

Directors Select JC District Title

State Center Junior College District will be the new name of the recently joined Fresno-Reedley district.

So decided the district's seven member board of trustees at its second meeting Tuesday night in the Fresno County Schools building.

The trustees Baxter Richardson, president; Elmina Teilman; Walter Martin, secretary; Jack Hammerberg; Lynn Ford; Robert Hixson, and Alvin Quist, must also decide many questions concerning the policies and actions of the new board.

Matters Discussed

Pertinent matters touched on at the meeting were rules of procedure, advance apportionment, where the meeting agendas should be posted and when the board will meet.

It was decided that Richardson appoint a committee to recommend a method of parliamentary procedure to the board. Until then the meetings will be conducted on an informal level.

Agenda Posted

Board meetings will be held

twice a month, with copies of the agenda posted at both the Fresno City and the Reedley campuses. The trustees requested that, until further action on the matter, the presidents from the two colleges, or their representatives, be present at meetings to make suggestions.

Since the new district will not officially take over the two campuses until July 1 of this year, the board is allowed to request interim funds from the Fresno City Unified and the Reedley School Districts in order to be ready on that date.

Richardson stressed the fact

that funds to be made available were not loans, since the moneys would come to the district anyway.

Funds Requested

It was voted that the board request \$30,000 from the Fresno and \$5,000 from the Reedley Districts for use in buying office equipment, hiring secretaries and other operating expenses.

Several committees were formed to deal with board matters. An executive committee, consisting of Richardson, Martin and Quist, was appointed to carry out the board's business between meet-

ings. This committee was authorized to purchase necessary office equipment and liability insurance for the trustees.

Discuss Questions

Richardson, Martin and Hammerberg will meet with County Council and delegates from the Fresno and Reedley boards to explore questions which must be resolved before the new district take-over on July 1.

A committee of Hammerberg, Hixson and Ford will develop a public policy to be used in matters dealing with the press.

Summer Budget

Stuart White, president of FCC,

presented the board with the budget for the 1964 summer session at City College. The board will take action on this proposed budget at their next meeting.

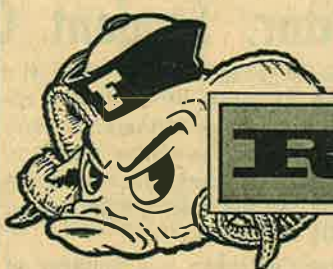

Same Dates

White stated that the session would have the same calendar dates as the unified school district this year. Students eligible for the summer session would be FCC students, students from other two and four year institutions, high school graduates and for the first time, students completing the eleventh grade in high school who are recommended by the school principal.

Fees Charged

White added that out of state students would be charged \$10.20 a unit for summer session this year.

Still to be decided by the board is the salary schedule for the new district. At the meeting the college presidents were requested to prepare regular budgets for the year so that the board could compare them and make the needed changes.

Treasurer Submits 'Tentative' Budget For Spring Semester

"After much thought, discussion, people and budget request chasing and many meetings with the Student Activities Control Board," said Larry Krum, student body treasurer, "we have come up with a budget that will be 'tentatively proposed' by the Fall Student Council for the spring semester."

The budget, as tentatively proposed:

| ACTIVITY | TOTAL BUDGET |
|--------------------------|--------------|
| Assemblies | \$ 2000.00 |
| A.M.S. | 700.00 |
| A.W.S. | 750.00 |
| Awards and Letters | 2100.00 |
| Baseball | 3500.00 |
| Basketball | 1300.00 |
| Conference | 743.00 |
| Football | 2510.00 |
| Golf | 900.00 |
| Guest Fund | 100.00 |
| Honor | |
| and Leadership | 300.00 |
| Insurance | 2000.00 |
| International | |
| Relations | 100.00 |
| Laundry and | |
| Cleaning | 1500.00 |
| Oral Arts | |
| Band | 930.00 |
| Choir | 800.00 |
| Debate | 1600.00 |

| | |
|-----------------------|---------|
| Potpourri | 600.00 |
| Publicity | |
| On Campus | 250.00 |
| Off Campus | 1650.00 |
| Sports | |
| Student Body | |
| Rally | 430.00 |
| Ram | 7105.00 |
| Rampage | 3775.00 |
| Secretarial | 375.00 |
| Social Affairs | 750.00 |
| Student Welfare | 100.00 |
| Swimming | 1791.00 |
| Tennis | 925.00 |
| Track | 3240.00 |
| Transportation | 2200.00 |
| Wrestling | 818.50 |
| Undistributed | |
| Reserve | 2000.00 |

Total Budgeted—\$47842.50
This is the largest proposed budget in the history of FCC and will have to be approved by the Spring Student Council at the first of the semester.

