FCC Will Host Regional Conference

CONFERENCE PLANS — Joseph King, faculty advisor; Al Cunningham, student body president; and Richard Dillon, student body vice president, right, sit at the table discussing plans for the Central California Junior College Student Government Association's conference to be held at FCC this Saturday, Oct. 18. Gary Pyle, the Association's president, presents the schedule.

'Youth And Movement' Is Theme Of Student Government Conclave

"Youth and Government" will be the theme of the Central California Junior College Student Government Association's fall conference when delegates convene on the University Ave. campus at 8:30 AM Saturday.

Fresno City College student council members and adviser, Joseph King, are now disposing of last minute details which somehow show up in even the most well-written plans.

Nine Colleges Expected

The president of the CCJCSGA, Gary Pyle, said about two hundred delegates are expected from the nine junior colleges in the organization. The colleges are FCC, Bakersfield, Porterville, Reedley, Coalinga, Taft, San Luis Obispo, College of Sequoias in Visalia, and Allan Hancock of Santa Maria.

Merle Louise Sons of FCC, and Albert Cunningham, student body president, are in charge of the reception which will be from 8:30 to 10 AM in the student center lobby and porch.

Registration of the students, which will be conducted between the same hours as the reception, was planned by Cunningham.

Brief meetings of the finance committee and the workshop chairmen at 8 and 9:30 will be in SC-229.

Pyle Appoints Committees

Students designated by Pyle as workshop chairmen and their workshops are Finance, Kenneth Fanucci, Reedley; student government, Ray Walker, Taft; Associated Women Students, Loyetta Ellis, COS; publicity and public relations, Benjamin Rivera or Linda McElhoney, Allan Hancock; secretaries, Margaret Duncan, San Luis Obispo; campus activities, Nancy Delk, Porterville; and athletics, John Dempsey, Coalinga.

Practical help for the student leaders is gained mostly during these workshop consultation periods. They will be held both in the morning and afternoon.

Official business is carried on during the two general assemblies.

At the first assembly at 10 AM in the FCC auditorium, Wallace D. Henderson, a Fresno City Council member, will speak on the theme "Youth and Government." Henderson is a former FCC faculty member who now teaches at Fresno State College.

FCC President Presides

Presiding at both assemblies will be association president Pyle, assisted by Margaret Christensen, FCC student body secretary and also CCJCSGA secretary.

Lunch will be served in the social hall of the student center from 12:15 to 1:25 PM. Afternoon workshops then precede a relaxation period. The second general assembly from 2:45 to 3:30 will end the events for the day.

This regional conference of the student government association precedes the state conference to be held at Bakersfield College Nov. 20, 21, and 22.

Young Republican Heads Are Elected For Fall Term

The Young Republicans of Fresno City College have elected officers for the 1958-59 school term.

They are president, Douglas Eudaly; vice president, Bob Bertholf; secretary, Charles Vanderford; treasurer, Octavia Reid; representative, Glenn Marshall; and executive committee, Letha Paden and Mabelle Bell. The publicity chairman will be Bill Smaridge.

Kelly Announces Start Of Basketball Tryouts

All men interested in trying out for the Fresno City College basketball team should report to Coach Joe Kelly at the Frank H. Ball gymnasium on Inyo and A Streets at 3 to 5 PM. Practice commenced yesterday.

CALENDAR OF THE WEEK

Oct. 16
12 PM—Intercub Council, SC-229
12 PM—Forensics Club, Ad-113
Oct. 18
Central California Junior College Student Government Association Conference, FCC
Oct. 20
12:15 PM—Veterans Club, Ad-133
12 PM—Young Republicans, Ad-124
3 PM—Womens Recreation Association, modern dance
12 PM—Phi Theta Kappa, Ad-117
Oct. 22
7 PM—Phi Beta Lambda initiation, coed lounge
3 PM—Womens Recreation Association, sports

AGS Candlelight Ceremony Held For Members

The Fresno City College chapter of Alpha Gamma Sigma held a formal candlelight ceremony to initiate 11 new members yesterday at 7:30 PM in the student lounge.

