

Nurses Will Hold Workshop On Campus

Area nurses and others interested in nursing education will attend a Fresno City College day-long workshop on "Community Utilization of the Junior College Nursing Programs" May 16.

Mrs. Lulu W. Hassenplug, founder and dean of the UCLA nursing school, will deliver the keynote address to start the program in the FCC social hall.

Prominent in nursing, Mrs. Hassenplug has served as a member of the Surgeon General's consultant group on nursing.

Presiding over the 10 AM introductory session will be Mary Nishimoto, chairman of the program committee for Unit B of the California League for Nursing, which is co-sponsoring the workshop.

Panel Discussions

Following the address, panel discussions will be held at 11 AM, 1:30 PM and at 2:30 PM.

A special summary and evaluation at 3:30 PM by Doris Gaitgey, specialist in in-service education, Kellogg Foundation, UCLA School of Nursing, will climax the program.

The 11 AM panel, "What Nursing Education Expects of Nursing Service", will be moderated by Dr. Kathryn Safferty, chairman of the nursing department at Bakersfield College. Other panel members will be Violet Nelson, an instructor at Modesto Junior College, and Mrs. Alma Palmer, an instructor at FCC.

Afternoon Panel

The 1:30 PM panel, "What Nursing Service Expects of the Junior College Graduate", will be led by Dr. Evelyn Pederson, director of the Associate in Arts Degree program at Modesto Junior College.

Panel members will be Mrs. Jeanne Hatfield, director of nursing service at the Stanislaus County Hospital in Modesto; Flora Fulton, director of nursing service for the Valley Children's Hospital in Fresno; Margaret Neill, associate director of nursing service at the Fresno County General Hospital; and Majorie Janek, director of nursing service at the Greater Bakersfield Memorial Hospital.

Student To Employee

"Transition: Student to Employee", will be the topic of the 2:30 PM panel, moderated by Mrs. Mabelclaire Norman, director of nursing at FCC.

Panelists will include Mrs. Ruth Weston, a student at Modesto Junior College; Mrs. Barbara Simmons and Nathaniel Dotson, students at FCC; Mrs. Bertha Thomas, a student at Bakersfield College; and Shirley Clintworth, R.N., a graduate of Bakersfield College.

A class of 21 professional nurses is expected to graduate from FCC this June.

Stuart M. White, president of FCC, will open the program.

—NEWS BRIEFS—

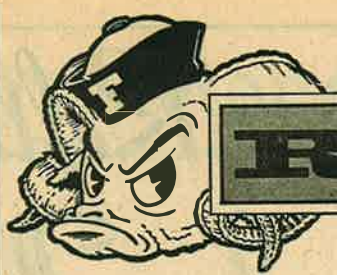

Archie Bradshaw, dean of students, was elected vice president of the California Junior College Association at a meeting at San Joaquin Delta College in Stockton.

* * *

The counseling department has urged all returning students to make an appointment with their counselor for pre-registration.

* * *

The Fresno City College journalism department will host a conference of high school journalists in the State Central Junior College District next Saturday.

Three Clubs Nominate Queen Candidates for Spring Crown

A mystery candidate sponsored by the Fine Arts Club is adding an air of suspense to the campaigning for Spring Formal Queen that opened the activities which will terminate with the Spring Formal next Friday.

Tomorrow, students will have the opportunity to vote for their favorite candidate in an election for the queen.

The candidates for the formal are sponsored by the different clubs on campus but only four have registered their candidates.

The Fine Arts Club is sponsoring a "mystery" candidate. Her name was registered late and the decision as to whether she is qualified to run is to be made at the Inter-Club Council meeting.

AMS Candidate

The Associated Men Students are sponsoring Jackie Clark, an 18-year-old freshman home economics major. Miss Clark was elected AMS spring sweetheart last month and reigned over the Caravan of Music Folk and Jazz Wing Ding. She was graduated from McLane High School.

Miss Clark plans to transfer to Fresno State College in another year and hopes to teach home economics in either junior or senior high school.