Ram In Trouble

Student Investigating Committee Launches Yearbook Cost Study

The Student Investigation Committee chosen to investigate the Ram financing held its first meeting last Wednesday afternoon.

Bill Bispham, representative at large and chairman of the committee said that he and his committee were chosen to investigate the cost of the preparation of the Ram and the means by which it is financed.

"Last year the book was financed mainly by student body funds and each student desiring a book paid a price of two dollars (\$2.50 or \$3)," said Barbara Didier, editor of the 1963 Ram.

"The book is being financed in the same manner this year," said Dorothy Feldmann, 1964 editor.

"I don't feel that the extra allotted money is necessary," she continued.

According to Betty Anderson, FCC's financial secretary, the Ram was budgeted a total of \$7,755 between Sept., 1962, and

BARBARA DIDIER
1963 Ram Editor

June, 1963. The 1964 Ram was budgeted \$1,500 between September and February and is requesting \$7,105 for the spring

semester, or a total of \$8,605 for the year.

"This is an increase from \$7,755 to \$8,605 of a total of \$850 is being added to the budget," said Bispham, "or \$1,630.33 above the actual amount of \$6,974.67 spent on the 1963 Ram."

Jim Ruhl, Fresno representative and salesman for the H-J School Services, said "The total for the 1964 book represents a decrease of \$160 from the 1963 Ram as per contract specifications. The total number of books has been decreased by 100 copies at the rate of \$1.60 per copy; therefore \$160."

"The above figures were taken off of the official contracts for both years," said Ruhl, "which were inspected and signed by Mr. White and Mr. Hibler."

"With the above figures I feel that we can cut the budget by about \$2,000," said Bispham. "A letter has been sent to Mr. Hibler, Ram adviser, asking that a list of the Ram's total expenditures be sent to the Student Activities Control Board," said Bispham, "so that the board might know why the 1964 Rams needs \$1,630.33 more than it did in 1963."

Feb. 3 Date For Evening Registration

Evening division students will register for classes Monday, Feb. 3, in the new gymnasium. Registrants will be admitted to the gym on the basis of the time specified by line cards.

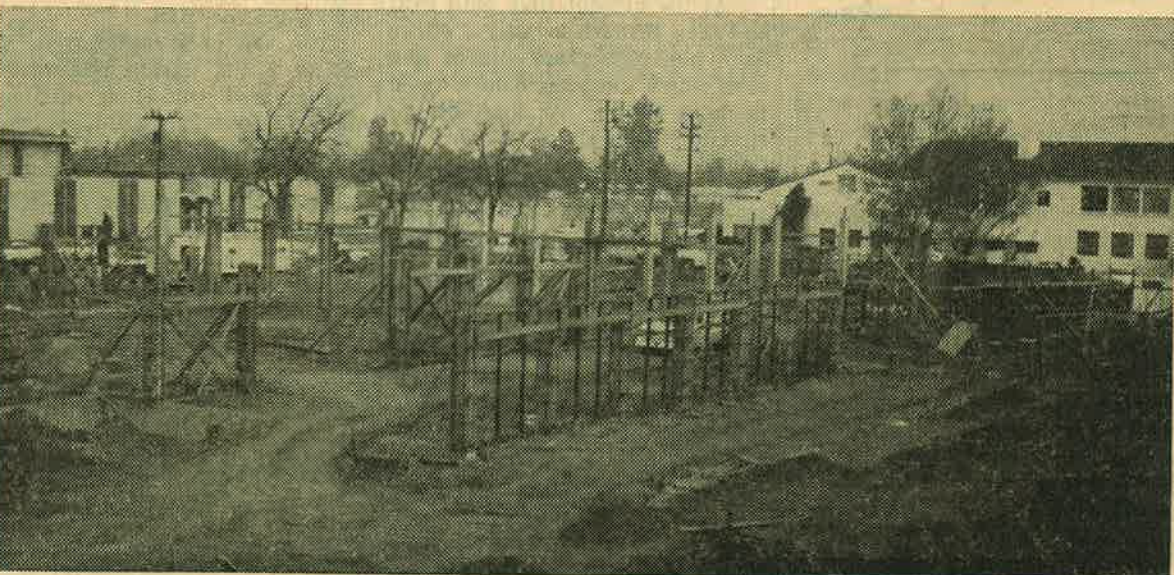

Line cards may be obtained in the Evening Division office, A-112, from 11 AM to 4:30 PM. Students who want line cards mailed to them should enclose a large self-addressed envelope with 15 cents postage. Line cards will be available until Jan. 30.

