the Fresno Junior College campus tomorrow.

Bright cotton dresses and brighter shirts making an appearance to observe the first day of spring, is planned by Carolyn Steffen, FJC social commissioner.

The Caduceus Club is sponsoring the cotton day dance in the social hall of the student union tomorrow night from 9-12 PM. Bob Gilbertson and his orchestra will be featured.

Admission is by student body card and entitles the holders to bring one guest.

Cotton blossoms and manzanita branches will carry out the theme, "Blossom Land."

Eileen Cruz, club president, has appointed the following committee chairmen: Anita Amparano, refreshment; Kathy Serdorak, entertainment; Sharon Lovine, decoration; Helen Carrillo, publicity.

Mrs. Dorothy Simpson is the adviser of the Caduceus Club.

Administrators To Hold Annual Meet Here Tomorrow

Administrators of the Central California Junior College Association will hold their annual spring conference in the student center building of the Fresno Junior College University Ave. campus tomorrow.

FJC President Stuart M. White, who is the association president, said an election of the 1958-59 officers, reports on athletics and legislation by Dr. Ivan Crookshanks, College of Sequoias president, and discussions of general education and CCJCA problems will be highlights of the meeting.

Several other topics also will be discussed. Among those are grade point requirements for graduation, physical education, teaching credentials, new courses, and curricula.

The administrators will also appoint an auditor, set a fall meeting and place, and elect two representatives to the state athletic committee of the California Junior College Association.

FJC Dean of Students Archie Bradshaw, who is the secretary-treasurer of the association, will read the financial report of the association.

Pay Raise For Professors?

A pamphlet entitled "The Professors' Pay" was recently published which outlines the salary situation of college teachers in this country.

The pamphlet points out that the typical US college professors' salary, in actual purchasing power, is less than 70 per cent of what it was in 1940. In contrast, the average factory workers' purchasing power is 150 per cent greater than the 1940 value.

It is doubtless that this study occurred as a result of the alarmist outcries of citizens and politicians demanding that this country remain ahead of Russia in education.

Although information concerning high school teachers was not included in the report, it may be ascertained that the same condition also exists in this field of education.

It is a continuing trend that many able persons contemplate a career in teaching, but shun it because of the limited area of economic advancement.

With the increasing demand for teachers at the high school and college level, it is imperative that these fields be made lucrative enough so as to attract the most qualified.

An educational system bases its worth on the quality of the teachers taking an active part in it.

Merely by injecting a purely scientific curriculum into the educational system, this country cannot hope to gain a true educational superiority over Russia. Every facet of the educational system must be investigated and then the changes and improvements may be made according to the prevailing needs.

There is a proposal which is due to be voted upon in the California State Legislature which will undoubtedly bring about one of the initial revisions of the present educational system at the California state level.

Professors, as well as many other interested observers, are hoping that Governor Knight's request for a three per cent increase in professor's salaries will be raised to 10 per cent by the current Legislature.

With the desperate cries for reform, it will be interesting to observe the Legislature's action on the present pay raise proposal for college professors.

European Travel Open To Students

Let's go to Europe for less than \$1,000. It's possible. For this figure students may enroll in an organized group program, or may travel alone, using student discounts overseas.

To learn about these opportunities write for the free booklet "Going to Europe?" published by the Council on Student Travel, 240 Stockton St., San Francisco. This booklet describes, and offers assistance in selecting from more than 40 different trips.

If you wish to travel alone, you should secure a list of the national student unions abroad which offer assistance to student travelers: and purchase a student identity card (25 cents), for special rates on housing, restaurants, etc. You can purchase this card from the National Students Association, 701 Seventh Ave., New York City, N. Y.

The information services of the Council are available to students without charge. A number of booklets (25 cents) are also available to students to help them use their time and money wisely.

FRESNO JC STUDENT COUNCIL ADOPTS INCREASED BUDGET FOR SPRING SEMESTER

A spring semester budget of \$13,132 was adopted by the student council in a special meeting Mar. 11 to operate Fresno Junior College student activities.

Mrs. Marian Levy, FJC financial secretary, reported the 1958 spring semester receipts from student body cards was \$14,530.

The funds budgeted for the spring semester include assemblies, \$185; Associated Men Students, \$390; Associated Women Students, \$450; awards, \$600; baseball, \$1,400; basketball, \$900; conference, \$550; golf, \$300; guest fund, \$200; insurance, \$500; oral arts, \$665; publicity, \$60; rally, \$200; Rampage, \$2,000; scholarship, \$200; social affairs, \$422; swimming, \$300; transportation, \$500; track, \$500; tennis, \$550; undistributed reserve, \$760; wrestling, \$200; and year book, \$1,300.

