

Playday To Begin Tomorrow

Vels To Play At Playday Bermuda Stomp

Palm trees, a grass hut, an island and two ponds complete with water lilies will greet the eyes of students attending the Latin American Club dance tomorrow night.

The theme of the dance is Bermuda Stomp and in keeping with Playday the dress will be bermudas and other sports wear.

Larry Orosco, president of the club, said that a drawing will be held, the prize being two dinners at a local restaurant.

The Vels will supply the dance music and other entertainment will be provided. The dance is from 8 PM, to midnight in the Social Hall of the Student Center.

WHO WILL ENTER the mud pit, the sophs or the frosh? This picture shows the mud pit diggers in action. The pit will be ready for tomorrow's playday. (Frey Photo)

Barbecue Cancelled, But Playday Still Planned

Except for a decided lack of enthusiasm on the part of students early this week, FCC's annual frosh-soph Playday will come off tomorrow as planned.

Freshman class president Paul Rafferty said Tuesday that very few tickets had been sold for the barbecue planned for 5:30 tomorrow evening.

"I regret to say," he stated, "that, unless 100 tickets are sold by Thursday afternoon, the barbecue will have to be called off." He added that the amount of school spirit shown by students toward Playday was disappointing, although he hoped that things would pick up before Friday.

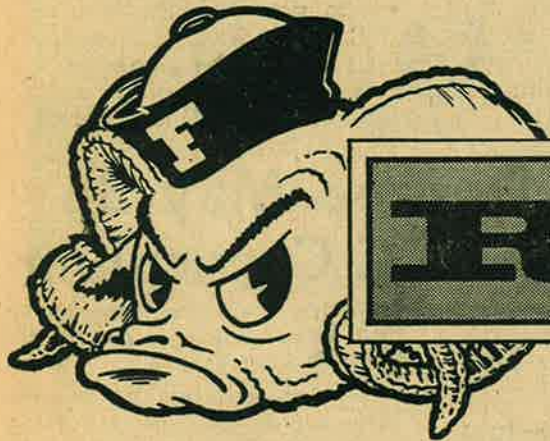

Barbecue or no barbecue, there

will be several interesting activities during the day. Bermudas will be the dress of the day and no one will have to worry about being barred from a class.

Things will kick off at noon with a three-part tug of war in a mud pit to be dug between the two rows of bungalows. Rafferty said that there would be a tug of war between the freshman and sophomore girls, another between the boys, and then a grand finale between the two classes, both boys and girls included.

FCC's new swimming pool will be opened for free swimming between 1 PM and 2:30 PM.

A softball game pitting students against the faculty will begin at (Continued on Page 2)

FCC Presents Talent Show

Tomorrow Last Chance To Get SB Office Positions

Tomorrow is the last day to petition for FCC's student body election on May 8.

Students are reminded that all candidates must pick up petitions in Room A-104 of the admissions office and return them no later than 5 PM.

FSC Announces Changes In Requirements

Changes in Fresno State College general education requirements effective fall, 1963, have been announced.

Although these deletions and additions primarily concern individual courses, an exception is the eligibility change.

Under this change, students must obtain 60 units with a 2.0 average and may transfer up to 70 units if they were originally ineligible for a state college. They may no longer transfer after scoring a 3.0 average on 24 units.

Previously a student could transfer to Fresno State upon receiving an average of B in 24 units.

Individual course changes include the recording of geography 1, elements of geography, as a physical science at FSC instead of a social science. Art 14 A-B, drawing and painting, has been added to the subject area literature, philosophy and the arts in place of Art 6 A-B, art structure. English 46 and 47, English literature, will now be usable in the category of additional units outside major.

Sixteen fall '63 student body offices, including president and vice-president, will be up for grabs on the May 8 ballot.

Candidates will meet Monday at 3 PM in Bungalow 7 to discuss campaign issues.

A nominations assembly is slated for Tuesday at 11 AM in the auditorium.

Charles F. Overs, Jr., commissioner of elections, urges all students to participate in election activities especially those of election day on which, "every one should get out and vote."