Barbara Shoemaker, an 18-year-old art major, is being sponsored by the Marketing Club. She is a freshman and was graduated from Fresno High School.

AWS Candidate

The Associated Women Students are sponsoring Royann Sordi, a dental major from Madera Union High School. She is an 18-year-old freshman at FCC.

The election will be held tomorrow from 9 AM to 3 PM. The voting booth will be placed in front of the SUB (Student Union Building).

All clubs on campus had the opportunity to sponsor a queen candidate but only four chose to do so. The candidates' names were due in the dean of women's office last Friday.

EMPTY SLATE MARKS ADVENT OF ELECTION CAMPAIGNING

Candidates for Student Body office will not even be required to make speeches for the nominations assembly which will mark the beginning of campaigning for fall semester offices.

To date only five candidates are running for student body offices with less than a week left to take out petitions.

Candidates

Seeking office for the fall term of next year are Harold Eric (Rick) Comstock, candidate for president; Jerralyn (Suzi) Holloman, vice president; Joseph Golden and Ronald Primavera, representative-at-large; and David Turner, Associated Men Students president.

Petitions, which are available in the admissions office, will be due in that office at 3 PM May 13. The nominations assembly is scheduled for noon the same day.

Outdoor Assembly

"This semester the assembly will be held between the administration building and McLane

Hall," said Marihelen Thomas, commissioner of elections.

"Another feature is that the candidates may use talent instead of nomination speeches," Miss Thomas added. "The students may present the act themselves or have another student perform for them."

Offices to be filled in the May 22 election are student body president, vice president, secretary, treasurer, Associated Men Students and Associated Women Students presidents and ten representative-at-large posts.

Academic Requirements

To be eligible to run for an office, a student must carry at least 12½ units and maintain a 2.0 grade average. Candidates for the offices of president and vice president must maintain a 2.5 grade average and be an FCC student for at least one year.

The voting will be held from 8 AM to 3 PM with voting booths located in front of the library, the student center, and in the main foyer of the administration building.

"If you are interested in student government, run for an office," urged Miss Thomas.

FCC Coed Reigns In Beauty Finals

A Fresno City College student will represent the Central San Joaquin Valley district in the Miss Wool finals in San Francisco this summer.

Jolene Robinson, a 20-year-old sophomore nursing major, was named alternate Miss Wool in the contest sponsored by the San Joaquin Valley District Wool Growers Auxiliary. Joni Johnson, a Fresno State College student, was selected Miss Wool but has relinquished her crown because she will be attending the University of Hawaii during the state finals.

The Miss Wool finals have been set for August 8 in San Francisco. Miss Robinson is the daughter of Mr. and Mrs. Hollis Robinson of 505 W. Santa Ana Ave.

Occupations Day Draws Job Seekers

A "business and industry occupations day," aimed at acquainting valley businessmen with prospective employees from Fresno City College, will be held on campus May 12.

Some 150 FCC prospective graduates and terminal students have been screened, and will be available for interviews, according to Dorothy Ediger, coordinator for the program.

Pre-Employment

"We've set up over 100 interviews on campus that day," said Mrs. Ediger, who represents the California Department of Employment on campus. "In fact, three people have already been placed in permanent jobs, and May 12 isn't here yet."

"Most of the inquiries for employees have been in the business area," she said. "We need more for the industrial and trades area." She cited auto mechanics, electronics, and architectural drafting as jobs under-represented by employers for the day-long interview session.

Reservations

"Interested employers can still make reservations by calling the job placement office at FCC," Mrs. Ediger said.

A coffee hour and orientation period at 8:30 until 9:30 AM between instructors and employers will start the day.

The remainder of the day will be devoted to interviewing between students and employers.

Unique At FCC

"Although this is the first time it has been tried at FCC, similar programs at Stockton and San Francisco have been very successful," Mrs. Ediger said.

Since August of 1962, when the state agency opened an FCC branch, the campus office has averaged over 70 employer-employee contacts per day, Mrs. Ediger said.