FJC Coeds Have Opportunity To Attend Hawaii University

Ten Fresno Junior College coeds will have a chance to attend the University of Hawaii summer session for forty-four days at the package price of \$499 starting June 23 and ending Aug. 1.

The package price includes transportation, either by ocean liner or by airplane; housing at Atherton Hall, a 200 room dormitory located three miles from Honolulu's shopping center and two miles from Waikiki beach. Activities also included in this price are social events, beach activities, and tours of the islands.

Students attending the university will be able to take courses in the study of the economic plants of Hawaii, the geography of the islands, and the history and language of the Hawaiian people. These are but a few of the 215 courses that may be taken at the school. The price for these courses is ten dollars per unit.

The girls, with their carefully picked escorts will attend an aloha party, introduction party, second introduction party, formal dinner dance, fashion show and dinner party at one of the islands' finest hotels, a swim party and a picnic.

Catamaran cruises, outrigger war canoe rides, glass bottom boat excursions and a Waikiki Aquarium tour are a few of the beach festivities offered by the tour.

Due to the high styles, the weather, the beautiful tropical prints and the reasonableness of the prices, to buy your summer clothes in the islands is deemed advisable, with the exclusion of the barest necessities which would include, at least one bathing suit, a formal, and a couple of date dresses.

Fresno Junior College coeds who are interested in a summer vacation, and earning extra credits which are transferrable to any recognized university or college, are asked to send their inquiries to: Carmen De Gregg, University Study Tours, 2275 Mission St., San Francisco.

FJC Talent Club Will Present Assembly Today

The Fresno Junior College Talent Club will present an assembly today at 12:40 PM in the school auditorium.

Ray Baker, vice-president of the group, said that the assembly is to create student interest in the club and the school.

The 40 minute meeting will feature group talent and will consist of singing, short skits, and instrumental numbers.

International Club Shows Jazz Film At Meeting

The Fresno Junior College International Club showed a film "Don't Stop the Carnival," a gay jazz fest, at its last meeting, Tuesday, in B-7 at 12:30 PM.

International Club represents 10 nations which are Germany, Syria, Greece, Estonia, Iraq, India, Lebanon, Mexico, and Great Britain.

Out Of Retirement Mock Returns As Substitute For Henderson

John M. Mock, a retired Fresno Junior College general education division chairman, is temporarily replacing Wallace D. Henderson on the teaching staff. Henderson teaches American history and Speech 21.

Henderson has served the Fresno assembly district in the state capitol for almost four years. He will be in Sacramento for the next month, when Mock will take over his scholastic duties.

After his retirement from 35 years as an educator last June, Mock stated that his plans for the future were "just to enjoy myself."

Two weeks back in service proves that he hasn't changed those plans. He said, "I'm enjoying it very much and having the best time of my life."

Mock feels that "the first year of junior college is too much like high school for students just graduating, and it takes them a semester or two to settle down and do real work."

"Junior college requirements have not changed much from when I first started teaching," he said, "but the basic factor will never change, and that is still good hard work."

Varied Paintings Shown In Campus Art Exhibition

Do you as a student appreciate the warmth and beauty in the hues of a landscape, or perhaps you prefer the sombre black and white tones of an impressionistic painting? If you do, here is your chance to see an art exhibit on display in the University Ave. library.

Mar. 21 is the final day for students to observe the workmanship of their fellow classmates, who include: Florence Kreutz, Jean Lockhart, Arlie Moran, Ernest Palomino, Bart Reed, and William Scheidt. These students are all enrolled in an art class taught by Walter E. Witt, instructor of art, at FJC.

If your artistic taste runs to canvasses portraying the figure, the picture "Billy Mahoney," a well-known Fresno boxer, painted by his nephew William Scheidt will be the first to catch your eye.

"Christ with His Cross" is another of the pictures to be seen in the foyer of the library, this was done by Ernest Palomino, a well-known artist.

Fresno JC Business Students Win Bank Awards

Two business students of the Fresno Junior College have been chosen as the winners in the Bank of America Junior College Business Awards program.
Jay B. Bretney has been named to receive the \$100 award for the top ranking student majoring in business administration. Sharon Cummings received the secretarial award.