Students were reminded that line cards do not reserve classes. Class cards are pulled on a first come, first served basis.

Registration forms, which are distributed with the line cards, must be filled out in ink and brought to the gym on registration day.

In the gym, students will be issued routing sheets to guide them through the various stations.

Classes for the new semester will begin Monday, Feb. 10.

Cafeteria Begins To Take Shape

The new cafeteria begins to show progress toward its fall debut as the architects, Walter Wagner and Partners, move forward on the rib structure.

Plans for the building include air conditioning and modern equipment to make it up to date for years.

The \$700,000 structure will feature a larger coffee shop and a "scramble" serving area. The building is designed to match the architecture of the new gymnasium, located across the street.

The new building, in the old site of the bunga-

lows, will complete a mall from the University Ave. parking area to Weldon Ave., with the main entrance of the new gym at the Weldon Ave. end.

After the cafeteria is moved into the new quarters, the present cafeteria will be remodeled into a new student lounge and Associated Student Body offices.

A model of the completed structure is on display in the main foyer of the administration building.

(Clark Photo)

'Dead Week' To Begin Monday

Next Monday is the beginning of dead week.

Dead week was set aside about three years ago at the request of the students to give them time to study for the final examinations, which begin on Jan. 24 this semester.

During dead week there are to be no extra-curricular activities involving students.

"There are no rules starting that teachers cannot give tests or have assignments due," added Miss Deakins, "The only restrictions during 'dead week' are that there can be no club activities or meetings."

Doris Deakins, dean of women, said that she felt the students have been using dead week for the proper purpose. She hopes that it will continue to be so.

Final exams begin on Jan. 24 and end on Jan. 31.

Letter To The Editor

DO COUNCIL ADVISORS
RUN ASB AFFAIRS?

We the undersigned have a pertinent question to place before the students of Fresno City College:

Do the student council advisors run student body affairs? At the Jan. 7 student council meeting it was suggested in the form of a motion that Inman Perkins receive an honorary membership card as an award for services rendered to FCC. As many students know Inman is responsible for most of the spirit at Fresno City College.

A committee was chosen to look into this and reported back to student council at the Jan. 14 meeting. The committee suggested that he should receive a certificate of service instead of an honorary ASB card. The motion was brought up in council to give Inman the card.

Before the vote was called for, Joseph King, student council advisor made a little speech about Inman's faults. The vote was then called for and the motion died. A motion to give Inman a certificate of service and a plaque to be placed on a trophy case was brought forward and this also failed.

We feel the vote was unfair in two respects:

1. The commissioners voted; they do not have a vote on student council.
2. Inman's record was not adequately presented to the students who did not know him.

We feel the sponsors failed, in that they did not bring this to the attention of the council. But they did not hesitate to give the

members their reasons for him NOT qualifying.

Archie Bradshaw, dean of students said: "When this was brought up I suggested through Doris Deakins that a certificate or plaque be given to Inman along with the honorary membership card or separately."

Stuart White, president of the college, commented "I wholeheartedly endorse the suggestion that Inman Perkins be awarded a certificate of appreciation for his encouragement of school spirit. I'm behind the idea one hundred percent."