AA Degree Candidates Must Order Caps, Gowns

All candidates for AA Degrees in June are urged to come to the Bookstore as soon as possible to make cap and gown reservations. The rental fee is \$3.50. Should any student find prior to Friday, May 31 that they will be unable to graduate, full reimbursement will be made if the Bookstore is notified as of that date.

Announcements may be purchased in the Bookstore now. The supply is limited and students are urged to buy early to allow for time for the bookstore to re-order if the supply does not last.

Those students who ordered class rings may pick their rings up now in the Bookstore.

Talent Show Starts Immediately; Large Crowd To Be Expected

A well packed auditorium is expected today at noon for the annual FCC talent show, contends Jim Scott, commissioner of assemblies.

Pantomimes, songs, and dances

are scheduled for the performance under the supervision of Clyde Sumpter, drama coach.

The performers and their acts are Jean Powell, song; Lubberta Meursinge, dance; Darrell Rog-

ers, comedy monologue; George Dickey, folk song; Warren Churchwell and partner, folk song; Myrna Tavares and Alice Perkins, record pantomime; Jeanne Vincent, dance; Oliver Patterson, song; Steve Berglund, song, and an instrumental trio.

The performance, not restricted to FCC students, is open (and free of charge) to the general public.

It's rumored that the drama department might unveil a sneak preview of their play "The Boy Friend," a presentation to be seen during fine arts weeks.

READY FOR THE TALENT SHOW are (l-r) Lubberta Meursinge, Bill Conti, George Dickey, Connie Gade, Jeanne Vincent, Warren Churchwell and Darrell Rogers.

CALIFORNIA SETS PACE

Officials in New York estimate that by 1970 half of all first-year college students in the state will be enrolled in community colleges. To meet this demand, plans have been drafted calling for an expenditure of more than \$260,000,000 in the next six years. Between 1950 and 1962 New York established 13 junior colleges to bring its total to 24.

Florida, the fastest growing state in the nation, is attempting to place two year institutions within the community range. Four new junior colleges have already been constructed. Texas, second largest state in the union, on the other hand, reached a total enrollment of 422,991 last fall, an increase of 15.3 per cent.

Seven of Michigan's community junior colleges were established in the mid fifties, and two have recently moved to multi-million dollar plants. Other states planning expansion of junior colleges are Illinois, Maryland, Kentucky and Oregon.

But California, recently celebrating its emergence as the most populous state in the country, has all other states beat in total enrollment, junior colleges and teachers. The Golden State has three-fourths of all students in the first two years of public higher education in California attending the state's 70 junior colleges, 12 of which have been established in the last decade. Full time enrollments hit an all time high of 125,000 students and 8,000 of these within one year for a 6 per cent gain.

In November, California voters approved spending a minimum of \$20,000,000 in state funds for capital expenditures for two year colleges. Plans, moreover, call for an estimated \$350,000,000 for the next five years, compared to New York's \$260,000,000 in six years.

All of these facts add up to the rapid growth throughout the United States in regards to higher education. With a totality of 644,968 students enrolled in 402 junior colleges in the nation the mark for the needs of higher education is evident.

"O. Henry Awards" Honor Top Fiction Of 1963

By JAMES BONAR

"Prize Stories 1963, The O. Henry Awards," edited and with an introduction by Richard Poirier, is a collection of fictional works by authors with noteworthy talents in modern literature. The first thru third place winners are: "Everything That Rises Must Converge," Flannery O'Connor;

"The Snake," Ervin D. Krause; "The Education of a Queen," Thalia Selz (Rinehart and Co., Inc.)