The students were judged on scholarship, personality, and extra-curricular activities within and off the campus.

The FJC nominating committee were Stuart M. White, president of the college; Archie Bradshaw, dean of students; Miss Ethel McCormack, dean of the business division; Miss Gertrude Stubblefield and Francis Svilich, instructors.

The business awards banquet will be held Apr. 17, at the St. Francis Hotel in San Francisco. A certificate of merit will be presented at an assembly in May.

John H. Becker, manager of the bank's program, said that the purpose of the program is to promote interest in industry as a career.

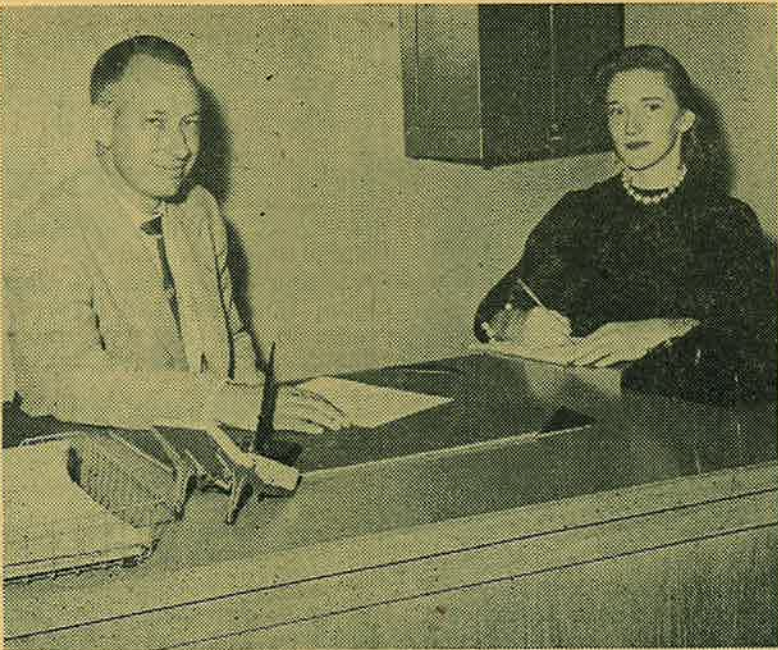

Steinbaugh Of USC Visits Fresno JC

John K. Steinbaugh, associate director of admissions at the University of Southern California, will visit the Fresno Junior College campus today.

The main purpose of his visit is to acquaint interested faculty members and students with the current study plans, requirements for admission, and the availability of scholarship grants at the university.

Fresno Junior College Instructors Attend Meet

Paul Mueller, a Fresno Junior College English instructor, and Mrs. Jo Nell Krikorian, an FJC speech instructor, attended the Third Annual Reading Conference sponsored by the local chapter of the International Reading Association at the Sacramento State College on Mar. 1.

BUSINESS LEADER CONTESTANTS — Donald L. Bradley and Mary Buelow are the Fresno Junior College candidates in the state Mr. and Miss Future Business Leaders' contest for junior colleges.

FJC Choir To Give Special Assembly Mar. 28

The Fresno Junior College Choir will present a special Easter assembly Friday, Mar. 28, at 11 AM in the auditorium.
Soloists for the event include Sonya Miller, Yvonne Streets, Janice Ivey, Caralee Blizzard and Carol McIntyre. Also featured will be a men's octet made up of Pete Mehas, John Shilow, Billy Bristow, Gary Sexton, Mickey Davis, Les Lusk, Bill Johnson and Jim Trent.
Accompanists for the assembly will be Gary Sexton, pianist and Larry Walker, organist.

FBLA Members To Compete For State Honors

Fresno Junior College's Mr. and Miss Future Business Leaders' Executives of America, Don Bradley and Mary Buelow, were selected Mar. 12.
They will compete for state titles at the state convention of the

Future Business Leaders of America in the Hotel Californian Saturday at 2 PM.

Jay Bretney and Sumiye Taniguchi were runner-ups. Other candidates were Sharon Wallem, Shirley Spomer, Gerald Caldwell and William Murphy.

Judges for the contest, Mrs. Coralyn Pattison, Mrs. Mildred Huddleston, Breckinridge Thomas, and James Aschoff, interviewed each of the eight candidates in the student council room.

Entries for the state titles are also expected from Fullerton, Reedley and El Camino junior colleges.

State titles for Mr. and Miss Future Business Executive last year were bestowed on Donald Jacobs and Marion Bitter, both of FJC.