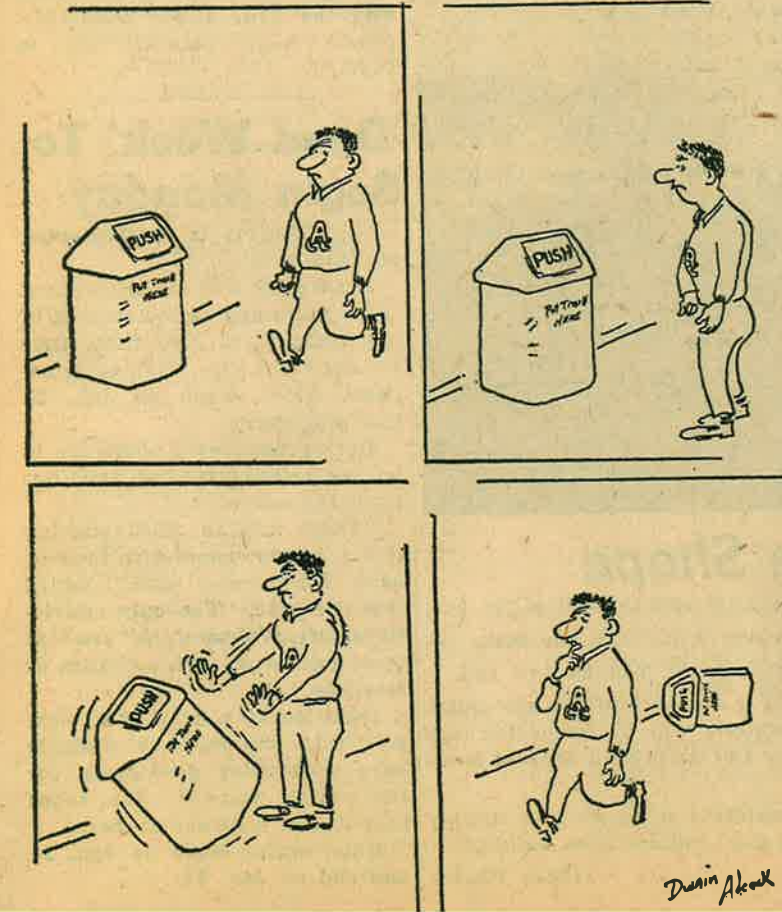

One student council member stated, "Inman was a hardworker. He's done a lot more for FCC than a lot of student council members."

Dottie Feldmann,
Tom Jones
James Turple

When the committee studying the possibility of awarding Inman Perkins a lifetime student body membership card reported at Tuesday's council meeting, the entire report consisted of saying "we want to give Perkins a card." If the committee had reported Perkin's qualification and contributions to the council, perhaps the suggestion would have been approved. As it stood, few council members could honestly "sign a blank check" by voting to award Perkins the card.

As for the plaque, council may as well vote to construct an "Inman Perkins Memorial Fountain."

An American Wife?

UGANDA STUDENT STUDIES AIRCRAFT
AT FCC; PLANS WORK AT AIRPORT

By BETTY SUE KENNY
Rampage Staff Writer

Samsudin Habib, FCC student from East Africa, is looking for an American wife to take home to Kampala, Uganda.

Habib studied in HH, the Aga Khan Secondary School, under the British system. He represented his school in the Kampala Amateur Athletic Association, in the track and field events including hurdles and discus. He was also active in boxing.

Aircraft Mechanics

The 19-year-old Habib is majoring in aircraft mechanics here and plans to work at Entebbe Airport when he returns to East Africa.

This summer Habib wants to go to New Mexico and then on to Mexico. He has already toured San Francisco, New York and Lake Tahoe. He also went to Brussels before he came to the US.

International Club claims Habib as their social chairman, and he is a member of People-to-People, but he still spends time looking at the "beautiful American girls."

Mountaineer

While he was still in Africa,

'Time For Change'

Says Commissioner
Of Athletics

Red and white as school colors are constantly copied and FCC's colors should be changed.

Such is the feeling of Tom Jones, commissioner of athletics. Red and white are the colors of FCC, FSC, San Francisco City College, American River Junior College, McLane, Hanford, Chowchilla, and Kerman High Schools.

"These colors are overused and create a conflict with other schools in the state," said Jones. "Red and white are the most common school colors that I have ever seen."

Chosen By High School

The colors of were chosen from FCC when the junior college first began and when it was housed at the Fresno Technical High School.

"At the present time both FCC and San Francisco City College have both the same mascot and even worse the same colors," said Barbara Didier, commissioner of student welfare.

Red and white were chosen when the college and the high school were housed together. There were only 300 college students and 1,500 high school students, according to Archie Bradshaw. The college students were reported to have voted for red and gold while the high school students favored red and white, therefore, the colors currently in use by the college are those which belonged to the high school.

Individuality

"Time has come for the students to take some action in obtaining their own individuality," said Mitchell Bower, commissioner of conferences. "The students of FCC should now have the power to choose their own favorable colors, those which they would support and which would create school spirit."

Colors which might be suggested are red and gold, red and black, red and white, red and silver and green and silver. If any one would like to make a suggestion for FCC's colors please contact the Rampage of-

Habib, along with some other students, climbed Mt. Kilimanjaro, the highest mountain in Africa.

On his way back to Africa he wants to return via Brazil, so that he can look at some of the coffee plantations, his father owns a coffee processing plant in Uganda.

Canadian Serves As Yearbook
Editor, Student Council Member

"Some people think that the Yukon is part of Alaska," remarked Dorothy Feldmann, commissioner of assemblies and foreign student from Canada, "and that is my pet peeve. The Yukon is part of Canada."