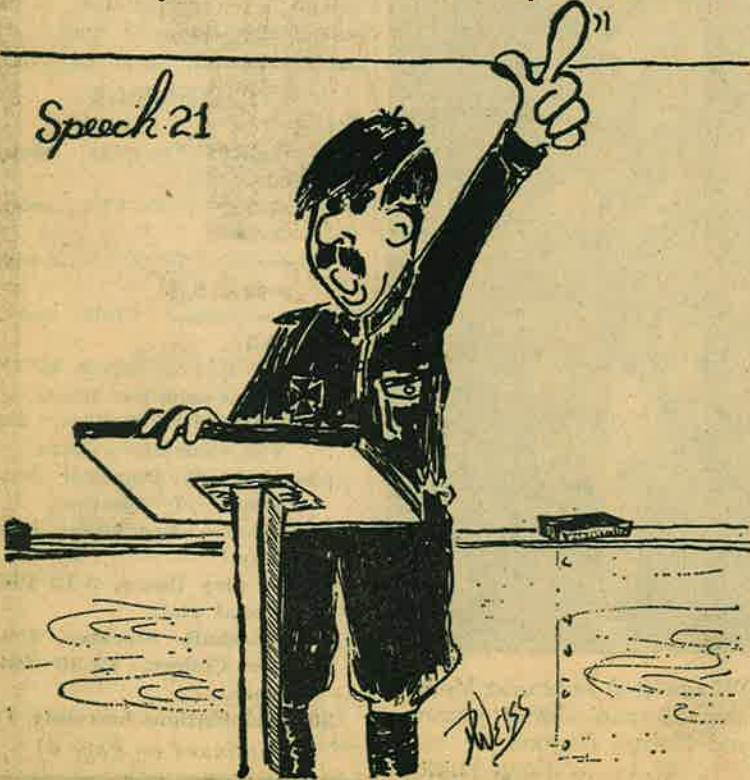

"Don't Tread On Me," by Capt. Walter Karig and Capt. Horance V. Bird (both with the United States Navy), is an historical fiction novel that follows Commodore John Paul Jones through glorious exploits with men, ships, and women in a legendary era of romance and adventure.

"Alcoholism and Society," (Ox-

ford University Press, 1962) by Dr. Morris E. Chafete and Harold W. Demore, Jr., is a well documented book blaming society for many cases of extreme alcoholism. The authors contend that "Traditional attitudes of misunderstanding, rejection and disgust, moral preaching and prohibition and event threat, only further alcoholism."

'He's Doing Honor To His Grandfather's Name'

FCC Coed Is New Rose Queen

Myrna Marilyn Tavares, 18-year-old FCC freshman physical education major, has been selected as the first Rose Princess of San Joaquin Valley.

The petite brown-eyed brown-haired miss will reign over the San Joaquin Valley Rose Society's Annual Rose Show, Apr. 28 at the Fresno District Fairgrounds.

Roy Badertscher, president of the Rose Society, announced that the rose show is open free to the public from 2-6 PM.

The crowning of the princess will be at 3 PM. Miss Tavares will be crowned by James Barnum, master of ceremonies. She will then received her first prize, a \$100 scholarship.

The contest was sponsored by the California Association of Nurserymen, who are also putting on the Rose Show.

The pictures of the eight nominated girls were placed at the nurseries and the public voted for the contestants as they purchased supplies.

The 5'4" coed says she enjoys dancing, collecting records, making ceramics, and writing letters.

"My most prized possession is

MYRNA TAVARES
New Rose Princess

Mignon Angelique," said Miss Tavares. Mignon is her black miniature poodle.

The Bullard High School graduate had 47,000 votes to beat runner-up Cheryl Wilkens, Miss Teenage Fresno, by 2,000.

The winner, sponsored by the Fresno Gem and Mineral Society, was the outstanding Girls Athletic Association member for two years at Bullard.

She also sang in the high school chorus and was a member of the Future Teachers Club.

Cal Official Will Address Graduates

Dr. William Shepard, acting director of office of relations with schools at the University of California in Berkeley, will be the featured speaker at FCC graduation ceremonies June 7. Fred Faleta, student body president, will represent the students as the student speaker.

The Reverend Henry Hayden, minister of the College Community Congregational Church in Fresno, will deliver the invocation and benediction.

Candidates for June graduation total 310 and the number of candidates for February graduation presently stands at 45.

Sally Gonzales and Larry Orasco pose behind some of the setting to be used at the "Bermuda Stomp," a dance sponsored by the Latin America Club to be staged at 8 PM tomorrow evening. Orasco is the president of the club. (Clark Photo)

Science Degree May Be Added To FCC Curriculum

FCC may soon issue an Associate in Science degree. Dr. Paul Nielsen, FCC vice

president, said the new degree will allow students a greater degree of specialization.

The requirements for the degree will be the same as for the Associate in Arts degree but will be issued to a student who has taken at least 20 semester units in engineering, physical and biological science and vocational-technical curricula as a major.