"In April, for example," she said, "we successfully placed over 200 students."

The program is aimed at the student completing two years of schooling at FCC. "We find a much greater difference in placing the two-year student," Mrs. Ediger said. "He is more proficient, more skilled, and more mature."

SPRING FETE BOASTS FREE ADMISSION

Free! And at that price there ought to be a large turnout next Friday for the Spring Formal.

The admission price to this dance has already been paid by all students when they paid their student body fees.

The dance, to be held in the new Vegas Room at the Fresno Hacienda, will have music supplied by Perez Prado and his well-known orchestra.

At the dance, according to Irving Lee, AMS president, there will be a fifteen minute program dedicated to the crowning of the Spring Formal Queen.

Refreshments, consisting of punch (at six dollars a gallon!), and cookies or cakes, will be served throughout the dance (but free!).

The appropriate dress for the event will be suits for the men and formals for the ladies.

Playing for the dance will be Perez Prado and his orchestra.

A new school custom will be initiated by the crowning of a Spring Formal queen to be selected by the student body tomorrow.

Editorial

RAMPAGE EDITOR ASKS WHY VOTE IN ELECTIONS?

With the advent of elections and due to the poor turnout at the polls for student body elections, the Rampage has decided to reverse its policy and present rational excuses why the average student should not vote.

In the past, the Rampage has splashed the front page with election copy, photos of candidates and tallies of the polls. It has tried to present excuses why the student should vote. But why, when there are so many reasons why the student shouldn't vote.

Herewith, the Rampage presents these reasons:

—The average student is unable to make an intelligent decision. Not because it is his fault but because the candidates do not acquaint him with their qualifications;

—It is not worth the time. There are so few names on the ballot that the few seconds it takes to put an "X" in the box beside a candidate's name is a waste of time;

—It is much too hard to pull one's self from the coffee shop. Why doesn't the election committee include a coke machine or coffee maker among its paraphernalia;

—Who cares about student government. Why not let them do what they want to with the \$38,000. "Why not let them wear blazers that I paid for?"

—Nobody ever knows about the elections. Instructors never read the bulletins and students never read the Rampage or posters. Why should they? It's nothing but a waste of time.

With all these reasons and many more, the Rampage again asks, "Why vote?"

Rampagers Need Help

By INEZ MARTA
Rampage Staff Writer

Towards the end of every semester a violent scream penetrates the air around the area of the FCC student center.

This ear splitting plea for help usually originates from the gaping black hole in the upstairs hall of the student center infamously known as the Student Publications Office—or how I learned to stop worrying and love the Democratic Party.

The auspicious occasion for this outcry to the gods is a violent need for reporters, photographers, cartoonists, would be editors and assistants of all assorted shapes and sizes to work on the coming semester's Rampage.

If you as a student (!!?) happen to feel a driving need or compunction (such as a pistol in the back) to join our forces (and if you've been reading the FCC Blacklist weekly you know that this is not just a literal statement—the term forces I mean), then remember the Rampage kindly as you stagger your way through registration this fall.

The requirements are only these: you must be energetic, trustworthy, helpful, untiring, resourceful and brave! Actually, though, just being brave will do—because the terrors of the average newspaper business eliminates earthly cowards.

DRIVE SAFELY!

Reflection In The Glass

By DENNIS JACOBY
Rampage Columnist

ART THIEF: I was so overcome by my visit to FCC's Museum of Fine Art (restroom) last week that I decided to return and take in a little more culture (alley culture). And much to my surprise there weren't any additions to the fine collection of art on the walls of this astonishing place. In fact, somebody grabbed a wet rag and washed all of the older murals, poems, phone numbers, names, songs and miscellaneous paintings off the wall. However it seems that water would not remedy the sculpture problem and the foul four letter word chiseled in six layers of old paint remains intact. There were two new names on the wall and I would advise a few of you to stop by and make sure they are not your names. . . . I would hate to see you caught by the unawares. And as for the culprit who removed the art work: nice work, Ernie (the custodial engineer). If a few of you witty souls would quit writing on the walls and write your name on the election sign up sheet and then vote, maybe one of the incoming officers would provide you with a room designated for John Wall-writeronnors.