Alpha Gamma Sigma is the California junior college scholastic honorary society and consists of 54 chapters.

The ceremony was conducted by Douglas Eudaly, the president of the organization. Eudaly is the only acting officer at this time.

Returning Members

The returning members of the chapter are Douglas Eudaly, Joe Ortiz, Ralph Dollens, and Glynda Voorneveld.

The initiates and the cities in which they attended high school are Harold Yick, Madera; Carolyn Steffen, Kerman; Ruth Hakobian, Stuttgart, Germany; William Wallace, Humnoke, Ark.; Russell Foote, New York; Bevadean Breeding, Mariposa; Elaine T. Cantrell, Grants Pass, Ore.; Barbara Jane Hochderffer, Fresno; Diane Adeline Keller, Brownsville, Tex.; Rod Middleworth, Alhambra, Calif.; and Pete Paprinov, Salonika, Greece.

Qualifications Listed

To qualify for this society a student must have carried at least 12 units, earned 42 or more grade points, have at least a 3.0 grade point average, and have no grade lower than a C on his entire college record.

The advisors for the club are Mrs. Margaret Collier and Dr. Rolf W. Ordal.

Phi Theta Kappa, another honor society on campus, will meet Monday at 12 noon in Ad-117.

Fall Conference Schedule

| Time | Event | Location |
|----------------|----------------------|----------------------|
| 8:30 to 10:00 | Reception | Student Center Lobby |
| 8:30 to 10:00 | Registration | Administration Bldg. |
| 9:00 to 9:30 | Finance Committee | Student Center 229 |
| 9:30 to 10:00 | Workshop Chmn. | Student Center 229 |
| 10:00 to 10:45 | 1st General Assembly | Auditorium |
| 10:50 to 12:00 | Workshops | McLane Hall |
| 12:15 to 1:25 | Lunch | Social Hall |
| 1:30 to 2:30 | Workshops | McLane Hall |
| 2:30 to 2:45 | Social Hour | McLane Hall |
| 2:45 to 3:30 | 2nd General Assembly | Auditorium |
| 3:30 | Adjournment | |

Business Education Conference Held

The fall meeting of the California Business Education Association was held at the College of Sequoias Saturday.

Mrs. Mary Sprague, schools relations supervisor for the Pacific Telephone and Telegraph Company, gave a Teletrainer demonstration and showed a new film preview on telephone technique called "The Voice of Your Business."

The afternoon meeting speaker was Dr. Parley Kilburn, psychologist and dean of evening division, Bakersfield College, who lectured on "The Teacher as a Counselor."

Representatives from the Fresno City College were Mrs. Dorothy Bliss, Mrs. Wilma Weston, Miss Ethel McCormack, Miss Gertrude Stubblefield, W. J. Billeter, G. A. Eckenrod, Harrison Hall, Jack Hill, L. W. Martin, Gilbert M. Peart.

JOBS ARE AVAILABLE

Attention, students! Interested in getting a part-time job as service station attendant, bookkeeper, steno-typist, assistant accountant or junior accountant.

These opportunities are available with the help of Gervase Eckenrod, director of job placements.

Eckenrod's office in A-15 is open to all students interested in applying for a job. Many job opportunities are waiting for qualified students with pleasing personalities. Interviews are arranged for students with prospective employers. Students are given introduction cards.

Students can work from 40 hours to 10 a week, depending upon the type of job and work.

'The Jongleurs' Is New Talent Name

The new Talent Club, "The Jongleurs," met Friday at 12:30 PM in the auditorium to select the name and elect officers.

The name is a word used in France during the Middle Ages and means "traveling minstrels."

The officers are Bob Bertholf, president; Ray Wallace, vice-president; Diane Nixon, secretary; Glenn Marshall, treasurer; Lavell Williams, publicity chairman, and Bob Williamson, Interclub Council representative.