Other requirements for the AS degree are at least 60 units of work with no less than a "C" average, History 17B, health education, two units of physical education, six units of English and speech and at least one course in man and society, mathematics and natural science and fine and practical arts.

"The new degree," Nielsen emphasized, "is in the planning stages, but it is hoped it will be in the 1964-65 catalog."

In March, 1960, the state legislature passed the Donahoe Higher Education Act allowing the AS degree to be conferred.

Lack Of Interest Puts Stop To Playday Feed

(Continued from Page 1)

3 PM on the physical education grounds west of the old gym.

Rafferty said that all students are eligible to play and may sign up with James McLaughlin at the cafeteria from 1 PM to 3 PM today. Invitations have been sent out to all the faculty members.

For students who do not get to play in the softball game, volleyball facilities will be set up after 3 PM.

The original plans for the barbecue included a menu of hamburgers, fish-sticks, potato salad, beans, ice cream, and soft drinks.

The Playday will be concluded with the "Bermuda Stomp," a dance sponsored by the Latin American club to last from 8 PM till midnight in the social hall.

Buzzing Around

New Gym Has Its Bad Points

By TOM WALLS
Feature Editor

★ ★ ★ ★ ★

Seems that whenever some worthwhile project is completed there's always some deadbeat around who sticks his big blue nose in the air and says "it stinks." Well, at least almost always.

Sometimes everything is so beautiful (and expensive) no one has the gall to criticize it. Such is the case with the new gym. Everybody is so pleased and proud of it no one dares to raise his voice in protest.

So, in keeping with my tradition of debating anything and everything from lunar probes to light sockets, I shall now make another in a series of statements which will surely result in the cancellation of my life insurance policy.

The new gym is a waste of time, money, and parking space. It is an architectural nightmare. It stands out in this area like a hippopotamus in a grape vineyard.

From College Avenue one views a mammoth blob of concrete resembling Friant dam, except perhaps not quite as attractive. The swimming pools are situated right in view of the nosy travelers on Weldon Ave., like an aquarium.

The beautiful tile and chrome showers are a fine example of modern plumbing—they don't work! They are ultra-ultra-modern, which is another way of saying non-functional. They don't have the "old fashioned" dual controls for hot and cold water. Instead we are provided with one master control which is supposed to keep the water temperature constant, which it does. It is either scalding hot or freezing cold, but it IS constant.

I could go on and on, but I must start preparing the defense for my next libel suit (with Walter Wagner and Associates).

Rogers, Harker Return From Contest With First, Second P ace Trophies

Two members of FCC's debate squad returned from the Northern Forensic Association's spring tournament with trophies.

Robert Rogers won first place in the oratory competition and John Harker placed second in the interpretive speaking.

The tournament took place at Sacramento State College last weekend.

Joe Beth Jackson, David Hancock, Jo Ann Rizzo, John Baily, Marlene Smith and Mrs. Karen Hayes also participated in the tournament. Coach Franz Weinschenk accompanied the debators.

Approximately 125 students from 11 Northern California junior colleges, four year colleges and universities were in the competition.

Coach Weinschenk said, "The real hero of the trip was a city college student who is not on the forensics squad."

"One of the two teams cars broke down in Merced. The students contacted Richard Fagundes, who lives in Merced and he brought the stranded speech-makers to Fresno."

DEBATE WINNERS—John Harker and Bob Rogers

Phi Kappa Phi To Honor FCC Duo

Top-ranking FCC scholars Marilyn Goodenberger and Fred Moberly will attend a May 6 banquet as honored guests of the Fresno State College chapter of Phi Kappa Phi, a scholastic organization.

The annual banquet honors the top scholars from all junior colleges in this area.