Miss Feldmann is a member of the International Club and is attending FCC on a student visa while living with relatives in Fresno. Her hometown is Whitehorse, Yukon Territory.

Her goal is to attend a four year college and obtain a bachelor's degree in art education.

"The weather is very different in Whitehorse," said Miss Feld-

DOROTHY FELDMANN
... Owns dog team

mann. "The average winter temperature is below zero. At night the temperature is about 50 degrees below and a low of 70 below zero is not uncommon. Snow starts falling in September and is usually on the ground until early April or May.

"The sun only shines from 10 AM to 3 PM during mid-winter as compared with long summer days. On June 23, the longest day of the year, the sun does not set at all. This gives this area the name of the 'Land of the Midnight Sun.'"

Since her family spent one year in a lumber camp, Dorothy is probably the only student at

Habib is living with a Prussian roommate here in Fresno. He thinks that the US is "pretty good, because Americans know what they are doing, they're well educated."

He is planning on staying here as long as it takes him to earn his associate in arts degree.

FCC to have her own dog team. The family used the team to travel across a frozen lake to the nearest town for supplies and mail.

Miss Feldmann has been a member of student council for three semesters, serving as commissioner of assemblies for two semesters and as representative at large. Currently she is running for the office of AWS president.

After finishing her education, Miss Feldmann plans to become a US citizen.

ELECTION RESULTS

These are the results of yesterday's election for Associated Student Body offices:

President

Terry Edgmon over Sophomore candidate Mitchell Bower;

Vice President

Suzanne Hawthorne (unopposed);

Secretary

Carolyn Poindexter (unopposed);

Treasurer

Carol Cloves over Barbara Didier and Marihelen Thomas;

Associated Women Students President

Milaun Dowell over Dorothy Feldmann;

Associated Men Students President

Irving Lee over David Coleman;

Representatives

Charles Baines
Richard Comstock
Barbara Ehrenberg
Frances Hanoian
Edith Hughes
Bruce Madsen
Cherry Lee Moore
Kay Sessions
Carol Schaffer
Jo Ann Tuck

The victor in the Associated Student Body presidential race, Terry Edgmon, who won over Mitchell Bower, sophomore candidate, is the fall semester's president of the sophomore class. In high school he was active in student politics and was elected Kingsburg High School student President in his senior year.

Circle K Plans March Of Dimes
Drive, Blue Crutch Sale

"Plans are being laid for Circle K's participation in the March of Dimes Drive," said John Gates, publicity chairman.

Gates said that the club will help with the blue crutch sale to be held Jan. 25. In this sale various high school service clubs and Circle K will sell miniature blue crutches for donations. This sale will take place in shopping centers located in the Fresno area.

Gates said that any students wishing to participate in the drive should attend the next Circle K meeting Wednesday at noon in the committee room.

FCC's Circle K members will

dance to be held Feb. 1 in the Memorial Auditorium. The club is in charge of ticket sales and promotion.

"Last week," said Barry Turner, president of Circle K, "members of the club distributed March of Dimes canisters to the stores in the Fresno area."

The members are: Turner; Malcolm Chaddock, vice president; Bud Kahn, secretary; Pete Pierre, treasurer; Gates, Philip Ginsberg, Bill Nilmeier, Bob Armer and Martin Goetsch, Kit Mealy, Dave Turner, Kent Smith, Joe Bolkovatz, Warren Stallings, Roger Tozlian, Cliff Dorsey, and

Peace Corps Schedules Spring Training Course

The Peace Corps announced plans recently for the largest spring training program in the agency's history.

Volunteers scheduled for assignments in 18 nations will enter training at US colleges and universities in February and March, said Peace Corps director Sargent Shriver. An estimated 1,500 prospective volunteers will participate in the training programs.

In past years, only about 400 volunteers have entered mid-year training programs, Shriver said. While the peak in-put period will continue to be the summer months, he said this year's large spring group will fill requests from countries in Africa, Asia and Latin America.

Many of the spring group will be mid-year graduates of US colleges and universities who will fill teaching assignments, most of which require college degrees. But about one-third of the spring trainees will not be required to have degrees.

The spring training programs will prepare volunteers for service in Somalia, Malaysia, Nigeria, Ecuador, Nepal, Thailand, India, Jamaica, Togo, Colombia, Panama, Iran, Bolivia, Brazil, Chile,

Venezuela, Tanganyika and the Dominican Republic.