Weekly meetings will be held Friday at 12:20 PM in the auditorium. Tryouts for the play, "Tea House of the August Moon," will be held today and tomorrow from 3 to 5 PM in the auditorium. Clyde G. Sumpter is the sponsor of the club.

Club News

By KAREN McDOUGALD

Have you noticed that something is missing from the bulletin? That's right the information concerning the coming events of the fall semester of your organization as well as the time and the date of the next meeting are missing. Only two campus organizations have turned over to me the following information and I urge those clubs who have failed to either place this information on my desk or in my box to do so as soon as possible," stated Miss Doris Deakens, the dean of women.

Caduces Club

Any student who is either a pre-med or one who is interested in the field of medicine is requested to come to the next meeting of the organization which meets every Wednesday at 12 PM in Ad-124.

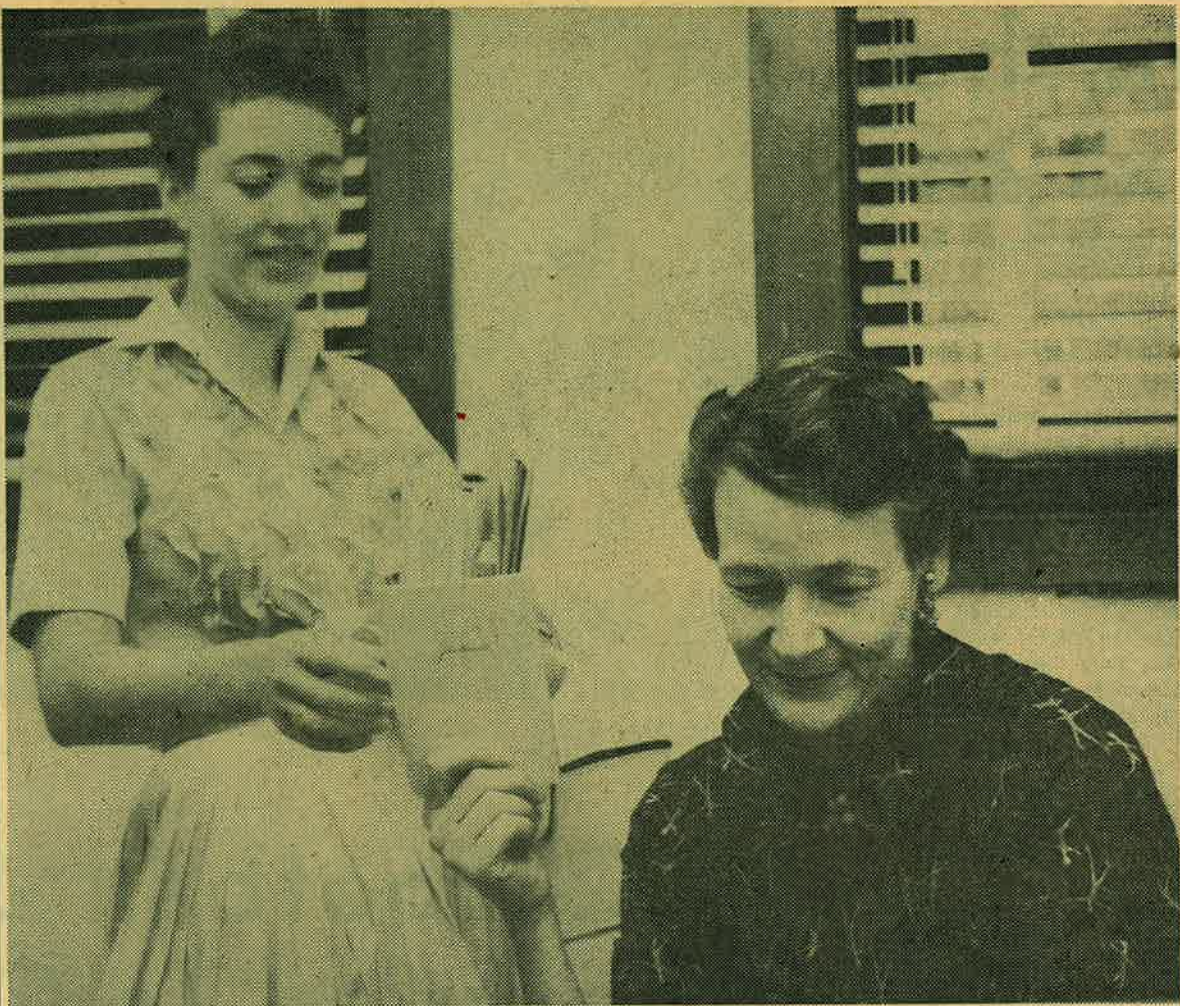

One of the events on the schedule will be a car wash which will be held Nov. 1.

International Club

Howard Pierce Davis, a world traveler and noted World affairs analyst will speak on "The United Nations — Balance Sheet, 1958" in an assembly sponsored by the International Club. The assembly will be held at 9 AM in the Fresno City College auditorium Oct. 24.

Davis has spoken before many organizations on his speaking tours and they include the Town Hall of Houston, Texas and Cleveland, Ohio, the Brooklyn Academy of Music, the University of South Dakota, San Bernardino College Forum, Ebell Club, Los Angeles; Erie, Pa. Formans' Association, and the Boston, Mass. Kiwanis Club.

This speakers style is a unique one as any member of a listening audience will concur. His style is purely analytical and each of his speeches is made up of challenging ideas and magnificent phraseology.

FCC HEALTH CENTER AIDS — Mrs. Nora Simpson, the Fresno City College nurse, talks to Marty Stephenson. The new health center office is in Ad-136.

Sylvia Gagle, Homecoming Queen, Thanks Student Body

Sylvia Gagle, the newly elected Homecoming Queen of Fresno City College, would like to thank all the students who helped to make this possible.

"To be crowned Queen of Homecoming was the most exciting experience of my life, an event I will always remember," said Miss Gagle.