WHITE SORORITY—Members of the FCC Phi Rho Nu (nursing sorority) are (front row, left to right) Sheri Zeyen, Catalina Mirelez, Mrs. Marie Aved, Mrs. Nancy Black, Mrs. Sharon Glover, Bunny Gade, LaVella Phillips, Jane Mettee, Gayle Edmondson (middle row, left to right) Elinor House, instructor, Mrs. Betty Cavit, Mrs. Florence Slepnikoff, Mrs. Irene Pratt, LaDawn Stapp, Linda Kreamer, Mrs. Ernestine Woods, Gloria Wheller, Mrs. Frieda Kollmeyer, Mrs. Evelyn Boyden, Arthur Gurrola, Mrs. Mabelclaire Norman, director. (Back row, left to right) Robert Grisso, Mrs. Barbara Simmons, Mrs. Grace Sorenson, Anita Hansen, Nathaniel Dotson, Mrs. Ellen Latham, Mrs. Claudia Dick, Mrs. Helen Lackey, Joyce Iles, and Mrs. Nain Young, instructor.

Pro-Nurses Deadline, May 15

By CHARLES WRIGHT

Applications are now being accepted for enrollment in the professional nursing program next fall.

Mrs. Mabelclaire Norman, director of the program, said students interested in the program are asked to make an appointment with her secretary for an interview with her before the application deadline, May 15. Mrs. Norman's office is in room 105 of the administration building.

Needs HS Chemistry

To qualify for the program the student must have had a year of high school chemistry with laboratory or a semester of college chemistry and be a high school graduate with at least a "C" average.

There is no age limit and married or single students are eligible for the interview. The program is open to men, also.

Club News

Vels To Feature Linda Darnell At Latin's Bermuda Stomp

"The Latin American Club will add the finishing touch to the playday tomorrow by sponsoring the Bermuda Stomp dance after the barbecue," said Larry Orosco, president of the club. The marvelous Vels, featuring Linda Darnell will provide the entertainment for the evening.

Orosco said the dance is from 8 PM until midnight and the attire is bermudas, and invites all FCC student body card holders and their guests to come.

The committee chairmen are Pat Garcia, decoration, and Joe Moreno, publicity.

Delta Psi Omega

JoAnn Rizzo, president of the club, invites all FCC students and faculty members to the annual talent show today at noon, in the FCC auditorium.

The show will consist of skits, dancing and singing.

Marketing Club

All women interested in learning about careers in marketing and retailing are invited to attend a tea in the committee room of the cafeteria today at 2 PM, said Larry Krum, publicity director for the club.

Krum said the speakers will be Miss Maggiore of Gottschalk's

"There's a great field in nursing for men," Mrs. Norman commented. There are now three men

students enrolled in the program.

Upon completion of the program qualified students will be eligible for an associate in arts degree and will be eligible to take their licensing exam for the registered nurse credentials. The program requires four semesters and two summer sessions.

and Mrs. Nancy Kramedian of Rhodes department stores. They will speak on the opportunities for women in these fields.

Circle K Club

Plans for the Circle K Club Installation Banquet slated for May were given by local delegates to the district convention yesterday noon in the committee room of the cafeteria.

CLUB CALENDAR Meetings Today

COS Gains Title, 83-39

Hurdle Troupe To Get Record Try In Visalia

By BOB CAUDILL

Powerful College of Sequoias clinched the Valley Conference track title Saturday at Visalia with an 83-39 whipping of conference runner-up Fresno City College.

Bill Cowings won both sprints, Max Souder led a COS sweep in the high jump, and tank-like Ken Brooks led a herculean pack of COS shot putters to another sweep to pad the Giants' unexpectedly wide margin.

Despite blustery weather, some of the marks were excellent, including Cowings' 21.2 clocking in the 220, Tom Powell's 14.7 time for the high hurdles, and Ram Fred Teixeira's 23.5 mark in the low hurdles.

FCC coach Erwin Ginsburg is pleased with the improvement of his hurdlers. In fact, he feels that his talented foursome of Williams, Teixeira, Odell Williams, and George Moore is capable of a national record in the 480 yard shuttle hurdle relay.

In addition to placing second in the broad jump, Moore timed a fine 14.9 seconds in placing third in the highs. Odell Williams has been placing consistently in both hurdle races.

One of the biggest surprises of the COS meet was the failure of Ram discus ace, Bob Jacobs, to place. He has hit consistently over 150 feet, and the winning distance was only 143'3" by COS's Mike Connor.

FCC's shuttle hurdle quartet will get its first chance to go after a record next Saturday at Foothill College's Northern California Relays. The meet starts at 1 P.M.

COS's shuttle hurdles team, led by Charlie Leathers, Dave White, and Powell, will probably give the Rams a real battle.