Teachers will be needed at all levels — elementary, secondary and university—and in all subjects, with particular emphasis on English, science and mathematics. Some physical education and vocational teachers will also be required.

Other volunteers will be enrolled in agricultural extension, community development, construction, engineering and geology programs.

The Peace Corps was established in 1961 by an act of Congress under the administration of the late President John F. Kennedy.

Members of the organization serve on a voluntary basis for a term of two years.

Student's Aid

English Department Chooses Scribner's English Handbook

"Scribner's Handbook of English" has been adopted by the English committee to serve as the official guide for FCC English courses.

William A. Reynolds, chairman of the English committee, said the book was chosen by a vote of the committee as being a complete guide to all mechanics of writing involved in writing term papers, letters and essays.

Reynolds, French and English instructor, said the Scribner's book was chosen in the hopes that instructors and students will become familiar with the book and recommend it as a guide for

general essay work, letters and other types of writing.

"It's good for a college to have a guide for instructors, but," Reynolds stressed, "there are many guides equally as good."

The present English 1A textbook, "Writer's Guide and Index to English", edited by Porter G. Perrin, according to Reynolds, is intended as a reference but can also be used as a text.

"Another advantage of the 'Handbook of English' is its compact size", commented Reynolds.

Flo Brenninger, English and speech instructor, says the book

offers a traditional approach to grammar.

"This book is the only book I know of that has instructions on writing a precis and this should be helpful to students," she commented.

Mrs. Brenninger said the book was adopted to promote grading on the same basis for all English classes and to find a standard reference for the college.

"This book is just as useful for English 55 students as it is for English 1A students," she emphasized.

The handbook contains instructions for writing term papers, speeches, reports, for diagramming and other facets of English, she added.

The FCC bookstore has initially purchased 50 copies of the 'Handbook' and it costs \$3.55.

Choir Presents Christmas Album To Student Buyers

A Christmas album recorded by the FCC choir on the Century label is now on sale, according to C. Lowell Spencer, choir director.

"The album sale is completely non-profit. It is for listener enjoyment only," said Spencer. "The actual price of the recording is \$6, but the end cost will depend on the number of records sold."

Spencer stated that if upwards of 86 albums are purchased, the price would be reduced to approximately \$3.60.

Music for the record was taped during the choir's December Christmas concert. Included are two cantatas: "When the Christ Child Came" and "God With Us," and several short Christmas selections.

Students who buy the album must pay the \$6 in advance, but will get a refund if the price is reduced, added Spencer. Delivery will take three weeks.

Orders may be placed with Cynthia Stephanian, Edith

Hughes and Timothy Kellogg, the students in charge of the sale, or with Spencer.

The choir will record the Easter section of Handel's Messiah if there are enough requests from students, Spencer concluded.

Car Care Pays Off

The college student's automobile, whether it be a 15 horsepower "bug" or a 409 horsepower "bomb," represents a major item in his budget.

If his faithful four-wheeler goes hay-wire, the repair bills often fall into three figures, which can be disastrous to a well balanced budget.

With the coming of winter, the problem of car maintenance becomes more acute. There are, however, a few basic procedures which, if followed carefully, can reduce wear and tear on a car, as well as keeping the chances of a major breakdown to a minimum.

1. Add a well known anti-freeze to the radiator whenever temperatures may fall below the freezing point.

2. Carry Tire chains whenever traveling in the mountains or when ice and snow can be expected.

3. Be sure windshield wipers and defrosters are functioning and in good repair.

4. Check for muffler or other exhaust leaks. With windows rolled up, odorless carbon monoxide gas leaking into the passenger compartment may be fatal.

5. Change oil every 1000 miles or every 60 days, whichever comes first. Oil becomes contaminated much more quickly in cold weather.

6. Don't race a cold engine. Mechanics warn that this causes excessive engine wear, since an engine is not properly lubricated until it has been operating for several minutes.

7. A good coat of wax, especially if the car must sit outside at night, will add years to an automobile's finish.

These few rules, if followed faithfully and coupled with a program of sound driving habits, should guarantee a ride to school for several semesters to come.

1949 STAFF CHANGE NAME TO RAMPAGE

If the year were 1948 and you were a Fresno Junior College student you would probably be reading The FJC Fresnan—the school newspaper.

The paper was then in the form of a four page tabloid, as it is today, and was printed on an office press.

No Originality

In the fall of 1949 Arthur Margosian, student editor, and his small staff were dissatisfied with the name of the Fresnan because it showed no originality and there was a town paper also of that name.