Miss Gagle was born in Stockton, Calif., and moved to Fresno at the age of 6 to attend Bullard Grammar School. Upon graduation she

attended San Joaquin Memorial High School and participated in their activities as pep girl for 3 years; reporter for the Red and Blue (their monthly paper) for 3 years; worked on the Rally Committee for 2 years; and served as vice president of her senior class.

Miss Gagle, who is majoring in business at FCC, is also working on her ambition of becoming an airline hostess.

"The thing I like most about FCC," Sylvia says, "is that the people are all so friendly. You seem to meet new personalities every day."

"I hope, as the school year continues, more students will become interested in participating in the various school activities."

Pictures For 1958 Rambler To Be Taken

The Rambler office is buzzing with the excitement of a new feature of the yearbook. This year students will be able to participate by having their pictures taken in the advertisements. Sign-up sheets will be in the student center foyer and in SC-212 for students who are interested.

The editor this year is Joyce Ridgway. Other staff members are Larry Snyder, assistant editor; Bevadean Breeding, art editor; assistant editors, Jon Adams, Larry Lutz; Linda Allen, business manager; assistant editors, John Baziuk, John Foy; Art Miyashiro, photography; assistant editors, Larry Wiley, Earl Bradley, John Stillman.

The price of the yearbook is \$2.50 now, and will be raised to \$3.50 after Christmas. It may be purchased from any staff member or the bookstore. The staff advises buying the Rambler now before the price changes.

International Club Will Comprise All Nations

To draw together people of all nations for the purpose of studying customs, cultures and costumes is the purpose of Fresno City College's International Club.

Members of the club consist of students from all parts of the world attending FCC. The club advisor is William J. Reynolds.

The Purpose Of Clubs Is To Support Spirit

As we get smaller and smaller on the horizon of humanity, we find ourselves identified with larger and larger groups: Western-man, Christendom, earth-people. But as we get larger and larger on this already diminishing horizon, we begin shedding groups and people like coats of skin until we stand alone. But it is not man's prerogative to stand by himself and be alone. It is only human nature to fraternize.