Mile run—1, Carlton (FCC), 4:30.2; 2, Recendez (COS); 3, Rios (COS).

440—1, Haynes (FCC), 49.9; 2, Coleman (COS); 3, White (COS).

Shot put—1, Brooks (COS), 49'5½"; 2, Reynolds (COS); 3, Nelson (COS).

100 yard dash—1, Bill Cowings (COS), 9.8; 2, Leathers (COS); 3, Teixeira (FCC).

AFTER 19TH VICTORY IN 21 FIGHTS

Terronez To Fight Watson Monday

By BILL HORD

Gabe Terronez, Fresno City College's pride in the ring, takes another step toward grandeur Monday against Henry Watson in a 10-round professional bout in the Fresno Memorial Auditorium.

Terronez is a much publicized student at FCC because of abilities in the ring, his quiet personality, and a tenor voice that is more than welcome in the school choir.

But, it's the "fight" in Gabe that folks will be looking for Monday night when he goes after his 19th win and 15th knockout.

Gabe has won nine in a row including eight knockouts in gaining and holding the California welterweight boxing championship.

He defeated Kid Rayo in Bakersfield in March in his only outing of 1963.

Watson, who is considered to

be Gabe's toughest opponent thus far in his career, has had 56 fights including 11 knockouts.

GABE TERRONEZ (Photo courtesy of Fresno Bee)

Schmidt Shines But Walks To Bench Of No Return In Fifth

The Fresno City College Rams will face the third place Stockton Junior College Mustangs in a Valley Conference twin bill Saturday in John Eules Park. Game time is 12:30 P.M.

The Rams, losers to the Reedley Junior College Tigers on a series of free passes last Tuesday night, will send ace hurlers Dick Selma and Bix Hayden against Stockton.

Coach Len Bourdet's league leading Rams blew a 2-0 lead to the Tigers, but it was to no fault of starter Howard Schmidt. Schmidt, a lanky southpaw via Roosevelt High School, probably pitched his finest game of his career and still lost a 7-2 decision to Reedley.

Schmidt whiffed 12 batters, gave up two hits, walked none in a five inning stint. Bourdet

over for starter Joe Casmero and stymied the Ram bats the remaining four innings. Reedley won its game in the ninth on two walks given up by Heintz and a single by third baseman Marshall Payne. With the bases jammed Bourdet sent in righthander Dan

replaced Schmidt with Chris Heintz in the top of the sixth and the non conference Tigers tallied a run on four consecutive bases on balls. Heintz, however, ended up by striking out the side with the bases loaded.

In the eighth frame, the Tigers knotted the score on a walk, fielder's choice and an overthrow to second by catcher Brendon Ounjian. Again Heintz came through by retiring the next two batters on strikeouts. The score was knotted at 2 all.

Ram Tennis Squad Gains Tie For Conference Title

By BRENT JOHNSON

Coach Dan Ozier's Fresno City College tennis squad gained a tie for the Valley Conference net title with a 5-2 victory over College of the Sequoias Friday before a spirited rooting section on the FCC courts.

The Rams' only defeat came at the hands of COS 4-3 earlier in the season.

There will be no playoff between the two teams. Both will travel to Stockton on May 3rd for the all conference tournament.

Big Engagement

The netters have one more big engagement, the Ojai tennis tournament. They step on the courts of the Ojai Country Club, Nordhoff Union High School and Villanova Prep School today for the three day tournament. The top tennis players in the country enter in this tournament yearly.

In the match against COS, Rick Fiori defeated Jerry Hoops to re-

STUDENT RETREAT IS SLATED FOR YOSEMITE

A Foreign Student Retreat on the theme "What is Christianity" is to be held Saturday and Sunday, Apr. 27-28 in South-Wawora Lodge in Yosemite National Park it was announced by the Campus Christian Association at Fresno State College.

Foreign as well as American students are cordially invited to attend. Dr. Hugh Vernon White, Dean Emeritus, Pacific School of Religion in Berkeley is to be the guest speaker.

Those interested in attending should contact Chris Mendosa at AM 6-8870 immediately.

Broganier and he proceeded to toss three free passes giving the Tigers a comparatively easy victory.