The editor and staff then petitioned the student council to allow them to change the name. The council voted to let the change take place.

Name Changed

The name of the paper was changed to the Rampage as it is today. Also the paper is commercial printed on a flatbed press by the letter press method.

"It isn't hard to see why we chose the name Rampage," said Margosian, "the FJC Rams were really on a rampage that year."

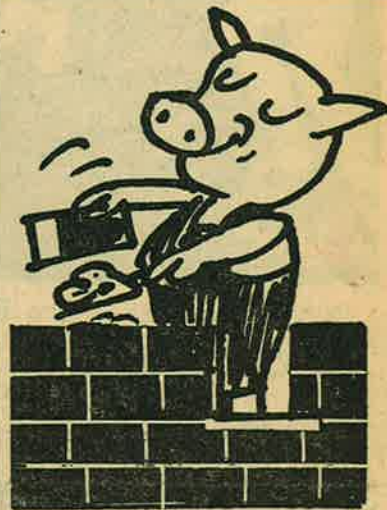

Margosian now teaches history, English and journalism at Fresno State College.

FINAL EXAMS

With the coming of dead week beginning Monday and final exam week next Friday, students are urged to check the final exam schedule in the fall semester schedule of courses.

George C. Holstein, dean of admissions and records, says the schedule is not the same as it was last fall, as several changes have been made since.

The Rampage will run a complete schedule of final exams in its final issue of the semester next week.

The wise man guards against the future as if it were the present—

PUBLILIUS SYRUS

The future comes sooner than most people realize; the time to think about it is now.

Financial planning is something that shouldn't be delayed. And an important part of planning a financial future is an adequate life insurance program.

Starting that program while you're young offers many advantages. You benefit by lower rates. And if you wait until you think you're ready, you may be uninsurable.

Don't put it off; contact our local campus office now.

DRIVIN' GEORGE — The Rams floor leader, 5-6 guard George Monreal, goes through the middle of Sacramento City College's players for an easy two-pointer. The Two Stick (Dos Palos) product bucketed 10 points during Saturday's 93-51 triumph. (Clark Photo)

Scott's Guided Missiles Bomb

Enemy Attack Of Sacramento

Larry Scott was the man-of-the-hour Friday while the entire Ram basketball squad took the bows Saturday.

This was the situation last weekend as Fresno City College crushed Sacramento City College, 93-51, and slipped by American River JC, 70-62.

6-6 Scott, improving on every outing, collected 27 points against the ARJC Beavers. His high scoring teammate, Lon Hughey, was pressed by two or more players during the battle, and hit his lowest scoring mark of the season (12 tallies).

John Sims, 6-7 Beaver center, is one of the best defensive men in California.

The all-state center gained his old form back by the following night, garnering 17 points while performing in only half of the run-a-way show.

The locals went out at intermission with a 46-22 lead. Although the Panthers were easy to tame, the sharp tooth Beavers were not so easy.

It seem to be a cold night for

The scene in the picture to the right might seem a little goofy for these days to some because of the below par weather. But these two astute divers are members of Gene Stephen's swimming and diving team.

Sue Romias (right), who might look familiar to some (she's an

FCC cheerleader), isn't actually a member of the squad in the same sense that Dan Cunning (left) is, but a diving coach who gives diving tips to Cuning (or any other diver that might be interested in coming out).

Stephens is interested in both swimmers and divers, and requested that any prospects see him.

There are now 11 aquamen out getting in shape for the spring season. FCC was loop runner-up last year.

Coalinga—Another FCC Win?

Grapplers Flex Muscles Too

By DON FOSTER

Coalinga Junior College, former Fresno City College foe when the Rams were playing in the Central California JC athletic loop (CCJCAA) two years ago, will invade Joe Kelly's star five Saturday night at 8 PM.

The high flying quintet are, 14-1 after a weekend sweep over Valley Conference roundballers American River JC and Sacramento (ARJC 70-62, SCC 93-51).

The Rams have a string of eight straight victories over Coalinga dating back to the 1959-60 season. Last year the locals pasted the team 93-78 in their first meeting, and 83-53 in the second.

Coalinga Knots Loop

Coalinga is knotted in a three-way tie in the central state association with highly rated Allan Hancock College and Reedley JC.

Fresno has the edge in the VC with a 2-0 mark compared to a 1-0 record of runner-up San Joaquin Delta College of Stockton.

The oil town cagers drilled Porterville College, 72-68, in the league opener. Newcomer Merced College will trek southland Friday for Coalinga's second CCJCAA effort, a tuneup in Saturday's contest in Fresno.