Now at college is one of the most productive times, socially as well as intellectually. The modern student's social life in college is almost as important as his or her educational training. It is the combination of these two — education and social life — which go to make up the constituents of the future.

There is no deficiency at FCC of social life. Here at the college there are many opportunities for social gatherings such as dances and sports events, but especially club activities.

At FCC there are approximately 21 clubs and organizations. These groups have two main purposes, one is to fulfill the purpose for which they were instituted, but the most important is to aid and support school spirit. Unfortunately this function of most college clubs goes unheeded and is by-passed for other activities. A good social undercurrent in a club almost always gives indication that such a club is a good pillar of school spirit.

Since the spirit of any organization is dependent on the satisfaction of its members, a good social life is a necessary factor to any club. So, needless to say, we encourage everybody to get out and join some club or other.

When any club fails to fulfill its purpose, and someone else succeeds, then such an organization should be eliminated from the campus. We can't condemn a club for making a mistake, at least a mistake proves someone stopped talking long enough to do something. The honor of the inert — in this case an institution which refuses to take a hand in student affairs — is as passive as night and day. Clubs that do not propose to support the school are merely little trifles at great efforts.

—Ruggeri

COMING CONFERENCE SHOULD BE EXPANDED

The faculty and the student body of the Fresno City College are extending a welcome to the 200 representatives of nine junior colleges in central California.

The purpose of the conferences Saturday is the exchange of ideas in student government. The various workshops will cover phases of student management from finances to publications.

It is regrettable that the governments of the world do not have an opportunity of a similar nature. It may be too vast in scope to become a reality to hope that such an organization as the United Nations could come together for an exchange of ideas common to mankind. On a smaller scale the same procedure has been successful in the mayors' councils and the governors' conferences.

If such a conference as the one to be held at FCC could be set up nationally, other countries could see democracy in action and learn from the experiences of others instead of using time-tired principles of trial and error. It is always profitable to examine others' mistakes and, in so doing, avoid the same pit-falls. There is a saving of time, money, and pushes progress more rapidly.

Instead of Youth and Government, the 1958 motto of the conference, it should read Young Adults and Government. They have far surpassed the thinking of their elders in their willingness to learn, not bound by precedent and tradition.

—Maybelle Bell

WOMEN'S GROUP FEATURES SPORTS

A newly organized club on the Fresno City College campus is the Women's Recreation Association. This club will become a chartered member of the inter-club council and will elect officers at the Nov. 3 meeting.

All Fresno City College students are eligible to join the organization. The group meets from 3 to 4 PM on Monday for modern dance and on Wednesday for sports.

"I must say, it isn't everyone who takes his wife on a safari!"

NEW RULING ON LANGUAGES IS ADOPTED

The Fresno City College students who are planning to transfer to Fresno State College for the fall term of 1959-60 are advised that the State Board of Education has adopted a new ruling concerning foreign language requirements.

Foreign languages tentatively will be required in the following majors: biology, botany, microbiology, botany microbiology, zoology, zoology, Bachelor of Science or degree majors in chemistry, enology major in agriculture, Bachelor of Arts degree majors in mathematics, philosophy, economics, geography, history, political economy, political science, social welfare, and sociology-anthropology.

The art, home economics, music, and psychology majors are encouraged to include a foreign language. A minor in foreign languages is recommended for an English major. The air science division, although not granting a major, will counsel air science minors to elect a foreign language.

The requirement will be held for a minimum of one year of foreign language. The addition of languages is not a general college requirement for graduation.

Fine Arts Club Seeks Members

Invitations are extended to students interested in music and art to join the Fine Arts Club.

Marvin L. Belford, club sponsor, informed interested students to check the school bulletin for the club's next meeting.

He said because of lack of organization thus far the club has made no definite plans concerning social activities for the future.

"I would like to see students in the area respond more to the fine arts, especially in music," Belford said, "for as many students attending the two colleges in Fresno, their interest in music as a social group is below standard."

The over-all schedule for the Fine Arts Club is to take students to various musical festivities in the California area. This will include attendance to on-the-road symphony orchestras, and some off-Broadway musical plays.