THE FLAMBOYANT BLAZERS have returned to the scene. At the last student council meeting there were only two people in attendance sans blazers. I realize that the main reason for all of this uniformity was the non-existent sun and inclement weather . . . maybe a rain dance every Tuesday would prove very profitable.

While on the subject of student council there is one small item that I have been overlooking for at least six weeks. But now I think the time to mention this insignificant but irritating problem has finally arisen. There is one person who finds it necessary to be late to every single meeting of this "elite" group. And when I say late I mean late, he is never less than ten minutes late and he usually shows up fifteen minutes late. I realize that tardiness can be a necessity, but six times in a row? And it is really annoying when this very same guy shows up fifteen minutes late and bugs out fifteen minutes early. Just another one of the trials and tribulations that seem to go along with raising America's youngsters.

THE WORLD SHOW will swing into action tomorrow night in the FCC auditorium at 8 PM. I understand there is going to be a "genuine" Polynesian act presented by Ken Kilday, George Kamburoff and Suiava Mulitanaopele. The act will be a Polynesian sword dance done with a flaming sword. Now I don't dispute Pele's part of the act as being genuine but if Kamburoff and Kilday are "genuine" Polynesians I will eat the flaming sword and become part of the show.

Rudy Dar and Dulce Basco will perform a candle dance from the Philippines. And guess what? This one is genuine. So for only 75 cents, you can't go wrong. Let's really fool all of the critics and attend the doggone show. . . . That sounds like one heckuva good plan.

OLE SLEWFOOT: Joe Bienkowski, FCC's answer to Fred Astaire, has really done it this time. "Twinkletoes" Bienkowski has the lead dance in Music Man, Fresno Community Theatre's upcoming production. He informs me that he is going to be doing the same dance that Robert Preston did in the movie (for you moviegoers). I misplaced the information that I had compiled on this gala affair so for any additional information you will have to tune in next week to the adventures (or misadventures) of "Twinkletoes" Bienkowski as he trips the light fantastic (or trips his dancing partner).

PEEP SHOW: Have you men in the ranks noticed the peep show in the window in front of the SUB (student center). If not, how did you miss it? The sign says "Men Only" and I noticed a few lost girls and even some boys were becoming members of the knot hole club. Actually for those of you who haven't stopped by and peeked in the little hole you are really missing out. Because nestled inside are two pictures of Jackie Clark, who incidentally, is AMS queen and their candidate for spring formal queen. So when stumbling by in the usual daze, why not stop and sneak a peek?

FILLERSVILLE: The West Coast Relays will take place Friday night and Saturday. There will be a few members of the FCC track team participating in this affair so let's get out and support the cindermen.

Medics Assist Mock Operation

Emergency — repair one broken leg!

Medical assistant students will learn just how it is done when Dr. Carl Reiner, a local physician, demonstrates the procedure for the medical assistant class Monday night.

Dr. Reiner will presuppose a fractured limb and apply a cast to a student's leg during the demonstration.

Students will assist Dr. Reiner in the mock operation.

The demonstration is scheduled for 7 PM in room 221 of the administration building.

FCC-FSC Present World Show Tomorrow Night

Five Fresno City College students will be featured in two of the acts presented at the World Show, presented by the FCC and FSC International Clubs tomorrow night at the FCC auditorium.

Rodrigo (Rudy) Dar, FCC International Club president, and Dulce Basco will present a Philippine candle dance known as the "Dance of the Lights." The dance, a fandango, is one of the most popular dances in the Philippines. The dance consists of precise movements and intricate steps executed with lighted candle lamps on their heads and the backs of their hands.