Fresno's best scorers have been center Lon Hughey, forward Larry Scott and guard Ed Austin in loop action. Scott is first, Hughey is fourth, and Austin is fifth among the leaders.

Duo Pace Marksmen

Coalinga's top marksmen are Ralph Hollis and Chico Lopes, No. 8 and 10 in their league's scoring department.

Hughey, who is averaging 26.4 points a game, Scott, and Austin along with playmaking whiz George Monreal and Ron Matt are the starting five.

In hot pursuit for opening positions are forwards Chico Lewis (eligible in two weeks), Marlin Elrod, a starter earlier in the season, and Ron Lewis.

By DON MENCARINI

In the seventh annual junior college wrestling tournament in San Luis Obispo last Saturday, the Rams of Fresno placed fifth with a total of 42 points.

"Tomorrow the Rams will meet the College of the Sequoias at 4 PM in the local mat room. COS placed 18 in the Cal Poly tournament," reports Coach Hans Wiedenhoefer.

Winning the event was defending champ El Camino College with 69 points. Pre-tourney favorite San Mateo CC finishing a distant second with 59 points.

Fresno City's Armando Jacobo was an individual winner in the 147-pound division. In the final, Jacobo met Jack Cotton of Riverside Junior College, one of the top junior college grapplers in the state. Jacobo decisioned Cotton, 5-1.

In eliminating opponents to make the final match, Jacobo topped Burr Burriesel, San Jose CC; Al Rankin, San Bernardino JC; Brian Benson, Chabot JC, and Chet Phillips, Grossmont JC.

Kerby, Tourney Victor

Frank Kerby swamped John Wattmore of Grossmont in the finals, 3-1 to give FCC another victory. Kerby had 167-pound tournament wins over Bob Phillips, Palomar; Joe Julian, San Jose, and Alvin Gatewood, COS.

Runnerup in the 197-pound division was Woody Knott, one of the state's best in his weight class.

Winning the event was Charles Tribble, last year's 191-pound state champion.

Tribble had wins over Knott in last year's state tournament and this season's UCLA tourney.

Tribble defeated Knott in the final match, 5-2. Knott gained the finals with wins over Bob Braham of Fullerton JC, Phil Oerr of San Mateo, and Lou Villascusa of host Cal Poly.

Outstanding Grappler

Named as the outstanding grappler in the tournament was Gene Schaeffer (Grossmont), the 130-pound champion. Cotton was in contention for the award until Jacobo snapped his win string.

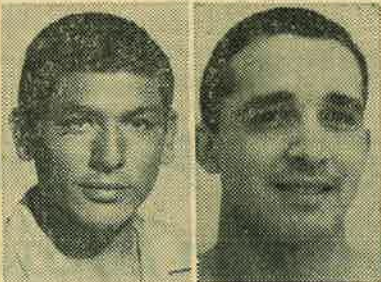

"The tournament is considered the largest junior college meet in the nation. There were 25 teams entered and 250 participating," explained Wiedenhoefer.

Team Totals

El Camino, 69; Grossmont, 59; San Mateo, 47; Chabot, 44; Fresno CC, 42; Diablo Valley, 40; Cal Poly JV, 38; Riverside, 24; San Bernardino Valley, 24; Bakersfield, 18; Chaffey, 16; Oakland, 13; Foothill, 11; San Jose CC, 10; Cerritos, 10; Fullerton, 9; Modesto JC, 8; College of Sequoias, 8; Cabrillo, 6; Orange Coast, 5; Palomar, 4; Mt. San Antonio, 4; Hartnell, 3; Los Angeles Valley, 2½; Taft JC, 1.

Championship Finals

115—Remer, Chabot, dec. Garcia, Cal Poly, 3-1 (OT); 123—McCann, El Camino, dec. Bruce, Diablo Valley, 9-7; 130—Schaeffer, Grossmont, dec. Garcia, El Camino, 6-4; 137—Matheson, Diablo Valley, dec. Pickins, Grossmont, 3-1; 147—Jacobo, Fresno, dec. Cotton, Riverside, 5-1; 157—Albright, El Camino, dec. Orr, Chaffey, 3-0; 167—Kerby, Fresno, dec. Wattmore, Grossmont, 3-1; 177—Haerem, San Mateo, dec. Wolff, El Camino, 6-1; 191—Tribble, San Bernardino Valley, dec. Knott, Fresno, 5-2; heavy-weight—Deadrich, Chabot, dec. Wenger, San Mateo, 3-2.