Evening Classes Hear Officials

Students enrolled in the advanced legal secretarial training course in the Fresno City College evening division have the unique experience of hearing judges, county officials, and attorneys explain their functions and simultaneously hearing their secretaries explain what their duties are.

Nicholas Dubsick, a Fresno attorney, and Eula Byrne, his secretary, spoke to the class Tuesday night on civil procedures in domestic relations. James K. Barnum, another local attorney, and Mrs. Anne Ferguson, his secretary, spoke to the class Oct. 7 on civil procedures and actions.

Other speakers have included Milo Popovich, the presiding judge of the superior court, who outlined his duties; J. L. Brown, the county clerk, who spoke on duties of superior court judges and of legal secretaries who file papers with his office; and Mrs. Garnet Kish, the secretary to Attorney Carl P. Evans, who spoke on the use of law reference books.

"Twenty-two secretaries who are employed by local law firms are enrolled in the course, which was initiated by the Fresno Legal Secretarial Association," stated Mrs. Wilma Weston, the instructor.

The students are Marjorie Agopian, Evelyn Brockway, Billie Cressman, Aloa Dereta, Caroline Dutcher, Leta Fairfield, Barbara Flickinger, Beverly Gray, Frieda Hall, Anna Kellerhals, Geneva Kelly, Satt Lucinian, Helen McKean, Nora Neson, Irene Oberlin, Peggy O'Neill, Darlene Schaefer, Joann Slakey, Eleanor Snedeker, Patty Thompson, Veldonna Tullis, and Ann Vaude.

The class meets Tuesdays from 7 to 10 PM in the Weldon Ave annex.

The Futile Poet

By DICK BRUUN
Have you ever eaten
A toasted Lizard?
So crunchy, crisp and pure.
A treat that's sweet
And fine to eat,
The meat is sure La Mure

MORAL: Colorful words can be very deceiving.

New Courses Offered Here This Year

The Fresno City College has added 62 new courses to its 1958-59 catalog.

John S. Hansen, the administrative dean, said they include 24 that are being given during the fall semester and 38 that will be offered either in the spring semester or in the 1959-60 school year.

The subjects being given for the first time this semester include 11 in the technical and industrial division, eight in the general education division, and five in the business division.

T & I Courses

The technical and industrial courses are aircraft powerplants, air science, airplane hostess training, basic and advanced radio communication, industrial arts for elementary schools, manufacturing processes, and four night classes in traffic regulation and control, plumbing code and regulations, electricity code and regulations, and power steering and air suspension.

The general education courses are principles of biology, economic geography, first aid and safety, introduction to library science, science physics, psychology of personal adjustment, beginning Russian, and elementary techniques of acting.

The business courses are money management, remedial dictation, remedial transcription, individual problems, and a night class in legal secretarial training.

Spring Semester

New courses planned for the spring semester or next year include 25 in the technical and industrial division and 13 in the general education division.

The technical and industrial courses will include aircraft airframes, second year air science, advanced airplane hostess training, aircraft navigation, aircraft meteorology, aerodynamics, radar, automotive essentials, electricity for teaching majors, general electronics, general metal, hand composition, presswork and bookbinding, lapidary, plastics, specification writing, introduction to industrial teaching, organization and management, individual problems in industrial education, criminal law, police organization and administration, criminal investigation, police records and reports, police procedures, and police training for peace officers.

The general education courses will include cultural anthropology, organic chemistry, organic chemistry laboratory, regional geography, principles of journalism, orientation in physical education, sports officiating for men, second and third semester courses in science, physics, personal and social adjustment, fundamentals of interpretation, argumentation and debate, and theater craft.

New Club Will Hold First Debate

The Forensics Club is holding a practice debate at noon today in Ad-113.

Franz A. Weinschenk, the sponsor, said that the purpose of the debate is to give the members practice in formal debating.

The members participating in this debate are Sharon Grassley, Donna Garcia, Donald Gilmore and John Red-Horse.