The second act, a group called the Royal Kanakas, will perform a Polynesian ceremonial sword dance. Suiava (Pele) Mulitauapele, Ken Kilday and George Kamburoff make up this group which was formed a few weeks ago. It already has several bookings at shows, fairs, and night clubs.

Mulitauapele, international student from Samoa and the leader of the group, has performed in prominent places on the west coast and in Hawaii. He has performed for the royal family of Tahiti. He is considered to be one of the few people in the world able to do this ancient dance.

The show starts at 8 PM, and tickets may be purchased at the door—75 cents for students and adults, 1.

Applications For Nurses Due May 15

Deadline for applications for the fall semester registered nursing program at Fresno City College is May 15.

Mrs. Mabelclaire Norman, director of nursing education at FCC, said that those considering applying should sign up immediately for a personal interview.

"Applications for admission are given only after a personal interview," Mrs. Norman said.

A limited number of applications will be accepted, according to Mrs. Norman. "There probably won't be more than 35 in the fall class," she said.

Requirements for the program are a high school diploma, plus one year of high school chemistry (or one semester of college chemistry).

There are no restrictions on age, sex, or marital status for the program.

Bids for the spring formal will be available in the main foyer of the student center, Monday thru Friday of next week.

West Coast Relays Start Saturday!

RAM HORSEHIDERS CAPTURE VC LEAD

NET SQUAD 'IMPROVED'

The FCC tennis team, rebounding from a semi-successful season, has forged ahead in post-season competition to secure berths among the conference and regional leaders.

Don Bragonier battled his way to the quarter-finals at a state junior college tournament at Ojai, Calif., April 23-25 ranking himself among the state's best.

FCC doubles teams of Kent Millar and Bob Nelson, and Bill Nixon and Don Bragonier qualified at the conference tournament at Visalia for the regional playoffs to be held at Foothill College in Los Altos May 8 and 9.

Bragonier also qualified at the May 1 and 2 meet for the regionals in singles.

Coach Dan Ozier commented that he was "very pleased at the way the team has come along in the post-season competition." Ozier stated that the team had the potential, but was slow to "get rolling".

'LEN'S RIGHT ARM'—Ace hurler Tom Seaver, 6-2 in conference play, held league leading Sacramento to four hits in Saturday's dual bill, and hit a bunt single to drive in a run. Chuck Merker also gave up only four hits in the second game to put City College one game ahead in Valley Conference play
Miki Photo

CITY COLLEGE SWIMMERS READY FOR STATE MEET

By JIM ANDERSON
Rampage Sports Writer
Fresno City College's swimming team is preparing for the coming state junior college meet after they finished sixth in the 20-team Northern California

Swimming and Diving Championships held at Cabrillo JC in Aptos last weekend.

The Rams, paced by John Winstead, Kenny Anderson and the Freestyle Relay team edged past ARJC and Delta College to pick up 22 points. The meet was completely dominated by Foothill College, which picked up a total of 184 points.

Anderson

Kenny Anderson placed fifth in his two specialties, the 100 and 200 yard breaststrokes, as he was clocked in his best times this year of 1:08.9 and 2:32.4.

In the meet the Foothill Owls led by Ken Webb and Gary Ilman easily defeated the second place San Mateo team, by 184 to 44 margin, to take team honors in a cake walk and they also set five new national records and nine brand new Northern California meet records in the Cabrillo pool.

State Meet

Coach Gene Stephens will now prepare his mermen for the big meet at Bakersfield this weekend as the Rams will take aim on the top ten spots in the State JC meet today and will end Saturday night.

Top candidates for this meet in the team trophy battle will undoubtedly be Foothill with LA Valley and Orange Coast not too far behind the Owl tankers.

Coach Stephens will probably take Wayne Deaver, John Winstead, Pete Pierre, Bill Filippini and possibly George "Corky" Vandersluis.