Fresno JC Rambler Club Pictures Will Not Cost Money

Franz Weinschenk, Fresno Junior College yearbook adviser, announced that the Rambler will not charge clubs for their pictures this year.

It was discovered at a California Junior College Government Association conference in San Luis Obispo on Mar. 8 that FJC is the only school in the central California section who has its clubs pay.

The matter was brought to the attention of FJC's student council. The student council decided that the yearbook staff should not charge the clubs for anything which might be put in the yearbook.

Tom Williams, a representative at large, stated that "the yearbook is an activity of the student body" and therefore should not charge the clubs.

The price of the yearbook, \$2.50 at the beginning of the year, and now \$3.50, goes to pay for the expenses of publication. The remainder of the cost will be financed by the student body from student body card sales.

Baseballers Smash Monterey 14-0 To Gain First Victory

The Fresno Junior College Ram baseball team made their first win of the young season a convincing one as they whitewashed the Monterey Junior College Lobos at Roman Field 14-0.

Fresno third sacker Stan Busch led the attack for the Rams with a home run and two triples, good for 10 total bases. His homer came in the fifth inning with two mates on base.

Mike Noakes had two singles and a double to aid the cause. Augie Caldera, and winning pitcher, Harvey Shiraga, each had two hits for Fresno.

Lefty Jim Richmond was the starting pitcher for Fresno. In the four innings he pitched, he gave up one hit, struck out seven and issued five passes.

Shiraga assumed the pitching duties in the fifth inning. He scattered five hits, fanned eight, and walked only one man.

The Rams got off to a fast lead with three runs in the first inning. They added three more in the fifth and picked up four in the sixth and eighth.

No Monterey player picked up more than one hit.

Fresno will open their Central California Junior College Athletic Association season Saturday, when they travel to Coalinga to play the Falcons.

BIG GUNS—These are the men who will figure prominently in the offensive attack of the FJC Rams baseball team this year. Left to right are third baseman Stan Busch, and outfielders Don Oberg and Mike Noakes. Busch was the leading hitter on the team last year.

Baseball Team Will Open CCJCAA Play Saturday

The Fresno Junior College Ram baseballers will open up their 1958 Central California Junior College Athletic Association baseball season Saturday when they travel to Coalinga for a doubleheader with the Coalinga College Falcons.

Both games are slated for nine innings with the opening game slated to start at 12:30.

Coach Len Bourdet will use two units, depending on whether Coalinga uses a right handed or a left handed pitcher.

If the Falcons use left hander Leroy Gregory, Fresno's starting lineup will consist of Mike Noakes in center field, Augie Caldera at second base, Stan Busch at third, Jerry Grimstead at first, Joe Gibson in right field, Les Lusk or Lupe Ramirez in left, Jack Goodwin at shortstop, Phil Bertelsen or Tom Fields catching, and Harvey Shiraga or lefty Jim Richmond pitching.

If Coalinga uses right hander Jerry Merz, Bourdet will start Don Oberg in right field, Richmond in left, Bertelsen catching, and Lusk or Gibson pitching.

The Rams have a 1-4 seasonal record. Their game scheduled for last Saturday with the Stockton College Mustangs will be played later in the season.

The Rams split last year with the Falcons, winning the first game 5-1 and dropping the second 4-3.

Swimmers Look Good In First Seasonal Meet

The FJC swimming team opened its swimming season Tuesday with a triangular meet with the College of Sequoias Giants and the host Bakersfield College Renegades.

Even though the Rams placed second in the meet, they placed first in five out of eight events they entered.

Ron Howard placed first in the 200 yard butterfly breaststroke and third in the 200 yard backstroke. Fred Smith placed first in the 50 yard freestyle and 100 yard freestyle; Connor Sutton placed first in the 220 yard freestyle and first in the 440 yard freestyle; Ben Tayan placed third in the 200 yard breaststroke and fourth in the 100 yard freestyle, and Dick Anderson placed fourth in the 50 yard freestyle. Fresno placed second in the 400 yard freestyle relay.

Glasson, Melendez, Gives FJC Tennis Team Depth For Approaching Season

Lots of experience features the Fresno Junior College tennis team this year.

Tennis coach, Miss Margaret Tylor, thinks she has a strong team this year and figures the College of Sequoias as the team to beat for top honors in the league.

Spotlighting the Sports

By **BILL SEWALL**
Sports Editor

Why do you think sports play such a big part in the role of college activities?