The topic of the debate is Resolved: that further development of nuclear weapons should be prohibited by international agreement. This topic is the one chosen for nation-wide intercollegiate debate.

FCC Smashes Taft Jinx 24-0

An old jinx was smashed in a big way, as the Fresno City College Rams trounced the Taft Cougars 24 to 0, Saturday in Taft. The win enabled Coach Hans Wiedenhoefer's charges to make it two for two in Central California Junior College

Rams Idle This Week

The FCC football squad will be idle until October 25, when the Rams will take on the Coalinga JC Falcons.

The Rams disposed of their first two opponents in easy fashion and are expected to be ready for this game.

Coalinga lost their first league game and then lost a non-league tilt to the Antelope Valley JC Saturday night in Lancaster.

Foot Notes

By RUSS FOOTE
SPORTS EDITOR

Every week during the fall and winter football months, the nation's newspapers release a list of the country's top collegiate gridiron teams. Of course these colleges then gain national notoriety and attract more and more new students.

But what about the colleges which field the nation's worst football squads? Nobody ever hears about them, and hence nobody ever attends them. This is certainly detrimental to something.

Thus we've compiled a list of the the nation's collegiate football clods and why:

1. San Jose Correspondence School — Worst in the nation; has fine players but will be unable to play any games in 1958, due to the fact that its team is scattered over 42 states.
2. Berlitz School of Languages — Everyone on team speaks different language; thus nobody understands quarterback's signals.
3. U.S. Frogmen's Academy — Has won the two games scheduled for its home field, at the bottom of Chesapeake Bay, but the rest of their games are on dry land.
3. Prawl University—Only offense the P. U. team can muster is a result of never laundering uniforms.
5. Unstrung Teachers — Boast 34 returning lettermen this season, however none of them won their letters in football.
6. Barely Normal — Squad has been severely penalized by its conference for subsidizing its athletes; Normal was charged with paying Alf Neuman \$25,000 a semester not to go out for football at B. N.

Athletic Association play this season.

The game marked the first FCC win in Taft Stadium in the last five tries.

Again the powerful Ram line played the major role as they held the Cougars to only eight yards on the ground. They were a little more lenient through the air, allowing 120 yards. At the same time the Ram backs and ends were amassing a total of 259 yards rushing and passing.

Jackson On Sidelines

The game also proved the Rams can win with Vestee Jackson on the sidelines. Jackson was hit by the flu bug and saw very little action. Richard Lubic, Willie Turner, Dennis Houx and Dick Van Galder took up the slack and went over, around and through the Cougars with ease.

The Rams first scoring opportunity came as the result of end Frank Eller's alert line play. Eller blocked a Taft punt and fell on the pigskin on the Cougar 20 yard stripe. Van Galder got 12 yards on a keeper play and Dick Lubic took a handoff for the last eight to give the Rams a 6 to 0 first quarter lead. An extra point attempt by Bill Ergo failed.

Willie Turner brought the fans to their feet in the second quarter as he took a quick handoff on his own 44 yard line and streaked up the middle for a 56 yard scoring jaunt. The conversion try was not good.

Oberg Scores

End Don Oberg took an 11 yard scoring toss from Van Galder to cap a 46 yard drive in the third quarter. The Cougars showed spirit as they blocked the extra point try.

A Cougar fumble set up the final tally for the Rams. Houx passed to scatback Gene Bamburg from the nine and Bamburg went in standing up.

The Rams looked good on the whole with the line play the outstanding feature.

The Statistics

| | FCC | Taft |
|------------------|-----|------|
| First downs | 8 | 6 |
| Yards rushing | 184 | 8 |
| Yards passing | 75 | 120 |
| Passes attempted | 16 | 22 |
| Passes completed | 5 | 9 |
| Total yards | 259 | 128 |

Scoring Summary

Fresno 6 6 6 6—24
Taft 0 0 0 0—0

Td's — Turner, 56 yard run; Lubic, eight yard run; Oberg, 11 yard pass from Van Galder; Bamburg, nine yard pass from Houx.