12 RAM THINCLADS NAMED FOR ACTION IN COAST RELAYS

DAVID R. PACHECO
Rampage Sports Writer

Houston Williamson, Al Williams and Tyrone Powell will headline Fresno City College's cinder performers entered in the 38th annual running of the West Coast Relays this Saturday afternoon at Fresno's Ratcliffe Stadium after the Rams finished third in the Valley Conference state-qualifying meet Saturday in Sacramento.

Ram Nine Foils Sac., Take Lead

By DON MENCARINI

Led by the fine pitching of Tom Seaver and Chuck Merker, the Fresno City College nine were able to down the strong Sacramento City College Panthers, 5-2 and 4-2, to move into a one game lead in the Valley Conference race.

Saturday the Rams will close their VC play by playing the College of the Sequoias at Recreation Park in Visalia. A pair of wins against COS would sew up the Rams' fourth straight Valley Conference championship.

The double win over Sacramento gave the Rams a 12-6

	W	L
Fresno	12	6
Sacramento	11	7
Delta	10	8
Modesto	9	9
COS	8	10
ARJC	4	14

record, while the Panthers fell to an 11-7 log. Modesto will host SCC in a twin bill Saturday.

In the first game, Fresno was trailing 2-1, in the seventh inning, when Ross Moschitto walked to open the inning and went to second on a sacrifice bunt by Lincoln Marini.

With one away, sure fielding third baseman Jim Teter singled to move Moschitto to third base. Bob Schanze added another single and Mischitto came in with the tying run.

Brenden Ounjian followed with a double to score the fast running Teter and moved Schanze to third. Seaver followed with his bunt single to score Schanze and Ounjian was caught in a rundown after the play.

In the second game, Moschitto started things off with a big bang by pulling a 350 ft. blast over the left field wall.

The eyes of United States track and field fans will be focused on the Blackstone Avenue stadium when nearly 2,000 athletes will run, jump, and throw in the day-night classic, "Where world records are broken."

The annual extravaganza will feature many of the nation's top athletes assaulting world records in high school, college, university, and open divisions, as well as in junior college competition. The first JC event, the discus, will start at 11 AM and the other events will start at 1 PM.

Face Trials

Coach Erwin Ginsburg's FCC thinclads will vie for berths in the Northern California Championships at Modesto's NorCal Trials Tuesday afternoon. Ginsburg will lead a contingent of five qualifiers composed of 120 high hurdler Al Williams and the 440 yard relay team (Mike Freeman, Fred Teixeira, Odell Williams or Tim Vaux, and Williamson). The trials are held to narrow the NorCal field to eight runners in all except the two mile and field events.

Powerful College of Sequoias Giants, despite gaining only four first places to seven gathered by runner-up American River JC, capitalized on its remarkable depth to run away with Saturday's VC qualifying meet by amassing 170 1/2 points, 40 1/2 more than the Beavers. FCC compiled 75 points enroute to taking three first places in the triple jump, high jump, and the 120 high hurdles.

Finish Third

The Ram trio, consisting of Williamson, Al Williams, and Powell scored 39 1/2 points to lead in FCC's third place finish.

Other fine Ram performances were in the 330 yard intermediate hurdles where Teixeira placed second with a 39.6 time. Teammates Mike Freeman took third in the 220 in 22.9, as did discus ace Dale Samuelian with a 145-8 toss and vaulter Dan Stone with a 13 foot jump.

Ginsburg said, "I think we did fairly well at the qualifying meet and I feel we will do a good job in the West Coast Relays."

Golfers Ready For Match; Eye VC Tournament Crown

Ram golfers will prepare themselves for the up and coming Valley Conference golfing tournament Monday when the six teams in the Valley Conference tangle for the top spot.

Swenson Park Municipal Golf Course in Stockton is where the San Joaquin Delta Junior College linksmen will be the host team and prohibitive team favorites for

the Valley Conference tournament crown.

The Rams, who ended in a three way tie for the Valley Conference dual meet crown with Delta and the College of the Sequoias of Visalia duffers, made a brilliant come from behind effort as they defeated COS and Delta on the Riverside Municipal Golf Course to gather the first place tie.