In the first place many people, especially men, have a natural inclination towards sports. They either like to take an active part in them or else read about how someone else has done.

Sports also give a school a chance of achieving notoriety that otherwise they would not get. Sometimes a team such as the one from San Francisco that Bill Russell starred for, creates headlines in papers throughout the country.

Of course, the paid attendance from fans is an important element. This money keeps the school financially sound and provides resources for other outlets.

Sports also give athletically inclined individuals a chance to make a name for themselves. These selective individuals can make themselves known around campus by getting a reputation as a good athlete.

Coach Tylor ranks her team on a "ladder" basis. Her players have matches with each other to determine who will be playing in singles and doubles positions in the next match. The top player on the ladder at the time the match is held plays singles, the second and third rated play doubles and the fourth rated, mixed doubles.

Glasson Leads List

Top rated on the list at this time is Bill Glasson. Glasson, who lettered in tennis three times at Roosevelt High School, is the most experienced man on the team. In 1956, while a junior in high school, he won the valley singles tournament in Visalia. In 1956-57, he won a total of 18 cups for winning tournaments held throughout the valley.

In 1957, he was invited to go to the national junior singles in Michigan, but couldn't go because of financial reasons. To gain added experience, he played in tournaments last summer.

Second on the ladder is Ramon Melendez. Melendez, from San Juan, Puerto Rico, is attending FJC and is also in the air force. He works five days a week in a radar station in Madera from 5 to 12 PM and goes to FJC during the day.

Melendez Is Contending

He is currently pushing Glasson for top spot on the ladder. He has played in several air force tournaments.

George Sarantos, from Fresno High School, an FJC basketball letterman, is currently in the third spot. Sarantos lettered in tennis in high school.

Jim Blackwell of Madera High School and Tom Lahanas are in contention for fourth spot on the ladder.

Basketball letterman, Marty Olson, and Leroy Herzog round out the male portion of the team.

Cathy Podsakoff, veteran letterman from last year, and a Kerman High School graduate, is leading the women.

Podsakoff Has Experience

Miss Podsakoff lettered in tennis twice in high school. In 1956 she won the invitational tournament against Central Union High School.

Barbara Fragus, from San Joaquin Memorial High School, who received an FJC letter in tennis last year, is comparatively new in the sport.

Sayeko Matsamunga, from Selma High School, will play doubles for the team. Miss Matsamunga played women's doubles in high school. In 1957, she and her partner won the divisional tournament for their area.

Louella Sinner, the only other woman, plays doubles with Miss Matsamunga.

Track Team Will Compete Against Frosh Tomorrow

Coach Erwin Ginsburg's Fresno Junior College track and field squad will open its 1958 schedule against the Fresno State College freshman team Saturday at Ratcliffe Stadium in what will probably be the Ram's only home meet this season.

The potentially powerful Rams will be favored over the small frosh team but will probably have strong competition for first place in several events. Top Fresno State freshmen prospects include broad-jumper Sid Farrel, half-miler Gerry Evangelho, and distance men Chuck Howland and Jack Biehl.

Coalinga Loses To Fresno In First Tennis Meet

The Fresno Junior College tennis team won their first league match of the season last Tuesday as they defeated the Coalinga netters three matches to two.

The summary, listing FJC players first: Women's singles, Cathy Podsakoff lost to Joanna Pearson 6-1, 6-1; women's doubles, Louella Sinner and Sayeko Matsamunga lost to Paulette Smith and Judy Glasson, 7-5, 7-5; mixed doubles, Barbara Fragus and Tom Lahanas beat Maureen Mulligan and Jim Smith, 6-2, 6-1; men's doubles, Ramon Melendez and George Sarantos beat Sam Poquia and Gene Craig, 6-0, 6-0; men's singles, Bill Glasson beat Carl Pilere, 6-1, 6-0.

AMERICAN AIRLINES

America's Leading Airline

Do you like to travel?

If you are single, a high school graduate and between 19½ and 26, there's a splendid opportunity waiting for you. Along with its current expansion, American Airlines needs many more attractive Stewardesses. You must be 5'2" to 5'8" in height, 130 lbs. or less in proportion to height with 20/50 eyesight or better without corrective lenses. Those accepted have **FREE TRAINING**, excellent salaries, liberal expense accounts, and the privilege of free travel. "Even though you may not reach the minimum age requirement, if you are interested in this as a career, please feel free to discuss this with us."