The first holiday scheduled for FCC students is Oct. 29. That day is Business Education Day for the faculty; therefore no classes will be held.

THE COACHES — A team can't win without good players, but a team can't play well without good coaches. FCC has three of the best, Claire Slaughter, Hans Wiedenhoefer, and Dick Handley.

FCC Football Success Attributed To Coaching

Hans Wiedenhoefer, head football coach at Fresno City College since 1951, appears to have fielded another league championship team. While the success of this year's team shows the fine quality of players at FCC, it also is a compliment to Wiedenhoefer's ability as a coach and team leader.

Wiedenhoefer, before becoming the Rams' head coach, served as assistant to Stoney Johnston.

Hans is a native of San Francisco where he attended Lowell High. He was a top-notch athlete at San Jose State College where he picked up his AB degree. He also attended Stanford, California, and Occidental and received an MA degree.

In December 1941 when Pearl Harbor was bombed, the San Jose

football team was in Hawaii for a game. Hans and many other members of the squad immediately joined the Marine Corps where Hans spent three and a half years.

Wiedenhoefer is also the head wrestling coach at FCC. In addition he coaches several physical education classes.

Claire Slaughter

Claire Slaughter, a psychology teacher at FCC, is probably better known for his football successes than his lectures on behavior and motivation and well he should be.

Slaughter, a star athlete at College of Pacific where he graduated in 1946, was head football and baseball coach at Sanger High for seven years. He led the Apaches to numerous league grid crowns.

One of his ex-college teammates is professional grid star Eddie LeBaron.

Claire is in his third year as assistant coach at FCC. He handles the backfield and has turned out some top-notch running and passing units. He also coached the Ram baseball team in 1956.

Dick Handley

Dick Handley, former professional football player with the Baltimore Colts, is in his third year of coaching at FCC. He's the line coach.

Handley is a graduate of Fresno State College where he played varsity center for three years. He also played one year of pro ball.

Dick received his MS degree from USC; he teaches math and industrial education here at FCC.

WATER POLO

FCC Wins

The Rams' water polo team picked up its first win of the season with a 13 to 10 score against the Fresno State Bulldogs in a practice game Friday.

The starting lineup for the Rams consisted of Connor Sutton, left forward; Darrell Price, right forward; Chuck Polley, center forward; Ken Hatch, center back; Jim Reifert, left guard; Ivor Hoffman, right guard; and Frankie Franco, goalie.

The Rams led the Bulldogs 8 to 4 at the halftime rest period. The Bulldogs narrowed this to 8 to 7 in the first of the third period of play but the Rams rallied in the last of the third period of play and the fourth period of play to end the game with a score of 13 to 10.

Intramural Tennis Begins

The first round of the Fresno City College intra-mural tennis tournament has been completed on the FCC tennis courts this week. The matches between FCC students interested in playing varsity tennis this spring as well as those who are just interested in some competitive recreation, are under the direction of Miss Tylor, the FCC tennis coach.

First Round Results

Tom Vonah d. Jack Garrett, 6-1, 4-6, 6-4; Tom Lahanas d. Ken Johnson, 6-1, 6-2; Dav Kelz d. George Kennedy, 6-0, 6-4; Orville Bolt won by default.

Amy Yamaguchi d. Judy Potere, 6-1, 6-1; Judy Daily d. Marge Christensen, 6-1, 6-0.

Ram Harriers Win Opener

The Fresno City College cross-country team, led by Paul Richardson and Buss Helm, opened its 1958 season at Modesto Thursday, Oct. 9 with a 34-42-46 victory over teams from Sierra and Modesto Junior Colleges, respectively.

Richardson set a new course record of 11:26.0 for the rugged 2.3 mile course. Helm finished third. The old course record was 12:08.0.

Other finishers for Coach Irwin Ginsburg's Rams were Ken Benscoter, seventh; Jerry McPherson, 11th; William Alfred Tuck (Tucanelli), 12th; and Henry Hicks, 15th.

The Rams next meet will be at Reedley tomorrow afternoon.
